1.0 INTENT

- 1.1 The County of Monterey County Administrative Office - Economic Development, hereinafter referred to as “County”, is soliciting proposals from a qualified organization(s), hereinafter referred to as “CONTRACTOR”, to provide administration of the County’s Small Business Revolving Loan Fund.
- 1.2 This solicitation is intended for a single, exclusive AGREEMENT.

2.0 BACKGROUND

- 2.1 The County of Monterey is located on the Central Coast of California, approximately 120 miles south of San Francisco.
- 2.2 The County of Monterey is seeking a partner to assist with the County Small Business Revolving Loan Fund (SBRLF). The selected CONTRACTOR will work with the County, local financial institutions and business advocacy organizations to develop new lending opportunities; underwrite and package new loan requests; and manage daily loan servicing obligations, such as preparing monthly statements and posting payments; preparing monthly financial and portfolio activity reports; and act as the County’s fiscal agent for loan disbursement and collections. The selected firm will be expected to develop on-going relationships with all clients and proactively manage loans to identify potential issues early and present timely recommendations that may help prevent the borrower from going into default..
- 2.3 The loan program’s goal is to assist expanding businesses in Monterey County that have been unable to obtain full financing through conventional lenders. This program is not meant to compete with banks or other lenders. It is intended to act in partnership with traditional lenders in order to supply the necessary capital to support job creation and/or retention within the County of Monterey. The SBRLF can make loans of \$10,000 to \$250,000. Loans are generally amortized over five to twenty years based on collateral and how the loan proceeds will be used. The minimum interest rate is 4%.
- 2.4 The SBRLF was originally capitalized with grants from the U.S. Department of Commerce, Economic Development Administration (EDA) and local cities and the County. As of April 30, 2022, the loan portfolio had 27 outstanding loans with more than \$939,504.48 principal outstanding and approximately \$550,000 available to lend. The SBRLF can charge interest rates between 4% and 10%. The average rate on current loans is approximately 5.5%.
- 2.5 The SBRLF is self-supporting and relies on program fees, interest paid on loans, and interest earned on accounts to cover all costs associated with the program. There are various grant agency limits on how much of this income may be used for administrative expenses.

Please refer to the attached SBRLF Administrative Manual for details on how the program operates. Because of the multiple funding sources and different requirements of the various programs, the selected CONTRACTOR must be able to understand and apply the requirements to each loan.

- 2.6 The County will not be obligated to utilize any financial resources beyond those allowed by the grant sources to compensate the selected CONTRACTOR for implementing the SBRLF program and CONTRACTOR'S sale source of compensations for services provided to County shall be from loan fees and loan interest actually collected.

- S7.4.5 CONTRACTOR shall at all times during the term of this AGREEMENT maintain in force the insurance coverage required under this AGREEMENT and shall send, without demand by County, annual certificates to County's Contract Administrator and County's Contracts/Purchasing Division. If the certificate is not received by the expiration date, County shall notify CONTRACTOR and CONTRACTOR shall have five calendar days to send in the certificate, evidencing no lapse in coverage during the interim. Failure by CONTRACTOR to maintain such insurance is a default of this AGREEMENT, which entitles County, at its sole discretion, to terminate this AGREEMENT immediately.
