Monterey Bay Community Power

JPA Design

Eleven Member Boards (Policy and Operations) composed respectively of Elected Officials & Administrative Officers from participating jurisdictions. If the number of early adopters participating goes beyond eleven the JPA will move to boards based on population size with rotating/shared seats, with shared seats for jurisdictions under 50,000, with the exception of one seat for the County of San Benito. Additionally, there will be one extra vote* (not seat) for jurisdictions above 100,000 on the Policy Board only.
