The terms of the Addendum are hereby incorporated into this Agreement by this reference.

**II. MAINTENANCE SERVICES**

The Services provided by MorphoTrust are those services selected by Customer from one or more of the following maintenance services programs:

Unless otherwise agreed by MorphoTrust, replacement parts and components needed at international destinations shall be shipped by MorphoTrust to the Customer-specified United States destination, and the Customer shall arrange for shipment of the parts and components to the final international destination. In the event MorphoTrust ships replacement parts and components to an international destination, the

Customer shall be responsible for all shipping expenses, duties, tariffs, taxes, and all other delivery related charges.

- MorphoTrust shall make available to Customer one copy (in electronic or other standard form) of each Update (defined herein) for those System components that are developed by MorphoTrust and for which MorphoTrust, in its sole discretion, elects to develop and generally make available to customers whose Systems are under warranty or under a current MorphoTrust Maintenance Agreement Addendum. Customer shall provide MorphoTrust with continuous network or dial-up access to the System (whether stand alone or connected to a central site), and MorphoTrust shall deliver the Update via this remote means of delivery. In the event continuous network or dial-up access is not available for *24/7 Maintenance Services* and *9/5 Maintenance Services* Customers, then MorphoTrust shall install the Update during any subsequently scheduled on-site visit by MorphoTrust for service of the System. An "Update" means a new release of such System software components that are developed by MorphoTrust which contain (i) bug fixes, corrections, or a work-around of previously identified errors with such software, or (ii) minor enhancements, improvements, or revisions with substantially similar (but not new) functionality to the original licensed System software.

B. 24/7 Maintenance Services. MorphoTrust's *24/7 Maintenance Services* are as follows:

- Customer will receive a telephone response to service calls within one (1) hour from the time the Customer places a service call with MorphoTrust's Help Desk.
- MorphoTrust's Help Desk will attempt problem resolution via telephonic verbal and dial-in troubleshooting prior to dispatching an MorphoTrust field service engineer to Customer's facility for on-site service.
- If on-site service is necessary, such service shall be provided 24/7, including holidays. MorphoTrust shall use its best efforts to have an MorphoTrust's field service engineer at the

Customer's facility within four (4) hours from the time the engineer is dispatched by MorphoTrust's Help Desk for customers located within a 100 mile radius of an authorized MorphoTrust's service location and within 24 hours for customers located outside such 100 mile radius.

- At no additional charge (provided Customer has granted MorphoTrust with continuous network or dial-up access to the System, whether stand alone or connected to a central site), MorphoTrust will provide Customer with up to four (4) Customer-requested type of transaction changes to existing type of transaction applications; provided further, however, that any such type of transaction change does not, in the sole opinion of MorphoTrust's Development Management Team, require a significant development or deployment effort. Generally, a *significant development effort* is one that takes MorphoTrust more than one full business day to develop, and a *significant deployment effort* is one that requires MorphoTrust's deployment of one or more of its field service engineers to more than [5] Customer locations or MorphoTrust's field service engineer(s) collectively traveling a distance greater than [250] miles in order to complete the installations. In any such events, MorphoTrust will provide such services on a time and materials basis and MorphoTrust will provide Customer with a quote for developing and providing Customer with any such applications and changes. Table updates are treated as Updates and will be made available to Customer in accordance with Section II.A. of this Agreement.

C. 9/5 Maintenance Services. MorphoTrust's 9/5 Maintenance Services are as follows:

- Customer will receive a telephone response to service calls within one (1) hour from the time Customer places a service call with MorphoTrust's Help Desk.
- MorphoTrust's Help Desk will attempt problem resolution via telephonic verbal and dial-in troubleshooting prior to dispatching an MorphoTrust field service engineer to Customer's facility for on-site service.
- If on-site service is necessary, such service shall be provided nine (9) business hours (that is, 8:00 a.m. to 5:00 p.m.) per day, five business days per week. MorphoTrust shall use its best efforts to have an MorphoTrust's

field service engineer at Customer's facility within eight (8) working hours from the time the engineer is dispatched by MorphoTrust's Help Desk if Customer's facility is located within a 100 mile radius of an authorized MorphoTrust's service location and within 24 hours if Customer's facility is located outside such 100 mile radius.

- Upon MorphoTrust's acceptance of Customer's request for after hours service, Customer shall pay for such after hours service on a time and materials basis at MorphoTrust's then current rates.
- At no additional charge (provided Customer has granted MorphoTrust with continuous network or dial-up access to the System, whether stand alone or connected to a central site), MorphoTrust will provide Customer with up to four (4) Customer-requested type of transaction changes to existing type of transaction applications; provided further, however, that any such type of transaction change does not, in the sole opinion of MorphoTrust's Development Management Team, require a significant development or deployment effort. Generally, a *significant development effort* is one that takes MorphoTrust more than one full business day to develop, and a *significant deployment effort* is one that requires MorphoTrust's deployment of one or more of its field service engineers to more than [5] Customer locations or MorphoTrust's field service engineer(s) collectively traveling a distance greater than [250] miles in order to complete the installations. In any such events, MorphoTrust will provide such services on a time and materials basis and MorphoTrust will provide Customer with a quote for developing and providing Customer with any such applications and changes. Table updates are treated as Updates and will be made available to Customer in accordance with Section II.A. of this Agreement.

- Customer shall maintain at least one (1) MorphoTrust trained System manager on the

Customer's System support staff during the term of such Services period contained in the applicable Addendum, and such Customer System manager shall be responsible for periodically backing-up System software in accordance with MorphoTrust's periodic requirements. Unless otherwise agreed in writing by MorphoTrust, the Customer shall be responsible for the installation of each Update.

- Customer will receive a telephone response to service calls within one (1) hour from the time the Customer places a service call with MorphoTrust's Help Desk.
- MorphoTrust shall furnish all parts and components necessary for the maintenance of the System. MorphoTrust's shipment of a replacement part to Customer will be initiated promptly after the MorphoTrust's Help Desk determines the need for such item. Replacement part orders initiated prior to 3:00 p.m. Central shall be shipped the same business day, where orders initiated after 3:00 p.m. Central shall be shipped the next business day. All shipments are made via next day priority air.
- If a defective part is required by MorphoTrust to be returned to MorphoTrust, the packaging material used in shipment of the replacement part must be reused to return the defective part. [Note: defective parts are not repaired and returned to Customer. Customer will be invoiced for any defective parts that are not returned to MorphoTrust within two (2) weeks after receipt of the replacement part. MorphoTrust is not responsible for any markings (i.e., asset tags) that Customer may place on System components. It is Customer's responsibility to remove such markings.]
- Upon Customer's request for MorphoTrust on-site service, MorphoTrust shall use its best efforts to have an MorphoTrust field service engineer at the Customer's facility within 48 hours from the time the engineer is dispatched by MorphoTrust's Help Desk. Customer shall pay for such on-site service on a time and travel basis at MorphoTrust's then current rates and travel policies, respectively. Waiver form, or provide MorphoTrust with a valid credit card number.

E. Preventive Maintenance Services. MorphoTrust's *Preventive Maintenance Services* are as follows:

- Preventive maintenance service calls consist of System cleaning, verification of calibration, and verification of proper System configuration and operation in accordance with MorphoTrust's specifications for such System. MorphoTrust and Customer will seek to agree upon the scheduling of the preventive maintenance service call promptly after commencement of the term of this Agreement and the commencement of any renewal term.
- Preventive maintenance service calls are only available in connection with MorphoTrust's 24/7 Maintenance Services and MorphoTrust's 9/5 Maintenance Services offerings. Preventive maintenance service calls are priced on a per call basis in accordance with MorphoTrust's then current published prices for such Services. Preventive Maintenance Services may not be available for certain System components.

**B. Availability of Additional Services.** At Customer's request, MorphoTrust may agree to perform the excluded services described immediately above in accordance with MorphoTrust's then current rates. Other excluded services that may be agreed to be performed by MorphoTrust shall require MorphoTrust's receipt of a Customer P.O., Customer's completion of MorphoTrust's P.O.
