Board Report

Board of Supervisors
Chambers
168 W. Alisal St., 1st Floor
Salinas, CA 93901

Legistar File Number: 24-655

October 03, 2024

Introduced: 9/27/2024

Current Status: ATS Review

Version: 1

Matter Type: General Agenda Item

Receive a report regarding a draft ordinance for E-bike and electric transportation use within the County of Monterey parks and open space; and provide comment or recommendations to staff.

RECOMMENDATION:

It is recommended the Monterey County Parks Commission Receive a report regarding a draft ordinance for E-bike and electric transportation use within the County of Monterey parks and open space; and provide comment or recommendations to staff.

SUMMARY/HISTORY:

December 2, 2021 - County of Monterey Parks Commission received a comprehensive informational report regarding the use of electric bikes (E-bikes) within the County of Monterey parks and open space (Attachment A).

December 1, 2022 - Parks staff provided a verbal update on E-bikes and an Ad Hoc Committee was formed to research E-bikes and report back to the full Commission with a recommendation on how to move forward with regulating E-bike use. The Ad Hoc Committee consisted of Commissioners Getzeleman, Sanchez and Stracke. Meeting minutes included (Attachment B).

July 7, 2023 - Ad Hoc Committee presented their research including a County-wide survey and provide a recommendation to the full Commission (Attachment C), at which time a robust discussion took place. The Commission was split between regulating only E-bikes or all forms of non-vehicular electric transportation. Consensus was reached with creating a speed limit for all forms of trail use transportation. Parks staff also recommended including a trail etiquette policy that would improve trail safety between various user groups. Parks staff stated they would return with a draft ordinance for consideration.

June 6, 2024 - The draft ordinance was presented to the Parks Commission for review and comment and a robust discussion ensued. The Commission was split in their consideration regarding e-bike classifications, maximum speed limit and passing speed limit. The Commission advised staff to return at the next meeting with an updated draft ordinance for consideration.

October 3, 2024 - Revised draft ordinance presented to Commission for review and comment (Attachment E).
