**Subject:** Nacimiento Lake Drive Bridge  
Revised Contract Amendment Request #2

Dear Jonathan:

Biggs Cardosa Associates, Inc. is submitting this revised proposal to provide additional engineering services as noted below for the subject project. Enclosed is a request for an Amendment to the Contract, revising the Scope of Services and the Payment Schedule sections of the Contract to include the additional engineering effort required to accomplish this additional work.

## SCOPE OF ADDITIONAL SERVICES

### Additional Project Management Services:

- General additional Project Management services for the additional design and engineering work described in this extra work request, including contract management, meetings, coordination of subconsultants, supervision and review of subconsultants' work, and communication with the County.
- Extra work required to restart the project after several months of stopped work. After a substantial delay like this, the members of the design team need to spend extra hours reviewing emails, reports, memorandums, calculations, and plans in order to become re-familiarized with the project status and critical design issues and details. Additionally, because Caltrans is continually updating the Standard Special Provisions (SSP's), the project delay will require a thorough specifications review, and several of the SSP's will likely need to be updated and re-edited.
- Extra work required to incorporate a final grading plan for the area where the existing bridge will be removed. This sheet was previously expected to be included in the mitigation plan sheets, since the planned mitigation area incorporates the existing bridge area. However, since the mitigation work is being moved to a separate contract, the plan needs to be added to the current project plan set. A plan sheet will be developed by the County to indicate the

required grading in this area after removal of the existing bridge is completed. The plan sheet will be coordinated and reviewed by BCA, and added to the project plan set.

- Coordination, review and quality assurance for completion of the Environmental Impact Report.

**Additional Environmental Services:**

***Environmental Impact Report***

- EIR Notice of Preparation – Per Section 15082 of the CEQA Guidelines, DJP&A will prepare a Notice of Preparation that provides the information necessary for responsible agencies to make a meaningful response.
- EIR Summary – Per Section 15123 of the CEQA Guidelines, DJP&A will prepare a brief summary of the proposed actions and its consequences.
- EIR Alternatives Section – Per Section 15126.6 of the CEQA Guidelines, DJP&A will evaluate a range of reasonable alternatives to the project, which would attain most of the project objectives but would avoid or substantially lessen any of the project's significant effects.
- EIR Public Hearing – DJP&A will attend one public hearing during the preparation or certification of the EIR.
- Responses to Comments – Per Section 15088 of the CEQA Guidelines, DJP&A will evaluate comments on environmental issues received from persons who reviewed the Draft EIR and prepare written responses to those comments.
- Final EIR – Per Section 15132 of the CEQA Guidelines, DJP&A will prepare the Final EIR, including comments received and responses to those comments and any revisions to the Draft EIR or information added by the County.

**Additional Structural Engineering Services:**

- Extra work required to incorporate Caltrans' recently modified design guidelines (dated February 2011) for liquefaction modeling. Sandy soil layers that have the potential to liquefy under seismic loading are present at Abutment 1 and Bent 2. These layers and how they are modeled in the seismic models developed for the bridge structure can have a substantial effect on the displacement demands on the bridge under seismic loading. Previously, these liquefiable soil layers were modeled per the Caltrans guidelines that were current at the time. However, the geotechnical engineer has reviewed the new guidelines, and has indicated that they are sufficiently different to warrant the need to recheck these portions of the design. Changes to the liquefaction modeling approach require that all the seismic structural calculations be rechecked and revised per the new guidelines, and that the structural plans, specifications and estimate be revised accordingly.
- Extra work required to provide input about the revisions to the traffic handling approach.

# EXHIBIT A-1 – SCOPE OF SERVICES/PAYMENT PROVISIONS

## Additional Civil Engineering Services:

- Extra work required to revise the traffic handling approach and eliminate the temporary retaining wall, as requested by the County. This work requires close coordination and review between the structural and civil engineers, and major changes to the traffic handling plan sheets. It will also require changes to the specifications and quantity calculations. Elimination of the retaining wall and the modifications to the traffic handling approach will provide substantial construction cost savings for the County.
- Extra work required to modify the roadway structural section, as requested by the County.
- Extra work required to provide embankment reinforcing details, specifications and estimate according to the requirements of the geotechnical engineer.

## Assumptions

- It is assumed that any changes to the traffic handling approach will fit within the previously defined Area of Potential Effect boundary. Modifications to the boundary are not included in this scope.
- It is assumed that the 2:1 embankment slopes indicated on the plans will not be revised to 4:1 slopes. The 2:1 slopes were already approved by Caltrans and the County at the Type Selection phase. Changing the slopes at this stage would increase the required right-of-way purchase for the County. It would also cause the environmental APE boundary to be revised, which would lead to portions of the environmental work having to be redone, and is not advisable at this late stage of the project.
- Mitigation Plans, Specifications and Estimate are not included.
- Modifications to the roadway superelevation are not included.
- An existing bridge removal plan and a final grading plan for the bridge removal area are not included.

Please see the Fee Breakdown document included under Attachment A for a more detailed description of the fee for each portion of the work listed above.

All additional work will be performed in the manner outlined in the original scope of work submitted for the Nacimiento Lake Drive Bridge project. All exclusions identified in the original scope of work shall apply to this extra work scope.

This endorsement modifies insurance provided under the following:  
COMMERCIAL GENERAL LIABILITY COVERAGE PART

### **SCHEDULE**

**NAME OF PERSON(S) OR ORGANIZATION(S):**

**The County of Monterey, its agents, officers and Employees**

**PROJECT/LOCATION OF COVERED OPERATIONS: All Operations of the Named Insured**

### **PROVISIONS**

A. The following is added to WHO IS AN INSURED (Section II):

The person or organization shown in the Schedule above is an additional insured on this Coverage Part, but only with respect to liability for bodily injury, "property damage" or "personal injury" caused, in whole or in part, by your acts or omissions or the acts or omissions of those acting on your behalf:

- a. In the performance of your ongoing operations;
- b. In connection with premises owned by or rented to you; or
- c. In connection with your work and included within the "products-completed operations hazard."

Such person or organization does not qualify as an additional insured for "bodily injury", "property damage" or "personal injury" for which that person or organization has assumed liability in a contract or agreement.

The insurance provided to such additional insured is limited as follows:

- d. This insurance does not apply to the rendering of or failure to render any "professional services".
  - e. The limits of insurance afforded to the additional insured shall be the limits which you agreed in that contract or agreement requiring insurance to provide for that additional insured, or the limits shown in the Declarations for this Coverage Part, whichever are less. This endorsement does not increase the limits of insurance stated in the LIMITS OF INSURANCE (Section III) for this Coverage Part.
- B. The following is added to Paragraph a. of 4. Other Insurance in COMMERCIAL GENERAL LIABILITY CONDITIONS (Section IV):  
However, if you specifically agree in a contract or agreement requiring insurance that, for the additional insured shown in the Schedule, the insurance provided to that additional insured under this

## COMMERCIAL GENERAL LIABILITY

Coverage Part must apply on a primary basis, or a primary and non-contributory basis, ~~this insurance is primary~~ to other insurance that is available to such additional insured which covers such additional insured as a named insured, ~~and we will not share with the other insurance~~, provided that:

- (1) The "bodily injury" or "property damage" for which coverage is sought occurs; and
- (2) The "personal injury" for which coverage is sought arises out of an offense committed;

after you have entered into that "contract or agreement requiring insurance" for such additional insured. But this insurance still is excess over valid and collectible other insurance, whether primary, excess, contingent or on any other basis, that is available to the additional insured when the additional insured is also an additional insured under any other insurance.

- C. The following is added to Paragraph 8. Transfer Of Rights Of Recovery Against Others To Us in COMMERCIAL GENERAL LIABILITY CONDITIONS (Section IV):

We waive any rights of recovery we may have against the additional insured shown in the Schedule above because of payments we make for "bodily injury", "property damage" or "personal

injury" arising out of "your work" on or for the project, or at the location, shown in the Schedule above, performed by you, or on your behalf, under a "contract or agreement requiring insurance" with that additional insured. We waive these rights only where you have agreed to do so as part of the "contract or agreement requiring insurance" with that additional insured entered into by you before, and in effect when, the "bodily injury" or "property damage" occurs, or the "personal injury" offense is committed.

- D. The following definition is added to DEFINITIONS (Section V):

"Contract or agreement requiring insurance" means that part of any contract or agreement under which you are required to include the person or organization shown in the Schedule as an additional insured on this Coverage Part, provided that the "bodily injury" and "property damage" occurs, and the "personal injury" is caused by an offense committed:

- a. After you have entered into that contract or agreement;
- b. While that part of the contract or agreement is in effect; and
- c. Before the end of the policy period.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

### B. Owned Autos You Acquire After The Policy Begins

1. If Symbols 1, 2, 3, 4, 5, 6 or 19 are entered next to a coverage in Item Two of the Declarations, then you have coverage for "autos" that you acquire of the type described for the remainder of the policy period.

## SECTION II – LIABILITY COVERAGE

### A. Coverage

We will pay all sums an "insured" legally must pay as damages because of "bodily injury" or "property damage" to which this insurance applies, caused by an "accident" and resulting from the ownership, maintenance or use of a covered "auto".

We will also pay all sums an "insured" legally must pay as a "covered pollution cost or expense" to which this insurance applies, caused by an "accident" and resulting from the ownership, maintenance or use of covered "autos". However, we will only pay for the "covered pollution cost or expense" if there is either "bodily injury" or "property damage" to which this insurance applies that is caused by the same "accident".

We have the right and duty to defend any "insured" against a "suit" asking for such damages or a "covered pollution cost or expense". However, we have no duty to defend any "insured" against a "suit" seeking damages for "bodily injury" or "property damage" or a "covered pollution cost or expense" to which this insurance does not apply. We may investigate and settle any claim or "suit" as we consider appropriate. Our duty to defend or settle ends when the Liability Coverage Limit of Insurance has been exhausted by payment of judgments or settlements.

#### 1. Who Is An Insured

The following are "insureds":

- a. You for any covered "auto".
- b. Anyone else while using with your permission a covered "auto" you own, hire or borrow except:

- (1) The owner or anyone else from whom you hire or borrow a covered "auto".

This exception does not apply if the covered "auto" is a "trailer" connected to a covered "auto" you own.

- (2) Your "employee" if the covered "auto" is owned by that "employee" or a member of his or her household.
- (3) Someone using a covered "auto" while he or she is working in a business of selling, servicing, repairing, parking or storing "autos" unless that business is yours.
- (4) Anyone other than your "employees", partners (if you are a partnership), members (if you are a limited liability company) or a lessee or borrower or any of their "employees", while moving property to or from a covered "auto".
- (5) A partner (if you are a partnership) or a member (if you are a limited liability company) for a covered "auto" owned by him or her or a member of his or her household.

c. Anyone liable for the conduct of an "insured" described above but only to the extent of that liability.

## 2. Coverage Extensions

### a. Supplementary Payments

We will pay for the "insured":

- (1) All expenses we incur.
- (2) Up to \$2,000 for cost of bail bonds (including bonds for related traffic law violations) required because of an "accident" we cover. We do not have to furnish these bonds.
- (3) The cost of bonds to release attachments in any "suit" against the "insured" we defend, but only for bond amounts within our Limit of Insurance.
- (4) All reasonable expenses incurred by the "insured" at our request, including actual loss of earnings up to \$250 a day because of time off from work.
- (5) All court costs taxed against the "insured" in any "suit" against the "insured" we defend. However, these payments do not include attorneys' fees or attorneys' expenses taxed against the "insured".

- (6) All interest on the full amount of any judgment that accrues after entry of the judgment in any "suit" against the "insured" we defend, but our duty to pay interest ends when we have paid, offered to pay or deposited in court the part of the judgment that is within our Limit of Insurance.

These payments will not reduce the Limit of Insurance.

### b. Out-of-state Coverage Extensions

While a covered "auto" is away from the state where it is licensed we will:

- (1) Increase the Limit of Insurance for Liability Coverage to meet the limits specified by a compulsory or financial responsibility law of the jurisdiction where the covered "auto" is being used. This extension does not apply to the limit or limits specified by any law governing motor carriers of passengers or property.
- (2) Provide the minimum amounts and types of other coverages, such as no-fault, required of out-of-state vehicles by the jurisdiction where the covered "auto" is being used.

We will not pay anyone more than once for the same elements of loss because of these extensions.

## SECTION IV – BUSINESS AUTO CONDITIONS

The following conditions apply in addition to the Common Policy Conditions:

### A. Loss Conditions

#### 1. Appraisal For Physical Damage Loss

If you and we disagree on the amount of "loss", either may demand an appraisal of the "loss". In this event, each party will select a competent appraiser. The two appraisers will select a competent and impartial umpire. The appraisers will state separately the actual cash value and amount of "loss". If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

- a. Pay its chosen appraiser; and
- b. Bear the other expenses of the appraisal and umpire equally.

If we submit to an appraisal, we will still retain our right to deny the claim.

#### 2. Duties In The Event Of Accident, Claim, Suit Or Loss

We have no duty to provide coverage under this policy unless there has been full compliance with the following duties:

- a. In the event of "accident", claim, "suit" or "loss", you must give us or our authorized representative prompt notice of the "accident" or "loss". Include:
  - (1) How, when and where the "accident" or "loss" occurred;
  - (2) The "insured's" name and address; and
  - (3) To the extent possible, the names and addresses of any injured persons and witnesses.
- b. Additionally, you and any other involved "insured" must:

- (1) Assume no obligation, make no payment or incur no expense without our consent, except at the "insured's" own cost.

- (2) Immediately send us copies of any request, demand, order, notice, summons or legal paper received concerning the claim or "suit".

- (3) Cooperate with us in the investigation or settlement of the claim or defense against the "suit".

- (4) Authorize us to obtain medical records or other pertinent information.

- (5) Submit to examination, at our expense, by physicians of our choice, as often as we reasonably require.

- c. If there is "loss" to a covered "auto" or its equipment you must also do the following:

- (1) Promptly notify the police if the covered "auto" or any of its equipment is stolen.

- (2) Take all reasonable steps to protect the covered "auto" from further damage. Also keep a record of your expenses for consideration in the settlement of the claim.

- (3) Permit us to inspect the covered "auto" and records proving the "loss" before its repair or disposition.

- (4) Agree to examinations under oath at our request and give us a signed statement of your answers.

### 3. Legal Action Against Us

No one may bring a legal action against us under this coverage form until:

- a. There has been full compliance with all the terms of this coverage form; and
- b. Under Liability Coverage, we agree in writing that the "insured" has an obligation to pay or until the amount of that obligation has finally been determined by judgment after trial. No one has the right under this policy to bring us into an action to determine the "insured's" liability.

### 4. Loss Payment – Physical Damage Coverages

- a. Pay for, repair or replace damaged or stolen property;

- b. Return the stolen property, at our expense. We will pay for any damage that results to the "auto" from the theft; or

#### 5. Transfer Of Rights Of Recovery Against Others To Us

If any person or organization to or for whom we make payment under this coverage form has rights to recover damages from another, those rights are transferred to us. That person or organization must do everything necessary to secure our rights and must do nothing after "accident" or "loss" to impair them.

### B. General Conditions

#### 1. Bankruptcy

Bankruptcy or insolvency of the "insured" or the "insured's" estate will not relieve us of any obligations under this coverage form.

#### 2. Concealment, Misrepresentation Or Fraud

This coverage form is void in any case of fraud by you at any time as it relates to this coverage form. It is also void if you or any other "insured", at any time, intentionally conceal or misrepresent a material fact concerning:

- a. This coverage form;
- b. The covered "auto";
- c. Your interest in the covered "auto"; or
- d. A claim under this coverage form.

#### 3. Liberalization

If we revise this coverage form to provide more coverage without additional premium charge, your policy will automatically provide the additional coverage as of the day the revision is effective in your state.

#### 4. No Benefit To Bailee – Physical Damage Coverages

We will not recognize any assignment or grant any coverage for the benefit of any person or organization holding, storing or transporting property for a fee regardless of any other provision of this coverage form.

### 5. Other Insurance

- a. For any covered "auto" you own, this coverage form provides primary insurance. For any covered "auto" you don't own, the insurance provided by this coverage form is excess over any other collectible insurance. However, while a covered "auto" which is a "trailer" is connected to another vehicle, the Liability Coverage this coverage form provides for the "trailer" is:

- (1) Excess while it is connected to a motor vehicle you do not own.
- (2) Primary while it is connected to a covered "auto" you own.

- b. For Hired Auto Physical Damage Coverage, any covered "auto" you lease, hire, rent or borrow is deemed to be a covered "auto" you own. However, any "auto" that is leased, hired, rented or borrowed with a driver is not a covered "auto".

- c. Regardless of the provisions of Paragraph a. above, this coverage form's Liability Coverage is primary for any liability assumed under an "insured contract".

- d. When this coverage form and any other coverage form or policy covers on the same basis, either excess or primary, we will pay only our share. Our share is the proportion that the Limit of Insurance of our coverage form bears to the total of the limits of all the coverage forms and policies covering on the same basis.

### 6. Premium Audit

- a. The estimated premium for this coverage form is based on the exposures you told us you would have when this policy began. We will compute the final premium due when we determine your actual exposures. The estimated total premium will be credited against the final premium due and the first Named Insured will be billed for the balance, if any. The due date for the final premium or retrospective premium is the date shown as the due date on the bill. If the estimated total premium exceeds the final premium due, the first Named Insured will get a refund.
- b. If this policy is issued for more than one year, the premium for this coverage form will be computed annually based on our rates or premiums in effect at the beginning of each year of the policy.

**7. Policy Period, Coverage Territory**

- a. During the policy period shown in the Declarations; and
- b. Within the coverage territory.

The coverage territory is:

- (1) The United States of America;
- (2) The territories and possessions of the United States of America;
- (3) Puerto Rico;
- (4) Canada; and
- (5) Anywhere in the world if:
  - (a) A covered "auto" of the private passenger type is leased, hired, rented or borrowed without a driver for a period of 30 days or less; and
  - (b) The "insured's" responsibility to pay damages is determined in a "suit" on the merits, in the United States of America, the territories and possessions of the United States of America, Puerto Rico or Canada or in a settlement we agree to.

We also cover "loss" to, or "accidents" involving, a covered "auto" while being transported between any of these places.

**8. Two Or More Coverage Forms Or Policies Issued By Us**

If this coverage form and any other coverage form or policy issued to you by us or any company affiliated with us applies to the same "accident", the aggregate maximum Limit of Insurance under all the coverage forms or policies shall not exceed the highest applicable Limit of Insurance under any one coverage form or policy. This condition does not apply to any coverage form or policy issued by us or an affiliated company specifically to apply as excess insurance over this coverage form.
