EXHIBIT F: INTERAGENCY AGREEMENT

Interagency Agreement between
The International School of Monterey (School)
and
The Monterey County Health Department, Behavioral Health Bureau (County)
for 2022-2023

On October 8, 2010, California Governor Arnold Schwarzenegger vetoed a fiscal year 2010-11 appropriation for educationally-related mental health services mandated by AB 3632, and stated in doing so that “[t]his mandate is suspended.” AB 114, Statutes of 2011, Chapter 43 (AB 114) became effective July 1, 2011, and placed the responsibility for provision of mental health services for students with disabilities (AB 114 Services) with LEAs.

El Dorado Charter SELPA acknowledges that the Local Education Agencies (LEAs) are mandated to provide services necessary to ensure students a free and appropriate public education (FAPE), including mental health services (hereinafter Psychological Services), pursuant to a student’s Individualized Education Plan (IEP), the federal Individuals with Disabilities Education Act (IDEA) and state law.

County offers outpatient mental health services by qualified professionals at its current publicized rates. School requests that County facilitate the provisions of Psychological Services to students who are eligible and where such services are deemed necessary in the IEP.

This Agreement defines the roles and responsibilities of the School and County in the provision of special education and related services. Individuals referred to County must be suspected of needing related services provided by County. Special education and related services covered under the terms of this Agreement shall be at no cost to the parent or guardian of the student being served.

A primary goal of this Agreement is to ensure that necessary special education and related services are provided to qualifying individuals with special needs in an efficient manner through joint planning, cooperative service delivery, and the judicious use of resources in accordance with applicable federal and state laws and regulations.
