RECOMMENDATION:

It is recommended that the Board of Supervisors:

- a. Approve and Authorize the Contracts/Purchasing Officer or Contracts/Purchasing Supervisor to sign Amendment 1 Mary Ann McConnell dba Bay Area Polygraph, initial term of Agreement April 1, 2018 to March 30, 2021, the new term of the Agreement is April 1, 2018 to June 30, 2023, for an amount not to exceed \$170,000.00; and
- b. Authorize the Contracts/Purchasing Officer or Contracts/Purchasing Supervisor to sign two (2) additional one (1) year amendments to the agreement where the amendment does not significantly change the scope of work, and where each amendment does not exceed \$115,200.00, for a revised not to exceed maximum contract cost of \$285,200.00.

SUMMARY/DISCUSSION:

The Monterey County Sheriff's Office (MCSO) request approval of this Amendment as MCSO is required to perform background clearances and Polygraphs on all its personnel. Peace officer candidates have minimum selection standards as detailed in Government Code Sections 1029-1031.2. Additional restrictions are placed on peace officers by Penal Code 29805, which states that those who have committed specific misdemeanors cannot possess a firearm for ten (10) years, unless they are able to petition the court and seek injunctive relief. If relief is not granted by the court, an applicant would be disqualified from being a peace officer. United States Code Title 18 Section (d) (9) states that those convicted of offenses containing the elements of domestic violence cannot possess a firearm, which would also disqualify a candidate from consideration.

The Commission on Police Officer Standards has terms that must be met by all sworn candidates, as delineated in Commission Regulations 1950-1955. These regulations cover citizenship requirements, age, education, clearances based on fingerprints, reading and writing tests, oral interviews, medical and psychological evaluations and background checks. The background check portion of these standards requires the Sheriff's Office to collect and review personal history statements, past employment,

driving records, credit history, military service, and previous tenancy history.

The Sheriff's Office must also background check and polygraph all non-sworn employees (professional and jail support staffs) which adds significant time delays to filling positions, particularly those positions within the accounting area. The accounting area traditionally has a much smaller pool of applicants and they are in demand, countywide.

This is not the only vendor who performs these duties.

OTHER AGENCY INVOLVEMENT:

County Counsel, the Auditor-Controller, and the Contracts/Purchasing Department have reviewed and approved this Agreement as to legal form, fiscal provisions, and insurance requirements, respectively.

FINANCING:

The cost of this contract is included in the proposed FY 2020-21 budget and will not create an increase in General Fund Contribution resulting from this Board action. There is anticipated increase built into the amendments.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:
