..Report

RECOMMENDATION:

It is recommended that the Board of Supervisors consider adopting a Resolution to:

- a. Amend Personnel Policies and Practices Resolution No. 98-394 Appendix A to adjust the salary range of the Managed Care Operations Manager classification as indicated in Attachment A effective August 26, 2023; and
- b. Direct the Human Resources Department to implement the changes in the Advantage Human Resources Management System.

SUMMARY/DISCUSSION:

A base wage compensation study of the Managed Care Operations Manager classification was requested by Natividad Medical Center (NMC) administrative staff. The reasons cited for the request were recruitment difficulties and to check for salary alignment with the hospital comparable agencies identified in the County's Compensation Philosophy approved in December 2021.

The base wage analysis of the County's hospital comparable agencies found that based on the duties performed, the Managed Care Operations Manager classification was matched to three (3) of the six (6) hospital comparable agencies: Alameda Health System, Salinas Valley Health and Santa Clara Valley Medical Center. After a thorough review and analysis of available data, no comparable matches were identified at Contra Costa Regional Medical Center, Hazel Hawkins Hospital and San Mateo Medical Center. The Managed Care Operations Manager classification is approximately 77.00% below the salary mean of the comparable agency's classifications.

To promote the County as the employer of choice, the goal is to provide labor market competitive wages by setting base wages within five percent (5% = - 4.495% with rounding) of the average of the agencies identified. The County's philosophy is to maintain a competitive compensation package that attracts and retains the highest quality candidates and employees to serve the community while maintaining sound fiscal standards.

Therefore, in accordance with the County's Compensation Philosophy, the base wage salary of the Managed Care Operations Manager classification would need to be adjusted by approximately 77.00% at top step in order to align with the labor market average.

OTHER AGENCY INVOLVEMENT:

The Human Resources Department concurs with the recommendations. County Employee Management Association (CEMA) has been notified of the recommendations.

FINANCING:

The salary and benefits increased costs for the current positions (1.0 FTE filled) budgeted for the remainder of Fiscal Year 2023-24 is approximately \$97,774 or \$101,685 annually. The funding for personnel costs is provided by NMC's enterprise fund comprised of patient services revenues received from commercial insurance, state, and federal government agencies. This action does not impact the General Fund.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:

The proposed recommended actions address the Board of Supervisors Administration Strategic Initiative. The actions demonstrate the County's commitment to meeting the Board's initiatives in recruiting, retaining, and attracting a diverse, talented workforce that supports the mission of Monterey County.
