Introduced: 1/27/2023

Version: 1

Matter Type: WR General Agenda

Find, pursuant to AB 361 and in order for the Monterey County Water Resources Agency Board of Directors and its standing subcommittees (Personnel & Administration, Finance, and Planning) to continue to meet remotely, that the COVID-19 pandemic state of emergency declared by Governor Newsom is still in effect; the Board and subcommittees have reconsidered the circumstances of the state of emergency; and the Monterey County Health Officer continues to recommend social distancing measures for meetings of the legislative bodies.

RECOMMENDATION:

It is recommended that the Monterey County Water Resources Agency Board of Directors and its standing subcommittees (Personnel & Administration, Finance, and Planning) in order to continue to meet remotely, find the following: that the COVID-19 pandemic state of emergency declared by Governor Newsom is still in effect; the Board and subcommittees have reconsidered the circumstances of the state of emergency; and the Monterey County Health Officer continues to recommend social distancing measures for meetings of the legislative bodies.

SUMMARY/DISCUSSION:

On September 16, 2021, Governor Newsom signed AB 361. This legislation amends the Brown Act to allow meeting bodies subject to the Brown Act to meet via teleconference during a proclaimed state of emergency in accordance with teleconference procedures established by AB 361 rather than under the Brown Act's more narrow standard rules for participation in a meeting by teleconference. AB 361 provides that if a state or local health official recommends social distancing, a legislative body may meet remotely after September 30, 2021, provided that within 30 days of the first meeting after September 30, and every 30 days thereafter, the legislative body finds: 1) the Governor's proclaimed state of emergency is still in effect; 2) the legislative body has reconsidered the circumstances of the state of emergency; and 3) either the Monterey County Health Officer continues to recommend social distancing measures for meetings of legislative bodies or the state of emergency continues to directly impact the ability of the members to meet in person.

The Monterey County Health Officer has recommended social distancing measures for meetings of legislative bodies, so the Board of Directors and its subcommittees, including Personnel & Administration, Finance, and Planning ("Subcommittees"), were able to meet remotely in October without making findings. However, in order to continue to meet remotely going forward, the Board of Directors and Subcommittees must make the findings outlined above.

Accordingly, staff recommends making the appropriate findings. This action will be required every 30 days in order to keep meeting remotely; a special meeting may be necessary for that purpose.

The Basin Management Advisory Committee and Reservoir Operations Advisory Committee are not included here because they have members who do not sit on the Board of Directors. These findings will have to be considered separately at the meetings of those legislative bodies.

OTHER AGENCY INVOLVEMENT:

The General Manager concurs in the recommendation.

FINANCING:

The only financial impact is the continuing cost of teleconferencing.
