CONTRACTOR shall at all times during the term of this Agreement maintain in force the insurance coverage required under this Agreement and shall send, without demand by Agency, annual certificates to Agency's Contract Administrator. If the certificate is not received by the expiration date, Agency shall notify CONTRACTOR and CONTRACTOR shall have five calendar days to send in the certificate, evidencing no lapse in coverage during the interim. CONTRACTOR shall prepare, maintain and preserve all reports and records that may be required by federal, State, and local rules and regulations relating to services performed under this Agreement. CONTRACTOR shall retain all such records for at least five years from the date of final payment, or until any litigation relating to this Agreement is concluded, whichever is later.

Agency may terminate this Agreement at any time for good cause effective immediately upon written notice to CONTRACTOR. Exhibit A - Scope of Work

The Monterey County Water Resources Agency (Agency) owns and operates water storage and conveyance facilities throughout the Salinas Valley. These facilities include pumpstations and lift pumps stations, irrigation ditches, water conveyance structures, and the Castroville Seawater Intrusion Project (CSIP) recycled water distribution pipeline. The CSIP pipeline network runs approximately 46 miles and delivers tertiary treated recycled water to over 12,000 Acres of farmland near the coast. The Agency contracts with the recycled water provider Monterey One Water (M1W), to operate and maintain the system in conjunction with the Salinas Valley Reclamation Project, where the water is produced.

This is an agreement for on-call services related to the evaluation and repair of unexpected breaks, leaks, and failures that at times occur throughout the CSIP system or at other Agency water storage or conveyance facilities. CONTRACTOR shall be available for on-call work related to sudden and unexpected pipeline breaks, leaks, pump diagnosis and repair or other tasks as needed. On-call services may be required any day of the year with likely short notice for mobilization. CONTRACTOR shall respond to Agency communications within 24 hours for emergency situations. Expected CONTRACTOR response times will be based on the urgency of the situation as determined by the Agency. A three-tiered classification (Table 1) will be used with Tier one representing an emergency situation.

Tier	Description	Evaluation Response Time	Start of Work	Completion of Work
Emergency T&M (Tier 1)	Response required to stop or prevent imminent damage to property, facilities, or crops; or end or prevent a prolonged service outage.	Within 24 hours	Within 48 hours	Within 2 weeks
Non-emergency T&M (Tier 2)	Emergency situation has been stabilized but need for repair is urgent.	24 – 72 hours	Within 2 weeks	Within 1 month
Non-emergency Quote (Tier 3)	No immediate risk, work can be quoted and performed based on Agency and CONTRACTOR availability.	Based on availability	Based on availability	Based on availability

Table 1: Tiered Response Classification

CONTRACTOR shall report to Agency staff but may be required to work with the contracted system operator (M1W). Work may occur on Agency owned property or within Agency easements on privately owned property. CONTRACTOR will take care to prevent damage to crops, damage to roads, spills, or other actions that result in damage of property or facilities or interfere with use of private property or facilities.

All work shall be conducted to the minimum standard of “Caltrans Standard Specifications” updated 2022 and shall also follow Agency Project Specifications provided for the specific Project being performed.

Work performed on the CSIP system or other underground pipelines may include but is not limited to:

- Mobilizing and de-mobilizing all equipment needed
- Excavating, stabilizing/ shoring open holes, and dewatering of the open hole if necessary.
 - Discharge and cuttings shall be placed in a predetermined area to avoid further

- Stopping or stabilizing the leak/break based on system needs.
 - Methods may include using a temporary repair clamp, pipe wraps, etc..
- With the repair exposed, the leak/ break will be evaluated with the assistance of the MCWRA Agency Engineering Representative.
- The necessary repair will then have final planning conducted with all parts, materials, and techniques approved by the Agency Representative and provided by the contractor.
- The repair will then be performed utilizing the proper repair techniques which may include cutting, welding, binding, etc. of the pipeline or other infrastructure item within the system.
 - Cathodic protection or corrosion prevention will also be applied to the repair depending on its preexisting condition, site condition, etc.
- Backfilling with approved material with proper compaction, and any other task needed to complete the repair to its fully functional state will also take place.

Important Notes:

- There are multiple types of pipeline material within the system so experience with each method of repair and the materials needed will be required.
- The Pipeline consists of primarily Pre-tensioned, Concrete/mortar lined pipe with diameters ranging from 54 inches to 16 inches. HDPE sections also exist varying from 18 inches down to 12 inches, wall thickness varies and will need field verification. Some additional materials may also be in the system including epoxy coated steel pipe, galvanized piping, etc. The proper technique for repairing those materials are required. Other items of repair may also include air/vac risers, isolation valves, other valve types, cathodic protection systems and wiring, discharge pipes, bollards, utility access hole rings and any other component of the pipeline distribution system.

Work performed on pump station or other facilities may include but is not limited to:

- Perform pump station repair and maintenance as needed
- Including electrical work, pump repair and emergency servicing
- Any other repair determined as needed

Exhibit B – Payment Provisions

The fee schedule for work performed will be based on three tiers. The Tier classification for the project will be determined by the Agency Project Representative based on the urgency of the project and other contributing factors prior to the start of the project. The equipment rates and labor surcharge rates shall be determined using Caltrans “Standard Equipment and Labor Surcharge Rates” and the base labor rates shall be determined using California Department of Internal Relations “Prevailing Wage Rates”. The most recent Rate Book for Caltrans was published 4/1/2023 and is available at <https://dot.ca.gov/programs/construction/equipment-rental-rates-and-labor-surcharge> . The most recent “Director’s General Prevailing Wage Determination” from the CA DIR was updated April 2023 and is available at <https://www.dir.ca.gov/OPRL/DPreWageDetermination.htm> .

Each Project will have a clear and defined scope of work on a case-by-case basis. Maps, as-builts, lay sheets, spec sheets, etc. will be provided to the contractor. All charges for labor shall be from the approved fee schedule dependent on the type of equipment, work performed, classification of job, etc.

The Tier level will be stated for the task within the scope prior to commencing the response/repair. Tier 1 & Tier 2 will be based on Time and Materials, while Tier 3 will be quoted and line itemed to be reviewed and approved by the Agency Project Representative prior to start of work. A Project may have defined stages within the scope that will have steps in a Tier which once completed, would transition it into another tier at the completion of those steps. An example of this would be an initial emergency response to contain/stabilize a break and once emergency tasks are completed transition into the second stage of repair at a non-emergency tier. All approvals will be made in writing by the Agency Representative.

Tier	Description	Labor	Equipment	Material	Subcontractors
Emergency T&M (Tier 1)	Within 24-hr response, work conducted to stop and prevent damage (crops and infrastructure), prolonged service outage, etc. Work conducted from 48-hrs to a completion within 2 weeks.	35% Markup	15% Markup	15% Markup	10% Markup
Non-emergency T&M (Tier 2)	Break/ leak has been stabilized. Response within reasonable time (24-72hrs) project starts within 2 weeks and completed by one month.	25% Markup	15% Markup	10% Markup	10% Markup
Non-emergency Quote (Tier 3)	No immediate risk, job can be quoted out and completed when scheduling is available	Quoted	Quoted	Quoted	Quoted

BLANKET ADDITIONAL INSURED – AUTOMATIC STATUS IF REQUIRED BY WRITTEN CONTRACT (CONTRACTORS)

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

1. The following is added to SECTION II – WHO IS AN INSURED:

Any person or organization that:

- a. You agree in a "written contract requiring insurance" to include as an additional insured on this Coverage Part; and
- b. Has not been added as an additional insured for the same project by attachment of an endorsement under this Coverage Part which includes such person or organization in the endorsement's schedule;

is an insured, but:

- a. Only with respect to liability for "bodily injury", "property damage" or "personal injury"; and
- b. Only as described in Paragraph (1), (2) or (3) below, whichever applies:

(1) If the "written contract requiring insurance" specifically requires you to provide additional insured coverage to that person or organization by the use of:

(a) The Additional Insured – Owners, Lessees or Contractors – (Form B) endorsement CG 20 10 11 85; or

(b) Either or both of the following: the Additional Insured – Owners, Lessees or Contractors – Scheduled Person Or Organization endorsement CG 20 10 10 01, or the Additional Insured – Owners, Lessees or Contractors – Completed Operations endorsement CG 20 37 10 01;

the person or organization is an additional insured only if the injury or damage arises out of "your work" to which the "written contract requiring insurance" applies;

(2) If the "written contract requiring insurance" specifically requires you to provide additional insured coverage to that person or organization by the use of:

(a) The Additional Insured – Owners, Lessees or Contractors – Scheduled Person or Organization endorsement CG 20 10 07 04 or CG 20 10 04 13, the Additional Insured – Owners, Lessees or Contractors – Completed Operations endorsement CG 20 37 07 04 or CG 20 37 04 13, or both of such endorsements with either of those edition dates; or

(b) Either or both of the following: the Additional Insured – Owners, Lessees or Contractors – Scheduled Person Or Organization endorsement CG 20 10, or the Additional Insured – Owners, Lessees or Contractors – Completed Operations endorsement CG 20 37, without an edition date of such endorsement specified;

the person or organization is an additional insured only if the injury or damage is caused, in whole or in part, by acts or omissions of you or your subcontractor in the performance of "your work" to which the "written contract requiring insurance" applies; or

(3) If neither Paragraph (1) nor (2) above applies:

(a) The person or organization is an additional insured only if, and to the extent that, the injury or damage is caused by acts or omissions of you or your subcontractor in the performance of "your work" to which the "written contract requiring insurance" applies; and

(b) The person or organization does not qualify as an additional insured with respect to the independent acts or omissions of such person or organization.

COMMERCIAL GENERAL LIABILITY

2. The insurance provided to the additional insured by this endorsement is limited as follows:
 - a. If the Limits of Insurance of this Coverage Part shown in the Declarations exceed the minimum limits of liability required by the "written contract requiring insurance", the insurance provided to the additional insured will be limited to such minimum required limits of liability. For the purposes of determining whether this limitation applies, the minimum limits of liability required by the "written contract requiring insurance" will be considered to include the minimum limits of liability of any Umbrella or Excess liability coverage required for the additional insured by that "written contract requiring insurance". This endorsement will not increase the limits of insurance described in Section III – Limits Of Insurance.
 - b. The insurance provided to the additional insured does not apply to "bodily injury", "property damage" or "personal injury" arising out of the rendering of, or failure to render, any professional architectural, engineering or surveying services, including:
 - (1) The preparing, approving, or failing to prepare or approve, maps, shop drawings, opinions, reports, surveys, field orders or change orders, or the preparing, approving, or failing to prepare or approve, drawings and specifications; and
 - (2) Supervisory, inspection, architectural or engineering activities.
 - c. The insurance provided to the additional insured does not apply to "bodily injury" or "property damage" caused by "your work" and included in the "products-completed operations hazard" unless the "written contract requiring insurance" specifically requires you to provide such coverage for that additional insured during the policy period.
3. The insurance provided to the additional insured by this endorsement is excess over any valid and collectible other insurance, whether primary, excess, contingent or on any other basis, that is available to the additional insured. However, if the "written contract requiring insurance" specifically requires that this insurance apply on a primary basis or a primary and non-contributory basis, this insurance is primary to other insurance available to the additional insured under which that person or organization qualifies as a named insured, and we will not share with that other insurance. But the insurance provided to the additional insured by this endorsement still is excess over any valid and collectible other insurance, whether primary, excess, contingent or on any other basis, that is available to the additional insured when that person or organization is an additional insured, or is any other insured that does not qualify as a named insured, under such other insurance.
4. As a condition of coverage provided to the additional insured by this endorsement:
 - a. The additional insured must give us written notice as soon as practicable of an "occurrence" or an offense which may result in a claim. To the extent possible, such notice should include:
 - (1) How, when and where the "occurrence" or offense took place;
 - (2) The names and addresses of any injured persons and witnesses; and
 - (3) The nature and location of any injury or damage arising out of the "occurrence" or offense.
 - b. If a claim is made or "suit" is brought against the additional insured, the additional insured must:
 - (1) Immediately record the specifics of the claim or "suit" and the date received; and
 - (2) Notify us as soon as practicable.

The additional insured must see to it that we receive written notice of the claim or "suit" as soon as practicable.
 - c. The additional insured must immediately send us copies of all legal papers received in connection with the claim or "suit", cooperate with us in the investigation or settlement of the claim or defense against the "suit", and otherwise comply with all policy conditions.
 - d. The additional insured must tender the defense and indemnity of any claim or "suit" to any provider of other insurance which would cover the additional insured for a loss we cover under this endorsement. However, this condition does not affect whether the insurance provided to the additional insured by this endorsement is primary to other insurance available to the additional insured which covers that person or organization as a named insured as described in Paragraph 3. above.
5. The following is added to the **DEFINITIONS** Section:

"Written contract requiring insurance" means that part of any written contract or agreement under which you are required to include a person or or-

COMMERCIAL GENERAL LIABILITY

ganization as an additional insured on this Coverage Part, provided that the "bodily injury" and "property damage" occurs, and the "personal injury" is caused by an offense committed, during the policy period and:

- a. After the signing and execution of the contract or agreement by you; and
- b. While that part of the contract or agreement is in effect.

c. Method Of Sharing

If all of the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

d. Primary And Non-Contributory Insurance If Required By Written Contract

If you specifically agree in a written contract or agreement that the insurance afforded to an insured under this Coverage Part must apply on a primary basis, or a primary and non-contributory basis, this insurance is primary to other insurance that is available to such insured which covers such insured as a named insured, and we will not share with that other insurance, provided that:

- (1) The "bodily injury" or "property damage" for which coverage is sought occurs; and
- (2) The "personal and advertising injury" for which coverage is sought is caused by an offense that is committed;

subsequent to the signing of that contract or agreement by you.

5. Premium Audit

- a. We will compute all premiums for this Coverage Part in accordance with our rules and rates.
- b. Premium shown in this Coverage Part as advance premium is a deposit premium only. At the close of each audit period we will compute the earned premium for that period and send notice to the first Named Insured. The due date for audit and retrospective premiums is the date shown as the due date on the bill. If the sum of the advance and audit premiums paid for the policy period is greater than the earned premium, we will return the excess to the first Named Insured.
- c. The first Named Insured must keep records of the information we need for premium computation, and send us copies at such times as we may request.

6. Representations

By accepting this policy, you agree:

- a. The statements in the Declarations are accurate and complete;
- b. Those statements are based upon representations you made to us; and
- c. We have issued this policy in reliance upon your representations.

The unintentional omission of, or unintentional error in, any information provided by you which we relied upon in issuing this policy will not prejudice your rights under this insurance. However, this provision does not affect our right to collect additional premium or to exercise our rights of cancellation or nonrenewal in accordance with applicable insurance laws or regulations.

7. Separation Of Insureds

Except with respect to the Limits of Insurance, and any rights or duties specifically assigned in this Coverage Part to the first Named Insured, this insurance applies:

- a. As if each Named Insured were the only Named Insured; and
- b. Separately to each insured against whom claim is made or "suit" is brought.

8. Transfer Of Rights Of Recovery Against Others To Us

If the insured has rights to recover all or part of any payment we have made under this Coverage Part, those rights are transferred to us. The insured must do nothing after loss to impair them. At our request, the insured will bring "suit" or transfer those rights to us and help us enforce them.

9. When We Do Not Renew

If we decide not to renew this Coverage Part, we will mail or deliver to the first Named Insured shown in the Declarations written notice of the nonrenewal not less than 30 days before the expiration date.

If notice is mailed, proof of mailing will be sufficient proof of notice.

SECTION V – DEFINITIONS

1. "Advertisement" means a notice that is broadcast or published to the general public or specific market segments about your goods, products or services for the purpose of attracting customers or supporters. For the purposes of this definition:
 - a. Notices that are published include material placed on the Internet or on similar electronic means of communication; and
