The Political Reform Act of 1974 (Government Code sections 81000, et seq.) requires state and local government agencies to adopt and promulgate conflict of interest codes. The Fair Political Practices Commission has adopted a regulation, section 18730 of Title 2 of the California Code of Regulations, which contains the terms of a standard conflict-of-interest code, which can be incorporated by reference in an agency's code. Therefore, the terms of section 18730 of title 2 of the California Code of Regulations and any amendments to it duly adopted by the Fair Political Practices Commission, together with the attached appendices designating positions and establishing disclosure categories, are hereby incorporated by reference and together shall constitute the Conflict of Interest Code of the Salinas Valley Memorial Healthcare System (hereafter "Agency").

Individuals holding designated positions shall file their statement of economic interests with the Salinas Valley Memorial Healthcare System, which will make the statements available for public inspection and reproduction pursuant to Government Code section 81008.
