Re: Petition for naming of Road

This is a petition to have the new road that is currently known as "Frontage road East" located in north Monterey county as part of the new San Juan interchange. This road intersects with San Juan road and begins in San Benito County and continues as a frontage road along north bound highway 101 then comes to an end in Monterey County. I have contacted San Benito County and have made the same request as recommended by Supervisor Calcagno. I feel that it is appropriate for said road to be named "RED BARN ROAD" given that the only postal addresses that are serviced on that road are for the red barn.

1st choice: RED BARN ROAD

2ND choice: RED BARN LANE

3rd choice: THE RED BARN ROAD

I feel that law enforcement and Fire departments will agree when I say that the big red barn on highway 101 has been a landmark like no other, from landing Cal star on red barn property to using the property as a navigational aide to local private pilots for over 40 years. I was born and raised in Monterey County and The Big Red Barn has been a landmark as long as I remember to name this road anything other than Red Barn Road would be a dis service to all Monterey County Residents.

I formally request that this petition be investigated for the purposes of naming this new road
