which part of their Cafeteria Plan Benefit Dollars may be allocated and from which all allowable Medical Expenses incurred by a Participant, his or her Spouse and his or her Dependents may be reimbursed.

(b) **"Highly Compensated Participant"** means, for the purposes of this Article and determining discrimination under Code Section 105(h), a participant who is:

(1) one of the 5 highest paid officers;

(2) a shareholder who owns (or is considered to own applying the rules of Code Section 318) more than 10 percent in value of the stock of the Employer; or

(3) among the highest paid 25 percent of all Employees (other than exclusions permitted by Code Section 105(h)(3)(B) for those individuals who are not Participants).

(c) **"Medical Expenses"** means any expense for medical care within the meaning of the term "medical care" as defined in Code Section 213(d) and the rulings and Treasury regulations thereunder, and not otherwise used by the Participant as a deduction in determining his tax liability under the Code. "Medical Expenses" can be incurred by the Participant, his or her Spouse and his or her Dependents. "Incurred" means, with regard to Medical Expenses, when the Participant is provided with the medical care that gives rise to the Medical Expense and not when the Participant is formally billed or charged for, or pays for, the medical care.

A Participant may not be reimbursed for the cost of any medicine or drug that is not "prescribed" within the meaning of Code Section 106(f) or is not insulin.

A Participant may not be reimbursed for the cost of other health coverage such as premiums paid under plans maintained by the employer of the Participant's Spouse or individual policies maintained by the Participant or his Spouse or Dependent.

A Participant may not be reimbursed for "qualified long-term care services" as defined in Code Section 7702B(c).

(d) The definitions of Article I are hereby incorporated by reference to the extent necessary to interpret and apply the provisions of this Health Flexible Spending Account.

6.3 FORFEITURES

The amount in the Health Flexible Spending Account as of the end of any Plan Year (and after the processing of all claims for such Plan Year pursuant to Section 6.7 hereof, excluding any carryover) shall be forfeited and credited to the benefit plan surplus. In such event, the Participant shall have no further claim to such amount for any reason, subject to Section 8.2.

6.4 LIMITATION ON ALLOCATIONS

(a) Notwithstanding any provision contained in this Health Flexible Spending Account to the contrary, the maximum amount of salary reductions that may be allocated to the Health Flexible Spending Account by a Participant in or on account of any Plan Year is the statutory amount under Code Section 125(i)(2), as adjusted for increases in the cost of living. The cost of living adjustment in effect for a calendar year applies to any Plan Year beginning with or within such calendar year. The dollar increase in effect on January 1 of any calendar year shall be effective for the Plan Year beginning with or within such calendar year. For any short Plan Year, the limit shall be an amount equal to the limit for the calendar year in which the Plan Year begins multiplied by the ratio obtained by dividing the number of full months in the short Plan Year by twelve (12).

(b) **Participation in Other Plans.** All employers that are treated as a single employer under Code Sections 414(b), (c), or (m), relating to controlled groups and affiliated service groups, are treated as a single employer for purposes of the statutory limit. If a Participant participates in multiple cafeteria plans offering health flexible spending accounts maintained by members of a controlled group or affiliated service group, the Participant's total Health Flexible Spending Account contributions under all of the cafeteria plans are limited to the statutory limit (as adjusted). However, a Participant employed by two or more employers that are not members of the same controlled group may elect up to the statutory limit (as adjusted) under each Employer's Health Flexible Spending Account.

Carryover. A Participant in the Health Flexible Spending Account may roll over up to $550 of unused amounts in the Health Flexible Spending Account remaining at the end of one Plan Year to the immediately following Plan Year. These amounts can be used during the following Plan Year for expenses incurred in that Plan Year. Amounts carried over do not affect the maximum amount of salary redirection contributions for the Plan Year to which they are carried over. Unused amounts are those remaining after expenses have been reimbursed during the runout period. These amounts may not be cashed out or converted to any other taxable or nontaxable benefit. Amounts in excess of $550 will be forfeited. The Plan is allowed, but not required, to treat claims as being paid first from the current year amounts, then from the carryover amounts. Future changes to the carryover amounts may be made to comply with Internal Revenue Service guidelines.

6.5 NONDISCRIMINATION REQUIREMENTS

(a) **Intent to be nondiscriminatory.** It is the intent of this Health Flexible Spending Account not to discriminate in violation of the Code and the Treasury regulations thereunder.

(b) **Adjustment to avoid test failure.** If the Administrator deems it necessary to avoid discrimination under this Health Flexible Spending Account, it may, but shall not be required to, reject any elections or reduce contributions or Benefits in order to assure compliance with this Section. Any act taken by the Administrator under this Section shall be carried out in a uniform and nondiscriminatory manner. If the Administrator decides to reject any elections or reduce contributions or Benefits, it shall be done in the following manner. First, the Benefits designated for the Health Flexible Spending Account by the member of the group in whose favor discrimination may not occur pursuant to Code Section 105 that elected to contribute the highest amount to the fund for the Plan Year shall be reduced until the nondiscrimination tests set forth in this Section or the Code are satisfied, or until the amount designated for the fund equals the amount designated for the fund by the next member of the group in whose favor discrimination may not occur pursuant to Code Section 105 who has elected the second highest contribution to the Health Flexible Spending Account for the Plan Year. This process shall continue until the nondiscrimination tests set forth in this

Section or the Code are satisfied. Contributions which are not utilized to provide Benefits to any Participant by virtue of any administrative act under this paragraph shall be forfeited and credited to the benefit plan surplus.

6.6 COORDINATION WITH CAFETERIA PLAN

All Participants under the Cafeteria Plan are eligible to receive Benefits under this Health Flexible Spending Account. In addition, other matters concerning contributions, elections and the like shall be governed by the general provisions of the Cafeteria Plan.

6.7 HEALTH FLEXIBLE SPENDING ACCOUNT CLAIMS

(a) **Expenses must be incurred during Plan Year.** All Medical Expenses incurred by a Participant, his or her Spouse and his or her Dependents during the Plan Year shall be reimbursed during the Plan Year subject to Section 2.6, even though the submission of such a claim occurs after his participation hereunder ceases; but provided that the Medical Expenses were incurred during the applicable Plan Year. Medical Expenses are treated as having been incurred when the Participant is provided with the medical care that gives rise to the medical expenses, not when the Participant is formally billed or charged for, or pays for the medical care.

(b) **Reimbursement available throughout Plan Year.** The Administrator shall direct the reimbursement to each eligible Participant for all allowable Medical Expenses, up to a maximum of the amount designated by the Participant for the Health Flexible Spending Account for the Plan Year. Reimbursements shall be made available to the Participant throughout the year without regard to the level of Cafeteria Plan Benefit Dollars which have been allocated to the fund at any given point in time. Furthermore, a Participant shall be entitled to reimbursements only for amounts in excess of any payments or other reimbursements under any health care plan covering the Participant and/or his Spouse or Dependents.

(c) **Payments.** Reimbursement payments under this Plan shall be made directly to the Participant. However, in the Administrator's discretion, payments may be made directly to the service provider. The application for payment or reimbursement shall be made to the Administrator on an acceptable form within a reasonable time of incurring the debt or paying for the service. The application shall include a written statement from an independent third party stating that the Medical Expense has been incurred and the amount of such expense. Furthermore, the Participant shall provide a written statement that the Medical Expense has not been reimbursed or is not reimbursable under any other health plan coverage and, if reimbursed from the Health Flexible Spending Account, such amount will not be claimed as a tax deduction. The Administrator shall retain a file of all such applications.

(d) **Claims for reimbursement.** Claims for the reimbursement of Medical Expenses incurred in any Plan Year shall be paid as soon after a claim has been filed as is administratively practicable; provided however, that if a Participant fails to submit a claim within 90 days after the end of the Plan Year, those Medical Expense claims shall not be considered for reimbursement by the Administrator. However, if a Participant terminates employment during the Plan Year, claims for the reimbursement of Medical Expenses must be submitted within 90 days after termination of employment.

6.8 DEBIT AND CREDIT CARDS

Participants may, subject to a procedure established by the Administrator and applied in a uniform nondiscriminatory manner, use debit and/or credit (stored value) cards ("cards") provided by the Administrator and the Plan for payment of Medical Expenses, subject to the following terms:

(a) **Card only for medical expenses.** Each Participant issued a card shall certify that such card shall only be used for Medical Expenses. The Participant shall also certify that any Medical Expense paid with the card has not already been reimbursed by any other plan covering health benefits and that the Participant will not seek reimbursement from any other plan covering health benefits.

(b) **Card issuance.** Such card shall be issued upon the Participant's Effective Date of Participation and reissued for each Plan Year the Participant remains a Participant in the Health Flexible Spending Account. Such card shall be automatically cancelled upon the Participant's death or termination of employment, or if such Participant has a change in status that results in the Participant's withdrawal from the Health Flexible Spending Account.

(c) **Maximum dollar amount available.** The dollar amount of coverage available on the card shall be the amount elected by the Participant for the Plan Year. The maximum dollar amount of coverage available shall be the maximum amount for the Plan Year as set forth in Section 6.4.

(d) **Only available for use with certain service providers.** The cards shall only be accepted by such merchants and service providers as have been approved by the Administrator following IRS guidelines.

(e) **Card use.** The cards shall only be used for Medical Expense purchases at these providers, including, but not limited to, the following:

(1) Co-payments for doctor and other medical care;

(2) Purchase of drugs prescribed by a health care provider, including, if permitted by the Administrator, over-the-counter medications as allowed under IRS regulations;

(3) Purchase of medical items such as eyeglasses, syringes, crutches, etc.

(f) **Substantiation.** Such purchases by the cards shall be subject to substantiation by the Administrator, usually by submission of a receipt from a service provider describing the service, the date and the amount. The Administrator shall also follow the requirements set forth in Revenue Ruling 2003-43 and Notice 2006-69. All charges shall be conditional pending confirmation and substantiation.

(g) **Correction methods.** If such purchase is later determined by the Administrator to not qualify as a Medical Expense, the Administrator, in its discretion, shall use one of the following correction methods to make the Plan whole. Until the amount is repaid, the Administrator shall take further action to ensure that further violations of the terms of the card do not occur, up to and including denial of access to the card.

(1) Repayment of the improper amount by the Participant;

(2) Withholding the improper payment from the Participant's wages or other compensation to the extent consistent with applicable federal or state law;

(3) Claims substitution or offset of future claims until the amount is repaid; and

(4) if subsections (1) through (3) fail to recover the amount, consistent with the Employer's business practices, the Employer may treat the amount as any other business indebtedness.

ARTICLE VII
DEPENDENT CARE ASSISTANCE PROGRAM

7.1 ESTABLISHMENT OF ACCOUNT

This Dependent Care Assistance Program is intended to qualify as a program under Code Section 129 and shall be interpreted in a manner consistent with such Code Section. Participants who elect to participate in this program may submit claims for the reimbursement of Employment-Related Dependent Care Expenses. All amounts reimbursed shall be paid from amounts allocated to the Participant's Dependent Care Assistance Program.

7.2 DEFINITIONS

For the purposes of this Article and the Cafeteria Plan the terms below shall have the following meaning:

(a) **"Dependent Care Assistance Program"** means the account established for a Participant pursuant to this Article to which part of his Cafeteria Plan Benefit Dollars may be allocated and from which Employment-Related Dependent Care Expenses of the Participant may be reimbursed for the care of the Qualifying Dependents of Participants.

(b) **"Earned Income"** means earned income as defined under Code Section 32(c)(2), but excluding such amounts paid or incurred by the Employer for dependent care assistance to the Participant.

(c) **"Employment-Related Dependent Care Expenses"** means the amounts paid for expenses of a Participant for those services which if paid by the Participant would be considered employment related expenses under Code Section 21(b)(2). Generally, they shall include expenses for household services and for the care of a Qualifying Dependent, to the extent that such expenses are incurred to enable the Participant to be gainfully employed for any period for which there are one or more Qualifying Dependents with respect to such Participant. Employment-Related Dependent Care Expenses are treated as having been incurred when the Participant's Qualifying Dependents are provided with the dependent care that gives rise to the Employment-Related Dependent Care Expenses, not when the Participant is formally billed or charged for, or pays for the dependent care. The determination of whether an amount qualifies as an Employment-Related Dependent Care Expense shall be made subject to the following rules:

(1) If such amounts are paid for expenses incurred outside the Participant's household, they shall constitute Employment-Related Dependent Care Expenses only if incurred for a Qualifying Dependent as defined in Section 7.2(d)(1) (or deemed to be, as described in Section 7.2(d)(1) pursuant to Section 7.2(d)(3)), or for a Qualifying Dependent as defined in Section 7.2(d)(2) (or deemed to be, as described in Section 7.2(d)(2) pursuant to Section 7.2(d)(3)) who regularly spends at least 8 hours per day in the Participant's household;

(2) If the expense is incurred outside the Participant's home at a facility that provides care for a fee, payment, or grant for more than 6 individuals who do not regularly reside at the facility, the facility must comply with all applicable state and local laws and regulations, including licensing requirements, if any; and

(3) Employment-Related Dependent Care Expenses of a Participant shall not include amounts paid or incurred to a child of such Participant who is under the age of 19 or to an individual who is a Dependent of such Participant or such Participant's Spouse.

(d) **"Qualifying Dependent"** means, for Dependent Care Assistance Program purposes,

(1) a Participant's Dependent (as defined in Code Section 152(a)(1)) who has not attained age 13;

(2) a Dependent or the Spouse of a Participant who is physically or mentally incapable of caring for themselves and has the same principal place of abode as the Participant for more than one-half of such taxable year; or

(3) a child that is deemed to be a Qualifying Dependent described in paragraph (1) or (2) above, whichever is appropriate, pursuant to Code Section 21(e)(5).

(e) The definitions of Article I are hereby incorporated by reference to the extent necessary to interpret and apply the provisions of this Dependent Care Assistance Program.

7.3 DEPENDENT CARE ASSISTANCE PROGRAM ACCOUNTS

The Administrator shall establish a Dependent Care Assistance Program Account for each Participant who elects to apply Cafeteria Plan Benefit Dollars to Dependent Care Assistance Program benefits.

7.4 INCREASES IN DEPENDENT CARE FLEXIBLE SPENDING ACCOUNTS

A Participant's Dependent Care Assistance Program shall be increased each pay period by the portion of Cafeteria Plan Benefit Dollars that he has elected to apply toward his Dependent Care Assistance Program pursuant to elections made under Article V hereof.

7.5 DECREASES IN DEPENDENT CARE ASSISTANCE PROGRAM

A Participant's Dependent Care Assistance Program shall be reduced by the amount of any Employment-Related Dependent Care Expense reimbursements paid or incurred on behalf of a Participant pursuant to Section 7.12 hereof.

7.6 ALLOWABLE DEPENDENT CARE REIMBURSEMENT

Subject to limitations contained in Section 7.9 of this Program, and to the extent of the amount contained in the Participant's Dependent Care Assistance Program, a Participant who incurs Employment-Related Dependent Care Expenses shall be entitled to receive from the Employer full reimbursement for the entire amount of such expenses incurred during the Plan Year or portion thereof during which he is a Participant.

7.7 ANNUAL STATEMENT OF BENEFITS

On or before January 31st of each calendar year, the Employer shall furnish to each Employee who was a Participant and received benefits under Section 7.6 during the prior calendar year, a statement of all such benefits paid to or on behalf of such Participant during the prior calendar year. This statement is set forth on the Participant's Form W-2.

7.8 FORFEITURES

The amount in a Participant's Dependent Care Assistance Program as of the end of any Plan Year (and after the processing of all claims for such Plan Year pursuant to Section 7.12 hereof) shall be forfeited and credited to the benefit plan surplus. In such event, the Participant shall have no further claim to such amount for any reason.

7.9 LIMITATION ON PAYMENTS

(a) **Code limits.** Notwithstanding any provision contained in this Article to the contrary, amounts paid from a Participant's Dependent Care Assistance Program in or on account of any taxable year of the Participant shall not exceed the lesser of the Earned Income limitation described in Code Section 129(b) or $5,000 ($2,500 if a separate tax return is filed by a Participant who is married as determined under the rules of paragraphs (3) and (4) of Code Section 21(e)).

7.10 NONDISCRIMINATION REQUIREMENTS

(a) **Intent to be nondiscriminatory.** It is the intent of this Dependent Care Assistance Program that contributions or benefits not discriminate in favor of the group of employees in whose favor discrimination may not occur under Code Section 129(d).

(b) **25% test for shareholders.** It is the intent of this Dependent Care Assistance Program that not more than 25 percent of the amounts paid by the Employer for dependent care assistance during the Plan Year will be provided for the

class of individuals who are shareholders or owners (or their Spouses or Dependents), each of whom (on any day of the Plan Year) owns more than 5 percent of the stock or of the capital or profits interest in the Employer.

(c) **Adjustment to avoid test failure.** If the Administrator deems it necessary to avoid discrimination or possible taxation to a group of employees in whose favor discrimination may not occur in violation of Code Section 129 it may, but shall not be required to, reject any elections or reduce contributions or non-taxable benefits in order to assure compliance with this Section. Any act taken by the Administrator under this Section shall be carried out in a uniform and nondiscriminatory manner. If the Administrator decides to reject any elections or reduce contributions or Benefits, it shall be done in the following manner. First, the Benefits designated for the Dependent Care Assistance Program by the affected Participant that elected to contribute the highest amount to such account for the Plan Year shall be reduced until the nondiscrimination tests set forth in this Section are satisfied, or until the amount designated for the account equals the amount designated for the account of the affected Participant who has elected the second highest contribution to the Dependent Care Assistance Program for the Plan Year. This process shall continue until the nondiscrimination tests set forth in this Section are satisfied. Contributions which are not utilized to provide Benefits to any Participant by virtue of any administrative act under this paragraph shall be forfeited.

7.11 COORDINATION WITH CAFETERIA PLAN

All Participants under the Cafeteria Plan are eligible to receive Benefits under this Dependent Care Assistance Program. In addition, other matters concerning contributions, elections and the like shall be governed by the general provisions of the Cafeteria Plan.

7.12 DEPENDENT CARE ASSISTANCE PROGRAM CLAIMS

The Administrator shall direct the payment of all such Dependent Care claims to the Participant upon the presentation to the Administrator of documentation of such expenses in a form satisfactory to the Administrator. However, in the Administrator's discretion, payments may be made directly to the service provider. In its discretion in administering the Plan, the Administrator may utilize forms and require documentation of costs as may be necessary to verify the claims submitted. At a minimum, the form shall include a statement from an independent third party as proof that the expense has been incurred during the Plan Year and the amount of such expense. In addition, the Administrator may require that each Participant who desires to receive reimbursement under this Program for Employment-Related Dependent Care Expenses submit a statement which may contain some or all of the following information:

(a) The Dependent or Dependents for whom the services were performed;

(b) The nature of the services performed for the Participant, the cost of which he wishes reimbursement;

(c) The relationship, if any, of the person performing the services to the Participant;

(d) If the services are being performed by a child of the Participant, the age of the child;

(e) A statement as to where the services were performed;

(f) If any of the services were performed outside the home, a statement as to whether the Dependent for whom such services were performed spends at least 8 hours a day in the Participant's household;

(g) If the services were being performed in a day care center, a statement:

(1) that the day care center complies with all applicable laws and regulations of the state of residence,

(2) that the day care center provides care for more than 6 individuals (other than individuals residing at the center), and

(3) of the amount of fee paid to the provider.

(h) If the Participant is married, a statement containing the following:

(1) the Spouse's salary or wages if he or she is employed, or

(2) if the Participant's Spouse is not employed, that

(i) he or she is incapacitated, or

(ii) he or she is a full-time student attending an educational institution and the months during the year which he or she attended such institution.

(i) **Claims for reimbursement.** If a Participant fails to submit a claim within 90 days after the end of the Plan Year, those claims shall not be considered for reimbursement by the Administrator. However, if a Participant terminates employment during the Plan Year, claims for reimbursement must be submitted within 90 days after termination of employment.

7.13 DEBIT AND CREDIT CARDS

Participants may, subject to a procedure established by the Administrator and applied in a uniform nondiscriminatory manner, use debit and/or credit (stored value) cards ("cards") provided by the Administrator and the Plan for payment of Employment-Related Dependent Care Expenses, subject to the following terms:

(a) **Card only for dependent care expenses.** Each Participant issued a card shall certify that such card shall only be used for Employment-Related Dependent Care Expenses. The Participant shall also certify that any Employment-Related Dependent Care Expense paid with the card has not already been reimbursed by any other plan covering dependent care benefits and that the Participant will not seek reimbursement from any other plan covering dependent care benefits.

(b) **Card issuance.** Such card shall be issued upon the Participant's Effective Date of Participation and reissued for each Plan Year the Participant remains a Participant in the Dependent Care Assistance Program. Such card shall be automatically cancelled upon the Participant's death or termination of employment, or if such Participant has a change in status that results in the Participant's withdrawal from the Dependent Care Assistance Program.

(c) **Only available for use with certain service providers.** The cards shall only be accepted by such service providers as have been approved by the Administrator. The cards shall only be used for Employment-Related Dependent Care Expenses from these providers.

(d) **Substantiation.** Such purchases by the cards shall be subject to substantiation by the Administrator, usually by submission of a receipt from a service provider describing the service, the date and the amount. The Administrator shall also follow the requirements set forth in Revenue Ruling 2003-43 and Notice 2006-69. All charges shall be conditional pending confirmation and substantiation.

(e) **Correction methods.** If such purchase is later determined by the Administrator to not qualify as an Employment-Related Dependent Care Expense, the Administrator, in its discretion, shall use one of the following correction methods to make the Plan whole. Until the amount is repaid, the Administrator shall take further action to ensure that further violations of the terms of the card do not occur, up to and including denial of access to the card.

(1) Repayment of the improper amount by the Participant;

(2) Withholding the improper payment from the Participant's wages or other compensation to the extent consistent with applicable federal or state law;

(3) Claims substitution or offset of future claims until the amount is repaid; and

(4) if subsections (1) through (3) fail to recover the amount, consistent with the Employer's business practices, the Employer may treat the amount as any other business indebtedness.

ARTICLE VIII
BENEFITS AND RIGHTS

8.1 CLAIM FOR BENEFITS

(a) **Insurance claims.** Any claim for Benefits underwritten by Insurance Contract(s) shall be made to the Insurer. If the Insurer denies any claim, the Participant or beneficiary shall follow the Insurer's claims review procedure. Any claim for Benefits underwritten by the self-funded plan(s) shall be made to the Employer. If the Employer denies any claim, the Participant or beneficiary shall follow the Employer's claims review procedure.

(b) **Dependent Care Assistance Program or Health Flexible Spending Account claims.** Any claim for Dependent Care Assistance Program or Health Flexible Spending Account Benefits shall be made to the Administrator. For the Health Flexible Spending Account, if a Participant fails to submit a claim within 90 days after the end of the Plan Year, those claims shall not be considered for reimbursement by the Administrator. However, if a Participant terminates employment during the Plan Year, claims for the reimbursement of Medical Expenses must be submitted within 90 days after termination of employment. For the Dependent Care Assistance Program, if a Participant fails to submit a claim within 90 days after the end of the Plan Year, those claims shall not be considered for reimbursement by the Administrator. However, if a Participant terminates employment during the Plan Year, claims for reimbursement must be submitted within 90 days after termination of employment. If the Administrator denies a claim, the Administrator may provide notice to the Participant or beneficiary, in writing, within 90 days after the claim is filed unless special circumstances require an extension of time for processing the claim. The notice of a denial of a claim shall be written in a manner calculated to be understood by the claimant and shall set forth:

(1) specific references to the pertinent Plan provisions on which the denial is based;

(2) a description of any additional material or information necessary for the claimant to perfect the claim and an explanation as to why such information is necessary; and

(3) an explanation of the Plan's claim procedure.

(c) **Appeal.** Within 60 days after receipt of the above material, the claimant shall have a reasonable opportunity to appeal the claim denial to the Administrator for a full and fair review. The claimant or his duly authorized representativemay:

(1) request a review upon written notice to the Administrator;

(2) review pertinent documents; and

(3) submit issues and comments in writing.

(d) **Review of appeal.** A decision on the review by the Administrator will be made not later than 60 days after receipt of a request for review, unless special circumstances require an extension of time for processing (such as the need to hold a hearing), in which event a decision should be rendered as soon as possible, but in no event later than 120 days after such receipt. The decision of the Administrator shall be written and shall include specific reasons for the decision, written in a manner calculated to be understood by the claimant, with specific references to the pertinent Plan provisions on which the decision is based.

(e) **Forfeitures.** Any balance remaining in the Participant's Health Flexible Spending Account (excluding any carryover) or Dependent Care Assistance Program as of the end of the time for claims reimbursement for each Plan Year shall be forfeited and deposited in the benefit plan surplus of the Employer pursuant to Section 6.3 or Section 7.8, whichever is applicable, unless the Participant had made a claim for such Plan Year, in writing, which has been denied or is pending; in which event the amount of the claim shall be held in his account until the claim appeal procedures set forth above have been satisfied or the claim is paid. If any such claim is denied on appeal, the amount held beyond the end of the Plan Year shall be forfeited and credited to the benefit plan surplus.

8.2 APPLICATION OF BENEFIT PLAN SURPLUS

Any forfeited amounts credited to the benefit plan surplus by virtue of the failure of a Participant to incur a qualified expense or seek reimbursement in a timely manner may, but need not be, separately accounted for after the close of the Plan Year (or after such further time specified herein for the filing of claims) in which such forfeitures arose. In no event shall such amounts be carried over to reimburse a Participant for expenses incurred during a subsequent Plan Year for the same or any other Benefit available under the Plan (excepting any carryover); nor shall amounts forfeited by a particular Participant be made available to such Participant in any other form or manner, except as permitted by Treasury regulations. Amounts in the benefit plan surplus shall be used to defray any administrative costs and experience losses or used to provide additional benefits under the Plan.

ARTICLE IX
ADMINISTRATION

9.1 PLAN ADMINISTRATION

The Employer shall be the Administrator, unless the Employer elects otherwise. The Employer may appoint any person, including, but not limited to, the Employees of the Employer, to perform the duties of the Administrator. Any person so appointed shall signify acceptance by filing acceptance in writing (or such other form as acceptable to both parties) with the Employer. Upon the resignation or removal of any individual performing the duties of the Administrator, the Employer may designate a successor.

If the Employer elects, the Employer shall appoint one or more Administrators. Any person, including, but not limited to, the Employees of the Employer, shall be eligible to serve as an Administrator. Any person so appointed shall signify acceptance by filing acceptance in writing (or such other form as acceptable to both parties) with the Employer. An Administrator may resign by delivering a resignation in writing (or such other form as acceptable to both parties) to the Employer or be removed by the Employer by delivery of notice of removal (in writing or such other form as acceptable to both parties), to take effect at a date specified therein, or upon delivery to the Administrator if no date is specified. The Employer shall be empowered to appoint and remove the Administrator from time to time as it deems necessary for the proper administration of the Plan to ensure that the Plan is being operated for the exclusive benefit of the Employees entitled to participate in the Plan in accordance with the terms of the Plan and the Code.

The operation of the Plan shall be under the supervision of the Administrator. It shall be a principal duty of the Administrator to see that the Plan is carried out in accordance with its terms, and for the exclusive benefit of Employees entitled to participate in the Plan. The Administrator shall have full power and discretion to administer the Plan in all of its details and determine all questions arising in connection with the administration, interpretation, and application of the Plan. The Administrator may establish procedures, correct any defect, supply any information, or reconciles any inconsistency in such manner and to such extent as shall be deemed necessary or advisable to carry out the purpose of the Plan. The Administrator shall have all powers necessary or appropriate to accomplish the Administrator's duties under the Plan. The Administrator shall be charged with the duties of the general administration of the Plan as set forth under the Plan, including, but not limited to, in addition to all other powers provided by this Plan:

(a) To make and enforce such procedures, rules and regulations as the Administrator deems necessary or proper for the efficient administration of the Plan;

(b) To interpret the provisions of the Plan, the Administrator's interpretations thereof in good faith to be final and conclusive on all persons claiming benefits by operation of the Plan;

(c) To decide all questions concerning the Plan and the eligibility of any person to participate in the Plan and to receive benefits provided by operation of the Plan;

(d) To reject elections or to limit contributions or Benefits for certain highly compensated participants if it deems such to be desirable in order to avoid discrimination under the Plan in violation of applicable provisions of the Code;

(e) To provide Employees with a reasonable notification of their benefits available by operation of the Plan and to assist any Participant regarding the Participant's rights, benefits or elections under the Plan;

(f) To keep and maintain the Plan documents and all other records pertaining to and necessary for the administration of the Plan;

(g) To review and settle all claims against the Plan, to approve reimbursement requests, and to authorize the payment of benefits if the Administrator determines such shall be paid if the Administrator decides in its discretion that the applicant is entitled to them. This authority specifically permits the Administrator to settle disputed claims for benefits and any other disputed claims made against the Plan;

(h) To appoint such agents, counsel, accountants, consultants, and other persons or entities as may be required to assist in administering the Plan.

Any procedure, discretionary act, interpretation or construction taken by the Administrator shall be done in a nondiscriminatory manner based upon uniform principles consistently applied and shall be consistent with the intent that the Plan shall continue to comply with the terms of Code Section 125 and the Treasury regulations thereunder.

9.2 EXAMINATION OF RECORDS

The Administrator shall make available to each Participant, Eligible Employee and any other Employee of the Employer such records as pertain to their interest under the Plan for examination at reasonable times during normal business hours.

9.3 PAYMENT OF EXPENSES

Any reasonable administrative expenses shall be paid by the Employer unless the Employer determines that administrative costs shall be borne by the Participants under the Plan or by any Trust Fund which may be established hereunder. The Administrator may impose reasonable conditions for payments, provided that such conditions shall not discriminate in favor of highly compensated employees.

9.4 INSURANCE CONTROL CLAUSE

In the event of a conflict between the terms of this Plan and the terms of an Insurance Contract of an independent third party Insurer whose product is then being used in conjunction with this Plan, the terms of the Insurance Contract shall control as to those Participants receiving coverage under such Insurance Contract. For this purpose, the Insurance Contract shall control in defining the persons eligible for insurance, the dates of their eligibility, the conditions which must be satisfied to become insured, if any, the benefits Participants are entitled to and the circumstances under which insurance terminates.

9.5 INDEMNIFICATION OF ADMINISTRATOR

The Employer agrees to indemnify and to defend to the fullest extent permitted by law any Employee serving as the Administrator or as a member of a committee designated as Administrator (including any Employee or former Employee who previously served as Administrator or as a member of such committee) against all liabilities, damages, costs and expenses (including attorney's fees and amounts paid in settlement of any claims approved by the Employer) occasioned by any act or omission to act in connection with the Plan, if such act or omission is in good faith.

ARTICLE X
AMENDMENT OR TERMINATION OF PLAN

10.1 AMENDMENT

The Employer, at any time or from time to time, may amend any or all of the provisions of the Plan without the consent of any Employee or Participant. No amendment shall have the effect of modifying any benefit election of any Participant in effect at the time of such amendment, unless such amendment is made to comply with Federal, state or local laws, statutes or regulations.

10.2 TERMINATION

The Employer reserves the right to terminate this Plan, in whole or in part, at any time. In the event the Plan is terminated, no further contributions shall be made. Benefits under any Contract shall be paid in accordance with the terms of the Contract.

No further additions shall be made to the Health Flexible Spending Account or Dependent Care Assistance Program, but all payments from such fund shall continue to be made according to the elections in effect until 90 days after the termination date of the Plan. Any amounts remaining in any such fund or account as of the end of such period shall be forfeited and deposited in the benefit plan surplus after the expiration of the filing period.

ARTICLE XI
MISCELLANEOUS

11.1 PLAN INTERPRETATION

All provisions of this Plan shall be interpreted and applied in a uniform, nondiscriminatory manner. This Plan shall be read in its entirety and not severed except as provided in Section 11.11.

11.2 GENDER, NUMBER AND TENSE

Wherever any words are used herein in one gender, they shall be construed as though they were also used in all genders in all cases where they would so apply; whenever any words are used herein in the singular or plural form, they shall be construed as though they were also used in the other form in all cases where they would so apply; and whenever any words are used herein in the past or present tense, they shall be construed as though they were also used in the other form in all cases where they would so apply.

11.3 WRITTEN DOCUMENT

This Plan, in conjunction with any separate written document which may be required by law, is intended to satisfy the written Plan requirement of Code Section 125 and any Treasury regulations thereunder relating to cafeteria plans.

11.4 EXCLUSIVE BENEFIT

This Plan shall be maintained for the exclusive benefit of the Employees who participate in the Plan.

11.5 PARTICIPANT'S RIGHTS

This Plan shall not be deemed to constitute an employment contract between the Employer and any Participant or to be a consideration or an inducement for the employment of any Participant or Employee. Nothing contained in this Plan shall be deemed to give any Participant or Employee the right to be retained in the service of the Employer or to interfere with the right of the Employer to discharge any Participant or Employee at any time regardless of the effect which such discharge shall have upon the employee as a Participant of this Plan.

11.6 ACTION BY THE EMPLOYER

Whenever the Employer under the terms of the Plan is permitted or required to do or perform any act or matter or thing, it shall be done and performed by a person duly authorized by its legally constituted authority.

11.7 NO GUARANTEE OF TAX CONSEQUENCES

Neither the Administrator nor the Employer makes any commitment or guarantee that any amounts paid to or for the benefit of a Participant under the Plan will be excludable from the Participant's gross income for federal or state income tax purposes, or that any other federal or state tax treatment will apply to or be available to any Participant. It shall be the obligation of each Participant to determine whether each payment under the Plan is excludable from the Participant's gross income for federal and state income tax purposes, and to notify the Employer if the Participant has reason to believe that any such payment is not so excludable. Notwithstanding the foregoing, the rights of Participants under this Plan shall be legally enforceable.

11.8 INDEMNIFICATION OF EMPLOYER BY PARTICIPANTS

If any Participant receives one or more payments or reimbursements under the Plan that are not for a permitted Benefit, such Participant shall indemnify and reimburse the Employer for any liability it may incur for failure to withhold federal or state income tax or Social Security tax from such payments or reimbursements. However, such indemnification and reimbursement shall not exceed the amount of additional federal and state income tax (plus any penalties) that the Participant would have owed if the payments or reimbursements had been made to the Participant as regular cash compensation, plus the Participant's share of any Social Security tax that would have been paid on such compensation, less any such additional income and Social Security tax actually paid by the Participant.

11.9 FUNDING

Unless otherwise required by law, contributions to the Plan need not be placed in trust or dedicated to a specific Benefit but may instead be considered general assets of the Employer. Furthermore, and unless otherwise required by law, nothing herein shall be construed to require the Employer or the Administrator to maintain any fund or segregate any amount for the benefit of any Participant, and no Participant or other person shall have any claim against, right to, or security or other interest in, any fund, account or asset of the Employer from which any payment under the Plan may be made.

11.10 GOVERNING LAW

This Plan is governed by the Code and the Treasury regulations issued thereunder (as they might be amended from time to time). In no event shall the Employer guarantee the favorable tax treatment sought by this Plan. To the extent not preempted by Federal law, the provisions of this Plan shall be construed, enforced and administered according to the laws of the State of California.

11.11 SEVERABILITY

If any provision of the Plan is held invalid or unenforceable, its invalidity or unenforceability shall not affect any other provisions of the Plan, and the Plan shall be construed and enforced as if such provision had not been included herein.

11.12 CAPTIONS

The captions contained herein are inserted only as a matter of convenience and for reference, and in no way define, limit, enlarge or describe the scope or intent of the Plan, nor in any way shall affect the Plan or the construction of any provision thereof.

11.13 CONTINUATION OF COVERAGE (COBRA)

Notwithstanding anything in the Plan to the contrary, in the event any benefit under this Plan subject to the continuation coverage requirement of Code Section 4980B becomes unavailable, each Participant will be entitled to continuation coverage as prescribed in Code Section 4980B, and related regulations. This Section shall only apply if the Employer employs at least twenty (20) employees on more than 50% of its typical business days in the previous calendar year.

11.14 FAMILY AND MEDICAL LEAVE ACT (FMLA)

Notwithstanding anything in the Plan to the contrary, in the event any benefit under this Plan becomes subject to the requirements of the Family and Medical Leave Act and regulations thereunder, this Plan shall be operated in accordance with Regulation 1.125-3.

11.15 HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT (HIPAA)

Notwithstanding anything in this Plan to the contrary, this Plan shall be operated in accordance with HIPAA and regulations thereunder.

11.16 UNIFORMED SERVICES EMPLOYMENT AND REEMPLOYMENT RIGHTS ACT (USERRA)

Notwithstanding any provision of this Plan to the contrary, contributions, benefits and service credit with respect to qualified military service shall be provided in accordance with the Uniform Services Employment And Reemployment Rights Act (USERRA) and the regulations thereunder.

11.17 COMPLIANCE WITH HIPAA PRIVACY STANDARDS

(a) **Application.** If any benefits under this Cafeteria Plan are subject to the Standards for Privacy of Individually Identifiable Health Information (45 CFR Part 164, the "Privacy Standards"), then this Section shall apply.

(b) **Disclosure of PHI.** The Plan shall not disclose Protected Health Information to any member of the Employer's workforce unless each of the conditions set out in this Section are met. "Protected Health Information" shall have the same definition as set forth in the Privacy Standards but generally shall mean individually identifiable information about the past, present or future physical or mental health or condition of an individual, including genetic information and information about treatment or payment for treatment.

(c) **PHI disclosed for administrative purposes.** Protected Health Information disclosed to members of the Employer's workforce shall be used or disclosed by them only for purposes of Plan administrative functions. The Plan's administrative functions shall include all Plan payment functions and health care operations. The terms "payment" and "health care operations" shall have the same definitions as set out in the Privacy Standards, but the term "payment" generally shall mean activities taken to determine or fulfill Plan responsibilities with respect to eligibility, coverage, provision of benefits, or reimbursement for health care. Protected Health Information that consists of genetic information will not be used or disclosed for underwriting purposes.

(d) **PHI disclosed to certain workforce members.** The Plan shall disclose Protected Health Information only to members of the Employer's workforce who are designated and authorized to receive such Protected Health Information, and only

to the extent and in the minimum amount necessary for that person to perform his or her duties with respect to the Plan. "Members of the Employer's workforce" shall refer to all employees and other persons under the control of the Employer. The Employer shall keep an updated list of those authorized to receive Protected Health Information.

(1) An authorized member of the Employer's workforce who receives Protected Health Information shall use or disclose the Protected Health Information only to the extent necessary to perform his or her duties with respect to the Plan.

(2) In the event that any member of the Employer's workforce uses or discloses Protected Health Information other than as permitted by this Section and the Privacy Standards, the incident shall be reported to the Plan's privacy official. The privacy official shall take appropriate action, including:

(i) investigation of the incident to determine whether the breach occurred inadvertently, through negligence or deliberately; whether there is a pattern of breaches; and the degree of harm caused by the breach;

(ii) appropriate sanctions against the persons causing the breach which, depending upon the nature of the breach, may include oral or written reprimand, additional training, or termination of employment;

(iii) mitigation of any harm caused by the breach, to the extent practicable; and

(iv) documentation of the incident and all actions taken to resolve the issue and mitigate any damages.

(e) **Certification.** The Employer must provide certification to the Plan that it agrees to:

(1) Not use or further disclose the information other than as permitted or required by the Plan documents or as required by law;

(2) Ensure that any agent or subcontractor, to whom it provides Protected Health Information received from the Plan, agrees to the same restrictions and conditions that apply to the Employer with respect to such information;

(3) Not use or disclose Protected Health Information for employment-related actions and decisions or in connection with any other benefit or employee benefit plan of the Employer;

(4) Report to the Plan any use or disclosure of the Protected Health Information of which it becomes aware that is inconsistent with the uses or disclosures permitted by this Section, or required by law;

(5) Make available Protected Health Information to individual Plan members in accordance with Section 164.524 of the Privacy Standards;

(6) Make available Protected Health Information for amendment by individual Plan members and incorporate any amendments to Protected Health Information in accordance with Section 164.526 of the Privacy Standards;

(7) Make available the Protected Health Information required to provide an accounting of disclosures to individual Plan members in accordance with Section 164.528 of the Privacy Standards;

(8) Make its internal practices, books and records relating to the use and disclosure of Protected Health Information received from the Plan available to the Department of Health and Human Services for purposes of determining compliance by the Plan with the Privacy Standards;

(9) If feasible, return or destroy all Protected Health Information received from the Plan that the Employer still maintains in any form, and retain no copies of such information when no longer needed for the purpose for which disclosure was made, except that, if such return or destruction is not feasible, limit further uses and disclosures to those purposes that make the return or destruction of the information infeasible; and

(10) Ensure the adequate separation between the Plan and members of the Employer's workforce, as required by Section 164.504(f)(2)(iii) of the Privacy Standards and set out in (d) above.

11.18 COMPLIANCE WITH HIPAA ELECTRONIC SECURITY STANDARDS

Under the Security Standards for the Protection of Electronic Protected Health Information (45 CFR Part 164.300 et. seq., the "Security Standards"):

(a) **Implementation.** The Employer agrees to implement reasonable and appropriate administrative, physical and technical safeguards to protect the confidentiality, integrity and availability of Electronic Protected Health Information that the Employer creates, maintains or transmits on behalf of the Plan. "Electronic Protected Health Information" shall have the same definition as set out in the Security Standards, but generally shall mean Protected Health Information that is transmitted by or maintained in electronic media.

(b) **Agents or subcontractors shall meet security standards.** The Employer shall ensure that any agent or subcontractor to whom it provides Electronic Protected Health Information shall agree, in writing, to implement reasonable and appropriate security measures to protect the Electronic Protected Health Information.

(c) **Employer shall ensure security standards.** The Employer shall ensure that reasonable and appropriate security measures are implemented to comply with the conditions and requirements set forth in Section 11.17.

11.19 MENTAL HEALTH PARITY AND ADDICTION EQUITY ACT

Notwithstanding anything in the Plan to the contrary, the Plan will comply with the Mental Health Parity and Addiction Equity Act.

11.20 GENETIC INFORMATION NONDISCRIMINATION ACT (GINA)

Notwithstanding anything in the Plan to the contrary, the Plan will comply with the Genetic Information Nondiscrimination Act.

11.21 WOMEN'S HEALTH AND CANCER RIGHTS ACT

Notwithstanding anything in the Plan to the contrary, the Plan will comply with the Women's Health and Cancer Rights Act of 1998.

11.22 NEWBORNS' AND MOTHERS' HEALTH PROTECTION ACT

Notwithstanding anything in the Plan to the contrary, the Plan will comply with the Newborns' and Mothers' Health Protection Act.

APPENDIX A

ANNUAL LEAVE/VACATION/PTO BUY BACK PLAN

Effective Date of Resolution: September 1, 2015
Effective Date of Amendment: January 1, 2016

By action of the Monterey County Board of Supervisors, the County of Monterey Section 125 Flexible Benefit Plan (Plan) is hereby amended as of the Effective Date specified above and to:

SECTION 1- ESTABLISHMENT AND PURPOSE

1.1 ESTABLISHMENT ANDPURPOSE

The County of Monterey (County) hereby establishes an Annual Leave/Vacation/PTO Buy Back Plan (Buy Back Plan) for the benefit of its eligible employees and pursuant to the terms and conditions contained in Internal Revenue Code Section 125 cafeteria plan regulations.

1.2 TIMING OF ELECTIONS

Employees who are eligible to participate in this Buy Back Plan must make the election to buy back a fixed amount of Annual Leave/Vacation/PTO during the election period immediately preceding the first day of the Plan Year in which the buy back will occur.

1.3 TIMING OF PAY OUTS

Employees electing to buy back Annual Leave/Vacation/PTO may schedule distributions during the Plan Year subject to rules established by the County.

1.4 TAX TREATMENT

The full amount of Annual Leave/Vacation/PTO buy back will be treated as taxable income to the employee regardless of the amount actually used. Additionally, unused amounts as of the last day of the Plan Year will be forfeited unless cashed out pursuant to Section 1.6 below. Unused amounts cannot be carried over into the next Plan Year.

1.5 IRC SECTION 125 CAFETERIA PLAN ELECTIONS

Cafeteria plan rules require that all elections made under the Buy Back Plan must be between cash and qualified benefits, such as elections under this Annual Leave/Vacation/PTO Buy Back Plan.

1.6 CASH OUT OPTION

IRS rules permit participants to elect a cash out option for unused buy back amounts at Plan Year end, so long as the cash out occurs prior to the last day of the Plan Year. Amounts cashed out will be treated as taxable income.

1.7 DETERMINING VALUE OF BUY BACK AMOUNT

The County will use the employee's then-current wage to determine the value of the buy back as of the date of payment.

1.8 NON-ELECTIVE ANNUAL LEAVE/VACATION/PTO

Since this Buy Back Plan does not allow participants to purchase additional Annual Leave/Vacation/PTO amounts, all buy backs are considered to be made from non-elective Annual Leave/Vacation/PTO.

1.9 ELIGIBILITY

The County's bargaining units specify participant eligibility and the amounts available for buy back, and other cash out rules. There are similar rules for non-bargained employees.

1.10 RECORDKEEPING

The County shall establish and maintain individual participant accounts for Annual Leave/Vacation/PTO buy back elections.

SECTION 2 - PLAN ADMINISTRATION

2.1 Plan Administration

The County shall be the Administrator of the Buy Back Plan. The County may appoint any person, including but not limited to a County employee or employees, or third-party administrator (Appointee) to perform ministerial duties under this Buy Back Plan so

long as the duties are consistent with the County's underlying cafeteria plan document.

2.2 Plan Procedures and Interpretation of Plan Provisions

The County or its Appointee shall establish and maintain Buy Back Plan procedures, which are consistent with the County's underlying cafeteria plan documents.

2.3 Amendment and Termination

The County reserves the right to amend or terminate the Annual Leave/Vacation/PTO Buy Back Plan at any time by providing written notice to all Buy Back Plan participants.

2.4 Non-Assignment

Pursuant to rules established by the County, a participant electing to buy back Annual Leave/Vacation/PTO time shall not be permitted to assign buy back amounts, whether as cash or as Annual Leave/Vacation/PTO to any other employee of the County.

2.5 Constructive Receipt

At no time shall the County operate this Buy Back Plan to result in deferred compensation to any participant.

All other provisions of this Plan remain in effect to the extent they are consistent with this Amendment.

IN WITNESS WHEREOF, this Plan document is hereby executed this_____day of_____.

a. Approve and authorize the Library Director or designee to accept a grant from the Pacific Library Partnership for $9,000 to expand materials available in the Outdoor Adventure Kits collection at the Monterey County Free Libraries; and
b. Approve and authorize the Library Director or designee to accept non-standard elements of the grant award agreement; and
c. Approve and authorize the Library Director or designee to accept up two to amendments or increases in this grant award that do not substantially change terms and conditions or increase the grant award more than 20% ($1,800) for a total not to exceed $10,800.

RECOMMENDATION:

It is recommended that the Board of Supervisors:
a. Approve and authorize the Library Director or designee to accept a grant from the Pacific Library Partnership for $9,000 to expand materials available in the Outdoor Adventure Kits collection at the Monterey County Free Libraries; and
b. Approve and authorize the Library Director or designee to accept non-standard elements of the grant award agreement; and
c. Approve and authorize the Library Director or designee to accept up two to amendments or increases in this grant award that do not substantially change terms and conditions or increase the grant award more than 20% ($1,800) for a total not to exceed $10,800.

SUMMARY:

Monterey County Free Libraries has been awarded a grant from the Pacific Library Partnership to add more materials and enhanced development of the Outdoor Adventure Kits, a part of the Library of Things collections.

DISCUSSION:

Monterey County Free Libraries has a variety of kits in the Library of Things collections. These include bundles of books and toys, along with select equipment or specialized items. All Library of Things collections are intended to be borrowed by the public, and provide a variety of formats for a purpose or on a theme, bundled into one kit for easy checkout. Library of Things include Dementia Kits for older adults and caregivers, Mental Heath Kits on a variety of topics, telescopes, companion pets, and items like emergency radios, and page magnifiers. They are available at no charge to Monterey County Free Library cardholders, and Monterey County Free Libraries issues library cards to all residents of California.

In Summer 2025, Monterey County Free Libraries added Outdoor Adventure Kits to the Library of Things. These included equipment for games such as badminton and croquet, a set of binoculars and a guide for bird watching, and kits for hiking or stargazing. These kits are aimed at getting families outdoors and physically active, enjoying the recreational and natural amenities already present in their communities.

The Pacific Library Partnership offers innovation grants to member libraries, and Monterey County Free Libraries applied for this grant to continue expansion of the Outdoor Adventure Kits. The grant will fund both additional kits and replacement materials to sustain the life and usefulness of the kits.

OTHER AGENCY INVOLVEMENT/COMMITTEE ACTIONS:
County Counsel has reviewed as to form.

FINANCING:
All direct expenses will be funded by the grant. Other ancillary costs such as time to manage the grant and prepare the items for checkout, are able to be absorbed into the Library Department's operational budget. The Department's operational budget anticipates grant funding throughout the year, so no additional appropriations are necessary.

BOARD OF SUPERVISORS STRATEGIC PLAN GOALS:
Ongoing public access to materials that enhance quality of life, and enable members of the public with limited discretionary funds to have full opportunity to enjoy the outdoors and our shared public spaces.

Pacific Library Partnership
FY 2025-26 Innovation and Technology Grant Program

Background
Each fiscal year through a competitive process, the Pacific Library Partnership awards grants to PLP libraries to support innovation, technology and access. Grants are typically awarded in two categories: Innovation and Technology Opportunity Grants, and the Grant Replication Program. The purpose of the grants is to support a new idea, program or vision, which can then be replicated by other libraries.

For FY 2025-26, the grant amounts awarded may vary, with a maximum award of **$9,000**. The total amount of available funds is $90,000.

Guidelines for Award

1. Both PLP academic and public libraries are eligible to apply for the grant.
2. A library may submit more than one application, but awards will be limited to one project per organization per fiscal year.
3. All applications must be reviewed and signed by the submitting organization's Library Director.
4. A panel of reviewers outside of PLP will review all applications and rank them. Awards will be based on these recommendations. The PLP CEO and Executive Committee may work with libraries to modify their applications, and they will make the final award determinations.
5. Only projects that have a timeline of completion within the fiscal year applied will be considered.
6. All funds awarded must be expended by June 30 of the fiscal year awarded. Should the library experience an unforeseen circumstance which may require additional time, they may contact PLP administration to discuss an extension.
7. Any unspent funds at the completion of the project must be returned to PLP.
8. Successful awardees will be asked to complete a final report at the conclusion of the grant cycle and must be willing to share their experience with other PLP libraries at appropriate meetings and conferences.

Funding Limits
Each grant application may not exceed $9,000.

Allowable Costs
Funds awarded may be used for goods or services related to the project or for staff time. No more than 25% of the total amount awarded may be used for staffing costs. Indirect costs are not allowed.

Category A: PLP Innovation and Technology Opportunity Grant Program
Funds will be available to implement an idea, program or vision that provides a new service model or brings a fresh idea or interpretation to an existing model of library service. Reviewers will be asked to evaluate applications based on these criteria:

1. Service that introduces a new idea, program or vision that is not currently used in PLP or surrounding libraries
2. Service that may benefit other PLP members
3. Service that may benefit other California libraries

Category B: PLP Grant Replication Program
There have been a significant number of very successful grants that can easily be replicated in another jurisdiction. All the previously funded grants are posted on the PLP website at plpinfo.org and applicants are encouraged to review the past successful awardees. To view the previous grants, click here: http://plpinfo.org/innovation-grants/

Reviewers will be asked to evaluate applications based on these criteria:

1. Clear articulation of how the grant will be replicated.
2. Rationale for any changes or enhancements to the original grant application. It is expected that the grant funding request will not exceed the amount of the original grant. If it does exceed the original amount, a compelling case should be made for the increase in funding.
3. Demonstrated understanding of the concept, success and "lessons learned" from the original grant and documentation of any follow-up with the original awardee.

Review Panel
The PLP CEO will recruit a three-person panel from outside of PLP to review funding applications and provide feedback on the proposals.

Timeline
Grant applications are due on Monday, September 22, 2025 by 5:00 p.m. Grant materials should be submitted to proposals@plpinfo.org

Note: Successful awardees will be asked to complete an evaluation/survey process at the conclusion of the grant cycle and must be willing to share their experience with other PLP libraries at appropriate meetings and conferences.

October 27, 2025

Dear Alison Day,

Congratulations! Your FY 2025-26 PLP Grant for Monterey County Free Libraries, *Outdoor Adventure Kits*, has been funded in the requested amount of $9,000.

We have attached the reimbursement claim form that you can submit at any time to claim reimbursement, along with the grant reporting form you are required to submit at the conclusion of your project along with any other documentation.

We look forward to hearing about the successful implementation of your grant in your library so that other PLP member libraries may benefit from your experience. You are to be congratulated on your good work!

Sincerely,

November 18, 2025

Introduced: 11/4/2025

Current Status: General Government - Consent

Version: 1

Matter Type: General Agenda Item

Authorize the advancement of Jose Ramirez to Step 5 of the Chief Probation Officer salary range, in accordance with Personnel Policies and Practices Resolution No. 98-394, Section A.1.11.5, effective November 29, 2025.

RECOMMENDATION:
It is recommended that the Board of Supervisors authorize the advancement of Jose Ramirez to Step 5 of the Chief Probation Officer salary range, in accordance with Personnel Policies and Practices Resolution No. 98-394, Section A.1.11.5, effective November 29, 2025.

SUMMARY/DISCUSSION:
Jose Ramirez was appointed Chief Probation Officer by the Superior Court of California, County of Monterey, effective November 2024, following his 28 years of public service. Before his appointment, he served as the Assistant Probation Officer for 4 years. Since assuming the role, he has implemented a range of operational and system enhancements that have streamlined departmental processes and strengthened communication and collaboration with justice partners, local jurisdictions, the County's departments, and other partnering agencies. Chief Ramirez's demonstrated skills, expertise, and well-established leadership have and will continue to provide significant contributions to the County's Probation Office and the population it serves.

The advancement of Chief Ramirez to Step 5 would offer an appropriate salary increase commensurate with the responsibilities of the position and recognize his ongoing contributions. The County Administrative Officer requests approval of the recommended action in accordance with Personnel Policies and Practices Resolution (PPPR) No. 98-394, Section A.1.11.5, which states:

> "*In any case where, by reason of unusual circumstances, rigid adherence to the principles related to salary adjustment set forth above would otherwise cause a manifest injustice, the Board of Supervisors may, upon written request of the County Administrative Officer, authorize the advancement of an employee to such step in the employee's salary range as the Board of Supervisors determines to be just and proper*."

OTHER AGENCY INVOLVEMENT:
The Human Resources Department and Office of the County Counsel have reviewed and concur with the recommended actions.

FINANCING:
The FY 2025-26 Adopted Budget includes funding for the Chief of Probation position at a Step 3. The recommended step advancement will result in an increased cost of $21,865 during the fiscal year. The department will manage any impacts within its operational budget.

SUMMARY/DISCUSSION:
Jose Ramirez was appointed Chief Probation Officer by the Superior Court of California, County of Monterey, effective November 2024, following his 28 years of public service. Before his appointment, he served as the Assistant Probation Officer for 4 years. Since assuming the role, he has implemented a range of operational and system enhancements that have streamlined departmental processes and strengthened communication and collaboration with justice partners, local jurisdictions, the County's departments, and other partnering agencies. Chief Ramirez's demonstrated skills, expertise, and well-established leadership have and will continue to provide significant contributions to the County's Probation Office and the population it serves.

The advancement of Chief Ramirez to Step 5 would offer an appropriate salary increase commensurate with the responsibilities of the position and recognize his ongoing contributions. The County Administrative Officer requests approval of the recommended action in accordance with Personnel Policies and Practices Resolution (PPPR) No. 98-394, Section A.1.11.5, which states:

> "*In any case where, by reason of unusual circumstances, rigid adherence to the principles related to salary adjustment set forth above would otherwise cause a manifest injustice, the Board of Supervisors may, upon written request of the County Administrative Officer, authorize the advancement of an employee to such step in the employee's salary range as the Board of Supervisors determines to be just and proper*."

OTHER AGENCY INVOLVEMENT:
The Human Resources Department and Office of the County Counsel have reviewed and concur with the recommended actions.

FINANCING:
The FY 2025-26 Adopted Budget includes funding for the Chief of Probation position at a Step 3. The recommended step advancement will result in an increased cost of $21,865 during the fiscal year. The department will manage any impacts within its operational budget.

Matter Type: BoS Agreement

a. Approve and authorize the Director of the Emergency Communications Department to sign an agreement with Backing Fire, LLC in an amount not to exceed $8,150 for the term of November 18, 2025 through June 30, 2031, to provide hardware and software for a Computer Aided Dispatch backup and recovery server;
b. Authorize the Director of the Emergency Communications Department to agree to a nonstandard End User License Agreement with the 3rd party Backup and Replication software provider that is necessary for the use of the Software as approved by County Counsel for the provision of services under this Agreement; and
c. Authorize the Director of the Emergency Communications Department to sign up to three (3) amendments to this Agreement where the amendments do not significantly change the scope of work and do not add more than 10% ($815) of the original agreement amount for a maximum aggregate agreement total of $8,965.

RECOMMENDATION:
It is recommended that the Board of Supervisors:

a. Approve and authorize the Director of the Emergency Communications Department to sign an agreement with Backing Fire, LLC in an amount not to exceed $8,150, for the term of November 18, 2025 through June 30, 2031, to provide hardware and software for a Computer Aided Dispatch backup and recovery server;
b. Authorize the Director of the Emergency Communications Department to agree to a nonstandard End User License Agreement with the 3rd party Backup and Replication software provider that is necessary for the use of the Software as approved by County Counsel for the provision of services under this Agreement; and
c. Authorize the Director of the Emergency Communications Department to sign up to three (3) amendments to this Agreement where the amendments do not significantly change the scope of work and do not add more than 10% ($815) of the original agreement amount for a maximum aggregate agreement total of $8,965.

SUMMARY/DISCUSSION:
The Monterey County Emergency Communications Department is a consolidated Public Safety Answering Point for 9-1-1 emergency and non-emergency calls as well as a radio dispatch facility serving 28 law enforcement, fire protection, and emergency medical response agencies throughout

Monterey County.

The Department uses a Computer Aided Dispatch (CAD) System to track and manage incidents and handle emergency dispatch. This agreement will provide server hardware and software to backup the data from the CAD. This backup allows the Department to restore the CAD data in the event of a catastrophic failure where all data was lost or unrecoverable. Through this agreement Backing Fire will also assist with the software installation and configuration as well as provide ongoing support.

OTHER AGENCY INVOLVEMENT:
County Counsel has approved this Agreement as to form and has reviewed the nonstandard End User License Agreement. The Auditor-Controller and Contracts/Purchasing have reviewed and approved this agreement.

FINANCING:
Sufficient revenue and appropriations are included in the FY2025-26 Adopted Budget.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:
This action meets the Board's Public Safety Strategic Initiatives and demonstrates the County's commitment to meeting the Board's strategic initiative of Public Safety that supports the mission of Monterey County.

COUNTY OF MONTEREY STANDARD AGREEMENT

This **Agreement** is made by and between the County of Monterey, a political subdivision of the State of California (hereinafter "County") and:

Backing Fire, LLC.

(hereinafter "CONTRACTOR").

In consideration of the mutual covenants and conditions set forth in this Agreement, the parties agree as follows:

1.0 GENERAL DESCRIPTION:

The County hereby engages CONTRACTOR to perform, and CONTRACTOR hereby agrees to perform, the services described in **Exhibit A** in conformity with the terms of this Agreement. The goods and/or services are generally described as follows:

Provide: 5 year Backup and ReplicationSoftware License and Server hardware.

2.0 PAYMENT PROVISIONS:

2.01 County shall pay the CONTRACTOR in accordance with the payment provisions set forth in **Exhibit A**, subject to the limitations set forth in this Agreement. The total amount payable by County to CONTRACTOR under this Agreement shall not exceed the sum of: **$** 8,150.00

3.0 TERM OF AGREEMENT:

3.01 The term of this Agreement is from November 18, 2025 to June 30, 2031, unless sooner terminated pursuant to the terms of this Agreement. This Agreement is of no force or effect until signed by both CONTRACTOR and County and with County signing last, and **CONTRACTOR may not commence work before County signs this Agreement**.

3.02 The County reserves the right to cancel this Agreement, or any extension of this Agreement, without cause, with a thirty day (30) written notice, or with cause immediately.

4.0 SCOPE OF SERVICES AND ADDITIONAL PROVISIONS:

The following attached exhibits are incorporated herein by reference and constitute a part of this Agreement:

Exhibit A Scope of Services/Payment Provisions

Exhibit B Other: none

Docusign Envelope ID: F50DB878-DC36-4418-A89B-3D023F792D0A

5.0 PERFORMANCE STANDARDS:

5.01 CONTRACTOR warrants that CONTRACTOR and CONTRACTOR's agents, employees, and subcontractors performing services under this Agreement are specially trained, experienced, competent, and appropriately licensed to perform the work and deliver the services required under this Agreement and are not employees of the County, or immediate family of an employee of the County.

5.02 CONTRACTOR, its agents, employees, and subcontractors shall perform all work in a safe and skillful manner and in compliance with all applicable laws and regulations. All work performed under this Agreement that is required by law to be performed or supervised by licensed personnel shall be performed in accordance with such licensing requirements.

5.03 CONTRACTOR shall furnish, at its own expense, all materials, equipment, and personnel necessary to carry out the terms of this Agreement, except as otherwise specified in this Agreement. CONTRACTOR shall not use County premises, property (including equipment, instruments, or supplies) or personnel for any purpose other than in the performance of its obligations under this Agreement.

6.0 PAYMENT CONDITIONS:

6.01 Prices shall remain firm for the initial term of the Agreement and, thereafter, may be adjusted annually as provided in this paragraph. The County does not guarantee any minimum or maximum amount of dollars to be spent under this Agreement.

6.02 Negotiations for rate changes shall be commenced, by CONTRACTOR, a minimum of ninety days (90) prior to the expiration of the Agreement. Rate changes are not binding unless mutually agreed upon in writing by the County and the CONTRACTOR.

6.03 Invoice amounts shall be billed directly to the ordering department.

6.04 CONTRACTOR shall submit such invoice periodically or at the completion of services, but in any event, not later than 30 days after completion of services. The invoice shall set forth the amounts claimed by CONTRACTOR for the previous period, together with an itemized basis for the amounts claimed, and such other information pertinent to the invoice. The County shall certify the invoice, either in the requested amount or in such other amount as the County approves in conformity with this Agreement and shall promptly submit such invoice to the County Auditor-Controller for payment. The County Auditor-Controller shall pay the amount certified within 30 days of receiving the certified invoice.

6.05 CONTRACTOR shall not receive reimbursement for mileage or travel expenses unless set forth in this Agreement.

7.0 TERMINATION:

7.01 During the term of this Agreement, the County may terminate the Agreement for any reason by giving written notice of termination to the CONTRACTOR at least thirty (30) days prior to the effective date of termination. Such notice shall set forth the effective date of termination. In the event of such termination, the amount payable under this Agreement shall be reduced in proportion to the services provided prior to the date of termination.

Docusign Envelope ID: F50DB878-DC36-4418-A89B-3D023F792D0A

7.02 The County may cancel and terminate this Agreement for good cause effective immediately upon written notice to CONTRACTOR. "Good cause" includes the failure of CONTRACTOR to perform the required services at the time and in the manner provided under this Agreement. If County terminates this Agreement for good cause, the County may be relieved of the payment of any consideration to CONTRACTOR, and the County may proceed with the work in any manner, which County deems proper. The cost to the County shall be deducted from any sum due the CONTRACTOR under this Agreement.

7.03 The County's payments to CONTRACTOR under this Agreement are funded by local, state and federal governments. If funds from local, state and federal sources are not obtained and continued at a level sufficient to allow for the County's purchase of the indicated quantity of services, then the County may give written notice of this fact to CONTRACTOR, and the obligations of the parties under this Agreement shall terminate immediately, or on such date thereafter, as the County may specify in its notice, unless in the meanwhile the parties enter into a written amendment modifying this Agreement.

8.0 INDEMNIFICATION:

CONTRACTOR shall indemnify, defend, and hold harmless the County, its officers, agents, and employees, from and against any and all claims, liabilities, and losses whatsoever (including damages to property and injuries to or death of persons, court costs, and reasonable attorneys' fees) occurring or resulting to any and all persons, firms or corporations furnishing or supplying work, services, materials, or supplies in connection with the performance of this Agreement, and from any and all claims, liabilities, and losses occurring or resulting to any person, firm, or corporation for damage, injury, or death arising out of or connected with the CONTRACTOR's performance of this Agreement, unless such claims, liabilities, or losses arise out of the sole negligence or willful misconduct of the County. "CONTRACTOR's performance" includes CONTRACTOR's action or inaction and the action or inaction of CONTRACTOR's officers, employees, agents and subcontractors.

9.0 INSURANCE REQUIREMENTS:

9.01 **Evidence of Coverage:** Prior to commencement of this Agreement, the Contractor shall provide a "Certificate of Insurance" certifying that coverage as required herein has been obtained. Individual endorsements executed by the insurance carrier shall accompany the certificate. In addition, the Contractor upon request shall provide a certified copy of the policy or policies.

This verification of coverage shall be sent to the County's Contracts/Purchasing Department, unless otherwise directed. The Contractor shall not receive a "Notice to Proceed" with the work under this Agreement until it has obtained all insurance required and the County has approved such insurance. This approval of insurance shall neither relieve nor decrease the liability of the Contractor.

9.02 **Qualifying Insurers:** All coverages, except surety, shall be issued by companies which hold a current policy holder's alphabetic and financial size category rating of not less than A- VII, according to the current A.M. Best's Rating Guide or a company of equal financial stability that is approved by the County's Purchasing Agent.

9.03 **Insurance Coverage Requirements:** Without limiting CONTRACTOR's duty to

Docusign Envelope ID: F50DB878-DC36-4418-A89B-3D023F792D0A

indemnify, CONTRACTOR shall maintain in effect throughout the term of this Agreement a policy or policies of insurance with the following minimum limits of liability:

Commercial General Liability Insurance: including but not limited to premises and operations, including coverage for Bodily Injury and Property Damage, Personal Injury, Contractual Liability, Broad form Property Damage, Independent Contractors, Products and Completed Operations, with a combined single limit for Bodily Injury and Property Damage of not less than $1,000,000 per occurrence, and $2,000,000 in the aggregate.
(Note: any proposed modifications to these general liability insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in blue ink. All proposed modifications are subject to County approval.)

Auto Liability Coverage: must include motor vehicles, including scheduled, non-owned, and hired vehicles, used in providing services under this Agreement, with a combined single limit or Bodily Injury and Property Damage of not less than $1,000,000 per occurrence.
(Note: any proposed modifications to these auto insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in blue ink. All proposed modifications are subject to County approval.)

Workers' Compensation Insurance: if CONTRACTOR employs others in the performance of this Agreement, in accordance with California Labor Code section 3700 and with Employer's Liability limits not less than $1,000,000 each person, $1,000,000 each accident and $1,000,000 each disease.
(Note: any proposed modifications to these workers' compensation insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in blue ink. All proposed modifications are subject to County approval.)

Professional Liability Insurance: if required for the professional services being provided, (e.g., those persons authorized by a license to engage in a business or profession regulated by the California Business and Professions Code), in the amount of not less than $1,000,000 per claim and $2,000,000 in the aggregate, to cover liability for malpractice or errors or omissions made in the course of rendering professional services. If professional liability insurance is written on a "claims-made" basis rather than an occurrence basis, the CONTRACTOR shall, upon the expiration or earlier termination of this Agreement, obtain extended reporting coverage ("tail coverage") with the same liability limits. Any such tail coverage shall continue for at least three years following the expiration or earlier termination of this Agreement.
(Note: Professional liability insurance coverage is required if the contractor is providing a professional service regulated by the state. Examples of service providers regulated by the state are insurance agents, professional architects and engineers, doctors, certified public accountants, lawyers, etc. However, other professional Contractors, such as computer or software designers, technology services, and services providers such as claims administrators, should also have professional liability. If in doubt, consult with your risk or contract manager.)

If the contractor maintains broader coverage and/or higher limits than the minimums shown above, the County requires and shall be entitled to the broader coverage and/or higher limits maintained by the contractor.

Docusign Envelope ID: F50DB878-DC36-4418-A89B-3D023F792D0A

9.04 **Other Requirements:**

All insurance required by this Agreement shall be with a company acceptable to the County and issued and executed by an admitted insurer authorized to transact Insurance business in the State of California. Unless otherwise specified by this Agreement, all such insurance shall be written on an occurrence basis, or, if the policy is not written on an occurrence basis, such policy with the coverage required herein shall continue in effect for a period of three years following the date CONTRACTOR completes its performance of services under this Agreement.

Each liability policy shall provide that the County shall be given notice in writing at least thirty days in advance of any endorsed reduction in coverage or limit, cancellation, or intended non-renewal thereof. Each policy shall provide coverage for Contractor and additional insureds with respect to claims arising from each subcontractor, if any, performing work under this Agreement, or be accompanied by a certificate of insurance from each subcontractor showing each subcontractor has identical insurance coverage to the above requirements.

Additional Insured Status:

The County of Monterey, its officers, officials, employees, agents, and volunteers are to be covered as additional insureds on the auto liability policy for liability arising out of automobiles owned, leased, hired or borrowed by or on behalf of the Contractor. Auto liability coverage shall be provided in the form of an endorsement to the CONTRACTOR'S insurance.

The County of Monterey, its officers, officials, employees, agents, and volunteers are to be covered as additional insureds on the commercial general liability policy with respect to liability arising out of work or operations performed by or on behalf of the CONTRACTOR including materials, parts, or equipment furnished in connection with such work or operations. General liability coverage shall be provided in the form of an endorsement to the CONTRACTOR'S insurance (at least as broad as ISO Form CG 20 10 11 85 or if not available, through the addition of both CG 20 10, CG 20 26, CG 20 33, or CG 20 38; and CG 20 37 if a later edition is used).

Primary Coverage:

For any claims related to this contract, the CONTRACTOR'S insurance coverage shall be primary and non-contributory and at least as broad as ISO CG 20 01 04 13 as respects the County, its officers, officials, employees, agents, and volunteers. Any insurance or self-insurance maintained by the County, its officers, officials, employees, agents, or volunteers shall be excess of the CONTRACTOR'S insurance and shall not contribute with it. This requirement shall also apply to any Excess or Umbrella liability policies.

Workers' Compensation Waiver of Subrogation:

The workers' compensation policy required hereunder shall be endorsed to state that the workers' compensation carrier waives its right of subrogation against COUNTY, its officers, officials, employees, agents, or volunteers, which might arise by reason of payment under such policy in connection with performance under this Agreement by CONTRACTOR. Should CONTRACTOR be self-insured for workers' compensation, CONTRACTOR hereby agrees to waive its right of subrogation against COUNTY, its officers, officials,

Docusign Envelope ID: F50DB878-DC36-4418-A89B-3D023F792D0A

employees, agents, or volunteers.

Prior to the execution of this Agreement by the County, CONTRACTOR shall file certificates of insurance and endorsements with the County's contract administrator and County's Contracts/Purchasing Division, showing that the CONTRACTOR has in effect the insurance required by this Agreement. The CONTRACTOR shall file a new or amended certificate of insurance within five calendar days after any change is made in any insurance policy, which would alter the information on the certificate then on file. Acceptance or approval of insurance shall in no way modify or change the indemnification clause in this Agreement, which shall continue in full force and effect. CONTRACTOR shall always during the term of this Agreement maintain in force the insurance coverage required under this Agreement and shall send, without demand by County, annual certificates to County's Contract Administrator and County's Contracts/Purchasing Division. If the certificate is not received by the expiration date, County shall notify CONTRACTOR and CONTRACTOR shall have five calendar days to send in the certificate, evidencing no lapse in coverage during the interim. Failure by CONTRACTOR to maintain such insurance is a default of this Agreement, which entitles County, at its sole discretion, to terminate this Agreement immediately.

10.0 RECORDS AND CONFIDENTIALITY:

10.01 **Confidentiality:** CONTRACTOR and its officers, employees, agents, and subcontractors shall comply with any and all federal, state, and local laws, which provide for the confidentiality of records and other information. CONTRACTOR shall not disclose any confidential records or other confidential information received from the County or prepared in connection with the performance of this Agreement, unless County specifically permits CONTRACTOR to disclose such records or information. CONTRACTOR shall promptly transmit to County any and all requests for disclosure of any such confidential records or information. CONTRACTOR shall not use any confidential information gained by CONTRACTOR in the performance of this Agreement except for the sole purpose of carrying out CONTRACTOR's obligations under this Agreement.

10.02 **County Records:** When this Agreement expires or terminates, CONTRACTOR shall return to County any County records which CONTRACTOR used or received from County to perform services under this Agreement.

10.03 **Maintenance of Records:** CONTRACTOR shall prepare, maintain, and preserve all reports and records that may be required by federal, state, and County rules and regulations related to services performed under this Agreement. CONTRACTOR shall maintain such records for a period of at least three years after reciept of final payment under this Agreement. If any litigation, claim, negotiation, audit exception, or other action relating to this Agreement is pending at the end of the three-year period, then CONTRACTOR shall retain said records until such action is resolved.

10.04 **Access to and Audit of Records:** The County shall have the right to examine, monitor and audit all records, documents, conditions, and activities of the CONTRACTOR and its subcontractors related to services provided under this Agreement. Pursuant to Government Code section 8546.7, if this Agreement involves the expenditure of public funds in excess of $10,000, the parties to this Agreement may be subject, at the request of the County or as part of any audit of the County, to the examination and audit of the State Auditor pertaining

Docusign Envelope ID: F50DB878-DC36-4418-A89B-3D023F792D0A

to matters connected with the performance of this Agreement for a period of three years after final payment under the Agreement.

10.05 **Royalties and Inventions:** County shall have a royalty-free, exclusive and irrevocable license to reproduce, publish, and use, and authorize others to do so, all original computer programs, writings, sound recordings, pictorial reproductions, drawings, and other works of similar nature produced in the course of or under this Agreement. CONTRACTOR shall not publish any such material without the prior written approval of County.

10.06 **Format of Deliverables:** For this section, "Deliverables" shall mean all electronic documents CONTRACTOR provides to the County under this Agreement. CONTRACTOR shall ensure all Deliverables comply with the requirements of the Web Content Accessibility Guidelines ("WCAG") 2.1, pursuant to the Americans with Disabilities Act ("ADA"). CONTRACTOR bears the burden to deliver Deliverables, such as Adobe Acrobat Portable Document Format ("PDF") and Microsoft Office files, complying with WCAG 2.1. CONTRACTOR shall defend and indemnify the County against any breach of this Section. This Section shall survive the termination of this Agreement. Find more on Accessibility at this State website: https://webstandards.ca.gov/accessibility/.

11.0 NON-DISCRIMINATION:

11.01 During the performance of this Agreement, CONTRACTOR, and its subcontractors, shall not unlawfully discriminate against any person because of race, religious creed, color, sex, national origin, ancestry, physical disability, mental disability, medical condition, marital status, age (over 40), sexual orientation, or any other characteristic set forth in California Government code § 12940(a), either in CONTRACTOR's employment practices or in the furnishing of services to recipients. CONTRACTOR shall ensure that the evaluation and treatment of its employees and applicants for employment and all persons receiving and requesting services are free of such discrimination. CONTRACTOR and any subcontractor shall, in the performance of this Agreement, fully comply with all federal, state, and local laws and regulations which prohibit discrimination. The provision of services primarily or exclusively to such target population as may be designated in this Agreement shall not be deemed to be prohibited discrimination.

12.0 COMPLIANCE WITH TERMS OF STATE OR FEDERAL GRANTS:

If this Agreement has been or will be funded with monies received by the County pursuant to a contract with the state or federal government in which the County is the grantee, CONTRACTOR will comply with all the provisions of said contract, to the extent applicable to CONTRACTOR as a subgrantee under said contract, and said provisions shall be deemed a part of this Agreement, as though fully set forth herein. Upon request, County will deliver a copy of said contract to CONTRACTOR, at no cost to CONTRACTOR.

13.0 COMPLIANCE WITH APPLICABLE LAWS:

13.01 CONTRACTOR shall keep itself informed of and in compliance with all federal, state, and local laws, ordinances, regulations, and orders, including but not limited to all state and federal tax laws that may affect in any manner the Project or the performance of the Services or those engaged to perform Services under this AGREEMENT as well as any privacy laws including, if applicable, HIPAA. CONTRACTOR shall procure all permits and licenses,

Docusign Envelope ID: F50DB878-DC36-4418-A89B-3D023F792D0A

pay all charges and fees, and give all notices require by law in the performance of the Services.

13.02 CONTRACTOR shall report immediately to County's Contracts/Purchasing Officer, in writing, any discrepancy or inconsistency it discovers in the laws, ordinances, regulations, orders, and/or guidelines in relation to the Project of the performance of the Services.

13.03 All documentation prepared by CONTRACTOR shall provide for a completed project that conforms to all applicable codes, rules, regulations, and guidelines that are in force at the time such documentation is prepared.

14.0 INDEPENDENT CONTRACTOR:

In the performance of work, duties, and obligations under this Agreement, CONTRACTOR is always acting and performing as an independent contractor and not as an employee of the County. No offer or obligation of permanent employment with the County or County department or agency is intended in any manner, and CONTRACTOR shall not become entitled by virtue of this Agreement to receive from County any form of employee benefits including but not limited to sick leave, vacation, retirement benefits, workers' compensation coverage, insurance or disability benefits. CONTRACTOR shall be solely liable for and obligated to pay directly all applicable taxes, including federal and state income taxes and social security, arising out of CONTRACTOR's performance of this Agreement. In connection therewith, CONTRACTOR shall defend, indemnify, and hold County harmless from any and all liability which County may incur because of CONTRACTOR's failure to pay such taxes.

15.0 NOTICES:

Notices required under this Agreement shall be delivered personally or by first-class, postage pre-paid mail to the County and CONTRACTOR'S contract administrators at the addresses listed below:

16.0 MISCELLANEOUS PROVISIONS.

16.01 **Conflict of Interest:** CONTRACTOR represents that it presently has no interest and agrees not to acquire any interest during the term of this Agreement, which would directly, or indirectly conflict in any manner or to any degree with the full and complete performance

Docusign Envelope ID: F50DB878-DC36-4418-A89B-3D023F792D0A

of the services required to be rendered under this Agreement.

16.02 **Amendment:** This Agreement may be amended or modified only by an instrument in writing signed by the County and the CONTRACTOR.

16.03 **Waiver:** Any waiver of any terms and conditions of this Agreement must be in writing and signed by the County and the CONTRACTOR. A waiver of any of the terms and conditions of this Agreement shall not be construed as a waiver of any other terms or conditions in this Agreement.

16.04 **Contractor:** The term "CONTRACTOR" as used in this Agreement includes CONTRACTOR's officers, agents, and employees acting on CONTRACTOR's behalf in the performance of this Agreement.

16.05 **Disputes:** CONTRACTOR shall continue to perform under this Agreement during any dispute.

16.06 **Assignment and Subcontracting:** The CONTRACTOR shall not assign, sell, or otherwise transfer its interest or obligations in this Agreement without the prior written consent of the County. None of the services covered by this Agreement shall be subcontracted without the prior written approval of the County. Notwithstanding any such subcontract, CONTRACTOR shall continue to be liable for the performance of all requirements of this Agreement.

16.07 **Successors and Assigns:** This Agreement and the rights, privileges, duties, and obligations of the County and CONTRACTOR under this Agreement, to the extent assignable or delegable, shall be binding upon and inure to the benefit of the parties and their respective successors, permitted assigns, and heirs.

16.08 **Headings:** The headings are for convenience only and shall not be used to interpret the terms of this Agreement.

16.09 **Time is of the Essence:** Time is of the essence in each and all of the provisions of this Agreement.

16.10 **Governing Law:** This Agreement shall be governed by and interpreted under the laws of the State of California; venue shall be Monterey County.

16.11 **Non-exclusive Agreement:** This Agreement is non-exclusive and both County and CONTRACTOR expressly reserve the right to contract with other entities for the same or similar services.

16.12 **Construction of Agreement:** The County and CONTRACTOR agree that each party has fully participated in the review and revision of this Agreement and that any rule of construction to the effect that ambiguities are to be resolved against the drafting party shall not apply in the interpretation of this Agreement or any amendment to this Agreement.

Item No.37

Board of Supervisors
Chambers
168 W. Alisal St., 1st Floor
Salinas, CA 93901

November 18, 2025

Introduced: 11/5/2025

Current Status: General Government - Consent

Version: 1

Matter Type: BoS Resolution

Adopt a Resolution to:
a. Amend the FY 2025-26 Emergency Communications Department Adopted Budget (Fund 028, Department 1520, Unit 8507) to approve the reallocation and reclassification of one (1) Administrative Services Assistant to one (1) Management Analyst I as indicated in Attachment A, effective November 15, 2025; and
b. Direct the County Administrative Office and the Auditor- Controller to incorporate the approved position changes in the FY 2025-26 Adopted Budget and the Human Resources Department to implement the changes in the Advantage Human Resources Management (HRM) system.

RECOMMENDATION:
It is recommended that the Board of Supervisors consider adopting a Resolution to:
a. Amend the FY 2025-26 Emergency Communications Department Adopted Budget (Fund 028, Department 1520, Unit 8507) to approve the reallocation and reclassification of one (1) Administrative Services Assistant to one (1) Management Analyst I as indicated in attachment A, effective November 15, 2025; and
b. Direct the County Administrative Office and the Auditor-Controller to incorporate the approved position changes in the FY 2025-26 Adopted Budget and the Human Resources Department to implement the changes in the Advantage Human Resources Management (HRM) system.

SUMMARY:
The Human Resources Department completed a classification study of one (1) Administrative Services Assistant incumbent in the Emergency Communications Department. The study found the incumbent was performing duties more aligned with a Management Analyst I classification. The Human Resources Department recommends the Board of Supervisors amend the FY 2025-26 Emergency Communications Department Adopted Budget to approve the reallocation and reclassification of one (1) Administrative Services Assistant to one (1) Management Analyst I.

DISCUSSION:
The Emergency Communication Department requested a classification study of one (1) Administrative Services Assistant. The objective of the study was to determine if the incumbent was appropriately classified, and if not, to recommend a classification that accurately reflects the duties and responsibilities currently assigned to the incumbent.

The Human Resources Department conducted a classification study of one (1) Administrative Services Assistant incumbent. The classification study found that the Administrative Services Assistant classification does not accurately reflect the duties and responsibilities that the incumbent is performing. Given the scope of work, complexity, and consequence of error, it was determined that the appropriate classification that accurately reflects the duties performed is the Management Analyst I classification.

Therefore, the Human Resources Department recommends that the Board of Supervisors reallocate the position from Administrative Services Assistant to Management Analyst I and reclassify the incumbent from Administrative Services Assistant to Management Analyst I.

OTHER AGENCY INVOLVEMENT/COMMITTEE ACTIONS:
The Board of Supervisors Budget Committee and the Emergency Communications Department concur with the recommendations. In addition, County Employees Management Association (CEMA) has been provided notice of these recommendations.

FINANCING:
The salary and benefits increase for Emergency Communications Budget Unit 8507 - Fund 028 - Appropriation Unit EME004 for the remainder of FY 2025-26 is approximately $1,350 (or $2,200 annually) and is anticipated to be absorbed within the department's existing appropriations.

BOARD OF SUPERVISORS STRATEGIC PLAN GOALS:
The proposed recommended actions demonstrate the County's commitment in recruiting, retaining, and attracting a diverse, talented workforce that supports the mission of the County of Monterey.

e. Approve and authorize the County Administrative Officer or designee, to sign up to three (3) future

amendments to this MOU where amendments do not significantly alter the purposes and goals of the MOU subject to review as to form by the Office of the County Counsel.

SUMMARY/DISCUSSION:
The County Administrative Office - Homelessness Strategies and Initiatives Division (County) respectfully recommends the Board of Supervisors to approve the submission of the California Housing and Community Development Department's (HCD) **Encampment Resolution Funding Program Round Five** (ERF-5-R) grant application; and, to approve a Memorandum of Understanding (MOU) between the County, the City of Salinas, and the Coalition of Homeless Services Providers (CHSP) to establish the County-led partnership, mutual understanding, and collaboration between all parties for the ERF-5-R grant application to address and resolve unsheltered homelessness for an estimated 80 individuals residing in encampments located on public, private, and unincorporated property in Salinas, off Post Drive, N. Davis Road, Boranda Road, and Laurel Drive (Davis Street Corridor) for a four (4) year term from the date (Effective Date) this MOU is fully signed by all parties and shall terminate four (4) years from the Effective Date.

In July 2025, HCD formerly announced its intent to release a Notice of Funding Availability (NOFA) before December 31, 2025, for an estimated $100 million under the **ERF-5-R program**, included in the State of California's Fiscal Year (FY) 2025-26 adopted budget.

The Encampment Resolution Funding Grant Program (ERF), originally established by the California Interagency Council on Homelessness in 2022, is a state-sponsored grant program administered by HCD. Its goal is to strengthen collaboration between state and local jurisdictions and Continuums of Care (CoCs) to address and ensure the health and safety of individuals experiencing unsheltered homelessness in encampments. ERF provides resources and funding to help local jurisdictions resolve encampments, transition people into safe and stable housing, and support a coordinated, data-driven, person-centered approach to long-term homelessness resolution.

This MOU establishes the collaborative framework and partnership between the County, the City of **Salinas** (City) and CHSP **for the County-led ERF-5-R grant application submission, and the roles and responsibilities for the implementation of the ERF-5-R project.**

If awarded, the ERF-5-R grant will fund street outreach, the development of a 23-unit, congregate, low barrier navigation center (LBNC) through the motel conversion of the City-owned El Rey Motel, and up to two (2) years of operations and services funding, including property site management. Upon completion, the LBNC will provide interim shelter with access to services to resolve the experience of unsheltered homelessness for the estimated 80 individuals residing in the Davis Street Corridor encampments.

Resolving these experiences of homelessness will address the safety and wellness of people within these encampments, to resolve critical encampment concerns, and transition individuals into interim shelter with clear pathways to permanent housing or directly into permanent housing, using data-informed, non-punitive, low-barrier, person-centered, Housing First, and coordinated approaches as is required for the ERF program.

OTHER AGENCY INVOLVEMENT:
The Office of the County Counsel-Risk Management have approved this Board Report and Memorandum of Understanding (MOU) to form, insurance, and indemnification. This MOU is between the County of Monterey, the Coalition of Homeless Services Providers, as the Continuum of Care lead agency, and the City of Salinas. On October 20, 2025, the Director of the Homelessness Strategies and Initiatives Division presented this ERF project proposal to the Health, Housing, Homelessness & Human Services Committee (4H Committee), during which the 4H Committee expressed full support for the submission of the ERF Round 5 application.

FINANCING:
This action does not impact the General Fund. The total project expenses funded by ERF-5-R have not yet been determined. Once the amount is determined upon submission of the grant application, the County could earn a 5% administrative fee of that total. This proposed project includes development of temporary shelter, a path to permanent housing, and outreach. The total proposal amount will be determined based upon motel conversion costs, availability of leveraged resources near the encampment, and overall project design. The County will administer the grant but will hold no responsibility for the sustainability of the project after the grant term expires. The City agrees to assume responsibility for expenses incurred after the grant is fully expended for their respective project proposal. All partners will work with a Managed Care Provider to identify additional funding resources for the project.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:
This initiative supports the County of Monterey's 2025-2026 Strategic Goals and Key Objectives through the sustainability of interim sheltering and services programs for the purpose of transitioning eligible residents into permanent housing.

The Encampment Resolution Funding Grant Program (ERF), originally established by the California Interagency Council on Homelessness in 2022, is a state-sponsored grant program administered by HCD. Its goal is to strengthen collaboration between state and local jurisdictions and Continuums of Care (CoCs) to address and ensure the health and safety of individuals experiencing unsheltered homelessness in encampments. ERF provides resources and funding to help local jurisdictions resolve encampments, transition people into safe and stable housing, and support a coordinated, data-driven, person-centered approach to long-term homelessness resolution.

This MOU establishes the collaborative framework and partnership between the County, the City of **Salinas** (City) and CHSP **for the County-led ERF-5-R grant application submission, and the roles and responsibilities for the implementation of the ERF-5-R project.**

If awarded, the ERF-5-R grant will fund street outreach, the development of a 23-unit, congregate, low barrier navigation center (LBNC) through the motel conversion of the City-owned El Rey Motel, and up to two (2) years of operations and services funding, including property site management. Upon completion, the LBNC will provide interim shelter with access to services to resolve the experience of unsheltered homelessness for the estimated 80 individuals residing in the Davis Street Corridor encampments.

Resolving these experiences of homelessness will address the safety and wellness of people within these encampments, to resolve critical encampment concerns, and transition individuals into interim shelter with clear pathways to permanent housing or directly into permanent housing, using data-informed, non-punitive, low-barrier, person-centered, Housing First, and coordinated approaches as is required for the ERF program.

OTHER AGENCY INVOLVEMENT:
The Office of the County Counsel-Risk Management have approved this Board Report and Memorandum of Understanding (MOU) to form, insurance, and indemnification. This MOU is between the County of Monterey, the Coalition of Homeless Services Providers, as the Continuum of Care lead agency, and the City of Salinas. On October 20, 2025, the Director of the Homelessness Strategies and Initiatives Division presented this ERF project proposal to the Health, Housing, Homelessness & Human Services Committee (4H Committee), during which the 4H Committee expressed full support for the submission of the ERF Round 5 application.

FINANCING:
This action does not impact the General Fund. The total project expenses funded by ERF-5-R have not yet been determined. Once the amount is determined upon submission of the grant application, the County could earn a 5% administrative fee of that total. This proposed project includes development of temporary shelter, a path to permanent housing, and outreach. The total proposal amount will be determined based upon motel conversion costs, availability of leveraged resources near the encampment, and overall project design. The County will administer the grant but will hold no responsibility for the sustainability of the project after the grant term expires. The City agrees to assume responsibility for expenses incurred after the grant is fully expended for their respective project proposal. All partners will work with a Managed Care Provider to identify additional funding resources for the project.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:
This initiative supports the County of Monterey's 2025-2026 Strategic Goals and Key Objectives through the sustainability of interim sheltering and services programs for the purpose of transitioning eligible residents into permanent housing.

MEMORANDUM OF UNDERSTANDING

DECLARATION

This Memorandum of Understanding (MOU) is entered into as of the last date opposite the respective signatures (the "Effective Date"), by and among the City of Salinas (CITY), a California charter city and municipal corporation, the County of Monterey, a political subdivision of the State of California (COUNTY), and The Coalition of Homeless Services Providers (CHSP), a public non-profit 501(c)(3) corporation, collectively referred to as "Parties," for the purpose of collaborating on the Encampment Resolution Funding (ERF-5-R) application and development and implementation of a Low Barrier Navigation Center at the former El Rey Motel, located at 443 W. Market Street, Salinas (SITE).

RECITALS

A. WHEREAS, under the authority of Chapter 7 of Part 1 of Division 31 of the California Health and Safety Code (HSC) sections 50250 et seq., the Encampment Resolution Funding (ERF) Grant Program was established to increase collaboration between the State of California (State), local jurisdictions, and Continuums of Care (CoC) for the following purposes:

   i. Assist local jurisdictions in ensuring the safety and wellness of people experiencing homelessness in encampments.
   ii. Provide grants to local jurisdictions and Continuums of Care to resolve critical encampment concerns and transition individuals into safe and stable housing.
   iii. Encourage a data-informed, coordinated approach to address encampment concerns.

B. WHEREAS, the State has offered four (4) separate rounds of funding since the inception of the ERF program in 2021 and is anticipated to release a Request for Applications for round five (5) in Fiscal Year 2025-2026.

C. WHEREAS, an estimated 80 individuals experiencing unsheltered homeless occupy multiple structures located on public and private lands situated off Post Drive, N. Davis Road, Boronda Road, and Laurel Drive, hereinafter collectively referred to as the "Davis Street Corridor" within the jurisdictional boundaries of the CITY, COUNTY, and the California Department of Transportation.

D. WHEREAS, in November 2024, the Parties began discussions on submitting a collaborative application to the fifth round of the ERF Program to jointly address and resolve the longstanding issue of individuals experiencing unsheltered homelessness in and around the Davis Street Corridor.

E. WHEREAS, the CITY desires to partner with the COUNTY to convert and develop a City-owned SITE into a 23-unit Low Barrier Navigation Center, which includes 23 sleeping units, an office unit, laundry area, and community unit for dining and storage. to

Docusign Envelope ID: D71B2017-843E-4E47-8F32-6073D6A1D9CD

serve the occupants of the Davis Street Corridor utilizing funding primarily from the ERF-5-R Program, if awarded, for renovations, operations and services for the term of the grant.

F. WHEREAS, the CITY and COUNTY desire to partner with CHSP, as the lead agency of the Monterey and San Benito Counties Continuum of Care, to identify and select a community-based organization to operate the 23-unit Low Barrier Navigation Center.

G. WHEREAS, per California Government Code 65660, a "Low Barrier Navigation Center" (LBNC) is defined as a Housing First, low-barrier, service-enriched shelter focused on moving people into permanent housing that provides temporary living facilities while case managers connect individuals experiencing homelessness to income, public benefits, health services, shelter, and housing. "Low Barrier" refers to best practices to reduce barriers to entry, and may include, but is not limited to, the following:

   i. The presence of partners if it is not a population-specific site, such as for survivors of domestic violence or sexual assault, women, or youth.
   ii. Pets.
   iii. The storage of possessions.
   iv. Privacy, such as partitions around beds in a dormitory setting or in larger rooms containing more than two beds, or private rooms.[1]

H. WHEREAS, per California Government Code Section 65662, LBNC development is a "use by-right" in areas zoned for mixed-use and nonresidential zones permitting multifamily uses if it meets certain statutory requirements:

   i. It offers services to connect people to permanent housing through a services plan that identifies services staffing.
   ii. It is linked to a coordinated entry system.
   iii. It complies with Chapter 6.5 (commencing with Section 8255) of Division 8 of the Welfare and Institutions Code.
   iv. It has a system for entering information regarding client stays, client demographics, client income, and exit destination through the local Homeless Management Information System.[2]

   "Use by right" means that "the local government's review may not require a conditional use permit, planned unit development permit, or other discretionary local government review or approval that would constitute a 'project' for purposes of the California Environmental Quality Act."[3]

I. WHEREAS, the Parties desire to identify roles and responsibilities for the ERF-5-R application collaboration to define the requirements and budget for the development of a 23-unit non-congregate facility, including a community center with an office.

J. WHEREAS, the Parties will work together to collectively identify and select the LBNC's development and services provider partner(s) with extensive histories and success in executing projects with similar timeline requirements and service models to carry out the vision of this ERF-5-R Program.

K. WHEREAS, the selected services provider will provide interim shelter and access to basic needs, including case management, supportive services, and housing navigation to manage and operate the El Rey LBNC until the ERF-5-R grant term ends or when the last encampment occupant has been served, whichever occurs first.

L. WHEREAS, the Parties agree to adhere to the COUNTY adopted encampment resolution policy[4] and shall ensure that applicable standards apply to any action involving the management, removal, or interaction with people in encampments served by the ERF-5-R grant (Davis Street Corridor).

M. WHEREAS, the following Exhibit is incorporated into this MOU:

Exhibit A – DISPUTES AND CORRECTIVE ACTION

NOW, THEREFORE, in mutual consideration of the declaration, recitals, representations, conditions, and obligations contained in this MOU, and incorporated herein, the Parties agree as follows:

ARTICLE 1.0
ROLES AND RESPONSIBILITIES

Section 1.1 Purpose and Goals

This Memorandum of Understanding (MOU) establishes a mutual understanding between the Parties regarding the ERF-5-R Program, including providing street outreach and the development and operation of a Low-Barrier Navigation Center (LBNC) at the SITE. The purpose of the program is to provide interim shelter and wraparound services for individuals experiencing homelessness within the Davis Street Corridor, located in the jurisdictional boundaries of the COUNTY, CITY, and CalTrans, and to create a collaborative partnership to ensure the humane and coordinated support of individuals at risk of displacement due to potential encampment closures in the target area.

Section 1.2 Property Site and Location

The Parties agree:

a. The property site to be utilized for the LBNC shall be the former El Rey Motel located at 443 West Market Street, Salinas, CA 93901.

[4] COUNTY Adopted Encampment Resolution Policy

b. The SITE is currently owned by the CITY unless there is a future property transfer of ownership to another entity during the term of this MOU, see Section 1.3.b.8.

c. The SITE will be converted into 23 individual units with bathrooms, laundry facilities, office unit, storage and a larger unit for a community center.

d. There is a need for a 24-hour onsite operator and service provider at the Property.

Section 1.3 Roles and Responsibilities

a. The COUNTY shall:

1. Devote sufficient personnel to serve as the lead collaborative applicant of the ERF-5-R grant submission, and if awarded, administer the funds including executing agreements with State, CITY, and local partners, reporting, budget modifications, technical assistance, disbursement of funds, and monitoring from Effective Date to June 30, 2030.

2. Execute a subrecipient agreement with CITY for the development and renovation of the SITE within three (3) months of the execution of the State ERF-5-R grant agreement.

3. Execute a standard service agreement with the Salinas Outreach and Response Team for outreach and supportive services for fiscal years 2026-2027 and 2027-2028.

4. Execute a standard service agreement with Access Support Network for fiscal year 2025-2026 to assist with establishing rapport, offer referrals, and assist with vital document recovery for encampment occupants living along the Davis Street Corridor.

5. Execute a subrecipient agreement with CHSP for services, operations, maintenance, and repairs of the SITE within three (3) months of the execution of the State ERF-5-R grant agreement.

6. Submit all required reports to the State with fiscal and programmatic data reflecting the progress of their ERF-5-R program in a format provided by the State.

7. Provide information and products developed with grant funds on service delivery models including any materials that may be necessary to study the program or replicate it for implementation across the state to the California Department of Housing and Community Development (HCD), as requested.

8. Devote no less than $200,000 of ERF-5-R funding, if awarded, to allow for maintenance and repairs, including all capital improvements required to

Docusign Envelope ID: D71B2017-843E-4E47-8F32-6073D6A1D9CD

maintain a safe and healthy environment for staff and program participants during the term of the MOU.

b. CITY shall:

1. Devote sufficient personnel to assist the COUNTY with gaining information and data for the COUNTY-led ERF-5-R grant application and support any reporting requirements for the ERF-5-R grant, if awarded, for term of the grant.

2. Provide information and data about the land and property for purposes of establishing the needs and estimates required to convert the SITE into 23-unit LBNC, community center unit with offices, and access to laundry and dining services.

3. Provide sufficient personnel from the Salinas Outreach and Response Team to assist with supporting individuals being served at the LBNC during fiscal years 2026-2027 and 2027-2028.

4. Execute a $1 dollar facility (Property) use agreement with the direct service provider identified by CHSP.

5. Identify and select the General Contractor to convert the SITE into a 23-unit LBNC that also includes office space, laundry, community space and storage, and will lead the coordination and submission of permits required by CITY public works and planning departments to complete construction within twelve (12) months upon notice of ERF-5-R award.

6. Ensure security is provided during the renovations of the SITE, funded by ERF-5-R, if awarded.

7. Four (4) Year Term of Use. CITY understands and agrees that the term of use for the units by individuals experiencing homelessness shall be for a four (4) year period from the date of the executed State's Standard agreement with the COUNTY.

8. Coordinate transition planning efforts with the COUNTY related to the possible transfer or sale of the SITE before the end of the Four-Year Term.

9. Transfer the responsibilities and terms of this MOU and all relevant and subsequent executed agreements related to the ERF-5-R Program should the CITY transfer or sell the SITE to new ownership during the grant term.

c. CHSP shall:

1. Identify and engage in a service agreement with a qualified 501(c)3 organization to staff and operate the LBNC, a 24-hr housing navigation

Docusign Envelope ID: D71B2017-843E-4E47-8F32-6073D6A1D9CD

center, in alignment with Gov Code 65660 and national best practices.

2. Execute a subrecipient agreement for the of services, operations, insurance, maintenance, and repairs of the SITE within three (3) months of the execution of the COUNTY subrecipient agreement.

3. Set-up, manage, and provide licenses and technical assistance to the direct services provider(s) for the usage of the Homeless Management Information System (HMIS) and Coordinated Assessment and Referral System.
    a. Provide administrative level access to HMIS data to identified staff of both the CITY and COUNTY.
    b. Provide quarterly uploads to the State Homelessness Data Integration System, also known as HDIS.

4. Ensure that the subcontractor agreement will include a Good Neighbor Policy, to be provided by COUNTY Contract Manager.

5. Ensure that the subcontractor agreement will include mutual indemnification of the COUNTY and CITY and name both the COUNTY AND CITY as additionally insured under the required insurance policies.

6. Ensure that the subcontractor agreement will include a reserve account with two hundred eighty thousand dollars ($280,000) for maintenance and repair of damages caused by the Participants in the Program.

7. Ensure the COUNTY and CITY will be listed as authorized partners of the LBNC in all subcontractor agreements and shall include agreed upon outcome goals in subcontractor agreements and will monitor progress towards meeting such outcome goals.

8. Ensure all activities regarding the CHSP's Service Provider selection, budget, timeline, scope of work, and payment provisions/invoicing are authorized and approved by all Parties.

d. The Parties agree that:

1. Each Party shall designate staff to meet weekly to coordinate the execution and implementation of the LBNC for the duration of the ERF-5-R Program grant period.

2. Any and all ERF-5-R subcontract agreements are in alignment with State, federal, and local codes, ordinances, policies, regulations and laws.

3. Property and environmental records, reports, studies, and other relevant information shall be shared between the Parties as they become available.

Docusign Envelope ID: D71B2017-843E-4E47-8F32-6073D6A1D9CD

4. The LBNC is available to the eligible occupants of the Davis Corridor Encampments for interim sheltering and access to supportive services until the end of the ERF-5-R grant funding period, if awarded.

5. If there is a disagreement between the Parties or their representative(s), the Parties shall proceed with resolution as outlined in Exhibit A: DISPUTES AND CORRECTIVE ACTION which is incorporated by this reference.

ARTICLE 2.0
GENERAL CONDITIONS

Section 2.1 General Compliance

The Parties, through their respective officers, employees, consultants, and contractors as applicable, agree to comply with all applicable federal, State and local laws and regulations governing public agencies, including any necessary environmental review analysis as applicable to the implementation of the proposed Program and corresponding ERF-5-R grant award for the implementation of said Program. Documentation of such compliance shall be made available for review by either Party upon request by the other Party.

Section 2.2 Four (4) Year Term of MOU

The term of this MOU (the "Term") shall start as of the Effective Date of this MOU and shall terminate upon the conclusion of the "Four (4) Year Term of Use" for the Units as set forth above in Section 1.3.b.7.

Section 2.3 Termination

This MOU may be terminated by any Party upon thirty (30) days' advance written notice to the other Parties, or automatically if the ERF-5-R application is not approved by State HCD. Prior to termination, the Parties shall meet and confer in good faith in an effort to resolve any issues. If resolution is not achieved, and residents are occupying the Units at the time of termination, both Parties agree to provide an additional thirty (30) days to allow for the transfer of any remaining program participants to other available shelter. In the event of termination of this MOU by either Party, the provisions of ARTICLE 3. ADMINISTRATIVE REQUIREMENTS shall survive the termination of this MOU.

Section 2.4 Mutual Indemnification and Insurance

a. Except as otherwise required by applicable law, Parties agree that each party shall be responsible for their own actions, including but not limited to any negligent and/or intentional acts and/or omissions of its officers, agents and employees; and neither party shall be responsible for the acts and/or omissions of the other. Each Party, including its officers, agents, representatives,

Docusign Envelope ID: D71B2017-843E-4E47-8F32-6073D6A1D9CD

volunteers, employees, general contractors, subcontractors, and/or consultants, therefore agrees to hold harmless and indemnify the other Party against any and all claims, demands, suits, judgments, expenses and costs of any and every kind, insofar as it may legally do so, on account of the injury to or death of persons or loss of property arising in any manner out of the indemnifying Party's performance of the terms of this MOU.

b. During the term of this MOU, all Parties shall take out and maintain: (a) commercial general liability insurance or a program of self-insurance, including but not limited to premises, personal injuries, products, and completed operations, with a combined single limit of not less than $1,000,000 per occurrence and (b) workers' compensation insurance in accordance with California Labor Code section 3700 or an authorized program of self-insurance, with a minimum of $1,000,000 per occurrence for employer's liability.

c. During the performance of this MOU, Parties shall be responsible for providing any statutory benefits and insurance to their respective employees related to the services provided by this MOU.

d. The Parties, upon execution of this MOU, shall each furnish each other with Certificates of Insurance or a Letter of Self-Insurance evidencing compliance with requirements. Certificates shall further provide for thirty (30) days advance written notice to the other Party of any modification, change or cancellation of any of the above insurance coverage.

e. No party shall assign, sell, mortgage, hypothecate or otherwise transfer its interest or obligations in this MOU without the prior consent of the other party.

f. No alteration, modification, or variation of the terms of this MOU shall be valid unless made in writing and signed by the parties hereto. No oral understanding or agreement not incorporated herein shall be binding on either party hereto.

Section 2.6 Right of Entry to SITE

All Parties shall ensure that any leases and/or subrecipient agreements contain a provision ensuring that COUNTY, CHSP, and CITY officers, employees, agents, consultants, and subcontractors shall have the right to enter upon the Site during normal business hours to conduct work, inspections, and investigations in accordance with this MOU. In connection with such entry for the purpose of work, inspections and/or investigations, the Parties each agree to repair and restore any damage caused by its respective officers, employees, agents, consultants, program participants, and contractors.

ARTICLE 3.0
ADMINISTRATIVE REQUIREMENTS

Section 3.1 Documentation and Record-Keeping

Docusign Envelope ID: D71B2017-843E-4E47-8F32-6073D6A1D9CD

a. Records to be Maintained. The Parties shall maintain all records and such records shall include but not be limited to:

   1. Records providing a full description of each activity undertaken.
   2. Records required to document the solicitation and selection of a developer and operator.
   3. Records required by funding agencies related to the implementation of the MOU.

b. Retention. The Parties shall retain all records pertinent to services performed and expenditures incurred pursuant to this MOU and as defined in ERF-5-R State grant Agreement with COUNTY for a period of three (3) years after the final payment for any and all costs incurred for services performed and expenditures incurred pursuant to this MOU and corresponding grant funding for the implementation of the ERF-5-R Program and the LBNC Program.

ARTICLE 4.0
PERSONNEL AND PARTICIPANT CONDITIONS

Section 4.1 Conduct

a. Assignability. Neither Party shall assign or transfer any interest in this MOU without the prior written consent of the other Party, at its sole discretion.

b. Hatch Act. The Parties agree that under this MOU, no funds shall be provided, nor will any personnel be employed in any way or to any extent engaged in the conduct of political activities that would violate 5 U.S.C. Chapter 15, Section 1501 et seq.

c. Conflict of Interest. The Parties each agree to abide by the provisions of 24 CFR 570.611 with respect to conflicts of interest, as it may apply to their respective agents, employees, consultants, officers, appointed or elected officials, as listed under this regulation.

ARTICLE 5.0
ENVIRONMENTAL CONDITIONS

Section 5.1 Applicable Laws and Regulation

The Parties agree to comply with the following laws and regulations insofar as they apply to the performance of this MOU:

a. Clean Air Act, 42 U.S.C. 7401 through 7414.

b. Federal Water Pollution Control Act (Clean Water Act), as amended (33 U.S.C. 1318- Records and Reports) relating to inspection, monitoring, entry, reports, and information, as well as other requirements specified in Section 114 of the Clean Water Act (which authorizes the United States Environmental

Any claim, controversy, breach, or dispute arising out of this MOU, including, without limitation, the interpretation of any term or provision of this MOU, or any disagreement, claim, controversy, breach, or dispute arising out of the obligations under this MOU (individually, referred to as a "Dispute", and collectively referred to as "Disputes"), whether seeking damages or equitable relief, shall be subject to the following process.

1. Disputes between Parties shall be settled as quickly as reasonably possible to ensure minimal impact to MOU activities.

2. Parties shall first utilize a corrective action administrative process and negotiation to attempt to resolve Disputes prior to resulting to any other allowable remedy. Parties shall continue performance of the MOU activities during such resolution.

    a. Upon receipt by COUNTY of information regarding a perceived failure by CITY and/or CHSP to comply with any provision of this MOU, COUNTY has the right to forward CITY or CHSP a notice of COUNTY's intent to consider corrective action to enforce compliance with such provision. Such notice will indicate the nature of the issue, or issues, to be reviewed in determining the need for corrective action. CITY or CHSP may have the opportunity to respond or participate in formulating the corrective action recommendation. COUNTY has the right to require the presence of CITY's and/or CHSP's officer(s) or employee(s) at any hearing or meeting called for the purpose of considering a corrective action.

    b. Upon receipt by CITY of information regarding a perceived failure by COUNTY and/or CHSP to comply with any provision of this MOU, CITY has the right to forward COUNTY and/or CHSP a notice of CITY's intent to consider corrective action to enforce compliance with such provision. Such notice will indicate the nature of the issue, or issues, to be reviewed in determining the need for corrective action. COUNTY may have the opportunity to respond or participate in formulating the corrective action recommendation. CITY and/or CHSP has the right to require the presence of COUNTY's officer(s) or employee(s) at any hearing or meeting called for the purpose of considering a corrective action.

    c. Upon receipt by CHSP of information regarding a perceived failure by COUNTY and/or CITY to comply with any provision of this MOU, CHSP has the right to forward COUNTY and/or CITY a notice of CHSP's intent to consider corrective action to enforce compliance with such provision. Such notice will indicate the nature of the issue, or issues, to be reviewed in determining the need for corrective action. CHSP may have the opportunity to respond or participate in formulating the corrective action recommendation. CITY and/or COUNTY has the right to require the presence of CITY's and/or COUNTY's officer(s) or employee(s) at any hearing or meeting called for the purpose of considering a corrective action.

    d. All requests shall be made in good faith and be reasonable in light of the economics and time efficiencies intended by the corrective action process.

    e. Any resolution requiring amendment of this MOU shall be executed as soon as reasonably possible, time is of the essence.

3. No formal proceedings for the judicial resolution of any dispute may be commenced until sixty (60) calendar days following the initiation of negotiations under this Section. Either Party may then seek whatever remedy is available in law or in equity.

4. For all claims arising from or related to this MOU, nothing in this MOU establishes, waives, or modifies any claims presentation requirements or procedures provided by law, including the Government Claims Act (Division 3.6 of Title 1 of the Government Code, beginning with section 810), or any ordinance enacted by either Party governing the presentation or processing of such claims.

Before the Board of Supervisors in and for the County of Monterey, State of California

Resolution No.:

Adopt a Resolution to:

a. Authorize the County Administrative Officer or designee to sign and submit an application for funding from the California Department of Housing and Community Development Encampment Resolution Funding Program Round 5, to resolve encampments located in Salinas on public, unincorporated and private lands;

b. Authorize the County Administrative Officer or designee to execute the state funding agreement, with the California Department of Housing and Community Development for Encampment Resolution Funding Program Round 5 until the end of the grant fiscal term;

c. Authorize the County Administrative Officer or designee to sign all future Encampment Resolution Funding Program Round 5 amendments on behalf of the County for continued funding from the California Department of Housing and Community Development until the end of the grant fiscal term; and

d. Authorize the County Administrative Officer or designee, to sign and execute a Memorandum of Understanding (MOU) with the City of Salinas, and the Coalition of Homeless Services Providers to establish the roles and responsibilities for the implementation of a 23-unit low barrier navigation center at the El Rey Motel to provide temporary living facilities to individuals experiencing homelessness to be included in the Encampment Resolution Funding Grant Program Round 5 grant submission.

RECITALS:

WHEREAS, the County Board of Supervisors hereby approves the submission to the California Department of Housing and Community Development (HCD) an application for the Encampment Resolution Funding Program Round 5 (ERF-5-R) to utilize HCD funding to resolve encampments located in Salinas on public, unincorporated, and private lands, which will include funding to support outreach, the El Rey motel conversion into a 23-unit low barrier navigation center, up to 2 years of operations, rapid rehousing, and related services for the benefit of our local homeless population;

WHEREAS, the County Board of Supervisors hereby authorizes the County Administrative Officer or designee, to approve and execute a Memorandum of Understanding (MOU) formalizing the partnership for the operation of this ERF-5-R Program between the County of Monterey, the City of Salinas, and the regional Continuum of Care (CoC);

WHEREAS, the County acknowledges compliance with all state and federal public participation requirements in the development of its application;

WHEREAS, the County hereby authorizes and directs the County Administrative Officer or designee, to sign and deliver the application and act on the County's behalf in all matters pertaining to the ERF-5-R application;

WHEREAS, if an application is approved, the County Administrative Officer or designee is authorized to sign and execute the funding agreement and all subsequent amendments thereto with the State of California for the purposes of the ERF-5-R funds;

WHEREAS, the County Counsel will review and approve the standard state funding agreement, as well as any future amendments, as to form before the County Administrative Officer or designee signs and returns the agreement to HCD.

NOW, THEREFORE, BE IT RESOLVED THAT, the County of Monterey Board of Supervisors hereby:

a. Authorize the County Administrative Officer or designee to sign and submit an application for funding from the California Department of Housing and Community Development Encampment Resolution Funding Program Round 5, to resolve encampments located in Salinas on public, unincorporated and private lands;
b. Authorize the County Administrative Officer or designee to execute the state funding agreement, with the California Department of Housing and Community Development for Encampment Resolution Funding Program Round 5 until the end of the grant fiscal term;
c. Authorize the County Administrative Officer or designee to sign all future Encampment Resolution Funding Program Round 5 amendments on behalf of the County for continued funding from the California Department of Housing and Community Development until the end of the grant fiscal term; and
d. Authorize the County Administrative Officer or designee, to sign and execute a Memorandum of Understanding (MOU) with the City of Salinas, and the Coalition of Homeless Services Providers to establish the roles and responsibilities for the implementation of a 23-unit low barrier navigation center at the El Rey Motel to provide temporary living facilities to individuals experiencing homelessness to be included in the Encampment Resolution Funding Grant Program Round 5 grant submission.

Matter Type: BoS Agreement

a. Approve Amendment No. 6 to Standard Agreement A-14427 with Accela, Inc., to expand the Scope of Work to include ePermitHub Digital Plan Room subscription service as part of the County's existing Accela Civic Platform, and increase the Agreement amount by $253,334, from $4,596,204 to a new total not-to-exceed amount of $4,849,537 to commence upon execution of Amendment No. 6 and with no change to the term end date of June 30, 2030; and
b. Authorize the Chief Contracts and Procurement Officer or designee to execute Amendment No. 6 and future amendments to the Agreement where each amendment does not significantly alter the scope of work or increase the approved Agreement amount by more than 10% (up to $484,954), subject to review and approval as to form by the Office of the County Counsel and as to fiscal provisions by the Auditor-Controller's Office.

RECOMMENDATION:

It is recommended that the Board of Supervisors:
a. Approve Amendment No. 6 to Standard Agreement A-14427 with Accela, Inc., to expand the Scope of Work to include ePermitHub Digital Plan Room subscription service as part of the County's existing Accela Civic Platform, and increase the Agreement amount by $253,334, from $4,596,204 to a new total not-to-exceed amount of $4,849,537 to commence upon execution of Amendment No. 6 and with no change to the term end date of June 30, 2030; and
b. Authorize the Chief Contracts and Procurement Officer or designee to execute Amendment No. 6 and future amendments to the Agreement where each amendment does not significantly alter the scope of work or increase the approved Agreement amount by more than 10% (up to $484,954), subject to review and approval as to form by the Office of the County Counsel and as to fiscal provisions by the Auditor-Controller's Office.

SUMMARY/DISCUSSION:

The County of Monterey (County) has utilized the services of Accela, Inc. (Accela) since 2008 to support the Housing and Community Development Department's (HCD) permitting system. On June 27, 2019, the County of Monterey Board of Supervisors (BOS) authorized the County to enter into a non-Standard Agreement (NSA) with Accela to upgrade the Accela Civic Platform on-premise model to a Subscription as a Service (SaaS) model. The upgrade has provided the County with more efficient, cost-effective, and expandable permitting solutions.

Since the base Agreement was put in place, several amendments have been made to expand the scope of work, increase the Agreement amount, and extend the term.

In May 2025 the Agreement was further amended to extend the term through June 30, 2030, update the Agreement's provisions, and increase the Agreement amount by $2,218,458.90 for a new not-to-exceed amount of $4,596,203.06.

Amendment No. 6 expands the Scope of Work to add ePermitHub Digital Plan Room. This service will enhance HCD's permitting system by integrating ePermitHub into our existing Accela Civic Platform, which will automate plan submission, review, and creation of final plan sets. It is anticipated that utilizing this service will provide cost savings, once it is fully implemented, after the first year. In addition, it is expected to decrease turnaround time and expedite the permitting process.

After implementation Accela will provide training for HCD staff as well as a virtual training session for the public that will be recorded and made available on HCD's website.

OTHER AGENCY INVOLVEMENT:
The Offices of the County Counsel and Auditor-Controller have reviewed Amendment No. 6 as to form and legality, and fiscal provisions, respectively.

FINANCING:
The cost of the service is included in the FY 2025-26 Adopted Budget for Housing and Community Development Unit 8543, Appropriation Unit HCD002.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:
The recommended action supports the County's Strategic Plan goals of Diverse and Thriving Economy by streamlining the permitting process to support housing, development, and business activity and the Sustainable Infrastructure for the Present and Future goal by keeping the County's technological operations up to date which benefits County residents and staff.

Project Assumptions

1. CONTRACTOR assumes the County will have the proper resources to implement the Digital Plan Room software.

2. CONTRACTOR assumes all Professional Services costs and work have been identified in the SOW. Any additional Professional Services' costs or work required for this Project will be identified and requested through a Change Request process.

3. CONTRACTOR assumes the County has identified a dedicated Accela user-account to be used for communication between the ePermitHub and Accela software.

4. CONTRACTOR assumes the County will provide the appropriate staff to be trained on the software during the training periods outlined in the Project timeline.

5. CONTRACTOR assumes all the County's relevant Accela record types and workflows requiring plan review in the scope for this Project are already configured by Accela staff, and then CONTRACTOR will add plan review configuration.

6. CONTRACTOR assumes it will provide recommendations to the County for plan review related record types regarding record and workflow statuses most appropriate for the Digital Plan Room software.

7. CONTRACTOR assumes all standard choices required to integrate the software into the County's Accela configuration and software will be configured by the CONTRACTOR.

8. CONTRACTOR assumes the County will collaborate with CONTRACTOR on delivery of scripts required for the Digital Plan Room.

9. CONTRACTOR assumes County will verify that all Accela Civic Platform prerequisites are in place.

10. CONTRACTOR assumes that a historical data conversion into the Digital Plan Room will not be needed, and that manual procedures will be documented to import historical and in- process records into the Digital Plan Room as necessary.

Docusign Envelope ID: 68A6D67C-5FC9-460D-B010-F4B964B23FEC

11. Travel & Expenses: This Amendment 6 does not include provisions for travel as the County does not require any onsite resources. Travel to the County site shall not occur unless a signed Change Order with applicable terms and conditions has been executed prior to travel.

12. Project Hold: It is understood that sometimes County priorities are revised requiring the County to place the Project implementation on hold. The County must send a formal written request to the CONTRACTOR to put the Project on hold. Delays of two (2) weeks or more that have a tangible impact on the CONTRACTOR's resource plan are subject to change order.

    If either party puts the Project on hold for more than 90 days, the other party reserves the right to terminate Amendment 6 or negotiate new terms. In such case of termination, notwithstanding anything to the contrary, CONTRACTOR will be paid for all work already performed, and there are no refunds on Subscription fees

    If the Project is put on hold, at minimum, the CONTRACTOR will need to draft a Change Order to keep some of the CONTRACTOR Project Manager's time engaged in monitoring progress and in resourcing the Project once it comes off hold. Other Change Order items may be needed because of the delay. While on hold, Project resources will be re-deployed to other assignments, and the CONTRACTOR will need a forty-five (45) calendar day notice to re-staff the Project. The CONTRACTOR cannot guarantee a Project Start Date until the CONTRACTOR resources are confirmed.

    Should either party become non-responsive to the other party's communications for a term of 30 calendar days regarding the continuance of the Project work, the other party can choose to cancel the remainder of Amendment 6. If both parties desire to finish the Project, an amendment to the Agreement may be negotiated at the standard rates. In such case of cancelation, notwithstanding anything to the contrary, CONTRACTOR will be paid for all work already performed and there are no refunds on Subscription fees.

13. Training Execution parameters are as follows:
    - At the beginning of the Project, the County selects and prepares the power-users who will be participating in the training and subsequently training end-users. Any switch in County internal resources may require the need for a Project change request to account for missing time.
    - In the event of onsite training, County provides suitable onsite facilities and equipment, such as access to network-connected training computers and monitors, to accommodate various training classes.
    - In the event of offsite training, County ensures all remote class attendees have access to suitable equipment, such as internet-connected training computers and monitors, to accommodate various training classes.
    - Ensure that users are proficient in using PCs in a Windows environment as a prerequisite for the course.
    - Ensure that users are familiar with the use of standard Internet browsers as a prerequisite for the course.

Docusign Envelope ID: 68A6D67C-5FC9-460D-B010-F4B964B23FEC

- County is responsible for printing all training materials developed by the CONTRACTOR for End-User Training.

14. Schedule and delivery are contingent on availability and access to County staff resources.

15. Costs for Professional services for implementation of ePermitHub per this Amendment 6 will be invoiced separately from the annual ePermitHub subscription fees. Professional Services implementation invoices will be submitted at the completion of Phase 1 and completion of Phase 2.

16. Any Professional Services associated with Accela, and other third-party products unrelated to this Project are not included in this Amendment 6 and should be contracted directly through those products or their affiliates. CONTRACTOR will work closely with the County's Accela Project Manager to align and coordinate on schedule and deliverables per the contract.

Delivery Schedule

Stage Title	Milestones	Acceptance Criteria
Phase 1	Project Kick-Off & Initiation	• Completion of the Project Kick-Off Meeting • The CONTRACTOR's access to the County's environment is set up
	Digital Plan Room Installation/Provisioning	• All relevant components of the Digital Plan Room software provisioned on County's cloud infrastructure and deemed to be working properly • Confirmation of ability to log into Digital Plan Room software • Two (2) sandbox environments created.
	Digital Plan Room Configuration Analysis	Completion of To-Be Analysis Sessions
	Digital Plan Room Configuration	The County has 15 business days to conduct an initial review of the Digital Plan Room configuration. If no changes or comments are requested within 15 days, the deliverable is considered approved by the County. Upon delivery of the County's initial feedback from the initial review, CONTRACTOR will complete the necessary changes and updates. The second and final review will have seven (7) business days for acceptance. Upon delivery of County feedback from the second and final review, CONTRACTOR will complete the necessary changes and updates.

EXHIBIT A-5 – SCOPE OF WORK/PAYMENT PROVISIONS

Stage Title	Milestones	Acceptance Criteria
Phase 2	User Acceptance Testing (UAT)	• Provide County with UAT test script template for electronic plan review • Completion of up to two (2) weeks of UAT support by the CONTRACTOR • Completion of up to three (3) weeks UAT by the County • Resolution of all Critical and High defects by CONTRACTOR discovered during UAT by County
	Administrative and Technical Training	• Execution of administrative and technical training courses
	End User Training	• Execution of End User Training course to the County as described in Appendix A.
	Agency Customer Enablement	• Two (2) web-based Agency Customer Training sessions of one and one-half (1.5) hours each completed covering the following topics: o Plan Submittal o File Validation Overview o Response to County comments o Plan Re-submittal • Execution of training for County's customers as described above.
	Production Planning & Go-Live Migration	• Go-Live Migration Plan document finalized • Production Plan document finalized • ePermitHub Digital Plan Room used in the Production environment for daily use.
	Post Go-Live Support	• Six (6) weeks of Post Go-Live support provided. • Resolution of all Critical and High defects as defined above in "Phase 2 – Deliverable 3: UAT" discovered during Post Go-Live support period. • Transfer meeting regarding ongoing support of the County to the CONTRACTOR Support program conducted.

Estimated level of effort is based on (i) the nature and scope of the Professional Services and associated tasks and artifacts, (ii) the expected staffing levels required to perform the scope, (iii) the Project Schedule, (iv) the CONTRACTOR and County's roles and responsibilities, and (v) the other assumptions as set forth in this SOW.

The CONTRACTOR's total Professional Service hours and provided estimate are exclusive of taxes and expenses. This estimate is based on the information available at the time of signing and the assumptions, dependencies and constraints, and roles and responsibilities of the Parties, as stated in this SOW. The CONTRACTOR will not (i) exceed the total estimate amount without the prior approval of County and/or (ii) continue to provide Professional Services, after the total estimate has been reached, without the prior authorization of County. Should there be changes to

Docusign Envelope ID: 68A6D67C-5FC9-460D-B010-F4B964B23FEC

the scope, timeline, or resources that increase the hours or costs needed to complete the Project; a Change Order may be required prior to Project continuation. Please see Change Order details in the Project Assumptions section. Deliverable timelines are contingent upon timely compensation.

Project Plan Overview

The following section describes the specific activities and tasks that will be executed to meet the County's business objectives and requirements. In support of the implementation effort as described above, CONTRACTOR shall provide the below-detailed implementation Professional Services. For each deliverable, a description and criteria for acceptance are provided.

Success Criteria

The definition of Project success is crucial in setting appropriate expectations from the outset of the Project. Success is defined for each phase of the Project so the team can measure it as it iterates toward the final goal as follows:

- Phase 1: Analysis and configuration are complete and ready to start acceptance testing
- Phase 2: Acceptance testing and user training completed, go-live completed, post-go- live support completed

PHASE 1: IMPLEMENTATION PHASE

This phase aims to create a test Digital Plan Room deployment on the Accela Civic Platform that County staff can use as a testbed for acceptance and feedback. During this phase, the main features of the Digital Plan Room deployment will be implemented into the County's Accela test environment. Each Deliverable in this phase defines a set of tasks to complete the implementation.

Phase 1 - Deliverable 1: Project Kick-Off and Initiation

Project initiation consists of Project planning activities, Project management, template creation tracking, establishing Project issue tracking and communication methodology, and conducting the kickoff meeting.

As part of the initiation, the following tasks will be conducted by the CONTRACTOR and the County:

- Establish a communication plan and create a task management dashboard in an acceptable repository.
- Identify team members who will be responsible for deliverable sign-off and document procedures.
- County creates an Accela user for Digital Plan Room Communication with Accela software.
- Review and adjust Project scope based on additional findings, if necessary.
- Conduct a Project kick-off meeting to review Project objectives, methodology, timeline, roles, and other key Project elements.

Docusign Envelope ID: 68A6D67C-5FC9-460D-B010-F4B964B23FEC

The Project Kickoff Meeting includes a formal team presentation to review Project objectives, methodology, timeline, roles and responsibilities, risks, and other key Project elements with Project stakeholders.

CONTRACTOR's Responsibilities:

- Provide timely and appropriate responses to County's reasonable requests for information.
- Coordinate Project planning activities.
- Complete Baseline Project Schedule and Project Kickoff Presentation deliverables with input from appropriate County resources

County's Responsibilities:

- Identify and set expectations with key resources and subject matter experts for ongoing participation in the Project.

Provide timely and appropriate responses to CONTRACTOR's requests for Project planning input and meeting logistics requests.

- Include Executive Project Sponsor (County Building Official) in the Project Kickoff Meeting.
- Create an Accela user for Digital Plan Room Communication with Accela software.

Acceptance Criteria:

- Completion of the Project Kickoff Meeting
- The CONTRACTOR's access to the County's environment is set up

Acceptance Review Period:

Seven (7) business days

Phase 1 - Deliverable 2: Digital Plan Room Provisioning

During the cloud provisioning step, the CONTRACTOR's team will review the Digital Plan Room cloud provisioning requirements with the County's technical team, including infrastructure and software prerequisites. Once the prerequisites are confirmed to be in place in the County's DEV environment, the CONTRACTOR shall provision the Digital Plan Room software components and verify that they work properly. Documentation on the software setup architecture specific to the County shall be provided to the CONTRACTOR's technical team for reference.

CONTRACTOR's Responsibilities:

- Provide timely and appropriate responses to County's requests for information.
- Consult with County resources to provide technical input and answer technical questions related to the requirements for the Digital Plan Room.
- CONTRACTOR shall provision up to two (2) sandbox environments

County's Responsibilities:

- Provide timely and appropriate responses to CONTRACTOR's requests for information
- Provide CONTRACTOR with Admin contact information to setup County's Admin account

Docusign Envelope ID: 68A6D67C-5FC9-460D-B010-F4B964B23FEC

Acceptance Criteria:

- All relevant components of the Digital Plan Room software provisioned on County's cloud infrastructure and deemed to be working properly
- Confirmation of ability to log in to Digital Plan Room software
- Two (2) sandbox environments created

Acceptance Review Period:

Seven (7) business days

Phase 1 - Deliverable 3: Digital Plan Room Configuration Analysis

Configuration Analysis encompasses the activities necessary to define the optimal configuration of the Digital Plan Room and its integration points with the Accela Civic Platform, specifically to align with the County's plan review business processes. During this task, the CONTRACTOR's team, with input from the County, will identify any details related to plan submittal, review, and approval, and provide appropriate configuration specifications for the following items:

- Determine configuration for each Plan Review record type
- Determine all needed document types
- Determine document upload configuration
- Determine Digital Signatures validation configuration
- Determine Accela workflow integration configuration points
- Determine final approved set cloning business logic
- Determine Accela to Digital Plan Room user role mappings
- Determine Digital Plan Room discipline configuration
- Determine required Approval Stamps

The Project dashboard will document and keep track of all the Configuration Analysis tasks and determinations.

CONTRACTOR's Responsibilities:

- Provide timely and appropriate responses to County's request for information
- Interview staff to understand existing business processes
- Conduct analysis sessions to capture the required business processes to be automated within the system
- Conduct meetings via email, web conference, and phone to gather and validate analysis input

County's Responsibilities:

- Provide timely and appropriate responses to CONTRACTOR's requests for information.
- Make available the appropriate County key users and content experts to provide the required information, participate in the configuration analysis, and verify the accuracy of the documented workflows, input/output formats, and data elements

Docusign Envelope ID: 68A6D67C-5FC9-460D-B010-F4B964B23FEC

- Provide any existing business process documentation, including process flows; fee schedules; commonly used applications, reports, and forms; and other relevant information
- Schedule participants and meeting locations for analysis activities

Acceptance Criteria:
Completion of To-Be Analysis Sessions

Acceptance Review Period:
Seven (7) business days

Phase 1 - Deliverable 4: Digital Plan Room Configuration

The CONTRACTOR will configure the Digital Plan Room and make any modifications to the Accela Civic Platform configuration based on the requirements and determinations agreed upon in Deliverable 3.

The following high-level tasks will be performed:

- Configure Accela Civic Platform standard choices for the Digital Plan Room as defined in the previous Deliverable
- Configure new Accela document types and associated business rules
- Configure Digital Signature validation
- Configure Digital Plan Room EMSE library and required scripts
- Implement custom EMSE scripting as determined during Configuration Analysis
- Design, create and configure Approval Stamps as determined during Configuration

Documentation on the software configuration specific to the County will be provided to the County's administrative and technical team for reference.

CONTRACTOR Responsibilities:
- Providing timely and appropriate responses to County's request for information
- Configuring the solution components as defined in the To-Be Analysis sessions

County Responsibilities:
- Providing timely and appropriate responses to CONTRACTOR's requests for information
- Making available the appropriate County key users and content experts to participate in creating the system to learn about the system (knowledge transfer)
- Working with CONTRACTOR to verify that the system meets the requirements captured in the To-Be Analysis sessions

Acceptance Criteria:
- Configuration documentation provided to County
- The customer has 15 business days to conduct an initial review of the Digital Plan Room configuration. If no changes or comments are requested within 15 days, the deliverable is considered approved by the County. Upon delivery of the County's initial feedback from

Docusign Envelope ID: 68A6D67C-5FC9-460D-B010-F4B964B23FEC

the initial review, CONTRACTOR will complete the necessary changes and updates. The second and final review will have 7 business days for acceptance. Upon delivery of County feedback from the second and final review, CONTRACTOR will complete the necessary changes and updates.

Acceptance Review Period:
Seven (7) business days

PHASE 2: USER ACCEPTANCE TESTING, TRAINING & GO-LIVE PHASE

In this phase, the test deployment will evolve into a fully functioning electronic plan review deployment, guided by feedback and input from County staff. The County's participants are given full access to the deployment created in the previous phase and will conduct "test" electronic plan review workflows using sample data and plans. During this phase, the team will simulate as many real-life conditions and project types as possible to understand the capabilities of the designed workflow. County staff will record any issues to be assessed and corrected as agreed by both parties. Additionally, training sessions are conducted for administrators and end-users, and any additional training documentation is also provided in this phase.

Phase 2 - Deliverable 1: User Acceptance Testing (UAT)
During UAT, the CONTRACTOR will assist the County in testing and validating the configuration and readiness for migration to production. A template test plan that includes general best practices will be provided to the County. In cooperation with the County, the test plan will be refined to align with the County's configuration and business use cases.
After the test plan is completed, the testing effort will commence. This effort will require a significant time commitment from the County. The CONTRACTOR will assist the County through UAT support and address and resolve issues identified during the UAT process as the County's staff carries out the test plan.

Once the entire team reaches a consensus and is confident in the solution, the configuration will be prepared for final migration to production and Go-Live. At this point, a specific Go-live date will be established. UAT will take up to eight (8) weeks, with two (2) to three (3) weeks estimated for UAT script development by the CONTRACTOR, two (2) to three (3) weeks of testing by the County, and two (2) weeks of Critical and High issue resolution by the CONTRACTOR. A change order is required to add more support if the CONTRACTOR's UAT support exceeds two (2) weeks.

For issues classified as Critical or High defects, a support ticket is opened with the company's engineering team using the company's Service Desk process for review and resolution. All Critical and High defects must be resolved before completing UAT. The following defines Critical and High defects:

- **Critical** – Major test case(s) are blocked from successful execution without an available workaround. During dry runs and formal test executions, a test critical defect must have an acceptable workaround or fix as soon as possible.

Docusign Envelope ID: 68A6D67C-5FC9-460D-B010-F4B964B23FEC

- **High** – Significant degradation in primary operational functions or performance/stability. No workaround is available. During dry-runs and formal test executions, a defect categorized as High requires a fix or acceptable workaround as soon as possible.
- **Medium** – Workaround available for total or partial loss of major operational functions. It has a marginal impact on major operational functions.
- **Low** – A system problem that does not prohibit the successful completion of a test. No significantly noticeable impact on system operations.

CONTRACTOR Responsibilities:

- Developing the User Acceptance test scripts
- Providing recommendations on testing strategy and best practices
- Supporting the County in up to two (2) weeks of UAT effort and the validation of the system configuration and its readiness for migration to production for active use
- Resolving all Critical and High defects discovered because of UAT activities

County Responsibilities:

- Providing timely and appropriate responses to the CONTRACTOR's request for information.
- Making available the appropriate County key users and content experts to participate in UAT as defined and managed by County.
- Utilizing the use cases documented in each Configuration Document Deliverable as the basis for the acceptance of this Deliverable.
- Conducting up to three (3) weeks of UAT following the development of test scripts by CONTRACTOR.

Acceptance Criteria:

- Creation of UAT scripts by CONTRACTOR
- Completion of up to two (2) weeks of UAT support by the CONTRACTOR
- Completion of up to three (3) weeks UAT by the County
- Resolution of all Critical and High defects by CONTRACTOR discovered during UAT by County

Acceptance Review Period:

Seven (7) business days

Phase 2 - Deliverable 2: Administrative and Technical Training

The CONTRACTOR will provide training to the County's staff, focusing on the administrative and technical setup, as well as Digital Plan Room administration and configuration. The goal is to educate County staff in all aspects of the Digital Plan Room solution and ensure that they are confident before Go-Live.

The CONTRACTOR will provide remote training sessions that span four (4) hours. County staff are responsible for selecting qualified users for the training, who are critical to Project success. The following topics will be covered as part of the training session:

Docusign Envelope ID: 68A6D67C-5FC9-460D-B010-F4B964B23FEC

- Accela workflow integration
- Plans and Documents upload
- Digital Plan Room roles and mapping to Accela roles
- Digital Plan Room Standard Choices
- Digital Signatures validation
- Approval Stamps creation and deployment

CONTRACTOR Responsibilities:

- Coordinate with the County to define the training schedule and logistics
- Deliver training per the specific requirements listed above

County Responsibilities:

- Select and prepare the power-users who participate in the training and subsequently training end-users
- Arrange the time and qualified people for the training who are critical to the Project success
- Provide suitable County facilities to accommodate various training classes
- Ensure that users are proficient in using PCs in a Windows environment as a prerequisite for the course
- Ensure that users are familiar with the use of standard Internet browsers as a prerequisite for the course
- Ensure that the users install prerequisite software prior to training

Acceptance Criteria:

Execution of administrative and technical training courses

Acceptance Review Period:

Seven (7) business days

Phase 2 - Deliverable 3: End User Training

The CONTRACTOR will undertake all necessary training to operate electronic plan review processes across relevant departments. Training materials and required training sessions will be developed and conducted.

The CONTRACTOR will provide the following onsite or remote training sessions to the County End Users (Users with non-administrative roles) within the same week:

- One (1) two- (2-) hour session for Intake Specialists/Permit Technicians with the same curriculum for each session
- Two (2) four- (4-) hour sessions for Plan Reviewers/Managers with the same curriculum for each session

It is recommended that each training session be recorded for reference.

Docusign Envelope ID: 68A6D67C-5FC9-460D-B010-F4B964B23FEC

EXHIBIT A-5 – SCOPE OF WORK/PAYMENT PROVISIONS

The course curriculum is as follows:

Intake Specialists/Permit Technician Curriculum

	Description
ePermitHub Digital Plan Room embedded into Accela Citizen Access	• Plan submittal from the customer perspective o Understanding the process, a customer will follow to submit an application and submit plans and supporting documents
	o Review the types of file validation & digital signature validation occurring during submittal and how to interpret any errors o Walkthrough file processing and reviewing the automated sheet numbering. • Resubmittal process from the customer perspective o Reviewing & answering issues from a rejected plan set o Completing the resubmittal of plan addressing the answered issues.
ePermitHub Digital Plan Room embedded into Accela Civic Platform Back Office	• Plan submittal from a staff perspective when done in-house. • High level review of Plan Reviewer activities o Learn at a high level the steps a plan reviewer will perform and how they affect what the customer will see in Accela Citizen Access

Plan Reviewers/Managers Curriculum

	Description
ePermitHub Digital Plan Room embedded into Accela Civic Platform Back Office	• Accela workflow and the digital plan room o Learn how the digital platform interacts with the Accela workflow
	• Completing a plan review o Navigating the digital plan room o Overview of the viewer and available tools o Creating issues & markup o Reviewing issues and filtering tools o Sheet versioning o Comparison tools o Stamping • Rejecting plans & requesting revisions • Resubmittals & approving plans • Create print set
	• Overview of Intake Staff usage of the digital plan room o Plan submittal from a staff perspective when done in-house

Docusign Envelope ID: 68A6D67C-5FC9-460D-B010-F4B964B23FEC

	Description
ePermitHub Digital Plan Room embedded into Accela Citizen Access	• Overview of customer usage of digital plan room o Plan submittals and file validation & processing o Reviewing and answering issues contextually from the plan markup

CONTRACTOR Responsibilities:

- Coordinating with the County to define training schedule and logistics
- Providing End User Training as described above

County Responsibilities:

Selecting the course

Acceptance Criteria:

Execution of End User Training course to the County as described above

Acceptance Review Period:

Seven (7) business days

Phase 2 - Deliverable 4: County Constituent Enablement

County Constituents such as the licensed professionals, owners and general public leveraging the ePermitHub Digital Plan Room embedded in Accela Citizen Access will be able to:

- Submit their initial electronic plans and supporting documents
- Respond to Issues related to their plans created by County Plan Reviewers
- Resubmit corrected plan sheets (aka, digital slip sheets)
- Access and print approved documents of their plans

During County Constituent Enablement, the CONTRACTOR co-presents webinar-based training with the County. The County publishes videos to a dedicated Digital Plan Room information page on the County's website.

CONTRACTOR Responsibilities:

- Provide two (2) recorded web-based County Constituent training sessions of one and one-half (1.5) hours each covering the following topics:
  - Plan Submittal
  - File Validation Overview
  - Response to Agency Correction comments
  - Plan Re-submittal

County Responsibilities:

- Creating a dedicated public-facing information web page for related Digital Plan Room videos
- Coordination of the external customer webinar scheduling, registration and launching of the training

Docusign Envelope ID: 68A6D67C-5FC9-460D-B010-F4B964B23FEC

Acceptance Criteria:

- Two (2) web-based County Constituent training sessions of one and one-half (1.5) hour each completed covering the following topics:
  - Plan Submittal
  - File Validation Overview
  - Response to County comments
  - Plan Re-submittal

- Execution of training for County's Constituent as described above

Acceptance Review Period:

Seven (7) business days

Phase 2 - Deliverable 5: Production Planning and Go-Live Migration

During Go-Live Migration and Production Planning, the CONTRACTOR and County will work together to develop both Go-Live Migration and Production Planning documents. The Production Plan details the pre-installation, Accela back-office installation, and Accela Citizen Access installation activities for the Digital Plan Room. The Go-Live Migration Plan details how migration will take place from the County's existing plan review process/solution to the Digital Plan Room solution, including how to handle in process plan review projects.

CONTRACTOR Responsibilities:

- Creating an initial draft of the Go-Live Migration Plan document
- Finalizing Go-Live Migration Plan document with County
- Creating an initial draft of the Production Plan document
- Finalizing Production Plan document with County
- Remote support during Go-Live

County Responsibilities:

- Providing feedback on the initial draft of the Go-Live Migration Plan document
- Providing feedback on the initial draft of the Production Plan document
- Providing technical and functional user support for pre- and post-Go-Live planning, execution, and monitoring
- Providing timely and appropriate responses to Accela's request for information
- Assisting in the development of a Cutover checklist that details the critical tasks that must be accomplished prior to moving to Production
- Making available the appropriate County key users and content experts to participate in user acceptance testing as defined and managed by Agency

Acceptance Criteria:

- Go-Live Migration Plan document finalized
- ePermitHub Digital Plan Room used in the Production environment for daily use

Acceptance Review Period:

Seven (7) business days

Docusign Envelope ID: 68A6D67C-5FC9-460D-B010-F4B964B23FEC

Phase 2 - Deliverable 6: Post-Go-Live and Transition to Standard Accela Technical Support

Upon Go-Live, the County takes ownership of the solution in production and performs the Tier 1 and Tier 2 support functions covering Medium and Low defects as defined above in "Phase 2 - Deliverable 3: UAT". This deliverable consists of the Post Go-Live support assistance the CONTRACTOR provides (Tier 3) to address Critical and High issues, "Phase 2 - Deliverable 3: UAT", and provide consultative advice immediately following the move to Production for daily use.

Additionally, a formal meeting will be scheduled with the County, the CONTRACTOR Professional Services Team, and the CONTRACTOR Technical Support to transition support of future issues and questions from the County to the CONTRACTOR Technical Support program.

In terms of specific output, the following will be executed for this deliverable:

- Six (6) weeks of Post-Go-Live Support
- Finalized post-production issues list
- Resolution of all Critical and High defects as defined above in "Phase 2 - Deliverable 3: UAT"
- The transition of support from the Professional Services team to CONTRACTOR Technical Support for ongoing support

CONTRACTOR Responsibilities:

- Daily 30-minute standing calls for first two (2) weeks following Go-Live
- Two 30-minute standing calls per week for the second two (2) weeks following Go-Live
- One 30-minute standing call per week for the third two weeks (2) following Go-Live
- Transfer ongoing support of the County to the CONTRACTOR Technical Support program

County Responsibilities:

- Provide technical and functional user support for post-production support and monitoring
- Develop and maintain a Post-Production Issues List
- Provide timely and appropriate responses to the CONTRACTOR's request for information
- Following the post-Go-Live support period, the County will submit Production technical support issues through the CONTRACTOR Service Desk process for review and resolution

Acceptance Criteria:

- Six (6) weeks of Post Go-Live support provided
- Resolution of all Critical and High defects as defined above in "Phase 2 - Deliverable 3: UAT" discovered during Post Go-Live support period
- Transfer meeting regarding ongoing support of the County to the CONTRACTOR Technical Support program conducted

Acceptance Review Period:

Seven (7) days

Docusign Envelope ID: 68A6D67C-5FC9-460D-B010-F4B964B23FEC

Risk and Issue Management

Project risks are characteristics, circumstances, or features of the Project environment that may have an adverse effect on the Project or the quality of its deliverables. Known risks identified with this Project have been included below. A plan will be put into place to mitigate the impact of each risk on the Project.

1. Current process As-Is documentation details are not enough to understand differences in future software state.
2. The gap analysis may identify additional functionality not represented during the pre-contracting process, causing an increase in scope and/or budget.
3. The integration scope is altered and extended, causing go-live issues.
4. Test plans not detailed enough to handle all business needs.
5. Equipment needed to run the software is not identified or available at the County site.
6. County staff availability for User Acceptance testing.
7. County staff availability for training.
8. County organizational change management not thorough enough to gain acceptance of new software.
9. Dependency on the Accela configuration that is required for the ePermitHub solution (i.e., configured base record types including fees, workflows, intake forms, etc.).

To mitigate and resolve Project risks, the CONTRACTOR team will:

- Develop and maintain a Risk and Issues Management tracker to maintain collaboration between the County Project leadership, Accela and CONTRACTOR implementation team.
- Work with the County in order to resolve or mitigate risks or issues with the objective of not compromising Project deliverables
- Escalate Risks and Issues when necessary to the appropriate County team leadership

B. PAYMENT PROVISIONS

B.1 COMPENSATION/PAYMENT

County shall pay an amount not to exceed $4,849,536.39 for the performance of all things necessary for or incidental to the performance of work as set forth in this Amendment 6. CONTRACTOR'S compensation for Professional Services related to implementation of ePermitHub during Year 1 per this Amendment 6 shall not exceed $20,000. In addition, CONTRACTOR'S compensation for ePermitHub Subscription fees and Professional Services for implementation shall be based on the following rates or in accordance with the following terms:

Docusign Envelope ID: 68A6D67C-5FC9-460D-B010-F4B964B23FEC

EXHIBIT A-5 – SCOPE OF WORK/PAYMENT PROVISIONS

Pricing Summary				
		Subscription Services for ePermitHub Digital Plan Room	Professional Services for Implementation	Net Total
Year 1	12/01/25-06/30/26	$23,333.33	$20,000.00	$43,333.33
Year 2	07/01/26-06/30/27	$40,000.00		$40,000.00
Year 3	07/01/27-06/30/28	$50,000.00		$50,000.00
Year 4	07/01/28-06/30/29	$55,000.00		$55,000.00
Year 5	07/01/29-06/30/30	$65,000.00		$65,000.00
			Total	**$253,333.33**

Costs for Professional Services related to implementation of ePermitHub during Year 1, per this Amendment 6 will be invoiced separately from the annual ePermitHub subscription fees. Professional Services implementation invoices will be submitted during Year 1 at the completion of Phase 1 for $10,000 and completion of Phase 2 for $10,000 for a total Professional Services fees of $20,000.

This Amendment 6 does not include provisions for travel as the County does not require onsite resources. Should the County require onsite resources, travel to the County site shall not occur unless a signed Change Order with applicable terms and conditions has been executed prior to travel.

CONTRACTOR believes that the cost charged for ePermitHub Services under the terms of this contract are not in excess of those charged any other client for the same ePermitHub Services performed by the same individuals. In particular, Year 1 is at a 39% discount, Year 2 is at a 41% discount, Year 3 is at a 30% discount, Year 4 is at a 27% discount, and Year 5 is at an 18% discount.

B.2 CONTRACTOR'S BILLING PROCEDURES

Invoices under this Agreement shall be submitted monthly, promptly, and in accordance with Paragraph 6, "Payment Conditions," of the Agreement. All invoices shall reference the Multiyear Agreement (MYA) number, Project name, and/or services, and associated Delivery Order number. Invoices shall be submitted either by mail or in Portable Document Format (PDF) to:

EXHIBIT A-5 – SCOPE OF WORK/PAYMENT PROVISIONS

Notwithstanding anything to the contrary, CONTRACTOR is not assigning any intellectual property to County under this Agreement and, with the exception of Professional Services, Subscription Services are not subject to any acceptance.

County may, in its sole discretion, terminate this Amendment 6 for ePermitHub or withhold payments claimed by CONTRACTOR for Professional Services rendered under this Amendment, if CONTRACTOR fails to comply with any term or condition of this Agreement relating to ePermitHub and does not cure such non-compliance within thirty (30) days after receiving written notice. In such case of termination, and notwithstanding anything to the contrary, CONTRACTOR shall be paid for all work performed up to the date of termination. No refunds shall be issued for any amounts paid for work already performed and Subscription Services fees.

The County shall certify the invoice, either in the requested amount or in such other amount as the County approves in conformity with this Agreement and shall promptly submit such invoice to the County Auditor-Controller for payment. The County Auditor-Controller shall pay the amount certified within 30 days of receiving the certified invoice.

No payments in advance of Professional Services or in anticipation of Professional Services to be provided under this Agreement shall be made by the County.

Pricing is based upon payment by ACH and check. Payment by credit card (including purchase cards) for product and services in this Agreement will be subject to a service charge of 3%. There is no service charge for ACH or check payment.

The County shall not pay any claims for payment for Professional Services submitted more than twelve (12) months after the calendar month in which the Professional Services were completed.

DISALLOWED COSTS: CONTRACTOR is responsible for any audit exceptions or disallowed costs incurred by its own organization or that of its subcontractors.

AMENDMENT NO. 1
TO NON-STANDARD AGREEMENT
BETWEEN COUNTY OF MONTEREY AND
ACCELA, INC.

THIS AMENDMENT NO. 1 to Non-Standard Agreement No. A-14427 between the County of Monterey, a political subdivision of the State of California (hereinafter, "County") and Accela, Inc. (hereinafter, "CONTRACTOR") is hereby entered into between the County and the CONTRACTOR (collectively, the "Parties") as of the last date opposite the respective signatures below.

WHEREAS, CONTRACTOR entered into Non-Standard Agreement No. A-14427 with County on June 27, 2019 (hereinafter, "Agreement") to provide implementation, hosting and maintenance for the subscription services for the Accela software product (hereinafter, "services") through June 30, 2022 for an amount not to exceed $1,000,026.15; and

WHEREAS, County has a continued need for services; and

WHEREAS, the Business Automobile Liability Insurance provision of the Agreement requires an update; and

WHEREAS, the Parties wish to amend the original scope of the Agreement to include maintenance and support to the Civic Insight Software Application; and

WHEREAS, additional funding is necessary; and

WHEREAS, the Parties wish to amend the Agreement to update the Business Automobile Liability Insurance provision and include maintenance and support to the Civic Insight Software Application and increase the amount by $18,971.16 for a total amount not to exceed $1,018,997.31 to allow CONTRACTOR to continue to provide services identified in the Agreement and as amended by this Amendment No. 1.

NOW, THEREFORE, the Parties agree to amend the Agreement as follows:

1. Amend Paragraph 1.01, of Section 1.0, "General Description", to read as follows:

   The County hereby engages CONTRACTOR to perform, and CONTRACTOR hereby agrees to perform, the services described in Exhibits A and A-1 in conformity with the terms of this Agreement. The goods and/or services are generally described as follows: Provide implementation, hosting and maintenance for the subscription services for the Accela software product, and include maintenance and support to the Civic Insight Software Application.

2. Amend Paragraph 2.01, of Section 2.0, "Payment Provisions", to read as follows:

County shall pay CONTRACTOR in accordance with the payment provisions set forth in Exhibits A and A-1, subject to the limitations set forth in this Agreement. The total amount payable by County to CONTRACTOR under this Agreement is not to exceed the sum of $1,018,997.31.

3. Amend Section 4.0, "Scope of Services and Additional Provisions", by adding "Exhibit A-1, Scope of Services/Payment Provisions for Maintenance and Support to the Civic Insight Software Application".

4. Amend the Business Automobile Liability Insurance section of Paragraph 9.03 under Section 9.0, "Insurance Requirements", to read as follows:

Business Automobile Liability Insurance, covering all motor vehicles, including leased, non-owned, and hired vehicles, used in providing services under this Agreement, with a combined single limit for Bodily Injury and Property Damage of not less than $1,000,000 per occurrence.

5. Invoices under this Agreement shall be submitted in accordance with Section 6.0, "Payment Conditions", of the Agreement. All invoices shall reference the Multi-Year Agreement (MYA) number, MYA#3000*4490, services and associated Delivery Order number, and an original hardcopy shall be sent to the following address or via email to RMA-Finance-AP@co.monterey.ca.us:

AMENDMENT NO. 4
TO STANDARD AGREEMENT BY AND BETWEEN
THE COUNTY OF MONTEREY AND
ACCELA, INC.

THIS AMENDMENT NO. 4 to Standard Agreement No. A-14427 between the County of Monterey, a political subdivision of the State of California ("County") and Accela, Inc. ("CONTRACTOR"), is hereby entered into between the County and the CONTRACTOR (collectively, the "Parties") as of the last date opposite the respective signatures below.

WHEREAS, CONTRACTOR entered into Non-Standard Agreement No. A-14427 with the County on June 27, 2019 ("Agreement") to provide implementation, hosting and maintenance for the subscription services for the Accela software product ("services") through June 30, 2022 for an amount not to exceed $1,000,026.15;

WHEREAS, the Agreement was amended by the Parties on January 27, 2020 ("Amendment No. 1") to extend the term for three (3) additional years through June 30, 2022 and to increase the amount by $18,971.16 for an amount not to exceed $1,018,997.31;

WHEREAS, on October 30, 2020, the Resource Management Agency (RMA) was dissolved and the Housing and Community Development Department (HCD) was created;

WHEREAS, the Agreement was amended by the Parties on May 6, 2022 ("Amendment No. 2") to extend the term three (3) additional years through June 30, 2025 and to increase the amount by $89,749 for an amount not to exceed $1,108,746.85;

WHEREAS, the Agreement was amended by the Parties on July 28, 2022 ("Amendment No. 3") to correct the not to exceed amount from $1,108,746.85 to $2,127,744.16 with no change to the contract term or scope of services;

WHEREAS, the County continues to use Accela Software Subscription Services to track and manage permitting and planning documents, payments, and staff time;

WHEREAS, Accela is offering Managed Application Services to enhance the day-to-day management of the County's Accela SaaS platform application; and

WHEREAS, the Parties wish to further amend the Agreement to add the additional tasks to the scope of services and increase the Agreement amount by $250,000 for a new not to exceed amount of $2,377,744.16 with no change in the term of the Agreement to allow CONTRACTOR to continue to provide services.

DocuSign Envelope ID: 93206227-DD51-42A9-BBE6-457DF7E3445A

NOW, THEREFORE, the Parties agree to amend the Agreement as follows:

1. Amend Section 1.0, "GENERAL DESCRIPTION," to read as follows:

   The County hereby engages CONTRACTOR to perform, and CONTRACTOR hereby agrees to perform, the services described in Exhibits A, A-1, A-2, and **A-3** in conformity with the terms of this Agreement. The goods and/or services are generally described as follows:
   Provide implementation, hosting, and maintenance for the subscription services for the Accela software product; **install, manage, and support Managed Application Services.**

2. Amend Section 2.01, "PAYMENT PROVISIONS," to read as follows:

   County shall pay CONTRACTOR in accordance with the payment provisions set forth in Exhibits A, A-1, A-2, and **A-3** subject to the limitations set forth in this Agreement. The total amount payable by County to CONTRACTOR under this Agreement is not to exceed the sum of **$2,377,744.16**.

3. Amend Section 4.01, "SCOPE OF SERVICES AND ADDITIONAL PROVISIONS," to read as follows:

   Exhibit A-3 Scope of Services/Payment Provisions

4. All other terms and conditions of the Agreement, including all Exhibits thereto, remain unchanged and in full force.

5. This Amendment No. 4 and all previous amendments shall be attached to the Agreement and incorporated therein as if fully set forth in the Agreement.

EXHIBIT A-3 – SCOPE OF WORK/PAYMENT PROVISIONS

To Agreement by and between
County of Monterey, hereinafter referred to as "County"
and
Accela, Inc., hereinafter referred to as "CONTRACTOR"

A. SCOPE OF SERVICES

CONTRACTOR shall provide services and staff, and otherwise do all things necessary for or incidental to the performance of work as set forth below:

A.1 Basic System Administration Activities

Managed Application Services (MAS) includes both Basic and Advanced administration activities. This section includes those basic and advanced administration tasks and are detailed in the following section.

- Ticketing intake/entry from named County Contacts
- MAS Ticket monitoring and oversight
- CONTRACTOR Support team ticket routing and oversight for required support items
- Creation of Accela platform user accounts
- Disabling/deleting of Accela platform user accounts
- Password Changes for Accela platform user accounts
- Adding/modifying Accela platform user permissions and groups (limited to two (2) per month)
- Service pack testing support

A.2 Advanced System Administration Activities

- Escalation for advanced troubleshooting needs of in-scope items
- Proactive guidance on agency-led testing for major releases
- Optimization Assessment and Road Map (twice annually)
- Periodic Solution Releases (limited to one (1) quarterly release
- Adding new workflows
- Modifications of existing workflows
- Business rule automation development and modifications
- Fee calculation development and modifications
- Urgent configuration issue resolution
- Development and modification of reports
- Advanced scripting and automation of existing configuration
- Enhancements to existing integrations (limited to one (1) quarterly release)
- Implementation of new product features (limited to one (1) quarterly release)

A.3 Managed Application Services System Enhancement Requests

Supported Frequency of Periodic System Enhancements - The MAS team will support (1) quarterly release for customer enhancements. The following list denotes all activities supported in the quarterly enhancements.

- Configuration changes to add/modify workflows

DocuSign Envelope ID: 93206227-DD51-42A9-BBE6-457DF7E3445A

- Configuration changes to develop/modify/automate business rules
- Configuration changes to develop/modify fee calculations
- Development and modification of reports
- Advanced scripting and automation of existing configuration

A.4 Scope of Services Supported in Periodic System Enhancements

CONTRACTOR shall work with the County on a prioritized list of items to be included in the upcoming quarterly release as well as what will be deferred to later enhancement release cycles.

The scoping and estimating process of what can be included within the quarterly release is the sole discretion of the MAS team and other pertinent CONTRACTOR staff as needed. Any urgent requirement that would push the scope of the quarterly enhancements beyond what is deemed feasible by the MAS team will require a separate professional services engagement.

A.5 Out of Scope Activities

For the purposes of clarity and without limitation, the activities listed below are considered outside of the MAS scope. All out-of-scope services shall be subject to additional professional services fees and delivered only upon mutual agreement of the parties.

- Implementation of new record types
- Implementation of new integrations (interfaces)
- On-site support
- Customer's end-user support
- Customer end-user helpdesk ticketing intake or processing
- Creation of any intellectual property

A.6 Managed Application Services Ticket Management

This section covers the MAS service request ticketing, escalation processes and management.

1. Access to the MAS Team

County may designate up to four (4) named employees (the "County Contacts") to open, escalate and close out tickets. Only County Contacts will have the ability to open tickets and interact with the MAS team. County Contacts will have responsibility to manage any end user interactions and pass such information to the MAS team.

1.1 Responsibilities of County Contacts

- Opening all MAS requests via the Accela Success Community online portal, email submission or phone call options
- Handling all helpdesk and direct end-user support activities
- Overseeing the County’s support case activity, working with the MAS team to help as needed to replicate reported system issues during the troubleshooting process

DocuSign Envelope ID: 93206227-DD51-42A9-BBE6-457DF7E3445A

- Completing the Administrator Training offered as part of CONTRACTOR's implementation and adoption programs
- Possessing a sufficient working knowledge of the County's configured solution enabling them to provide detailed and accurate information to the MAS team in the tickets and,
- Assisting CONTRACTOR in replication of reported issues and further triaging of. issues, as needed

2. Creation, Escalation and Closing of MAS Tickets

MAS help tickets can be opened via one of the three (3) following methods detailed below. MAS staff will be available to provide services, in English, to County Contacts from 4:00 a.m. until 6:00 p.m. Pacific Standard Time, Monday through Friday, excluding CONTRACTOR's observed holidays ("MAS Service Hours"). Regardless of method of submission, tickets shall be addressed using reasonable commercial efforts during MAS Service Hours.

- **Telephone.** County Contacts may submit tickets by calling **-1 (888) 722-2352, extension 5** during the MAS Service Hours.
- **E-mail.** Tickets may be created twenty-four (24) hours per day, seven (7) days per week by sending an email to the dedicated support/MAS email box - mas@accela.com.
- **Community Portal.** Tickets may further be created, tracked and managed twenty-four (24) hours per day, seven (7) days per week via the Accela Success Community Portal, located at http://success.accela.com/s/.
- Specific response, isolation and resolution times will be mandated by the appropriate Service Level Objective that applies to the MAS ticket in question as noted in this document. Both email and portal availability may be subject to system maintenance interruption from time to time, and CONTRACTOR shall make commercially reasonable efforts to **inform customers in advance of such maintenance.**

Notwithstanding the forgoing, to enable a timely response of Severity 1 and Severity 2 issues, customers are required to submit such issues via Telephone and such tickets submitted through other means will not be responded to in accordance with the targeted response times and not subject to the applicable Service Level Agreements (SLAs).

A.7 Managed Application Services Service Level Objectives

This section covers the service levels associated with the MAS. This section will solely be focused on the service level objectives that cover the Managed Application Service and all other SLAs for Standard and Preferred Support will be covered under those separate documents.

1. Prioritization of Tickets

Tickets will be worked in order of priority. Priorities are established by the MAS team on a per ticket basis depending on a variety of factors, for example, severity, scope of impact, and Service Level Agreements/Targets (SLAs/SLTs).

DocuSign Envelope ID: 93206227-DD51-42A9-BBE6-457DF7E3445A

2. **Investigation and Diagnosis of Reported Incidents**
   The MAS team will investigate and diagnose to determine the cause of the incident. Once the cause has been identified, the MAS team will update the ticket with the pertinent troubleshooting information and then proceed to the resolution phase.

3. **Resolution/Workaround of Reported Incidents**
   After the incident cause has been identified, the MAS team will work to resolve the incident. The resolution process includes actions taken by the MAS team to restore functionality or implement a workaround. The MAS team may incorporate workaround solutions to restore substantial or partial functionality depending upon the complexity of the required resolution. In this case, the incident will remain open until resolved or closed by request of the customer. If the identified solution to a reported incident requires a substantive change to the customer's environment and a workaround has been provided, CONTRACTOR reserves the right to downgrade the severity of the ticket once that resolution has been identified and communicated to the County Contacts until the resolution can be implemented (i.e., a given resolution that requires quarterly service packs, product release upgrades, etc.)

4. **Upgrading/Downgrading Severity Levels**
   If, during the process of working a customer MAS ticket, the issue either warrants assignment of a higher severity level than currently assigned or no longer warrants the severity level currently assigned based on its current impact on the production operation of the customer's environment, then the severity level will be upgraded or downgraded accordingly to the severity level that most appropriately reflects its current impact at CONTRACTOR's reasonable discretion. If the current priority of the MAS ticket requires a change in severity level, the County will be notified of this change by the MAS team in the form of an update to the ticket.

Service Level Targets – Initial Ticket Response Time and Resolution/Workaround			
Priority Level	Initial Response Time Target	Resolution/Work Around Target	Business Impact Implications
Severity 1 (critical)	1 Hour*	1 Business Day**	High impact on the affected application or service with no acceptable bypass or workaround as defined by the key users.
Severity 2 (high)	4 Hours*	2 Business Days**	System or service functionality has become limited or is working at marginally degraded capacity or performance for multiple users AND no acceptable bypass or workaround exists, as defined by the key users **OR** A critical function single user is unable to use a system/service or a component of a system/service that is necessary to perform critical work activity.

DocuSign Envelope ID: 93206227-DD51-42A9-BBE6-457DF7E3445A

Severity 3 (Medium)	8 Hours*	10 Business Days**	A single user is unable to use a system/service or a component of a system/service that is necessary to perform primary work activities **OR** A system or service has encountered a non-critical issue with minimal loss of functionality or is working at minimally degraded capacity or performance.
Severity 4 (Low)	24 Hours*	Scheduled for Periodic Qtrly Releases**	Report of event not impacting work efficiency of a single user **OR** Any standard service request

*Response times are MAS Service Hours. Severity Level 1 and 2 cases must be submitted via telephone. Severity Level 1 and 2 target initial response times do not apply to cases submitted electronically.
**Issue Isolation and Remediation time objectives are 14x5 on standard working days.

A.8 Managed Application Services Change Management Procedures

This section covers how the MAS team will work with the named County Contacts to ensure that all support and enhancement activities align with the CONTRACTOR's change control process for all configurations, updates, and fixes.

1. Scope of MAS Team Change Control Process

The MAS team will work with the named County Contacts to relay all pertinent information related to the CONTRACTOR change control process and the timing of any pertinent yearly updates and service pack releases. It will be the sole responsibility of the County Contacts to take the information supplied by the MAS team to update other customer staff or change control processes as required to adhere to stated customer policies for change control and configuration management.

The MAS team will not be responsible for directly interacting with customer's change control or configuration management processes and a customer contact will be required to facilitate any internal change control processes and related messaging.

2. MAS Team and Accela Config and Release Management Control

Once customer onboarding is complete, the MAS team will take over the management of any Accela platform-related changes and configuration updates. Any changes proposed by the customer will be required to be approved by the MAS team so that they can ensure any pertinent configuration changes and updates will adhere to the Accela change control and configuration management process _and best practices. Any changes to the County's Accela Platform environment that are not *vetted* by the MAS team and have an adverse effect on the customer's Civic Applications or overall operating environment are outside the scope of the MAS.

A.9 Managed Application Services Continual Service Improvement (CSI) Process

This section covers the scope of services related to the MAS team's CSI process. This CSI process is intended to create standardized communication and review cadences to ensure the MAS team is both receiving and providing feedback for service and platform improvement.

To facilitate continual improvement of the County's systems and operations, CONTRACTOR will perform the following:

- Bi-Annual Platform Assessments and Recommendations
- Monthly Service Reviews

1. Supported Frequency and Scope of Bi-Annual Platform Assessments

As a part of the scope of included services for the MAS, the MAS team will support two (2) annual platform assessment and recommendation sessions. These assessment and review sessions will focus on the following core components:

- Adoption of CONTRACTOR's best practice standards
- Automation that will minimize work required by the County
- Utilization of new features to provide a better user experience

2. Review and Execution of the Assessment and Roadmap Findings

Upon completion of the (2) annual assessment and roadmaps, the MAS team will schedule a time to review the findings with the County Contacts. Upon completion of each review, the MAS team will work with the named County Contacts to decide what, if any, of the findings contained in the bi-annual assessment should be implemented.

Assessment items selected will be added to that rolling list of improvements and will be addressed during the next subsequent quarterly release. Any items deemed not in scope may be addressed with a Professional Services engagement.

3. Standard MAS Service Review and Tuning Cadences

The CONTRACTOR's MAS team will schedule bi-weekly standing meetings with the named County Contacts. This bi-weekly cadence will be used to address any items of concern that may need to be adjusted over time to ensure the best customer experience for the County. The following list includes the supported agenda items for these review and tuning cadences:

- Review of currently opened MAS support tickets and pertinent progress
- Review of current priority for tickets for any upgrade/downgrade of severity levels required
- Review and update System Enhancement list
- Review required changes to the communication structure moving forward between the MAS team and the named County Contacts, such as:

DocuSign Envelope ID: 93206227-DD51-42A9-BBE6-457DF7E3445A

- Setting appropriate severity levels for tickets;
- Review of pertinent engagement methods for specific severity levels (always call for sevl/sev2, for instance)

A.10 General Managed Application Services Assumptions

This section notes any other peripheral assumptions that should be noted as a part of the MAS offering.

1. **Customer Cooperation**
   CONTRACTOR must be able to reproduce errors to resolve them. The County agrees to reasonably cooperate and work closely with CONTRACTOR to reproduce errors, including conducting diagnostic or troubleshooting activities, implementation of fixes or updates previously provided by CONTRACTOR, or providing information as reasonably requested and appropriate. CONTRACTOR may access County Contacts account and/or an admin account and/or County's personnel may be asked to provide remote access to their internal system for, without limitation, conducting diagnostic or troubleshooting activities, or implementation of fixes or updates previously provided by CONTRACTOR.

2. **Third Party Product Support**
   CONTRACTOR disclaims all support obligations for such third-party software, unless expressly specified by CONTRACTOR in Customer's Agreement.

3. **Named MAS Team Account Lead**
   CONTRACTOR will provide a named team representative for any MAS customers. The named MAS team member will act as a lead for the account, have knowledge of the customers system, provide oversite for any support cases created with CONTRACTOR, and will actively participate in any assessment and review cadences.

4. **Peripheral Online Support Material**
   Available twenty-four (24) hours, seven (7) days a week, CONTRACTOR will make available to Customers certain archived software updates and other technical information in CONTRACTOR's online support databases for their reference.

5. **MAS General Service Exclusions**
   The following Support Exclusions are not covered by this Managed Application Services Policy:
   - MAS assistance required due to Customer's or any End User's or third party's misuse of the Services.
   - MAS assistance during times outside of CONTRACTOR's regular business hours stated above.

DocuSign Envelope ID: 93206227-DD51-42A9-BBE6-457DF7E3445A

- MAS assistance necessitated by external factors outside of CONTRACTOR's reasonable control, including any force majeure event or Internet access or related problems beyond the Service demarcation point.
- MAS assistance of or caused by customizations (if outside of CONTRACTOR's best practice recommendations), configuration changes, scripting, or data loss caused by or on behalf of Customer or any End User.
- MAS assistance of or caused by Customer's or any End User's or third party's equipment, software or other technology (other than third party equipment within CONTRACTOR's direct control).
- MAS assistance to resolve or workaround conditions which cannot be reproduced in CONTRACTOR's support environment beyond a commercially reasonable effort.
- Support of any software add-ons supplied together with the Service (except where specifically referenced in the MAS Agreement).
- Any support services falling within these Support Exclusions may be provided by CONTRACTOR at its discretion and, if so provided, may be subject to additional pricing and support terms as specified by CONTRACTOR.
- **PLEASE NOTE: CUSTOMERS MIGRATING FROM ON-PREM TO SAAS:**
  FOR CUSTOMERS MIGRATING FROM ON-PREM TO SAAS, ELEMENTS OF MANAGED APPLICATION SERVICE THAT RELY ON ACCELA'S SAAS SERVICE, AS DELINEATED IN THE SUBSCRIPTION SERVICE AGREEMENT, ARE APPLICABLE ONLY UPON COMPLETION OF THE MIGRATION AND PRODUCTION-USE OF CUSTOMER'S SOLUTION WITHIN THE ACCELA SAAS CLOUD. WHILE OPERATING ACCELA SOFTWARE ON PREMISE THE AGENCY IS RESPONSIBLE FOR RELATED SERVER, NETWORK, GIS ADMINISTRATION. THE MAS SERVICES THAT ARE EXCLUDED FROM THIS INTERIM PERIOD INCLUDE:
  - ANY SERVICE LEVEL AGREEMENTS OR SERVICE LEVEL TARGETS
  - ANY SYSTEM ENHANCEMENTS
  - ANY IMPLEMENTATION OF NEW PRODUCT FEATURES

B. PAYMENT PROVISIONS

B.1 COMPENSATION/PAYMENT

County shall pay an amount not to exceed $2,377,744.16 for the performance of all things necessary for or incidental to the performance of work as set forth in the Scope of Work. CONTRACTOR'S compensation for services rendered shall be based on the following rates or in accordance with the following terms:

DocuSign Envelope ID: 93206227-DD51-42A9-BBE6-457DF7E3445A

Services	Year	Start Date	End Date	Term (Months)	Price	Net Total

WHEREAS, the Agreement was amended by the Parties on July 28, 2022 ("Amendment No. 3") to correct the not to exceed amount from $1,108,746.85 to $2,127,744.16 with no change to the contract term or scope of work;

WHEREAS, the Agreement was amended by the Parties on September 1, 2023 ("Amendment No. 4," including Exhibit A-3 – Scope of Work/Payment Provisions), to include one year of Managed Application Services, and add $250,000 to the Agreement amount of $2,127,744.16 for a new not to exceed amount of $2,377,744.16 with no change to the term end date of June 30, 2025;

WHEREAS, the County has a continued need for services;

WHEREAS, the Agreement's provisions require an update;

WHEREAS, the Scope of Work/Payment Provisions requires an update; and

WHEREAS, the Parties wish to further amend the Agreement, effective July 1, 2025, to update the service costs with Exhibit A-4, Scope of Work/Payment Provisions, extend the term of the Agreement five (5) years to June 30, 2030, and increase the Agreement amount of $2,377,744.16 by $2,218,458.90 for a new not to exceed amount of $4,596,203.06.

Docusign Envelope ID: E7C6696E-505E-4599-89AA-5D36DCAA23D4

NOW, THEREFORE, the Parties agree to amend the Agreement as follows:

1. Amend Section 1.0, "GENERAL DESCRIPTION," to read as follows:

   The County hereby engages CONTRACTOR to perform, and CONTRACTOR hereby agrees to perform, the services described in Exhibits A, A-1, A-2, A-3 and **A-4** in conformity with the terms of this Agreement. The goods and/or services are generally described as follows:

   Provide implementation, hosting, and maintenance for the subscription services for the Accela software product ("services").

2. Amend Section 2.01, "PAYMENT PROVISIONS," to read as follows:

   County shall pay CONTRACTOR in accordance with the payment provisions set forth in Exhibits A, A-1, A-2, A-3, and **A-4** subject to the limitations set forth in this Agreement. The total amount payable by County to CONTRACTOR under this Agreement is not to exceed the sum of **$4,596,203.06**.

3. Amend Section 3.0, "TERM OF AGREEMENT," first sentence of subsection 3.01, to read as follows:

   The term of this Agreement is from July 1, 2019, to June 30, 2030, unless sooner terminated pursuant to the terms of this Agreement.

4. Amend Section 4.01, "SCOPE OF SERVICES AND ADDITIONAL PROVISIONS," to read as follows: **Exhibit A-4** Scope of Services/Payment Provisions

5. Amend Section 6.0, "PAYMENT CONDITIONS," to add Paragraph 6.05 as follows:

   CONTRACTOR shall not receive reimbursement for mileage or travel expenses unless set forth in this Agreement.

6. Amend Section 9.0, "INSURANCE REQUIREMENTS," to replace Paragraph 9.02, "Qualifying Insurers," in its entirety to read as follows:

   Qualifying Insurers: All coverages, except surety, shall be issued by companies which hold a current policy holder's alphabetic and financial size category rating of not less than A- VII, according to the current A.M. Best's Rating Guide or a company of equal financial stability that is approved by the County's Purchasing Agent.

7. Amend Section 9.0, "INSURANCE REQUIREMENTS," to replace Paragraphs 9.03, in its entirety, to read as follows:

   Insurance Coverage Requirements: Without limiting CONTRACTOR's duty to indemnify, CONTRACTOR shall maintain in effect throughout the term of this Agreement a policy or policies of insurance with the following minimum limits of liability:

Docusign Envelope ID: E7C6696E-505E-4599-89AA-5D36DCAA23D4

Commercial General Liability Insurance: Including but not limited to premises and operations, including coverage for Bodily Injury and Property Damage, Personal Injury, Contractual Liability, Broad form Property Damage, Independent Contractors, Products and Completed Operations, with a combined single limit for Bodily Injury and Property Damage of not less than $1,000,000 per occurrence, and $2,000,000 in the aggregate.

(Note: Any proposed modifications to these general liability insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in blue ink. All proposed modifications are subject to County approval.)

Auto Liability Coverage: Must include motor vehicles, including scheduled, non-owned, and hired vehicles, used in providing services under this Agreement, with a combined single limit or Bodily Injury and Property Damage of not less than $1,000,000 per occurrence.

(Note: Any proposed modifications to these auto insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in blue ink. All proposed modifications are subject to County approval.)

Workers' Compensation Insurance: If CONTRACTOR employs others in the performance of this Agreement, in accordance with California Labor Code section 3700 and with Employer's Liability limits not less than $1,000,000 each person, $1,000,000 each accident and $1,000,000 each disease.

(Note: Any proposed modifications to these workers' compensation insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in blue ink. All proposed modifications are subject to County approval.)

Professional Liability Insurance: If required for the professional services being provided, (e.g., those persons authorized by a license to engage in a business or profession regulated by the California Business and Professions Code), in the amount of not less than $1,000,000 per claim and $2,000,000 in the aggregate, to cover liability for malpractice or errors or omissions made in the course of rendering professional services. If professional liability insurance is written on a "claims-made" basis rather than an occurrence basis, the CONTRACTOR shall, upon the expiration or earlier termination of this Agreement, obtain extended reporting coverage ("tail coverage") with the same liability limits. Any such tail coverage shall continue for at least three (3) years following the expiration or earlier termination of this Agreement.

(Note: Professional liability insurance coverage is required if the contractor is providing a professional service regulated by the state. Examples of service providers regulated by the state are insurance agents, professional architects and engineers, doctors, certified public accountants, lawyers, etc. However, other professional contractors, such as computer or software designers, technology services, and service providers such as claims administrators, should also have professional liability. If in doubt, consult with your risk or contract manager.)

If the CONTRACTOR maintains broader coverage and/or higher limits than the minimums shown above, the County requires and shall be entitled to the broader coverage and/or higher limits maintained by the CONTRACTOR.

8. Amend Section 9.0, "INSURANCE REQUIREMENTS," to replace Paragraph 9.04, "Other Requirements," from the third paragraph to the end of Paragraph 9.04 to read as follows:

Other Requirements: All insurance required by this Agreement shall be with a company acceptable to the County and issued and executed by an admitted insurer authorized to transact insurance business in the State of California. Unless otherwise specified by this Agreement, all such insurance shall be written on an occurrence basis, or, if the policy is not written on an

Docusign Envelope ID: E7C6696E-505E-4599-89AA-5D36DCAA23D4

occurrence basis, such policy with the coverage required herein shall continue in effect for a period of three (3) years following the date CONTRACTOR completes its performance of services under this Agreement.

Each liability policy shall provide that the County shall be given notice in writing at least thirty (30) days in advance of any endorsed reduction in coverage or limit, cancellation, or intended non-renewal thereof. Each policy shall provide coverage for CONTRACTOR and additional insured with respect to claims arising from each subcontractor, if any, performing work under this Agreement, or be accompanied by a certificate of insurance from each subcontractor showing each subcontractor has identical insurance coverage to the above requirements.

Additional Insured Status: The County of Monterey, its officers, officials, employees, agents, and volunteers are to be covered as additional insureds on the auto liability policy for liability arising out of automobiles owned, leased, hired or borrowed by or on behalf of the CONTRACTOR. Auto liability coverage shall be provided in the form of an endorsement to the CONTRACTOR's insurance.

The County of Monterey, its officers, officials, employees, agents, and volunteers are to be covered as additional insureds on the commercial general liability policy with respect to liability arising out of work or operations performed by or on behalf of the CONTRACTOR including materials, parts, or equipment furnished in connection with such work or operations. General liability coverage shall be provided in the form of an endorsement to the CONTRACTOR's insurance (at least as broad as ISO Form CG 20 10 11 85 or if not available, through the addition of both CG 20 10, CG 20 26, CG 20 33, or CG 20 38, and CG 20 37 if a later edition is used).

Primary Coverage: For any claims related to this contract, the CONTRACTOR's insurance coverage shall be primary and non-contributory and at least as broad as ISO CG 20 01 04 13 as respects the County, its officers, officials, employees, agents, and volunteers. Any insurance or self-insurance maintained by the County, its officers, officials, employees, agents, or volunteers shall be excess of the CONTRACTOR's insurance and shall not contribute with it. This requirement shall also apply to any Excess or Umbrella liability policies.

Workers' Compensation Waiver of Subrogation: The workers' compensation policy required hereunder shall be endorsed to state that the workers' compensation carrier waives its right of subrogation against County, its officers, officials, employees, agents, or volunteers, which might arise by reason of payment under such policy in connection with performance under this Agreement by CONTRACTOR. Should CONTRACTOR be self-insured for workers' compensation, CONTRACTOR hereby agrees to waive its right of subrogation against County, its officers, officials, employees, agents, or volunteers.

Prior to the execution of this Agreement by the County, CONTRACTOR shall file certificates of insurance and endorsements with the County's Contract Administrator and County's Contracts/Purchasing Division, showing that the CONTRACTOR has in effect the insurance required by this Agreement. The CONTRACTOR shall file a new or amended certificate of insurance within five (5) calendar days after any change is made to any insurance policy, which would alter the information on the certificate then on file. Acceptance or approval of insurance shall in no way modify or change the indemnification clause in this Agreement, which shall continue in full force and effect. CONTRACTOR shall always during the term of this Agreement maintain in force the insurance coverage required under this Agreement and shall send, without

demand by the County, annual certificates to the County's Contract Administrator and the County's Contracts/Purchasing Division. If the certificate is not received by the expiration date, County shall notify CONTRACTOR and CONTRACTOR shall have five (5) calendar days to send in the certificate, evidencing no lapse in coverage during the interim. Failure by CONTRACTOR to maintain such insurance is a default of this Agreement, which entitles the County, at its sole discretion, to terminate this Agreement immediately.

9. Amend Section 10.0, "RECORDS AND CONFIDENTIALITY," to add Paragraph 10.06, "Format of Deliverables," to read as follows:

For this section, "Deliverables" shall mean all electronic documents CONTRACTOR provides to the County under this Agreement. CONTRACTOR shall ensure all Deliverables comply with the requirements of the Web Content Accessibility Guidelines ("WCAG") 2.1, pursuant to the Americans with Disabilities Act ("ADA"). CONTRACTOR bears the burden to deliver Deliverables, such as Adobe Acrobat Portable Document Forman ("PDF") and Microsoft Office files, complying with WCAG 2.1. CONTRACTOR shall defend and indemnify the County against any breach of this Section. This Section shall survive the termination of the Agreement. Find more on Accessibility at this State website: https://webstandards.ca.gov/accessibility.

10. Amend Section 10.0, "RECORDS AND CONFIDENTIALITY," to strike Paragraph 10.06, "Format of Deliverables," as inapplicable and to read as follows:

Initial 5/6/2025

11. Amend Section 11.0, "NON-DISCRIMINATION," to replace Paragraph 11.01 in its entirety to read as follows:

During the performance of this Agreement, CONTRACTOR, and its subcontractors, shall not unlawfully discriminate against any person because of race, religious creed, color, sex, national origin, ancestry, physical disability, mental disability, medical condition, marital status, age (over 40), sexual orientation, or any other characteristic set forth in California Government code § 12940(a), either in CONTRACTOR's employment practices or in the furnishing of services to recipients. CONTRACTOR shall ensure that the evaluation and treatment of its employees and applicants for employment and all persons receiving and requesting services are free of such discrimination. CONTRACTOR and any subcontractor shall, in the performance of this Agreement, fully comply with all federal, state, and local laws and regulations which prohibit discrimination. The provision of services primarily or exclusively to such target population as may be designated in this Agreement shall not be deemed to be prohibited discrimination.

12. Replace Section 13.0, "INDEPENDENT CONTRACTOR," in its entirety, to read as follows:

Docusign Envelope ID: E7C6696E-505E-4599-89AA-5D36DCAA23D4

In the performance of work, duties, and obligations under this Agreement, CONTRACTOR is always acting and performing as an independent contractor and not as an employee of the County. No offer or obligation of permanent employment with the County or County department or agency is intended in any manner, and CONTRACTOR shall not become entitled by virtue of this Agreement to receive from County any form of employee benefits including but not limited to sick leave, vacation, retirement benefits, workers' compensation coverage, insurance or disability benefits. CONTRACTOR shall be solely liable for and obligated to pay directly all applicable taxes, including federal and state income taxes and social security, arising out of CONTRACTOR's performance of this Agreement. In connection therewith, CONTRACTOR shall defend, indemnify, and hold County harmless from any and all liability which County may incur because of CONTRACTOR's failure to pay such taxes.

13. Amend Section 15.0, "MISCELLANEOUS PROVISIONS," to remove in its entirety subsection 15.08, "Compliance with Applicable Law."

14. Amend Section 15.0, "MISCELLANEOUS PROVISIONS," to renumber 15.09, "Headings," to 15.08.

15. Amend Section 15.0, "MISCELLANEOUS PROVISIONS," to renumber 15.10, "Time is of the Essence" to 15.09.

16. Amend Section 15.0, "MISCELLANEOUS PROVISIONS," to renumber 15.11, "Governing Law," to 15.10 and amend the paragraph to read as follows:

Governing Law: This Agreement shall be governed by and interpreted under the laws of the State of California; venue shall be Monterey County.

17. Amend Section 15.0, "MISCELLANEOUS PROVISIONS," to renumber 15.12, "Non-exclusive Agreement," to 15.11.

18. Amend Section 15.0, "MISCELLANEOUS PROVISIONS," to renumber 15.13, "Construction of Agreement," to 15.12.

19. Amend Section 15.0, "MISCELLANEOUS PROVISIONS," to renumber 15.14, "Counterparts," to 15.13.

20. Amend Section 15.0, "MISCELLANEOUS PROVISIONS," to renumber 15.15, "Authority," to 15.14.

21. Amend Section 15.0, "MISCELLANEOUS PROVISIONS," to renumber 15.16, "Integration," to 15.15.

22. Amend Section 15.0, "MISCELLANEOUS PROVISIONS," to renumber 15.17, "Interpretation of Conflicting Provisions," to 15.16.

23. Amend Agreement to add Section 16.0, "COMPLIANCE WITH APPLICABLE LAWS," to read as follows:

16.01 CONTRACTOR shall keep itself informed of and in compliance with all federal, state, and local laws, ordinances, regulations, and orders, including but not limited to all state and

Docusign Envelope ID: E7C6696E-505E-4599-89AA-5D36DCAA23D4

federal tax laws that may affect in any manner the Project or the performance of the Services or those engaged to perform Services under this AGREEMENT as well as any privacy laws including, if applicable, HIPAA. CONTRACTOR shall procure all permits and licenses, pay all charges and fees, and give all notices require by law in the performance of the Services.

16.02 CONTRACTOR shall report immediately to County's Contracts/Purchasing Officer, in writing, any discrepancy or inconsistency it discovers in the laws, ordinances, regulations, orders, and/or guidelines in relation to the Project of the performance of the Services.

16.03 All documentation prepared by CONTRACTOR shall provide for a completed project that conforms to all applicable codes, rules, regulations, and guidelines that are in force at the time such documentation is prepared.

24. Amend Agreement to add Section 17.0, "CONSENT TO USE OF ELECTRONIC SIGNATURES," to read as follows:

17.01 The parties to this Agreement consent to the use of electronic signatures via DocuSign to execute this Agreement. The parties understand and agree that the legality of electronic signatures is governed by state and federal law, 15 U.S.C. Section 7001 et seq.; California Government Code Section 16.5; and, California Civil Code Section 1633.1 *et. seq.* Pursuant to said state and federal law as may be amended from time to time, the parties to this Agreement hereby authenticate and execute this Agreement, and any and all Exhibits to this Agreement, with their respective electronic signatures, including any and all scanned signatures in portable document format (PDF).

17.02 **Counterparts.**
The parties to this Agreement understand and agree that this Agreement can be executed in two (2) or more counterparts and transmitted electronically via facsimile transmission or by delivery of a scanned counterpart in portable document format (PDF) via email transmittal.

17.03 **Form: Delivery by E-Mail or Facsimile.**
Executed counterparts of this Agreement may be delivered by facsimile transmission or by delivery of a scanned counterpart in portable document format (PDF) by e-mail transmittal, in either case with delivery confirmed. On such confirmed delivery, the signatures in the facsimile or PDF data file shall be deemed to have the same force and effect as if the manually signed counterpart or counterparts had been delivered to the other party in person.

25. All other terms and conditions of the Agreement, including all Exhibits thereto, remain unchanged and in full force.

26. This Amendment No. 5 and all previous amendments shall be attached to the Agreement and incorporated therein as if fully set forth in the Agreement.

Exhibit C	Modification to Agreement Provisions

5.0 PERFORMANCE STANDARDS.

5.01 CONTRACTOR warrants that CONTRACTOR and CONTRACTOR's agents, employees, and subcontractors performing services under this Agreement are specially trained, experienced, competent, and appropriately licensed to perform the work and deliver the services required under this Agreement and are not employees of the County, or immediate family of an employee of the County.

5.02 CONTRACTOR, its agents, employees, and subcontractors shall perform all work in a safe and skillful manner and in compliance with all applicable laws and regulations. All work performed under this Agreement that is required by law to be performed or supervised by licensed personnel shall be performed in accordance with such licensing requirements.

5.03 CONTRACTOR shall furnish, at its own expense, all materials, equipment, and personnel necessary to carry out the terms of this Agreement, except as otherwise specified in this Agreement. CONTRACTOR shall not use County premises, property (including equipment, instruments, or supplies) or personnel for any purpose other than in the performance of its obligations under this Agreement.

6.0 PAYMENT CONDITIONS.

6.01 Prices shall remain firm for the initial term of the Agreement and, thereafter, may be adjusted annually as provided in this paragraph. The County does not guarantee any minimum or maximum amount of dollars to be spent under this Agreement.

6.02 Negotiations for rate changes shall be commenced, by CONTRACTOR, a minimum of ninety days (90) prior to the expiration of the Agreement. Rate changes are not binding unless mutually agreed upon in writing by the County and the CONTRACTOR.

6.03 Invoice amounts shall be billed directly to the ordering department.

6.04 CONTRACTOR shall submit such invoice periodically or at the completion of services, but in any event, not later than 30 days after completion of services. The invoice shall set forth the amounts claimed by CONTRACTOR for the previous period, together with an itemized basis for the amounts claimed, and such other information pertinent to the invoice. The County shall certify the invoice, either in the requested amount or in such other amount as the County approves in conformity with this Agreement, and shall promptly submit such invoice to the County Auditor-Controller for payment. The County Auditor-Controller shall pay the amount certified within 30 days of receiving the certified invoice.

7.0 TERMINATION.

7.01 ~~During the term of this Agreement, the County may terminate the Agreement for any reason by giving written notice of termination to the CONTRACTOR at least thirty (30) days prior to the effective date of termination. Such notice shall set forth the effective date of termination. In the event of such termination, the amount payable under this Agreement shall be reduced in proportion to the services provided prior to the date of termination.~~

(Contractors Initials) 06/14/19 (Date)

7.02 The County may cancel and terminate this Agreement for good cause effective immediately upon written notice to CONTRACTOR. "Good cause" includes the failure of CONTRACTOR to perform the required services at the time and in the manner provided under this Agreement. If County terminates this Agreement for good cause, the County may be relieved of the payment of any consideration to CONTRACTOR, and the County may proceed with the work in any manner, which County deems proper. The cost to the County shall be deducted from any sum due the CONTRACTOR under this Agreement.

06/14/19 (Date)
(Contractors' Initials)

7.03 The County's payments to CONTRACTOR under this Agreement are funded by local, state and federal governments. If funds from local, state and federal sources are not obtained and continued at a level sufficient to allow for the County's purchase of the indicated quantity of services, then the County may give written notice of this fact to CONTRACTOR, and the obligations of the parties under this Agreement shall terminate immediately, or on such date thereafter, as the County may specify in its notice, unless in the meanwhile the parties enter into a written amendment modifying this Agreement.

8.0 INDEMNIFICATION.

8.01 CONTRACTOR shall indemnify, defend, and hold harmless the County, its officers, agents, and employees, from and against any and all claims, liabilities, and losses whatsoever (including damages to property and injuries to or death of persons, court costs, and reasonable attorneys' fees) occurring or resulting to any and all persons, firms or corporations furnishing or supplying work, services, materials, or supplies in connection with the performance of this Agreement, and from any and all claims, liabilities, and losses occurring or resulting to any person, firm, or corporation for damage, injury, or death arising out of or connected with the CONTRACTOR's performance of this Agreement, unless such claims, liabilities, or losses arise out of the sole negligence or willful misconduct of the County. "CONTRACTOR's performance" includes CONTRACTOR's action or inaction and the action or inaction of CONTRACTOR's officers, employees, agents and subcontractors.

9.0 INSURANCE REQUIREMENTS.

9.01 Evidence of Coverage:
Prior to commencement of this Agreement, the Contractor shall provide a "Certificate of Insurance" certifying that coverage as required herein has been obtained. Individual endorsements executed by the insurance carrier shall accompany the certificate. In addition, the Contractor upon request shall provide a certified copy of the policy or policies.

This verification of coverage shall be sent to the County's Contracts/Purchasing Department, unless otherwise directed. The Contractor shall not receive a "Notice to Proceed" with the work under this Agreement until it has obtained all insurance required and the County has approved such insurance. This approval of insurance shall neither relieve nor decrease the liability of the Contractor.

9.02 Qualifying Insurers:
All coverage's, except surety, shall be issued by companies which hold a current policy holder's alphabetic and financial size category rating of not less than A- VII, according to

the current Best's Key Rating Guide or a company of equal financial stability that is approved by the County's Purchasing Manager.

9.03 Insurance Coverage Requirements: Without limiting CONTRACTOR's duty to indemnify, CONTRACTOR shall maintain in effect throughout the term of this Agreement a policy or policies of insurance with the following minimum limits of liability:

Commercial General Liability Insurance, including but not limited to premises and operations, including coverage for Bodily Injury and Property Damage, Personal Injury, Contractual Liability, Broad form Property Damage, Independent Contractors, Products and Completed Operations, with a combined single limit for Bodily Injury and Property Damage of not less than $1,000,000 per occurrence.

(Note: any proposed modifications to these general liability insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in blue ink. All proposed modifications are subject to County approval.)

Business Automobile Liability Insurance, covering all motor vehicles, including owned, leased, non-owned, and hired vehicles, used in providing services under this Agreement, with a combined single limit for Bodily Injury and Property Damage of not less than $1,000,000 per occurrence.

(Note: any proposed modifications to these auto insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in blue ink. All proposed modifications are subject to County approval.)

Workers' Compensation Insurance, if CONTRACTOR employs others in the performance of this Agreement, in accordance with California Labor Code section 3700 and with Employer's Liability limits not less than $1,000,000 each person, $1,000,000 each accident and $1,000,000 each disease.

(Note: any proposed modifications to these workers' compensation insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in blue ink. All proposed modifications are subject to County approval.)

Professional Liability Insurance, if required for the professional services being provided, (e.g., those persons authorized by a license to engage in a business or profession regulated by the California Business and Professions Code), in the amount of not less than $1,000,000 per claim and $2,000,000 in the aggregate, to cover liability for malpractice or errors or omissions made in the course of rendering professional services. If professional liability insurance is written on a "claims-made" basis rather than an occurrence basis, the CONTRACTOR shall, upon the expiration or earlier termination of this Agreement, obtain extended reporting coverage ("tail coverage") with the same liability limits. Any such tail coverage shall continue for at least three years following the expiration or earlier termination of this Agreement.

(Note: any proposed modifications to these insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in blue ink. All proposed modifications are subject to County approval.)

9.04 Other Requirements:

All insurance required by this Agreement shall be with a company acceptable to the County and issued and executed by an admitted insurer authorized to transact Insurance business in the State of California. Unless otherwise specified by this Agreement, all such insurance shall be written on an occurrence basis, or, if the policy is not written on an occurrence basis, such policy with the coverage required herein shall continue in effect for a period of three years following the date CONTRACTOR completes its performance of services under this Agreement.

Each liability policy shall provide that the County shall be given notice in writing at least thirty days in advance of any endorsed reduction in coverage or limit, cancellation, or intended non-renewal thereof. Each policy shall provide coverage for Contractor and additional insureds with respect to claims arising from each subcontractor, if any, performing work under this Agreement, or be accompanied by a certificate of insurance from each subcontractor showing each subcontractor has identical insurance coverage to the above requirements.

Commercial general liability and automobile liability policies shall provide an endorsement naming the County of Monterey, its officers, agents, and employees as Additional Insureds with respect to liability arising out of the CONTRACTOR'S work, including ongoing and completed operations, **and shall further provide that such insurance is primary insurance to any insurance or self-insurance maintained by the County and that the insurance of the Additional Insureds shall not be called upon to contribute to a loss covered by the CONTRACTOR'S insurance.** The required endorsement form for Commercial General Liability Additional Insured is ISO Form CG 20 10 11-85 or CG 20 10 10 01 in tandem with CG 20 37 10 01 (2000). The required endorsement form for Automobile Additional Insured endorsement is ISO Form CA 20 48 02 99.

Prior to the execution of this Agreement by the County, CONTRACTOR shall file certificates of insurance with the County's contract administrator and County's Contracts/Purchasing Division, showing that the CONTRACTOR has in effect the insurance required by this Agreement. The CONTRACTOR shall file a new or amended certificate of insurance within five calendar days after any change is made in any insurance policy, which would alter the information on the certificate then on file. Acceptance or approval of insurance shall in no way modify or change the indemnification clause in this Agreement, which shall continue in full force and effect.

CONTRACTOR shall at all times during the term of this Agreement maintain in force the insurance coverage required under this Agreement and shall send, without demand by County, annual certificates to County's Contract Administrator and County's Contracts/Purchasing Division. If the certificate is not received by the expiration date, County shall notify CONTRACTOR and CONTRACTOR shall have five calendar days to send in the certificate, evidencing no lapse in coverage during the interim. Failure by CONTRACTOR to maintain such insurance is a default of this Agreement, which entitles County, at its sole discretion, to terminate this Agreement immediately.

10.0 RECORDS AND CONFIDENTIALITY.

10.01 Confidentiality. CONTRACTOR and its officers, employees, agents, and subcontractors shall comply with any and all federal, state, and local laws, which provide for the confidentiality of records and other information. CONTRACTOR shall not disclose any confidential records or other confidential information received from the County or prepared in connection with the performance of this Agreement, unless County specifically permits CONTRACTOR to disclose such records or information. CONTRACTOR shall promptly transmit to County any and all requests for disclosure of any such confidential records or information. CONTRACTOR shall not use any confidential information gained by CONTRACTOR in the performance of this Agreement except for the sole purpose of carrying out CONTRACTOR's obligations under this Agreement.

10.02 County Records. When this Agreement expires or terminates, CONTRACTOR shall return to County any County records which CONTRACTOR used or received from County to perform services under this Agreement.

10.03 Maintenance of Records. CONTRACTOR shall prepare, maintain, and preserve all reports and records that may be required by federal, state, and County rules and regulations related to services performed under this Agreement. CONTRACTOR shall maintain such records for a period of at least three years after receipt of final payment under this Agreement. If any litigation, claim, negotiation, audit exception, or other action relating to this Agreement is pending at the end of the three year period, then CONTRACTOR shall retain said records until such action is resolved.

10.04 Access to and Audit of Records. The County shall have the right to examine, monitor and audit all records, documents, conditions, and activities of the CONTRACTOR and its subcontractors related to services provided under this Agreement. Pursuant to Government Code section 8546.7, if this Agreement involves the expenditure of public funds in excess of $10,000, the parties to this Agreement may be subject, at the request of the County or as part of any audit of the County, to the examination and audit of the State Auditor pertaining to matters connected with the performance of this Agreement for a period of three years after final payment under the Agreement.

10.05 ~~Royalties and Inventions.~~ County shall have a royalty-free, exclusive and ~~irrevocable~~ license to ~~reproduce~~, publish, and use, and authorize others to ~~do so~~, all original computer programs, writings, sound ~~recordings, pictorial reproductions~~, drawings, and other works of similar nature ~~produced in~~ the course of or ~~under this~~ Agreement. CONTRACTOR shall not ~~publish~~ any such material without the prior written approval of ~~County~~.

11.0 NON-DISCRIMINATION.

(Contractors' Initials) 06/14/19 (Date)

11.01 During the performance of this Agreement, CONTRACTOR, and its subcontractors, shall not unlawfully discriminate against any person because of race, religious creed, color, sex, national origin, ancestry, physical disability, mental disability, medical condition, marital status, age (over 40), or sexual orientation, either in CONTRACTOR's employment practices or in the furnishing of services to recipients. CONTRACTOR shall ensure that the evaluation and treatment of its employees and applicants for employment and all persons receiving and requesting services are free of such discrimination. CONTRACTOR and any subcontractor shall, in the performance of this Agreement, fully comply with all federal,

state, and local laws and regulations which prohibit discrimination. The provision of services primarily or exclusively to such target population as may be designated in this Agreement shall not be deemed to be prohibited discrimination.

12.0 COMPLIANCE WITH TERMS OF STATE OR FEDERAL GRANTS.

12.01 If this Agreement has been or will be funded with monies received by the County pursuant to a contract with the state or federal government in which the County is the grantee, CONTRACTOR will comply with all the provisions of said contract, to the extent applicable to CONTRACTOR as a subgrantee under said contract, and said provisions shall be deemed a part of this Agreement, as though fully set forth herein. Upon request, County will deliver a copy of said contract to CONTRACTOR, at no cost to CONTRACTOR.

13.0 INDEPENDENT CONTRACTOR.

13.01 In the performance of work, duties, and obligations under this Agreement, CONTRACTOR is at all times acting and performing as an independent contractor and not as an employee of the County. No offer or obligation of permanent employment with the County or particular County department or agency is intended in any manner, and CONTRACTOR shall not become entitled by virtue of this Agreement to receive from County any form of employee benefits including but not limited to sick leave, vacation, retirement benefits, workers' compensation coverage, insurance or disability benefits. CONTRACTOR shall be solely liable for and obligated to pay directly all applicable taxes, including federal and state income taxes and social security, arising out of CONTRACTOR's performance of this Agreement. In connection therewith, CONTRACTOR shall defend, indemnify, and hold County harmless from any and all liability which County may incur because of CONTRACTOR's failure to pay such taxes.

14.0 NOTICES.

14.01 Notices required under this Agreement shall be delivered personally or by first-class, postage pre-paid mail to the County and CONTRACTOR'S contract administrators at the addresses listed below:

15.0 MISCELLANEOUS PROVISIONS.

15.01 Conflict of Interest. CONTRACTOR represents that it presently has no interest and agrees not to acquire any interest during the term of this Agreement, which would directly, or indirectly conflict in any manner or to any degree with the full and complete performance of the services required to be rendered under this Agreement.

15.02 Amendment. This Agreement may be amended or modified only by an instrument in writing signed by the County and the CONTRACTOR.

15.03 Waiver. Any waiver of any terms and conditions of this Agreement must be in writing and signed by the County and the CONTRACTOR. A waiver of any of the terms and conditions of this Agreement shall not be construed as a waiver of any other terms or conditions in this Agreement.

15.04 Contractor. The term "CONTRACTOR" as used in this Agreement includes CONTRACTOR's officers, agents, and employees acting on CONTRACTOR's behalf in the performance of this Agreement.

15.05 Disputes. CONTRACTOR shall continue to perform under this Agreement during any dispute.

15.06 Assignment and Subcontracting. The CONTRACTOR shall not assign, sell, or otherwise transfer its interest or obligations in this Agreement without the prior written consent of the County. None of the services covered by this Agreement shall be subcontracted without the prior written approval of the County. Notwithstanding any such subcontract, CONTRACTOR shall continue to be liable for the performance of all requirements of this Agreement.

Please refer to Exhibit C of Agreement.

15.07 Successors and Assigns. This Agreement and the rights, privileges, duties, and obligations of the County and CONTRACTOR under this Agreement, to the extent assignable or delegable, shall be binding upon and inure to the benefit of the parties and their respective successors, permitted assigns, and heirs.

15.08 Compliance with Applicable Law. The parties shall comply with all applicable federal, state, and local laws and regulations in performing this Agreement.

15.09 Headings. The headings are for convenience only and shall not be used to interpret the terms of this Agreement.

15.10 Time is of the Essence. Time is of the essence in each and all of the provisions of this Agreement.

15.11 Governing Law. This Agreement shall be governed by and interpreted under the laws of the State of California.

15.12 Non-exclusive Agreement. This Agreement is non-exclusive and both County and CONTRACTOR expressly reserve the right to contract with other entities for the same or similar services.

15.13 Construction of Agreement. The County and CONTRACTOR agree that each party has fully participated in the review and revision of this Agreement and that any rule of construction to the effect that ambiguities are to be resolved against the drafting party shall not apply in the interpretation of this Agreement or any amendment to this Agreement.

15.14 Counterparts. This Agreement may be executed in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same Agreement.

15.15 Authority. Any individual executing this Agreement on behalf of the County or the CONTRACTOR represents and warrants hereby that he or she has the requisite authority to enter into this Agreement on behalf of such party and bind the party to the terms and conditions of this Agreement.

15.16 Integration. This Agreement, including the exhibits, represent the entire Agreement between the County and the CONTRACTOR with respect to the subject matter of this Agreement and shall supersede all prior negotiations, representations, or agreements, either written or oral, between the County and the CONTRACTOR as of the effective date of this Agreement, which is the date that the County signs the Agreement.

15.17 Interpretation of Conflicting Provisions. In the event of any conflict or inconsistency between the provisions of this Agreement and the Provisions of any exhibit or other attachment to this Agreement, the provisions of this Agreement shall prevail and control.

EXHIBIT A – SCOPE OF SERVICES/PAYMENT PROVISIONS

To Agreement by and between
County of Monterey, hereinafter referred to as "County"
and
Accela, Inc., hereinafter referred to as "CONTRACTOR"

County and CONTRACTOR, together, are referred to as the "Parties" and each individually as a "Party."

1. DEFINITIONS

1.1 "**Account**" means a unique account established by County to enable its Authorized Users to access and use the Subscription Services, hereinafter, "Services".

1.2 "**Authorized User**" means one (1) individual natural person, authorized by County to use the Services and for whom County has purchased a subscription to the Services. Authorized Users may include but are not limited to County's employees, contractors and agents. Each Authorized User will be associated with a single, unique email address for purposes of accessing (and being identified within) the Services.

1.3 "**County Data**" means any and all content, eDocuments, materials, data and information that County, its Authorized Users, or other end users enter into the Services including but not limited to, personal information, information exchanged between County and Authorized User or Authorized User and a third party using the Services, information used to identify account names or numbers, routing information, usernames, passwords, access codes and prompts. County Data does not include any component of the Services or material provided by or on behalf of CONTRACTOR.

1.4 "**County**" means the entity that purchases a subscription to the Services, directly from CONTRACTOR or through an authorized reseller, distributor, or other channel partner of CONTRACTOR.

1.5 "**Intellectual Property Rights**" means patent rights (including, without limitation, patent applications and disclosures), copyrights, trade secrets, know-how, and any other intellectual property rights recognized in any country or jurisdiction in the world.

1.6 "**Optional Subscription Services**" mean the optional add-ons to the Services that may be available for purchase either directly from CONTRACTOR or through an authorized reseller or partner of CONTRACTOR, as more particularly described or identified in this Exhibit A.

1.7 "**Services Order Form**" means written orders provided by CONTRACTOR that sets forth the pricing and options of the services (or, where applicable, to purchase Optional Subscription Services).

1.8 "**Services**" or "**services**" means the cloud-based network security service(s) for which County has obtained a subscription either directly from CONTRACTOR or through an authorized reseller or other partner of CONTRACTOR. Unless otherwise specified herein or other applicable contractual terms, all references to "Services" or "services" will be deemed to include any and all Optional Services which have been authorized by County.

1.9 "**Software**" means any software (including County software for Authorized Users' devices) that CONTRACTOR makes available for download or otherwise provides for use with the services.

1.10 "**Specifications**" means the online specifications for the Services, as made available by CONTRACTOR at https://accela.box.com/SoftwareSpecs (which URL location and content may be updated from time to time by CONTRACTOR).

1.11 "**Subscription Period(s)**" means the duration of County and Authorized User's active, paid access to the Services, as designated in this Exhibit A.

1.12 **"Supported Modification"** means a configuration of or modification to the Services requested by County that can be consistently supported by CONTRACTOR, does not require direct database changes and is capable of being tested and maintained by CONTRACTOR.

2. **USAGE AND ACCESS RIGHTS**

2.1 Right to Access. CONTRACTOR hereby grants to County a limited, non-exclusive, non-transferrable right to (a) access and use the Services and (b) implement, configure and permit its Authorized Users to access and use the Services during the Subscription Period, solely for its affiliates' internal business purposes, and in accordance with the Specifications in this Agreement. County may purchase additional services by amending this Agreement. Amendments to the Agreement will be deemed accepted by CONTRACTOR unless and until CONTRACTOR accepts such amendment to the Agreement in writing. Upon execution of the amendment to the Agreement acceptance and subject to County's payment of the corresponding services fees, CONTRACTOR will make the services available to County. Any terms and conditions contained in any quote, invoice, purchase order or amendment that are inconsistent with the terms and conditions of this Agreement will be deemed stricken, unless expressly agreed to in writing by CONTRACTOR with explicit reference to the accepted terms and conditions. Upon acceptance of an amendment to the Agreement, it will become part of this Agreement. County will ensure that all its Authorized Users using the Services under its Account comply with all of County's obligations under this Agreement, and County is responsible for their acts and omissions relating to the Agreement as though they were those of County.

2.2 Restrictions on Use. County shall not, and shall not permit others to, do the following with respect to the services:

2.2.1 Make the services available to anyone other than Authorized Users;

2.2.2 Use the services, or allow access to the services, in a manner that circumvents contractual usage restrictions or that exceeds County's authorized use or usage metrics as set forth in this Agreement, including Exhibit A to this Agreement;

2.2.3 License, sub-license, sell re-sell, rent, lease, transfer, distribute or time share or otherwise make any portion of the services available for access by third parties except as otherwise expressly provided in this Agreement or with the express permission of CONTRACTOR;

2.2.4 Use the services in a way that (i) violates or infringes upon the rights of a third party, including those pertaining to: Agreement, intellectual property, privacy, or publicity; or (ii) effects or facilitates the storage or transmission of libelous, tortious, or otherwise unlawful material including, but not limited to, material that is harassing, threatening, or obscene;

2.2.5 Access or use the services for the purpose of developing or operating products or services intended to be offered to third parties in competition with the services or allow access by a direct competitor of services;

2.2.6 Obtain intellectual property rights to the use of any component of the services [inclusive of Application Programming Interface (APIs)];

2.2.7 Create derivative works based on the services;

2.2.8 Reverse engineer, decompile, disassemble, copy, or otherwise attempt to derive source code or other trade secrets from or about any of the services or technologies, other than copying or framing on County's own intranets or otherwise for County's internal business purposes in accordance with CONTRACTOR's applicable documentation;

2.2.9 Interfere with or disrupt the integrity, operation, or performance of the Services or interfere with the use or enjoyment by others by, among other things, using the services to create, use, send, store, or run viruses or other harmful computer code, files, scripts, agents, or other programs or circumvent or disclose the user authentication or security of the services or any host, network, or account related thereto or use any aspect of the services components other than those specifically identified in the Agreement, even if technically possible. CONTRACTOR assumes no responsibility for any fraudulent or unauthorized use of the Software or any portion of the services.

2.2.10 Use or allow the use of, the services by anyone located in, under the control of, or that is a national or resident of a United States (US) embargoed country or territory or by a prohibited end user under Export Control Laws (as defined in Section 12.3, Compliance with Laws).

2.3 Data Usage and Storage. The services are provided with a limit of two point five tera bites (2.5TB) of data storage for all cloud environments. Additional storage can be purchased from CONTRACTOR by County in blocks of five hundred gigabytes (500GB), with a price of one thousand dollars ($1,000) per year. If the services are nearing expiration or are otherwise terminated, CONTRACTOR will initiate its data retention processes, including the deletion of County Data from systems directly controlled by CONTRACTOR. CONTRACTOR's Data Storage Policy can be accessed at: https://accela.box.com/v/DataStoragePolicy (which URL location and content may be updated from time to time by CONTRACTOR). This purchase is considered an "optional service" which shall not be provided unless authorized in writing via an executed amendment to the Agreement by the County prior to the purchase of the "optional service".

2.4 CONTRACTOR's Responsibilities. CONTRACTOR will: (i) make the services available to County pursuant to this Agreement and any applicable amendments; (ii) provide to County support related to the services in accordance with the CONTRACTOR Support Terms accessible at https://accela.box.com/SaaSSupportPolicy (which URL location and content may be updated from time to time by CONTRACTOR); and (iii) provide the services only in accordance with applicable laws and government regulations.

2.5 County's Responsibilities. County will (i) be responsible for meeting CONTRACTOR's applicable minimum system requirements for use of the services; (ii) be responsible for Authorized Users' compliance with this Agreement and for any other activity (whether or not authorized by County) occurring under County's account, (iii) be solely responsible for the accuracy, quality, integrity and legality of County Data, (iv) use commercially reasonable efforts to prevent unauthorized access to or use of the services under County's account, and notify CONTRACTOR promptly of any such unauthorized access or use, and (v) use the services only in accordance with the applicable documentation, laws and government regulations, and any written instructions provided by CONTRACTOR to County.

3. PAYMENT TERMS.

3.1 Invoicing and Payment. CONTRACTOR will invoice County in advance for the annual services. Service fees are due upon invoice and payable by County within thirty (30) days of receiving the certified invoice. Service fees will be due no later than the first day of each Subscription Period to which the payment relates. If County orders additional Authorized User quantities part-way through an existing Subscription Period, and the initial Subscription Period for the additional quantity is adjusted as described herein, then the service fee for such additional quantity will be pro-rated accordingly. Optional services will be due at the same time as payment for the corresponding services, or (if applicable) as otherwise specified in the applicable Agreement or amendment or governing terms. Service fees will be subject to an automatic annual increase by not more than seven percent (7%) of the prior year's service fees ("Uplift"). County is responsible for keeping CONTRACTOR accurately and fully informed of County's billing and contact information, including providing any Delivery Order (DO) numbers in advance of invoice issuance. Upon execution by the Parties, the Agreement and each of the amendments to the Agreement are non-cancellable and non-refundable except as provided in this Agreement.

3.2 Requirement for DO. CONTRACTOR has the right to issue an invoice and collect payment however, that if County's procurement procedure requires a DO number on a pertinent invoice, the DO is required to be provided to CONTRACTOR. If County issues a DO to CONTRACTOR, then DO shall be for the full amount set forth in the DO, and CONTRACTOR hereby rejects any additional or conflicting terms appearing in a DO or any other ordering materials submitted by County.

3.3 Suspension of Service. If any amount owing by County under this Agreement for any Subscription Services is ninety (90) days delinquent, CONTRACTOR may, in its sole discretion, temporarily cease providing County with Services and/or any pertinent support until past due amounts are paid in full.

3.4 Taxes. Service fees do not include any taxes, levies, duties or similar governmental assessments of any nature, including but not limited to value-added, sales, use or withholding taxes, assessable by any local, state, provincial, federal or foreign jurisdiction (collectively, "**Taxes**"). County is responsible for paying all Taxes. If CONTRACTOR has the legal obligation to pay or collect Taxes for which County is responsible under this paragraph, the appropriate amount will be invoiced to and paid by County directly to the jurisdiction, unless County provides CONTRACTOR with a valid tax exemption certificate

authorized by the appropriate taxing authority prior to invoice issuance. For clarity, CONTRACTOR is solely responsible for taxes assessable against CONTRACTOR based on CONTRACTOR's income, property and employees.

4. **CONFIDENTIALITY**

4.1 **Definition.** As used herein, **"Confidential Information"** means all confidential information disclosed by a party (**"Disclosing Party"**) to the other party (**"Receiving Party"**), whether orally or in writing, that is designated as confidential or that reasonably should be understood to be confidential given the nature of the information and the circumstances of disclosure. However, Confidential Information will not include any information that (i) is or becomes generally known to the Public without breach of any obligation owed to the Disclosing Party, (ii) was known to the Receiving prior to its disclosure by the Disclosing Party without breach of any obligation owed to the Disclosing Party, (iii) is received from a third party without breach of any obligation owed to the Disclosing Party, or (iv) was independently developed by the Receiving Party.

4.2 **Protection and Compelled Disclosure**. Except as otherwise permitted in writing by the Disclosing Party and subject to the other terms of this Agreement (including Accela, Inc.'s Privacy Policy, accessible at https://accela.box.com/v/PrivacyPolicyv1, attached as Exhibit B and incorporated as part of this Agreement, which may be updated from time to time by CONTRACTOR upon prior written notice to County, any such changes shall not materially diminish or denigrate the Service;

i. the Receiving Party shall use the same degree of care that it uses to protect the confidentiality of its own confidential information of like kind (but in no event less than reasonable care) not to disclose or use any Confidential Information of the Disclosing Party for any purpose outside the scope of this Agreement, and

ii. the Receiving Party shall limit access to Confidential Information of the Disclosing Party to those of its employees, contractors and agents who need such access for purposes consistent with this Agreement and who are legally bound to protect such Confidential Information consistent with this Agreement. Notwithstanding any of the above to the contrary, the Parties acknowledge that County is a California Public Agency subject to the Brown Act, California Government Code sections 54950 et seq., and Public Records Act, California Government Code section 6250 et seq., and that this Agreement and any future amendments hereto will be presented to the Monterey County Board of Supervisors at an open and public meeting for approval, and will be available to the Public for viewing and/or download on County's website and otherwise considered a Public record pursuant to California Government Code sections 6250 et seq. and 54957.5. Except as herein provided, County shall promptly notify CONTRACTOR in the event that any third party not bound by this Agreement requests or seeks to discover, pursuant to the California Public Records Act, subpoena, or other compulsory process, or otherwise, information or material concerning any CONTRACTOR products or services. Within the time period provided by law for responding to the request or discovery, CONTRACTOR shall inform County whether the requested documents, information, or materials constitute trade secrets (as defined under California law or is otherwise legally exempt from disclosure) ("Accela Protected Information"). If CONTRACTOR informs County that the requested documents, information, or materials constitute trade secrets (as defined under California law) or is otherwise legally exempt from disclosure, County shall not disclose the Accela Protected Information unless otherwise directed by a court of competent jurisdiction. CONTRACTOR shall indemnify, defend, and hold County harmless and, at County's request, CONTRACTOR shall provide counsel to appear and represent County at CONTRACTOR's sole cost and expense, in connection with any action or proceeding to compel inspection, access, disclosure, release, or other discovery of Accela Protected Information. Counsel for County in any such defense action or proceeding shall be selected by CONTRACTOR, subject to the approval of County, which approval shall not be unreasonably conditioned or withheld. CONTRACTOR's obligation to provide such defense includes the obligation to indemnify and hold harmless County, its officers, agents, and employees from and against any and all claims, costs, damages, judgments, awards (including any award of costs or attorney's fees), administrative orders, or payments in compromise and settlement, and including all direct and administrative costs, with respect to any such action or proceeding.

5. OWNERSHIP

5.1 Services. Subject to the limited rights expressly granted hereunder, CONTRACTOR reserves all rights, title and interest in and to the services, derivative works thereof, and any associated Software and documentation, including all related Intellectual Property Rights.

5.2 County Data. County reserves all its rights, title and interest in and to the County Data. No rights are granted to CONTRACTOR hereunder with respect to the County Data, except that CONTRACTOR may (i) store, copy, process, and transmit such County Data for purposes of providing the services to County and (ii) otherwise utilize County Data if and as permitted by the CONTRACTOR's Privacy Policy.

5.3 Feedback. County grants CONTRACTOR a royalty-free, worldwide, transferable, sub-licensable, irrevocable, perpetual license to use or incorporate into the services (or CONTRACTOR's other software or services) any suggestions, enhancement requests, recommendations, or other feedback provided by County or Authorized Users relating to the operation or features of the services.

6. WARRANTIES AND DISCLAIMERS

6.1 Specifications. Subject to the limitations set forth below, CONTRACTOR warrants that, during the Subscription Period, the services will operate in all material respects in accordance with the Specifications. As County's sole and exclusive remedy, excepting County's right to terminate this Agreement for cause pursuant to section 11.2, Termination or Suspension for Cause, and CONTRACTOR's entire liability for any breach of the foregoing warranty, CONTRACTOR shall use commercially reasonable efforts to modify the Subscription Service so that it conforms to foregoing warranty.

6.2 Service Level Commitment (SLC). During the Subscription Period, CONTRACTOR further warrants that the services will meet the performance level specified in Exhibit A. The SLC sets forth County's sole and exclusive remedy for CONTRACTOR's failure to achieve the stated services performance level.

6.3 Mutual Warranties. Each Party represents and warrants that: (a) this Agreement has been duly executed and delivered and constitutes a valid and binding agreement enforceable against it in accordance with the terms of the Agreement; and (b) no authorization or approval from any third party is required in connection with its execution, delivery, or performance of this Agreement.

6.4 Disclaimers. Except as expressly provided herein, CONTRACTOR does not make any warranties of any kind, whether express, implied, statutory or otherwise, and CONTRACTOR specifically disclaims all implied warranties, including any warranties of merchantability, non-infringement or fitness for a particular purpose, or any warranties arising out of the course of dealing or usage of trade, to the maximum extent permitted by applicable law. CONTRACTOR will not be responsible to the extent failure of the services to operate as warranted is caused by or results from: (i) any modification to the services other than a Supported Modification; (ii) combination, operation or use of the services with County's or a third party's applications, software or systems; (iii) abuse; willful misconduct or negligence by anyone other than CONTRACTOR or CONTRACTOR's designee; (iv) use of the services other than in accordance with the terms of this Agreement and/or the applicable Specifications and CONTRACTOR documentation or (v) any of the SLC Exclusions (as defined in the Subscription SLC).

6.5 Marijuana-Related Business. CONTRACTOR is considered a software service provider to its customers and not a marijuana-related business or agent thereof. In addition to the foregoing, CONTRACTOR only retains service fees in accordance with Section 3, Payment Terms, of this Exhibit A from County, a government agency, and does not retain these fees from any type of end user.

6.5.1 It is the sole responsibility of County or end user to offer state law compliant services, which may be coordinated and facilitated through the use of the services.

6.5.2 CONTRACTOR makes no representations, promises, or warranties with respect to the legality, suitability, or otherwise regarding any third-party provider, including partners, and have no responsibility or liability with respect to services provided to County by such third parties.

6.5.3 County expressly acknowledges and assumes full responsibility for cooperating with the laws of the state or country of its residency.

7. INDEMNIFICATION

7.1 **Indemnification by CONTRACTOR**. CONTRACTOR shall immediately indemnify, defend, and hold harmless (or at CONTRACTOR's option, settle) the County and its elected officials, officers, employees, and agents against any and all third-party claim, suit or action arising out of this Agreement, that the Services, as furnished by CONTRACTOR hereunder, infringes or misappropriates the Intellectual Property Rights of any third-party, and will pay any and all costs, damages and reasonable attorneys' fees. CONTRACTOR shall have no liability under this Section 7.1, Security and Other Risks, to the extent that any third-party claims described herein are determined to be solely caused by (i) any combination of the Services with products, services, methods, or other elements not furnished by CONTRACTOR; (ii) any use of the Services in a manner that violates this Agreement or the instructions given to County by CONTRACTOR; (iii) County's failure to incorporate updates or upgrades that would have avoided the alleged infringement; (iv) County's breach of this Agreement; and/or County's revisions of Services made without CONTRACTOR's written consent. THIS SECTION 7.1 STATES THE ENTIRE OBLIGATION OF CONTRACTOR AND ITS LICENSORS WITH RESPECT TO ANY ALLEGED OR ACTUAL INFRINGEMENT OR MISAPPROPRIATION OF INTELLECTUAL PROPERTY RIGHTS BY THE SERVICES.

7.2 **Indemnification Requirements.** In connection with any claim for indemnification under this Section 7, Limitations of Liability, the indemnified party must: (a) provide the indemnifying party prompt written notice of such claim; (b) reasonably cooperate with the indemnifying party, at indemnified party's expense, in defense and settlement of such claim; and (c) give sole authority to the indemnifying party to defend or settle such claim.

7.3 **Mitigation Measures.** In the event that (i) any claim or potential claim covered by Section 7.1, Indemnification by CONTRACTOR, arises or (ii) CONTRACTOR's reasonable opinion is likely to be enjoined, CONTRACTOR shall, in its discretion, seek to mitigate the impact of such claim or injunction by obtaining the right to continue providing the Services, by replacing or modifying the Services to make it non-infringing, and/or by suspending or terminating County's use of the Services with reasonable notice to County. In the case of a suspension or termination pursuant to this Section 7.3, CONTRACTOR shall refund to County a portion of fees prepaid by County for the then-current Subscription period, prorated (based on a 365 day year) to the portion of that Subscription period that is affected by the suspension or termination.

8. LIMITATIONS OF LIABILITY. NEITHER PARTY'S AGGREGATE LIABILITY FOR DAMAGES ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT OR FROM THE USE OR INABILITY TO USE THE SERVICE, WHETHER IN CONTRACT, TORT OR UNDER ANY OTHER THEORY OF LIABILITY, EXCEED THE TOTAL AMOUNT PAID BY COUNTY HEREUNDER IN THE TWELVE (12) MONTH PERIOD IMMEDIATELY PRECEDING THE INCIDENT. THIS LIMITATION DOES NOT APPLY TO CONTRACTOR'S DUTY TO INDEMNIFY COUNTY PURSUANT TO SECTION 4.2, PROTECTION AND COMPELLED DISCLOSURE, AND SECTION 7, INDEMNIFICATION, OF THIS AGREEMENT; NOR DOES IT APPLY TO CONTRACTOR'S BREACH OF WARRANTY PURSUANT TO SECTION 6.4, DISCLAIMERS, OF THIS AGREEMENT.

Exclusion of Damages. WITHOUT LIMITING OR OTHERWISE ALTERING CONTRACTOR'S DUTY TO INDEMNIFY PURSUANT TO SECTION 7, INDEMNIFICATION, OF THIS AGREEMENT, IN NO EVENT SHALL EITHER PARTY OR ANY OTHER PERSON OR ENTITY

INVOLVED IN CREATING, PRODUCING, OR DELIVERING THE SERVICE BE LIABLE FOR ANY INCIDENTAL, SPECIAL, EXEMPLARY OR CONSEQUENTIAL DAMAGES, INCLUDING LOST PROFITS, LOSS OF DATA OR LOSS OF GOODWILL, SERVICE INTERRUPTION, COMPUTER DAMAGE OR SYSTEM FAILURE OR THE COST OF SUBSTITUTE PRODUCTS OR SERVICES, ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT OR FROM THE USE OF OR INABILITY TO USE THE SUBSCRIPTION SERVICE, WHETHER BASED ON WARRANTY, CONTRACT, TORT (INCLUDING NEGLIGENCE), PRODUCT LIABILITY OR ANY OTHER LEGAL THEORY. THE FOREGOING EXCLUSIONS APPLY WHETHER OR NOT A PARTY HAS BEEN INFORMED OF THE POSSIBILITY OF SUCH DAMAGE, AND EVEN IF A LIMITED REMEDY SET FORTH HEREIN IS FOUND TO HAVE FAILED OF ITS ESSENTIAL PURPOSE. NOTHING IN THIS AGREEMENT EXCLUDES OR RESTRICTS THE LIABILITY OF EITHER PARTY FOR DEATH OR PERSONAL INJURY RESULTING FROM ITS NEGLIGENCE.

8.1 Security and Other Risks. County acknowledges that, notwithstanding security features of the services, no product, hardware, software or service can provide a completely secure mechanism of electronic transmission or communication and that there are persons and entities, including enterprises, governments and quasi-governmental actors, as well as technologies, that may attempt to breach any electronic security measure. Subject only to its limited warranty obligations set forth in Section 6, Warranties and Disclaimers, of this Exhibit A, CONTRACTOR shall have no liability for any security breach caused by any such persons, entities, or technologies. County further acknowledges that the services are not guaranteed to operate without interruptions, failures, or errors. If County or Authorized Users use the services in any application or environment where failure could cause personal injury, loss of life, or other substantial harm, County assumes any associated risks and will indemnify CONTRACTOR and hold CONTRACTOR harmless against those risks.

9. SECURITY AND PERSONAL DATA

9.1 Security. CONTRACTOR has implemented commercially viable and reasonable information security processes, policies, and technology safeguards to protect the confidentiality and integrity of County and personal data against reasonably anticipated threats. CONTRACTOR holds SSAE 16 /18 SOC 2, and PCI-DSS certifications (industry-wide security reporting standards) and leverages certified service providers who are vetted against industry standards such as ISO 27001 and SSAE 16 / 18 SOC 2 (industry-wide security reporting standards) in the provision of the services.

9.2 County Data. County shall be responsible for County Data as entered in to, applied or used in the services. County is responsible for updating all County Data. In addition, County acknowledges that CONTRACTOR generally does not have access to and cannot retrieve lost County Data. If County loses County Data, County may no longer have access to the services. County grants to CONTRACTOR the non-exclusive right to process County Data (including personal data) for the sole purpose of and only to the extent necessary for CONTRACTOR: (i) to provide the Subscription Services; (ii) to verify County's compliance with the restrictions set forth in Section 2.2, Restrictions on Use, of this Exhibit A, if CONTRACTOR has a reasonable belief of County's non-compliance; and (iii) as otherwise set forth in this Agreement. CONTRACTOR may utilize the information concerning County's use of the Subscription Services (excluding any use of County's personal data or County's Confidential Information) to improve the Subscription Services, to provide County with reports on County's use of the Subscription Services, and to compile aggregate statistics and usage patterns by customers using the Subscription Services.

9.3 Use of Aggregate Data. County agrees that CONTRACTOR may collect, use, and disclose quantitative data derived from the use of the services for industry analysis, benchmarking, analytics, marketing, and other business purposes. All data collected, used, and disclosed will be in aggregate form only and will not identify County, its Authorized Users, or any third parties utilizing the services.

10. THIRD PARTY SERVICES

County may choose to obtain products or services that are provided or supported by third parties ("Third Party Services") for use with the services. Third-Party Services are provided pursuant to the terms of the applicable third-party license or separate agreement between the licensor or provider of the Third-Party Services and County, and CONTRACTOR assumes no responsibility for, and specifically disclaims any liability or obligation with respect to, any Third-Party Service. Further, CONTRACTOR will not be responsible to the extent failure of the services to operate as warranted are caused by or results from: (i) any modification to the Services other than a Supported Modification; (ii) combination, operation or use of the

services with County's or Third-Party Services; (iii) abuse, willful misconduct or negligence by anyone other than CONTRACTOR or CONTRACTOR's designee; (iv) use of the services other than in accordance with the terms of this Agreement and/or the applicable Specifications and CONTRACTOR documentation or (v) any of the exclusions indicated in Exhibit A of this Agreement.

11. SUBSCRIPTION PERIOD AND TERMINATION

11.1 Term of Authorized User Subscriptions. Authorized User Subscriptions purchased by County commence on the start date specified in the Agreement and, unless terminated earlier in accordance with this Agreement, continue for the term specified therein (the **"Subscription Period"**). A Subscription Period and/or pricing thereon may be subject to prorating where CONTRACTOR deems it appropriate to cause newly purchased Subscriptions to expire or renew simultaneously with County's pre-existing services to ensure new subscriptions are co-terminus with the existing subscription/s. Except as otherwise specified in the applicable services, all Subscriptions will automatically renew for an additional period of one (1) year, unless either Party gives the other at least sixty (60) days' notice of non-renewal before the end of the relevant Subscription Period. The per-unit pricing during any such renewal Subscription Period may be subject to annual Subscription Service Fee pricing increase not to exceed seven percent (7%) of the prior year's Subscription Service fees ("Uplift") as specified in Section 3.1 of this Agreement and as designated by CONTRACTOR and with notification to County. Pricing increases will be effective upon renewal of the Subscription Period and annually thereafter, unless otherwise agreed to by the Parties. If either Party provides notice of non-renewal as set forth above, County's right to use the services will terminate at the end of the relevant Subscription Period.

11.2 Termination or Suspension for Cause. County may terminate this Agreement in the event of reduced County funding with a sixty (60) day written notification to CONTRACTOR. A Party may terminate any services for cause upon thirty (30) days' written notice to the other Party of a material breach if such breach remains uncured at the expiration of such thirty (30) day period. In addition, CONTRACTOR may, at is sole option, suspend or terminate County's or any Authorized User's access to the services, or any portion thereof, immediately if CONTRACTOR, in its sole discretion: (i) suspects that any person other than County or an Authorized User is using or attempting to use County Data (ii) suspects that County or an Authorized User is using the services in a way that violates this Agreement and could expose CONTRACTOR or any other entity to harm or legal liability, or (iii) is or reasonably believes it is required to do so by law or court order.

11.3 Effect of Termination. If this Agreement expires or is terminated for any reason: (i) Within thirty (30) calendar days following the end of County's final Subscription Period, CONTRACTOR will provide a copy of County's data and associated documents in a machine readable format. CONTRACTOR will comply in a timely manner with such request; provided that, County pays any and all unpaid amounts due to CONTRACTOR;(ii) licenses and use rights granted to County with respect to services and intellectual property will immediately terminate; and (iii) CONTRACTOR's obligation to provide any further services to County under this Agreement will immediately terminate, except any such services that are expressly to be provided following the expiration or termination of this Agreement; and the sections set forth in Section 11.4, Survival, of this Exhibit A.

11.4 Survival. Sections: 4 (Confidentiality), 5 (Ownership and Proprietary Rights), 6.4 (Disclaimer), 8 (Limitation of Liability), 11.3 (Effect of Termination), 11.4 (Survival), and 12 (General) will survive any termination or expiration of this Agreement.

12. GENERAL

12.1 Notice. Except as otherwise specified in this Agreement, all notices, permissions and approvals hereunder will be in writing and will be deemed to have been given upon: (i) personal delivery, (ii) the second business day after mailing, or (iii) sending by confirmed email if sent during County's normal business hours (or, if not, then on the next business day). Notices will be sent to the address specified by County in writing when entering into this Agreement or establishing County's account for the services (or such other address as the County may thereafter specify by notice given in accordance with this Section 12.1).

12.2 Governing Law and Jurisdiction. This Agreement and any action related thereto will be governed by the laws of the State of California without regard to its conflict of laws provisions. The exclusive jurisdiction and venue of any action related to the services or this Agreement will be the state and federal courts located in the Northern District of California and each of the Parties hereto waive any objection to jurisdiction and venue in such courts.

12.3 Compliance with Laws. Each Party will comply with all applicable laws and regulations with respect to its activities under this Agreement including, but not limited to, export laws and regulations of the US and other applicable jurisdictions. Without limiting the foregoing, County will not permit Authorized Users to access or use the services in violation of any US export embargo, prohibition or restriction. Further, in connections with the services performed under this Agreement and County's use of the services, the Parties agree to comply with all applicable anti-corruption and anti-bribery laws, statutes, and regulations.

12.4 Relationship of the Parties. This Agreement does not create a partnership, franchise, joint venture, agency, fiduciary or similar relationship between the Parties.

12.5 Waiver and Cumulative Remedies. No failure or delay by either Party in exercising any right under this Agreement shall constitute a waiver of that right. Other than as expressly stated herein, the remedies provided herein are in addition to, and not exclusive of, any other remedies of a party at law or in equity.

12.6 Severability. If any provision of this Agreement is held by a court of competent jurisdiction to be contrary to law, the provision will be modified by the court and interpreted so as best to accomplish the objectives of the original provision to the fullest extent permitted by law, and the remaining provisions of this Agreement will remain in effect.

12.7 Assignment. County may not assign or transfer this Agreement, whether by operation of law or otherwise, without the prior written consent of CONTRACTOR. Any attempted assignment or transfer, without such consent, will be void. Subject to the foregoing, this Agreement will bind and inure to the benefit of the Parties, their respective successors and permitted assigns.

12.8 Force Majeure. CONTRACTOR will not be liable for any delay or failure to perform under this Agreement to the extent such delay or failure results from circumstances or causes beyond the reasonable control of CONTRACTOR.

12.9 Entire Agreement. This Agreement, including any attachments hereto as mutually agreed upon by the Parties, constitute the entire Agreement between the Parties concerning its subject matter and supersedes all prior communications, agreements, proposals or representations, written or oral, concerning its subject matter. No modification, amendment, or waiver of any provision of this Agreement will be effective unless in writing and signed by a duly authorized representative of each Party against whom the modification, amendment or waiver is to be asserted.

Service Availability:

CONTRACTOR will use commercially reasonable efforts to (a) provide bandwidth sufficient for County's use of the services provided hereunder and in this Agreement and (b) operate and manage the services with a ninety-nine and one-half percent (99.5%) uptime goal (the "Availability Service Level Agreement" (SLA)), excluding situations identified as "Excluded" below.

"Excluded" means any outage that results from any of the following:

a. Any maintenance performed by CONTRACTOR during CONTRACTOR's standard maintenance windows. CONTRACTOR will notify County within forty-eight (48) hours of any standard maintenance and within twenty-

four (24) hours for other non-standard emergency maintenance (collectively referred to herein as "Scheduled Maintenance").

b. County's information content or application programming, or the acts or omissions of County or its agents, including, without limitation, the following:

1. County's use of any programs not supplied by CONTRACTOR;
2. County's failure to provide CONTRACTOR with reasonable advance prior notice of any pending unusual large deployments of new nodes (i.e., adding over ten percent (10%) total nodes in less than twenty-four (24) hours);
3. County's implementation of any significant configuration changes, including changes that lead to a greater than thirty percent (30%) change in a one (1) week period or greater than fifty percent (50%) change in a one (1) month period in the number of key objects in the system including but not limited to metrics, snapshots, nodes, events and business transactions; and
4. Any mis-configuration by County (as determined in CONTRACTOR's sole discretion), including, without limitation, configuration errors and bad or unintended usage of the services.
5. Force majeure or other circumstances beyond CONTRACTOR's reasonable control that could not be avoided by its exercise of due care.

c. Failures of the Internet backbone itself and the network by which County connects to the Internet backbone or any other network unavailability.

d. Any window of time when County agrees that the services availability/unavailability will not be monitored or counted.

e. Any problems resulting from County combining or merging the services with any hardware or software not supplied by CONTRACTOR or not identified by CONTRACTOR in the Specifications as being compatible with the services.

f. Interruptions or delays in providing the services resulting from telecommunication or Internet service provider failures.

g. County's or any third party's use of the services in an unauthorized or unlawful manner.

Remedies for Excessive Downtime:
In the event the availability of the services falls below the Availability SLA in a given calendar month, CONTRACTOR will pay County a service credit ("Service Credit") equal to the percentage of the fees set forth in the table below corresponding to the actual availability of the services during the applicable calendar month. Such Service Credit will be issued as a credit against any fees owed by County for the next calendar month of the Subscription Period or, if County does not owe any additional fees, then CONTRACTOR will pay County the amount of the applicable Service Credit within thirty (30) days after the end of the calendar month in which such credit accrued. Such Service Credit will be in addition to any other remedies available to County at law, in equity or under this Agreement.

System availability is measured by the following formula: $x = (n - y) * 100 / n$

Notes:
(1) "x" is the uptime percentage; "n" is the total number of hours in the given calendar month minus scheduled downtime; and "y" is the total number of downtime hours in the given calendar month.

(2) Specifically excluded from "n and "y" in this calculation are the exception times on scheduled upgrade and maintenance windows.

Service Availability	Percentage of Monthly Service Fees Credited
>99.5%	0%
95.0% - < 99.5%	5%
90.0% - < 95.0%	10%
80.0% - < 90.0%	20%
70.0% - < 80.0%	30%
60.0% - < 70.0%	40%
< 50%	50%

County Account Login:
For CONTRACTOR user interface access, CONTRACTOR uses Transport Layer Security (TLS) 1.2 with Advanced Encryption Standard (AES) 256 bit or similar encryption for protection of data in transit, which is supported by most modern browsers. CONTRACTOR will also restrict applicable administrative user interface access to County corporate networks for additional security on written request by County.

Hosting:
CONTRACTOR's Subscription as a Service (SaaS) platform (servers, infrastructure and storage) for the services is and will remain hosted in one (1) of the largest Tier III data centers in North America, specifically designed and constructed to deliver world-class physical security, power availability, infrastructure flexibility and growth capacity. CONTRACTOR's data center provider is and will remain SSAE 16/18 SOC2 compliant, meaning it has been fully independently audited to verify the validity and functionality of its control activities and processes. Every Server for the services is and will remain operated in a fully redundant fail-over pair to ensure high availability. Data is and will remain backed up nightly, stored redundantly and will be restored rapidly in case of failure. CONTRACTOR also provides an off-site backup service, which is available at an additional cost. Security patching and updates are actively evaluated by engineers and will be deployed based upon the security risks and stability benefits they offer to CONTRACTOR's SaaS platform and County. CONTRACTOR will attempt to provide County with reasonable prior notice to security changes, updates and patches, unless the delay will lead to a significant risk of impact to County data.

EXHIBIT C – MODIFICATION TO AGREEMENT PROVISIONS

Section 15.0, MISCELLANEOUS PROVISIONS. Replace Paragraph 15.06 with the following:

15.06 Assignment and Subcontracting. The CONTRACTOR shall not assign, sell, or otherwise transfer its interest or obligations in this Agreement without the prior written consent of the County, other than in connection with a merger, acquisition or change of control transaction. Notwithstanding any subcontracting of its services hereunder, CONTRACTOR shall continue to be liable for the performance of all requirements of this Agreement.

Introduced: 10/28/2025

Current Status: Housing & Community Development - Consent

Version: 1

Matter Type: General Agenda Item

a. Approve and authorize Amendment No. 2 to the Shaumbe A. Wright and Kelly E. Wright individual Inclusionary Housing Agreement to allow conveyance of their inclusionary unit into a revocable living trust; and
b. Approve and authorize the Housing and Community Development Director, or his designee, to execute the approved Amendment No. 2 to the Inclusionary Housing Agreement.

RECOMMENDATION:
It is recommended that the Board of Supervisors:
a. Approve and authorize Amendment No. 2 to the Shaumbe A. Wright and Kelly E. Wright individual Inclusionary Housing Agreement to allow conveyance of their inclusionary unit into a revocable living trust; and
b. Approve and authorize the Housing and Community Development Director, or his designee, to execute the approved Amendment No. 2 to the Inclusionary Housing Agreement.

SUMMARY:
Inclusionary Housing Program homeowners, Shaumbe A. Wright and Kelly E. Wright, purchased this inclusionary unit on November 7, 1997, and executed a 30-year Inclusionary Housing Agreement ("Agreement") with the County that recorded on February 24, 1998. Our office discovered in 2023 that they had transferred their inclusionary unit into a living trust without the County's approval. Our office informed the owners that their transfer was unauthorized by the County, and they've been working with their attorney since then to get it corrected.

Now, these inclusionary unit homeowners have submitted all the required documents, and are requesting approval to transfer title of their Inclusionary Housing Unit into a revocable living trust as part of their estate planning. Shaumbe A. Wright and Kelly E. Wright own the inclusionary unit in the Oak Tree Views Subdivision, and their unit is designated as a moderate-income unit. Under the terms of the recorded Owners' Agreement with the County, transfers of title between owner-spouses and to eligible purchasers (i.e., new income qualified owner-occupants) are the only permitted transfers of title. Per the terms of the Agreement, any other transfer of property title, including into a trust, is not allowed without Board of Supervisors ("Board") approval.

The current Inclusionary Housing Program does allow transfers of title by Owner into an inter vivos trust in which Owner is the beneficiary is allowed, provided, however, that Owner shall provide written notice of such transfer to the County. However, this provision of the Inclusionary Housing Agreement requires Board approval. The Board has previously approved requests by other

inclusionary homeowners to transfer their inclusionary unit into a revocable living trust.

DISCUSSION:
Owners of inclusionary units who purchased their home after July 12, 2011, are allowed to transfer their homes into trusts under Section 3.E. TITLE CHANGES AND PROPERTY INHERITANCE of the Inclusionary Housing Program Administrative Manual previously amended and adopted by the Board. The amendment, however, did not provide for retroactive application of this provision for existing homeowners who had entered into an agreement prior to July 12, 2011. As previously stated, Shaumbe A. Wright and Kelly E. Wright purchased their inclusionary unit in 1997.
The proposed amendment to the Agreement enables the homeowners to transfer title of their property to a trust by expanding the Agreement's definition of "Permissible Transfer" to include conveyance to a revocable living trust for estate planning purposes. The amendment will allow the County to preserve its affordable housing program by requiring homeowners: (1) specifically acknowledge the continuing conditions of the Inclusionary Housing Program; (2) include specific language in the Deed transferring title into the trust; and (3) include specific language in the homeowners' trust documents. The proposed amendment will not affect the Inclusionary Housing Program's restrictions regarding the resale of home to income-and-asset qualified buyers and is consistent with the Inclusionary Housing Ordinance.

OTHER AGENCY INVOLVEMENT/COMMITTEE ACTIONS:
The County Counsel Office has reviewed this report and The Second Amendment to the Wright Family Trust and the Correction Grant Deed submitted by the homeowners with the required language. The County Counsel Office has approved the Amendment No. 2 to Inclusionary Housing Agreement as to form.

INCLUSIONARY HOUSING AGREEMENT

(Resale Restrictions on Inclusionary Housing Unit and Option to Purchase Real Property)

THIS INCLUSIONARY HOUSING AGREEMENT is entered into at Monterey County, California, as of 11-4-97, _____, between **SHAUMBE WRIGHT AND KELLY E. WRIGHT, HUSBAND AND WIFE,** ("Owner"), and the COUNTY OF MONTEREY, a political subdivision of the State of California ("County"),

RECITALS:

A. Owner is the owner of the real property located in the County of Monterey, California, at **7149 OAK TREE PLACE, MONTEREY, CA 93940, (APN 259-121-036-000)**, within the Final Maps (as defined in the California Subdivision Map Act) for Tract No. 1270 which has been filed of record with the Office of the County Recorder of Monterey County, California known as **OAK TREE VIEWS SUBDIVISION** ("Development") as described in Exhibit "A" attached to this Agreement.

B. The development of the **OAK TREE VIEWS SUBDIVISION** has resulted in the construction and sale to the public of single-family dwellings.

C. County has designated the following lot within Development to be "Inclusionary Units" as defined in Subsection 18.40.030M of the COUNTY CODE:

Lot No.	Tract No.
36	1270

Each of the Lots which are Inclusionary Units are hereinafter referred to as a "Unit".

D. In full satisfaction of the requirements of COUNTY CODE Chapter 18.40 with respect to Tract 1270, Owner has agreed to sell the Units at a price effectively restricted by County to make the Units "affordable" in accordance with the provisions of Chapter 18.40 of the COUNTY CODE.

E. In return for and in consideration of the opportunity for Owner to sell the Unit and purchasers to purchase the Unit at "affordable prices" and in consideration of and for other good and valuable consideration, Owner, on behalf of himself and with the express intent to bind all those defined as "Owner" in Paragraph 2(e) below, hereby grant to County the option to purchase the Units ("Option") on the following terms and conditions.

1. **Good Faith Effort To Sell The Units.** Owner shall make a good faith effort to sell the Units to purchasers who meet the eligibility requirements of Chapter 18.40 of the Monterey County Code. Good faith effort shall constitute the following:

   (a) Sell the units to persons having an annual income no greater than 120% of the median income for Monterey County as defined by the U.S. Department of Housing and Urban Development (H.U.D.) as adjusted for family size.

   (b) Inform the Housing Authority and the Department of Planning and Building Inspection of intent to sell inclusionary units by mailing a "Notice of Intent to Sell Inclusionary Units."

   (c) To perform any preliminary verification of households selected to purchase inclusionary units from owner. Preliminary verification includes review of prequalification statement from a lender and income tax statements to determine the household's income eligibility with county median income guidelines.

   (d) To pay the Housing Authority for the services rendered in verifying and certifying eligible households. The fee for such services shall not exceed $300 for each household submitted for verification.

   (e) To deliver a copy of this Agreement to any household certified as an eligible household by the Housing Authority.

   (f) Request, if necessary, a sixty (60) day extension of the marketing period and a sixty (60) day extension of the escrow period pursuant to Paragraph E.3.(a)(ii) of this Agreement.

(g) Notwithstanding the foregoing, if Owner requests a Hardship Waiver in writing from the obligation to seek to sell the Property as described hereinabove, and the County grants said Hardship Waiver, the sixty (60) day period set forth in 3. (a.) (i.) below shall commence upon the County's receipt of the Owner's request for Hardship Waiver. A Hardship Waiver shall include job loss, death in Borrower's immediate family, divorce or other event or circumstance which the County reasonably believes warrants a Hardship Waiver.

2. **Exercise and Administration of Option.**

(a) County may administer and/or exercise the Option itself.

(b) County may from time to time designate another entity, person or organization to administer and/or exercise the Option ("Designee").

(c) County or its Designee may assign the Option to an individual private buyer who meets the eligibility requirements of, and is approved by, County.

(d) After the exercise of the Option by County, its Designee or any assignee of County or its Designee in the manner prescribed in this Agreement, County or its Designee may assign or reassign the right to purchase the Unit to any substitute individual private buyer who meets the eligibility requirements of, and is approved by County; provided, however, that any such subsequent assignment shall not extend any time limits contained in this Agreement.

(e) The Option contained in this Agreement shall not apply to the first purchaser owner nor to any subsequent sale to a purchaser owner who meets the eligibility requirements for a low or moderate income buyer under Chapter 18.40 of the Monterey County Code or to the transfer of a Unit by the Owner if the transfer is a permitted transfer described in Paragraph 11 of this Agreement or to the sale of a unit which is subject to a permitted encumbrance as described in Paragraph 12 of this Agreement, pursuant to a foreclosure sale or deed in lieu, or any subsequent transfer of title to the unit following such foreclosure or deed in lieu transfer.

3. **Method of Exercising Option.**

(a) Notice to Sell and Notice of Acceptance.

i) Except for permitted transfers of a Unit as set forth in Paragraph 11 below and sale of a unit which is subject to a permitted encumbrance as described in Paragraph 12 of this Agreement, pursuant to a foreclosure sale or deed in lieu, or any subsequent transfer of title to the unit following such foreclosure or deed in lieu transfer, if Owner wishes to sell or otherwise dispose of a Unit, Owner shall notify County in writing ("Notice to Sell"). The Notice to Sell shall state the street address of the Unit and Owner's full name(s), and shall be personally delivered or deposited in the United States mail, postage prepaid, first class, certified return receipt requested, addressed to Housing Coordinator, County of Monterey, Post Office Box 1208, Salinas, California 93902 and to the County Housing Authority of the County of Monterey addressed to:123 Rico Street, Salinas, CA 93907. County, its Designee or any assignee of County or its Designee shall then have the right to exercise the Option by delivery of written notice ("Notice of Acceptance") by personal delivery or upon deposit into the United States mail, postage prepaid, first class certified mail, to Owner at the address of the Unit at any time within sixty (60) days following the actual receipt by County of the Notice to Sell.

ii) Should Owner fail to sell the unit within sixty (60) days, or complete a transfer of title to purchasers who meet the eligibility requirements of the Inclusionary Housing Ordinance during the following sixty (60) day escrow period, Owner may request from County one additional sixty (60) day marketing period and sixty (60) day escrow period before County exercises its Option.

iii) County shall have sixty (60) days from the date it receives notice of the owner's failure to close escrow to exercise its option to purchase the Property at the Option Price. Upon such exercise, the County shall have sixty (60) days from the date of exercise of its option to consummate the Escrow Closing.

iv) In the event that County abandons, or fails to exercise, or elects not to exercise the Option within sixty (60) days after it actually receives the Notice to Sell or within an additional sixty (60) day marketing period requested by the owner, County shall cause to be recorded in the Office of the Recorder of County, a notice of intent not to exercise the option with respect to the Unit, and shall deliver a copy of the notice to Owner addressed to the street address of the Unit. The notice shall be recorded within fifteen (15) days following County's decision not to exercise its Option but not later than one hundred twenty (120) days from the Owner's original notice of intent to sell.

v) In the event that County abandons, or fails to exercise, or elects not to exercise the Option within sixty (60) days after it actually receives the Notice to Sell or within an additional sixty (60) day marketing period requested by the owner, or in the event that upon the County's exercise of the Option, County fails to consummate Escrow Closing at the end of sixty (60) days from the date of exercise of the Option, Owner may then sell the Unit for a fair market price determined by an appraisal approved by County. In the event an escrow is opened related to the sale of the Unit at fair market price, Owner shall be entitled to be paid that amount up to but not to exceed the net amount that Owner would have received under the formula in Paragraphs 6 and 7 upon the close of escrow plus any transaction costs related to the sale. County will submit to the Escrow Agent a demand for payment for the balance of surplus, if any, in an amount which equals the appraised value minus the amount that owner would have received under the formula in Paragraphs 6 and 7. Upon close of escrow related to the sale of the Unit at fair market price, title to the Unit shall be taken free and clear of the covenants, restrictions and terms of this Agreement and the Option granted to County. County shall deliver a full release of this Agreement to escrow for recordation. The fair market price purchaser of the Unit and any subsequent transferee may thereafter sell the Unit without regard to this Agreement or the Option granted to County.

(b) **Notice of Default Under Deed of Trust**. Owner covenants to cause to be filed for record in the Office of the Recorder of County, a request for a copy of any notice of default and of any notice of sale under any deed of trust encumbering the Unit. The request shall specify that any such notice shall be mailed to the Housing Coordinator, County of Monterey, Post Office Box 1208, Salinas, California 93902 and to the County Housing Authority of the County of Monterey addressed to 123 Rico St. ,Salinas, CA 93907. County shall have the right but not the obligation to cure any default under any deed of trust encumbering a Unit. In the event Owner encumbers a Unit with a non-purchase money deed of trust or mortgage, an act which is in violation of this Agreement, any notice of sale under the non-purchase money deed of trust or mortgage given pursuant to CIVIL CODE SUBSECTION 2924(f) may, at the election of County, constitute a Notice to Sell pursuant to Paragraph 3(a) and the option to purchase shall take priority over any trustee's sale or foreclosure of a non-purchase money deed of trust. In the event Owner fails to file such request for notice, County's option to purchase shall, at its election, run from the date County obtains actual knowledge of sale or proposed sale. County shall exercise its election as provided in the previous two sentences only after (i) County has reasonably determined that Owner either does not intend to or is not in a financial position to cure the default or defaults under the deed of trust; and (ii) depositing in the United States mail, first class certified, postage prepaid, written notice of its election, addressed to the owner at

the street address of the Unit and to the beneficiary under the deed of trust, if the deed of trust is in default. In the event County elects not to exercise its option upon default, any surplus to which Owner may be entitled shall be paid as follows: that portion of surplus, if any, up to but not to exceed the net amount that Grantee would have received under the formula in Paragraphs 6 and 7 had County exercised its option to purchase the Unit on the date of the foreclosure sale, shall be paid to Owner on the date of the foreclosure sale; the balance of surplus, if any, shall be paid to County. Anything contained in this Agreement to the contrary notwithstanding, the provisions of this Agreement and the Option granted to County, shall be subordinate to any purchase money deed of trust encumbering a Unit, but County shall have the right to cure any default under a deed of trust encumbering a Unit.

(c) **Sale, Transfer or Conveyance of Interest in Unit Without Notice to Sell**. If Owner fails to provide County with a properly delivered Notice to Sell pursuant to Paragraph 3(a) and County learns of (i) a pending sale, transfer or conveyance of the Unit; or (ii) the actual transfer, sale or conveyance of the Unit, County shall have the right to exercise the Option pursuant to the terms of this Agreement AT ANY TIME THEREAFTER AT ITS ELECTION, however, any such option must be exercised by written notice delivered to the property owner no later than 60 days from the date the County learns of such pending or actual sale, conveyance, or transfer. Owner expressly understands and agrees that only a properly delivered Notice to Sell shall result in the period for exercise of the Option being limited to sixty (60) days pursuant to Paragraph 3(a)(i), or an additional sixty (60) days marketing period when requested by Owner.

4. <u>Escrow</u>.

(a) **Opening of Escrow.** If and in the event that County, its Designee or any assignee of County or its Designee exercises the Option, close of escrow for the purchase of the Unit shall be on or before forty-five (45) days following receipt by Owner of the Notice of Acceptance, or such later date as may be mutually agreed upon by Owner and County, County's Designee or assignee. The escrow shall be opened upon delivery to Owner of the Notice of Acceptance or as soon thereafter as possible, or at such later time as may be mutually agreed upon by Owner and County, County's Designee or assignee.

(b) **Payment From Escrow**. At the close of escrow for the sale of the Unit, Owner shall pay through escrow to County or its Designee a resale fee for administration of the resale program in an amount determined by County, which in no event may exceed four percent (4%) of the actual purchase price for the Unit, as computed pursuant to Paragraphs 6 and 7 below, and any prepayment fee charged by the holder of a trust deed encumbering the Unit.

5. **Terms of Purchase**.

(a) **Cash.** The purchase price shall be paid in cash at the close of escrow, or as otherwise provided by mutual agreement of Owner and County, County's Designee or assignee. Owner acknowledges and agrees that the percentage amount of any deposit required pending close of escrow shall not exceed that customarily required for the purchase of single-family residences in County at the time of the escrow opening. Closing costs shall be allocated between the buyer and seller according to the customary practices in Monterey County. If Inclusionary Owner sells the unit, he or she is required to certify eligibility of potential buyer and obtain certification of physical condition and correction of any deficiencies in property through the County or the County's designee and agree to pay the Monterey County Housing Authority for such services.

(b) **Assumption of Financing.** Owner agrees to cooperate with County, its Designee or assignee in permitting the purchaser of the Unit purchasing pursuant to the Option, to assume any deed of trust encumbering the Unit, if the purchaser so requests and otherwise is eligible to assume. In the event County purchases a Unit pursuant to the Option and if eligible to do so, takes subject to or assumes an existing deed of trust encumbering the Unit, County shall make the payments on the note secured by the deed of trust and waives any defense to payment based upon the doctrine of sovereign immunity.

(c) **Conditions to Close of Escrow**. The escrow instructions may provide for conditions or contingencies of the type and nature commonly included within residential purchase escrows (including, but not limited to, financing contingencies, inspection rights and preliminary title report approvals) to the obligation of the purchaser to purchase the Unit from the then Owner, provided that any such conditions or contingencies (other than the status of title to the Unit at the time of conveyance and other conditions which by their nature cannot be satisfied prior to closing) must be satisfied or waived on or before sixty (60) days following receipt by Owner of the Notice of Acceptance.

6. **Purchase Price**. The purchase price of the Unit **($165,500.00)** shall, prior to adjustment as provided in Paragraph 7 below, be the lower of:

(a) The purchase price as agreed upon between Owner and County, its Designee or assignee;

(b) The Owner's purchase price of the Unit, regardless of when purchased (hereinafter, "Base Price"), plus an amount, if any, equal to (A) the Base Price multiplied by (B) the percentage increase in the median household income published by the United States Department of Housing & Urban Development ("HUD") for the Monterey County Standard Metropolitan Statistical Area for a family of four (4), from that published for the date nearest the date of purchase of the Unit by Owner over that published nearest the date of receipt by Owner of the Notice of Acceptance. In the event that HUD no longer establishes median income levels at the time of the giving of the Notice to Sell, County may use any other recognized method of computing median income for computing the percentage increase.

In no event, however, shall the purchase price be below the Base Price or below the outstanding balance owing on the note(s) secured by a purchase money deed(s) of trust encumbering the Unit.

7. **Adjustment to Purchase Price**. The purchase price as determined under Paragraph 6 above shall then be adjusted as follows:

(a) If the Unit is sold, the purchase price shall be:

(i) Increased by the actual cost, evidenced by receipts, of any single capital improvement which has a value in excess of one percent (1%) of the Base Price to the Unit made since Owner's acquisition of the Unit which have a useful life of greater than five (5) years subsequent to the conveyance by Owner pursuant to the Option and which were made with all required building and other governmental approvals and with the approval of the relevant homeowners association if such approvals are required (provided, however, the one percent (1%) limitation shall not apply where the expenditure was made pursuant to a mandatory assessment levied by the homeowners association for the development of which the Unit is a part, whether levied for improvements or maintenance to the Unit, the common area or related purposes, or where the expenditure was made for replacement of appliances, fixtures or equipment which was originally acquired as part of the Unit by Owner but in no event shall the purchase price be increased in excess of five percent (5%) of the Base Price); and

(ii) Decreased by the amount necessary to repair any damages and to put the Unit into salable condition as reasonably determined by County, including, but not limited to, cleaning, painting, cleaning or replacing worn carpeting and draperies, and making needed structural, mechanical, electrical, plumbing and fixed appliances repairs. County shall provide Owner with a schedule describing "salable condition" upon purchase of the Unit by Owner and again upon receipt from Owner of the Notice to Sell. In the event Owner disputes the amount determined by County Housing Coordinator to be necessary to repair damage to put the Unit in salable condition, Owner shall have the right to obtain an independent estimate of the amount. County shall reconsider its determination taking into consideration the estimate obtained by Owner. However, the reconsidered determination by County shall be binding upon Owner.

(b) In the event that Owner sells the Unit after a default under a deed of trust, but prior to a trustee's sale or foreclosure sale, Owner shall pay all expenses actually incurred by the beneficiary under the deed of trust incurred due to Owner's default, including, but not limited to, trustee's fees, attorney's fees, costs of sale and debt service on the debt secured by the deed of trust.

8. **Limits on Liability**. Neither County nor its Designee shall become liable to Owner or become obligated in any manner to owner by reason of its assignment of the Option, nor shall County be in any way obligated or liable to owner for any failure of any designee to consummate a purchase of the Unit or to comply with the terms of any agreement or escrow for the sale of the Unit. Only the purchaser executing a purchase agreement or escrow instructions shall be liable to owner pursuant to the terms of any such agreement of escrow.

9. **Indemnification.** Nothing in this Agreement shall be construed by County, by Owner or by any Third Party to create the relationship of principal and agent, or of partnership, joint venture or association with one another. Owner agrees to indemnify, defend, and hold harmless the County, its officers, agents, and employees from any and all claims, demands, liability, costs, and expenses of whatever nature, including but not limited to, court costs, damages and counsel fees accruing or resulting to any and all contractors, subcontractors, material providers, laborers, and any other person, firm, or corporation furnishing or supplying work in connection with this Agreement, and from any and all claims and losses accruing or resulting to any person, firm, or corporation who may be injured or damaged by Owner in the performance of this Agreement.

10. **Transfers and Conveyances While Option is Operative.** Except as otherwise provided in Paragraph 11 below, until such time as the Option is exercised, waived or expires, the Unit and any interest in title thereto shall not be sold, leased, rented, assigned or otherwise transferred to any person or entity except with the express written consent of County or its Designee, which consent shall be granted only if consistent with County's goal of creating, preserving, maintaining and protecting low and moderate priced housing in Monterey County. Any such sale, lease, assignment or other transfer which has not been consented to by County shall result in County having the RIGHT AT ITS ELECTION TO EXERCISE AT ANY TIME THEREAFTER THE OPTION however, any such option must be exercised by written notice delivered to the property owner no later than 60 days from the date the County learns of such pending or actual sale, conveyance, or transfer PURSUANT TO PARAGRAPH 3(c) ABOVE.

11. **Permitted Transfers**. The Option contained in this Agreement shall not apply to:

(a) a transfer of title of a Unit by gift, devise or inheritance to Owner's spouse, to a surviving joint tenant, to a spouse as a party to a divorce or marital dissolution proceeding or to a spouse in conjunction with marriage; or

(b) a transfer of title of a Unit to a transferee if:

(i) the transferee occupies the Unit,

(ii) the transferee earns no more than One Hundred and Twenty percent (120 %) of the then current County median income as defined by HUD,

(iii) the transferee resides in County prior to the transfer,

(iv) the purchase price paid to Owner by the transferee is not more than the "purchase price" for the Unit as computed pursuant to the provisions of Paragraphs 6 and 7 above, and

(v) County certifies that the facts required by subclauses (i), (ii), (iii) and (iv) are correct and Owner pays to County the costs incurred by County to conduct an investigation to enable County to make the certification; or

(c) a transfer of title of a Unit authorized by resolution of the Board of Supervisors of County as being consistent with the goals and purposes of the provisions of Chapter 18.40 of the MONTEREY COUNTY CODE.

The covenants made by, restrictions imposed upon, and Option granted by this Agreement shall continue to encumber and run with the title to the Unit following a transfer permitted by this Paragraph 11. Owner shall notify County in writing at least fifteen (15) working days before a transfer of the Unit and the transferee must, in writing, assume the obligations and duties and agree to be bound by the restrictions of this Agreement.

12. **Permitted Encumbrances**. This Agreement and the Option granted to County shall not prohibit Owner from encumbering the Unit for the purpose of securing financing for purposes of purchasing the Unit or securing financing to refinance the original purchase price of the Unit, and shall not supersede or in any way reduce the security or affect the validity of any purchase money deed of trust or mortgage. If a Unit is acquired at a foreclosure sale under any purchase money deed of trust or mortgage encumbering the Unit, or by deed in lieu of foreclosure sale, title to the Unit shall be taken free and clear of the covenants, restrictions and terms of this Agreement and the Option granted to County and the purchase money trust deed holder and any subsequent transferee may sell the Unit without regard to this Agreement or the Option granted to County. Owner shall not encumber a Unit with a deed of trust which is not a purchase money deed of trust as defined by California law.

13. **Duration of Option**. The Option and the provisions set forth in this Agreement shall terminate and become void automatically as to the Unit thirty (30) years following the later to occur of (a) any sale of the Unit or any transfer of the Unit permitted pursuant to Paragraph 11(b) or 11(c), or (b) the date of recordation of this Agreement. Except as provided by the terms herein, the provisions set forth in this Agreement shall constitute covenants which shall run with the Unit, shall further and independently constitute an Option encumbering each Unit and shall be binding upon Owner, Owner's heirs, executors, administrators, successors, transferees and assignees, and all parties having or acquiring any right, title or interest in or to any part of a Unit. As long as the Option has not terminated as to a Unit, any attempt to transfer title to any interest in the Unit in violation of this Agreement shall be voidable at the election of County.

14. **Insurance Proceeds**. Notwithstanding the provisions of Paragraph 13, in the event that the Unit is destroyed and insurance proceeds are distributed to Owner instead of being used to rebuild the improvements on the Unit or, in the event of condemnation, if proceeds thereof are distributed to Owner, any surplus of proceeds so distributed remaining after payment of encumbrances of the Unit shall be distributed as follows: that portion of the surplus up to but not exceeding the net amount that Owner would have received under the formula set forth in Paragraphs 6 and 7 above had County exercised the Option on the date of the destruction or condemnation valuation date, shall be distributed to Owner, the balance of such surplus, if any, shall be distributed to County. County shall be named as an additional insured on the fire and casualty insurance policy issued to the Owner insuring loss to the Unit.

15. **Acceptance of Terms by Owner**. By acceptance of the Deed to which this Agreement is attached, Owner accepts and agrees to be bound by the covenants, restrictions and Option contained in this Agreement, and further acknowledges receipt of and agrees to be bound by the covenants, restrictions and Option contained in this Agreement, and further acknowledges receipt of and agrees to be bound by the provisions of this Agreement.

16. **Miscellaneous Provisions**.

(a) **Independent and Severable Provisions.** In the event that any provision of this Agreement is held by a court of competent jurisdiction to be unenforceable or invalid, such holding shall not render unenforceable any other provision hereof, each provision hereof being expressly severable and independently enforceable to the fullest extent permitted by law.

(b) **Further Assurances and Recordation**. The undersigned covenant that upon the request of County or its Designee, they will execute, acknowledge and deliver, or cause to be executed, acknowledged and delivered, such further instruments and agreements and do such further acts as may be necessary, desirable or proper to carry out more effectively the purpose of this Agreement and other instruments required hereunder, including, but not limited to, (i) immediately executing and acknowledging a Memorandum and Reaffirmation of Grant of Option to Purchase to the County of Monterey; and (ii) upon the sale or other transfer of an interest in the Unit, the undersigned Owner causing the purchaser or transferee to execute and acknowledge an Agreement to Grant Deed in form acceptable to County which shall be attached to the Grant Deed by which the undersigned conveys title to the Unit.

(c) **Captions and Paragraph Headings**. Captions and paragraph headings used herein are for convenience only and shall not be used in construing this Agreement.

(d) **Waiver**. No waiver by County or its Designee of the right to exercise the Option or of any breach by Owner of any covenant, restriction or condition herein contained shall be effective unless such waiver is in writing signed by County or its Designee and delivered to the undersigned. The waiver by County or its Designee of any such breach or breaches, or the failure by County or its Designee to exercise any right to remedy with respect to any such breach or breaches, shall not constitute a waiver or relinquishment for the future of any such covenant or condition or bar any right or remedy of County or its Designee with respect to any such subsequent breach.

(e) **Amendment.** The parties agree that this instrument contains all of the provisions of the Agreement between the parties hereto. No alteration or variation of the terms of this Agreement shall be valid unless made in writing in the form of an amendment and signed by the parties hereto. No oral understanding or Agreement not incorporated herein shall be binding on any of the parties hereto.

IN WITNESS WHEREOF, the undersigned has caused this Agreement to be executed as of the date first set forth above.

AMENDMENT NO. 2 to
INCLUSIONARY HOUSING AGREEMENT:
(Resale Restrictions on Inclusionary Housing Unit and Option to Purchase Real Property)

THIS AMENDMENT NO. 2 to Agreement: INCLUSIONARY HOUSING AGREEMENT (Resale Restrictions on Inclusionary Housing Unit and Option to Purchase Real Property) is made and entered into by the County of Monterey, hereinafter referred to as "COUNTY", and Shaumbe A. Wright and Kelly E. Wright, hereinafter referred to as "OWNER."

WITNESSETH:

WHEREAS, the County and Shaumbe A. Wright and Kelly E. Wright, have heretofore entered into an Agreement: *INCLUSIONARY HOUSING AGREEMENT (Resale Restrictions on Inclusionary Housing Unit and Option to Purchase Real Property)* ("Agreement"), recorded on February 24,1998, as Document No. 9810011 filed in the Office of the Recorder of the County of Monterey, with respect to that certain real property described in EXHIBIT A attached hereto and incorporated by reference; and

WHEREAS, on April 26, 2011, and July 12, 2011, the Board of Supervisors of the County of Monterey approved certain revisions to the Inclusionary Housing Program which are not retroactive; and

WHEREAS, the parties wish to amend the Inclusionary Housing Agreement to incorporate the program revisions pertaining to transfer of interest of the property to a Revocable Living Trust;

NOW THEREFORE, in consideration of the mutual covenants and conditions contained herein and in the Agreement, the parties agree as follows:

1. **Permissible Transfer:** In addition to those permitted transfers described in the Agreement, the County's "OPTION" as defined in the Agreement shall not apply to the transfer or conveyance of the Property into a revocable living trust where Owner is a Trustor, provided:
    a. Owner obtains the consent of the County's designee;
    b. The Trust document, and any Successor Trustee, specifically acknowledges and affirms the existence of restrictions on the use and disposition of the Unit including, but not limited to, the obligation to sell the Unit to an Eligible Purchaser at no more than the Maximum Resale Value, as those terms are described in the Agreement;
    c. The Deed conveying the Unit into the Trust also specifically acknowledges and affirms

the existence of restrictions on the resale of the Property and references the Agreement; and

d. Owner agrees to cooperate and respond promptly to any County requests to owner for owner certification and monitoring.

2. **Recordation:** Upon execution of this Amendment No. 2 by all parties, Owner shall cause this Amendment No. 2 to the Inclusionary Housing Agreement to be recorded in the Office of the Monterey County Recorder and provide a copy of the recorded document to the County's Housing and Community Development Department.

3. **Inclusionary Housing Agreement to Remain in Effect**. Except as herein stated, all other terms, provisions and exhibits of the Inclusionary Housing Agreement shall remain in full force and effect.

IN WITNESS WHEREOF, the parties have executed the Amendment No.2 on the day and year first written below.

Direct the Clerk of the Board of Supervisors to publish the Notice of Public Hearing for the Public Hearing to take place on December 9, 2025, at 10:30 A.M., to consider one (1) Application to Establish an Agricultural Preserve and 15 Applications to Create Farmland Security Zones and enter into corresponding Williamson Act AGP-LCC and FSZ Contracts as set forth in the Applications listed above.

RECOMMENDATION:
It is recommended that the Board of Supervisors:
Set a public hearing for December 9, 2025, at 10:30 A.M. to consider the 2026 Williamson Act Applications, to establish one (1) Agricultural Preserve ("AGP") and Land Conservation Contract ("LCC") and to create 15 Farmland Security Zones ("FSZ") and FSZ Contracts.

SUMMARY:
Each calendar year, the Board of Supervisors must consider Applications to Establish AGPs and LCCs and Applications to Create FSZs and corresponding FSZ Contracts pursuant to the Land Conservation Act of 1965 (Williamson Act). This year, 16 Williamson Act Applications, including one (1) Application to Establish an AGP and enter into an LCC, and 15 Applications for the Creation of FSZs and enter into corresponding FSZ Contracts will be considered. The 16 applications being considered this year include 2 applications from the 2025 round of applications which were continued without prejudice to the 2026 round of applications to preserve the application fees while the owner-applicants resolved issues related to application eligibility criteria.

DISCUSSION:
Williamson Act AGP-LCC and FSZ Contracts consist of agreements between landowners and the County whereby the landowners may receive a reduced property tax assessment by agreeing that their property is to be utilized solely for commercial agricultural production of food or fiber and compatible uses as set forth in the Board of Supervisors approved list of compatible uses as applicable to AGPs and FSZs, respectively. Williamson Act Contracts are established with an initial 20-year term which renews annually on January 1 of each succeeding year to add one (1) additional year to the term unless notice of nonrenewal is provided by the landowner or County.
The Agricultural Preservation Review Committee (APRC) which consists of staff from the Department of Housing and Community Development (HCD-Planning), Agricultural Commissioner's Office, Assessor-Recorder's Office, and the Office of the County Counsel reviewed the 2026 Williamson Act Applications on October 15, 2025. The Monterey County Agricultural Advisory Committee (AAC) considered the 2026 Williamson Act Applications on October 16, 2025. Because this item must be set for a noticed public hearing, the December 9, 2025, staff report will provide the Board of Supervisors with recommendations from the APRC and the AAC regarding each of the applications. Board action is required to establish, by contract, AGP and FSZ status for those selected applications, to commence in the year 2026, if the subject property meets the criteria pursuant to Board Resolution No. 01-485, as amended by Board Resolution No. 03-383 (Procedures for Agricultural Preserves) (**Attachment B**) and Board Resolution No. 01-486 (Procedure for the Creation of Farmland Security Zones and Contracts) (**Attachment C**).

Approximately 804,139 acres of land within the unincorporated area of the County of Monterey are presently under Williamson Act Contract. The 16 applications under consideration total 31 parcels and approximately 4,652 acres. Agricultural Preserves are generally comprised of "non-prime" (typically grazing) lands, whereas Farmland Security Zone acreage must be comprised of at least fifty-one percent (51%) "predominantly prime" farmland (typically row crop).

Attached to this report is the 2026 Application Matrix (**Attachment D**) listing the name, acreage and parcel number(s) and General Plan/Area Plan location, for applications submitted, and a large-scale map (**Attachment E**) showing the general locations of the proposed applications.

OTHER AGENCY INVOLVEMENT:
The APRC, consisting of staff from HCD-Planning, Agricultural Commissioner's Office, Assessor-Recorder's Office, and the Office of the County Counsel reviewed the 2026 Williamson Act

Applications on October 15, 2025. The Monterey County Agricultural Advisory Committee (AAC) considered the 2026 Williamson Act Applications on October 16, 2025. The APRC and AAC's recommendations will be provided in the Board Report for the Public Hearing on December 9, 2025.

FINANCING:
In the event that the Board of Supervisors decides to approve the applications and enter into these Contracts at the December 9, 2025, hearing, the assessed valuation of properties placed under said Contracts shall be reduced to their respective restricted values, resulting in a property tax reduction. An estimate of the net tax reduction will be provided in the Board Report for the Public Hearing on December 9, 2025.

c. Direct the Clerk of the Board of Supervisors to publish the Notice of Public Hearing for the Public Hearing to take place on December 9, 2025, at 10:30 A.M., to consider one (1) Application to Establish an Agricultural Preserve and 15 Applications to Create Farmland Security Zones and enter into corresponding Williamson Act AGP-LCC and FSZ Contracts as set forth in the Applications listed above.

RECOMMENDATION:
It is recommended that the Board of Supervisors:
Set a public hearing for December 9, 2025, at 10:30 A.M. to consider the 2026 Williamson Act Applications, to establish one (1) Agricultural Preserve ("AGP") and Land Conservation Contract ("LCC") and to create 15 Farmland Security Zones ("FSZ") and FSZ Contracts.

SUMMARY:
Each calendar year, the Board of Supervisors must consider Applications to Establish AGPs and LCCs and Applications to Create FSZs and corresponding FSZ Contracts pursuant to the Land Conservation Act of 1965 (Williamson Act). This year, 16 Williamson Act Applications, including one (1) Application to Establish an AGP and enter into an LCC, and 15 Applications for the Creation of FSZs and enter into corresponding FSZ Contracts will be considered. The 16 applications being considered this year include 2 applications from the 2025 round of applications which were continued without prejudice to the 2026 round of applications to preserve the application fees while the owner-applicants resolved issues related to application eligibility criteria.

DISCUSSION:
Williamson Act AGP-LCC and FSZ Contracts consist of agreements between landowners and the County whereby the landowners may receive a reduced property tax assessment by agreeing that their property is to be utilized solely for commercial agricultural production of food or fiber and compatible uses as set forth in the Board of Supervisors approved list of compatible uses as applicable to AGPs and FSZs, respectively. Williamson Act Contracts are established with an initial 20-year term which renews annually on January 1 of each succeeding year to add one (1) additional year to the term unless notice of nonrenewal is provided by the landowner or County.
The Agricultural Preservation Review Committee (APRC) which consists of staff from the Department of Housing and Community Development (HCD-Planning), Agricultural Commissioner's Office, Assessor-Recorder's Office, and the Office of the County Counsel reviewed the 2026 Williamson Act Applications on October 15, 2025. The Monterey County Agricultural Advisory Committee (AAC) considered the 2026 Williamson Act Applications on October 16, 2025. Because this item must be set for a noticed public hearing, the December 9, 2025, staff report will provide the Board of Supervisors with recommendations from the APRC and the AAC regarding each of the applications. Board action is required to establish, by contract, AGP and FSZ status for those selected applications, to commence in the year 2026, if the subject property meets the criteria pursuant to Board Resolution No. 01-485, as amended by Board Resolution No. 03-383 (Procedures for Agricultural Preserves) (**Attachment B**) and Board Resolution No. 01-486 (Procedure for the Creation of Farmland Security Zones and Contracts) (**Attachment C**).

Approximately 804,139 acres of land within the unincorporated area of the County of Monterey are presently under Williamson Act Contract. The 16 applications under consideration total 31 parcels and approximately 4,652 acres. Agricultural Preserves are generally comprised of "non-prime" (typically grazing) lands, whereas Farmland Security Zone acreage must be comprised of at least fifty-one percent (51%) "predominantly prime" farmland (typically row crop).

Attached to this report is the 2026 Application Matrix (**Attachment D**) listing the name, acreage and parcel number(s) and General Plan/Area Plan location, for applications submitted, and a large-scale map (**Attachment E**) showing the general locations of the proposed applications.

OTHER AGENCY INVOLVEMENT:
The APRC, consisting of staff from HCD-Planning, Agricultural Commissioner's Office, Assessor-Recorder's Office, and the Office of the County Counsel reviewed the 2026 Williamson Act Applications on October 15, 2025. The Monterey County Agricultural Advisory Committee (AAC)

considered the 2026 Williamson Act Applications on October 16, 2025. The APRC and AAC's recommendations will be provided in the Board Report for the Public Hearing on December 9, 2025.

FINANCING:
In the event that the Board of Supervisors decides to approve the applications and enter into these Contracts at the December 9, 2025, hearing, the assessed valuation of properties placed under said Contracts shall be reduced to their respective restricted values, resulting in a property tax reduction. An estimate of the net tax reduction will be provided in the Board Report for the Public Hearing on December 9, 2025.

Before the Board of Supervisors in and for the
County of Monterey, State of California

Resolution No. 03-383:
Amend Resolution No. 01-485, Amending Procedure for Agricultural Preserves, to include the word "usually" into item no. 1 of "the list of compatible uses within Agricultural Preserves," to read as follows: "The drying, packing or other processing of an agricultural commodity usually performed on the premises where it is produced."

WHEREAS, the Board of Supervisors recognizes a clerical error that inadvertently omitted the word "usually" in item no. 1 of the County's list of compatible uses within Agricultural Preserves found in Resolution No. 01-485 approved by the Board on December 11, 2001, and

WHEREAS, the Board of Supervisors recognizes that by re-inserting the word, the list of Board-approved Agricultural Preserve compatible uses will be consistent with the Farmland Security Zone compatible uses found in Resolution No. 01-486 that was also approved by the Board on December 11, 2001.

NOW, THEREFORE, BE IT RESOLVED THAT the Board of Supervisors amends Resolution No. 01-485, Amending Procedure for Agricultural Preserves, to include the word "usually" into item no. 1 of "the list of compatible uses within Agricultural Preserves," to read as follows:

> **"The drying, packing or other processing of an agricultural commodity usually performed on the premises where it is produced."**

PASSED AND ADOPTED on this 25th day of November, 2003, by the following vote, to-wit:

AYES: SUPERVISORS CALCAGNO, LINDLEY, JOHNSEN, POTTER and ARMENTA

Before the Board of Supervisors in and for the County of Monterey, State of California

Resolution No. 01-485 --)
Amending Procedure for)
Agricultural Preserves . . . . .)

WHEREAS, the Land Conservation Act of 1965, as amended, (Government Code, title 5, Division 1, Part 1, Chapter 7), authorizes counties to establish agricultural preserves; and

WHEREAS the purpose of this Act is to maintain the agricultural economy of California by providing an incentive to continue the agricultural use of land; and

WHEREAS, the Board of Supervisors of Monterey County finds that it can assist in maintaining the agricultural economy of California by establishing agricultural preserves and entering into land conservation contracts as authorized by said Act.

NOW, THEREFORE, BE IT RESOLVED that the following procedures shall be used in the County of Monterey for initiating, filing and processing requests to establish agricultural preserves:

1. Applications, an original and four copies, to establish agricultural preserves, shall be filed with the Clerk of the Board of Supervisors on forms provided by said Clerk. Said application and copies shall be filed on or before **September 15th** of each year. The application shall set forth the identity of the owners of the property located within the proposed preserve, a legal description of the property together with Assessor's parcel number or numbers, the size or acreage of the property, and shall have attached thereto a Title Company Lot Book Report which said report shall contain a plat or map of the property accurately showing the exterior boundaries thereof. The application shall also show that the property is being used for commercial agricultural purposes and uses compatible therewith and shall show the rental history or income and expense history for the past three years. The application shall further state that the applicant and the owners request that appropriate steps be taken to reclassify said property into an appropriate agricultural zoning district and that the applicant and the owners desire to enter into a Land Conservation Contract with the County which qualifies as an "enforceable restriction" as that term is used in Revenue and Taxation Code Section 422.

2. The application shall be accompanied by non-refundable fee of $200.00 provided, however, where the application or applications are to place more than one parcel of property under separate ownerships into one preserve the fee shall by $200.00 plus $50.00 for each additional parcel over one under separate ownership.

3. When filed, within ten (10) days of filing, the Clerk shall forward a copy of the application, together with a transmittal memo indicating the date filed, and whether the application was timely filed, to the Assessor, to the Director of Planning and Building Inspection, to the County Counsel, and to the Agricultural Commissioner and/or their designees for their recommendations. The Director of Planning shall submit a report as required by Section 51234 of the Government Code.

4. The Clerk of the Board of Supervisors shall place the matter upon the agenda of the Board of Supervisors. If the Board determines that said application should be granted, the Clerk shall give notice in accordance with the provisions of California Government Code Sections 51230 and 51233.

5. The Board will establish agricultural preserves by resolution. Said resolution shall contain a finding of authorized uses which are compatible with the agricultural uses within the preserve and shall also contain any uniform rules to be adopted for the administering of the preserve.

6. Upon filing the application, the owners of land within the proposed agricultural preserve shall file a request with the Clerk of the Board of Supervisors to enter into a land conservation contract with the County.

7. The Board by resolution shall authorize and direct the Chair of the Board of Supervisors to sign land conservation contracts with the owners of any land within the agricultural preserve.

8. It shall be the policy of the County to establish preserves where qualifications have been met and there is reasonable certainty that contracts will be concluded within a reasonable length of time.

9. It shall also be the policy of this Board to enter into land conservation contracts (a) which provide for a minimum effective period of 20 years; (b) which restrict the use of land to commercial agricultural uses and to uses compatible therewith stated in the agreement; (c) which provide that such contract may not be canceled prior to the date of expiration by their own terms except as provided in said Land Conservation Act, and (d) which also provide for the payment of deferred taxes to the County, unless waived by the Board of Supervisors with the approval of the Secretary of the Resources Agency after the Board's determination that continuation of the contract conditions would seriously jeopardize public health or safety, and upon such cancellation the payment of the same amount and in the same manner as provided by Sections 51283 and 51283.1 of the Government Code.

10. It is further the policy of this Board to provide in such contracts that they shall be effective on the last day of December, prior to the lien date of January first, of the succeeding year, that each shall provide for automatic annual renewal for a period of one year unless notice of non-renewal is given as provided by Section 51245 of

the Government Code. All land conservation contracts and notices of non-renewal thereof shall be recorded by the County. Such contracts shall be binding upon all subsequent transferees of any interest in the real property subject thereto.

11. It is further the policy of this Board to approve only agricultural preserves and land conservation contract applications meeting the following conditions:

a. If located within one mile of a city, said city neither protests the establishing of the preserve nor the execution of the contract.

b. Land Use. To be considered for inclusion in an agricultural preserve, land must have a recent history of use primarily for the production of food and fibre products for commercial purposes. Use for the production of such products for three out of the last five years shall be required, unless a bona fide commitment to such use is clearly evidenced by shorter use after a material change of circumstances, such as in the case of substantial capital investment to improve previously unimproved property for agricultural purposes or recent availability of agricultural water. "Commercial purposes" shall be interpreted to require that most products produced thereon are sold in normal marketing channels.

c. Minimum size and gross income. Applications for establishment of an agricultural preserve will not be considered unless the parcel or group of contiguous parcels to be included in the preserve contains 100 or more acres and shall have had an annual gross income during three of the last five years from the production of animals and/or unprocessed agricultural plant products of not less than $8,000.00, or in the case of recently improved lands, have a potential during the next succeeding year of producing a gross income of $8,000.00 from the production of animals and/or unprocessed agricultural plant products, provided, however, the Board of Supervisors will consider establishing agricultural preserves of less than 100 acres, but of 40 or more acres if it finds that smaller preserves are necessary due to the unique characteristics of the agricultural enterprises in the area and that the establishment of preserves of less than 100 acres is consistent with the general plan of the County.

d. Compatible Uses. Compatible uses permitted on lands within an established "agricultural preserve":

1. Shall not be in conflict or inconsistent with or in violation of the basic underlying zoning applicable to the property;

2. Shall be particularly specified and included in the resolution establishing any preserve; and

3. Shall be reviewed by the Agricultural Preserve Committee for each proposed contract and said Committee shall recommend appropriate adjustments.

PASSED AND ADOPTED this 11th day of December 2001, upon motion of Supervisor Calcagno, seconded by Supervisor Potter, and carried by the following vote, to-wit:

AYES: Supervisors Armenta, Calcagno, Johnsen and Potter.

NOES: None.

ABSENT: Supervisor Pennycook.

I, SALLY R. REED, Clerk of the Board of Supervisors of the County of Monterey, State of California, hereby certify that the foregoing is a true copy of an original order of said Board of Supervisors duly made and entered in the minutes thereof at page -- of Minute Book 70, on December 4, 2001.

SUMMARY OF AGRICULTURAL PRESERVE CONTRACT REQUIREMENTS

(Excerpts from Government Code Sections 51230, 51233, 51234, 51243 (a, b) 51243.5, 51244, 51244.5, Resolution No. 80-529; Resolution No. 99-454).

The Land Conservation Act of 1965, as amended, (Government Code, title 5, Division 1, Part 1, Chapter 7), authorizes counties to establish agricultural preserves; and

The purpose of this Act is to maintain the agricultural economy of California by providing an incentive to continue the agricultural use of land; and

The Board of Supervisors of Monterey County finds that it can assist in maintaining the agricultural economy of California by establishing agricultural preserves and entering into land conservation contracts as authorized by said Act.

The Agricultural Preservation Review Committee consisting of representatives from the Assessor's Office, County Counsel Office, Agricultural Commissioner, Planning & Building Inspection Department shall be responsible for reviewing the following in order to consider the establishment of an Agricultural Preserve Contract:

Establishment of Agricultural Preserve Contract

I. Application

- A. Original and three copies of application
- B. Filed on or before **September 15th**
- C. Name and address of each property owner
- D. Legal description of the property
- E. Size (area) of property
- F. Assessor Parcel Numbers
- G. Title report containing plot or map
- H. Indicate current commercial agricultural use and all other uses
- I. Reclassification request, if required
- J. History of Income & Expense

II. Qualifications

A. Areas of 100 acres or more, or group of contiguous parcels (Gov't. Code Sec. 51230) and

B. Annual gross income during three of the last five years from production of animals and/or unprocessed agricultural plant products of not less than $8,000.00 (Res. 80-529, Para 11 (c)).

C. Areas of less than 100 acres, but of 40 or more acres if necessary to preserve the unique characteristics of the agricultural enterprise, (Gov't Cod'e Sec. 51230, Res. 80-529. Para 11 (c) and

D.. Is consistent with the County General Plan. (Gov't Code Section 51234.)

E. Land has been used for production of food and fibre products for three of last five years. (Res. 80-529, Para 11 (c).)

F. Recently improved lands shall have the potential of a gross $8,000.00 income the next succeeding year. (Res. 80-529, Para 11 (c).)

G. If within one mile of a city, that city has not or will not protest the preserve or contract. (Gov't Code Sections 51233, 51243.5.)

H. The property is zoned an appropriate agricultural designation, or that the proper reclassification be requested at the time the contract is applied for. (Res. 80-529, para 1)

Procedure to make New Contracts

The owner of land applies to the Board of Supervisors on or before **September 15** of each year. The application identifies the owners of the property and, besides a legal description, sets forth a size or acreage of the property. A map accurately showing the exterior boundaries of the property also accompanies the application.

The application should show the rental history or income and expense history of the land for commercial agricultural purposes for the last three (3) years. The owners must also request that property be rezoned into an appropriate district. (Resolution No. 80-529, para 1.)

The application is submitted together with a nonrefundable $200.00 fee plus $50.00 for each additional parcel over one under separate ownership (Resolution No. 80-529, para 2.). Within ten (10) days of filing, the Board Clerk forwards the application, together with a

transmittal memo indicating the date received, and whether the application was timely filed, to the Agricultural Preservation Review Committee, consisting of representatives from the Assessor's Office, County Counsel Office, Agricultural Commissioner, and Planning and Building Inspection Department within thirty (30) days. The Committee reports on whether the agricultural preserve is consistent with the general plan. (Government Code Section 51234, Resolution No. 80-529, para 3.)

The application is to restrict land by contract within an agricultural preserve. The agricultural preserve may include several ownerships. To be considered for inclusion in an agricultural preserve, land must have recent history of use primarily for the production of food and fiber for commercial purposes. An application for the establishment of an agricultural preserve will not be considered unless the parcel or group of contiguous parcels to be included in the preserve contains one hundred (100) or more acres (Government Code Section 51230) and shall have had an annual gross income during three (3) of the last five (5) years of not less than eight thousand dollars ($8,000). (Resolution No. 80-529, paragraph 11 (c).)

The Board of Supervisors will consider establishing agricultural preserves of less than one hundred (100) but more than forty (40) acres if it finds that smaller preserves are necessary due to the unique characteristics of the agricultural enterprise. (Resolution No. 80-529, paragraph 11 (c).) For example, specialty crops.

The owner of the land files an application for the establishment of an agricultural preserve and at the same time files an application to enter into an agricultural land conservation contract. This may be in a new agricultural preserve or in the enlargement of an existing preserve.

The Board, by resolution, establishes agricultural preserves and authorizes the Chair of the board to sign all contracts within the preserve. (Resolution No. 80-529; paragraphs 5, 6, 7.) The Board also establishes compatible uses permitted on lands within an established "agricultural preserve" and this list is appended to each contract. (Resolution No. 80-529, paragraph 11 (d).)

What compatible uses are permitted for an Agricultural Preserve Contract

"Compatible use" is defined in the statute, Section 51201 (e) as follows:

"(e) 'Compatible use' is any use determined by the County or City administering the preserve pursuant to Section 51231 or Section 51238 or by this act to be compatible with the agricultural, recreational, or open-space use of land within the preserve and subject to contract. 'Compatible use' includes agricultural use, recreational use or open-space use unless the Board or Council finds after notice and hearing that such use is not compatible with the agricultural, recreational or open space use to which the land is restricted by contract pursuant to this chapter."

The list of compatible uses within Agricultural Preserves approved by the Board follow:

1. The drying, packing or other processing of an agricultural commodity performed on the premises where it is produced.

2. Structures necessary and incidental to the agricultural use of the land.

3. Single family dwellings incidental to the agricultural use of the land for the residence of the owner, and the family of the owner. Single family dwellings incidental to the agricultural use of the land for the residence of the lessee of the land and the family of the lessee.

4. Dwellings for persons employed by owner or lessee and the family of the employee or lessee incidental to the agricultural use of the land.

5. An aircraft landing strip incidental to the agricultural use of the land.

6. The erection, construction, alteration or maintenance of gas, electric, water or communication utility facilities.

7. The erection, construction, alteration or maintenance of radio, television or microwave antennas, transmitters and related facilities.

8. Public or private hunting of wildlife or fishing.

9. Public or private hunting clubs and accessory structures.

10. Public or private rifle and pistol practice range, trap or skeet field, archery range or other similar use.

11. Public or private riding or hiking trails.

12. Removal of natural materials.

13. Disposal site for oil field wastes, provided that any such use shall be made only in accordance with the use permit and other permits issued by the County of Monterey and the California Regional Water Quality Board and such other governmental authority as may have jurisdiction over this use.

"Wastes received (discharged) at the site have been, and will continue to be, limited to petroleum and oil field wastes, such as muds, oily water, tank bottom wastes, and brine waters."

Before the Board of Supervisors in and for the County of Monterey, State of California

Resolution No. 01-486 --)
Amending Procedure for the Creation of)
Farmland Security Zones and Contracts.)

WHEREAS, the Land Conservation Act of 1965, as amended, (Government Code, title 5, Division 1, Part 1, Chapter 7), authorizes counties to establish agricultural preserves; and

WHEREAS, urgency legislation (SB 1182, Statutes of 1998, Chapter 353, Chaptered 8/24/98) amended the Land Conservation Act of 1965, commonly known as the Williamson Act, to authorize the creation of Farmland Security Zones;

WHEREAS the purpose of this Act is to maintain the agricultural economy of California by providing an incentive to continue the agricultural use of land; and

WHEREAS, the legislature of the State of California finds and declares that it is desirable to expand options available to landowners for the preservation of agricultural land, and has enacted urgency legislation for the establishment of farmland security zones (Government Code Section 51296);

WHEREAS, the Board of Supervisors of Monterey County finds that it can assist in maintaining the agricultural economy of California by creating farmland security zones and entering into farmland security zone contracts as authorized by said Act.

WHEREAS, the Board of Supervisors has considered the Environmental Review through the Initial Study process and determined that the amendment of the procedures would have no potential for significant impact upon the environment.

NOW, THEREFORE, BE IT RESOLVED that the following procedures shall be used in the County of Monterey for initiating, filing and processing requests to create farmland security zones:

1. Applications, an original and four copies, to create farmland security zones for existing agricultural preserves, shall be filed with the Clerk of the Board of Supervisors on forms provided by said Clerk. For new Farmland Security Zones, said Applications shall be accompanied by Applications, an original and four copies, to establish agricultural preserves, which shall also be filed with the Clerk of the Board of Supervisors on forms provided by said Clerk. Said application or applications and copies shall be filed on or before **September 15th** of each year. The application(s) shall set forth the identity of each and every owner of the

property located within the proposed preserve and/or farmland security zone, a legal description of the property together with Assessor's parcel number or numbers, the size or acreage of the property. The application(s) shall have attached thereto a Title Company Lot Book Report which said report shall contain a plat or map of the property accurately showing the exterior boundaries thereof. The application(s) shall also show that the property is being used for commercial agricultural purposes and uses compatible therewith and shall show the rental history or income and expense history for the past three years. The application(s) shall further state that the applicant and each of the owner(s) expressly request(s) that appropriate steps be taken to reclassify said property into an appropriate agricultural zoning district and that a Farmland Security Zone be created, that the applicant and the owners desire to rescind an existing Land Conservation Contract or enter into a Land Conservation Contract and rescind said Land Conservation Contract, in order to simultaneously rescind the Land Conservation Contract, create a Farmland Security Zone and enter into a Farmland Security Zone Contract which qualifies for property tax valuation pursuant to Section 423.4 of the Revenue and Taxation Code and Government Code Section 51296.2, as may be amended from time to time.

2. The application shall be accompanied by non-refundable fee of $200.00 provided, however, where the application or applications are to place more than one parcel of property under separate ownerships into one preserve the fee shall by $200.00 plus $50.00 for each additional parcel over one under separate ownership.

3. When filed, within ten days of filing, the Clerk shall forward a copy of the application(s), together with a transmittal memo indicating the date filed, and whether the application(s) are timely filed, to the Assessor, to the Director of Planning, to the County Counsel, and to the Agricultural Commissioner and/or their designees for their recommendations. The Director of Planning shall submit a report as required by Section 51234 of the Government Code.

4. The Clerk of the Board of Supervisors shall place the matter upon the agenda of the Board of Supervisors. If the Board determines that said application(s) should be granted, the Clerk shall give notice in accordance with the provisions of California Government Code Sections 51230 and 51233.

5. The Board will establish agricultural preserves, and/or Farmland Security Zones, by resolution. Said resolution shall contain a finding of authorized uses which are compatible with the agricultural uses within the preserve or Farmland Security Zone and shall also contain any uniform rules to be adopted for the administering of the preserve and/or Farmland Security Zone.

6. Upon filing the application, the owners of land within the proposed agricultural preserve and/or Farmland Security Zone, shall file a request with the Clerk of the Board of Supervisors to enter into a land conservation contract and/or Farmland Security Zone Contract, as applicable, with the County.

7. The Board by resolution shall authorize and direct the Chair of the Board of Supervisors to sign land conservation contracts and/or Farmland Security Zone contracts with the owners of any land within the agricultural preserve and/or Farmland Security Zone, as applicable.

8. It shall be the policy of the County to establish preserves and/or Farmland Security Zones, where qualifications have been met and there is reasonable certainty that contracts will be concluded within a reasonable length of time.

9. It shall also be the policy of this Board to enter into Land Conservation, and/or Farmland Security Zone contracts, as applicable, (a) which provide for a minimum effective period of 20 years; (b) which restrict the use of land to commercial agricultural uses and to uses compatible therewith stated in the agreement; (c) which provide that such contract may not be canceled prior to the date of expiration by their own terms except as provided in said Land Conservation Act and/or Farmland Security Zone, and (d) which also provide for the payment of deferred taxes to the County, unless waived by the Board of Supervisors with the approval of the Secretary of the Resources Agency after the Board's determination that continuation of the contract conditions would seriously jeopardize public health or safety, and upon such cancellation the payment of the same amount and in the same manner as provided by Section 51283 of the Government Code.

10. It is further the policy of this Board to provide in such contracts that they shall be effective on the last day of December, prior to the lien date of January first, of the succeeding year, that each shall provide for automatic annual renewal for a period of one year unless notice of non-renewal is given as provided by Section 51245 of the Government Code. All land conservation and/or Farmland Security Zone contracts and notices of non-renewal thereof shall be recorded by the County. Such contracts shall be binding upon all subsequent transferees of any interest in the real property subject thereto.

11. It is further the policy of this Board to approve only agricultural preserves and land conservation contract and/or Farmland Security Zone applications and contracts meeting the following conditions:

    a. If located within one mile of a city, said city neither protests the establishing of the preserve nor the execution of the contract. If located within a sphere of influence of a city, the creation of the Farmland Security Zone within the sphere of influence has been expressly approved by resolution by the city with jurisdiction within the sphere.

    b. Land Use. To be considered for inclusion in an agricultural preserve and or Farmland Security Zone, land must have a recent history of use primarily for the production of food and fibre products for commercial purposes. Use for

the production of such products for three out of the last five years shall be required, unless a bona fide commitment to such use is clearly evidenced by shorter use after a material change of circumstances, such as in the case of substantial capital investment to improve previously unimproved property for agricultural purposes or recent availability of agricultural water. "Commercial purposes" shall be interpreted to require that most products produced thereon are sold in normal marketing channels.

c. Minimum size and gross income. Applications for establishment of an agricultural preserve, and/or Farmland Security Zone as applicable, will not be considered unless the parcel or group of contiguous parcels to be included in the preserve contains 100 or more acres and shall have had an annual gross income during three of the last five years from the production of animals and/or unprocessed agricultural plant products of not less than $8,000.00, or in the case of recently improved lands, have a potential during the next succeeding year of producing a gross income of $8,000.00 from the production of animals and/or unprocessed agricultural plant products, provided, however, the Board of Supervisors will consider establishing agricultural preserves and/or creating Farmland Security Zones as applicable, of less than 100 acres, but of 40 or more acres if it finds that smaller preserves and/or Farmland Security Zones as applicable, are necessary due to the unique characteristics of the agricultural enterprises in the area and that the establishment of preserves and/or Farmland Security Zones of less than 100 acres is consistent with the general plan of the County.

d. Compatible Uses. Compatible uses permitted on lands within an established "agricultural preserve" and/or "Farmland Security Zone":

1. Shall not be in conflict or inconsistent with or in violation of the basic underlying zoning applicable to the property;
2. Shall be particularly specified and included in the resolution establishing any preserve and/or Farmland Security Zone;
3. Shall be reviewed by the Agricultural Preserve Committee for each proposed contract and said Committee shall recommend appropriate adjustments.
4. Shall not be based on the compatible use provisions contained in Government Code Section 51238.1(c). (Government Code Section 51296.7).

e. Prime Agricultural Land. Applications for Farmland Security Zones shall not be considered unless the property is predominantly prime agricultural land as defined in Government Code Section 51201(c), or designated on the Important Farmland Series Maps, prepared pursuant to Government Code Section 65570 as predominantly one or more of the following: (1) prime

farmland; (2) farmland of statewide significance; (3) unique farmland; (4) farmland of local importance.

f. The property is not enforceably restricted pursuant to the Open-Space Easement Act of 1974 (commencing with Government Code Section 51070).

PASSED AND ADOPTED this 11th day of December, 2001, upon motion of Supervisor Calcagno, seconded by Supervisor Potter, and carried by the following vote, to-wit:

J. Prime Agricultural Land. Applications for Farmland Security Zones shall not be considered unless the property is predominantly prime agricultural land as defined in Government Code Section 51201(c), or designated on the Important Farmland Series Maps, prepared pursuant to Government Code Section 65570 as predominantly one or more of the following: (1) prime farmland; (2) farmland of statewide significance; (3) unique farmland; (4) farmland of local importance.

K. The property is not enforceably restricted pursuant to the Open-Space Easement Act of 1974(commencing with Government Code Section 51070.

Procedure to make New Contracts

The owner of land applies to the Board of Supervisors on or before September 15th of each year. The application identifies each of the owners of the property and, in addition to a legal description, sets forth the size or acreage of the property. A map accurately showing the exterior boundaries of the property also accompanies the application.

The application should show the rental history or income and expense history of the land for commercial agricultural purposes for the last three (3) years. The owners must also expressly request that the property be rezoned into an appropriate district and that a Farmland Security Zone be created.

The application is submitted together with a nonrefundable $200.00 fee plus $50.00 for each additional parcel over one under separate ownership. The Board Clerk forwards the application (together with a transmittal memo indicating the date the application(s) is/are received, and whether the application(s) is/are timely filed), to the Agricultural Preservation Review Committee, consisting of representatives from the Assessor's Office, County Counsel Office, Agricultural Commissioner, and Planning and Building Inspection Department within ten (10) days. The Committee reports on whether the agricultural preserve is consistent with the general plan. (Government Code Section 51234, Resolution No. 80-529, para 3.)

The application(s) is/are to restrict land by contract within an agricultural preserve and/or Farmland Security Zone as applicable. The agricultural preserve may include several ownerships. To be considered for inclusion in an agricultural preserve and/or Farmland Security Zone as applicable, land must have recent history of use primarily for

the production of food and fiber for commercial purposes. An application for the establishment of an agricultural preserve, and/or creation of a Farmland Security Zone as applicable, will not be considered unless the parcel or group of contiguous parcels to be included in the preserve contains one hundred (100) or more acres (Government Code Section 51230) and shall have had an annual gross income during three (3) of the last five (5) years of not less than eight thousand dollars ($8,000). (Resolution No. 80-529, paragraph 11 (c).)

The Board of Supervisors will consider establishing agricultural preserves and/or creating Farmland Security Zones as applicable, of less than one hundred (100) but more than forty (40) acres if it finds that smaller preserves, and/or Farmland Security Zones as applicable, are necessary due to the unique characteristics of the agricultural enterprise. (Resolution No. 80-529, paragraph 11 (c).) For example, specialty crops.

The owner of the land files an application for the creation of a Farmland Security Zone and at the same time files an application to enter into a Farmland Security Zone contract. This may be in a new Farmland Security Zone or in the enlargement of an existing preserve and/or Farmland Security Zone as applicable.

The Board, by resolution, establishes Farmland Security Zones and authorizes the Chair of the Board to sign the contracts within the Farmland Security Zones as applicable. The Board also establishes compatible uses permitted on lands within the "Farmland Security Zones" and the applicable list is appended to each contract.

What compatible uses are permitted for a Farmland Security Zone Contract

"Compatible use" is defined in the statute, Section 51201 (e) as follows:

"(e) 'Compatible use' is any use determined by the County or City administering the preserve pursuant to Section 51231 or Section 51238 or Section 51238.1 or by this act to be compatible with the agricultural, recreational, or open-space use of land within the preserve and subject to contract. 'Compatible use' includes agricultural use, recreational use or open-space use unless the Board or Council finds after notice and hearing that such use is not compatible with the agricultural, recreational or open space use to which the land is restricted by contract pursuant to this chapter."

The list of compatible uses approved by the Board within Farmland Security Zones follow:

1. The drying, packing or other processing of an agricultural commodity usually performed on the premises where it is produced.

2. Structures necessary and incidental to the agricultural use of the land.

3. Single family dwellings incidental to the agricultural use of the land for the residence of the owner, and the family of the owner. Single family dwellings

incidental to the agricultural use of the land for the residence of the lessee of the land and the family of the lessee.

4. Dwellings for persons employed by owner or lessee and the family of employee or lessee incidental to the agricultural use of the land.

5. An aircraft landing strip incidental to the agricultural use of the land.

6. The erection, construction, alteration or maintenance of gas, electric, water or communication utility facilities.

7. The erection, construction, alteration or maintenance of radio, television or microwave antennas, transmitters and related facilities.

8. Public or private hunting of wildlife or fishing.

9. Public or private hunting clubs and accessory structures.

10. Public or private rifle and pistol practice range, trap or skeet field, archery range or other similar use.

11. Public or private riding or hiking trails.

12. Removal of natural materials.

13. Disposal site for oil field wastes, provided that any such use shall be made only in accordance with the use permit and other permits issued by the County of Monterey and the California Regional Water Quality Board and such other governmental authority as may have jurisdiction over this use.

    "Wastes received (discharged) at the site have been, and will continue to be, limited to petroleum and oil field wastes, such as muds, oily water, tank bottom wastes, and brine waters."

14. Shall not be based on the compatible use provisions contained in Government Code Section 51238.1(c). (Government Code Section 51296.7).

Current Status: Agenda Ready
Matter Type: Ordinance

Introduce, waive reading, and set December 9, 2025, at 10:30 a.m. as the date and time for a public hearing to consider adoption of an ordinance:
a. To make express findings that County amendments to the 2025 California Building Standards Code are reasonably necessary due to local climatic, geological or topographical conditions; and
b. To repeal the 2022 California Building Standards Code with County amendments and adopt the 2025 California Building Standards Code with County amendments.

RECOMMENDATION:
Introduce, waive reading, and set December 9, 2025, at 10:30 a.m. as the date and time for a public hearing to consider adoption of an ordinance:
a. To make express findings that County amendments to the 2025 California Building Standards Code are reasonably necessary due to local climatic, geological or topographical conditions; and
b. To repeal the 2022 California Building Standards Code with County amendments and adopt the 2025 California Building Standards Code with County amendments.

SUMMARY:
The International Code Council (ICC) revises and publishes model building codes on a three-year cycle. In about a six-month period after ICC publication, the State of California, through a variety of its agencies, adopts the ICC codes with amendments. The model codes include main branches of construction such as the building, fire, residential, plumbing, mechanical, and electrical codes. Also included are the model codes dealing with energy consumption and efficiency, green building and waste reduction, historic buildings and existing buildings. The formal names include the California Building Code, the California Fire Code, etc. The California model building codes were published on July 1, 2025, and will become effective January 1, 2026.

The State of California affords local jurisdictions 180 days to make any local amendments that are reasonably necessary due to local conditions including climate, geography, and topography. If no local amendments are adopted, local jurisdictions can adopt the model codes without modification. Local amendments that are equal to or more stringent than state provisions can be made; however, local jurisdictions cannot relax state codes. Local amendments must be filed with the State's Building Standards Commission and the California Energy Commission. Amendments or changes to the model codes are administered by the State's Building Standards Commission. Amendments or changes to the energy codes are administered by the State's California Energy Commission.

The 2025 code edition will replace the 2022 code volumes. As indicated, the County may make changes or modifications in the state-mandated standards upon express findings that the changes or

modifications are "reasonably necessary because of local climatic, geological or topographical conditions" (Health and Safety Code sections 17958.7, 18941.5). Accordingly, the proposed ordinance amends several chapters of Title 18 of the Monterey County Code to repeal the 2022 California Buildings Standards Code with local amendments and to adopt the 2025 California Building Standards Code with local amendments (**Attachment A**).

DISCUSSION:

During the 2024 Triennial Code Adoption Cycle, California state agencies reviewed the most recent edition of national model codes and standards and made amendments and additions to most parts of the California Building Standards Code, Title 24 of the California Code of Regulations (Title 24). The state has produced a publication (**Attachment B**) containing information regarding substantive changes related to the 2025 edition of Title 24.

Specific to Part 6 California Energy Code, the 2025 Energy Code builds on California's technology innovations, encouraging inclusion of market-ready electric products in new construction, such as heat pumps for climate control and water heating. The update also requires all new homes be electric-ready. That means buildings with gas stoves have the electrical panels and wiring to support a switch to electric stoves. For newly constructed residential buildings, the prescriptive compliance path now mandates all-electric heat pump systems for space and water heating, and gas furnaces require the more complex performance compliance method. Further advancements and cost reductions will continue to expand electric options for heating, cooking, laundering, and EV charging to meet all Californians' needs. These are crucial steps in the state's progress toward 100 percent clean electricity and carbon neutrality by midcentury, or earlier. A summary of the proposed 2025 Energy Code updates is provided in **Attachment C**.

The proposed ordinance adopts the entirety of the 2025 California Building Standards Code into the Monterey County Code, including certain administrative and enforcement provisions, with County amendments based on Monterey County's unique local climate, geography, and topography.

The following publications will be adopted by reference and incorporated in Title 18 of the Monterey County Code, except as expressly amended: The 2025 edition of Title 24, California Code of Regulations ("CCR") consisting of the following Parts:

- Part 1 California Administrative Code
- Part 2 California Building Code
- Part 2.5 California Residential Building Code
- Part 3 California Electrical Code
- Part 4 California Mechanical Code
- Part 5 California Plumbing Code
- Part 6 California Energy Code
- Part 8 California Historical Building Code
- Part 9 California Fire Code
- Part 10 California Existing Building Code
- Part 11 California Green Building Standards Code (*CALGreen Code*)
- Part 12 Reference Standards Code

Note that there were no significant updates to the California Historical Building Code, Part 8 of Title 24, and Part 7 is vacant. There were no changes to Part 8 because the State Historical Building Safety Board adopted the 2025 California Historical Building Code by carrying forward existing provisions from the 2022 edition without further amendment.

All of these "Parts" make up the Building Code. The ordinance also includes locally adopted standards such as a Property Maintenance Code. All local amendments to the building standards for Monterey County remain the same as the local amendments approved in previous code cycles.

The amendments to the local Fire Code reflect a consensus among all fire districts regarding code content. Thus, the amended local Fire Code applies across division lines, eliminating need for multiple codes. Fire Codes are part of the Building Code, subject to interpretation by the County's Building Official. Monterey County defers inspection of fire codes to the responsible fire district/agency.

OTHER AGENCY INVOLVEMENT:
County Counsel has approved the ordinance as to form.

FINANCING:
Building permit fees are based on estimated construction valuation. Staff does not anticipate any change in revenue as a result of these Code changes.

Funding for staff time associated with this project is included in the FY2025-26 Adopted Budget within Community Development, Appropriation Unit HCD002, Unit 8543.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:
The Board of Supervisors Strategic Initiatives include objectives to:
- Improve efficiency and effectiveness of County services (Administration).
- Improve health and quality of life the County supported policies, programs and services (Health and Human Services)
- Create a safe environment (Public Safety)

HCD has Key Performance Measures to implement the Board's Strategic Initiatives by improving the permit process. Building Codes are designed for public safety and environmental sustainability. The adoption of the 2025 Building Standards Code with local amendments will allow for efficient and effective County buildings services that are updated in conformity with updated state standards.

ORDINANCE NO. ____

AN ORDINANCE OF THE COUNTY OF MONTEREY, STATE OF CALIFORNIA, AMENDING TITLE 18 OF THE MONTEREY COUNTY CODE TO REPEAL THE 2022 CALIFORNIA BUILDING STANDARDS CODE WITH LOCAL AMENDMENTS AND ADOPT THE 2025 CALIFORNIA BUILDING STANDARDS CODE WITH LOCAL AMENDMENTS

County Counsel Summary

This ordinance amends the Monterey County Code to repeal the 2022 California Building Standards Code with County amendments and adopt the 2025 California Building Standards Code with County amendments to form the Building Standards Code of Monterey County. The 2025 California Building Standards Code, applicable throughout California, becomes effective as of January 1, 2026. This ordinance adopts the state standards with more restrictive local amendments applicable in the unincorporated area of Monterey County based on express findings that the County amendments are reasonably necessary because of local climatic, geological, and topographical conditions.

The Board of Supervisors of the County of Monterey ordains as follows:

SECTION 1. FINDINGS AND DECLARATIONS.

A. Pursuant to Article XI, section 7 of the California Constitution, the County of Monterey may adopt and enforce ordinances and regulations not in conflict with general laws to protect and promote the public health, safety, and welfare of its citizens.

B. The 2025 California Building Standards Code contain building standards that establish the minimum requirements to safeguard the public health, safety and general welfare through structural strength, means of egress facilities, stability, sanitation, adequate light and ventilation, energy conservation and safety to life and property from fire, earthquakes, flood and other human-made and natural hazards, and to provide safety to firefighters and emergency responders during emergency operations.

C. The 2025 California Building Standards Code includes the 2025 California Building Code, 2025 California Residential Code, 2025 California Electrical Code, 2025 California Mechanical Code, 2025 California Plumbing Code, 2025 California Energy Code, 2025 California Historical Building Code, 2025 California Fire Code, 2025 California Existing Building Code, 2025 California Green Building Standards Code, and the 2025 California Reference Standards Code.

D. State law requires that the 2025 California Building Standards Code become effective throughout the state 180 days after its publication, which is not later than January 1, 2026.

E. California Health and Safety Code sections 13869.7, 17958.7 and 18941.5 provide that the governing body of the local government may make changes or modifications to the California Building Standards Code based upon express findings that such changes or modifications are reasonably necessary because of local climatic, geological or topographical conditions, provided that such changes or modifications are more restrictive building standards than those contained in the California Building Standards Code.

F. Pursuant to AB 130 (2025), and the amendments to California Health and Safety Code Sections made thereunder, from October 1, 2025 to June 1, 2031, cities and counties are generally prohibited from making certain changes to said codes unless, among other qualifying conditions, the changes or modifications are substantially equivalent to changes or modifications that were previously filed by the governing body of the city or county and were in effect as of September 30, 2025.

G. The Board of Supervisors desires to adopt the 2025 California Building Standards Code with changes or modifications based upon express findings that such changes or modifications are reasonably necessary because of local climatic, geological or topographical conditions, and that such changes or modifications are more restrictive building standards than those contained in the California Building Standards Code, and, furthermore, based upon the express findings that these changes or modifications are substantially equivalent to changes or modifications that were previously filed and were in effect as of September 30, 2025.

H. The Board of Supervisors makes the following express findings to support changes and modifications to the 2025 California Building Standards Code for the County of Monterey:

1. <u>Climatic</u>

The climate of Monterey County is regulated by its proximity to the Pacific Ocean, resulting in a cool-summer Mediterranean climate. Monterey County's average yearly high temperature is 68.6°F and average yearly low temperature is 46.7°F. Average annual precipitation is 18.3 inches with most rainfall occurring between October and April, and little to no precipitation falling during the summer months. Mean annual precipitation in Monterey County ranges from slightly less than 11 inches in the Salinas Valley to over 70 inches in the coastal mountains. Summers in the coastal regions of Monterey County are often cool and foggy. During winter, snow occasionally falls in the higher elevations of the Santa Lucia Mountains and Gabilan Mountains that overlook Monterey County, but snow in Monterey County itself is extremely rare. Annually, there are an average of 15 days with 90°F+ highs, and an average of 13 days with lows reaching the freezing mark or lower.

The amendments to the California Building Standards Code made by this ordinance are necessary for the preservation of the public health and safety and welfare due to the unique local climatic conditions found within Monterey County. Some areas of Monterey County are subject to localized and widespread floods and wildfires that have historically isolated areas of the County from others, making timely, effective emergency response difficult for the duration of the emergency. As such, buildings need to be designed and constructed to stricter fire and

structural safety standards utilizing fire resistant building materials that are vital to ensure the life, health, and safety of the building occupants and responding fire personnel. These amendments are substantially equivalent to changes or modifications that were previously filed and were in effect as of September 30, 2025.

2. <u>Geological</u>

Monterey County lies within the California Coast Ranges, a region that rides on both the Pacific and North American tectonic plates. Regional tectonic forces generate an estimated relative motion between the North American and Pacific plates of approximately two inches per year. Over time, these forces have created the varied mountains and valleys seen in Monterey County today. There are four faults of concern in the Monterey County with the San Andreas and San Gregorio Faults considered the most active with evidence of historic or recent movement which form the eastern and western boundaries of the Salinian block. Seismic hazards in the County could potentially include surface rupture associated with an active fault, ground shaking during an earthquake, and seismically-induced ground failure, including liquefaction (the process in which water saturated sand and silt acquire some of the properties of a liquid and potentially become incapable of supporting structures).

The Salinas Valley is a 120-mile long and up to six-mile wide northwest trending tectonic basin located in the central part of the California Coast Ranges in Monterey County. The Salinas River eroded a valley well below elevation of the bottom of the present Salinas Valley. Sediments being transported in the Salinas River in this earlier Salinas Valley consist of sand and gravel. Valleys which are tributary to the Salinas River downstream of Salinas contain basin deposits that were also deposited during the late Pleistocene/Holocene sea level rise. These basin deposits have a somewhat different mix of sediments from those found in the main Salinas Valley. The basin deposits consist of unconsolidated plastic clay and silty clay with much organic matter, and they locally contain thin layers of silt and silty sand.

Fine-grained estuary deposits are present for no more than two or three miles to the south of Salinas, a result of being far enough from the ocean that it was not flooded during the late Pleistocene sea level rise. Pleistocene sediments in the southern part of the Salinas Valley consist predominantly of sand and gravel.

The amendments to the California Building Standards Code made by this ordinance are necessary for the preservation of the public health and safety and welfare due to the unique local geological conditions found within Monterey County. Monterey County is subject to earthquakes that have historically damaged roads normally used for emergency access, resulting in significantly increased response times to emergencies from responders. Stricter building standards requiring automatic fire sprinkler systems and stronger structural design criteria are necessary to prevent damage to buildings, thereby decreasing the chance of injury or death for both building occupants and responding fire personnel. These amendments are substantially equivalent to changes or modifications that were previously filed and were in effect as of September 30, 2025.

3. Topographical

Monterey County encompasses over 2.1 million acres of which approximately 1.2 million acres are forest and rangeland. Monterey County has miles of wild land urban interface, where backyards of homes meet the natural vegetation (coastal sage scrub and chaparral) in canyons and on hillsides. Access is made difficult by terrain that includes hills, mountains and canyons characterized by steep slopes, deeply incised canyons and narrow valleys. Elevations range from sea level to over 5,800 feet above mean sea level. These varying topographic conditions create delays for emergency personnel during fire events.

The Salinas Valley is bounded on the northeast by the Gabilan Highlands and to the southwest by both the Santa Lucia Range and, in the northern part of the valley, by low hills formerly occupied by the former Fort Ord. To the north of Soledad, the Gabilan Highlands are called the Gabilan Range. The Gabilan Range reaches a maximum elevation of approximately 3,600 feet at Gabilan Peak. To the south the Gabilan Highlands reach a maximum elevation of approximately 2,600 feet. On the southwest side of the valley and to the south, the Santa Lucia Range rises steeply from the southwest edge of the Salinas Valley, reaching a maximum elevation of approximately 5,600 feet.

The amendments to the California Building Standards Code made by this ordinance are necessary for the preservation of the public health and safety and welfare due to the unique local topographical conditions found within Monterey County. The terrain in County of Monterey varies from near sea level in the west to extremely steep mountains in the east, with numerous rivers and streams flowing through the County that create differing impediments to public safety access to areas of the County. Stricter building standards for buildings that may be inhabited require automatic fire sprinkler systems and stronger structural design to prevent damage to buildings, thereby decreasing the chance of injury or death for both building occupants and responding fire personnel. These amendments are substantially equivalent to changes or modifications that were previously filed and were in effect as of September 30, 2025

4. Prior local amendments

These amendments are substantially equivalent to changes or modifications that were previously filed and were in effect as of September 30, 2025. By Ordinance No. 5389 adopted on December 6, 2022, the County adopted certain local amendments to the 2022 California Buildings Standards Code based upon express findings that the local amendments were reasonably necessary because of local climatic, geological, or topographical conditions. Those previously adopted amendments are codified in several chapters of Title 18 of the Monterey County Code. This ordinance amends Title 18 to repeal the 2022 California Building Standards Code and its local amendments, to incorporate the 2025 California Buildings Standards Code, and to adopt local amendments to it, including previously adopted amendments which continue to be and are reasonably necessary because of the local climatic, geological, or topographical conditions described above. Accordingly, this ordinance readopts the same local amendments to the 2025 California Building Standards Code as previously made to the 2022 California Building Standards Code in addition to adopting new modifications to the 2025 California Building Standards Code.

5. Emergency Life-Safety Findings for Local Residential Amendments

Supplemental Finding - Seismic Reinforcement (R403.1.3, R602.10)

Finding:

Monterey County is located in an exceptionally high seismic risk area, bisected by major active fault systems, including the San Andreas and San Gregorio faults, and has soils subject to liquefaction in the Salinas Valley. Historical earthquakes have caused severe ground shaking and structural damage within the County, and post-event rescue and medical response is hindered by the County's mountainous terrain and vulnerable transportation corridors. To prevent or reduce structural collapse and loss of life during seismic events, reinforced foundations and limiting weaker bracing methods is reasonably necessary due to these unique geological and seismic conditions.

Supplemental Finding - Roof Coverings (Class B minimum, Class A in hazard zones, 1505-1505.14)

Finding:

Wildfire history in Monterey County demonstrates that rapid fire spread can occur even outside of mapped Very High Fire Hazard Severity Zones, with grassland and agricultural fires extending into residential areas due to high wind conditions, chaparral vegetation, and steep topography. A minimum Class B roof covering for all dwellings, and Class A within Very High Fire Hazard Severity Zones for all residential structures, is reasonably necessary to reduce ignition risk and protect occupants until firefighting resources arrive. These requirements are based upon unique climatic and topographic emergency conditions in Monterey County.

Supplemental Finding - Residential Fire Sprinklers (901.11.3.1.1 & 901.11.3.1.3)

Finding:

Due to Monterey County's extensive Wildland-Urban Interface, history of catastrophic fires (including but not limited to the Soberanes Fire of 2016, the Basin Complex Fire of 2008, and the River Fire of 2020, and prolonged emergency response times caused by mountainous topography and limited access routes, automatic fire sprinkler systems are reasonably necessary to provide occupants with critical life and safety protection prior to emergency responder arrival. The re-adoption of enhanced fire sprinkler provisions constitutes unique climatic, topographic, and fire emergency conditions referenced in prior local amendment adoptions, thereby decreasing the chance of injury or death for both building occupants and responding fire personnel.

Supplemental Finding - Residential Solar PV Systems (1205.1.1.1, 1205.1.1.2, 1205.1.1.3)

Finding:

High rates of residential solar adoption in the County, combined with delayed emergency response and topographic constraints, create unique hazards for firefighters during wildfire and seismic events. During these events, residential rooftop photovoltaic systems present significant

hazards to firefighting operations by obstructing roof ventilation and creating electrocution risks. Enhanced Fire Code provisions for photovoltaic systems are thus reasonably necessary to protect emergency responders and residents to ensure safe emergency operations, reduce fire spread, and protect life and safety. These requirements are adopted in response to unique climatic and electrical fire emergency conditions in the County.

Supplemental Finding – Residential Energy Storage Systems (ESS) (Section 1207.4.1.1 and 1207.4.8-6)

Finding:

Monterey County has a high rate of adoption of residential energy storage systems due to widespread solar installations. Lithium-ion battery failures can produce intense thermal runaway events, toxic off-gassing, and delayed ignition, all of which create extreme hazards for residents and responding firefighters. The County's unique topography and rural road network frequently result in extended response times for fire suppression. Enhanced labeling and identification of ESS locations and hazards are reasonably necessary to provide emergency responders with immediate awareness of system type, size, and risk, allowing for rapid protective action to safeguard life safety. These conditions constitute emergency fire safety circumstances within the meaning of state law.

I. The adoption of this ordinance is categorically exempt under the California Environmental Quality Act ("CEQA") pursuant to CEQA Guidelines section 15308 because it protects the environment by enacting local amendments to the California Building Standards Code that provide for stricter building standards due to local climatic, geological, and topographical conditions, as more fully explained in the above findings.

SECTION 2. Chapter 18.00 of the Monterey County Code is readopted to read as follows:

CHAPTER 18.00
GENERAL PROVISIONS

Sections:

18.00.010 Compliance with provisions.
18.00.020 Continuation of public nuisance.
18.00.030 Right of entry.
18.00.040 Refusal to issue permits, licenses or other entitlements.
18.00.050 Restrictions within Monterey Peninsula Water Management District area.
18.00.060 Agrarian Easements.

18.00.010 Compliance with provisions.

It is prohibited to make any use of or to allow any use of a building or structures which are not allowed under this Title. It shall be unlawful for any person, firm or corporation whether as principal agent, employee, landlord, tenant or otherwise to permit, allow or cause the setup, alteration, erection, construction, enlargement, conversion, or maintenance of any building or structure contrary to the provisions of this Title and/or to permit, allow or cause establishment,

operation or maintenance of any use of the land, building or premise which is contrary to the provisions of this Title. Any person violating any provision of this Title, including the violation of any condition of a permit or variance, is guilty of a misdemeanor, unless in the discretion of the prosecution, it is charged as an infraction.

18.00.020 Continuation of public nuisance.

It is prohibited for any person, firm or corporation to maintain, permit, or allow a public nuisance to exist upon his or her property, or premises, or for any person occupying or leasing the property or premises of another to maintain, permit or allow a public nuisance to exist thereon, after reasonable notice in writing from an enforcement officer, to remove, discontinue or abate the nuisance has been served on the person, firm or corporation.

18.00.030 Right of entry.

Whenever there is cause to suspect a violation of any provision of this Title, or whenever necessary to investigate either an application for granting, extension or modification of any application described in this Title, or an action to revoke or modify a discretionary permit, or whenever necessary to investigate a proposed amendment of this Title, the enforcing officers or their duly authorized representatives may enter any site for the purpose of investigation, provided they shall do so in a reasonable manner. No owner or occupant or agent thereof shall, after reasonable notice and opportunity to comply, refuse to permit such entry. In the course of such inspection, no enclosed building or structure shall be entered without the express permission of the owner or occupant. When necessary and with the prior approval of the District Attorney or County Counsel, the responsible enforcing officer may apply to the Court for an inspection warrant.

18.00.040 Refusal to issue permits, licenses or other entitlements.

A. Notice of violation from responsible enforcing officer. Upon notification by the responsible enforcing officer that a violation exists, no department, commission, or public employee of the County of Monterey that is vested with the duty or authority to issue or approve permits, licenses or other entitlements shall issue or approve such permits, licenses or other entitlements where there is an outstanding violation of this Title involving the property upon which there is a pending application for such permit, license or other entitlement except those necessary to abate the violation of this Title, if such are obtainable.

B. Extent of authority to refuse. The authority to refuse to issue permits, licenses or other entitlement shall apply whether the applicant for the permit was the owner of record at the time of such violation or whether the applicant is either the current owner of record or a vendor of the current owner of record pursuant to a contract of sale of the real property, with or without actual or constructive knowledge of the violation at the time of his or her interest in such real property.

C. Written notice to applicant of refusal. Written notice of the refusal to issue shall be mailed to the applicant for the permit, license or entitlement and to the property owner. Such written notice shall include information regarding the specific violation and the action necessary to abate the violation.

D. Right of appeal. If the owner, occupant or his or her authorized agent disagrees

with the determination that a violation of this code exists on the property, he or she may apply for a rescission of the notice of refusal by requesting a hearing before the County Hearing Officer pursuant to the provisions of Chapter 1.22 of the Monterey County Code.

E. Rescission of notice of refusal. The responsible enforcing officer shall rescind the notice of refusal when the violation no longer exists and all required work to abate the violation has been completed and approved as determined by the Building Official or County Hearing Officer on appeal.

18.00.050 Restrictions within Monterey Peninsula Water Management District area.

Permit limits. No building shall be constructed nor shall a permit for the construction of a building be issued on any parcel or lot within the territorial boundaries of the Monterey Peninsula Water Management District, except upon evidence of adequate potable water service, or a current water connection permit from the Monterey Peninsula Water Management District.

18.00.060 Agrarian Easements.

A. Entitlements. Prior to the issuance of any building permit pursuant to Title 18 of this Code, the property owner of property in zoning districts specified in Subsection C of this Section shall execute and record an agrarian easement in a form approved by County Counsel which will preserve and protect agricultural activities as described in Chapter 16.40 of this Code. For the purpose of this Section, an "agrarian easement" is an easement that will allow dust, noise, and odors emanating from lawful agricultural activities on adjoining or proximate real property to burden the property subject to the easement. The requirements of this Section may be waived, or the easement may be released or reconveyed, when the Agricultural Commissioner finds that such requirement is not necessary for the preservation or protection of agricultural activities and such finding is concurred with by the person or decision maker which makes or made the final decision on the entitlement on which the easement may be or was imposed as a condition of approval. This Section shall not apply to legal lots or record which conform to the minimum parcel size requirements of Title 21 of this Code on the effective date of this Chapter.

B. Annexations. The County Administrative Officer shall request the Local Agency Formation Commission to require, as a condition of approval of any annexation of real property into an incorporated city which has not adopted or which does not enforce a similar requirement for agrarian easements, that such annexed territory be subject to an agrarian easement as described in Subsection A of this section, enforceable by the County of Monterey as well as any property owner who may otherwise be protected by such easement.

C. Applicability. The provisions of this Section are applicable throughout the unincorporated areas of the County of Monterey which are specifically classed and zoned as follows:

1. Non-Coastal: Farmlands Zoning District (F), Permanent Grazing Zoning District (PG), Rural Grazing (RG) and Resource Conservation Zoning District (RC).
2. Coastal: Agricultural Preservation (CAP-CZ), Agricultural Conservation (AC-CZ) and Resource Conservation (RC-CZ).

SECTION 3. Chapter 18.01 of the Monterey County Code is readopted with amendments to read as follows:

CHAPTER 18.01
SCOPE AND ADMINISTRATION

Sections:

18.01.010 General.
18.01.020 Applicability.
18.01.030 Department of Building and Safety.
18.01.040 Duties and powers of Building Official.
18.01.050 Permits.
18.01.060 Submittal Document.
18.01.070 Fees.
18.01.080 Building Standards Appeals Board.
10.01.090 Violations.

18.01.010 General.

A. The provisions of this Chapter shall apply to the administration of building standards of the California Building Standards Code as adopted and amended by the County of Monterey, which code shall hereafter be known as the "Building Standards Code for the County of Monterey". Division II of Chapter 1 of Part 2 of Title 24 of the California Code of Regulations, as modified by this Chapter, shall govern the scope and administration of the Building Standards Code for the County of Monterey. References in this Chapter to sections of the "California Building Code" are to sections in Division II of Chapter 1 of Part 2 of Title 24 of the California Code of Regulations.

B. Purpose. The purpose of this Chapter is to establish uniform and coordinated administrative regulations among the various referenced codes that are part of this Chapter. In the event of any differences between these administrative regulations and those found in the referenced codes, the text of these regulations shall govern.

C. Section 101.1 of the California Building Code shall be deleted in its entirety and replaced with the following:

101.1 Title. These regulations shall be known as the Building Standards Code for the County of Monterey, hereinafter referred to as "this code".

D. Section 102.4 of the California Building Code is amended to add the following referenced codes and standards:

1. California Building Code.
2. California Residential Code.
3. California Electrical Code.
4. California Mechanical Code.
5. California Plumbing Code.

6. California Energy Code.

7. California Historical Building Code.

8. California Fire Code.

9. California Existing Building Code.

10. California Green Building Standards Code.

11. California Referenced Standards Code.

12. Codes and standards referenced within each of the above referenced codes.

13. Any local amendments to the referenced codes and standards as adopted and approved by the Board of Supervisors and incorporated into the Monterey County Code.

14. Chapters 16.08, 16.12, 18.14, 18.15, and 18.16 of the Monterey County Code.

18.01.020 Applicability.

Section 102 of the California Building Code is amended to add Section 102.6 to read as follows:

Alterations and repairs. All new work performed in alterations and/or repairs to existing structures shall comply with the current provisions of this Title. When alterations and/or repairs result in the removal, alteration, modification, replacement and/or repair of fifty (50) percent or more of the external walls of a building, and/or result in the removal, modification, replacement and/or repair of fifty (50) percent or more of the existing internal structural and/or non-structural framework, plumbing, mechanical and/or electrical installations, independently or in combination thereof, the entire building shall be made to conform to the current provisions of this Title. The determination under this Section of the requirement for upgrading any existing structure to full conformance with current provisions of this Title shall be at the sole discretion of the Building Official.

18.01.030 Department of Building and Safety.

Section 103.1 of the California Building Code shall be deleted in its entirety and replaced with the following:

103.1 Creation of enforcement agency. The Building Services Unit of the Land Use and Community Development Division of the County Resource Management Agency is hereby designated as the enforcement agency for the administration of this Chapter, and the official in charge thereof shall be known as the Building Official.

18.01.040 Duties and powers of Building Official.

A. Section 104.7 of the California Building Code shall be amended to add Section 104.7.1 to read as follows:

104.7.1 Department records. The Building Official shall maintain sufficient records to show the approved use, occupancy, and type of construction for all structures requiring permits and the Code standards applicable to any existing building as required by state law. Such records shall include any special administrative approvals including alternate materials, methods of design and construction, modifications and tests. The Building Official shall also maintain an official copy of the plans of every building issued a building permit during the life of the building except for any building containing a bank, other financial institution, or public utility. This exception shall not apply to a community apartment project, condominium project, planned development, or a stock cooperative as defined in Section 1351 of the Civil Code.

B. Section 104 of the California Building Code shall be amended to add Sections 104.12 and 104.13 to read as follows:

104.12 License qualified trade persons, special inspectors and approved fabricators. The Building Official is authorized to review and approve license applications for qualified trade persons for annual permits, special inspectors and approved fabricators. A reasonable fee may be charged for this review and approval as prescribed by resolution of the Board of Supervisors.

104.13 Violations of substandard and unsafe buildings.

1. Refusal to issue permits, licenses or approvals. Except for maintenance or emergency repairs, the Building Official may withhold the issuance of any permit, license or other approval under this Chapter when the Building Official determines that reasonable cause exists that a violation of the Monterey County Code exists on the property upon which there is a pending application for such permit, license or approval. The Building Official may withhold the issuance of a permit, license or approval until the applicant provides sufficient evidence to establish that the proposed work or action to be taken will comply will all applicable federal, state, and local laws. The Building Official shall withhold the issuance of any permit, license or approval where there is an outstanding violation of this Title and/or other provisions of the Monterey County Code involving the property upon which there is a pending application for such permit, license or other entitlement except those necessary to abate the violation of this Title or other applicable provision of the Monterey County Code, if such are obtainable.

2. Investigate violations and issue notices and orders. The Building Official shall investigate violations and issue all necessary notices or orders to ensure compliance with this Chapter and may record any such notice or order with the County Recorder as provided for in Monterey County Code Section 1.22.035.

3. Evacuation. The Building Official shall be authorized to order the immediate evacuation of any occupied building or property deemed unsafe when such building or property has hazardous conditions that present imminent danger to its occupants. Persons so notified shall immediately leave the structure or premises and shall not enter or re-enter until authorized to do so by the Building Official.

4. Demolition. The Building Official shall order the owner of any premises upon which is located any structure, which in the Building Official's judgment after review is so deteriorated or dilapidated or has become so out of repair as to be dangerous, unsafe, unsanitary or otherwise unfit for human habitation or occupancy, and such that it is unreasonable to repair

the structure, to demolish and remove such structure. If the owner of such premises fails to comply with a demolition order within the time prescribed, the Building Official shall cause the structure to be demolished and removed, either through an available public agency or by contract or arrangement with private persons. All costs including necessary administrative and overhead costs for such removal shall be borne by the owner. Failure to pay such costs may result in the County placing a lien or other encumbrance on the property title.

5. Closing of vacant structures. If the structure is vacant and unfit for occupancy but not in danger of structural collapse or unsafe for emergency response personnel, the Building Official is authorized to post a placard of condemnation on the premises and order the structure and premises to be boarded and secured against entry so as not to be an attractive nuisance. Upon failure of the owner to comply with such order within the time specified, the Building Official shall cause the structure and premises to be boarded and secured against entry through any available public agency or by contract or arrangement by private persons. Boarding the building for future repair shall not extend beyond one year, unless approved by the Building Official. All costs including necessary administrative and overhead costs for such boarding shall be borne by the owner. Failure to pay such costs may result in the County placing a lien or other encumbrance on the property title.

6. Authority to disconnect service utilities. The Building Official shall have the authority to authorize disconnection of utility service to the building, structure or system regulated by this Chapter and the referenced codes and standards set forth in this Chapter in case of emergency where necessary to eliminate an immediate hazard to life or property or when such utility connection has been made without approval. The Building Official shall notify the serving utility and, whenever possible, the owner and occupant of the building, structure or service system of the decision to disconnect prior to taking such action. If not notified prior to disconnection, the owner or occupant of the building structure or service system shall be notified in writing as soon as practical thereafter.

7. Authority to condemn equipment. When any equipment, or portion thereof, regulated by this Chapter has become hazardous to life, health, or property, or when such equipment has been installed without required approvals, the Building Official is authorized to order that the equipment either be removed or restored to a safe or sanitary condition, as appropriate. When equipment or an installation is to be disconnected, the Building Official shall give written notice of the disconnection and causes therefor as soon as practical to the serving utility, owner, and occupant of the building, structure, or premises.

8. Notice. Whenever the Building Official has condemned a structure or equipment under the provisions of this section, a notice to that effect shall be posted in a conspicuous place in or about the structure affected by such notice. If the notice pertains to equipment, it shall also be placed on the condemned equipment. The notice shall contain a statement of the penalties provided for occupying the premises, operating the equipment or removing the placard. The Building Official shall remove the condemnation notice whenever the defect or defects have been eliminated. Notice shall also be served on the owner of the structure or equipment by personal service or certified or first-class mail addressed to the last known address. If such mailed notice is returned showing that the letter was not delivered, a copy thereof shall be posted in a conspicuous place in or about the structure affected by such notice. Removal of the notice by anyone other than the Building Official is a misdemeanor.

9. Record. The Building Official shall cause a report to be filed on an unsafe condition in the Building Services Unit's records for the property where the unsafe condition exists. The report shall state the occupancy of the structure and the nature of the unsafe condition.

10. Weed abatement. Upon failure of the owner or agent having charge of a property to cut and destroy weeds after service of a notice of violation, the Building Official shall be authorized to enter upon the property in violation and cut and destroy the weeds growing thereon, and the costs of such removal shall be paid by the owner. Failure to pay such costs may result in the County placing a lien or other encumbrance on the property title.

11. Summary abatement. Where conditions exist that are deemed hazardous to life and property, the Building Official is authorized to abate summarily such hazardous conditions that are in violation of this Chapter.

12. Collection of costs. Whenever the County of Monterey or its authorized agent has abated any violation of this Chapter, the Building Official may recover the costs of such enforcement by all available legal means from the owner including but not limited to a lien, encumbrance, or special assessment upon such real estate. When any structure has been ordered demolished and removed, the Building Official shall have the right to sell the salvage and valuable materials at the highest price obtainable. The net proceeds of such sale, after deducting the expenses of such demolition and removal, shall be promptly remitted with a report of such sale or transaction, including the items of expense and the amounts deducted to the owner of the premises. If such a surplus does not remain to be turned over, the report shall so state.

C. Section 111.4 of the California Building Code shall be deleted in its entirety and replaced with the following:

111.4 Suspension and revocation of permit and Certificate of Occupancy. The Building Official may, in writing, suspend or revoke a permit or Certificate of Occupancy issued under the provisions of this Chapter whenever the permit or Certificate of Occupancy has been issued in error, on the basis of incorrect information supplied, without the payment of the required fees, fines or penalties or in violation of any Federal, State or local ordinances or entitlements whenever any work is being done contrary to the provisions of this Chapter. Such local ordinances and entitlements include but shall not be limited to:

1. Any provision of the approved plans, referenced codes, or any other provision of the Monterey County Code, which are applicable to the work.

2. Any conditions of approval required by other departments or agencies within Monterey County, including but not limited to other County departments, fire protection districts, water districts or agencies, which are applicable to the work.

3. Preservation standards for archeological, biological, environmental or historic or other similarly protected resources.

4. Safety and noise standards for onsite use or occupancy, adjacent properties or the public way, as determined by the Building Official.

5. Any administrative citations and compliance orders including the payment of any fines or penalties.

6. Any air or water quality standards, including but not limited to asbestos, lead paint or other hazardous material contamination.

7. Any required license, security or insurance related to the work.

18.01.050 Permits.

A. Section 105.2, Paragraph 1of the California Building Code shall be deleted in its entirety and replaced with the following:

105.2 Work exempt from permit. Exemptions from building permit requirements of this Code shall not be deemed to grant authorization for any work to be done in any manner in violation of the provisions of this Code or any other laws or ordinances of this jurisdiction. Although building permits will not be required as exempted in this section, other agencies or County departments may need to review for compliance with other provisions of the County Code and County regulations. Permits shall not be required for the following:

B. Section 105.2 of the California Building Code shall be amended to add the following exemptions:

Building

14. One-story detached structures used as arbors, pergolas, trellis structures, tool and storage sheds, playhouses and similar uses, provided the floor area does not exceed two hundred forty (240) square feet and the structure does not contain any electrical, plumbing or mechanical work and is not used to store hazardous materials or vehicles. Such structures shall be in substantial conformance with all provisions of this Title and all referenced codes.

15. Decks not exceeding two hundred (200) square feet in area, that are not more than thirty (30) inches above grade at any point, are not attached to a structure and do not serve as a component of any required exit or accessible route.

16. One agricultural building or structure on a lot of record that is 2.5 acres or more in size that is one story in height, provided the floor area does not exceed five hundred (500) square feet and the structure does not contain any electrical, plumbing or mechanical work and is not used to store hazardous materials or vehicles. Such structures shall be in substantial conformance with all provisions of this Title and all referenced codes.

Electrical

Low Voltage Electrical. Electrical wiring, devices, appliances, apparatus or equipment operating at less than twenty-five (25) volts and not capable of supplying more than fifty (50) watts of energy.

Miscellaneous

1. Any other work similar in nature to exempt categories as determined in writing by the Building Official.

C. Section 105.3.2 of the California Building Code shall be deleted in its entirety and replaced with the following:

105.3.2 Time limitation of application.

An application for a permit for any proposed work shall expire one year after the date of filing unless a permit has been issued or the Building Official has granted an extension of time. The permit applicant shall request any desired application extension in writing prior to expiration and provide justifiable cause for any delays in taking action. The Building Official may grant an extension of time up to one additional year to obtain a permit only if the proposed work will comply with all laws in effect at the time of the granting of such extension. A reasonable fee may be charged for any extension as prescribed by resolution of the Board of Supervisors.

D. Section 105.5 of the California Building Code shall be deleted in its entirety and replaced with the following:

105.5 Expiration.

Every permit issued shall become invalid unless the work on the site authorized by such permit is commenced within one year after its issuance, or if the work authorized on the site by such permit is suspended or abandoned for a period of one year after the time work is commenced. Work shall be considered to be suspended and/or abandoned if one or more required County department inspections have not been performed and documented in County records consistent with this Code within the requisite one-year time period. The Building Official is authorized to grant, in writing, one or more extensions of time, for periods up to but not more than one year each. The extension shall be requested in writing prior to expiration, and justifiable cause shall be demonstrated. The Building Official may grant such extension of time to complete the construction only if the proposed work will comply with all laws in effect at the time of granting such extension. A reasonable fee may be charged for any extension as prescribed by resolution of the Board of Supervisors.

18.01.060 Submittal Documents.

A. Section 107.2.2 of the California Building Code shall be deleted in its entirety and replaced with the following:

B.

107.2.2 Fire protection system shop drawings.

Shop drawings for the fire protection system(s) shall be submitted to indicate conformance to this code and the construction documents and shall be approved prior to the start of system installation. Fire sprinkler systems must be submitted by a California licensed C-16 contractor and approved prior to installation. This requirement is not intended to delay issuance of a building permit. A rough sprinkler inspection must be scheduled by the installing contractor and completed prior to requesting a framing inspection. Plans and specifications for the household fire warning system shall be submitted by a California licensed C-10 contractor and approved prior to installation. Household fire warning systems installed in lieu of single-station smoke alarms required by the California Residential Code shall meet the requirements of the California Residential Code. Shop drawings shall contain all information as required by the referenced installation standards in Chapter 9.

B. Section 107.3.3 of the California Building Code shall be deleted in its entirety and replaced with the following:

107.3.3 Phased approval.

The Building Official is authorized to issue a permit for the construction of foundations or any other part of a building or structure before the construction documents for the whole building or structure have been approved, provided that adequate information and detailed documentation have been filed, reviewed and approved demonstrating substantial compliance with applicable provisions of this Chapter and/or referenced codes. The holder of such permit for the foundation or other parts of a building or structure shall proceed at the holder's own risk with the building operation and without assurance that a permit for the entire structure will be granted. Reasonable additional fees as prescribed by resolution of the Board of Supervisors may be assessed for any building or structure submitted for phased approval and/or field inspection.

C. Compliance with other regulations. No permit shall be issued or approved for any proposed work that does not comply with other applicable provisions of the Monterey County Code as determined by the Building Official.

18.01.070 Fees.

Section 109 of the California Building Code shall be deleted in its entirety and replaced with the following:

Section 109 Fees.

A. Payment of fees. A permit shall not be valid until the fees prescribed by resolution of the Board of Supervisors have been paid, nor shall an amendment to a permit be released until the additional fee, if any, has been paid.

B. Schedule of permit fees. On all construction work requiring a permit under this Chapter, a fee for each permit shall be paid as required, in accordance with the fee schedule as approved by the Board of Supervisors in effect at the time of issuance or revision of such permit. Fees for services shall be based on the estimated reasonable cost of providing the services. Costs shall include both direct and indirect costs of providing services according to generally accepted accounting principles.

C. Building permit valuation. The applicant for a permit shall provide an estimated permit value at time of application. Permit valuation shall include the total value of work, including materials and labor, for which the permit is being issued, such as electrical, gas, mechanical, plumbing equipment and permanent systems. If, in the opinion of the Building Official, the valuation is underestimated on the application, the Building Official may determine a minimum building permit valuation by calculation using the most current issue of Building Valuation Data offered by the International Code Council. Final permit valuation consistent with one of these methods shall be set by the Building Official.

D. Work commencing before permit issuance. Any person who commences any work requiring a permit under this Chapter before obtaining the necessary permit shall be subject to additional fees as established by resolution of the Board of Supervisors.

E. Related fees. The payment of the fee for the construction, alteration, removal or

demolition for work done in connection to or concurrently with the work authorized by a permit under this Chapter shall not relieve the applicant or holder of the permit from the payment of other fees that are prescribed by law.

F. Refunds. Refunds for fees on construction work requiring a permit under this Chapter shall be in accordance with the fee refund policy as approved by the Board of Supervisors in effect at the time of request for such refund. Amount of refunds shall be based on the balance of monies remaining from the payment of fees after accounting for the estimated reasonable cost of services provided prior to the voluntary cessation of work and/or the expiration of an un-renewed permit. Application for refunds shall be made in writing within one year from original payment of fees or the date of voluntary cessation of work or permit expiration.

18.01.080 Building Standards Appeals Board.

Section 113 of the California Building Code shall be deleted in its entirety and replaced with the following:

Section 113 Board of Appeals (Building Standards Appeals Board)

A. General. In order to hear and decide appeals of orders, decisions or determinations made by the Building Official relative to the application and interpretation of this Chapter, there shall be and is hereby created a Building Standards Appeals Board. At the request of the fire chief of a local fire protection district, this board may also hear appeals of the orders, decisions or determinations made by the fire chief relative to the application and interpretation of the California Fire Code as adopted and amended by the County of Monterey.

B. Scope of appeals. An application for appeal shall be based on a claim that the true intent of this Chapter or the rules legally adopted there under have been incorrectly interpreted, the provisions of the Chapter do not fully apply, or an equally good or better form of construction is proposed.

C. Limitation on authority. The board shall have no authority to waive or reduce requirements of this Chapter. The board shall have no authority or jurisdiction over any matter that is appealable under the Monterey County Code to any other board, commission or the County Hearing Officer. The board shall not consider the subject matter of any appeal until the appellant provides sufficient evidence to establish that the appeal was filed and applicable fees were paid within the applicable time limits for filing of appeals pursuant to this Chapter.

D. Who may appeal. Any owner whose interests are adversely affected by any order, decision or determination made by the Building Official pursuant to the provisions of this Chapter and within the limits of authority specified herein, may file an appeal to the Building Standards Appeals Board. For purposes of this section, owner means any individual, corporation, partnership, firm or any other group acting as a unit having a legal or equitable interest in the property as recorded in the official records of the Recorder for the County of Monterey, including the guardian or trustee of the estate of any such person, and the executor or administrator of the estate of such person if ordered to take possession of real property by a court.

E. Terms of appointment. Standing members of the board shall be appointed by the Board of Supervisors to serve a term of five years unless removed for cause. Initial appointments for standing members shall consist as follows: one for five years, one for four years, one for three years, one for two years, and one for one year. Thereafter, each new member shall serve for five years. Members may serve following expiration of a term until a successor has been appointed. Alternate members of the board shall be appointed by the Board of Supervisors. Initial appointment of alternate members shall be one for five years and one for three years. Thereafter, each alternate member shall serve for five years. Adjunct members of the board shall be appointed by the Board of Supervisors. Initial appointment of adjunct members shall be one for four years and one for two years for the physically disabled members and one public member for three years. Thereafter, each adjunct member shall serve for five years.

F. Standing members. The board shall consist of five standing members who are qualified by experience and training and specifically knowledgeable in the California Building Standards Codes and applicable local ordinances to pass on matters pertaining to building standards other than those related to accessibility and who are not employees of the County of Monterey. The standard members shall be composed of the following:

1. One State of California licensed architect.

2. One State of California registered civil or structural engineer.

3. One State of California registered mechanical engineer or licensed plumbing (C-36) or warm-air heating, ventilating and air-conditioning (C-20) contractor.

4. One State of California registered electrical engineer or licensed electrical contractor (C-10).

5. One State of California registered fire protection engineer or licensed fire protection contractor (C-16).

G. Alternate members. The board shall also include two alternate members who shall be called by the board chairperson to hear appeals during the absence or disqualification of a member. Alternate members shall be one State of California licensed architect and one State of California registered civil or structural engineer.

H. Accessibility appeal members. When the board considers appeals of orders, decisions or determinations made by the Building Official relative to the application and interpretation of building standards for accessibility, the board shall consist of two standing or alternate members and three adjunct members. Adjunct members shall include two physically handicapped members and one public member. The two standing or alternate members to hear such appeal shall be chosen by the chairperson prior to commencement of the appeal hearing.

I. Conflict of interest. Any standing, alternate or adjunct member shall not hear an appeal in which that member has a personal, professional or financial interest.

J. Filing of appeals. All appeals shall be in writing and shall be specific and in sufficient detail to provide a clear basis for issuing the requested decision. Only those matters or issues specifically raised by the appellant shall be considered in the hearing of the appeal. All

appeals shall be filed with the Building Official within thirty (30) days after written notice of the decision from which the appeal is being taken has been mailed to the applicant. A fee for such appeals shall be established by resolution of the Board of Supervisors and payable at the time of filing. No appeal shall be accepted without the payment of such fee. No part of such fee shall be refundable unless the appeal is timely withdrawn as determined by the Building Official. Refunds shall be made pursuant to the provisions of this chapter.

K. Finality of decisions. The decisions of this board shall be conclusive and final and an exhaustion of administrative remedies.

L. Rules and procedures. The board is authorized to establish policies and procedures necessary to carry out its duties, which shall at a minimum include the following:

1. Chairperson. The board shall annually select one of its members to serve as chairperson.

2. Disqualification of member. A member shall not hear an appeal in which that member has a personal, professional or financial interest.

3. Secretary. The Building Official shall designate a qualified clerk to serve as secretary to the board. The secretary shall file a detailed record of all proceedings in the office of the Building Official.

4. Compensation of members. Members shall serve without compensation but shall receive their actual and necessary travel expenses in the performance of their duties.

5. Quorum and voting. Attendance by three or more members, including alternate and adjunct members as applicable, shall constitute a quorum for all business and decisions. Decisions of the board shall require a majority vote of the quorum.

6. The board shall meet on an as needed basis upon notice from the chairperson of the filing of an appeal.

7. Open hearing. All hearings before the board shall be open to the public. The appellant, the appellant's representative, the Building Official and any person whose interests are affected shall be given an opportunity to be heard.

8. Conduct of hearings. Hearings shall be conducted in a manner that affords the appellant and the Building Official with notice of the hearing, an opportunity to present testimony and witnesses, and to cross examine witnesses. The hearings need not be conducted according to strict rules of evidence, but only relevant information shall be considered. The Board may continue the hearing, including to request additional evidence from the parties. Upon conclusion of the hearing, the Board may take the matter under submission and deliberate in private.

9. Requests for continued and delayed hearings. The board shall adopt rules on the justifying nature and time limits for requests for continued and delayed hearings by the Building Official or appellant.

10. Board decision. The decision of the board shall be by resolution. Certified copies

shall be furnished to the appellant and to the Building Official.

M. Liability. Members of the board while acting for the County of Monterey in good faith and without malice in the discharge of the duties required by this Chapter or other pertinent law or ordinance, shall not thereby be rendered liable personally and are hereby relieved from personal liability for any damage accruing to persons or property as a result of any act or by reason of an act or omission in the discharge of official duties. Any suit instituted against a member of the board because of an act performed by that member of the board in the lawful discharge of duties and under the provisions of this Chapter shall be defended by legal representatives of the County of Monterey until the final termination of the proceedings. The member of the board shall not be liable for cost in any action, suit or proceeding that is instituted in pursuance of the provisions of this Chapter.

18.01.090 Violations.

Section 114 of the California Building Code shall be deleted in its entirety and replaced with the following:

Section 114 Violations

A. Compliance with building standards. It shall be unlawful for any person, firm or corporation to erect, construct, alter, extend, repair, move, remove, demolish or occupy any building, structure or equipment or perform any grading work regulated by this Chapter, or cause same to be done, in conflict with or in violation of any of the provisions of this Chapter.

B. Compliance with permit requirements. It shall be unlawful for any person, firm or corporation to erect, construct, alter, extend, repair, move, remove, demolish or occupy any building, structure or equipment or perform any grading work regulated by this Chapter, or cause same to be done without first obtaining a permit from the Building Official.

C. Expired permits. It shall be unlawful for any person, firm or corporation to fail to obtain final inspection approval from the Building Official on any permit issued pursuant to the provisions of this Chapter prior to its expiration. Expired permits shall be renewed upon subsequent application and shall complete the proposed work in compliance with the current provisions of this Chapter or shall restore the property and building to their former use and configuration.

D. Unreasonable state of partial construction. It shall be unlawful for any person, firm or corporation to permit any building or structure to remain in an unreasonable state of partial construction. An unreasonable state of partial construction exists if any of the following occurs:

1. Proposed work has not been diligently pursued on a consistent basis and the appearance of the structure or the construction site substantially detracts from the appearance of the neighborhood.

2. Condition of the structure or the construction site is detrimental to the public health, safety and welfare.

3. Structure or construction site has become an attractive nuisance.

E. Duty to maintain properties and structures. It shall be unlawful for any person, firm or corporation to fail to maintain any building, structure, equipment, premises or grading work regulated by this Chapter with the provisions of the building standards that lawfully existed at the time of construction or with subsequent minimum maintenance standards established by state or local law or this Chapter for existing buildings and property.

F. Prohibited conditions. It shall be unlawful for any owner to create, maintain or permit the continued existence of any dangerous structure or premises, unsafe condition, unsafe equipment, unsafe structure, any structure that is unfit for human occupancy, any substandard building or premises or any unlawful structure or any other hazards as defined in this Chapter. Such violations are public nuisances and the owner shall abate or cause to be abated or corrected such conditions either by repair, rehabilitation, demolition or other approved corrective action without delay.

G. Prohibition for substandard buildings. It shall be unlawful for any person, firm or corporation to create, maintain or permit the continued existence of a substandard building as defined in this Chapter.

H. Prohibited occupancy. It shall be unlawful for any owner to occupy or permit a person, firm or corporation to occupy any structure or premises condemned and placarded by the Building Official. It shall be unlawful for any person to enter such structure or premises except for the purpose of securing the structure, making the required repairs, removing the hazardous condition or of demolishing the same.

I. Compliance with notices and orders. It shall be unlawful for any person, firm or corporation to fail to comply with any order of the Building Official for the evacuation of any occupied building or property, disconnection of service utilities or equipment, stop work order or the suspension and revocation of permits or certificate of occupancies.

J. Removal of posted notices and orders. It shall be unlawful for any person, firm or corporation to remove or deface any notices or orders posted by the Building Official on any structure or any property until the Building Official gives written approval for such removal.

K. Interference with ordered corrective actions. It shall be unlawful for any person, firm or corporation to obstruct, impede or interfere or attempt to obstruct, impede or interfere with any person engaged in the lawful work of vacating, repairing or demolishing any building, structure, equipment, premises or performing any grading work or performing any necessary act preliminary to or incidental to such work when that action is being taken to correct violations of this Chapter as ordered by the Building Official.

SECTION 4. Chapter 18.02 of the Monterey County Code is readopted with amendments to read as follows:

CHAPTER 18.02
BUILDING CODE

Sections:

18.02.010 Adoption.

Various provisions of the 2025 California Fire Code (CFC) are modified, amended and/or replaced as noted herein.

A. ***Section 101.1 of the CFC is deleted in its entirety and replaced with the following:***

101.1 Title. These regulations shall be known as the Fire Code for the County of Monterey, hereinafter referred to as "Fire Code."

Section 101.2.1 of the CFC is deleted in its entirety and replaced with the following:
101.2.1 Appendices. Provisions in all appendices to the 2025 California Fire Code are hereby adopted in their entirety and shall apply.

Section 102.1 of the CFC is deleted in its entirety and replaced with the following:
102.1 Construction and design provisions. The construction and design provisions of this Code shall apply to:
1. Structures, facilities and conditions arising after the adoption of this Code.
2. Existing structures, facilities and conditions not legally in existence at the time of adoption of this Code.
3. Existing structures, facilities and conditions when identified in specific Sections of this Code.
4. Existing structures, facilities and conditions, which, in the opinion of the Fire Code Official, constitute a distinct hazard to life and property.
5. Existing Structures Alterations, Additions and Repairs.

a. All new work performed in alterations and/or repairs to existing structures shall comply with the current provisions of this Chapter.

b. When alterations and/or repairs result in the removal, alteration, modification, replacement and/or repair of fifty percent (50%) or more of the external walls of a building, or result in the removal, modification, replacement and/or repair of fifty percent (50%) or more of the existing internal structural and/or non-structural framework, independently or in combination thereof, within a five year period, the entire building shall be made to conform to the current provisions of this Chapter.

c. Calculations of linear wall measurements shall be shown on all plans submitted for building permits, on the cover page in the project description of said plans.

d. The determination under this section of the requirement for upgrading any existing structure to full conformance with current provisions of this Chapter shall be at the sole discretion of the Fire Code Official.

Section 103 of the CFC is amended to add Sections 103.0, 103.0.1, 103.0.2 and 103.4 to read as follows:
103.0 Responsibility for enforcement.
103.0.1 Within established fire protection districts and community services districts, responsibility for enforcement of this Code shall be under the direction of the Fire Chief within each district.

103.0.2 In areas of Monterey County outside incorporated cities or organized special districts or fire districts, responsibility for enforcement of this Code shall be under the direction of the Chief Building Official of Monterey County.

103.4 Police powers. The fire code official and his deputies shall have the powers of police officers in performing their duties under this Code. When requested to do so by the fire code official, the chief of police of the jurisdiction is authorized to assign such available police officers as necessary to assist the fire code official in enforcing the provisions of this Code.

Section 105.5 of the CFC is amended to add Section 105.5.0 to read as follows:
105.5.0 Agricultural Explosive Devices. An operational permit is required for storage or use of any agricultural explosive device including "bird bombs".

Section 113.2 of the CFC is deleted in its entirety and replaced with the following:
113.2 Owner/occupant responsibility. Correction and abatement of violations of this Code shall be the responsibility of the owner. If an occupant creates, or allows to be created, hazardous conditions in violation of this Code, the occupant shall be held responsible for the correction and abatement of such hazardous conditions.

Section 113.4 of the CFC is deleted in its entirety and replaced with the following:
113.4 Violation penalties. Persons who shall violate any provision of this Code or shall fail to comply with any of the requirements thereof or shall erect, install, alter, repair or do work in violation of the approved construction documents or directive of the fire code official, or of a permit or certificate used under provisions of this Code, shall be guilty of an infraction, punishable by a fine in conformance with Monterey County Code Section 1.22.

Section 114.4 of the CFC is deleted in its entirety and replaced with the following:
114.4 Failure to comply. Any person who shall continue any work after having been served with a stop work order, except such work as that person is directed to perform to remove a violation or unsafe condition, shall be guilty of an infraction as specified in Section 112.4 of this Code.

Section 202 of the CFC is amended to add the following definitions:
202 Definitions
ALL WEATHER SURFACE. A road surface constructed to the minimum standards adopted by the jurisdiction.
BRIDGE. A structure to carry a roadway over a depression or obstacle.
IDLE PALLET. A pallet or similar product storage and/or lifting device not currently in use and empty of product.

Section 503.2.6 of the CFC is amended to add Sections 503.2.6.1 and 603.2.6.2 to read as follows:
503.2.6.1 Private bridge engineering. Every private bridge hereafter constructed shall meet the following engineering requirements:
1. The weight shall be designed for a minimum of HS-20 loading as prescribed by the AASHTO.
2. The unobstructed vertical clearance shall be not less than fifteen (15) feet clear.
3. The width shall be a minimum of twenty (20) feet clear. The Fire Code Official may require additional width when the traffic flow may be restricted or reduce the width to a minimum of twelve (12) feet for Occupancy Group U or R-3 occupancies.

4. The maximum grade change of the approach to and from any private bridge shall not exceed eight percent for a minimum distance of ten (10) feet.

503.2.6.2 Private bridge certification. Every private bridge hereafter constructed shall be engineered by a licensed professional engineer knowledgeable and experienced in the engineering and design of bridges. Certification that the bridge complies with the design standards required by this Code and the identified standards, and that the bridge was constructed to those standards, shall be provided by the licensed engineer, in writing, to the Fire Code Official. Every private bridge, including existing and those constructed under this Code, shall be certified as to its maximum load limits every ten (10) years or whenever deemed necessary by the fire code official. Such recertification shall be by a licensed professional engineer knowledgeable and experienced in the engineering and design of bridges. All fees charged for the purpose of certification or recertification of private bridges shall be at the owner's expense.

Section 503.2.7 of the CFC is deleted in its entirety and replaced with the following:
503.2.7 Grade. The grade of fire apparatus access roads shall be no greater than fifteen (15) percent unless specifically approved by the Fire Code Official.

503.2.7.1 Paving. All fire apparatus access roads over eight (8) percent shall be paved with a minimum 0.17 feet of asphaltic concrete on 0.34 feet of aggregate base. All fire apparatus access roads over fifteen (15) percent where approved shall be paved with perpendicularly grooved concrete.

Section 503 of the CFC is amended to add Section 503.7 to read as follows:
503.7 Fire apparatus access road names. All fire apparatus access road names shall be issued or approved by the appropriate governmental agency.

**Section 505.1 of the CFC is deleted in its entirety and replaced with the following::*
505.1 Address Identification. New and existing buildings shall be provided with an approved address identification. The address identification shall be legible and placed in a position that is visible at all times from the street or road fronting the property. Address identification characters shall contrast with their background. Address numbers shall be Arabic numbers or alphabetical letters. Numbers shall not be spelled out. Each character shall be not less than 4" high with a minimum width stroke of one-half inch for single family dwellings and duplexes. For all other occupancies each character shall be not less than 10" high with a minimum stroke of three-quarters inch unless otherwise required by the Fire Code Official.

Section 507.5.2 of the CFC is deleted in its entirety and replaced with the following:
507.5.2 Inspection, testing and maintenance. Fire hydrant systems shall be subject to periodic tests as required by the Fire Code Official. Fire hydrant systems shall be maintained in an operative condition at all times and shall be repaired where defective. Additions, repairs, alterations and servicing shall comply with approved standards. When required by the Fire Code Official, hydrants shall be painted in accordance with the most current edition of NFPA 291.

Section 605.3 of the CFC is amended to add Section 605.3.1 to read as follows
605.3.1 Spark arresters.

605.3.1.1 An approved spark arrester shall be installed on all chimneys, incinerators, smokestacks or similar devices using solid fuel for conveying smoke or hot gases to the outer air.
605.3.1.2 Spark arresters shall have openings in accordance with Section 2113.9.2(3) of the California Building Code and Section 1003.9.2 of the California Residential Code with minimum openings of 3/8" and maximum openings of ½".

Section 901.1 of the CFC is amended to add Section 901.1.1 to read as follows
901.1.1 Responsibility. The owner of the protected premises shall be responsible for all fire protection systems within the protected premises, whether existing or installed under this code.

Section 901.2 of the CFC is amended to add Section 901.2.2 to read as follows
901.2.2 Additional documentation. Additional documentation as required by the Fire Code Official shall be provided to the Fire Code Official in an acceptable format.

Section 901.4 of the CFC is deleted in its entirety and replaced with the following:
901.4 Fire Protection and Life Safety Systems. Fire protection and life safety systems shall be installed, repaired, operated and maintained in accordance with the original installation standards for that system. All systems shall be extended, altered, or augmented as necessary to maintain and continue protection whenever the building is altered, remodeled or added to. Alterations to fire protection systems shall be done in accordance with applicable standards.

**Section 901.4.8 is added to read as follows*:
901.4.8 Nonoperational equipment. Any fire protection equipment that is no longer in service shall be removed.

Section 901.6 of the CFC is amended to add Section 901.6.4 and 901.6.5 to read as follows:
901.6.4 Qualifications of Inspection, Testing and Maintenance Personnel. All personnel performing any inspection, testing or maintenance of any fire protection system shall be qualified. Where such inspection, testing and maintenance is performed by an outside service company, the company shall be appropriately licensed by the California Contractors State License Board in accordance with the California Business & Professions Code or by the California State Fire Marshal.

901.6.5 Additional records. All documentation generated during any scheduled inspection or test of any fire protection system, whether required or voluntarily installed, shall be forwarded to the Fire Code Official within fifteen (15) calendar days after the date of the inspection or test.

**Section 901.7.7 of the CFC is added to read as follows*
901.7.7 Unless otherwise approved by the Fire Code Official, fire watch personnel shall be California licensed private security individuals with a minimum of two (2) individuals on duty at all times. Fire watch personnel shall be on duty 24 hours per day until the fire protection system has been returned to service.

Section 901 of the CFC is amended to add Section 901.11 to read as follows:
901.11 Fire Protection Features for Plant Processing and Extraction Facilities

901.11.1 Scope. This section applies to occupancies regulated by Chapter 39 of this Code.
901.11.2 Definitions.
901.11.2.1 Plant processing. Plant processing shall include all plant post-harvest operations, excluding retail sales of plant and related products.
901.11.2.2 Indoor cultivation. Indoor cultivation shall be defined as all nursery or cultivation conducted in other than Group U occupancies (greenhouses).

901.11.3 Fire Protection Systems. All buildings or portions thereof housing plant post-harvest or indoor cultivation operations shall be protected as defined in this section.
901.11.3.1 Fire Sprinklers. Fire sprinklers shall be installed in accordance with 901.11.3.1.1, 901.11.3.1.2, or 901.11.3.1.3
901.11.3.1.1 Fire sprinklers shall be installed in all buildings or portions thereof; such fire sprinkler systems shall be designed to Ordinary Group II design standards in the latest adopted edition of NFPA 13 and Section 903 of this code.
901.11.3.1.2 If the occupancy is classified as a Group H Occupancy the fire sprinkler system may be required to be designed and installed as an Extra Hazard fire sprinkler system
901.11.3.1.3 Where permitted by the fire code official and not otherwise required by this code or the CBC, fire sprinklers may be eliminated in approved buildings less than 500 square feet.

901.11.3.2 Fire Alarm Systems. Fire alarm systems shall be installed in all buildings or portions thereof; such fire alarm systems shall include both fire sprinkler system monitoring and complete occupant notification as specified in the latest adopted edition of NFPA 72 and Section 907 of this code.

901.11.3.3 Special Hazard Systems. Where specified by appropriate UL listings for extraction booths utilizing volatile solvents, dry chemical fire protection systems shall be installed according to the latest adopted edition of NFPA 17. If there is no UL listing for the extraction booth, a dry chemical fire protection system shall be installed.

901.11.3.4 Portable Fire Extinguishers. Portable fire extinguishers shall be installed in accordance with NFPA 10 and Section 906 of this code.

Section 903.2 of the CFC is deleted in its entirety and replaced with the following:
903.2 Where required. Approved automatic sprinkler systems shall be provided in all new buildings and structures constructed, moved into or relocated within the jurisdiction.
Exceptions:
(1) Structures not classified as Group R occupancies and not more than five hundred (500) square feet in total floor area.
(2) Detached agricultural buildings, as defined by this code and the CBC, located at least one hundred feet (100) from any other structure or the property line, whichever is closer, and with a maximum size of 10,000 square feet.
(3) Accessory structures not classified as R occupancies associated with existing non-sprinklered R-3 occupancies (one- or two-family dwellings) and less than one thousand five hundred (1500) square feet in total fire area with a clearance from the existing R-3 occupancy of not less than twenty (20) feet.

(4) Where an insufficient water supply exists to provide for an automatic fire sprinkler system and where the Fire Code Official permits alternate protection.

Sections 903.2.1.1, 903.2.1.2, 903.2.1.3, 903.2.1.4, 903.2.1.5, 903.2.3, 903.2.4, 903.2.4.1, 903.7.1, 903.7.3, 903.2.9, 903.2.9.1 and 903.2.9.2 of the CFC are amended as follows
The following Sections are amended by changing requirements to five hundred (500) square feet for fire sprinkler installation, as follows (the complete text of the section is not provided):
903.2.1.1 Group A-1. Change twelve thousand (12,000) square feet to five hundred (500) square feet.
903.2.1.2 Group A-2. Change five thousand (5,000) square feet to five hundred (500) square feet.
903.2.1.3 Group A-3. Change twelve thousand (12,000) square feet to five hundred (500) square feet.
903.2.1.4 Group A-4. Change twelve thousand (12,000) square feet to five hundred (500) square feet.
903.2.1.5 Group A-5. Change one thousand (1,000) square feet to five hundred (500) square feet.
903.2.3 Group E. Change twelve thousand (12,000) square feet to five hundred (500) square feet.
903.2.4 Group F-1. Change twelve thousand (12,000) square feet to five hundred (500) square feet.
903.2.4.1 Group F-1. Change two thousand five hundred (2,500) square feet for woodworking operations to five hundred (500) square feet.
903.2.7-1 Group M. Change twelve thousand (12,000) square feet to five hundred (500) square feet.
903.2.7-3 Group M. Change twenty-four thousand (24,000) square feet to five hundred (500) square feet.
903.2.9 Group S-1. Change twelve thousand (12,000) square feet to five hundred (500) square feet.
903.2.9.1 Repair Garages. Change ten thousand (10,000) square feet (2 story buildings) and twelve thousand (12,000) square feet (1 story buildings) to five hundred (500) square feet.
903.2.9.2 Bulk storage of tires. Change twenty thousand (20,000) cubic feet to five hundred (500) square feet.

Section 903.2.8 of the CFC, first paragraph is deleted in its entirety and replaced with the following. Exceptions remain unchanged.
903.2.8 Group R. An automatic sprinkler system installed in accordance with Section 903.3 shall be provided in all buildings with a Group R fire area, including, but not limited to, one- and two-family dwellings, townhomes, and manufactured homes and mobile homes located outside of licensed mobile home parks hereafter constructed, moved into or relocated within the jurisdiction, including all additions to buildings already equipped with automatic fire sprinkler systems.
(Exceptions remain per 2025 California Fire Code)

Section 903.3.1.1.1 of the CFC is amended to add Section 903.1.1.1-5 to read as follows:
903.3.1.1.1 -5 Passenger elevator shafts or associated passenger elevator mechanical rooms, where elevator shafts are constructed with a 2–hour fire resistive method.

Section 903.3.1.1.2 of the CFC is deleted:

Section 903.3.1.1.2 of the California Fire Code is deleted.

Sections 903.3.1.2, 903.3.1.2.2, 903,3.1.2.3, 903.1.2.4, 903.3.1.2.5, and 903.1.2.6 of the CFC are deleted in its entirety and replaced with the following:

903.3.1.2 NFPA 13R sprinkler systems. Automatic sprinkler systems in Group R occupancies up to and including four stories in height shall be permitted to be installed throughout in accordance with NFPA 13R as amended in Chapter 47 of this Code.

903.3.1.2.1 Balconies and decks. Sprinkler protection shall be provided for exterior balconies, decks and ground floor patios of dwelling units where the building is of Type V construction, provided there is a roof or deck above. Sidewall sprinklers that are used to protect such areas shall be permitted to be located such that their deflectors are within 1 inch to 6 inches below the structural members and a maximum distance of fourteen (14) inches below the deck of the exterior balconies and decks that are constructed of open wood joist construction.

903.3.1.2.3 Attics. Where NFPA 13R sprinkler systems are installed, all attic areas shall be provided with sprinkler protection in accordance with NFPA 13.

903.3.1.2.4 Sprinkler control valves. Where NFPA 13R sprinkler systems are installed, sprinkler system control valves shall be installed in accordance with NFPA 13.

903.3.1.2.5 Bathrooms. Automatic sprinklers shall be installed in all bathrooms, regardless of square footage, where an electrical receptacle is installed.

903.3.1.2.6 Accessible storage areas. Automatic sprinklers shall be installed in all accessible storage areas.

903.3.1.2.7 Under-stair spaces. Automatic sprinklers shall be installed in all under-stair spaces including all under-stair closets.

****Section 903.3.1.3 of the CFC is deleted in its entirety and replaced with the following.***

903.3.1.3 NFPA 13D sprinkler systems. Automatic fire sprinkler systems installed in one and two-family dwellings, Group R-3 and R-4 congregate living facilities and townhouses shall be permitted to be installed throughout in accordance with NFPA 13D. The requirements of this section supersede the requirements of the California Residential Code.

903.3.1.3.1 All fire sprinkler systems installed in one- and two-family dwellings shall be tested for leakage by undergoing a hydrostatic test made at 200 psi for two-hour duration.

903.3.1.3.2 Each water system supplying both domestic and fire protection systems shall have a single indicating-type control valve, arranged to shut off both the domestic and sprinkler systems. A separate shut-off valve for the domestic system only shall be permitted to be installed. The location of the control valve shall be approved by the Fire Code Official.

903.3.1.3.3 Automatic sprinklers shall be installed in all bathrooms, regardless of square footage.

903.3.1.3.4 Automatic sprinklers shall be installed in all attached garages and other accessory structures.

903.3.1.3.5 Automatic sprinklers shall be installed in all accessible storage areas.

903.3.1.3.5.1 Automatic sprinklers shall be installed in all under-stair spaces including all closets.

903.3.1.3.6 Local water flow alarms shall be provided on all sprinkler systems. Local water flow alarms shall be powered from the main kitchen refrigerator circuit. The local water flow alarm shall be clearly audible from within the master bedroom at an audibility level of not less than 75 dBa. Where no kitchen exists in the building, the water flow alarm shall be powered from the bathroom lighting circuit. Where required by the fire code official, interior audible notification

appliances or additional water flow alarms may be required to be installed at locations specified by the fire code official.
903.3.1.3.7 Automatic fire sprinklers shall be installed to protect all furnaces and heating system appliances.

Section 903.3.10 of the CFC is deleted in its entirety and replaced with the following.
903.3.10 Floor control valves. Approved indicating control valves and water flow switches shall be provided at the point of connection to the riser on each floor in all buildings over one story in height and shall be individually annunciated as approved by the Fire Code Official.

Section 903.4.2of the CFC, first paragraph is deleted in its entirety and replaced with the following. Exceptions remain unchanged.
903.4.2 Monitoring. Alarm, supervisory and trouble signals shall be distinctly different and shall be automatically transmitted to an approved central station, remote supervising station or proprietary supervising station as defined in NFPA 72, or, when approved by the Fire Code Official, shall sound an audible signal at a constantly attended location. The fire alarm system installed to transmit such signals shall be considered a building fire alarm system.

Section 903.4.3 of the CFC, first paragraph is deleted in its entirety and replaced with the following.
903.4.3 Alarms. One exterior approved audible appliance shall be connected to every automatic sprinkler system in an approved location. Sprinkler water-flow alarm devices shall be activated by water flow equivalent to the flow of a single sprinkler of the smallest orifice size installed in the system. Where a building fire alarm system is installed, actuation of the automatic sprinkler system shall actuate the building fire alarm system. Interior alarm notification appliances shall be installed as required by this section or Section 903.4.3.1. A minimum of one audible appliance shall be installed in all occupancies subject to this section.
903.4.3.1 Where an automatic fire sprinkler system is installed in a building with more than one tenant or with over one hundred (100) sprinklers, audible and visible notification appliances shall be installed throughout the building as follows:
a. Audible notification appliances shall be installed so as to be audible at fifteen (15) dBa above average sound pressure level throughout the building.
b. Visible notification appliances shall be installed in all public and common use areas, restrooms and corridors in accordance with the spacing requirements of NFPA 72.
c. Visible notification appliances can be eliminated in normally unoccupied portions of buildings where permitted by the Fire Code Official.
EXCEPTION: The requirements of this section do not apply to Group R-3 Occupancies.

Section 904.14.2 of the CFC is deleted in its entirety and replaced with the following.
904.14.2 System interconnection. The actuation of the fire extinguishing system shall automatically shut down power to the makeup air appliance and all fuel and electrical power located under the hood, except for the electrical power to the exhaust air supply. The fuel and electrical supply reset shall be manual.

Section 904.14.5.2 of the CFC is deleted in its entirety and replaced with the following.

904.14.5.2 Extinguishing system service. Automatic fire extinguishing systems shall be serviced by a CSLB licensed C-16 contractor or a CSFM licensed "A" licensee at least every six months and after any activation of the system. Inspection shall be performed by the owner at least monthly in accordance with the currently adopted edition of NFPA 17-A. The service contractor shall review the records of monthly inspections every six months, and deficiencies shall be reported to the fire code official. A service report shall be forwarded to the fire code official by the licensed service contractor within 15 days after every service on the appropriate AES form.

Section 907 of the CFC is amended to add Section 907.1.6 to read as follows:
907.1.6 Multiple Fire Alarm Systems. Multiple fire alarm systems within a single protected premise are not permitted.

Section 907.2 Exception 1 of the CFC is deleted in its entirety and replaced with the following.
907.2 Exception 1. The manual fire alarm box is not required for fire alarm control units dedicated to elevator recall control.

Section 907.6.4 of the CFC is amended to add Section 907.6.4.0 to read as follows:
907.6.4.0 Zone transmittal. Where required by the fire code official, fire alarm signals shall be transmitted by zone to the supervising station and retransmitted by zone to the public fire service communications center.

Section 907.6.5 of the CFC is deleted in its entirety and replaced with the following.
907.6.5 Access. Access shall be provided to each fire alarm system component for periodic inspection, maintenance and testing.

Section 907.6.6 of the CFC is deleted in its entirety and replaced with the following.
907.6.6 Monitoring. Fire alarm systems, whether required by this Chapter or the California Building Code or voluntarily installed, shall be monitored by an approved supervising station in accordance with NFPA 72 and this Section.
(Exceptions remain unchanged)

Section 907.6.6 of the CFC is amended to add Section 907.6.6.0 to read as follows:
907.6.6.0 Means of communication. The use of either POTS or cable telephone lines with a digital alarm communicator transmitter shall not be permitted.
EXCEPTION. Where no other communications methods are available, the use of telephone lines shall be permitted to be used on a temporary basis not to exceed one year from the date of final acceptance test or until permitted alternate means of communications are available.

Section 907.7.2 of the CFC is deleted in its entirety and replaced with the following
907.7.2 Completion documents. The following documentation shall be provided at the time of acceptance testing for all fire alarm system installations:
1. A record of completion in accordance with NFPA 72.
2. A record of inspection and testing in accordance with NFPA 72.

3. A contractor's statement verifying that the system has been installed in accordance with the approved plans and specifications and has been 100% tested in accordance with NFPA 72.
4. A contractor's affidavit of personnel qualifications, indicating that all personnel involved with the installation of the fire alarm system meet the qualification requirements of the Fire Code Official.

**Section 907.8.2.1 is added to read as follows:*
907.8.2.1 Testing of FACU Batteries. Batteries installed in the fire alarm control units and remote power supplies shall be verified for battery capacity based on the approved plans and batter calculations. It shall not be permitted to disconnect the system for 24 hours prior to an acceptance or reacceptance test to test the battery capacity.

****Section 1205.1 of the CFC is amended to add Section 1205.1.1 to read as follows:***
1205.1.1 Signing and Marking. In addition to signing and marking requirements of the California Building Code and the California Residential Code, the following signing and marking is required:

1205.1.1.1 Main Panel Exterior Marking. A placard is required to be permanently affixed to the main service disconnect panel. The placard shall be red in color with white capital letters at least 1/2" in height and in a non-serif font, to read "SOLAR DISCONNECT INSIDE PANEL." The placard shall be constructed of weather-resistant, durable plastic with engraved letters, or other approved material.

1205.1.1.2 Circuit Disconnecting Means Marking. A permanent label is to be affixed adjacent to the circuit breaker controlling the inverter or other photovoltaic system electrical controller. The label shall have contrasting color capital letters at least 3/8" in height and in a non—serif font, to read "SOLAR DISCONNECT." The label shall be constructed of durable adhesive material or other approved material.

1205.1.1.3 Secondary Power Sources. Where photovoltaic systems are interconnected to battery systems, generator backup systems, or other secondary power systems, additional signage acceptable to the fire code official shall be required indicating the location of the secondary power source shutoff switch.

1205.1.1.4 Installer Information. Signage acceptable to the fire code official indicating the name and emergency telephone number of the installing contractor shall be required to be installed adjacent to the main disconnect.

*Section 1205.2.1, Exceptions 1 and 2 of the California Fire Code are deleted in their entirety.

****Section 1205.2 of the CFC is amended to add Section 1205.2.1.4 to read as follows:***
1205.2.1.4 Hip and Valley Layout. Hip and Valley Layouts. Modules shall be located no closer than one and one-half feet (1-1/2') to a hip or valley if modules are to be placed on both sides of a hip or valley. Where modules are located on only one side of a hip or valley that is of equal length, the modules shall be permitted to be placed directly adjacent to the hip or valley.

Section 1206 of the CFC is amended to add Section 1206.14 to read as follows:
1206.14 Where stationary fuel cell power systems are installed inside any structure, signage acceptable to the fire code official shall be required indicating the location of the stationary fuel cell power system. Placarding shall be required to read "FUEL CELL" in block letters 6" high with a ¾" stroke on a contrasting background.

Section 1207.4.1.1 is added to the CFC to read as follows:
1207.4.1 .1 Energy storage systems (ESS) disconnects shall be located at or adjacent to the main electrical panel with appropriate placarding showing location of equipment and all shutdowns.

Section 1207 of the CFC is amended to add Section 1207.4.8-6 to read as follows:
1207.4.8-6 Where battery energy storage systems are installed inside any structure, signage acceptable to the fire code official shall be required indicating the location of the battery energy storage system. Placarding shall be required to read "BESS" in block letters 6" high with a ¾" stroke on a contrasting background.

Section 3905 of the CFC is amended to add Section 3905.4 to read as follows:
3905.4. Fire Protection Systems. Fire protection systems in occupancies regulated by this chapter shall be in accordance with Section 901.11 of this Code.

Section D103.2 of the CFC is deleted in its entirety and replaced with the following
D103.2 Grade. Fire apparatus access roads shall not exceed fifteen (15) percent in grade with a maximum side slope of five (5) percent.
EXCEPTION: Grades steeper than fifteen (15) percent, if approved by the Fire Code Official, shall be paved with perpendicularly grooved concrete.

The CFC is amended to add local Appendix MC to read as follows:

APPENDIX MC: STANDARD FIRE CONDITIONS FOR SINGLE FAMILY DWELLINGS

SECTION MC101 GENERAL

MC101.1 Scope. Applications for the construction or remodel of single family dwellings, including one- and two-family dwellings, townhomes, modular and manufactured homes, and mobile homes outside of established mobile home parks, shall be subject to the fire conditions in this appendix when conditioned by the Fire Code Official.

MC101.2 Conflicting sections. Where provisions in this appendix conflict with other sections of this Code or other appendices, the provisions of this appendix shall prevail unless otherwise directed by the Fire Code Official.

SECTION MC102 ROADS

MC102.1 General. These conditions will be used primarily when conditioning a subdivision or other project that requires roads. Roads identified in this Section are vehicular access to more

than two (2) parcels; more than four (4) residential units; or access to any industrial or commercial occupancy. Includes public and private streets and lanes.

MC102.2 Road access. (FIRE 001). Access roads shall be required for every building when any portion of the exterior wall of the first story is located more than one hundred fifty (150) feet from fire department access. All roads shall be constructed to provide a minimum of two (2) ten (10) feet wide traffic lanes with an unobstructed vertical clearance of not less than fifteen (15) feet. The roadway surface shall provide unobstructed access to conventional drive vehicles including sedans and fire apparatus and shall be an all-weather surface designed to support the imposed load of fire apparatus (75,000 pounds). Each road shall have an approved name.

MC102.3 Roadway engineering. (FIRE 002). The grade for all roads shall not exceed fifteen percent (15%) with a maximum side slope of five percent (5%). Where road grades are 8 percent (8%) or less, an all-weather aggregate base is required at a minimum or as required in other sections of the Monterey County Code. Where road grades exceed eight percent (8%), a minimum structural roadway surface of 0.17 feet of asphaltic concrete on 0.34 feet of aggregate base shall be required. The length of vertical curves in roadways, exclusive of gutters, ditches and drainage structures designed to hold or divert water, shall not be less than one hundred (100) feet. No roadway turn shall have a horizontal inside radius of less than fifty (50) feet. A roadway turn radius of fifty (50) to one hundred (100) feet is required to have an additional four (4) feet of roadway surface. A roadway turn radius of one hundred (100) to two hundred (200) feet is required to have an additional two (2) feet of roadway surface. Roadway turnarounds shall be required on dead-end roads in excess of one hundred fifty (150) feet of surface length. The minimum turning radius for a turnaround shall be forty (40) feet from the center line of the road. If a hammerhead/T is used, the top of the “T” shall be a minimum of sixty (60) feet in length.

MC102.4 Dead end roads.

MC102.4.1 Parcels less than one acre. (FIRE 003). For parcels less than one acre, the maximum length of a dead-end road, including all dead-end roads accessed from that dead-end road, shall not exceed eight hundred (800) feet. All dead-end road lengths shall be measured from the edge of the roadway surface at the intersection that begins the road to the end of the road surface at its furthest point. Where a dead-end road serves parcels of differing sizes, the shortest allowable length shall apply. Each dead-end road shall have a turnaround constructed at its terminus. The minimum turning radius for a turnaround shall be forty (40) feet from the center line of the road. If a hammerhead/T is used, the top of the “T” shall be a minimum of sixty (60) feet in length.

MC102.4.2 Parcels greater than one acre and not exceeding five acres (FIRE 004). For parcels greater than one acre and not exceeding five acres, the maximum length of a dead-end road, including all dead-end roads accessed from that dead-end road, shall not exceed one thousand three hundred twenty (1,320) feet. All dead-end road lengths shall be measured from the edge of the roadway surface at the intersection that begins the road to the end of the road surface at its furthest point. Where a dead-end road serves parcels of differing sizes, the shortest allowable length shall apply. Each dead-end road shall have a turnaround constructed at its terminus. The minimum turning radius for a turnaround shall be forty (40) feet from the center line of the road. If a hammerhead/T is used, the top of the “T” shall be a minimum of sixty (60) feet in length

MC102.4.3 Parcels greater than five acres and not exceeding twenty (20) acres. (FIRE 005). For parcels greater than five acres and not exceeding twenty (20) acres, the maximum length of a dead-end road, including all dead-end roads accessed from that dead-end road, shall not exceed two thousand six hundred forty (2,640) feet. All dead-end road lengths shall be measured from the edge of the roadway surface at the intersection that begins the road to the end of the road surface at its furthest point. Where a dead-end road serves parcels of differing sizes, the shortest allowable length shall apply. Each dead-end road shall have turnarounds at its terminus and at no greater than one thousand three hundred twenty (1,320) foot intervals. The minimum turning radius for a turnaround shall be forty (40) feet from the center line of the road. If a hammerhead/T is used, the top of the "T" shall be a minimum of sixty (60) feet in length.

MC102.4.4 Parcels greater than twenty (20) acres. (FIRE 006). For parcels greater than twenty (20) acres, the maximum length of a dead-end road, including all dead-end roads accessed from that dead-end road, shall not exceed five thousand two hundred eighty (5,280) feet. All dead-end road lengths shall be measured from the edge of the roadway surface at the intersection that begins the road to the end of the road surface at its furthest point. Where a dead-end road serves parcels of differing sizes, the shortest allowable length shall apply. Each dead-end road shall have turnarounds at its terminus and at no greater than one thousand three hundred twenty (1,320)-foot intervals. The minimum turning radius for a turnaround shall be forty (40) feet from the center line of the road. If a hammerhead/T is used, the top of the "T" shall be a minimum of sixty (60) feet in length.

SECTION MC103 DRIVEWAYS, GATES, AND BRIDGES

MC103.1 Driveways. (FIRE 007). Driveway identified in this Section is defined as a vehicle access that serves up to two (2) parcels with no more than two (2) residential units and any number on non-commercial or industrial buildings on each parcel. Driveways shall not be less than twelve (12) feet wide traffic lane and minimum fourteen (14) feet wide unobstructed clearance, with an unobstructed vertical clearance of not less than fifteen (15) feet. The grade for all driveways shall not exceed fifteen percent (15%) with a maximum side slope of five percent (5%). Where driveway grades are eight percent (8%) or less, an all-weather surface such as an aggregate base shall meet minimum fire requirements. Other types of material for driveways may be required by Monterey County Code. Where the grade exceeds eight percent (8%), a minimum structural roadway surface of 0.17 feet of asphaltic concrete on 0.34 feet of aggregate base shall be required. The driveway surface shall be capable of supporting the imposed load of fire apparatus forty thousand (40,000) pounds, and be accessible by conventional-drive vehicles, including sedans. For driveways with turns ninety (90) degrees and less, the minimum horizontal inside radius of curvature shall be twenty-five (25) feet. For driveways with turns greater than ninety (90) degrees, the minimum horizontal inside radius curvature shall be twenty-eight (28) feet. For all driveway turns, an additional surface of four (4) feet shall be added. All driveways exceeding one hundred fifty (150) feet in length, but less than eight hundred (800) feet in length, shall provide a turnout near the midpoint of the driveway. Where the driveway exceeds eight hundred (800) feet, turnouts shall be provided at no greater than four hundred (400)-foot intervals. Turnouts shall be a minimum of twelve (12) feet wide and thirty (30) feet long with a minimum of twenty (25) foot taper at both ends. Turnarounds shall be required on driveways in

excess of one hundred fifty (150) feet of surface length and shall be thirty (30) feet long with a minimum twenty-five (25) foot taper at both ends. Turnarounds shall be required on driveways in excess of one hundred fifty (150) feet of surface length and shall be located within fifty (50) feet of the primary building. The minimum turning radius for a turnaround shall be forty (40) feet from the center line of the driveway. If a hammerhead/T is used, the top of the "T" shall be a minimum of sixty (60) feet in length.

MC103.2 Gates. (FIRE 008). All gates providing access from a road to a driveway shall be located at least thirty (30) feet from the roadway and shall open to allow a vehicle to stop without obstructing traffic on the road. Gate entrances shall be at least two (2) feet wider than the width of the traffic lane but in no case be less than fourteen (14) feet wide unobstructed and unobstructed vertical clearance of fifteen (15) feet. Where a one-way road with a single traffic lane provides access to a gated entrance, a forty (40) foot turning radius shall be used. Where gates are to be locked, the installation of a key box or other acceptable means for immediate access by emergency equipment may be required.

MC103.3 Bridges. (FIRE 009). All new and reconstructed bridges shall be at least the width of the roadbed and berms, but in no case less than twelve (12) feet wide. Bridge width on all roads exceeding tertiary standards shall not be less than the width of the two lanes with berms. All bridges shall be designed for HS15-44 loading and have guardrails. Appropriate signage, including but not limited to, weight ratings or vertical clearance limitations, and one-way road or single-lane road conditions, shall be provided at both entrances to any bridge. One-lane bridges may be permitted if there is unobstructed visibility across the entire bridge, and turnouts are provided at both bridge ends. The fire authority may impose more stringent requirements for bridges.

SECTION MC104 SIGNS AND ADDRESSES

MC104.1 Road signs. (FIRE 010). All newly constructed or approved roads and streets shall be designated by names or numbers, posted on signs clearly visible and legible from the roadway. Size of letters, numbers and symbols for street and road signs shall be a minimum four-inch letter height, ½-inch stroke, and shall be a color that is reflective and clearly contrasts with the background color of the sign. All numerals shall be Arabic. Street and road signs shall be non-combustible and shall be visible and legible from both directions of vehicle travel for a distance of at least one hundred (100) feet. Height, visibility, legibility, and orientation of street and road signs shall be meet the provisions of the jurisdiction. This section does not require any entity to rename or renumber existing roads or streets, nor shall a roadway providing access only to a single commercial or industrial occupancy require naming or numbering. Signs required under this section identifying intersecting roads, streets and private lanes shall be placed at the intersection of those roads, streets and/or private lanes. Signs identifying traffic access or flow limitations (i.e., weight or vertical clearance limitations, dead-end road, one-way road or single lane conditions, etc.) shall be placed: (a) at the intersection preceding the traffic access limitation; and (b) not more than one hundred (100) feet before such traffic access limitation. Road, street and private lane signs required by this article shall be installed prior to final acceptance of road improvements by the Fire Code Official.

MC104.2 Addresses for buildings. (FIRE 011). All buildings shall be issued an address in accordance with jurisdictional requirements. Each occupancy, including detached accessory dwelling units (ADU), except accessory buildings, shall have its own permanently posted address. When multiple occupancies exist within a single building, each individual occupancy shall be separately identified by its own address. Letters, numbers and symbols for addresses shall be a minimum of four-inch (4") height, 1/2-inch stroke, contrasting with the background color of the sign, and shall be Arabic. The sign and numbers shall be reflective and made of a noncombustible material. Address signs shall be placed at each driveway entrance and at each driveway split. Address signs shall be and visible from both directions of travel along the road. In all cases, the address shall be posted at the beginning of construction and shall be maintained thereafter. Address signs along one-way roads shall be visible from both directions of travel. Where multiple addresses are required at a single driveway, they shall be mounted on a single sign. Where a roadway provides access solely to a single commercial occupancy, the address sign shall be placed at the nearest road intersection providing access to that site. Permanent address numbers shall be posted prior to requesting final clearance.

SECTION MC105 WATER SUPPLY

MC105.1 Water systems. (FIRE 012). The provisions of this condition shall apply when new parcels are approved by a local jurisdiction. The emergency water system shall be available on-site prior to the completion of road construction, where a community water system is approved, or prior to the completion of building construction, where an individual system is approved. Approved water systems shall be installed and made serviceable prior to the time of construction. Water systems constructed, extended or modified to serve a new development, a change of use, or an intensification of use, shall be designed to meet, in addition to average daily demand, NFPA Standard 1142 or other adopted standards. The quantity of water required pursuant to this chapter shall be in addition to the domestic demand and shall be permanently and immediately available.

MC105.2 (RESERVED) (FIRE 013).

MC105.3 Single parcel fire protection water supply. (FIRE 014). For development of structures totaling less than three thousand (3,000) square feet on a single parcel, the minimum fire protection water supply shall be four thousand nine hundred (4,900) gallons. For development of structures totaling three thousand (3,000) square feet or more on a single parcel, the minimum fire protection water supply shall be nine thousand eight hundred (9,800) gallons. For development of structures totaling more than ten thousand (10,000) square feet on a single parcel, the reviewing authority may require additional fire protection water supply. Other water supply alternatives, including ISO Rural Class 8 mobile water systems, may be permitted by the fire authority to provide for the same practical effect. The quantity of water required by this condition shall be in addition to the domestic demand and shall be permanently and immediately available.

MC105.4 Fire hydrants and valves. (FIRE 015). A fire hydrant or fire valve is required. The hydrant or fire valve shall be eighteen (18) inches above grade, eight feet from flammable vegetation, no closer than four feet nor further than twelve (12) feet from a roadway, and in a

location where fire apparatus using it will not block the roadway. The hydrant serving any building shall be not less than fifty (50) feet and not more than one thousand (1,000) feet by road from the building it is to serve. Minimum hydrant standards shall include a brass head and valve with at least one 2 1/2-inch National Hose outlet supplied by a minimum four inch main and riser. More restrictive hydrant requirements may be applied by the Reviewing Authority. Each hydrant/valve shall be identified with a reflectorized blue marker, with minimum dimensions of three inches, located on the driveway address sign, non-combustible post or fire hydrant riser. If used, the post shall be within three feet of the hydrant/valve, with the blue marker not less than three feet or greater than five feet above the ground, visible from the driveway. On paved roads or driveways, reflectorized blue markers shall be permitted to be installed in accordance with the State Fire Marshal's Guidelines for Fire Hydrant Markings Along State Highways and Freeways, May 1988.

SECTION MC106 SETBACKS

MC106.1 Setbacks. (FIRE 016). Except as permitted by the fire code official, all parcels one acre and larger shall provide a minimum thirty (30) foot setback for new buildings and accessory buildings from all property lines and/or the center of the road. For parcels less than one-acre, alternate fuel modification standards or other requirements may be imposed by the Fire Code Official to provide the same practical effect.

SECTION MC107 VEGETATION AND DEBRIS DISPOSAL

MC107.1 Disposition of vegetation and debris fuels. (FIRE 017). Disposal, including chipping, burying, or removal to a landfill site approved by the local jurisdiction, of vegetation and debris caused by site development and construction, road and driveway construction, and fuel modification shall be completed prior to final clearance of the related permit.

SECTION MC108 GREENBELTS

MC108.1 Greenbelts. (FIRE 018). Subdivisions and other developments, which propose greenbelts as a part of the development plan, shall locate said greenbelts strategically as a separation between wild land fuels and structures. The locations shall be approved by the Fire Code Official.

SECTION MC109 DEFENSIBLE SPACE

MC109.1 Standard defensible space requirements. (FIRE 019). Defensible space requirements shall meet Section 4291 of the Public Resources Code or the Monterey County Code, whichever is more restrictive. Additional or alternate fire protection approved by the Fire Code Official may be required to provide reasonable fire safety. Environmentally sensitive areas may require alternative fire protection, to be determined by the Fire Code Official and other jurisdictional authorities.

MC109.2 (RESERVED) (FIRE 020).

SECTION MC110 FIRE PROTECTION SYSTEMS

MC110.1 Residential fire sprinkler systems (Standard). (FIRE 021). The building(s) and attached structure(s) shall be fully protected with automatic fire sprinkler system(s). Installation shall be in accordance with the applicable NFPA standard. A minimum of four sets of plans for fire sprinkler systems must be submitted by a California licensed C-16 contractor and approved prior to installation. This requirement is not intended to delay issuance of a building permit. A rough sprinkler inspection must be scheduled by the installing contractor and completed prior to requesting a framing inspection.

MC110.2 (RESERVED) (FIRE 022).

MC110.3 (RESERVED) (FIRE 023).

MC110.4 Residential fire alarm systems. (FIRE 024). The residence shall be fully protected with an approved household fire warning system as defined by NFPA 72. Plans and specifications for the household fire warning system shall be submitted by a California licensed C-10 contractor and approved prior to installation. Household fire warning systems installed in lieu of single-station smoke alarms required by the California Residential Code shall meet the requirements of the California Residential Code.

MC110.5 (RESERVED) (FIRE 025).

SECTION 12. Chapter 18.10 of the Monterey County Code is readopted with amendments to read as follows:

CHAPTER 18.10
EXISTING BUILDING CODE

Sections:

18.10.010 Adoption.
18.10.020 Applicability of local amendments.
18.10.030 Sheer test criteria for mortar quality.

18.10.010 Adoption.

That certain document entitled 2022 California Existing Building Code, California Code of Regulations, Title 24, Part 10 as published by the California Building Standards Commission based on Appendix Chapter A1, A3 and A4 of the 2021 International Existing Building Code, which is entitled Seismic Strengthening Provisions for Unreinforced Masonry Bearing Wall Buildings, with applicable amendments from the State of California, and the local amendments of this Chapter, are hereby adopted as the Existing Building Code for the County of Monterey.

18.10.020 Applicability of local amendments.

Notwithstanding any provisions of the 2022 California Existing Building Code to the contrary, the local amendments set forth in this Chapter shall apply.

18.10.030 Shear test and acceptance criteria for mortar quality.

A. Test equipment. An internal caliper graduated in 0.001 of inch increments shall be used to measure movement of the masonry unit. A hydraulic jack equipped with a pressure gauge graduated in increments of fifty psi or less shall be used. The jack load shall be applied at a rate not exceeding five thousand pounds per minute.

B. Minimum number of technicians and test readings. The test shall be conducted by a minimum of two technicians. Load and displacement readings shall be recorded at the following intervals: caliper reading of 0.001 inch; first visually observed sign of movement or cracking of the mortar or masonry unit; caliper reading of 0.02 inch; and the ultimate load on the unit.

C. Representative test locations. The masonry unit to be tested shall not be located adjacent to a bond course in a brick wall laid in common bond. Tests to evaluate the mortar quality of structural walls shall not be conducted in masonry veneer.

D. Core Tests. A minimum number of mortar test specimens equal to the number of required cores shall be prepared from the cores and tested as specified herein. The mortar joint of the outer Wythe of the masonry core shall be tested in shear by placing the circular core section in a compression testing machine with the mortar bed joint rotated fifteen degrees from the axis of the applied load. The mortar joint tested in shear shall have an average ultimate stress of twenty psi based on the gross area. The average shall be obtained from the total number of cores made. If test specimens cannot be made from cores taken, the shear value shall be reported as zero.

E. Low mortar quality. Walls with mortar values which are consistently low and do not meet the minimum quality values specified in this Chapter shall be entirely pointed per Uniform Building Code Standard 21-8 except that the depth of joint penetration shall be one and one-half inch (38 mm) in lieu of the three-fourths inch (19 mm) specified.

SECTION 13. Chapter 18.11 of the Monterey County Code is readopted with amendments to read as follows:

CHAPTER 18.11
GREEN BUILDING STANDARDS

Sections:

18.11.010 Adoption.
18.11.020 Purpose.
18.11.030 Definitions.
18.11.040 Standards for Compliance.
18.11.050 Qualifications for Incentives.
18.11.060 Renewable Energy Generation Requirements.
18.11.070 Requirements for County Owned Buildings.
18.11.080 Interaction with other Regulations.

18.11.010 Adoption.

That certain document entitled 2025 California Green Building Standards Code,

California Code of Regulations, Title 24, Part 11, also known as CALGreen, as published by the California Building Standards Commission, is hereby adopted as the Green Building Standards Code for the County of Monterey.

18.11.020 Purpose.

A. The purpose of this Chapter is to improve the public health, safety and general welfare by encouraging responsible use of resources in the design and construction of buildings, by using building concepts having a reduced negative impact or having a positive environmental impact, and by encouraging sustainable construction practices to:

1. Increase energy efficiency in buildings.
2. Reduce potable water demand.
3. Encourage natural resource conservation.
4. Reduce waste generated by construction projects.
5. Provide durable buildings that are efficient, cost effective, and economical to own and operate; and
6. Promote the health and productivity of residents and workers who occupy and live in buildings within the County.

18.11.030 Definitions.

The following definitions shall apply for the purposes of this chapter:

A. "Applicant" means any person or entity applying to the County for a building permit to undertake any covered project within the County.

B. "Alternative means" means a method of achieving the green building performance standards equivalent to CALGreen Tiers 1 or 2 (for example, compliance and certification by a third party green building rating system such as Leadership in Energy and Environmental Design (LEED) or GreenPoint Rated systems).

C. "Compliance official" means the Building Official or his/her designee charged with the administration and enforcement of this chapter.

D. "Green building rating system" means a rating system with specific building design criteria used to determine compliance thresholds. Examples of rating systems include, but are not limited to, the LEED and GreenPoint rated systems.

E. "GreenPoint Rated" means a rating system developed by the Build It Green organization to certify a residential structure meets certain energy and resource efficiency standards.

F. "LEED" means the "Leadership in Energy and Environmental Design" green building rating system developed by the U.S. Green Building Council.

G. "Major remodel" means any remodel that involves two (2) or more of the following:

1. Demolition and new construction of fifty (50) percent or more of the interior or exterior walls within a building.

2. The permit valuation exceeds five hundred thousand dollars ($500,000.00); or

3. Electrical, plumbing, mechanical, and structural repairs affecting an area of five thousand (5,000) square feet or more.

H. "Non-residential structure" means a building not used for a residential use with a designated Occupancy Classification of A, B, E, F, H, I, L or M in the California Building Standards Code.

I. "Rebuild" means demolition and reconstruction of a building or structure involving the repair or replacement of fifty (50) percent or more of the exterior walls or involving work that exceeds one-half (½) of the appraised value of the structure.

18.11.040 Standards for Compliance.

A. Standards for compliance with CAL Green shall be those standards contained in Part 11 of Title 24 of the California Building Standards Code.

B. For the purposes of this chapter, the following equivalency levels are assumed:

1. CALGreen mandatory requirements are generally equivalent to LEED basic standards and GreenPoint rating of a minimum of eighteen (18) points across all resource categories.

2.. CALGreen Tier 1 standards are generally equivalent to LEED Silver standards and GreenPoint rating of a minimum of thirty-three (33) points across all resource's categories; and

3. CALGreen Tier 2 standards are generally equivalent to LEED Gold or better and GreenPoint rating of a minimum of sixty-five (65) points across all resource categories.

18.11.050 Qualifications for Incentives.

A. Newly constructed buildings, including a rebuild, that incorporate additional prerequisite and elective green building measures to meet or exceed CALGreen Tier 1 thresholds, or the equivalent, shall receive the following incentives:

1. A Step 1 incentive rebate, in the amount set by resolution of the Board of Supervisors, to be applied towards construction permit fees; and

2. A healthier home or business award from the County.

B. Newly constructed buildings, including a rebuild, that incorporate additional prerequisite and elective green building measures to meet or exceed the 2010 CALGreen Tier 2 thresholds, or the equivalent, shall receive the following incentives:

1. A Step 2 incentive rebate, in the amount set by resolution of the Board of Supervisors, to be applied towards construction permit fees; and

2. A healthier home or business award from the County.

C. For projects qualifying for incentives pursuant to Subsection A or B of this section, the Compliance Official may assign an experienced staff person to coordinate review of construction permits by all County departments.

D. When the CALGreen Green Building Rating System is used, the Compliance Official shall be responsible for verifying that buildings have been designed to qualify for the incentives described in this section.

E. When alternative means to the CALGreen Green Building Rating System are proposed, documentation by a qualified professional for the chosen Green Building Rating System shall be provided to the Compliance Official for his or her review and approval prior to the applicant being entitled to any incentives described in this section. Required documentation and certification of meeting the standards under the alternative means shall be supplied at the applicant's expense. Compliance with alternative means is in addition to, and does not alleviate compliance with, the requirements of the California Building Code including the minimum mandatory requirements of CALGreen.

F. The incentive rebate fees described in this section shall not be combined with other construction permit fee incentives.

18.11.060 Renewable Energy Generation Requirements.

All new non-residential structures greater than twenty-five thousand (25,000) square feet shall provide on-site renewable energy generation as part of their development. A minimum of fifteen (15) percent of the projected energy demand shall be provided by on-site renewable sources. An exception to this requirement may be approved by the Compliance Official if the applicant can demonstrate that on-site renewable energy generation is not appropriate at the site and that alternative design elements better achieve the desired level of efficiency (at least fifteen (15) percent of the total energy demand).

18.11.070 Requirements for County Owned Buildings.

A. CALGreen Tier 1 standards, or the functional equivalent, are adopted as the minimum mandatory design standards for newly constructed County-owned buildings and major remodels of existing County-owned buildings.

B. All new County-owned buildings shall be subject to the renewable energy generation requirements of Section 18.11.060 of this chapter. Major remodels of County-owned buildings are not subject to the requirements of Section 18.11.060 but may provide on-site renewable energy generation in connection with achieving CALGreen Tier 1 standards.

C. The requirements of Subsections A and B of this section do not apply to County-owned projects that have already been financed as of December 31, 2012 where compliance with this requirement would conflict with existing grants and financing that are already in place. The

Compliance Official shall have the authority to waive the requirements of Subsections A and B of this section where their application would conflict with local, state, or federal policies or regulations.

D. The requirements of Subsection A of this section do not apply to the Monterey County Government Center (MCGC) East and West Wings - Renovation Project for the following reasons:

1. Preparations for the MCGC East and West Wings - Renovation Project began prior to adoption of the 2010 General Plan. Substantial time was invested in studies and planning for this project prior to adoption of the requirements of this section, and the requirements of this section would delay this project.

2. The MCGC East and West Wings are on the National Register of Historic Places, and green building techniques could interfere with historic preservation and raise costs considerably; and

3. The County will consider alternative methods of achieving the objectives and purposes of this Chapter for the MCGC East and West Wings Renovation Project.

18.11.080 Interaction with other Regulations.

This Chapter is not intended to apply when it is preempted by federal or state laws or regulations, including but not limited to conservation standards applicable to appliances and equipment, including heating, ventilating, and air conditioning ("HVAC") products and water heaters. Many other laws, regulations, and ordinances apply to building design construction and maintenance and to development. The provisions of this Chapter are intended to be in addition to and not in conflict with these other laws, regulations, and ordinances. If any provision of this Chapter conflicts with any duly adopted and valid federal or state statute or regulation, the federal or state statutes or regulations shall take precedence.

SECTION 14. Chapter 18.12 of the Monterey County Code is readopted with amendments to read as follows:

CHAPTER 18.12
CALIFORNIA REFERENCED STANDARDS CODE

Section:

18.12.010 Adoption.

18.12.010 Adoption.

That certain document entitled 2025 California Referenced Standards Code, California Code of Regulations, Title 24, Part 12, which includes Appendices 12-8-1A and 12-8-1B as published by the California Building Standards Commission, is hereby adopted as the California Referenced Standards Code for the County of Monterey.

SECTION 15. Chapter 18.13 of the Monterey County Code is readopted with amendments to read as follows:

CHAPTER 18.13
CODES AND STANDARDS ADOPTED AS REFERENCE

Section:

18.13.010 Adoption.

18.13.010 Adoption.

The following codes and standards are adopted as reference documents and may be used by the Building Official in accordance with California Building Code Section 104.11 on a case-by- case basis in the review and approval of permit applications:

A. International Property Maintenance Code 2024 Edition published by the International Code Council.

B. International Fuel Gas Code 2024 Edition as published by the International Code Council.

C. International Mechanical Code 2024 Edition as published by the International Code Council.

D. International Plumbing Code 2024 Edition as published by the International Code Council.

E. ASCE/SEI 31-03 Seismic Evaluation of Existing Buildings published by The American Society of Civil Engineers.

F. ASCE/SEI 41-06 Seismic Rehabilitation of Existing Building published by the American Society of Civil Engineers.

SECTION 16. Chapter 18.14 of the Monterey County Code is readopted with amendments to read as follows:

Chapter 18.14
PROPERTY MAINTENANCE CODE

Sections:

18.14.010 - Administration.
18.14.020 - Definitions.
18.14.030 - Enforcement provisions.
18.14.040 - General maintenance requirements.
18.14.050 - Light, ventilation and occupancy requirements.
18.14.060 - Plumbing facilities and fixture requirements.
18.14.070 - Mechanical and electrical requirements.
18.14.080 - Fire safety requirements.
18.14.090 - Violations.

18.14.010 - Administration.

A. Title. The regulations in this Chapter shall be known as the Property Maintenance Code of Monterey County.

B. Scope. The provisions of this Chapter shall apply to all existing residential and nonresidential structures and all existing premises and constitute minimum requirements and

standards for premises, structures, equipment and facilities for light, ventilation, space, heating, sanitation, protection from the elements, life safety, safety from fire and other hazards, and for safe and sanitary maintenance; the responsibility of owners, operators and occupants; the occupancy of existing structures and premises, and for administration, enforcement and penalties.

C. Intent. This Chapter shall be construed to secure its expressed intent, which is to ensure public health, safety and welfare insofar as they are affected by the continued occupancy and maintenance of structures and premises. Existing structures and premises that do not comply with these provisions shall be altered or repaired to provide a minimum level of health and safety as required herein.

D. Severability. If a section, subsection, sentence, clause or phrase of this Chapter is, for any reason, held to be unconstitutional, such decision shall not affect the validity of the remaining portions of this Chapter.

E. Resolving Conflicting Provisions. Where there is a conflict between a general requirement and a specific requirement, the specific requirement shall govern. Where differences occur between provisions of this Chapter and the referenced standards or when in a specific case, different sections of this Chapter specify different requirements, the most restrictive shall govern.

F. Maintenance. Equipment, systems, devices and safeguards required by this Chapter or a previous regulation or code under which the structure or premises was constructed, altered or repaired shall be maintained in good working order. The requirements of this Chapter are not intended to provide the basis for removal or abrogation of fire protection and safety systems and devices in existing structures. Except as otherwise specified herein, the owner shall be responsible for the maintenance of buildings, structures, equipment and premises.

G. Application of Other Codes. Repairs, additions or alterations to a structure, or changes of occupancy, shall be done in accordance with the procedures and provisions of the California Building Standards Code as amended by the County of Monterey.

H. Existing Remedies. The provisions in this Chapter shall not be construed to abolish or impair existing remedies of the County of Monterey or its officers or agencies relating to the removal or demolition of any structure which is dangerous, unsafe and unsanitary.

I. Workmanship. Repairs, maintenance work, alterations or installations which are caused directly or indirectly by the enforcement of this Chapter shall be executed and installed in a workmanlike manner and installed in accordance with the manufacturer's installation instructions.

J. Historic Buildings. The provisions of this Chapter for existing buildings or structures designated as historic buildings shall also conform to Chapter 18.25 of the Monterey County Code for provisions related to the abatement of dangerous buildings and application of the California Building Standards Code.

K. Referenced Codes and Standards. The codes and standards referenced in this Chapter shall be those that are listed in Chapter 18.01 Building Standards Administrative Code of the Monterey County Code.

L. Requirements Not Covered by Code. Requirements necessary for the strength, stability or proper operation of an existing fixture, structure or equipment, or for the public safety, health and general welfare, not specifically covered by this Chapter, shall be determined by the Building Official. The Building Official may use generally accepted construction standards applicable at the time of original construction for buildings constructed prior to permit

requirements or adoption of local building standards. These standards may include editions of model codes published at the time of original construction.

M. Application of References. References to Chapter or section numbers, or to provisions not specifically identified by number, shall be construed to refer to such Chapter, section or provision of this Chapter.

N. Other Laws. The provisions of this Chapter shall not be deemed to nullify any provisions of local, state or federal law.

18.14.020 - Definitions.

Unless otherwise expressly stated, the following terms shall, for the purposes of this Chapter, have the meanings shown in this Chapter.

A. Anchored. Secured in a manner that provides positive connection.

B. Approved. Approved by the Building Official.

C. Basement. That portion of a building which is partly or completely below grade.

D. Bathroom. A room containing plumbing fixtures including a bathtub or shower.

E. Bedroom. Any room or space used or intended to be used for sleeping purposes in either a dwelling or sleeping unit.

F. Building Official. The Building Official as described in Section 104 of the California Building Code.

G. Building Standards in Effect at the Time of Construction. Standards for construction work that were adopted by the County of Monterey at the time of construction. For existing construction completed prior to the adoption of building standards by the County of Monterey on January 1, 1954, those standards for construction work that were published in model codes and generally accepted in California or required by the State of California at the time of construction.

H. Condemn. To adjudge unfit for occupancy.

I. Construction Work. Work to construct, enlarge, alter, repair, move, demolish, or change the occupancy of a building or structure, or to erect, install, enlarge, alter, repair, remove, convert or replace any electrical, gas, mechanical or plumbing system, or perform any grading.

J. Dangerous Structure or Premises. For the purpose of this Chapter, any structure or premises that have any or all of the conditions or defects described below shall be considered dangerous:

1. Any door, aisle, passageway, stairway, exit or other means of egress that does not conform to the approved building code or fire code for the County of Monterey as related to the requirements for existing buildings.

2. The walking surface of any aisle, passageway, stairway, exit or other means of egress is so warped, worn loose, torn or otherwise unsafe as to not provide safe and adequate means of egress.

3. Any portion of a building, structure or appurtenance that has been damaged by fire, earthquake, wind, flood, deterioration, neglect, abandonment, vandalism or by any other cause to such an extent that it is likely to partially or completely collapse, or to become detached or dislodged.

4. Any portion of a building, or any member, appurtenance or ornamentation on the exterior thereof that is not of sufficient strength or stability, or is not so anchored, attached or fastened in place so as to be capable of resisting natural or artificial loads of one and one-half (1½) the original designed value.

5. The building or structure, or part of the building or structure, because of dilapidation, deterioration, decay, faulty construction, the removal or movement of some portion of the ground necessary for the support, or for any other reason, is likely to partially or completely collapse, or some portion of the foundation or underpinning of the building or structure is likely to fail or give way.

6. The building or structure, or any portion thereof, is clearly unsafe for its use and occupancy.

7. The building or structure is neglected, damaged, dilapidated, unsecured or abandoned so as to become an attractive nuisance to children who might play in the building or structure to their danger, becomes a harbor for vagrants, criminals or immoral persons, or enables persons to resort to the building or structure for committing a nuisance or an unlawful act.

8. Any building or structure has been constructed, exists or is maintained in violation of any specific requirement or prohibition applicable to such building or structure provided by the approved building code or fire code for the County of Monterey, or of any law or ordinance to such an extent as to present either a substantial risk of fire, building collapse or any other threat to life and safety.

9. A building or structure, used or intended to be used for dwelling purposes, because of inadequate maintenance, dilapidation, decay, damage, faulty construction or arrangement, inadequate light, ventilation, mechanical or plumbing system, or otherwise, is determined by the Building Official to be unsanitary, unfit for human habitation or in such a condition that is likely to cause sickness or disease.

10. Any building or structure, because of a lack of sufficient or proper fire-resistance-rated construction, fire protection systems, electrical system, fuel connections, mechanical system, plumbing system or other cause, is determined by the Building Official to be a threat to life or health.

11. Any portion of a building remains on a site after the demolition or destruction of the building or structure or whenever any building or structure is abandoned so as to constitute such building or portion thereof as an attractive nuisance or hazard to the public.

12. Any portion of premises that contains open excavations, exposed sharp objects, falling or drowning hazards, unprotected hazardous materials, exposed raw sewage, excessive trash, overgrown weeds, abandoned or inoperative vehicles, pools or spas without required covers or enclosures or other unsafe conditions that threaten the health and safety of the public.

13. Any portion of premises that contains any existing excavation or embankment or fill has become a hazard to life and limb, or endangers property, or adversely affects the safety, use, or stability of a public way or drainage channel.

K. Detached. When a structural element is physically disconnected from another and that connection is necessary to provide a positive connection.

L. Deterioration. To weaken, disintegrate, corrode, rust or decay and lose effectiveness.

M. Dwelling Unit. A single unit providing complete, independent living facilities for one or more persons, including permanent provisions for living, sleeping, eating, cooking and sanitation.

N. Easement. That portion of land or property reserved for present or future use by a person or agency other than the legal fee owner(s) of the property. The easement shall be permitted to be for use under, on or above a said lot or lots.

O. Electrical Facilities. Includes but not limited to electrical distribution equipment, motor circuits, power equipment, transformers, wire, cable, flexible cords, wiring devices, ground fault circuit interrupters, surge protectors, molded case circuit breakers, low-voltage fuses, luminaires, ballasts, motors and electronic control, signaling and communication equipment, switches, receptacles and fixtures.

P. Electrical System Hazards. Where it is found that the electrical system in a structure constitutes a hazard to the occupants or the structure by reason of inadequate service, improper fusing, insufficient receptacle and lighting outlets, improper wiring or installation, deterioration or damage, or for similar reasons, the Building Official shall require the defects to be corrected to eliminate the hazard.

Q. Equipment Support. Those structural members or assemblies of members or manufactured elements, including braces, frames, lugs, snuggers, hangers or saddles, that transmit gravity load, lateral load and operating load between the equipment and the structure.

R. Exterior Property. The open space on a premises, and on adjoining property under the control of owners or operators of such premises.

S. Garbage. The animal or vegetable waste resulting from the handling, preparation, cooking or consumption of food.

T. Guard. A building component or a system of building components located at or near the open sides of elevated walking surfaces that minimizes the possibility of a fall from the walking surface to a lower level.

U. Habitable Space. Space in a structure for living, sleeping, eating or cooking. Bathrooms, toilet rooms, closets, halls, storage or utility spaces, and similar areas are not considered habitable spaces.

V. Housekeeping Unit. A room or group of rooms forming a single habitable space equipped and intended to be used for living, sleeping, cooking and eating which does not contain, within such a unit, a toilet, lavatory and bathtub or shower.

W. Imminent Danger. A condition which could cause serious or life-threatening injury or death at any time.

X. Infestation. The presence, within or contiguous to, a structure or premises of insects, rats, vermin or other pests.

Y. Inoperable Motor Vehicle. A vehicle which cannot be driven upon the public streets for reason including but not limited to being unlicensed, wrecked, abandoned, in a state of disrepair, or incapable of being moved under its own power.

Z. Labeled. Equipment, materials or products to which have been affixed a label, seal, symbol or other identifying mark of a nationally recognized testing laboratory, inspection agency or other organization concerned with product evaluation that maintains periodic inspection of the production of the above-labeled items and whose labeling indicates either that the equipment, material or product meets identified standards or has been tested and found suitable for a specified purpose.

AA. Let for Occupancy or Let. To permit, provide or offer possession or occupancy of a dwelling, dwelling unit, rooming unit, building, premise or structure by a person who is or is not the legal owner of record thereof, pursuant to a written or unwritten lease, agreement or license, or pursuant to a recorded or unrecorded agreement of contract for the sale of land.

BB. Neglect. The lack of proper maintenance for a building or structure.

CC. Occupancy. The purpose for which a building or portion thereof is utilized or occupied.

DD. Occupant. Any individual living or sleeping in a building or having possession of a space within a building.

EE. Operable Area. That part of a window, skylight or door which is available for unobstructed ventilation and which opens directly to the outdoors.

FF. Operator. Any person who has charge, care or control of a structure or premises which is let or offered for occupancy.

GG. Owner. Any person, agent, operator, firm or corporation having a legal or equitable interest in the property; or recorded in the official records of the state, county or municipality as holding title to the property; or otherwise having control of the property, including the guardian or trustee of the estate of any such person, and the executor or administrator of the estate of such person if ordered to take possession of real property by a court.

HH. Person. An individual, corporation, partnership or any other group acting as a unit.

II. Pest Elimination. The control and elimination of insects, rodents or other pests by eliminating their harborage places; by removing or making inaccessible materials that serve as their food or water; by other approved pest elimination methods.

JJ. Plumbing System Hazards. Where it is found that a plumbing system in a structure constitutes a hazard to the occupants or the structure by reason of inadequate service, inadequate venting, cross connection, back siphonage, improper installation, deterioration or damage or for similar reasons.

KK. Premises. A lot, plot or parcel of land, easement or public way, including any structures thereon.

LL. Public Way. Any street, alley or similar parcel of land essentially unobstructed from the ground to the sky, which is deeded, dedicated or otherwise permanently appropriated to the public for public use.

MM. Rooming House. A building arranged or occupied for lodging, with or without meals, for compensation and not occupied as a one- or two-family dwelling.

NN. Rooming Unit. Any room or group of rooms forming a single habitable unit occupied or intended to be occupied for sleeping or living, but not for cooking purposes.

OO. Rubbish. Combustible and noncombustible waste materials, except garbage; the term shall include the residue from the burning of wood, coal, coke and other combustible materials, paper, rags, cartons, boxes, wood, excelsior, rubber, leather, tree branches, yard trimmings, tin cans, metals, mineral matter, glass, crockery and dust and other similar materials.

PP. Sleeping Unit. A room or space in which people sleep, which can also include permanent provisions for living, eating and either sanitation or kitchen facilities, but not both. Such rooms and spaces that are also part of a dwelling unit are not sleeping units.

QQ. Structure. That which is built or constructed or a portion thereof.

RR. Structure Unfit for Human Occupancy. A structure is unfit for human occupancy whenever the Building Official finds that such structure is unsafe, unlawful or, because of the degree to which the structure is in disrepair or lacks maintenance, is unsanitary, vermin or rat infested, contains filth and contamination, or lacks ventilation, illumination, sanitary or heating facilities or other essential equipment required by this Chapter or the referenced codes and standard or because the location of the structure constitutes a hazard to the occupants of the structure or to the public or the structure contains one or more elements of a substandard building as defined in Section 18.15.030 of the Monterey County Code.

SS. Tenant. A person, corporation, partnership, or group, whether or not the legal owner of record, occupying a building or portion thereof as a unit.

TT. Time of Construction. The date an application was submitted for construction work or the date of completion of the construction work when no permit was required.

UU. Toilet Room. A room containing a water closet or urinal but not a bathtub or shower.

VV. Ventilation. The natural or mechanical process of supplying conditioned or unconditioned air to, or removing such air from, any space.

WW. Reserved.

XX. Workmanlike. Executed in a skilled manner, e.g., generally plumb, level, square, in line, undamaged and without marring adjacent work.

YY. Unlawful Structure. An unlawful structure is one found in whole or in part to be occupied by more persons than permitted under this Chapter or referenced codes and standards, or was erected, altered or occupied contrary to law.

ZZ. Unsafe Conditions. The following conditions shall be deemed unsafe:

1. The nominal strength of any structural member is exceeded by nominal loads, the load effects or the required strength.

2. The anchorage of the floor or roof to walls or columns, and of walls and columns to foundations is not capable of resisting all nominal loads or load effects.

3. Structures or components thereof that have reached their limit state.

4. Siding and masonry joints including joints between the building envelope and the perimeter of windows, doors and skylights are not maintained, weather resistant or watertight.

5. Structural members that have evidence of deterioration or that are not capable of safely supporting all nominal loads and load effects.

6. Foundation systems that are not firmly supported by footings, are not plumb and free from open cracks and breaks, are not properly anchored or are not capable of supporting all nominal loads and resisting all load effects.

7. Soils that have moved, liquefied, caused a chemical reaction, compressed or expanded so as to cause the collapse of any footing, foundation system or structural element or soils that do not provide adequate bearing capacity for the intended use.

8. Concrete or masonry that has deteriorated, deformed, fractured, fissured, spalled, exposed its reinforcement, detached, dislodged or otherwise failed so that it can no longer safely provide support for its intended use.

9. Steel, aluminum or other metal that has deteriorated, corroded, deformed, cracked, fatigued, detached, dislodged or otherwise failed so that it can no longer safety provide support for its intended use.

10. Wood that has deteriorated, deformed, cracked, split, dry-rotted, fatigued, detached, dislodged, been damaged by fire, biotic organisms, insects, rodents and other vermin, been excessively cut or notched or otherwise failed so that it can no longer safety provide support for its intended use.

11. Exterior walls that are not anchored to supporting and supported elements or are not plumb and free of holes, cracks or breaks and loose or rotting materials, are not properly anchored or are not capable of supporting all nominal loads and resisting all load effects;

12. Roofing or roofing components that have defects that admit rain, roof surfaces with inadequate drainage, or any portion of the roof framing that is not in good repair with signs

of deterioration, fatigue or without proper anchorage and incapable of supporting all nominal loads and resisting all load effects;

13. Flooring and flooring components with defects that affect serviceability or flooring components that show signs of deterioration or fatigue, are not properly anchored or are incapable of supporting all nominal loads and resisting all load effects.

14. Veneer, cornices, belt courses, corbels, trim, wall facings and similar decorative features not properly anchored or that are anchored with connections not capable of supporting all nominal loads and resisting all load effects.

15. Overhang extensions or projections including, but not limited to, trash chutes, canopies, marquees, signs, awnings, fire escapes, standpipes and exhaust ducts not properly anchored or that are anchored with connections not capable of supporting all nominal loads and resisting all load effects;

16. Exterior stairs, decks, porches, balconies and all similar appurtenances attached thereto, including guards and handrails, are not structurally sound, not properly anchored or that are anchored with connections not capable of supporting all nominal loads and resisting all load effects; or

17. Chimneys, cooling towers, smokestacks and similar appurtenances not structurally sound or not properly anchored, or that are anchored with connections not capable of supporting all nominal loads and resisting all load effects.

AAA. Unsafe Equipment. Unsafe equipment includes any boiler, heating equipment, elevator, moving stairway, electrical wiring or device, flammable liquid containers or other equipment on the premises or within the structure which is in such disrepair or condition that such equipment is a hazard to life, health, property or safety of the public or occupants of the premises or structure.

BBB. Unsafe Structures. An unsafe structure is one that is found to be dangerous to the life, health, property or safety of the public or the occupants of the structure by not providing minimum safeguards to protect or warn occupants in the event of fire, or because such structure contains unsafe conditions or unsafe equipment or is so damaged, decayed, dilapidated, structurally unsafe or of such faulty construction or unstable foundation, that partial or complete collapse is possible.

CCC. Yard. An open space on the same lot with a structure.

18.14.030 - Enforcement provisions.

A. Responsibility for Enforcement. The Building Official or his or her designee is hereby authorized and directed to enforce the provisions of this Chapter. The Building Official shall have the authority to render interpretations of this Chapter and to adopt policies and procedures in order to clarify the application of its provisions. Such interpretations, policies and procedures shall be in compliance with the intent and purpose of this Chapter. Such policies and procedures shall not have the effect of waiving requirements specifically provided for in this Chapter.

B. Means of Appeal. Any owner whose interests are adversely affected by any order, decision or determination made by the Building Official pursuant to the provisions of this Chapter may file an appeal to the County Hearing Officer pursuant to Chapter 1.22 of the Monterey County Code. For purposes of this Section, owner means any individual, corporation, partnership, firm or any other group acting as a unit having a legal or equitable interest in the property as recorded in the official records of the County Recorder, including the guardian or

trustee of the estate of any such person, and the executor or administrator of the estate of such person if ordered to take possession of real property by a court.

18.14.040 - General maintenance requirements.

A. General. The provisions of this Chapter shall govern the minimum conditions and the responsibilities of persons for maintenance of structures, equipment and exterior property. The owner of the premises shall maintain the structures and exterior property in compliance with these requirements, except as otherwise provided for in this Chapter. All vacant structures and premises thereof or vacant land shall be maintained in a clean, safe, secure and sanitary condition as provided herein so as not to cause a blighting problem or adversely affect the public health or safety.

B. Exterior Property Areas. All exterior property and premises shall be maintained in a clean, safe and sanitary condition. The occupant shall keep that part of the exterior property which such occupant occupies or controls in a clean and sanitary condition including but not limited to the following:

1. Grading and Drainage. All premises shall be graded and maintained to prevent the erosion of soil and to prevent the accumulation of stagnant water thereon, or within any structure located thereon except for approved retention areas and reservoirs.

2. Sidewalks and Driveways. All sidewalks, walkways, stairs, driveways, parking spaces and similar areas shall be kept in a proper state of repair and maintained free from hazardous conditions.

3. Weeds. All premises and exterior property shall be maintained free from weeds or plant growth in excess of four (4) inches. All noxious weeds shall be prohibited. Weeds shall be defined as all grasses, annual plants and vegetation, other than trees or shrubs provided; however, this term shall not include cultivated flowers and gardens. Removal of weeds pursuant to this Section is subject to compliance with all other laws and regulations including but not limited to the California Coastal Act, and the federal and state Endangered Species Acts.

4. Rodent Harborage. All structures and exterior property shall be kept free from rodent harborage and infestation. Where rodents are found, they shall be promptly exterminated by approved processes which will not be injurious to human health. After extermination, proper precautions shall be taken to eliminate rodent harborage and prevent reinfestation.

5. Exhaust Vents. Pipes, ducts, conductors, fans or blowers shall not discharge gases, steam, vapor, hot air, grease, smoke, odors or other gaseous or particulate wastes directly upon abutting or adjacent public or private property or that of another tenant.

6. Accessory Structures. All accessory structures, including detached garages, fences and walls, shall be maintained structurally sound and in good repair.

7. Motor Vehicles. Except as provided for in other regulations, no inoperative or unlicensed motor vehicle shall be parked, kept or stored on any premises, and no vehicle shall at any time be in a state of major disassembly, disrepair, or in the process of being stripped or dismantled unless such work is performed inside a structure or similarly enclosed area designed and approved for such purposes. Painting of vehicles is prohibited unless conducted inside an approved spray booth.

8. Defacement of Property. The exterior surface of any structure or building on any private or public property shall not be damaged, mutilated or defaced by placing thereon any marking, carving or graffiti.

9. Storage of Materials and Containers. No materials or any type, or storage containers, shall be kept or stored on the exterior of any premises unless the storage of such materials or containers otherwise complies with all applicable laws and regulations including but not limited to the zoning regulations and California Building Standards Code as adopted and amended by the County of Monterey.

C. Exterior Structure. The exterior of a structure shall be maintained in good repair, structurally sound and sanitary so as not to pose a threat to the public health, safety or welfare including but not limited to the following:

1. Protective Treatment. All exterior surfaces, including but not limited to, doors, door and window frames, cornices, porches, trim, balconies, decks and fences, shall be maintained in good condition. Exterior wood surfaces, other than decay-resistant woods, shall be protected from the elements and decay by painting or other protective covering or treatment. Peeling, flaking and chipped paint shall be eliminated and surfaces repainted. All siding and masonry joints, as well as those between the building envelope and the perimeter of windows, doors and skylights, shall be maintained weather resistant and watertight. All metal surfaces subject to rust or corrosion shall be coated to inhibit such rust and corrosion, and all surfaces with rust or corrosion shall be stabilized and coated to inhibit future rust and corrosion. Oxidation stains shall be removed from exterior surfaces. Surfaces designed for stabilization by oxidation are exempt from this requirement.

2. Premises Identification. Except as otherwise provided in the Chapter 18.10 of the Monterey County Code, buildings shall have approved address numbers placed in a position to be plainly legible and visible from the street or road fronting the property. These numbers shall contrast with their background. Address numbers shall be Arabic numerals or alphabet letters. Numbers shall be a minimum of four (4) inches high with a minimum stroke width of 0.5 inch unless otherwise approved by the Fire Code Official.

3. Structural Members. All structural members shall be maintained free from deterioration and shall be capable of safely supporting all required loading.

4. Foundation Walls. All foundation walls shall be maintained plumb and free from open cracks and breaks and shall be kept in such condition to prevent the entry of rodents and other pests.

5. Exterior Walls. All exterior walls shall be free from holes, breaks, and loose or rotting materials; and maintained weatherproof and properly surface coated where required to prevent deterioration.

6. Roofs and Drainage. The roof and flashing shall be sound, tight and not have defects that admit rain. Roof drainage shall be adequate to prevent dampness or deterioration in the walls or interior portion of the structure. Roof drains, gutters and downspouts shall be maintained in good repair and free from obstructions. Roof water shall not be discharged in a manner that creates a public nuisance.

7. Decorative Features. All cornices, belt courses, corbels, terra cotta trim, wall facings and similar decorative features shall be maintained in good repair with proper anchorage and in a safe condition.

8. Overhang Extensions. All overhang extensions including, but not limited to canopies, marquees, signs, metal awnings, fire escapes, standpipes and exhaust ducts shall be maintained in good repair and be properly anchored to be kept in a sound condition.

9. Stairways, Decks, Porches and Balconies. Every exterior stairway, deck, porch and balcony, and all appurtenances attached thereto, shall be maintained structurally sound, in good repair, with proper anchorage and capable of supporting the imposed loads.

10. Chimneys and Towers. All chimneys, cooling towers, smokestacks, and similar appurtenances shall be maintained structurally safe and sound, and in good repair.

11. Handrails and Guards. Every handrail and guard shall be firmly fastened and capable of supporting normally imposed loads and shall be maintained in good condition.

12. Window, Skylight and Door Frames. Every window, skylight, door and frame shall be kept in sound condition, good repair and weather tight.

13. Glazing. All glazing materials shall be maintained free from cracks and holes.

14. Openable Windows. Every window, other than a fixed window, shall be easily openable and capable of being held in position by window hardware.

15. Insect Screens. Every door, window and other outside opening required for ventilation of habitable rooms, food preparation areas, food service areas or any areas where products to be included or utilized in food for human consumption are processed, manufactured, packaged or stored shall be supplied with approved tightly fitting screens of not less than sixteen (16) mesh per inch and every screen door used for insect control shall have a self-closing device in good working condition unless otherwise approved by the Building Official. Screens shall not be required where other approved means, such as air curtains or insect repellent fans, are employed.

16. Doors. All exterior doors, door assemblies and hardware shall be maintained in good condition. Locks at all entrances to dwelling units and sleeping units shall tightly secure the door.

17. Basement Hatchways. Every basement hatchway shall be maintained to prevent the entrance of rodents, rain and surface drainage water.

18. Guards for Basement Windows. Every basement window that is openable shall be supplied with rodent shields, storm windows or other approved protection against the entry of rodents.

19. Building Security. Doors, windows or hatchways for dwelling units, room units or housekeeping units shall be provided with devices designed to provide security for the occupants and property against unauthorized entry.

D. Interior Structure. The interior of a structure and equipment therein shall be maintained in good repair, structurally sound and in a sanitary condition including but not limited to the following:

1. Structural Members. All structural members shall be maintained structurally sound and be capable of supporting the imposed loads.

2. Interior Surfaces. All interior surfaces, including windows and doors, shall be maintained in good, clean and sanitary condition. Peeling, chipping, flaking or abraded paint shall be repaired, removed or covered. Cracked or loose plaster, decayed wood and other defective surface conditions shall be corrected.

3. Stairs and Walking Surfaces. Every stair, ramp, landing, balcony, porch, deck or other walking surface shall be maintained in sound condition and good repair.

4. Handrails and Guards. Every handrail and guard shall be firmly fastened and capable of supporting normally imposed loads and shall be maintained in good condition.

5. Interior Doors. Every interior door shall fit reasonably well within its frame and shall be capable of being opened and closed by being properly and securely attached to jambs, headers or tracks as intended by the manufacturer of the attachment hardware.

6. Storage of Materials and Containers. No materials of any type, or storage containers, shall be kept or stored on the interior of any premises unless the storage of such materials or containers otherwise complies with all applicable laws and regulations including but not limited to zoning regulations and the California Building Standards Code as amended by the County of Monterey.

E. Rubbish and Garbage. All exterior property and premises, and the interior of every structure, shall be free from any accumulation of rubbish or garbage. Every occupant of a structure shall dispose of all rubbish in a clean and sanitary manner by placing such rubbish in approved containers. The owner of every occupied premises shall supply approved covered containers for rubbish and shall be responsible for the removal of rubbish. Refrigerators and similar equipment not in operation shall not be discarded, abandoned or stored on premises except at approved locations. Every occupant of a structure shall dispose of garbage in a clean and sanitary manner by placing such garbage in an approved garbage disposal facility or approved garbage containers.

F. Pest Elimination. All structures shall be kept free from insect and rodent infestation. All structures in which insects or rodents are found shall be promptly exterminated by approved processes that will not be injurious to human health. After extermination, proper precautions shall be taken to prevent reinfestation. The owner of any structure shall be responsible for extermination within the structure.

18.14.050 - Light, ventilation and occupancy requirements.

A. General. The provisions of this Section shall govern the minimum conditions and standards for light, ventilation and space for occupying a structure. The owner of the structure shall provide and maintain light, ventilation and space conditions in compliance with the building standards in effect at the time of construction.

B. Light. Every habitable space shall maintain the required total glazed area for every habitable space. All other spaces shall be provided with natural or artificial light sufficient to permit the maintenance of sanitary conditions, and the safe occupancy of the space and utilization of the appliances, equipment, and fixtures.

C. Ventilation. Every habitable space shall maintain the required operable windows. Every bathroom and toilet room shall maintain the required ventilation by natural or mechanical means. Every room with cooking facilities shall maintain the require ventilation.

D. Overcrowding. The number of persons occupying a dwelling unit shall not create conditions that, in the opinion of the Building Official, endanger the life, health, safety or welfare of the occupants.

E. Food Preparation. All spaces to be occupied for food preparation purposes shall contain suitable space and equipment to store, prepare and serve foods in a sanitary manner. There shall be adequate facilities and services for the sanitary disposal of food wastes and refuse, including facilities for temporary storage.

18.14.060 - Plumbing facilities and fixture requirements.

A. General. The provisions of this Section shall govern the minimum conditions and standards for plumbing facilities and plumbing fixtures. The owner of the structure shall provide

and maintain plumbing facilities and plumbing fixtures in compliance with the building standards in effect at the time of construction.

B. Public Toilet Facilities. Public toilet facilities shall be maintained in a safe sanitary and working condition. Except for periodic maintenance or cleaning, public access and use shall always be provided to the toilet facilities during occupancy of the premises.

C. Toilet Rooms. A door and interior locking device shall be provided for all common or shared bathrooms and toilet rooms in a multiple dwelling. In other than dwelling units, every toilet room floor shall be maintained to be a smooth, hard, nonabsorbent surface to permit such floor to be easily kept in a clean and sanitary condition.

D. Plumbing Systems and Fixtures. All plumbing fixtures shall be properly installed and maintained in working order, and shall be kept free from obstructions, leaks and defects and be capable of performing the function for which such plumbing fixtures are designed. All plumbing fixtures shall be maintained in a safe, sanitary and functional condition. Plumbing fixtures shall have adequate clearances for usage and cleaning.

E. Water System. Every sink, lavatory, bathtub or shower, drinking fountain, water closet or other plumbing fixture shall be properly connected to either a public water system or to an approved private water system.

F. Hot and Cold Water. All kitchen sinks, lavatories, laundry facilities, bathtubs and showers shall be supplied with hot and cold running water in accordance with the building standards in effect at the time of construction.

G. Contamination. The water supply shall be maintained free from contamination.

H. Supply. The water supply system shall be installed and maintained to provide a supply of water to plumbing fixtures, devices and appurtenances in sufficient volume and at pressures adequate to enable the fixtures to function properly, safely, and free from defects and leaks.

I. Water Heating Facilities. Water heating facilities shall be properly installed, maintained and capable of providing an adequate amount of water to be drawn at every required sink, lavatory, bathtub, shower and laundry facility at a temperature of not less than one hundred twenty (120) degrees Fahrenheit. A gas-burning water heater shall be located in an approved location with adequate combustion air and an approved combination temperature and pressure-relief valve and relief valve discharge pipe.

J. Sanitary Drainage System. All plumbing fixtures shall be properly connected to either a public sewer system or to an approved private sewage disposal system.

K. Obstructions, Leaks and Defects. Every plumbing stack, vent, waste and sewer line shall function properly and be kept free from obstructions, leaks and defects.

L. Grease Interceptors. Grease interceptors shall be maintained and regularly serviced as intended by this Chapter and the references codes and standards and the manufacturer's instructions.

M. Storm Drainage. Drainage of roofs and paved areas, yards and courts, and other open areas on the premises shall be maintained and conveyed to an approved location.

18.14.070 - Mechanical and electrical requirements.

A. General. The provisions of this Chapter shall govern the minimum mechanical and electrical facilities and equipment to be provided. The owner of the structure shall provide and maintain mechanical and electrical facilities and equipment in compliance with these requirements.

B. Heating Facilities. Heating facilities shall be maintained in structures as required by this Section. Except for spaces not normally associated with human comfort, interior spaces intended for human occupancy including but not limited to dwellings shall be provided with heating facilities capable of maintaining a room temperature of seventy (70) degrees Fahrenheit. Cooking appliances or portable space heaters shall not be used to provide space heating to meet the requirements of this Section.

C. Mechanical Equipment. All mechanical appliances, fireplaces, solid fuel-burning appliances, cooking appliances and water heating appliances shall be properly installed and maintained in a safe working condition, and shall be capable of performing the intended function. All fuel-burning equipment and appliances shall be connected to an approved chimney or vent unless approved. All required clearances to combustible materials shall be maintained. All safety controls for fuel-burning equipment shall be maintained in effective operation. A supply of air for complete combustion of the fuel and for ventilation of the space containing the fuel-burning equipment shall be provided for the fuel-burning equipment.

D. Electrical Facilities. Every occupied building shall be maintained with an electrical system in compliance with the building standards in effect at the time of construction provided it does not create an electrical hazard. Electrical facilities that have been damaged by exposure to water or fire shall be replaced in accordance with the provisions of the California Building Standards Code as amended by the County of Monterey.

E. Elevators, Escalators and Dumbwaiters. Elevators, dumbwaiters and escalators shall be maintained in compliance with the building standards in affect at their time of construction. The most current certificate of inspection shall be on display at all times within the elevator or attached to the escalator or dumbwaiter, be available for public inspection in the office of the building operator or be posted in a publicly conspicuous in an approved location. The inspection and tests shall be performed at not less than the periodic intervals required by the State of California Department of Industrial Relations or their successors.

F. Duct Systems. Duct systems shall be maintained free of obstructions and shall be capable of performing the required function.

18.14.080 - Fire safety requirements.

A. General. The provisions of this Section shall govern the minimum conditions and standards for fire safety relating to structures and exterior premises, including fire safety facilities and equipment to be provided.

B. Means of Egress. A safe, continuous and unobstructed path of travel shall be provided from any point in a building or structure to the public way. Means of egress shall comply with the building standards in effect at the time of construction. The required width of aisles shall be unobstructed. All means of egress doors shall be readily openable from the side from which egress is to be made without the need for keys, special knowledge or effort, except where the door hardware conforms to that permitted by the California Building Code.

C. Emergency Escape Openings. Required emergency escape openings shall be maintained in accordance with the building standards in effect at the time of construction and the following. Required emergency escape and rescue openings shall be operational from the inside of the room without the use of keys or tools. Bars, grilles, grates or similar devices are permitted to be placed over emergency escape and rescue openings provided the minimum net clear opening size complies with the building standards in effect at the time of construction and such

devices shall be releasable or removable from the inside without the use of a key, tool or force greater than that which is required for normal operation of the escape and rescue opening.

D. Fire-Resistance Ratings. The required fire-resistance rating of fire-resistance-rated walls, fire stops, shaft enclosures, partitions and floors shall be maintained. Required opening protection devices shall be maintained in an operative condition. All fire and smoke stop doors shall be maintained in operable condition. Fire doors and smoke barrier doors shall not be blocked or obstructed or otherwise made inoperable.

E. Fire Protection Systems. All systems, devices and equipment to detect a fire, actuate an alarm, or suppress or control a fire or any combination thereof shall be maintained in an operable condition at all times in accordance with the building standards in effect at the time of construction.

18.14.090 - Violations.

A. Prohibited Conditions. It shall be unlawful for any owner to create, maintain or permit the continued existence of any dangerous structure or premises, unsafe condition, unsafe equipment, unsafe structure, any structure that is unfit for human occupancy, any substandard building or premises or any unlawful structure or any other hazards as defined in this Chapter. Such violations are public nuisances and the owner shall abate or cause to be abated or corrected such conditions either by repair, rehabilitation, demolition or other approved corrective action without delay.

B. Prohibited Occupancy. It shall be unlawful for any owner to occupy or permit a person, firm or corporation to occupy any structure or premises condemned and placarded by the Building Official. It shall be unlawful for any person to enter such structure or premises except for the purpose of securing the structure, making the required repairs, removing the hazardous condition or of demolishing the same.

C. Maintaining Placards. It shall be unlawful for any owner to deface or remove a condemnation placard without the written approval of the Building Official.

D. Prohibited Services. It shall be unlawful for any owner to operate or permit a person, firm or corporation to operate condemned and placarded equipment.

E. Reconnection of Utilities. It shall be unlawful for any owner to reconnect or permit a person, firm or corporation to reconnect utilities after having been ordered to be disconnected without the written approval of the Building Official.

F. Following Stop Work Orders. It shall be unlawful for any owner to continue any work after having been served with a stop work order by the Building Official except such work that is necessary to perform to remove a violation or unsafe condition.

G. Maintaining Residential Services. It shall be unlawful for any owner to cause any service, facility, equipment or utility to be removed from or shut off from or discontinued for any occupied dwelling, except for such temporary interruption as necessary while repairs or alterations are in progress.

H. Duty to Maintain Buildings, Structures and Premises. It shall be unlawful for any owner to fail to maintain any building, structure or premises in conformance with the provisions of this Chapter, the building standards that lawfully existed at the time of construction and any minimum maintenance standards established by state or local law since the time of construction.

I. Maintaining Exterior Surfaces. It shall be unlawful for any owner to willfully or wantonly damage, mutilate or deface any exterior surface of any structure or building on any private or public property by placing thereon any marking, carving or graffiti.

J. Unauthorized Vehicle Storage. It shall be unlawful for any owner to park, keep or store an inoperative or unlicensed motor vehicle on any premises unless such premises are approved for such parking and storage under all applicable laws.

K. Unauthorized Vehicle Repair. It shall be unlawful for any owner to allow any vehicle to be in a state of major disassembly, disrepair, or in the process of being stripped or dismantled or repaired or painted on any premises unless such work is performed inside a structure or similarly enclosed area designed and approved for such purposes. Painting of vehicles is prohibited unless conducted inside an approved spray booth.

L. Unauthorized Storage of Materials. It shall be unlawful for any owner to keep or store any materials or storage on any premises unless such storage is approved under all applicable laws including but not limited to zoning regulations and the California Building Standards Code as amended by the County of Monterey.

M. Failure to Correct. It shall be unlawful for any owner to willfully fail to diligently pursue the correction of any violation of this Chapter as identified in a notice of violation.

N. Transfer of Ownership. It shall be unlawful for the owner of any real property to sell, transfer, mortgage, lease, or otherwise dispose of any real property knowing there is a notice of violation for a violation of this Chapter involving that real property until the violations are corrected or until such owner first furnishes the grantee, transferee, mortgagee, or lessee owner with a true copy of any such notice of violation and shall furnish to the Building Official a signed and notarized statement from the grantee, transferee, mortgage, or lessee, acknowledging the receipt of a true copy of such notice of violation and fully accepting the responsibility without condition for making the corrections or repairs required by such documents or stating intentions to timely challenge such notice of violation. The transfer of ownership in violation of this Section shall not abrogate the transfer.

SECTION 17. Chapter 18.16 of the Monterey County Code is readopted with amendments to read as follows:

CHAPTER 18.16
GRADING

Section:

18.16.010 Adoption.

18.16.010 Adoption.

Adoption. Appendix J of that certain document entitled 2025 California Building Code, California Code of Regulations, Title 24, Part 2, Volume 2 as published by the California Building Standards Commission based on the 2024 International Building Code with applicable amendments from the State of California, is hereby adopted.

SECTION 18. CROSS REFERENCE CONFORMITY. The Clerk of the Board of Supervisors, upon the concurrence of the County Counsel, is authorized to make such changes to the other provisions of the Monterey County Code to provide for the accuracy of cross references in the County Code to the chapters and sections amended and added by this ordinance.

SECTION 19. SEVERABILITY. If any section, subsection, sentence, clause, or phrase of this ordinance is for any reason held to be unconstitutional or invalid, such decision shall not affect the validity of the remaining portions of this ordinance. The Board of Supervisors hereby

declares that it would have passed this ordinance and each section, subsection, sentence, clause, or phrase thereof irrespective of the fact that any other part thereof be unconstitutional or invalid.

SECTION 20. EFFECTIVE DATE. This ordinance shall become effective on the thirty-first day following its adoption. This ordinance shall not become operative until this ordinance has been filed with the California Building Standards Commission.

INTRODUCTION

During the 2024 Triennial Code Adoption Cycle, California state agencies reviewed the most recent editions of national model codes and standards, and made amendments and additions to most parts of the California Building Standards Code, Title 24 of the California Code of Regulations (Title 24). This publication contains information regarding substantive California changes of interest to code users as they familiarize themselves with the 2025 edition of Title 24. For ease of reading, this document uses all normal font style (no italics). When looking at Title 24, it is a good idea to learn about and understand the various margin markings, banners and text styles that will indicate where changes have been made to the code and what amendments are model code changes versus California amendments. An explanation of margin markings can be found in the preface of each part of Title 24.

State agency acronyms that may be used in this publication

BSC – Building Standards Commission
CEC – California Energy Commission
DCA – Department of Consumer Affairs, Veterinary Medical Board
DSA – Division of the State Architect
DWR – Department of Water Resources
HCD – Department of Housing and Community Development
OSHPD – Office of Statewide Hospital Planning and Development
SFM – State Fire Marshal

For the applications of amendments adopted by the various state agencies, reference Chapter 1 of each part of Title 24.

The parts of Title 24 may be abbreviated as follows:

CBC – California Building Code, Part 2, Volumes 1 and 2
CRC – California Residential Code, Part 2.5
CMC – California Mechanical Code, Part 4
CPC – California Plumbing Code, Part 5
CWUIC – California Wildland-Urban Interface Code, Part 7
CFC – California Fire Code, Part 9
CEBC – California Existing Building Code, Part 10
CALGreen – California Green Building Standards Code, Part 11
CRSC – California Referenced Standards Code, Part 12

To avoid confusion with other acronyms, abbreviations are not used for the California Administrative Code (Part 1), California Electrical Code (Part 3) or California Energy Code (Part 6).

Note that there were no significant updates to the California Historical Building Code, Part 8 of Title 24, or Part 12, the Referenced Standards Code, so they are not included in this summary. There are no changes to Part 8 because the State Historical Building Safety Board adopted the 2025 California Historical Building Code by carrying forward existing provisions from the 2022 edition without further amendment.

Model code developers:

Every three years the national model codes and standards are published, and by law California is required to incorporate specific model codes and standards into Title 24. The model code publishers often issue significant code change documents explaining national code updates and the reasons for them. Links are provided below to assist in searching for this information for each of the publishers.

IAPMO – The International Association of Plumbing and Mechanical Officials (Parts 4 and 5)

2024 Uniform Mechanical and Plumbing Code publication webpage

ICC – The International Code Council (Parts 2, 2.5, 7, 9 and 10)

ICC's 2024 Significant Changes publications (search each title separately)

NFPA – National Fire Protection Association (Part 3)

2023 National Electrical Code Guide to Changes

In 2024, the model codes published by ICC underwent a substantial formatting change as part of their digital transformation strategy to improve the user experience and enhance readability by providing a cleaner, more modern look. All parts of Title 24 that are published by ICC—Parts 1, 2, 2.5, 6, 7, 8, 9, 10, 11 and 12—display the new single-column format. Parts 3, 4 and 5, published by NFPA and IAPMO, retain the previous formatting style.

Additionally, some section renumbering occurred to align with the new structure, and existing California amendments made obsolete by new model code language have been repealed and deleted from the code.

Also, in 2021 the Office of Statewide Hospital Planning and Development (OSHPD) was renamed the Department of Health Care Access and Information (HCAI). Within HCAI, divisions were renamed "offices" and the building code development unit is now within HCAI's Office of Statewide Hospital Planning and Development (OSHPD); therefore, the acronym used in Title 24 banners to indicate adoption by OSHPD will not change.

Please watch the California Building Standards Commission's (CBSC) video *About Title 24* to learn about the code's layout and contributing state agencies. For more in-depth information, visit CBSC's Resources webpage to view and download educational publications such as a *Guide to Title 24*.

CALIFORNIA ADMINISTRATIVE CODE – PART 1

Chapter 1 – Building Standards Commission

1-101 Abbreviations
Added an entry for HCAI and corrected the entry for OSHPD.

1-407 Initial rulemaking file submittals by a state proposing agency
Changed to accept digital signatures, accept single soft copies of documents, and clarify signature requirements for the Economic and Fiscal Impact Statement (Form STD 399).

1-408. Certification of delegation of authority
Changed to accept digital signatures.

1-411 Public comment rulemaking file submitted by a state proposing agency
Changed to accept one copy of various required documents.

1-413 Public comments and related actions
Removed the note referencing a public comment form on the website.

1-415 Final rulemaking file by state proposing agencies
Requirements changed to accept digital signatures, accept single copies, clarify documentation of public hearings, clarify the statement necessary if supporting documents are added after the NOPA is published, and clarify requirements when changes are made after the NOPA is published. Also repealed confusing language about the Informative Digest and the memo attesting to a 45-day public comment period.

1-419 Emergency building standards
Changed to accept one copy of various required documents.

Chapter 3 – State Fire Marshal

3-104 Application of building standards
Added a reference to the new California Wildland-Urban Interface Code, Part 7 of Title 24.

Chapter 4 – Division of the State Architect – Structural Safety

Sections 4-205, 4-305, 4-402, 4-405
Added a reference to the new California Wildland-Urban Interface Code, Part 7 of Title 24.

4-309(a) Reconstruction or alteration projects in excess of $100,000 in cost
Replaced “modifications” with “reconstruction, alteration, or addition” to clarify intent and provide consistency of language with the CEBC.

4-310 School garages, warehouses, storage and similar buildings, dwellings for employees and miscellaneous structures

As a result of AB 358 (Chapter 83, Statutes of 2023), updated language to note community college student housing buildings are exempted from the Field Act.

4-314. Definitions

Added the definition of “Laboratory of Record” to coordinate with language updates and reorganization to create new Article 11 in this chapter.

4-317(e). Plans, specifications, calculations and other data

Added a new exception that allows repair of damage caused by means not related to natural or manmade disaster (e.g. dry rot, vehicle impact) on a school building within 50 feet of fault trace.

4-318(a) Procedure for approval of application and voidance of application

Added editorial revisions to current language that utilizes terms such as “prints,” “tracings,” “reproducible sheets,” which are tied to a paper-based system and not in alignment with current electronic media and submittal processes.

4-318(c) Voidance of application, 4-319 Withdrawal of application, and 4-420 Fees

Clarified amount of refund of fees when work has not yet commenced (checking work or construction) on a project (or subsequent increments) to align with current practice.

Various Sections within Group 1, Articles 5 and 6

Relocated and modified various sections from these articles to new Articles 10 and 11.

4-333 Observation and inspection of construction

4-333(b) Inspection by a project inspector or assistant inspector

Added language to include assistant inspectors (and removed 4-333(d) Items 3-4). Added language to clarify each inspector’s responsibility to the governing board, including any inspector involved with or providing inspection related activities or services to the district, while also emphasizing that inspectors ultimately report to DSA for enforcement of plans and specifications of the project.

4-333(d) Assistant inspectors

Added requirement that Assistant Inspectors (AI) must meet same project approval requirements as Project Inspectors (PI) for projects inspected by AI. Removed #3-4 and relocated #2 to 4-361.4, with modifications.

4-333.1 Project inspector certification.

Relocated this section to new Article 10 in this chapter and modified language to improve clarity.

4-335(f) Structural tests and special inspections
Removed minimum age requirements and added minimum educational requirements for special inspectors for consistency with Project Inspectors and DSA Certified Special Inspectors.

4-335(f)4.A Special inspector daily reports
Removed requirement for Special Inspector (SI) daily reports to PI within seven days since PI to receive those sooner (within one business day).

4-335.1 DSA Laboratory of record
Relocated portions of the former language to new Article 11 and modified language to improve clarity.

4-342 Duties of the project inspector

4-342(b) Duties
Added language specifying 48-hours prior notification by the PI to DSA for structural steel erection.

4-342(c) Violations through 4-342(g) Filing an appeal
Relocated items to new Article 10 and modified language to improve clarity.

Group 1, Article 8
Repealed Sections 4-350 and 4-351 to remove conflicts.

Group 1, Article 10
Created new Article 10. Inspector Certification (Sections 4-360 through 4-369) to consolidate and clarify inspector certification, professional conduct, discipline, appeals, and reinstatement requirements.

Group 1, Article 11
Created new Article 11. Laboratory Acceptance (Sections 4-370 through 4-378) to consolidate and clarify laboratory acceptance, professional conduct, discipline, appeals, and reinstatement requirements.

4-411 Definitions
Added definitions for “Classroom” and “Shade Structure” to clarify broad terms frequently reflected in project designs.

Chapter 5 – Division of the State Architect – Access Compliance

Section 5-101 Purpose
Added exception to align with AB 306 (Chapter 49, Statutes of 2021) and AB 358 (Chapter 83, Statutes of 2023), exempting teacher or district employee dwellings and community college student housing buildings from DSA review for access compliance.

Chapter 6 – Office of Statewide Hospital Planning and Development – Seismic Evaluation Procedures for Hospital Buildings

Article 1. Definitions and Requirements

Added and amended various sections within Article 1 as a result of the enactment of AB 869 (Chapter 801, Statutes of 2024), which establishes a process for small, rural, critical access and district hospitals, as well as hospitals that are recipients of the Distressed Hospital Loan Program, to seek a delay of up to three years to the seismic safety compliance deadline of January 1, 2030, and also provides HCAI with discretion to extend the delay by an additional two years.

1.2 Definitions

Repealed the definitions of “Administrative Extension” and “Critical Community Provider” because the timeframe to request an extension has expired.

1.5.2 Delay in compliance

Amended language to align the NPC compliance requirements and dates with existing statutory mandate and repealed SPC compliance requirements that are no longer applicable per AB 2190 (Chapter 673, Statutes of 2018).

Sections 11.3.1 and 11.3.2

Repealed the torque testing requirements for bolts with no tension as there is no specific test for shear.

Chapter 7 – Office of Statewide Hospital Planning and Development – Safety Standards for Health Facilities

7-101 Scope

Amended language to add HSC Section 129850 that provides OSHPD has broad statutory authority to make any regulations that it deems necessary, proper, or suitable to carry out the Alfred E. Alquist Hospital Facilities Seismic Safety Act of 1983 (HSSA 83).

7-111 Definitions

Amended the definitions of: “Freestanding” to clarify that a building does not have to be adjacent to another building to be freestanding and the separation requirements apply to all adjacent buildings (and not limited to hospital buildings only); and “Office” for consistency with the creation of the Department of Health Care Access and Information (HCAI) and the renamed Office of Statewide Hospital Planning and Development (OSHPD).

7-115 Preparation of construction documents and reports

Amended language: Allows fire protection engineers to prepare plans and specifications for fire protection systems; assures compliance with HSC Section 129805(a); and clarifies that only OSHPD Preapproved Details (OPDs) and distribution system preapprovals are required to be inserted in the construction documents.

Section 7-153 Changes to the approved work

Repealed subsections (b)1 and 2 because HCAI does not have the authority.

Chapter 10 – California Energy Commission

Please visit the California Energy Commission's website for updates.

energy.ca.gov/programs-and-topics/programs/building-energy-efficiency-standards/online-resource-center/overview

CALIFORNIA BUILDING CODE – PART 2

Chapter 1 – Scope and Administration

Division of the State Architect

104.2.3 (formerly 104.11) Alternative materials, design and methods of construction and equipment

Added new banners and amended language to clarify that the new model code exception regarding use of International Code Council Performance Code is not permitted by DSA.

Office of Statewide Hospital Planning and Development

1.10.2 OSHPD 2

Removed references to OSHPD 2A and 2B as there is no longer a difference in requirements between skilled nursing facilities that are single-story wood frame or light steel construction and multi-story facilities.

1.10.6 OSHPD 6

Added a new banner and description to identify the requirements for Chemical Dependency Recovery Hospitals (CDRH). The OSHPD 6 designation incorporates AB 2096 (Chapter 233, Statutes 2022) into regulations.

State Fire Marshal

1.11.2.4 Request for alternate means of protection

Updated the reference pointer to California Code of Regulations (CCR) Title 19 due to program changes in the requirements of Risk Management Plans and the handling of hazardous materials under the oversight of CalEPA (AB 148, Stats. 2021). These programs were previously in Title 19, Division 2 (CalOES), but are now located in Title 19, Division 5 (CalEPA), and have been effective as of March 6, 2024.

1.11.4.4 Fire clearance pre-inspection

Corrected the reference pointer that delegates authority from the State Fire Marshal to the local fire prevention enforcement authority (Health and Safety Code Sections 13145 and 13146).

101.4.8 Wildland-Urban Interface

Added a new administrative section to reference the newly adopted California Wildland-Urban Interface Code (CWUIC), Part 7 of Title 24. The adoption of the CWUIC has affected provisions and references in CBC Chapters 2, 3, and 7A, and will be addressed in this summary. Chapter 7A has been removed from the CBC and relocated in Part 7.

Chapter 2 – Definitions

State Fire Marshal

Definitions related to Chapter 7A

Repealed and deleted all definitions with reference to Chapter 7A. Chapter 7A provisions have been relocated to the new California Wildland-Urban Interface Code, Part 7 of Title 24.

Division of the State Architect

Multi-bedroom Housing Unit

Amended definition to change the term “toilet and bathing rooms” to “bathroom(s)”

Next Generation Attenuation West

Repealed this definition as it is no longer used in the code.

Public-Occupancy Temporary Structure

Added an amendment to clarify that the definition does not apply to school buildings as defined in Section 4-314 of the California Administrative Code.

Chapter 3 – Occupancy Classification and Use

Department of Housing and Community Development [HCD]

310.3 Residential Group R-2 and 310.4 Residential Group R-3

Amended the model code language in relation to nontransient hotels and motels specifying that all nontransient hotels and motels, regardless of number of guest rooms, shall be classified as Occupancy Group R-2.

310.4.2 Lodging houses

Amended the automatic sprinkler system installation requirements and replaced "P2904" with a reference pointer to CRC R309.1.1.

State Fire Marshal

304.1 Business Group B

Editorial correction to align ambulatory care facilities with the provisions of the California Fire Code (Part 9, title 24) as a Business Group B occupancy.

305.2 Group E, child-care facilities, exception

Amended existing exception to Group E child-care facilities, allowing the facilities to operate when they comply with special requirements, aimed at expanding child-care services and upholding fire and life safety practices, and in compliance with Assembly Bill 176, Chapter 998 (2024).

308.5.1 Classification as Group E, special provisions

This model code section was deleted from the 2022 CBC. Assembly Bill 176, Chapter 998 (2024) required language from the 2019 CBC to be re-incorporated to provide clarification for local jurisdictions regarding child day care for more than six but not more than 100 children under 36 months of age.

Chapter 4 – Special Detailed Requirements

State Fire Marshal

403.2.1.1 Type of construction

Corrected the Item #1 exception by deleting model code language "columns supporting floors," which was an existing amendment that was not carried forward in the 2022 CBC.

403.3.1 Number of sprinkler system risers and system design

Incorporated an existing amendment regarding the requirements of sprinkler systems that are hydraulically designed. The terms "standpipe" and "vertical water supply zones" in this section clarify the requirements of codes and referenced standards.

403.3.1.2 Buildings more than 420 feet in height

Clarified that there are differences in requirements for buildings having a height greater than 420 feet (128 m) and in Section 403.3.1.1 buildings having a height less than 420 feet (128 m). Included requirement for sprinkler systems to be supplied from two risers to limit the impact of a single-point failure of a standpipe or sprinkler express riser.

403.5.3 Stairway door operation

Repealed an amendment regarding failure of electrical power to the locking mechanism as it is now in the adopted model code language.

404.12 Group I and R 2.1 occupancy means of egress

Added treatment rooms to the egress requirements to clarify that patient sleeping rooms and patient treatment rooms are not permitted to pass through the atrium for means of egress. Aligns with the National Fire Protection Association 101 (NFPA 101).

406.9.2 Ventilation

Corrected the reference pointer from Section 1203 to 1202, to align with model code renumbering.

407.4.4.1 Exit access through care suites

Repealed an amendment regarding egress through an adjacent care suite to align with the requirements of NFPA 101. Section 407.4.4.3 includes the requirement.

Section 407.4.4.2 Separation

Repealed redundant amendment language regarding requirements for separation using a one-hour fire barrier.

Section 407.4.4.3 Access to a corridor

Repealed an amendment regarding travel from habitable rooms. Adopted model code language clarifies that movement in a care suite is limited to 100 feet of travel to a door leading to an exit corridor or a horizontal exit.

407.4.4.3.1 One intervening room (repealed) Sleeping Room (new)

Repealed amendment regarding movement from habitable rooms through more than one intervening room and replaced with a new amendment to clarify that sleeping rooms shall be limited to one intervening room.

407.4.4.4 Reserved

Deleted model code **Section 407.4.4.4 Circulation paths within a care suite** because it conflicts with care suite circulation path requirements in California for unrated corridors in I-2 occupancies.

407.4.4.5.3 Travel distance (repealed)

Repealed California amendment since the adopted model code provides the same provisions in section 407.4.4.3.

408.9.1 Smoke venting

Added amendment clarifying that I-3 Occupancy Condition #9, where venting is provided that such venting applies to each housing pod. Also Exceptions 3, 4, and 5 are deleted.

408.13 Windows

Updated reference pointer for security glazing testing standards from American Society for Testing and Materials' ASTM F1233-98 to ASTM F-1915. Deleted reference to California Department of Corrections and Rehabilitation Appendix H glazing standard as well.

408.16 Vehicle sallyports

Added amendment to specify a two-hour fire barrier separation and to clarify that solid roofs in vehicle sallyports shall be fully sprinklered per National Fire Protection Association standard, NFPA 13.

Section 422.7 Domestic cooking

Added amendment to clarify requirements for installation of cooking appliances in fully-sprinklered buildings. Item 6 added with reference pointer to Section 708.

Chapter 5 – General Building Heights and Areas

State Fire Marshal

Table 504.3 Allowable building height in feet above grade plane

Reinstated an existing amendment (erroneously not printed in the 2022 CBC) to the I-2 occupancy classification to correct the building height values to indicate “NP” (not permitted) for construction Types IIIB and VB.

506.2.1 Single-occupancy buildings. Equation 5-2

Corrected and clarified existing amendment related to total allowable area calculations for a single-occupancy building more than two stories above grade plane. Existing amendments associated with Equation 5-2 were unintentionally omitted during the last model code adoption when several model code changes occurred in allowable area formulas.

A maximum of S_a=2 multiplier is allowed for Groups A, E, H, I, L, and R occupancies, high-rise buildings, and other applications listed in Section 1.11 regulated by the Office of the State Fire Marshal. A maximum of S_a=3 multiplier is allowed for all the other buildings. S_a=4 multiplier is not allowed in California.

508.2.4 Separation of occupancies

Modified the existing amendment of Exception Item 4 to remove reference to vehicle sallyports and repealed the exception to separation requirements for I-3 occupancy groups.

508.3.3 Separation

Repealed Exception Item 3, that required separation between Group I-3 occupancies and vehicle sally ports. Additionally, Exception Item 4 is renumbered to Item 3.

Chapter 7 – Fire and Smoke Protection Features

State Fire Marshal

707.5 Continuity

Added amendment regarding termination of fire barriers required for incidental use rooms per CBC Table 509.1 in I-2 occupancies. Added Items 4 and 5 to clarify applicability of fire resistance ratings in I-2 occupancies.

Chapter 7A – Materials and Construction Methods for Exterior Wildfire Exposure

State Fire Marshal

Deleted Chapter 7A from CBC and relocated the requirements to the California Wildland-Urban Interface Code, Part 7, Title 24. Added a “User Note” to point to CBC Section 101.4.8 for administrative requirements and applicability of buildings and structures located in the wildland-urban interface (WUI) or a Fire Hazard Severity Zone.

Chapter 8 – Interior Finishes

State Fire Marshal

Table 803.13 Interior wall and ceiling finish requirements by occupancy
For Group I-2, corrected footnote “n” to indicate footnote “o.”

Chapter 9 – Fire Protection Systems

State Fire Marshal

Section 903.3.1.1.1 Exempt locations
Renumbered items for exempt locations to accommodate deletion of Item #1 in the model code. Deleted amendment Item #6 in the list regarding elevator hoistways, machine rooms, machinery spaces, control spaces and control rooms.

903.4.3 Alarms
Deleted existing amendment regarding visible alarm notification and reference pointer to Section 907.

907.2.12 Special amusement areas
Repealed existing amendments in Sections 907.2.12.1 - 907.2.12.3 as these sections do not exist in 2024 IBC and blended the existing amendment regarding exit access into the new model code language. The same modifications are made to Section 907.2.12 in the California Fire Code (Part 9 of Title 24).

915.4.4 Interconnection
Replaced new model language with existing HCD amendment that SFM co-adopted to align with the same amendment in the California Fire Code.

915.6.1 Enclosed parking garages
New amendment to coordinate with the existing provision in Section 915.6.1 the California Fire Code.

Chapter 10 – Means of Egress

State Fire Marshal

1010.2.3 Hardware height

Replaced reference pointer to the International Swimming Pool and Spa Code with reference to the California Building Code. The International Swimming Pool and Spa Code is not adopted in Title 24.

Table 1020.2 Corridor fire-resistance rating

Modified existing amendments to repeal the line-item amendment for occupancy Group E, and to require one-hour fire resistance rating for corridors with sprinklers in occupancy Group I-4.

1026.6 Two-way communication

Specified that two-way communication systems must be installed in all horizontal exit compartments. An exception for I-2 and I-3 facilities is provided.

Chapter 11A – Housing Accessibility

Department of Housing and Community Development

1101A.1 Scope and 1102A.1 Where required

Removed Chapter 11A from the requirements for newly constructed covered multifamily dwellings which can also be defined as public housing. These occupancies shall continue to be subject to the requirements of Chapter 11B.

Chapter 11B – Accessibility to Public Buildings

Division of the State Architect – Access Compliance

11B-213.2 Toilet rooms and bathing rooms

Repealed Exception #5 to eliminate duplicative language with the exception in Section 11B-603.6.

11B-224 Transient lodging guest rooms, housing at a place of education and social service center establishment

Amended scoping requirements for Section 11B-224 applicable to transient lodging facilities and housing at a place of education. To distinguish the requirements for each, DSA removed “dormitories” as an example of “similar transient lodging facilities” and included “housing at a place of education.”

11B-228.3 Electric vehicle charging stations

11B-228.3.2 Minimum number

Provided clarity in the exceptions by separating the types of drivers and vehicles that are exempted, i.e. general public/individual EV driver or fleet vehicles.

11B-233.3.1.2.6 Public housing facility site impracticality

11B-233.3.1.2.6.5 Additional requirements

Added new introductory language relative to buildings without elevators and where site impracticality test numbers one, two, or three reduce the required number of residential dwelling units with adaptable features and requirements for the remaining dwellings units.

11B-603.6 Guest room toilet and bathing rooms

Clarified this requirement is only applicable to transient lodging facilities, and not to housing at a place of education. The requirements for bathrooms in residential dwelling units with adaptable features in housing at a place of education are required to comply with the Fair Housing Act, which provides greater accessibility to bathrooms in units that are not required to provide mobility features.

11B-705.1.2.5 Blended transitions

Amended to clarify detectable warnings at blended transitions shall be 36 inches in depth (previously width) and extend the entirety of the transition separating the walk or sidewalk from the vehicular way.

11B-806.2.3.1 Personal lift device floor space

Amended technical requirements for personal lift device clear floor space to clarify the requirement is applicable to transient lodging where the underside of the bed may be blocked.

11B-806.2.4.1 Vanity countertop space

Added “bathrooms” to types of facilities in transient lodging and housing at a place of education where this requirement applies.

11B-809.1 General

Clarified references for residential units with mobility features and updated referenced section numbers. Added a reference pointer to residential units with adaptable features.

11B-809.1.1 Door signal devices

Added requirements for signal devices on the primary entry door to a residential dwelling unit with mobility features in buildings with three or more dwelling units for consistency with requirements for public housing units with adaptable features.

11B-809.1.2 Viewing devices

Added requirements for a lower viewing device at the primary entry door to a residential dwelling unit with mobility features, if a viewing device is provided in other units at a standing height.

11B-809.1.3 Washing machines and clothes dryers

Added the requirement that washing machines and clothes dryers in units with mobility features shall be front loading and equivalent type as provided in comparable dwelling units without mobility features.

11B-809.6 Residential dwelling units with adaptable features
Removed the reference to “multifamily” from the residential dwelling units with adaptable features. The term defines the unit and not a multifamily building.

11B-809.8 Doors
Amended for clarity and to remove conflicts with Section 11B-404.2. Moved existing exceptions to Section 11B-809.8.3.1.

11B-809.8.1 Door thresholds
Amended to clarify primary entry doors, required exit doors, and interior doors intended for user passage shall have thresholds of no more than ½” high (to comply with 11B-404.2.5).

11B-809.8.2 Door opening force
Added a pointer for door opening force to Section 11B-404.2.9 with an added exception.

11B-809.8.3 Door maneuvering clearance
Added language that clearances at doors shall extend the full width of the doorway including the required latch side or hinge side clearance.

11B-809.8.3.1 Floor or ground surface
Added language to indicate floors or ground surfaces required maneuvering clearances shall not have slopes exceeding 1:48. Provided clarity for interior doors within residential dwelling units with adaptable features. Moved existing exceptions from Section 11B-809.8 to Section 11B-809.8.3.1.

11B-809.10 Bathrooms and powder rooms
Amended to change all references from “toilet and bathing rooms” to “bathrooms” for residential dwelling units with adaptable features.

11B-809.10.6.1 Size
Amended to clarify the reference is only to shower size requirements. This section previously incorrectly included all requirements for fully accessible showers.

11B-809.10.6.3 Clearance

Amended to increase the clear floor space from a width of 30 inches to 36 inches at showers in residential dwelling units with adaptable features. Added a referenced figure to illustrate the position of the clear floor space relative to the control wall of the shower.

11B-902.2 Overlap

Added a new section clarifying that the clear floor space at dining surfaces shall not overlap the accessible route.

Chapter 12 – Interior Environment

Department of Housing and Community Development

1202.3 Unvented attic and unvented enclosed rafter assemblies

Repealed amendment related to California Climate Zones and vapor retarder requirements since these provisions are addressed by the California Energy Commission.

Office of Statewide Hospital Planning and Development

1224.3 Definitions

Invasive Procedure. Amended to align with the glossary in the “Guidelines for Design and Construction of Hospitals” as published by the Facility Guidelines Institute (FGI). The added clarification provided in the FGI explanatory note assigns a risk percentage rather than stating a recognized risk. The amendments were coordinated with the California Department of Public Health responsible for licensing services in health care facilities.

Table 1224.4.6.1 Station outlets for oxygen, vacuum (suction) and medical air systems

Added a column to the table for instrument air outlet, line items 42, 43 and 44 and footnotes 9, 10 and 11. The new column aligns with national guidelines. Footnote 10 has been re-worded to coordinate with the room functions as provided in the California Building Code.

Table 1224.4.6.5 Location of nurse call devices

Amended table to add “and” between treatment and triage rooms, clarifying that there are three separate rooms.

Table 1224.4.19 Sound transmission limitations in hospitals

Amended footnote #1 in the table to the correct reference standard number ASTM E413 Classification for rating sound insulation.

1224.16.2.1 Space requirements

Revised to indicate space requirements within preoperative patient holding areas. The minimum width requirement of 6 feet access/circulation outside the curtain aligns with Section 1224.16.3 Post-Anesthesia Care Unit (PACU).

1224.19.2.3.7 Hazardous Drug (HD) storage

Added new section to define a Hazardous Drug (HD) Storage room to align with United States Pharmacopeia USP-GC <800> Hazardous Drugs-Handling in Healthcare Settings. The storage arrangement is currently required under Title 16 Section 1751.

1224.19.3.2.3.3 Handwashing station (Anteroom)

1224.19.3.2.4.2 Handwashing station (Segregated Compounding Area, SCA)

Amended to align with the United States Pharmacopeia USP-NF <797> to allow sinks to be located either inside or outside the respective areas (or in close proximity to the SCA). “Adjacent” is an OSHPD-defined term that means “located next to but not necessarily connected to the identified area or room.”

1224.19.3.3.2.8 Pass-throughs

Amended to align with the United States Pharmacopeia General Chapter, USP-GC <800> Hazardous Drugs-Handling in Healthcare Settings allowing a pass-through from the buffer room to unclassified areas but not the refrigerator.

1224.19.3.3.2.8 Pot washing facilities

Amended to clarify three compartment sinks are required in pot washing facilities to align with Health and Safety Code Section 114099.

1224.29.29.1.15 Support (Intensive Care Units)

1224.29.2.9 Lactation (Newborn Intensive Care Unit, (NICU)

Replace the term “immediately adjacent” with “immediately accessible,” in alignment with terminology used in Facilities Guidelines Institute (FGI).

1224.31.1 Psychiatric unit space

Amended to clarify that a psychiatric nursing unit in the general acute care hospital [OSHPD 1] is not a distinct part, but is a separate nursing unit. Aligns with Title 22 relative to elder care facilities.

1224.31.1.1 General

Separated general statements about psychiatric nursing units in a medical facility [OSHPD 1] from the non-medical psychiatric hospital or units [OSHPD 5].

1224.31.1.9 Activity spaces

Specified that activity spaces provided in a psychiatric nursing unit shall comply with Section 1228.13.1’s requirements for patient safety in outdoor activity areas. Added Section 1224.31.1.9.1 to delineate the indoor activity rooms for a psychiatric nursing unit, and Section 1224.31.1.9.2 to clarify that outdoor activity areas are dedicated for the psychiatric unit. Related to CBC Section 1228.2.

1224.33.2.7.1 Behavioral health observation area

Clarified furniture options for a behavioral health observation area and provided an additional option for recliners; clarified a minimum of three feet on one side of recliners/beds/gurneys.

1224.33.4.2 Fast-track area

Clarified fast-track area requirements in an emergency department to be consistent with triage area requirements, as well as other design and lighting requirements. Aligned with the fast-track section in the FGI hospital guidelines.

1224.35.1 Rehabilitation center space

Clarified that access for outpatient rehabilitation services are required when a rehabilitation center is provided and aligned with existing Title 22 (Social Security) requirements in nuclear medicine facilities. Also clarified that physical therapy service, occupational service, and speech pathology service are required services for a rehabilitation center, and the space for these individual services shall be designed to meet the requirements of Sections 1224.35.2, 1224.35.3 and 1224.35.4, respectively.

1224.42 Chemical Dependency Recovery Hospital

Added new section allowing that chemical dependency recovery services can be provided as supplemental services located as a separate unit within a distinct part in general acute care hospitals and acute psychiatric hospitals, pursuant to Health and Safety Code Section 1250.3. Reference pointer to Section 1229 added for regulatory compliance. Related Sections: 1.10.6, 1224.3, 1228, 1229.

1225.5.1.2.6 Patient storage

Amended to align with other sections in Chapter 12 regarding specific provisions in nursing units for patient storage of personal belongings. Related sections: 1228.14.1.8 and 1229.14.1.9.

1225.6.6 Special treatment program service

Added language to clarify that skilled nursing facilities shall have a minimum of 30 beds for special treatment program service. Aligned with existing Title 22 requirements for skilled nursing facilities.

1226.4.13.2.1 Medication preparation room or area

Clarified the location option for medication (previously “medicine”) preparation room or area.

1226.4.14.2 Specimen and/or blood collection facilities

Corrected the reference pointer from Section 1224.4.4.2 to Section 1224.4.4.3.

1226.8 Surgical clinics

Added a section header to provide consistent formatting throughout Section 1226.

1226.8.1.3 Procedure room(s)

Added subsection to provide a pointer to the procedure room requirements in Section 1224.4.4.1.4.

1228.2 Application

Clarified that an acute psychiatric hospital with non-medical units shall comply with Section 1228 that refers to Section 1224.31 for acute psychiatric hospitals or units that provide acute medical care.

1228.14.1.8 Patient storage

Amended to align with other sections in Chapter 12 regarding patient storage of personal belongings in psychiatric nursing units. Section 1228 is unique in that the storage must be designed with no ligature hazards. Related sections: 1225.5.1.2.6 and 1229.14.1.9,

1228.30 Pediatric and Adolescent Psychiatric Service Space.

Clarified that pediatric and adolescent mental health service space patient areas are separate from each other and from adult mental health services space patient areas. Further clarified that common areas may be shared and used by pediatric and adolescent patients at different times. Aligns with Title 22 and the FGI.

1228.44 Chemical Dependency Recovery Hospital.

Added new section to distinguish that chemical dependency recovery services be provided as supplemental services located within a distinct part in acute psychiatric hospitals, pursuant to Health and Safety Code Section 1250.3. Added reference pointer to Section 1229. Related Sections: 1.10.6, 1224, 1224.3, 1229.

1229.14.1.9 Patient storage

Aligned with other sections in Chapter 12 regarding patient storage of personal belongings in chemical dependency recovery residential areas. Related sections: 1225.5.1.2.6 and 1228.14.1.8.

1229.31 Other chemical dependency service space

Amended to reference sections that may be used for other services in a chemical dependency hospital. Additionally, changed the reference to the Department of Health Services to the California Department of Public Health.

Chapter 14 – Exterior Walls

Division of the State Architect and
Office of Statewide Hospital Planning and Development

1413.2.1 Bond strength and tests

Revised to align with The Masonry Society's TMS 402 Section 13.3.2.1 and require all mortar and veneer types to be tested. Corrected test frequency for bond shear strength to wall area of adhered veneer instead of square footage area of the building.

Chapter 15 – Roof Assemblies and Rooftop Structures

Building Standards Commission and
Division of the State Architect and
Department Housing and Community Development and
Office of Statewide Hospital Planning and Development

1511.9.6 Accessibility and egress.
Clarified that the new ICC reference to Chapter 11 is to reference Chapter 11A and Chapter 11B, as applicable.

Chapter 16 – Structural Design

Office of Statewide Hospital Planning and Development

1601.1.5 Additional amendments [OSHPD 1R, 2 & 5]
Updated pointer references to applicable sections for additional requirements in Chapter 16A.

Table 1604.5 Risk category of buildings and other structures
Amended the table to indicate I-2 occupancies for risk category IV for ***OSHPD 2 & 5*** is not adopted by OSHPD. I-2 occupancies are addressed in Table 1604.5A.

Table 1613.2.3(1) and Table 1613.2.3(2) Values of site coefficients F_a and F_v
Deleted both model code tables and associated footnotes. Changes to ASCE 7 standards have rendered OSHPD amendments obsolete for site-specific ground motions and calculation of acceleration parameters.

Division of the State Architect

1617 Additional requirements for community colleges [DSA-SS/CC]
1617.2.1.4 Analysis
Repealed amendment requiring analysis to explicitly include consideration of stiffness of diaphragms.

1617.2.4 Photovoltaic (PV) panel systems
Amended to require elevated PV structures to be assigned the same risk category that relates to the use underneath.

1617.3.1 Stability
Repealed amendment regarding strength design for foundation geotechnical capacity using a resistance factor of 1.0 since this is adequately covered by requiring factor of safety for soil bearing values to be no less than the overstrength factor of the structures supported.

1617.3.3 Modifications to load combinations in ICC 300
Repealed amendment for modification to ICC 300, Section 303.5.2 since it is now addressed in ICC 300-23. The modification to ICC 300, Section 303.5.3 has been relocated to Section 1605A.3.1, and the reference to equation numbers has been updated to match the 2023 edition for ICC 300.

1617.8.1 Lateral pressures
Revised section for lateral pressures to make it consistent with Sections 1807A.1.1 and 1807A.2.2. Added a note to clarify that lateral soil pressure for design of foundation and retaining walls shall be based on the geotechnical report.

1617.11.4 (formerly ASCE 7, Section 12.2.3, 12.2.3.1, and 12.2.3.2)
Repeal amendments for two-stage analysis procedure which are adequately addressed in ASCE 7-22.

1617.12.6 (formerly 1617.11.9) ASCE 7, Section 12.3.3.1
Repealed all language related to the extreme torsional irregularities. Revised to align with ASCE 7-22. Retain amendment for prohibition of vertical irregularities Type 1b, 4a and 4b for SDC D.

1617.12.8 ASCE 7, Section 12.10.2.1
Added an amendment to clarify that the exemption from load combinations with overstrength factor only applies to light-frame construction braced entirely by wood light-frame construction, including diaphragms and shear walls.

1617.12.10 ASCE 7, Section 12.13.5.2
Added to modify the resistance factor for the in-situ prototype ASCE 7 testing program to align with American Association of State Highway and Transportation Officials, Bridge Design Standard (AASHTO 2020). Revised the resistance factor to align with reduced test requirements in Chapters 18 & 18A.

1617.12.12 (formerly 1617.11.15) ASCE 7, Section 13.1.4
Added requirements for Item 8 regarding distribution systems to align with OSHPD and re-organization of ASCE 7. Revised Exemptions 1-3 to clarify which items may be excluded from design and detailing. New amendment language for Item 7 regarding cabinets that could fall and block a required means of egress.

1617.12.16 (formerly 1617.11.19) ASCE 7, Section 13.6.7.3
Deleted reference to Rp value (used in ASCE 7-16) because ASCE 7-22 does not use it and separation of pipe and support seismic coefficient in ASCE 7-22 Table 13.6-1 makes it unnecessary. Clarified language regarding pipe supports.

Chapter 16A – Structural Design

Division of the State Architect and
Office of Statewide Hospital Planning and Development

Updates, clarifications and revisions to ASCE 7 standards; Horizontal and Vertical Irregularities for Seismic Design Categories; Provisions for piping and tubing systems.

1604A.4 Analysis

Repealed amendment requiring analysis to explicitly include consideration of stiffness of diaphragms.

1605A.3 Modifications to load combinations in ICC 300

Repealed amendment for modification to ICC 300, Section 303.5.2 since it is now addressed in ICC 300-23. The modification to ICC 300, Section 303.5.3 has been relocated to Section 1605A.3.1, and the reference to equation numbers has been updated to match the 2023 edition for ICC 300.

1610A.1 Lateral pressures

Revised section for lateral pressures to make it consistent with Sections 1807A.1.1 and 1807A.2.2. Added a note to clarify that lateral soil pressure for design of foundation and retaining walls shall be based on the geotechnical report.

1617A.1.3 Reserved (formerly ASCE 7 Section 11.4)

Repealed and reserved. Repeal amendment for seismic ground motion values based on ASCE 7-16 Supplement 3, which are adequately addressed in ASCE 7-22.

1617A.1.5 Reserved (formerly ASCE 7 Section 12.2.3, 12.2.3.1, and 12.2.3.2)

Repealed and reserved. Repeal amendments for two-stage analysis procedure which are adequately addressed in ASCE 7-22.

1617A.1.10 ASCE 7 Section 12.3.3.1

Repealed all language related to the extreme torsional irregularities. Revised to align with ASCE 7-22. Retain amendment for prohibition of vertical irregularities Type 1b, 4a and 4b for SDC D and higher.

1617A.1.12 ASCE 7 Section 12.10.2.1 (formerly Reserved)

Added an amendment to clarify that the exemption from load combinations with overstrength factor only applies to light-frame construction braced entirely by wood light-frame construction, including diaphragms and shear walls.

1617A.1.13 ASCE 7, Section 12.13.5.2. (formerly Reserved)

Added to modify the resistance factor for the in-situ prototype ASCE 7 testing program to align with American Association of State Highway and Transportation Officials, Bridge Design Standard (AASHTO 2020). Revised the resistance factor to align with reduced test requirements in Chapters 18 & 18A.

1617A.1.19 ASCE 7 Section 13.4
Added prohibition of the removal and resetting of post-installed mechanical anchors (American Concrete Institute (ACI) 318 Section 17.1.3). Repealed a separate prohibition for screw anchors. Added a note to indicate that the removal and resetting of post-installed mechanical anchors is prohibited by ACI 318.

1617A.1.26 ASCE 7 Section 13.6.7.3.
Deleted reference to Rp value (used in ASCE 7-16) because ASCE 7-22 does not use it and separation of pipe and support seismic coefficient in ASCE 7-22 Table 13.6-1 makes it unnecessary. Clarified language regarding pipe supports.

Office of Statewide Hospital Planning and Development

1607A.14.3.5 Ballasted photovoltaic panel system [OSHPD 1 & 4]
Clarified that ballasted photovoltaic panel systems are considered as an alternative system.

1617A.1.1 ASCE 7 Section 1.3
Added additonal peer review requirements for wind tunnel test based recommendations.

1617A.1.3 Reserved (formerly ASCE 7 Section 11.4)
Repealed and reserved. Repealed use of 2020 NEHRP provisions for multi period spectra as these are now incorporated in ASCE 7-22.

1617A.1.14 Reserved (formerly ASCE 7 Section 12.12.3 [OSHPD 1 & 4])
Repealed and reserved.

1617A.1.4 ASCE 7 Table 12.2-1
Changed some item numbers and names for the seismic force-resisting systems to align with ASCE 7-22. Permitted steel intermediate and ordinary moment frames for lightly loaded canopies and walkways. Repealed reference to ASCE content in amendment to existing Section 1617A.1.4.

1617A.1.21 ASCE 7 Section 13.5.6.2
Revised to add Item 6, a prescriptive provision with reduced hanger spacing for aluminum ceiling grid, with a banner for OSHPD 1 & 4. Continued permitting tested aluminum that complies with ASTM E580.

1617A.1.23 ASCE 7, Section 13.6.2.1
Added banner for OSHPD 1 & 4. Corrected section reference pointer to indicate section 1705A.14.3 of this code. Deleted amendments to ASCE 7 Tables 13.5-1 and 13.6-1 due to their revision by the model code developer.

1617A.1.38 ASCE 7 Section 20.3 [OSHPD 1 & 4]
Added section regarding limitation of shear wave velocity for new large buildings. Amendment only applies to new buildings larger than 4,000 square feet ground floor area, and will not impact existing building projects.

Division of the State Architect

1604A.5.2 Photovoltaic (PV) panel systems

Amended to require elevated PV structures to be assigned the same risk category that relates to the use underneath.

1605A.1.1 Stability

Repealed amendment regarding strength design for foundation geotechnical capacity using a resistance factor of 1.0 since this is adequately covered by requiring factor of safety for soil bearing values to be no less than the overstrength factor of the structures supported.

1617A.1.18 ASCE 7, Section 13.1.4

Added requirements for Item 10 regarding distribution systems to align with OSHPD and re-organization of ASCE 7. Revised Exemptions 1-3 to clarify which items may be excluded from design and detailing. New amendment language for Item 9 regarding cabinets that could fall and block a required means of egress.

Chapter 17 – Special Inspections and Tests

Office of Statewide Hospital Planning and Development

1705 Required special inspections and tests

Updated and aligned with model code revisions.

1705.2.1 Structural steel

Adopted model code provisions and aligned with current practice. Model code provisions changed significantly and updates to the American Institute of Steel Construction (AISC) 360 standard created an unintended gap in special inspection requirements. AISC 360 Section N5 Item # 3 and Section N6 are not adopted for consistency with Sections 1704.2 and 1704.2.5.1, respectively (no material change intended). Added a note to explain the difference in terminology used by AISC and the CBC.

1705.2.2 Structural stainless steel

Revised to clarify that quality assurance inspection requirements are also applicable. Added clarifications for OSHPD 1R, 2 and 5 regarding coordinated inspections in AISC 370 Section N5 and N6, which permit transfer of some quality assurance inspections to quality control inspectors.

1705.2.3 Cold-formed steel deck

Added OSHPD 1R, 2 and 5 banners. Amended to require approved agencies and special inspectors to perform special inspections on floor and roof decks. Added clarification that coordinated inspection is not permitted for OSHPD 1R, 2 and 5.

1705.4 Masonry construction

Amended to require that batch plant inspection of grout materials shall be in accordance with Section 1705.3.3.

1710 Off-site construction [OSHPD 1R, 2 & 5]

Added requirements for off-site construction, including modular and panelized systems. For facilities utilizing International Code Council (ICC) Standard 1200, provides minimum requirements in multiple facets of the off-site construction process including: planning, designing, fabricating, transporting, and assembling building elements.

Chapter 17A – Special Inspections and Tests

Division of the State Architect and
Office of Statewide Hospital Planning and Development

1704A.5 Submittals to the building official

Repealed and reserved Item #2 for consistency with deletion of model code section 1704.2.5.1. Added Item #4 to clarify reference to CBC rather than ACI 318.

1705A.2.1 Structural steel

Adopted model code provisions and aligned with current practice. Added DSA and OSHPD banners to identify specific provisions that apply to each agency.

Removed reference to:

- AISC 341 and 358 for quality control (QC) and quality assurance (QA) requirements since those are for seismic, not gravity, load resisting systems. Sections 1705*A*.13.1.1, 1705*A*.13.1.2, 1705*A*.14.1.1, and 1705*A*.14.1.2 reference AISC 341 for relevant QC and QA requirements for seismic load resisting systems.
- Prohibition of AISC 360, Chapter N, N4 Item 2 (Quality Inspector Qualifications) since Section 1705A.2.7 governs through added language of “and this code” at end of initial statement in Section 1705A.2.1.

1705A.2.2 Structural stainless steel

New model code section amended to conceptually match amendments for Section 1705A.2.1.

1705A.2.3 Cold-formed steel deck

Modifications to achieve consistency with similar existing and new amendments in Section 1705A.2.1. Added and updated pointers to referenced standards (such as AISC 341, 358, or 370 and AISI S100 or S240) and CBC sections (such as 2201A.2, 1705A.8).

1705A.2.7 Special Inspection and tests of structural welding

Added reference pointers. Recognized AWS B5.1 as an alternative acceptable standard for AWS CWI minimum requirements to AWS QC1. Replaced ‘inspection’ with ‘special inspection’ throughout this section to clarify requirements apply to QA, rather than QC inspections.

Table 1705A.3 Required special inspections and tests of concrete construction

Coordinated various editorial amendments to correct numbering inconsistences and to update and clarify certain amendments due to reformatting of the model code table. Amendments include, but are not limited to:

- Added ACI 318 reference pointers.
- Items 1, 4.a, 4.b, 5, 6, 7, and 14 – Renumbered reference pointers based on renumbering or relocation of previous amendments.
- Item 2.b – Adopted revised model language and amended the required inspection type to include intermediate moment frames. Added language and DSA banner to address specific cases of welding of reinforcing used in collectors and chords.
- Item 2.d – Deleted amendment regarding reinforcing steel resisting flexural and axial forces in intermediate and special moment frames, and boundary elements and coupling beams of special structural walls of concrete due to Item 2.b model code and amendments incorporating these requirements. Adopted model code inspection type.
- Items 3, 4.a and 4.b – Deleted amendments that were pointers to referenced standards because the model code now includes the pointers.
- Item 5 and 6 – Relocated reference ACI 318-19 26.13.3.2 in Item 5 to Item 6. For Item 5, repealed amendment requiring continuous special inspection to align with model code requiring periodic. However, no net regulatory change occurs because the California Administrative Code requires continuous inspection of concrete placement of the specified design mix.

1705A.4 Masonry construction

Added batch plant special inspection requirements for grout with reference to 1705A.3.3.

1705A.4.1.1 TMS 602 Section 1.6 Quality Assurance

Added amendment modifying TMS 602 Table 4 footnote “d” to require periodic inspections for all veneer, regardless of height, to maintain the quality of installation applicable to projects.

1705A.5.1 High-load diaphragms

Added reference to 2307.1 since special inspection is required for high-load diaphragms regardless of design method utilized being ASD or LRFD.

1705A.13 Special inspections for seismic resistance

1705A.13.1 Structural steel

1705A.13.1.1 Seismic force-resisting systems

1705A.13.1.2 Structural steel elements

1705A.14.1.1 Seismic force-resisting systems

1705A.14.1.2 Structural steel elements

Amended sections 1705A.13.1.1, 1705A.13.1.2, 1705A.14.1.1 and 1705.14.1.2 to clarify that requirements of the CBC are also applicable, in addition to those in the AISC 341. Deleted reference to gravity Section 1705A.2.1 in sections 1705A.13.1.1 and 1705A.13.1.2 since the seismic requirements in the AISC 341 builds on the gravity requirements in AISC 360.

1705*A*.14.2 Nonstructural components

Removed a pointer to Section 1704A.5, since the associated certification requirement is deleted in Section 1704A.5 Item #2. Revised existing amendment to include nationally recognized standards such as ANSI/ASHRAE 171 referenced in ASCE 7 Section C13.6.4.1.

Division of the State Architect

1701A.4 Special inspections and tests

Added reference to Chapters 14, 15 and 24 to the list of chapters with special inspection and test requirements to account for those in the noted chapters. Removed the specific reference pointer to the California Administrative Code (CAC) since many different sections specify special inspection, test, and observation requirements and a comprehensive listing is not needed.

1704A.3 Statement of special inspections

Added language to not permit the exception that allows non-licensed individuals to prepare a statement of special inspections. The California Education Code Section 17302 requires designs of school projects by design professionals.

1704A.4 Contractor responsibility

DSA's construction oversight and quality assurance programs render requirements for the contractor to submit a statement of responsibility unnecessary for most projects. Therefore, only when such a requirement is specified on the approved construction documents does it apply.

1705A.2.1 Structural steel

Clarified prohibition of quality assurance aspects (rather than all aspects, such as quality control) for AISC 360, Chapter N, N5 Item 2 (Quality Assurance), N5 Item 4 (Inspection of Welding), and N7 (Nonconforming Material and Workmanship).

Added a note clarifying that additions to other reference standards in Table 1705*A*.2.1 apply when those provisions are applicable.

Clarified intent of replacing language in AISC 360, Section N5.5(b) and through formatting for consistency with modification of model reference standards used in other amendments.

DSA considered deleting non-adoption of some AISC 360 Chapter N references as well as the reference to Table 1705A.2.1. However, based on early feedback from various welding special inspectors and material testing laboratory managers, confusion regarding expectations caused by the terms “observe,” “perform,” and “document” not correlating with periodic or continuous inspection, DSA decided to maintain those.

Table 1705A.2.1 Required special inspections and tests of steel construction

Added and updated pointers to referenced standards (such as AISC 341, 358, or 370 and AISI S100 or S240) and CBC sections (such as 2201A.2, 1705A.8). Other specific items resulting in regulatory changes:

Item 3. – Removing the word "deck" such that material identification applies to all structural cold-formed steel, not just decks.

Item 5.a. – Removing the word "deck" such that welding inspection requirements apply to all structural cold-formed steel, not just decks.

DSA considered deleting Table 1705A.2.1. However, based on early feedback from various welding special inspectors and material testing laboratory managers, confusion regarding expectations due to the terms “observe,” “perform,” and “document” not correlating with periodic or continuous inspection, DSA decided to maintain the table.

1705A.2.3 Cold-formed steel deck

Modifications prohibit certain reference standard provisions while explicitly referencing Table 1705A.2.1 to achieve consistency with similar existing and new amendments in Section 1705A.2.1.

1705A.2.7 Special Inspection and tests of structural welding

Relocated mid-section paragraph to bottom of section.

1705A.2.9 Special inspection and tests of cold-formed steel light-frame construction

Added a new section to ensure quality assurance is provided in accordance with AISI S240 during construction, similar to that provided in the AISC reference standard in Section 1705A.2.1 for structural steel.

1705A.3.3 Batch plant inspection

Added the DSA banner and minimum qualifications for batch plant inspectors to address transit-mixed concrete, shotcrete, grout and other cementitious mixtures required to be inspected in accordance with the California Administrative Code.

1705A.3.3.2 Batch plant inspection not required

Added Item #5 to clarify that isolated exterior foundations supporting equipment are not exempt where deep foundations are used.

Table 1705A.5.3, Item 3.5

Added pointer reference for special inspection requirements to ensure those occur in the proper sequence (i.e., inspection after cover installed, but before other coverings installed).

1705A.6 Soils

Added a new section with additional exceptions to reduce unnecessary soils special inspections and tests for deep and shallow foundations based on conditions and design considerations listed in Section 1806A.2 and Table 1806A.2.

1705A.12.2 Cold-formed steel light-frame construction and **1705A.13.3 Cold-formed steel light-frame construction**

Added reference pointer to new Section 1705A.2.9 to ensure those requirements apply for windforce- and seismic force-resisting systems in cold-formed steel light-frame construction.

1705A.13 Special inspections for seismic resistance
1705A.13.1 Structural steel
1705A.13.1.1 Seismic force-resisting systems
1705A.13.1.2 Structural steel elements
1705A.14.1.1 Seismic force-resisting systems
1705A.14.1.2 Structural steel elements

Amendments explicitly identify prohibited quality assurance aspects of certain sections in AISC 341 to align with similar prohibitions in Section 1705A.2.1. Added a pointer to applicable portions of Table 1705A.2.1. Amendments align with modifications and requirements in Section 1705A.2.1 (i.e., removal of reference to AISC 341/358) while ensuring the same Quality Assurance provisions apply.

Office of Statewide Health Planning and Development

Table 1705A.2.1 Required special inspections and tests of steel construction

Repealed Table 1705A.2.1 since OSHPD has a new Policy Intent Notice, PIN 77 that guides the user through the appropriate sections in model code.

1705A.14.3 Special seismic certification
1705A.14.3.1 [OSHPD 1 & 4]

Amended Exception 1 to clarify that the requirement for equipment and components weighing not more than 75 lbs. (previously 50 lbs.) are to be rigidly attached to structures. Added editorial clarification to Exception 7.

1710A Off-site construction [OSHPD 1, & 4]

Added requirements for off-site construction, including modular and panelized systems. For facilities utilizing International Code Council (ICC) Standard 1200,

provides minimum requirements in multiple facets of the off-site construction process including: planning, designing, fabricating, transporting, and assembling building elements.

Chapter 18 – Soils and Foundations

Office of Statewide Hospital Planning and Development

1803.2 [Geotechnical] Investigations required

Added OSHPD 1R and 5 banners to exceptions regarding geotechnical reports not being required for one-story, wood-frame and light-steel-frame buildings of Type V construction and 4,000 square feet (371 m2) or less in floor area, under certain seismic conditions

1807.2 Retaining walls

Deleted OSHPD banner and amendment regarding retaining walls.

1807.2.5 Freestanding cantilever walls

Deleted OSHPD banner and amendment regarding freestanding cantilever walls. ASCE 7 Section 15.6.8 requires ground supported walls and ASCE Section 15.6.1 requires earth-retaining structures to be designed as non-building structures.

1810.3.9.4.2.1 [Deep foundations] Site Classes A through DE

Repealed amendment to align with the model code provisions regarding performance of spirally reinforced piles being equivalent for concrete and grout.

Chapter 18A – Soils and Foundations

Division of the State Architect and
Office of Statewide Health Planning and Development

1803A.6 Geohazard reports

Divided Exception #1 into Exceptions #1 and #2 for clarification of geohazard reports not being required for specific scopes of work in existing buildings and repairs for damage not caused by an earthquake. Added OSHPD 1 and 4 banners to this exception regarding incidental structural additions or alterations.

Repealed requirement to use Next Generation Attenuation West 2 relations in the development of site-specific ground motion hazards.

1812A.5 Earth Retaining Shoring Construction

Revised Item #8 for soldier pile construction to use of defined terms consistently and with clarity. Use of the term “lean concrete” has been confused with the term “plain concrete” that is prohibited by DSA and OSHPD. Terminology is aligned with the model code definition of “controlled low-strength material” or CLSM.

Division of the State Architect

1810A.3.11.2 Seismic design categories D through F

Added DSA banner and amendment to not permit the application of model code Item #1.3 to eliminate a potential conflict with foundation design loads required by an existing amendment in Section 1617A.1.15.

Office of Statewide Health Planning and Development

1807A.2 Retaining walls

Deleted amendment regarding freestanding cantilever walls which is covered in model code.

1807A.2.5 Freestanding cantilever walls

Deleted amendment and OSHPD exception regarding freestanding cantilever walls.

Chapter 19 – Concrete

Office of Statewide Health Planning and Development

1901.3.4 Proof tests for post-installed anchors in concrete

Reorganized for ease of use. Reduced proof test requirements for anchors used for distribution systems and repetitively used architectural components and made consistent with ASCE 41-23. Specified the ASTM standard for tension test procedures.

1903.2 Special inspections

Deleted amendment since this section is deleted in model code. Requirements for special inspections and tests are addressed in Section 1901.6.

1903.3 (formerly 1903.4) Flat wall insulating concrete form (ICF) systems

Relocated amendment to align with model code reorganization.

1903.5 Aggregates

Repealed existing amendment related to alkali reactivity of aggregate as those amendments are incorporated in the body of ASTM C33.

1903.6 Limits on cementitious materials

Repealed existing amendment since revision to ACI 318 and concrete strength requirements at stated ages or stages of construction in model code Section 1901.5 Item # 1 addressed the subject.

1905.5 Detailed plain concrete structural walls

Relocated existing amendments to align with mode code reorganization. Deleted reference to seismic design categories D, E & F.

1906 Detailed plain concrete structural walls

Added an amendment to clarify that only plain concrete footings are prohibited by OSHPD in this section.

1908 Shotcrete
The model code has repealed all shotcrete requirements in favor of those contained in the new version of the adopted material standard ACI 318-19. Added reference to ACI SPEC-560.2 to 1908.1 for clarity.

1910.3.4 ACI 318, Section 26.11.1.2. Item (e)
(formerly 1908.3 Forms and ground wires for shotcrete)
Relocated existing amendment to 1910.3.4 to coordinate with revised model codes.

Division of the State Architect

1909.2.1 Aggregates
Repealed existing amendment regarding alkali reactivity of aggregates.

1909.2.6 Proof tests for post-installed anchors in concrete
Revised DSA-SS/CC to match revisions made to DSA-SS requirements in Section 1910A.5.

Chapter 19A – Concrete

Division of the State Architect and
Office of Statewide Hospital Planning and Development

1903A.5
Repealed existing amendment regarding alkali reactivity of aggregates.

1905A Seismic requirements
As a result of changes to the model code, continuing amendments modifying American Concrete Institute (ACI) 318 formerly in this section have been relocated to Section 1909A.

1908A Shotcrete
Edited and reorganized to align with model code. No regulatory effect.

1909A Modifications to ACI 318 (formerly Reserved)
Moved existing amendments from 1905A to this section.

1910A.5 Proof tests for post-installed anchors in concrete
Reorganized to simplify and clarify test frequency requirements. Updated proof test requirements for anchors used for distributed systems or repetitively used architectural components. Specified ASTM E3121 for tension test procedures without the requirement for displacement measurements unless explicitly required. Reorganized testing frequency requirements to differentiate by structural and nonstructural applications.

1911A.2 Existing concrete structures Crack repair by epoxy injection
Revised specification to the American Concrete Institute (ACI) 548.15 from ACI 503.7.

Office of Statewide Health Planning and Development

1903A.6 Limits on cementitious materials
Repealed existing amendment since revision to ACI 318 and concrete strength requirements at stated ages or stages of construction in model code Section 1901.5 Item # 1 addressed the subject.

1910A.5 Proof tests for post-installed anchors in concrete
Revised testing requirements for screw type anchors to make proof testing easier to implement.

Chapter 21 – Masonry

Office of Statewide Hospital Planning and Development

2101.2.2 [Design methods] Prohibition [OSHPD 1R, 2 & 5]
Added an amendment for structural systems with the prohibition for Items #9 and #10. Added #11 to clarify that limit design method is not permitted since it does not satisfy the ductility requirements of The Masonry Society (TMS) standard, TMS 402 Section 9.3.5.6, which is part of the basis for establishing seismic co-efficient for special reinforced masonry shear walls. Added #12 to clarify that Glass Fiber Reinforced Polymer (GFRP) reinforced masonry is not permitted since the associated seismic design requirements are not addressed in ASCE 7.

2103.6 [Masonry construction materials] Specified compressive strength of masonry and grout [OSHPD 1R, 2 & 5] and referenced TMS 402 Table 4.3.1 – Specified Compressive Strength Requirements
Added an amendment with a table. Existing strength limit in Sections 2105.2, 2107.7 and 2108.4 is consolidated into one section and the format is aligned with TMS 402 Table 4.3.1. Increased minimum specified design strength of concrete masonry from 1,500 psi to 2,000 psi for consistency with TMS 402 and ASTM C90.

2104.2 Reinforced grouted masonry [OSHPD 1R, 2 & 5]
Repealed amendment related to group pour heights to permit Self-Consolidating Grout (SCG) for construction of masonry since it is cheaper, requires less time for construction and provides better quality.

2107.4 Reserved (formerly TMS 402 Section 8.3.7 Maximum bar size)
Repealed limitation on maximum bar size as the clearance requirements in TMS are adequate to prevent larger bar diameters and made this amendment unnecessary.

2107.6 Repealed (formerly TMS 402 Section 8.3.4.4 Walls)
Repealed pointer for maximum tensile reinforcement ratio in walls as this requirement applies to both strength design and allowable stress.

2107.6 Masonry Compressive Strength
Deleted existing amendments since new model code language addresses the minimum specified design strength of concrete masonry. Masonry compressive strength requirements are moved to CBC Section 2103.6.

2108.4 TMS 402 Section 9.1.9.1.1.
Deleted existing amendments since new model code language addresses the minimum specified design strength of concrete masonry. Masonry compressive strength requirements are moved to CBC Section 2103.6.

California Energy Commission

2109.2.4.8.2 Vapor permeance
Added an amendment referring to Table 1202.3.1 to distinguish between climate zones identified in ICC model codes and climate zones that are identified in the California Energy Code.

Division of the State Architect

2115 Additional requirements for community colleges [DSA-SS/CC]
Reorganized section 2115 to align with Chapter 21A sections.

2115.1.1 Prohibitions
Edited structural amendments regarding prohibition of certain TMS 402/602 materials and methods.

2115.2.3 Specified compressive strength of masonry and grout
Reformatted existing amendment to align with the current TMS 402 formatting.

2115.4.1 Mortar and grout tests. TMS 602, Article 1.4B Compressive Strength Determination
Added amendment to eliminate testing of preblended mortars with specified documentation.

2115.5.2 TMS 402, Section 7.3.2.5 (i)
Amended TMS triggers requiring horizontal reinforcement terminating in hooks.

Chapter 21A – Masonry

Division of the State Architect and Office of Statewide Hospital Planning and Development

2101A.1.3 Prohibition
Edited structural amendments regarding prohibition of certain TMS 402/602 materials and methods.

2103A.6 [Masonry Construction Materials] Specified Compressive Strength of Masonry and Grout

Consolidated the existing strength limits in Sections 2105A.2, 2107A.6 and 2108A.4 into one section and aligned the format with added TMS 402, Table 4.3.1.

2104A.1.3.7 Reserved

Repealed existing amendment. Reference standard now incorporates specified language.

2105A.2 Compressive strength, f'_m

Repealed amendment language related to strength of masonry that is now included in and addressed by CBC 2103A.6.

2105A.3 Mortar and grout tests. TMS 602, Article 1.4 B Compressive Strength Determination

Updated ASTM reference for preblended mortar. Clarified testing requirements for pre-packaged mortars may be eliminated with specified documentation.

2105A.4 Masonry core testing

Revised language to further clarify requirements for coring operations and reporting requirements of testing laboratories. Adds requirements from the design professional and the enforcement agency where additional coring will be performed.

2106A.1 Seismic design requirements for masonry

2106A.1.3 TMS 402, Section 7.3.2.5 (i)

Added a new section that amends the TMS trigger requirements for horizontal reinforcement terminating in hooks to provide a more ductile design.

2107A.6 Masonry Compressive Strength

2108A.4 TMS 402 Section 9.1.9.1.1

Consolidated previous existing amendments into new code section 2103A.6.

Office of Statewide Hospital Planning and Development

2103A.6 [Masonry Construction Materials] Specified Compressive Strength of Masonry and Grout TMS Table 4.3.1 Specified Compressive Strength Requirements

Increased minimum specified design strength of concrete masonry from 1,500 psi to 2,000 psi for consistency with TMS 402 and ASTM C90.

2107A.5 Allowable stress design TMS 402, Section 8.3.4.4

Repealed pointer for maximum tensile reinforcement ratio in walls as this requirement applies to both strength design and allowable stress.

Division of the State Architect

2104A.1.3.5 TMS 602, Article 3.5 C Grout pour height

Amended language related to grout pours and grout lifts. Added amended Table 7 from TMS specifying requirements for grout space and grout pour height limits. Added footnotes 4 and 5 to Table 7. Deleted requirement for grout admixture.

Chapter 22 – Steel

Office of Statewide Hospital Planning and Development

2201.5.1 Shear transfer at column base plate [OSHPD 1R, 2 & 5]

Added a pointer to new shear lugs design provisions in ACI 318 Section 17.11 regarding anchor rods.

2202.2.2 Structural steel elements

Amended and added OSHPD banner to Item 2 to clarify that structural steel elements in seismic force resisting systems that are consistent with Seismic Design Category D, E or F in Section 2202.2.1.2 shall satisfy the requirements in AISC 341.

2202.4 [formerly 2205.4] [OSHPD 1R, 2 & 5]

2202.4.1 Modifications to AISC 358 Chapter 10

Modified the allowance to use steel and concrete ConXtech ConXL composite special moment frame. Repealed former Section 2205.4.1 2.1 Special and Intermediate Moment Frame Connection Types, Table 2-1 Prequalified Moment Connections modifications. All moment connections in AISC 358 are based on new tests since the Northridge earthquake. Welded and bolted moment connections are permitted with limited modifications.

2202.4.2 Modifications to AISC 358 Chapter 11 Welded Moment Connection, 2202.4.3 Modifications to AISC 358 Chapter 11 Bolted Moment Connection

Relocated and amended existing amendments to codify exceptions allowing the current practice of adjusting gap-to-side plate thickness ratio.

2202.4.4 Modifications to AISC 358 Chapter 12

Codified existing limitations for Simpson Strong-Tie (SST) Yield-Link Moment Connection in OSHPD Preapproved Prefabricated Components and Systems (PCS -0002). Reference to AISC 341 Table D1.1 is intended to provide ductility consistent with AISC 341 requirements for moment frame beams with significant axial load.

2202.4.5 Modifications to AISC 358 Chapter 15

Codified existing limitations for DuraFuse Frames (DFF) Moment Connection in OSHPD Preapproved Prefabricated Components and Systems (PCS -0004) Reference to AISC 341 Table D1.1 is intended to provide ductility consistent with AISC 341 requirements for moment frame beams with significant axial load.

Section 2203 Structural stainless steel (formerly Section 2203 Protection of steel for structural purposes)

Renamed model code section. No California amendments made to model code language.

2204.1 General

Repealed amendment regarding the modification requirements to AISI S100 Chapter J Connections and Joints, Section J7.2, as this section no longer exists in AISI S100.

2204.2 Seismic design (formerly Section 2210.2 Seismic requirements for cold-formed steel structures)

Relocated existing amendment from Section 2210.2 regarding cold-formed special bolted moment connection prohibited by Section 1617A.1.2 (referenced by Section 1601.15).

2204.2.1 CFS special bolted moment frames

Deleted model code section because Section 1617A.1.4 states that cold-formed steel bolted moment frames are prohibited, therefore the AISI standards do not apply.

2204.2.2 Cold-formed steel seismic force-resisting systems

Deleted model code section because California is assigned to Seismic Design Categories D, E, or F in accordance with 1613A.2, therefore requirements for systems in Seismic Design Categories A, B, or C do not apply.

Division of the State Architect

2215 Additional requirements for community colleges [DSA-SS/CC]

2215.1.1 (formerly 2212.1.1) Shear transfer at column

Added pointer to new shear lugs design provisions in ACI 318 Section 17.11 to promote code compliance.

Chapter 22A – Steel

Division of the State Architect

2201A.2 Identification

Added DSA-SS banner and amended to clarify that all material identification and testing shall be in accordance with Chapter 17A.

2202A.6 Modifications to AISC 358. [DSA-SS]

2202A.6.1 Modifications to AISC 358 Chapter 10

Added new section and DSA banner to incorporate modifications to AISC 358 regarding Steel and concrete ConXtech ConXL composite special moment frame connections.

Division of the State Architect and
Office of Statewide Hospital Planning and Development

2201A.5.1 (formerly 2204A.4) Shear transfer at column

Added pointer to new shear lugs design provisions in ACI 318 Section 17.11 to promote code compliance.

2202A.2.1 Structural steel seismic force-resisting systems and composite structural steel and concrete seismic force-resisting systems

Relocated existing exceptions from Section 2205A.1 to align with reorganized Chapter 22A.

2202A.2.2 Structural steel elements

Deleted reference to Seismic Design Categories B and C in accordance with Section 1613A.2. Aligned requirements with existing amendment in Section 2205A.2.1.2 requiring all lateral force resisting systems, including those listed in ASCE 7 Table 15.4-1, to be designed in accordance with AISC 341.

2202A.5.1 Section B5

Relocated existing amendment from 2205A.3.1. Reorganized code language and clarified as a modified exception to Section B5.2(a).

2203A Structural stainless steel (formerly Section 2203A Protection of steel for structural purposes)

Renamed model code section. No California amendments made to model code language.

Office of Statewide Hospital Planning and Development

2202A.3 (formerly 2205A.4) Modifications to AISC 341

Deleted existing Section 2205A.4.1. Deleted definition of inelastic rotation in the glossary section since it is no longer used in the code.

Deleted existing Sections 2205A.4.4, 2205A.4.5, 2205A.4.6, 2205A.4.7, 2205A.4.8, 2205A.4.9 and 2205A.4.10. Significant testing has been done to validate new ductility requirements in AISC 341, so these amendments are no longer necessary.

2202A.4 (formerly 2205A.5) Modifications to AISC 358

Deleted existing Section 2205A.5.1. Repealed prohibition on the use of bolted moment connections since many of these connections are already preapproved through our OSHPD Preapproved Prefabricated Components and Systems (PCS) program.

2202A.4.2 Modifications to AISC 358 Chapter 11 Welded Moment Connection, 2202A.4.3 Modifications to AISC 358 Chapter 11 Bolted Moment Connection

Relocated and amended existing amendments to codify exceptions allowing the current practice of adjusting gap-to-side plate thickness ratio.

2202A.4.4 Modifications to AISC 358 Chapter 12

Codified existing limitations for Simpson Strong-Tie (SST) Yield-Link Moment Connection in OSHPD Preapproved Prefabricated Components and Systems (PCS -0002). Reference to AISC 341 Table D1.1 is intended to provide ductility consistent with AISC 341 requirements for moment frame beams with significant axial load.

2202A.4.5 Modifications to AISC 358 Chapter 15

Codified existing limitations for DuraFuse Frames (DFF) Moment Connection in OSHPD Preapproved Prefabricated Components and Systems (PCS -0004). Reference to AISC 341 Table D1.1 is intended to provide ductility consistent with AISC 341 requirements for moment frame beams with significant axial load.

2204A (formerly 2210A) Cold Formed Steel

2204A.1 General

Repealed amendment regarding the modification requirements to AISI S100 Chapter J Connections and Joints, Section J7.2, as this section no longer exists in AISI S100.

2204A.2 Seismic design (formerly Section 2210A.2 Seismic requirements for cold-formed steel structures)

This section is not adopted because the two following subsections are not adopted.

2204A.2.1 CFS special bolted moment frames

Deleted model code section because Section 1617A.1.4 states that cold-formed steel bolted moment frames are prohibited, therefore the AISI standards do not apply.

2204A.2.2 Cold-formed steel seismic force-resisting systems

Deleted model code section because California is assigned to Seismic Design Categories D, E, or F in accordance with 1613A.2, therefore requirements for systems in Seismic Design Categories A, B, or C do not apply.

Chapter 23 – Wood

Division of the State Architect

2301.1.5 Prohibition
Repealed Cross Laminated Timber (CLT) prohibition in Item 9 since ASCE 7-22 has seismic coefficients incorporated into Table 12.2-1. Clarified that the prohibition by OSHPD in Item 9 is not adopted by DSA.

Office of Statewide Hospital Planning and Development

2308.2 Limitations
Added OSHPD 1R, 2, & 5 banners to applicable requirements in subsections 2308.2.1 through 2308.2.8.

Chapter 25 – Gypsum Board, Gypsum Panel Products and Plaster

Division of the State Architect and
Office of Statewide Hospital Planning and Development

2503.2 Additional requirements for inspection and testing
Amended language in Item 3 to clarify that enforcement agencies are permitted to require tests in accordance with Table 2506.2. No change to regulatory effect.

2507.3 Lath attachment to horizontal wood supports
Added an option to Item 2 to secure overhead lath with a minimum No. 8 wood screw installed with a 1-inch diameter washer.

Repealed the exception to 2507.3 for OSHPD 2 Single-story Type V skilled nursing or intermediate care facilities utilizing wood-frame or light-steel-frame construction.

Chapter 30 – Elevator and Conveying Systems

State Fire Marshal

3001.2 Elevator emergency communication systems
Added reference pointer to California Code of Regulations, Title 8, Elevator Safety Orders.

3006.2 Elevator hoistway door protection required
Amended to specify the application of this section in any state institution or other state-owned or specified state-occupied building regulated by the Office of the State Fire Marshal. Renumbered the model condition regarding corridor walls to Item 9 (formerly Item 6).

3006.3 Hoistway opening protection required
Amended Item 5 to point to California Code of Regulations, Title 8, Elevator Safety Orders. Updated Item 6 pointer to refer to Section 707.6.

Section 3009, Private Residence Elevators
3009.1 General.
3009.2 Hoistway enclosures.
3009.3 Hoistway opening protection
Amended to point to California Code of Regulations, Title 8, Elevator Safety Orders.

Chapter 31 – Special Construction

State Fire Marshal

3103.1.2.1 Water-filled vessels
Added to align with the California Fire Code (Part 9, Title 24).

3104.2 Flame propagation performance testing and registration
Amended title to replace “certification” with “registration.” Amended model code to remove reference to NFPA 701 Test 2 testing standard to align with Title 19 testing requirements.

3111.3.5 Elevated photovoltaic (PV) support structures and subsections
3111.3.6.1 Fire separation distances
Repealed California amendment and adopted model code language.

Division of the State Architect

3103 Temporary Structures
3103.1 General
Added new amendment to clarify that school buildings as defined in Section 4-314 of the California Administrative Code (Part 1 of Title 24) are not permitted to be classified as public-occupancy temporary structures.

Office of Statewide Health Planning and Development

3114 Intermodal shipping containers
Clarified applicability with the addition of [OSHPD 1, 1R, 2, 4 & 5] to indicate “not permitted by OSHPD.”

Building Standards Commission

3109 Swimming Pools, Spas and Hot Tubs
3109.1 General
Amended to indicate that all swimming pools and spas shall meet the standards of the California Building Code and California laws, not the International Swimming Pool and Spa Code (ISPSC).

3109.2 California swimming pool safety act
Amended to include updated provisions in Health and Safety Code Sections 115921, 115922 and 115926.

Chapter 35 – Referenced Standards

Division of the State Architect and
Office of Statewide Hospital Planning and Development
and State Fire Marshal

Updated and amended various referenced standards promulgated by national and international testing services and organizations.

Division of the State Architect

ANSI/AWC NDS—2024 – Added amendment to adopt the 2024 NDS Supplement.

ASCE/SEI 7-22 – Added amendment to adopt Supplement 1.

ASCE/SEI 41-23 –Adopted this reference standard in coordination with Part 10 – California Existing Building Code.

CALIFORNIA RESIDENTIAL CODE – PART 2.5

Chapter 1 – Scope and Administration

State Fire Marshal

R102.8 Wildland-Urban Interface
Added new section as a pointer to the new California Wildland-Urban Interface Code (CWUIC) which is applicable to houses built in wildland-urban interface areas.

R105.2 Work exempt from permit
Updated the pointer to the new CWUIC that is applicable even if the project is exempt from permits.

Chapter 2 – Definitions

Housing and Community Development

R202 Definitions

Amended multiple definitions to eliminate references to chapters of the IRC that are not adopted and not printed in the CRC.

State Fire Marshal

R202 Definitions

Repealed multiple existing California definitions and adopted new model code definitions that contain the same language.

Chapter 3 – Building Planning

Multiple sections and references in Chapter 3 were renumbered to align with significant numbering changes in the model code.

State Fire Marshal

Multiple sections

Repealed multiple sections regarding Photovoltaic (PV) and Energy Storage Systems and adopted new model code sections that contain essentially the same language.

R337 Materials and construction methods for exterior wildfire exposure

Repealed all of Section R337 and replaced with a “Note” directing the code user to the new CWUIC.

Chapter 44 – Referenced Standards

State Fire Marshal

Updated editions of various referenced standards promulgated by NFPA.

CALIFORNIA ELECTRICAL CODE – PART 3

Article 89 – General Code Provisions

Building Standards Commission

89.101.3.2 State-regulated buildings, structures, and applications

Amended to align the California Electrical Code with all other parts of Title 24.

Office of Statewide Hospital Planning and Development

89.110 Department of Health Care Access and Information/Office of Statewide Hospital Planning and Development
Added new/amended sections for OSHPD 6 to align requirements with statutory change in Health and Safety Code Section 1250.3.

Chapter 1 – General

Office of Statewide Hospital Planning and Development

100 Definitions
Moved all definitions from Article 517 to Article 100 to align with model code format.

Chapter 2 – Wiring and Protection

Office of Statewide Hospital Planning and Development

220 Branch-circuit, feeder, and load calculations
Amended to remove additional requirements for load calculations.

Chapter 4 – Equipment for General Use

Housing and Community Development

406.12 Tamper-resistant receptacles
Amended to exclude mobile homes and manufactured homes from the requirement for tamper-resistant receptacles.

Chapter 5 – Special Occupancies

Office of Statewide Hospital Planning and Development

517.1(C) Electrical equipment schedules
Amended to require documentation for special seismic certifications.

517.4 Electric power sources, feeders and services
Amended to list requirements for electrical power sources. An “Informational Note” was added to see Section 220.40 for sizing requirements for Electric Power Sources, Feeders and Services.

517.18(B)(2) Receptacle requirements
Repealed Exception #3, which stated hospital grade receptacles were not required in patient sleeping areas in nursing homes.

517.29 Type 1 Essential Electrical Systems
Amended (A.1) to include (Surgical Clinics only) to the existing OSHPD 3 banner.

517.30(A.1) Two independent power sources
Added new section with requirements for two independent power sources for OSHPD 1, 3 (surgical clinics only), 4 and 5.

517.30(B.1) Power sources for the EES
Repealed the requirements for power sources for the ESS.

517.30(B)(3) Battery systems
Repealed the requirements for a connection for a portable diesel generator.

517.30(B)(4) Health care microgrid
Repealed amendment and adopted the model code language.

517.30(B)(5) Health care microgrid
Amended to include requirements for meeting the installation and commissioning requirements in NFPA 99.

517.30(D) Temporary source of power for maintenance or repair of the alternate source of power
Added new section with requirements for temporary source of power for maintenance or repair of the alternate source of power.

517.31(D.1) Requirements for the Essential Electrical System
Repealed the requirement for the EES to have the capacity and rating to meet the maximum actual demand likely to be produced by the connected load.

517.31(E) Receptacle identification
Repealed amendment and adopted model code language.

517.31(H) On-site energy storage systems and fuel supply
Added new section containing requirements for on-site energy storage systems and fuel supply for OSHPD 1, 4 & 5.

517.31(H)(1)
Added new section containing requirements for on-site resources to support not less than 24 hours full-demand operation for correctional treatment centers, and sources to support not less than 72 hours full-demand operation for acute care hospitals.

517.31(H)(2)
Added new section containing requirements for Emergency Power Supply Systems for correctional treatment centers and acute psychiatric hospitals.

517.41(A.1) Two independent power sources
Added new section containing requirements for two independent power sources for OSHPD 2, 4 & 5.

517.41(B.1) Power sources for the EES
Repealed the requirements for power sources for the EES for OSHPD 2, 4 & 5.

517.41(B)(1) through (B)(4) Fuel cell systems
Repealed the list of approved power sources.

517.41(D) Power sources for the EES

Added new section which lists the approved power sources for the EES for OSHPD 2, 4 & 5.

517.41(E) Permanent connection(s) points for EES maintenance and repairs

Added new section containing requirements for permanent connection points for EES maintenance and repair.

517.42 Essential Electrical Systems for nursing homes and limited care facilities

517.42(E) Receptacle identification

Repealed the amendment and adopted model code language.

517.42(G) On-site energy storage systems and fuel supply

Added new section containing requirements for on-site energy storage systems and fuel supply for OSHPD 2, 4 & 5.

517.42(G)(1)

Added new section containing requirements for on-site resources to be available at all times to support not less than 6 hours at full output of the EPSS for OSHPD 2, 4 and 5.

517.42(G)(2)

Added new section containing requirements for an alternate source of power for equipment required to maintain safe temperatures, life-saving equipment and oxygen generating devices for OSHPD 2.

517.44(3.1) Optional connections to equipment branch

Repealed the requirements for optional connections to the equipment branch.

517.45 Essential Electrical Systems for other health care facilities

Repealed the existing language in (E.1) and replaced it with the existing language from (G). Existing Section (H) became (G).

Added new Section (H) which requires not less than 4 hours at full output for the EPSS for OSHPD 3 (Surgical Clinics only).

State Fire Marshal

517.31 Requirements for the Essential Electrical System

Co-adopted new sections (H), (H)(1) and (H)(2) in coordination with OSHPD (see above).

517.42 Essential Electrical Systems for nursing homes and limited care facilities

Co-adopted new sections (G), (G)(1) and (G)(2) in coordination with OSHPD.

517.45 Essential Electrical Systems for other health care facilities

Co-adopted new section (H) in coordination with OSHPD.

Chapter 7 – Special Conditions

Office of Statewide Hospital Planning and Development

700.12 General Requirements

Repealed the exception in section (C) for battery systems for OSHPD 1, 2, 3, 4 & 5.

Repealed all the exceptions in section (D)(2) for OSHPD 1, 2, 3, 4 & 5 in coordination with SFM.

Repealed the exception in section (G) for OSHPD 1, 2, 3, 4 & 5.

State Fire Marshal

700.12 General Requirements

Repealed all the exceptions in section (D)(2) in coordination with OSHPD.

CALIFORNIA MECHANICAL CODE – PART 4

Chapter 1 – Administration

Office of Statewide Hospital Planning and Development

Amended multiple subsections to reflect the new department name: Department of Health Care Access and Information/Office of Statewide Hospital Planning and Development.

1.10.6 OSHPD 6

Added new banner designation “OSHPD 6” for a chemical dependency recovery hospital not within an acute care hospital building.

Chapter 2 – Definitions

Office of Statewide Hospital Planning and Development

Air, Relief

Removed OSHPD 1R from the banner.

Air terminal device

Added new definition for any device (e.g., grille, register, diffuser) placed in an opening to a room, through which controlled air enters or leaves. Component of the air-distribution system which has the purpose of achieving the predetermined movement of air into or from a treated space. Applies to OSHPD 1, 2, 3, 4 and 5.

Building Code, Enforcing Agency, Health Facilities

Added OSHPD 6 to existing definitions.

State Fire Marshal

Refrigerant, Refrigerant Concentration Limit (RCL) and Refrigerant Safety Classifications

Repealed California amendments (early adoption of definitions) and adopted model code definitions.

Chapter 3 – General Regulations

Office of Statewide Hospital Planning and Development

321.0 Essential mechanical provisions

Removed OSHPD 1R from the banner

321.3 Cooling equipment

Added new section regarding cooling equipment to maintain temperature and humidity listed in Table 4-A within certain operating rooms and other spaces as identified in the functional program.

321.6 Control components

Added to existing amendment, “fire and smoke dampers” under all control components and control systems to have essential electrical power.

322.0 Sensitive areas or rooms

Removed OSHPD 1R from the banner. Added new items and reformatted the list of sensitive areas or rooms.

State Fire Marshal

307.3, 307.4

Repealed California amendments (early adoption of refrigerant designation) and adopted model code text.

Chapter 4 – Ventilation Air

Division of the State Architect

Repealed **“**DSA-SS/CC” banners throughout the code. Community colleges are required to comply with all DSA adopted regulations under the authority of the Field Act, Education Code Section 81052. Alternatively, community colleges may comply with alternative structural safety provisions promulgated and adopted pursuant to the authority granted by Education Code Section 81053. These alternative standards are adopted and identified by the DSA-SS/CC banner.

The authority granted to DSA specifically for the adoption of alternative buildings standards for community colleges related to structural safety should only be used or referenced when promulgating an alternative standard pursuant to Education Code Section 81053. All other regulations related to the construction of community colleges are adopted and identified by the “DSA-SS” banner under the authority of Education Code Section 81052.

Office of Statewide Hospital Planning and Development

Relocated previous section numbers to new section numbers, as follows:

407.4.1.6 to 407.4.1.2	407.4.1.5 to 407.4.4
407.4.1.1 to 407.4.1.3	407.4.1.7 to 407.4.5
407.4.1.2 to 407.4.1.7	420.0 to 407.4.1.1
407.4.1.3 to 407.4.2	408.3.4 to 408.3.2
407.4.1.4 to 407.4.3	

Table 4-A

Repealed the 2022 version of Table 4-A and footnotes, and adopted the ASHRAE 170-2021 Table 7-1, as amended, and added table footnotes from ASHRAE 170-2021 Table 7-1 into Table 4-A.

Table 4-B

Amended Column 3 of the table to change the heading to “A.T.D.” and MERV filters to HEPA filters. Added new Footnote #3, renumbered remaining footnotes, and revised Footnotes #4 and #5 regarding HEPA filter location.

402.1 Occupiable spaces

Removed OSHPD 1R from the banner. Relocated a portion of the amendment in Section 402.1.2 to this section. The change combines amendments into one paragraph as they both relate to the same ventilation requirements for healthcare buildings.

402.1.2 Ventilation in health care facilities

Added to existing amendment requirement for ventilation for health care facilities to be designed and installed in accordance with the code, Table 4-A and amended list of ASHRAE 170 items.

406.0 Evaporative cooling system for health care facilities

Removed OSHPD 1R from the banner**.** Removed food preparation area from the text.

Section 407.0 Ventilation system details

407.1.1 Air systems

Changed Exception Item 2 to allow unoccupied turndown to be permitted in accordance with Section 407.7 Unoccupied turndown. Repealed all other subitems.

Relocated previous language in Exception 2 for unoccupied mode to new Section 407.7. Added a column to Table 4-A to identify which spaces are permitted to use unoccupied turndown to match the 2021 ASHRAE 170. Revised OSHPD amendments to coordinate with the national standard.

407.2.2.1 Hazardous exhaust outlets

Add new section clarifying that hazardous exhaust outlets from airborne infection isolation rooms and other hazardous rooms shall have a laboratory chemical fume hood with added discharge requirements.

407.3.1 Air balance

Added language to clarify the pressurization requirement is to be met per Table 4-A.

407.4 Air circulation

407.4.1.3

Amended to clarify air supplied to operating rooms and similar spaces shall be delivered by a primary supply diffuser array in accordance with ASHRAE 170.7.4.1.

407.4.1.4, 407.4.1.5, 407.4.1.6

Added new sections to provide requirements for the location of supply registers and return/exhaust inlets, and air supply requirements including low level inlets.

407.4.2

Revised to match CBC Section 1020.6 for air movement in corridors. Amended Exception 1 to state that use of corridors as a source of makeup air for exhaust systems is permitted where allowed by the CBC.

407.4.5 Recirculating room units

Revised to clarify requirements for recirculating room units which shall be permitted to provide a portion of total air changes in excess of minimum outside air changes where indicated in Table 4-A.

407.4.5(3)

Amended to provide for use of a MERV 8 or manufacturer's recommended (OSHPD 2) filter upstream of any surface that is designed to condense water.

407.4.5(4)

Added new section to allow coils designed not to condense water shall maintain surfaces above the dew point temperature.

407.4.5.1 Recirculating room units for unoccupied spaces

Added new section regarding filtration for unoccupied spaces not directly connected to a patient care area.

407.5 Variable air volume

407.5.1.4

Added new section for sensitive spaces or rooms to be provided with controls on the return or exhaust duct system to maintain constant flows.

407.5.1.5

Added new section to provide return air controls for each system, floor, or area with similar conditions.

407.7 Unoccupied turndown

407.7.1

Relocated Exception 2 into this new section and split the paragraph into four subsections to identify the conditions that allow the number of air changes permitted to be reduced.

407.8 Building pressurization

407.8.1

Added a new section to align with AHSRAE 170 regarding building pressurization to ensure a building does not fall under negative pressure causing nonfiltered air to be brought into the building.

408.1.5 and 408.1.6

Amended to align with the minimum requirement in ASHRAE 170 regarding HEPA filtration for high-risk operating rooms and protective environment rooms. Revised Table 4-B to align with this requirement. Repealed previous amendment, but this does not prevent a designer from voluntarily installing additional filtration in the air handler.

408.1.7

Added a new section specific to HEPA filtration to note the requirement in Table 4-B for HEPA filtration to be installed at the terminal device outlet.

408.2 Filters for hospitals

408.2.2, 408.2.3, 408.2.4

Repealed these sections since the requirements have been fully incorporated into Section 407.4.5, Recirculating Room Units.

408.3 Filters for skilled nursing facilities, intermediate care facilities, and correctional treatment centers

408.3.2, 408.3.3, 408.3.4

Repealed Sections 408.3.2 and 408.3.3 since the requirements have been fully incorporated into Section 407.4.5 Recirculating Room Units. Section 408.3.4 was renumbered to 408.3.2.

408.4 Filters for outpatient facilities

408.4.1

Revised to clarify that the air ventilation systems for outpatient facilities shall have filter bank efficiencies as listed in Table 4-B.

408.4.2

Moved the filtration requirement for recirculating room units to Section 407.4.5. Repealed the OSHPD amendment for 408.4.2.

408.5 Filters for recirculating room units

408.5.1

Added a new section pointing to Section 407.4.5 for filtration of recirculating room units. Added additional language to confirm that the full filtration required per Table 4-B is needed when Table 4-A is marked “No” for recirculating room units.

409 Ducts

409.3, 409.4

Repealed amendment. Insulation of ducts is covered in Section 605 and the amendment in 409.3 is a duplicate of the amendment in Section 605.1. Section 409.4 is renumbered to 409.3.

414.0 Airborne infection isolation rooms

414.1 Exhaust systems

Amended the seven-feet discharge height for airborne infection isolation exhaust to 10 feet. The national standard requires a minimum 10 feet exhaust height.

417.0 Testing and balancing airborne infection isolation rooms and protective environment rooms

Modified this section to include air balance testing which shall include a pressure test at all doors serving the isolation, protective environment and ante rooms to provide directional pressure relationships.

Chapter 6 – Duct systems

Office of Statewide Hospital Planning and Development

603.4 Flexible air ducts

603.4.1.1 Flexible ducts

Added a sentence to clarify that a flexible duct is not permitted when fire and/or smoke dampers are omitted in corridor construction per CBC Section 717.5.4. The CBC exception also requires the duct work to be constructed of steel of not less than a 0.019-inch thickness.

605.0 Insulation of ducts

605.2

Added room types that are considered sensitive areas and not permitted to have acoustical lining materials: Class 3 imaging, hybrid operating rooms and protective environment rooms. Added pointer to ASHRAE 170, Section 6.9 for duct lining for nonsensitive areas or rooms.

605.3

Amended to repeal the MERV 17 filter rating. A MERV 17 filter rating is not equivalent to a HEPA filter. Coordinated with the change in Table 4-B that defines the minimum requirements for a HEPA filter.

Chapter 11 – Refrigeration

Office of Statewide Hospital Planning and Development

Table 1104.1 Permissible refrigeration systems

Repealed the I-2.1 occupancy from occupancy group in Table 1104.1 for Permissible Refrigeration Systems.

State Fire Marshal

Repealed requirements throughout Chapter 11 for A2L refrigerants that were early adopted as California amendments in the 2022 Supplements. Adopted model code.

The industry's efforts to address lower Global Warming Potential (GWP) refrigerants led to the development of lower flammability refrigerants—A2Ls. Chapter 11 includes these lower flammability refrigerants in Table 1102.3 and contains specific A2L and B2L provisions to address the precautions necessary to properly use these products.

Chapter 12 – Hydronics

California Energy Commission

1217.10.1 California Energy Code Pipe Insulation Requirements

Updated pointers for pipe insulation requirements within the California Energy Code (Part 6 of Title 24) for Tables 120.3-A-1 and 120.3-A-2.

Chapter 18 – Referenced Standards

State Fire Marshal

Updated the publication year for many existing referenced standards.

Office of Statewide Hospital Planning and Development

Added new reference standard for IEST RP-CC001.7 that defines the minimum requirements for HEPA and ULPA filters.

CALIFORNIA PLUMBING CODE – PART 5

Chapter 1 – Administration

Office of Statewide Hospital Planning and Development

Amended multiple subsections to reflect the new department name: Department of Health Care Access and Information/Office of Statewide Hospital Planning and Development.

1.10.6 OSHPD 6

Added new banner designation "OSHPD 6" for a chemical dependency recovery hospital not within an acute care hospital building.

Chapter 2 – Definitions

Office of Statewide Hospital Planning and Development

Amended existing definitions.

Handwashing fixture
Added that the flow rate for a non-aerating laminar flow device shall not be less than 1 gallon per minute.

Scrub sink
Added requirements for controls to not involve contact with the upper extremities. Single-lever wrist blades shall not be permitted except for the temperature pre-set valve.

Chapter 4 – Plumbing Fixtures and Fixture Fittings

Division of the State Architect

Repealed **“**DSA-SS/CC” banners throughout the code. Community colleges are required to comply with all DSA adopted regulations under the authority of the Field Act, Education Code Section 81052. Alternatively, community colleges may comply with alternative structural safety provisions promulgated and adopted pursuant to the authority granted by Education Code Section 81053. These alternative standards are adopted and identified by the DSA-SS/CC banner.

The authority granted to DSA specifically for the adoption of alternative building standards for community colleges related to structural safety should only be used or referenced when promulgating an alternative standard pursuant to Education Code Section 81053. All other regulations related to the construction of community colleges are adopted and identified by the “DSA-SS” banner under the authority of Education Code Section 81052.

Building Standards Commission, Division of the State Architect and Department of Housing and Community Development

408.3 Water consumption
Amended to align with appliance efficiency regulations adopted by the California Energy Commission in Title 20 and showerhead requirements in CALGreen.

420.3.1 Pre-rinse spray valves
Repealed existing California amendment and adopted model code.

Building Standards Commission and Division of the State Architect

422.1.1 Fixture calculations and 422.2 Separate facilities
Repealed existing California amendment and adopted model code regarding all-gender multi-user restroom fixtures. Added a BSC amendment to indicate that separate private areas for urinals and water closets located in a privacy compartment shall comply with sections 422.6 and 422.7 of the California Plumbing Code.

422.6 Water closet compartment and 422.7 Urinal partitions
Added an exception referring to IAPMO's Z124.10 Type A Security for state buildings, University of California and California State University buildings, public elementary and secondary schools, community college buildings, and state-owned or state-leased essential services buildings.

Office of Statewide Hospital Planning and Development

422.3.1 Fixture requirements for special occupancy
Added a second exception that separate toilet facilities for patients, staff, and visitors in public visitor waiting areas with an occupant load of 10 or less shall be permitted for use by both sexes.

Chapter 6 –Water Supply and Distribution

Office of Statewide Hospital Planning and Development

604.0 Materials
604.1 Pipe, tube, and fittings
Added Exception for OSHPD 1, 2, 3, 4 & 5 regarding the use of CPVC which is not permitted for potable water.

609.0 Installation, testing, unions, and location
609.10 Disinfection of potable water system
Added new Item 5 for OSHPD 1, 2, 3, 4 & 5 to the disinfection requirements for the timing of the disinfection procedures relative to the occupancy of a building to align with ASHRAE 188.

613.0 Domestic hot-water distribution systems for health facilities and clinics

Table 613.1 Hot water use

Updated Note #1 regarding rinse water temperature at warewashers or potsinks to align with the California Retail Food Code, Title 22, and Facility Guidelines Institute (FGI) guidelines. Added new Note #3 requiring dietary hot water temperatures to meet minimum temperature requirements at the point of use.

613.2 Storage

Added to existing amendment for water heaters and hot-water storage tanks. Storage water heaters and hot water tank storage are to be maintained at 140 degrees Fahrenheit or above.

613.6 Recirculation

Added to existing amendment for hot water recirculation to coordinate with FGI and to require the hot water recirculation piping to return the recirculation loop back through the hot water source. The non-recirculated fixture branch piping shall not exceed 10 feet.

613.9 Flushing

Added new section for hot water distribution to add test ports and valved openings for flushing of portions of the system in accordance with the facilities water management program defined in Appendix N.

614.0 Dialysis water-distribution systems

614.1 and 614.7 Piping materials

Added to an existing amendment for the piping materials allowed in dialysis feedlines to include CPVC to coordinate with AAMI standard RD 62.

616.0 Emergency water supply

616.1 Emergency water supply

Added SPC 4D rating to list of ratings to support 72 hours of continuing operation of on-site water supply in the event of an emergency.

616.3 Water disinfection

Added new section regarding storage tank connections and circulation to limit water stagnation and temperature stratification.

Chapter 7 – Sanitary Drainage

Office of Statewide Hospital Planning and Development

727.1 Emergency sanitary drainage

Added SPC 4D rating to list of ratings to support 72 hours of continuing operation of onsite holding tanks to store sewage and liquid waste sufficient to operate essential hospital utilities and equipment in the event of an emergency.

Chapter 15 – Alternate Water Sources for Nonpotable Applications

Building Standards Commission and Department of Housing and Community Development

1506.10.2 Minimum water quality

Added IAPMO IGC 324 as an applicable standard for water quality for on-site treated nonpotable gray water when there are no local water quality requirements.

Department of Water Resources

1505.1 General

Amended to refer to the new "State Water Resources Control Board's Cross-Connection Control Policy Handbook" along with existing reference to California Code of Regulations (CCR) Titles 22 and 23. Deleted Title 17 from referenced CCR titles in this section.

1505.4 Connections to potable or recycled water supply systems

Amended Exception #4 to clarify the source of regulatory information for recycled water application and uses shall be the new "State Water Resources Control Board's Cross-Connection Control Policy Handbook" which replaces Title 17 provisions.

Chapter 16 – Nonpotable Rainwater Catchment Systems

Building Standards Commission and Department of Housing and Community Development

1603.20 Rainwater diversion valves

Amended to remove reference to IAPMO PS 59 and IAPMO IGC 352 standards to allow use of other available approved diverter valves.

Chapter 17 – Referenced Standards

Office of Statewide Hospital Planning and Development and State Fire Marshal

Updated existing referenced standards to the latest edition and added two new referenced standards:

ANSI/AAMI/ISO 23500-2 – Preparation and Quality Management of Fluids for Haemodialysis and Related Therapies – Part 2: Water Treatment Equipment for Haemodialysis Applications.

ANSI/AAMI/ISO 23500-3 – Preparation and Quality Management of Fluids for Haemodialysis and Related Therapies – Part 3: Water for Haemodialysis and Related Therapies

CALIFORNIA WILDLAND-URBAN INTERFACE CODE – PART 7

Overview

The new California Wildland-Urban Interface Code (CWUIC), based on the International Wildland-Urban Interface Code, was created by relocating chapters, sections and language from several parts of Title 24, including the California Building Code (Chapter 7A), California Residential Code (Section R337) and the California Fire Code (Chapter 49). Additionally, it incorporates other provisions from Title 24 (not relocated), and sections from Title 14 (Natural Resources) and Title 19 (Public Safety) of the California Code of regulations, and sections from the Government Code, the Health and Safety Code, and Public Resources Code.

Section H107, Cross Reference Tool, was added to Appendix H of the CWUIC. It lists each section of the code and identifies the source document and section for each provision.

SECTION H107—CROSS REFERENCE TOOL

The following matrix identifies each section in the California Wildland-Urban Interface Code and identifies the source document and section for the provisions. Some sections in this code are derived from more than one source and the language has been editorially massaged to coalesce and correlate with the other provisions in this code.

2025 CWUIC		Adopted Yes/No	IWUIC Section	CBC Section	CFC Section	Title 14, Division 1.5 Section	Title 19, Division 1 Section	Gov Code Section	PRC Section	HSC Section
Section	Title									
Chapter 2	Definitions									
	Fire hazard severity zones	Y		702A	4902.1			2201		
	Fire protection plan	Y		702A	4902.1					
	Fire weather	Y								
	Fire-resistance-rated construction	Y								
	Fire-smart vegetation	Y			4902.1	1271.01				
	Flame spread index	Y								
	Fuel	Y								4291(a)(1)(A)
	Fuel break *(T14)*	Y				1270.01(n)				

As part of the effort to consolidate language from the multiple areas of law and regulations, a reasonable amount of "clean-up" was made before codifying the language into the CWUIC. This consisted of clarifying intent, correcting minor errors from previous code cycles, and reorganizing sections to align with model code.

Chapter 1 – Scope and Administration

This chapter contains administrative provisions. Consistent with other parts of Title 24, it consists of two divisions: Division I details the state agencies' administrative provisions and Division II contains model code sections with amendments incorporated from the California Building Code (CBC), California Fire Code (CFC), and California Residential Code (CRC). The sections in Division I have been incorporated from the California Building Code (Part 2), the California Fire Code (Part 9) and Title 14.

Chapter 2 – Definitions

Definitions in this chapter are an aggregate collection of terms used in the laws and regulations referenced above.

Chapter 3 – Wildland-Urban Interface Areas

Language in Chapter 3 has been migrated from the California Fire Code and also incorporates provisions from the Public Resources Code and the Government Code to provide the framework for defining and designating wildland-urban interface areas within the state.

Chapter 4 – Wildland-Urban Interface Areas Requirements

Chapter 4 provides the access, water supply, and fire protection plan requirements that apply to all occupancies in the wildland-urban interface based on designated fire hazard severity zones. Amendments delete and/or replace model code language where it conflicts with existing California laws and regulations, and incorporate sections from the CFC as well as requirements found in Title 14 and Title 19.

Chapter 5 – Special Building Construction Regulations

Chapter 5 contains regulations that establish minimum standards for the location, design and construction of buildings and structures within designated fire hazard severity zones or WUI areas. Amendments delete and/or replace model code language where it conflicts with existing California laws and regulations, and incorporate provisions from the Health and Safety Code. All of the regulations from Chapter 7A in the CBC and Section R337 in the CRC have been relocated into Chapter 5.

Chapter 6 – Fire Protection Requirements

Chapter 6 contains additional requirements for development and construction in Local Responsibility Areas (LRA) and areas designated as State Responsibility Areas (SRA). Amendments delete and/or replace model code language where it conflicts with existing California laws and regulations, relocate provisions from CFC Chapter 49, and incorporate provisions found in Title 14 and Title 19 for the code user's

convenience. The chapter includes requirements for the establishment and maintenance of defensible space and other mitigation strategies to reduce the hazards of fire originating within a structure spreading to wildland, and fire originating in wildland spreading to structures.

Chapter 7 – Referenced Standards

Chapter 7 contains referenced standards of the 2024 IWUIC and is amended to incorporate all relevant standards referenced in various sections of the CWUIC.

Appendix A – General Requirements

Appendix A, while not adopted by SFM, can be enforced by a local jurisdiction when specifically included in its adopting ordinance. This appendix provides fire protection measures supplemental to those found in Chapter 6 to reduce the threat of wildfire in a wildland-urban interface area and improve the capability for controlling such fires.

Appendix B – Vegetation Management Plan

Appendix B, while not adopted by SFM, can be enforced by a local jurisdiction when specifically included in its adopting ordinance. This appendix provides criteria for submitting vegetation management plans, specifying their content, and establishing a criterion for considering vegetation management as a fuel modification.

Appendix C – Community Wildland-Urban Interface (WUI) Fire Hazard Evaluation Framework

Deleted 2024 IWUIC Appendix C – Fire Hazard Severity Form and replaced it with Appendix C – Community Wildland-Urban Interface (WUI) Fire Hazard Evaluation Framework that is printed, but not adopted by SFM, in the 2025 CWUIC. This framework is provided for information purposes (not intended for adoption) and can be used as a guideline for firesafe councils and others. This appendix contains the same language as Appendix P of the 2022 CFC (renumbered to Appendix Q in 2025 CFC).

Appendix D – Model Ordinance for Fire Hazard Severity Zone Adoption

Deleted 2024 IWUIC Appendix D – Fire Danger Rating System and replaced it with Appendix D – Model Ordinance for Fire Hazard Severity Zone Adoption. This appendix is a sample ordinance for a city, county, city and county, or fire district to use to establish and designate fire hazard severity zones within their jurisdiction.

Appendix E – [Reserved]

Deleted 2024 IWUIC Appendix E – Findings of Fact, and reserved Appendix E for future use.

Appendix F – Characteristics of Fire Smart Vegetation

Appendix F is informational and provided for the convenience of the code user. It contains a list of the eight characteristics of fire-smart vegetation that can be used effectively within wildland-urban interface areas to reduce the likelihood of fire spread through vegetation.

Appendix G – Voluntary Home Hardening Recommendations

Deleted 2024 IWUIC Appendix G – Self-Defense Mechanism and replaced it with Appendix G – Voluntary Home Hardening Recommendations. Appendix G provides nonmandatory home hardening recommendations for existing structures to protect them from wildfire. It also provides correlation and consistency with California Department of Forestry and Fire Protection (CalFire) home hardening guidelines.

Appendix H – Referenced California Documents

Deleted IWUIC Appendix H – Wildland-Urban Interface Code Flowchart and replaced it with Appendix H – Referenced California Documents to provide excerpts of statutes and regulations that are the sources for California amendments in the 2025 CWUIC. This includes reprinting certain sections from California laws: Civil Code, Government Code, Public Resources Code, Health and Safety Code, and California Code of Regulations Titles 14 and 19.

Appendix I – Board of Appeals

Appendix I, while not adopted by SFM, can be enforced by a local jurisdiction when specifically included in its adopting ordinance or legislation. It provides guidelines for establishing a board of appeals to hear applications for modifications of requirements in the CWUIC.

CALIFORNIA FIRE CODE – PART 9

All amendments and additions in this part are proposed by the Office of the State Fire Marshal.

Chapter 1 – Scope and Administration

1.11.2.4 Request for alternate means of protection

Updated the reference pointer to California Code of Regulations (CCR) Title 19 due to program changes in the requirements of Risk Management Plans and the handling of hazardous materials under the oversight of CalEPA (AB 148, Stats. 2021). These programs were previously in CCR Title 19, Division 2 (CalOES), but are now located in Title 19, Division 5 (CalEPA), and have been effective as of March 6, 2024.

1.11.4.4 Fire clearance pre-inspection

Corrected the reference pointer that delegates authority from the State Fire Marshal to the local fire prevention enforcement authority, which is governed by Health and Safety Code Sections 13145 and 13146.

102.13 Wildland-Urban Interface

Added a new section providing reference to the newly adopted California Wildland-Urban Interface Code (CWUIC), Part 7 of Title 24. As a result of the creation of the CWUIC, Chapter 49 is deleted from the California Fire Code (CFC). Other changes affect provisions and references in CFC Chapters 2 and 3, and Appendix P, as well as chapters in the California Building Code and California Residential Code (Parts 2 and 2.5 of Title 24).

105.5.14 Energy Storage Systems

Provided exceptions to requirements for an operational permit for stationary and mobile ESS for detached one- and two-family dwellings and townhouses, other than Group R-4.

Chapter 2 – Definitions

Definitions related to battery types

Amended model code definitions and added several new battery type definitions to correlate with current International Fire Code and NFPA 855 technology requirements. The intent is to increase understanding of the application of code requirements to new technologies with no associated increases in technical requirements.

203 Occupancy classification and use

Occupancy classification definitions have been relocated from Section 202 into new Section 203 in 2024 IFC, so existing 2022 amendments to these definitions have been relocated also.

203.4.2 Group E, child-care facilities

203.7.4.1 Classification as Group E

Amended the exception to Group E child-care facilities and added language with special provisions to include those occupancies providing care for 6-100 children under 36 months of age, allowing them to operate when in compliance with special requirements.

Chapter 3 – General Requirements

320 Battery storage

320.1 General

Replaced existing amendments in 2022 CFC Section 322 with new 2024 IFC Section 320 which has been amended in 2025 CFC to address all battery storage regardless of the battery type. Added Exemption 6 to clarify it is not the intent of this

section to regulate miscellaneous small consumer-size batteries in equipment (radios, power tools, etc.), or batteries staged or charging as commonly found in maintenance areas, fire stations, contractor shops, etc.

Sections 320.1.1 through 320.1.2

Added new sections to address storage of lithium-ion, lithium metal, and other battery types.

320.4.1.1 Unused or unwanted battery collection

Revised to clarify batteries placed loose into open-top containers is for collection of used or unwanted batteries from the public or a building's employees (NFPA 855).

320.4.1.2 Waste storage

Added a common practice provision for limited storage (DOT regulations) to require batteries be placed in bags to prevent short-circuiting and space between filled with vermiculite. The quantity is still limited to 15 cf.

320.4.1.3 Miscellaneous storage

Added new section to clarify that other storage configurations are allowed. Provides for storage in original wholesale shipping containers and DOT packaging which has undergone extensive testing for shipping of lithium-ion batteries and cells.

320.4.3 Outdoor storage and subsections

Added requirements for a technical report to evaluate the fire and explosion risks associated with outdoor storage of lithium-ion and lithium-metal batteries and to make recommendations for fire and explosion protection.

Revised and updated existing amendments that were relocated and merged with new model code sections to address the following requirements:

- Distance from storage to exposures
- Storage area size limits and separation
- Fire detection
- Containers
- Weather protection

320.5 Other Battery Types General and subsections

Added amendments providing general guidance for safe storage of batteries other than lithium-ion and lithium-metal consistent with updated requirements and standards of care in the industry, including the following:

- Impact protection
- Battery charging and long-term storage practices
- Mechanical exhaust requirements
- Spill control capabilities
- Hazard warning signage and NFPA 704 placarding

Chapter 9 – Fire Protection and Life Safety Systems

Existing 2022 California amendments in Chapter 9 are carried forward, repealed, renumbered and updated to align with revised 2024 IFC formatting and language.

903.3.1.1.1 Exempt locations

Deleted existing amendment Number 6 in the listed locations regarding elevator hoistways, machine rooms, machinery spaces, control spaces and control rooms, and the reference pointer to CBC Section 3005.4.1.

903.4.3 Alarms

Deleted existing amendment regarding visible alarm notification and reference pointer to Section 907.

905.4 Location of Class I standpipe hose connections

Deleted model code language in Item 6 that was an existing amendment that was overlooked in the 2022 CFC (amendment was not carried forward).

907.2.12 Special amusement areas

Repealed and replaced some existing amendments with model code language in Section 907.2.12, and blended existing amendment regarding exit access into new model code language to carry forward existing provisions. Repealed amendments in model code Sections 907.2.12.1 - 907.2.12.3 as these sections do not exist in 2024 IFC. Matched the same modifications made to Section 907.2.12 in the California Building Code, Part 2 of Title 24.

915.4.4 Interconnection

Replaced new model language with existing amendment as 2024 IFC has copied portions of the California amendment, but left out the majority of the information needed for clarity and consistency in implementation and enforcement.

915.6.1 Enclosed parking garages

Added an amendment to coordinate with the existing provision in Section 915.6.1 of Part 2.

Chapter 10 – Means of Egress

1008.3 Illumination required by an emergency electrical system

Added amendment to reinstate provisions published in several previous editions of the California Building Code to address previously adopted requirement for egress lighting for I-2 occupancies and align with provisions published in National Fire Protection Association 101 – The Life Safety Code.

1009.4.1 Standby power

1015.2 Where required

Added new amendment to align with the California Building Code.

Table 1020.2 Corridor fire-resistance rating

Modified existing amendment to repeal line-item for occupancy Group E, and to require one-hour fire resistance rating for corridors with sprinklers in occupancy Group I-4. Aligned with the same section in the California Building Code, Part 2 of Title 24.

1026.6 Two-way communication

Added new amendment specifying that two-way communication systems must be installed in all horizontal exit compartments. An Exception for I-2 and I-3 facilities is provided. Aligned with the same section in Part 2.

Chapter 31 – Tents, Temporary Special Event Structures and Other Membrane Structures

3104.2 Flame propagation performance testing and registration

3106.3 Combustible materials

Added amendments to clarify that all fabrics and all interior decorative fabrics or materials shall be flame resistant in accordance with the provisions set forth in California Code of Regulations, Title 19 (Public Safety), Division 1, Chapter 8.

Chapter 49 – Requirements for Wildland-Urban Interface (WUI) Fire Areas

Added a “User Note” to direct code users to the new California Wildland-Urban Interface Code. This chapter is deleted from the CFC.

Chapter 80 – Referenced Standards

Updated adoption of referenced standards to the newest editions published and available for adoption.

CALIFORNIA EXISTING BUILDING CODE – PART 10

Chapter 1 – Scope and Administration

Office of Statewide Hospital Planning and Development

Amended multiple sections to reflect the change in the department name: Department of Health Care Access and Information/Office of Statewide Hospital Planning and Development.

1.10.6 OSHPD 6

Added new sections for OSHPD 6 to align requirements with statutory change in Health and Safety Code Section 1250.3.

107.1 General

Clarified that only one extension is permitted for temporary uses, equipment and systems.

Chapter 2 – Definitions

Office of Statewide Hospital Planning and Development

Updated applicability of several definitions to include OSHPD 1R, 2, and 5 applications.

Chapter 3 – Provisions for All Compliance Methods

Division of the State Architect

317.3.1
Added [DSA-SS] banner, which was unintentionally omitted in the last edition of Title 24, relative to seismic evaluation and rehabilitation of buildings.

Building Standards Commission and Division of the State Architect

Table 317.5
Revised footnotes and seismic performance criteria for Risk Category IV buildings to align with the model code and adopted referenced standard.

318 Definitions
Repealed the definition of REPAIR in coordination with the adoption of the model code definition for the same term contained in Section 202.

319.2 Existing conditions
Amended to coordinate with changes made in the newly adopted 2023 edition of the adopted standard, ASCE 41: Seismic Evaluation and Retrofit of Existing Buildings.

319.5 Configuration requirements
Relocated existing amendment from Section 319.7.2 to Section 319.5, as the basis for determination of an irregular classification belongs in the primary section addressing irregularities rather than a later section defining the conditions that require the use of Method B.

319.7 Prescriptive selection of the design method with subsections
Amended to improve the presentation and clarity of provisions that define conditions requiring the use of Method B and relocated some language to Section 319.5.

Division of the State Architect and Department of Housing and Community Development

306 Accessibility for existing buildings
Removed the content of model code Section 306 as it is not adopted in California and clarified the notes about application of Chapters 11A and 11B.

Department of Housing and Community Development

301.3 Alteration, addition or change of occupancy

301.3.2 Work area compliance method

Repealed the notes as HCD adopted Chapters 6-11 that address work area compliance method.

State Fire Marshal

308.1 Carbon monoxide detection

Removed model code exceptions to requirements for carbon monoxide detection.

Office of Statewide Hospital Planning and Development

304.3.3 Criteria for Incidental and minor structural alteration, additions, or repairs of pre-1973 code buildings

Added provisions for incidental and minor alteration pursuant to statutory mandate.

312.3.1 Freestanding buildings containing qualifying nonacute care services

Added permitting for chemical dependency recovery services pursuant to statutory mandate contained in Health and Safety Code Section 1250.3(f).

312.3.6 Chemical dependency recovery services

Added new section recognizing that chemical dependency recovery services may be provided in a building that has been removed from general acute care pursuant to Health and Safety Code Section 1250.3(f).

Chapter 3A – [OSHPD1] Provisions for All Compliance Methods

Office of Statewide Hospital Planning and Development

302A.3.1 Existing seismic force-resisting systems.

Corrected the reference to point to the California Building Code for seismic coefficients since they are not provided in the California Existing Building Code.

304A.3.4 - 304A.3.4.8 Performance objectives of performance-based methods

Clarified the application of ASCE 41-13 and ASCE 41-23 specifying how they apply to various types of buildings.

304A.3.5 - 304A.3.6.9 Modifications to ASCE 41-13

Clarified modifications to ASCE 41-13 for SPC-2 and SPC-4D and added new sections to address modifications to ASCE 41-23.

311A.1.1.1.1 - 311A.1.1.1.3 Means of egress for hospital buildings

Corrected code references to point to new building provisions in the California Building Code for bracing requirements of nonstructural components in the path of egress.

Chapter 4 – Repairs

Building Standards Commission

401.1 Scope

Removed reference to Chapter 12 of 2024 IEBC and referred to the California Historical Building Code (CHBC).

407.1 General

Adopted Section 407.1 and co-adopted existing HCD amendment that refers to California Mechanical Code (Part 4 of Title 24).

408.1 Materials

Adopted Section 408.1 and co-adopted existing HCD amendment that refers to California Plumbing Code (Part 5 of Title 24) and added reference to Division 5.3 of the California Green Building Standards Code (Part 11 of Title 24, known as CALGreen).

408.2 Water closet replacement

Adopted Section 408.2 and co-adopted existing HCD amendments which correct the maximum flow rate for water closets. Deleted the model code exception.

Chapter 4A – Repairs

Office of Statewide Hospital Planning and Development

401A.3, 405A.1, 405A.2.1, 405A.2.3, 405A.2.3.1, 405A.2.3.3, 405A.2.4, 405A.2.6

Repealed existing OSHPD amendments to several sections because these provisions are now included in the model code language.

405A.2.3.3 Extent of repair for noncompliant buildings

Lowered limit for seismic load to 75% of new building design earthquake forces for consistency with ASCE 41 requirements.

408A.2 Water closet replacement

Deleted the model code exception for blowout-design water closets.

Chapter 5 – Prescriptive Compliance Method

Building Standards Commission

502.1 General

Amended Exception #2 to maintain status quo requiring structural elements to comply with the requirements of Sections 317 through 322 for projects within BSC's authority and listed in Section 1.2 of the CEBC.

507 Historic buildings

Replaced model code provisions for historic buildings with reference to the California Historical Building Code.

Office of Statewide Hospital Planning and Development

502.1 General

Added amendment to remove limitation of structural requirements to Sections 502.2 through 502.3 for applicable OSHPD applications.

State Fire Marshal

502.5, 503.16 and 503.16.1

Replaced Group I-1 with R-2.1 since Group I-1 is not used in California.

Chapter 5A – Prescriptive Compliance Method

Office of Statewide Hospital Planning and Development

Several sections in Chapter 5A were renumbered to align with the new format of the 2024 IEBC.

502A.1 General

Deleted model code language to remove limitation of structural requirements to Sections 502.2 through 502.3 for applicable OSHPD applications.

502A.2, 502A.3, 503A.1, 503A.3, 506A.1, 506A.3

Repealed California amendments and adopted model code language.

503A.3.1 Design live load

Deleted because the language duplicated Section 304A.1.

503A.4 Existing structural elements carrying gravity load

Revised existing amendments to align with changes in 2024 IEBC. Clarified the amount of reduced seismic forces to be permitted.

503A.13 Voluntary seismic improvements

Replaced with IEBC Section 503.13 and carried forward some previous amendments.

506A.5 Structural
Replaced existing amendments with IEBC Section 506.5, except Section 506.5.3 Exceptions and Section 506.5.4.

507A Historic Buildings
Deleted IEBC section since there are no OSHPD 1 buildings classified as historic buildings.

Chapters 6 through 11

Building Standards Commission

708.1, 809.1 and 907.1 1104.1 Minimum requirements
Replaced model code energy conservation provisions with reference to the California Energy Code (Part 6 of Title 24).

State Fire Marshal

902.2 and 902.2.1, 1011.5.2, 1101.5
Replaced Group I-1 with R-2.1 since Group I-1 is not used in California.

904.1.8 Supervision and alarms
Deleted this new model code section to eliminate possible conflicts with existing California laws and regulations.

Department of Housing and Community Development

Chapters 6 through 11
HCD adopted Chapters 6-11 that address work area compliance method.

Chapter 16 – Referenced Standards

Building Standards Commission, Division of the State Architect, Department of Housing and Community Development, and Office of Statewide Hospital Planning and Development

ASCE 41 2023 Adopted the 2023 edition of ASCE 41.

Division of the State Architect and Office of Statewide Hospital Planning and Development

ASCE 7 2022 Updated supplements to match reference in the California Building Code (Part 2 of Title 24) and the 2022 edition of ASCE 7.

State Fire Marshal

NFPA 72 2025 Adopted the 2025 edition of NFPA 72.

CALIFORNIA GREEN BUILDING STANDARDS CODE – PART 11

Chapter 2 – Definitions

Department of Housing and Community Development (HCD)

Residential Long-Term Bicycle Parking
Added to describe secured bicycle parking for more than twelve hours.

Residential Short-Term Bicycle Parking
Added to describe secured bicycle parking for less than twelve hours in unsheltered, open area.

California Energy Commission (CEC)

Energy Design Rating (EDR) and Time Dependent Valuation (TDV) Energy
Deleted definitions.

Energy Budget
Revised to remove references to the previously used energy metric—Time Dependent Valuation (TDV)—for measuring energy consumption. New reference to the new energy metric—Long-term System Cost (LSC)—added as specified in Section 10-109 of the California Energy Code (Part 6 of Title 24) and the Alternative Calculation Method (ACM) Reference Manual.

Long-Term System Cost (LSC)
Added to describe California Energy Commission's projected present value of costs to California's energy systems over a period of 30 years.

Recovered Energy and Recovered Energy, On-Site
Added to describe the energy used in a building that is recovered from various building functions, equipment and processes; energy that would otherwise be wasted.

Solar Pool Heating System
Added to describe an assembly of components designed to heat water for swimming pools, spas, or swimming pool and spa combinations by solar thermal means, excluding pool recirculation components.

Chapter 4 – Residential Mandatory Measures

Department of Housing and Community Development

4.106.4.2.2 Multifamily dwellings
4.106.4.2.6 Hotels and motels
Removed requirements for hotels and motels from Section 4.106.4.2.2 and created new **Section 4.106.4.2.6 Hotels and motels** for electric vehicle (EV) charging requirements for those occupancies.

Revised subsections in these two sections to clarify and address the following compliance requirements:

- Appropriate numbers of Low Power Level 2 and Level 2 EV charging receptacles for dwelling units with assigned and unassigned parking.
- Parking facilities served by parking lifts.
- Charging receptacles at assigned parking spaces shall be provided with a dedicated branch circuit connected to the dwelling unit's electrical panel, when practical.
- Percentages of parking spaces not already provided with low-power Level 2 EV charging receptacles, and common use parking, shall be provided with Level 2 EV chargers at a rate of twenty-five (25) percent of those spaces (an increase from the current ten (10) percent).
- Allowance for the designation of specific EV charger connector types—J1772 or J3400—to provide flexibility to the designer or builder to serve most EV users.
- Added mandatory ALMS measures under new subsection number 4.106.4.2.2 (2)(c) as an option to reduce maximum required electrical capacity for the site.

4.106.4.3 Electric vehicle charging for additions and alterations of parking facilities serving existing multifamily buildings, hotels and motels.

Modified existing requirements for EV capable spaces to include a requirement for either a low-power Level 2 EV charging receptacle or a Level 2 EV charger. Removed the EV capable spaces percentage requirements, and added that each parking space being added or altered will be required to be equipped with a Low Power Level 2 EV charging receptacle or a Level 2 EV charger.

Added an exception for the installation of Level 1 EV charging receptacles during alterations and additions to existing parking facilities serving multifamily buildings, hotels, and motels.

Removed Notes 1 and 2 as they are no longer relevant to this section.

4.106.4.4 Bicycle parking

Made previously voluntary measures mandatory for newly constructed multifamily buildings, hotels, and motels. Amended to clarify the type of long-term bicycle parking enclosures and anchoring required for hotels and motels.

4.303.1.4.5 Pre-rinse spray valves

Replaced references to and reprints from California Code of Regulations, Title 20, Appliance Efficiency Regulations with reference to the California Plumbing Code (Part 5 of Title 24), Section 420.3. Coordinated with the Building Standards Commission (BSC), California Energy Commission (CEC), and the Division of the State Architect (DSA) with no intended change in regulatory effect.

Chapter 5 – Nonresidential Mandatory Measures

Building Standards Commission

Section 5.106.4.1.1 Short-term bicycle parking

Amended to provide a new compliance method based on the number of anticipated "peak daily visitors" instead of the number of vehicle parking spaces used by customers. Removed the exception for additions or alterations that add nine or fewer visitor vehicular parking spaces.

Section 5.106.4.1.2 Long-term bicycle parking (general)

Relocated bicycle parking requirements from Section 5.106.4.1.5 into main paragraph using existing code section.

Section 5.106.4.1.2.1 Long-term bicycle parking (for new buldings) and Section 5.106.4.1.2.2 Long-term bicycle parking (for additions or alterations) and Section 5.106.4.1.2.3 Long-term bicycle parking (for shell buildings)

Added and amended long-term bicycle parking requirements to provide a new compliance method based on the number of "tenant-occupants" instead of the number of vehicle parking spaces used by workers and increased percentage from five (5) percent to ten (10) percent.

5.106.5.3 Electric vehicle (EV) charging (exceptions)

Amended existing Exception #2 for parking spaces accessible only by automated mechanical car parking systems to align with HCD requirements for residential occupancies.

Table 5.106.5.3.1 Electric vehicle (EV) charging

Amended by adding a title and creating separate columns for "Other than Office and Retail" and "Office and Retail." Increased number of required Electric Vehicle Charging Stations. Amended table Footnote #2.

5.106.5.3.2.1 Receptacle configurations

Added to allow use of NEMA receptacle configuration types.

5.106.5.3.2.2 EV charger connectors

Added to specify that EV chargers shall be equipped with SAE J1772 with a maximum output 240 Volts AC or SAE J3400 connectors.

5.106.5.3.2.4.1 Raceway capacity requirements

Added to allow for future upgrades to the electrical conductors serving Low Power Level 2 charging receptacles 208/240-volt 20-ampere to a dedicated 208/240-volt 40-ampere branch circuit.

Table 5.106.5.3.6 EVCS–Power allocation method

Amended by adding a title and creating separate columns for “Other than Office and Retail” and “Office and Retail.”

Amended Footnote #3 to specify that the maximum allowed kVA to be utilized for EV capable spaces is 50 percent (reduced from 75 percent).

Added new Footnote #5 to set the maximum kVA power allowed in column 4 for EV capable spaces to 25 percent. This change leaves 75 percent of the available kVA required to be used for EVCS which may increase the number of EVCS.

5.106.5.6 Electric vehicle charging stations (EVCS)–Power allocation method

Added new subsections with similar amendments found in Section 5.106.5.3.2 Electric vehicle charging stations (EVCS):

Section 5.106.5.3.6.1 Receptacle Configurations
Section 5.106.5.3.6.2 EV Charger Connectors
Section 5.106.5.3.6.3 Raceway Capacity Requirements

5.106.5.4.2 Existing buildings or parking areas with previously installed EV capable infrastructure

Amended to promote more installed chargers by requiring that all existing EV capable spaces, panel capacity and conduit at a site must be built out before any new EV capable spaces are added.

Section 5.506.4 Carbon dioxide (CO_2) monitoring in classrooms

Added requirements for carbon dioxide (CO_2) monitoring in newly constructed projects and qualifying additions and alterations for University of California, California State University, and private school classrooms, lecture and post-secondary classrooms.

Building Standards Commission and Division of the State Architect – Structural Safety

Section 5.303.3.4.6 Pre-rinse spray valve

Replaced references to and reprints from California Code of Regulations, Title 20, Appliance Efficiency Regulations with reference to the California Plumbing Code (Part 5 of Title 24), Section 420.3. Added “Commercial Pre-Rinse Spray Valves” to clarify application.

Division of the State Architect – Structural Safety

5.506.3 Carbon dioxide (CO_2) monitoring in classrooms

Amended description of classrooms that shall be equipped with a carbon dioxide monitor or sensor to include “other similar rooms that are used for group instruction.”

Chapter A4 – Residential Voluntary Measures

Department of Housing and Community Development

A4.106.8.2.1 Multifamily dwellings, hotels and motels

- Increased numbers of Low Power Level 2 EV and Level 2 EV charging receptacles for dwelling units with assigned and unassigned parking relative to the mandatory requirements.
- Increased EV-ready parking spaces with Low Power Level 2 EV receptacles from fifty (50) percent to sixty (60) percent.
- Specified raceway capacity requirements for future upgrades to electrical conductors.
- Clarified exceptions regarding EV charging in parking facilities served by parking lifts.
- Increased compliance requirements and percentages for EV-ready parking spaces with EV chargers from fifteen (15) percent to forty (40) percent of the total number of parking spaces.
- Clarified that, when practical, EV charging receptacles at assigned parking spaces shall be provided with a dedicated branch circuit connected to the dwelling unit’s electrical panel.
- Amended requirements for multifamily parking facilities with unassigned or common use parking spaces shall be provided with Level 2 EV chargers at a rate of forty (40) percent, an increase from current fifteen (15) percent.
- Deleted Tier 2 options for EV Ready and EV charging receptacles in multifamily parking facilities.
- Deleted Tier 2 options for EV chargers for projects with 20 or more dwelling units, sleeping units or guest rooms.

A4.106.9 Bicycle parking

Deleted, relocated to Chapter 4, and amended.

California Energy Commission

Section A4.203 Performance approach for newly constructed buildings

Repealed various existing voluntary code sections and provisions to renumber, reformat, modify, and adopt new sections addressing newly defined terms regarding energy efficiency, climate zone compliance margins, as well as lighting efficiency consultation requirements for local electric service providers.

Section A4.204 Requirements for alterations to existing buildings
Added voluntary provisions regarding mechanical ventilation systems and solar heating systems for altered pool and spa heating in existing multifamily facilities.

Chapter A5 – Nonresidential Voluntary Measures

Building Standards Commission

Table A5.106.5.3.1 Tier 1 EV capable spaces and EVCS
Table A5.106.5.3.3 Tier 2 EV capable spaces and EVCS
Amended by adding a title and creating separate columns for “Other than Office and Retail” and “Office and Retail.”

Amended Footnote #2 to clarify that each EVCS shall reduce the number of required EV capable spaces by the same number.

Table A5.106.5.3.2 Tier 1 EVCS–Power allocation method
Table A5.106.5.3.4 Tier 2 EVCS–Power allocation method
Amended by adding a title and creating separate columns for “Other than Office and Retail” and “Office and Retail.” Amended Footnote # 3 and added Footnote #5.

California Energy Commission

Section A5.203 Performance approach
Repealed various existing voluntary code sections and provisions to renumber, reformat, modify, and adopt new sections addressing newly defined terms regarding energy efficiency, climate zone compliance margins, as well as lighting efficiency consultation requirements for local electric service providers.

Section A5.204 Requirements for alterations to existing buildings
Added to address provisions regarding mechanical ventilation systems, and solar heating systems for altered pool and spa heating in existing nonresidential facilities.

Section A5.211 Reserved
The requirements of A5.211 “Renewable Energy” no longer apply to voluntary measures addressing reliable reductions in wasteful, uneconomic, inefficient, or unnecessary consumption of energy as directed by California Public Resources Code Sections 25213 and 25402 due to issues with implementation and enforcement.

Section A5.213 Energy efficient framing
Changed the section title from “Energy Efficient Steel Framing” to “Energy Efficient Framing.”

Executive Summary

The California Energy Commission (CEC) is the state's primary energy policy and planning agency with a mission to lead the state to a 100 percent clean energy future. The CEC develops policy to increase the efficiency of energy use, reduce energy costs, align electricity demand with the availability of clean energy resources, limit environmental impacts from energy generation and use, and ensure safe, resilient, and reliable supplies of energy.

What Does the CEC Have to Do With the Building Code?

As California's energy policy agency, the CEC was mandated by the Warren-Alquist Act to periodically update and adopt building standards that increase the energy efficiency of buildings. To implement this mandate, the CEC updates the Building Energy Efficiency Standards (including requirements in Title 24, Part 6 and voluntary standards in Title 24, Part 11) for new construction and renovations to existing buildings. The CEC engages in a lengthy public process, including workshops, hearings and public comment to inform each triennial update, culminating in the adoption of the new standards.

After CEC adoption, the standards are submitted to the California Building Standards Commission for approval and inclusion with other changes to the building code. The Energy Code is designed to be cost-effective so that structures built to code are still affordable, while helping California manage energy demand and advance the state's climate and clean air goals by reducing greenhouse gas emissions.

The Energy Code has revolutionized building construction in California and influenced efficiency goals and practices across the country, and around the globe. In 2022, the code was honored by the Clean Energy States Alliance with a State Leadership in Clean Energy Award.

HOMES AND BUSINESSES USE NEARLY 70% OF CALIFORNIA'S ELECTRICITY

How Do Standards Affect Me?

The standards help everyone! Buildings that are designed and constructed for energy efficiency reduce utility bills and improve comfort inside buildings. Buildings will increasingly rely on heat pumps for space and water heating, simultaneously boosting efficiency and reducing emissions of harmful smog-forming pollutants and climate-changing gases. The standards increase the value of properties by making them more affordable to operate.

The standards also preserve California's water supply and save energy by reducing water use in homes and nonresidential buildings. One measure in the newly-adopted code reduces the size of plumbing pipes in homes to reflect the lower water use of modern plumbing fixtures; another uses water more efficiently for cooling in chillers and cooling towers.

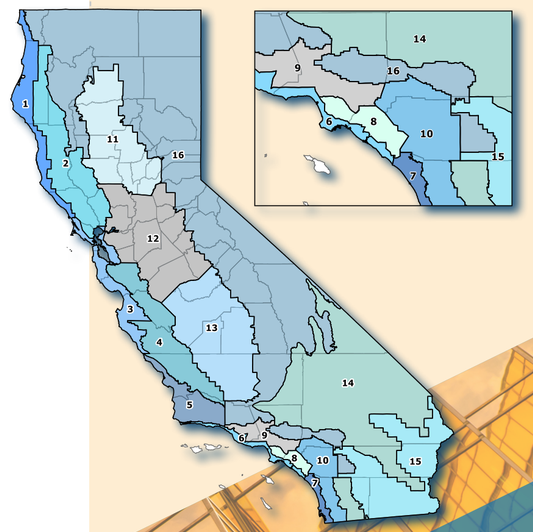
2025 Energy Code Benefits

New and more efficient technologies are constantly under development, often supported by funding from state programs. These are crucial steps in the state's progress toward 100 percent clean electricity and carbon neutrality. Some benefits of the 2025 Update include:

- Reducing GHG emissions by encouraging heat pumps for space and water heating in most new buildings and requiring more efficient systems, including heat pumps, in some alteration projects in existing nonresidential buildings.
- Increasing on-site renewable energy using solar panels and batteries, which provide backup power and let customers manage their energy use, while minimizing exports to the electrical grid.
- Encouraging automation of loads to be flexible. Such flexibility can enhance grid reliability, reduce emissions and save consumers money.
- Improving indoor air quality and public health through better ventilation.



The Energy Code in Action

Since 1978, the Building Energy Efficiency Standards have supported California's long-term strategy to meet rising energy demand, conserve resources, and act as an environmental steward. All standards under consideration must be cost-effective and technically feasible to be adopted. This ensures that new buildings perform well for the long-term by requiring, for example, a quality building envelope (walls, roof, windows), properly installed mechanical systems, and efficient lighting.

IN 2022, THE ENERGY CODE WAS HONORED BY THE CLEAN ENERGY STATES ALLIANCE WITH A STATE LEADERSHIP IN CLEAN ENERGY AWARD

Standards Adapted for Each Climate Zone

California is so vast and varied in landscape and weather that one building design can't be the most energy efficient everywhere. To accommodate differences, the state is divided into 16 climate zones. Each zone represents a geographic area based on such factors as temperature, weather, and typical energy use. Each building type in each zone has an assigned energy budget: the amount of energy that a building (or portion of a building) is designed to consume, based on a package of cost-effective efficiency measures.

The Energy-Efficient Revolution Continues

From their first iteration in the 1970s, the building standards have focused primarily on ensuring energy efficiency. Improvements in energy efficiency align well with California's more recent goals to reduce GHG emissions and improve grid resilience. On-site solar generation systems and battery energy storage strengthen the grid and help manage utility bills while reducing GHG emissions. Efficient appliances such as heat-pump-based heating, ventilation, and air conditioning (HVAC) systems and water heaters can follow signals from utilities and third-party service providers to further enhance the reliability of power supply and reduce consumers' energy bills. Such load flexibility -- shifting energy use to cleaner, less expensive generation hours – will help Californians decarbonize at least cost.

WHAT'S NEW FOR 2025?

With climate change impacts accelerating, there is an even greater need for comfortable, efficient, and resilient buildings. Each updated code guides the construction of buildings to keep energy use down, better withstand extreme weather, and reduce climate and air pollution.

How Does the 2025 Energy Code Affect Homes?

- Encourages inherently efficient heat pumps for space conditioning and water heating in newly constructed single-family and some multifamily homes.
- Establishes electric-ready requirements for some multifamily buildings, so owners can more easily switch to cleaner electric appliances, when ready.
- Updates HVAC efficiency and controls standards.
- Strengthens ventilation standards to improve indoor air quality in multifamily buildings.

How Does It Affect Businesses?

- Encourages expanded use of heat pumps for space conditioning in select newly constructed, nonresidential buildings.
- Replaces end-of-life rooftop HVAC units of a certain size with high efficiency systems including heat pumps for existing retail, schools, offices and libraries.
- Establishes electric-ready requirements for commercial kitchens, so owners can more easily switch to cleaner electric appliances, when ready.
- Adds solar photovoltaic and battery energy storage requirements for assembly buildings, including those for religious worship, sport and recreation to make clean energy available for onsite use while minimizing exports to the electrical grid.
- Updates photovoltaic and battery energy storage standards for multifamily and nonresidential buildings to be cost effective in the face of revised billing rules while minimizing exports to the electrical grid.
- Updates HVAC efficiency and control standards for nonresidential buildings.

THE PROPOSED STANDARDS FOR 2025 ARE COST-EFFECTIVE AND ARE ESTIMATED TO PROVIDE $4.8 BILLION IN STATEWIDE ENERGY COST SAVINGS

Cleaning up Existing Buildings

In addition to newly constructed buildings, the standards apply to substantial additions and alterations to existing homes and businesses.

At least 50 percent of single-family homes and nearly 60 percent of California's apartment complexes (about 14 million total residences) were built before the state's first energy standards.

Updating older buildings is critical to reduce their energy use and GHG emissions. Some of these older buildings are being updated at low or no cost through a variety of programs funded by the CEC and other state agencies.

CALGreen, Reach Codes, and Voluntary Standards

California is an international leader in energy efficiency and clean energy. Nonetheless, many of its cities and counties are interested in adopting standards that exceed state minimums. The California Green Building Standards (CALGreen or Part 11 of Title 24) include voluntary "reach codes" that offer model building code language for local governments wishing to go beyond the minimum requirements for their climate zone.

Historically, such local ordinances have served as a bellwether for statewide standards. They provide a place to test market readiness for new technologies and regulations, drive innovation of new technologies and efficiencies, and bring down the cost of efficient building technologies by creating consumer demand that encourages larger-scale manufacturing.

For 2025, CALGreen proposals include the following voluntary elements:

Performance compliance margins for new single-family homes.

- *Benefits: This measure enhances the energy efficiency of single-family homes through performance targets that focus on more efficient hot water and HVAC systems.*

Outdoor lighting requirements for new residential and nonresidential buildings.

- *Benefits: Increase efficiency of outdoor lighting through proper aiming and tilting.*

Installation of a heat pump when replacing an air conditioner in an existing single-family home.

- *Benefits: Increasing the energy efficiency of space conditioning in existing buildings. This measure also reduces GHG emissions.*

Installation of a solar thermal pool heater or heat pump pool heater when replacing pool or spa heaters in existing multifamily or nonresidential buildings.

- *Benefits: Improving the efficiency of pool and/or spa heaters and reducing GHG emissions. That encourages larger-scale manufacturing.*

County of Monterey

Board Report

Legistar File Number: ORD 25-016

Item No.43

Board of Supervisors
Chambers
168 W. Alisal St., 1st Floor
Salinas, CA 93901

November 18, 2025

Introduced: 10/30/2025

Current Status: General Government - Consent

Version: 1

Matter Type: Ordinance

Introduce, waive first reading, and set December 9, 2025 at 10:30 a.m. as the date and time to consider adoption of ordinance amending Chapter 14.12 of the Monterey County Code to update the definitions of "bicycle" and "electric bicycle", to add language permitting the use of electronic bicycles in the same manner and locations as traditional bicycles, and to add language concerning which type of trail users must yield to other trails users within County Parks.

RECOMMENDATION:
It is recommended that the Board of Supervisors introduce, waive first reading, and set December 9, 2025 at 10:30 a.m. as the date and time to consider adoption of ordinance amending Chapter 14.12 of the Monterey County Code to update the definitions of "bicycle" and "electric bicycle", to add language permitting the use of electronic bicycles in the same manner and locations as traditional bicycles, and to add language concerning which type of trail users must yield to other trails users within County Parks.

SUMMARY:
The ordinance to Chapter 14.12 of the Monterey County Code will update the definitions of "bicycle" and "electric bicycle", to add language permitting the use of electronic bicycles in the same manner and locations as traditional bicycles, and to add language concerning which type of trail users must yield to other trails users within County Parks. This is consistent with the California Vehicle Code.

DISCUSSION:
On December 2, 2021, the County of Monterey Parks Commission (Commission) received a comprehensive informational report regarding the use of electric bicycles within various jurisdictional boundaries including the County of Monterey.

On December 1, 2022, an Ad Hoc Committee (Committee) was formed to research e-bikes and meet with local community members regarding the use of e-bikes in County parks. The newly formed Committee consisted of Commissioners Getzelman, Sanchez and Stracke.

On July 2023, the Commission released a County-wide survey to gather information regarding a possible update to the ordinance for e-bike use within County parks which was posted on social media platforms, advertised in local media, and distributed to user groups previously involved with trail use at County parks. This survey was also distributed to specialty use groups such as the Monterey Offroad Cycling Association (MORCA), community members, park visitors, and County employees.

The survey results were presented between November 2023 through October 2024. The results showed the public was in favor of allowing e-bikes to be used in County parks. There were further discussions between the Commissioners and staff regarding speed limits, trail etiquette and whether other electric transportation modalities should be allowed.

On October 2, 2025, the Commission considered and voted to move forward with the recommendation that Chapter 14.12 of the Monterey County Code be amended.

Staff now returns with a draft ordinance for the Board's consideration (Attachment A). The ordinance amends Chapter 14.12 of the Monterey County Code definition of "bicycle" and "electric bicycle" and amends the language to permit the use of electronic bicycle in the same manner and locations as traditional bikes within the Monterey County Parks, and adds language which states that bicycle and electric bicycle users must yield to pedestrians and equestrians, and that pedestrians must yield to equestrians. The amended language is consistent with the California Vehicle Code.

OTHER AGENCY INVOLVEMENT:
The Department of Public Works, Facilities, and Parks - Parks Division conferred with the Bureau of Land Management, California State Parks, and the Monterey Peninsula Regional Park District regarding existing e-bike regulations. Comments were received from the Transportation Agency of Monterey County, Bicycle and Pedestrian Advisory Committee.

FINANCING:
There is no fiscal impact with this item.

BOARD OF SUPERVISORS STRATEGIC PLAN GOALS:
This action will help users combine the benefits of active transportation with inclusivity. The electric motor will help riders cover greater distances, making e-bikes more suitable for a wider range of cyclists, including those individuals with disabilities.

ORDINANCE NO. _____

AN ORDINANCE OF THE COUNTY OF MONTEREY, STATE OF CALIFORNIA, AMENDING CHAPTER 14.12 OF THE MONTEREY COUNTY CODE TO ADDRESS ELECTRIC BICYCLE USE IN COUNTY PARKS

County Counsel Summary

This ordinance amends Chapter 14.12 of the Monterey County Code to address electric bicycle use within County of Monterey Parks. The ordinance amends the definitions of "bicycle" and "electric bicycle" to be consistent with the California Vehicle Code. The ordinance also adds language to permit use of electronic bicycles in the same manner and locations as traditional bicycles within all County Parks. Finally, the ordinance adds language concerning which type of trail users must yield to other trail users within County Parks. Specifically, bicycle and electric bicycle users must yield to pedestrians and equestrians, and pedestrians must yield to equestrians.

The Board of Supervisors of the County of Monterey ordains as follows:

SECTION 1. Findings.

A. Pursuant to Article XI, section 7 of the California Constitution, the County of Monterey may adopt and enforce ordinances and regulations not in conflict with general laws to protect and promote the public health, safety, and welfare of its citizens.

B. Electrical bicycles have grown in popularity in Monterey County and park users would like to use these bicycles in County parks to the same extent traditional bicycle use is currently allowed.

C. The California Legislature has enacted California Vehicle Code section 312.5 and 24016, which defines electric bicycles for purpose of the Vehicle Code based upon certain manufacturing and performance criteria. Electric bicycles which meet these definitions are treated as bicycles rather than motor vehicles for purposes of the California Vehicle Code.

D. The Board of Supervisors now desires to amend the Monterey County Code so as to permit the use of electric bicycles in County parks to the same extent traditional bicycles are used and subject to the same rules and regulations.

SECTION 2. Subsection (C) of Section 14.12.010 is hereby amended to read as follows:

C. "Bicycle" means any device with one or more wheels that is exclusively human powered, including but not limited to mountain bikes, cruisers, and street bicycles, and as further defined in California Vehicle Code section 231, as it may be amended from time to time.

SECTION 3. Subsection (K) of Section 14.12.010 is hereby amended to read as follows:

K. "Electric bicycle" means a bicycle equipped with fully operable pedals and an electric motor as further defined in California Vehicle Code section 312.5, as it may be amended from time to time, and that has not been tampered with or modified in violation of California Vehicle Code section 24016, as it may be amended from time to time.

SECTION 4. Subsection (B) of Section 14.12.060 is hereby amended to read as follows:

B. No person shall drive any Vehicle or ride a bicycle or electric bicycle within a County park in willful or wanton disregard for the safety of person or property.

SECTION 5. Subsection (H) of Section 14.12.060 is hereby amended to read as follows:

H. No person within a County park shall ride a bicycle or electric bicycle on any trail not authorized for such use.

SECTION 6. Subsection (I) of Section 14.12.060 is hereby amended to read as follows:

I. Any person using a County park trail must yield to other users of the trail in the following manner: (1) bicycle and electric bicycle users must yield to pedestrians and equestrians; and (2) pedestrians must yield to equestrians. Trail users may not pass another user at a speed greater than 5 miles per hour.

SECTION 7. Subsection (J) of Section 14.12.060 is hereby amended to read as follows:

J. No person within a County park shall ride a bicycle or electric bicycle on a dirt trail without wearing a protective helmet that is certified by American National Standards Institute (ANSI), Snell Memorial Foundation (SNELL), or both.

SECTION 8. SEVERABILITY. If any subsection, sentence, clause or phrase of this Ordinance is for any reason held to be invalid or unconstitutional by a court of competent jurisdiction, such decision shall not affect the validity of the remaining portions of this Ordinance, which shall remain in full force and effect. The Board of Supervisors hereby declares that it would have adopted this Ordinance, and each subsection, sentence, clause and phrase thereof not declared invalid or unconstitutional, without regard to whether any portion of the article would be subsequently declared invalid or unconstitutional. The courts are hereby authorized to reform the provisions of this Section to preserve the maximum permissible effect of each subsection herein.

SECTION 9. EFFECTIVE DATE. This ordinance shall take effect on the thirtieth day following its adoption.

Acting on behalf of County Service Area No. 53-Arroyo Seco (hereinafter "CSA No. 53"): Authorize and direct the Auditor-Controller to amend Fiscal Year (FY) 2025-26 Adopted Budget for CSA No. 53, Fund 080, Appropriation Unit PFP034, increasing appropriations by $30,956 funded by unassigned fund balance (080-3101) for storm drainage repairs (4/5th vote required).

RECOMMENDATION:
It is recommended that the Board of Supervisors, acting on behalf of County Service Area No. 53-Arroyo Seco (hereinafter "CSA No. 53), authorize and direct the Auditor-Controller to amend Fiscal Year (FY) 2025-26 Adopted Budget for CSA No. 53, Fund 080, Appropriation Unit PFP034, increasing appropriations by $30,956 funded by unassigned fund balance (080-3101) for storm drainage repairs (4/5th vote required)

SUMMARY:
CSA No. 53 was formed in 1968 by Resolution No. 68-447 to provide surface drainage maintenance for the area. A recent inspection of the storm drainage infrastructure within the CSA indicated the need for sediment removal from the stormwater detention pond.

DISCUSSION:
The removal of this sediment will help to increase stormwater storage capacity of the stormwater detention pond. Without such maintenance, heavy runoff from rain may exceed the capacity of the pond, which may cause flooding.

FINANCING:
If approved, the recommended action will increase appropriations for the Fiscal Year 2025-26 Adopted Budget for CSA 53, Fund 080, Appropriation Unit PFP034, from $8,651 to $39,607, an increase of $30,956. The increase will be funded by the CSA's unassigned fund balance (080-3101). The beginning FY 2025-26 Fund Balance of $31,795 is estimated to be reduced to $5,548 by the end of the fiscal year.

a. Approve Amendment No. 7 to Standard Agreement No. A-15607, Multi-Year Agreement #3200*5541, with Granite Construction Company to continue to provide fully operated, fueled and maintained construction equipment to work sites on an on-call basis, to extend the term for one additional year through December 31, 2026, for a revised term from January 1, 2021 to December 31, 2026, and increase not to exceed maximum by $1,000,000 to a total of $4,100,000; and
b. Authorize the Chief Contracts and Procurement Officer or their designee to execute Amendment No. 7 to Standard Agreement No. A-15607 and future amendments to the Agreement where the amendments do not significantly alter the scope of work or increase the approved Agreement amount.

RECOMMENDATION:
It is recommended that the Board of Supervisors:
a. Approve Amendment No. 7 to Standard Agreement No. A-15607, Multi-Year Agreement #3200*5541, with Granite Construction Company to continue to provide fully operated, fueled and maintained construction equipment to work sites on an on-call basis to extend the term for one additional year through December 31, 2026, for a revised term from January 1, 2021 to December 31, 2026, and increase not to exceed maximum by $1,000,000 to a total of $4,100,000; and
b. Authorize the Chief Contracts and Procurement Officer or their designee to execute Amendment No. 7 to Standard Agreement No. A-15607 and future amendments to the Agreement where the amendments do not significantly alter the scope of work or increase the approved Agreement amount.

SUMMARY:
The County of Monterey (County), Department of Public Works, Facilities and Parks (PWFP) has a continued need for fully operated, fueled and maintained construction equipment services on an on-call basis to supplement its workforce and respond to emergent needs. The recommended actions would allow for the approval of the proposed Amendment No. 7 to Standard Agreement (SA) No. A-15607 with Granite Construction Company (Attachment A) to update various provisions, update rates effective January 1, 2026, extend the term, and increase the not to exceed maximum amount to allow for continued services.

DISCUSSION:
A significant portion of County owned Road and Bridge Maintenance equipment is obsolete relative to mandated regulations (e.g., air emissions), aging and unreliable. Equipment is being replaced through a fleet asset management plan, which will span the course of years. Moreover, there is specialized equipment that must be deployed, dependent on the nature of the assignment.

To provide responsive, efficient, and high-quality public service, PWFP needs to supplement its workforce and equipment with local contractors on an "as-needed basis". The proposed Amendment No. 7 to the SA will supplement staff positions and will not impact or eliminate existing staff positions or duties.

These services also include on-call emergency response to clear roads during events such as the 2023 successive storms, when severe weather caused erosion, slip-outs, roadway obstructions from stormwater and debris flows, and culvert failures. In immediate response to storm related emergencies, PWFP relies on these services to address emergent needs, remove debris, and monitor and mitigate flooding to enhance public safety and protect life and property from these unforeseen, weather driven events.

PWFP staff recommends that the Board of Supervisors approve the proposed Amendment No. 7 to the SA. Amendment No. 7 to the SA will update various provisions, update the labor and equipment rental rates, effective January 1, 2026, extend the term for one additional year from December 31, 2025 through December 31, 2026, for a revised term from January 1, 2021 to December 31, 2026, and increase not to exceed maximum of $3,100,000 by $1,000,000 to a total of $4,100,000.

Attachments B through H, provided for reference, include SA No. A-15607 and Amendments No. 1 through 6. Attachment I provides a summary of the SA and Attachment J provides a summary of the annual expenditures and balance of the SA to date.

OTHER AGENCY INVOLVEMENT/COMMITTEE ACTIONS:
The Office of the County Counsel and the Auditor-Controller's Office have reviewed and approved Amendment No. 7 as to form, and fiscal provisions, respectively.

FINANCING:
Sufficient appropriations are available in the Fiscal Year (FY) 2025-26 Adopted Budget for Road and Bridge Maintenance, Road Fund 002, Appropriation Unit PFP004 to fund costs related to Amendment No. 7.

BOARD OF SUPERVISORS STRATEGIC PLAN GOALS:

These services will allow PWFP to provide efficient and responsive service to County roadways and residents, to enhance public safety and improve County infrastructure, which is consistent with the following Strategic Plan Goals:

____ Well-Being and Quality of Life
_X_ Sustainable Infrastructure for the Present and Future
_X_ Safe and Resilient Communities

TO STANDARD AGREEMENT
BETWEEN COUNTY OF MONTEREY AND
GRANITE CONSTRUCTION COMPANY

THIS AMENDMENT NO. 7 to Standard Agreement No. A-15607 between the County of Monterey, a political subdivision of the State of California (hereinafter, "County") and Granite Construction Company (hereinafter, "CONTRACTOR") is hereby entered into between the County and the CONTRACTOR (collectively, the "Parties") and effective as of the last date opposite the respective signatures below.

WHEREAS, CONTRACTOR entered into Standard Agreement No. A-15607 with County on February 5, 2021 (hereinafter, "Agreement") to provide fully operated, fueled, and maintained construction equipment to work sites on an on-call basis (hereinafter, "services") through December 31, 2021 for an amount not to exceed $100,000; and

WHEREAS, the Agreement was amended by the Parties on November 23, 2021 (hereinafter, "Amendment No. 1", including Exhibit A-1 – Revised Labor and Equipment Rental Rates) to update the Labor and Equipment Rental Rates, effective January 1, 2022, extend the term for one (1) additional year through December 31, 2022, and to increase the amount by $200,000 which resulted in a total not to exceed amount of $300,000; and

WHEREAS, the Agreement was amended by the Parties on September 22, 2022 (hereinafter, "Amendment No. 2", including Exhibit A-2 – Revised Labor and Equipment Rental Rates) to update the Labor and Equipment Rental Rates, effective January 1, 2023, and extend the term for one (1) additional year through December 31, 2023 with no increase in the not to exceed amount; and

WHEREAS, the Agreement was amended by the Parties on February 6, 2023 (hereinafter, "Amendment No. 3") to increase the amount by $300,000 which resulted in a total not to exceed amount of $600,000 with no term extension; and

WHEREAS, the Agreement was amended by the Parties on April 21, 2023 (hereinafter, "Amendment No. 4", including Exhibit B - Federal Emergency Management Agency (FEMA) Provisions) to increase the amount by $2,500,000 which resulted in a total not to exceed amount of $3,100,000 with no term extension; and

WHEREAS, the Agreement was amended by the Parties on October 16, 2023 (hereinafter, "Amendment No. 5", including Exhibit A-3 – Revised Labor and Equipment Rental Rates) to update the Labor and Equipment Rental Rates, effective January 1, 2024, and extend the term for one (1) additional year through December 31, 2024 with no increase in the not to exceed amount; and

WHEREAS, the Agreement was amended by the Parties on November 27, 2024 (hereinafter, "Amendment No. 6", including Exhibit A-4 – Revised Labor and Equipment Rental Rates) to update the Labor and Equipment Rental Rates, effective January 1, 2025, and extend the term for one (1) additional year through December 31, 2025 with no increase in the not to exceed amount; and

Docusign Envelope ID: E520ACDC-F82A-434F-9777-D6A8FD40B3A4

WHEREAS, various provisions of the Agreement require an update; and

WHEREAS, the County has a continued need for services; and

WHEREAS, the CONTRACTOR's Revised Labor and Equipment Rental Rates in Exhibit A-4 of the Agreement require an update effective January 1, 2026 in accordance with Exhibit A-5 - Revised Labor and Equipment Rental Rates, which is attached and incorporated by this reference; and

WHEREAS, additional time and funding are necessary to allow CONTRACTOR to continue to provide the services required by the County; and

WHEREAS, the Parties wish to further amend the Agreement to update various provisions, to update the Revised Labor and Equipment Rental Rates, effective January 1, 2026, to extend the term for one (1) additional year to December 31, 2026, and to increase the amount by $1,000,000 for a total amount not to exceed $4,100,000 to allow CONTRACTOR to continue to provide services identified in the Agreement and as amended by this Amendment No. 7.

NOW, THEREFORE, the Parties agree to amend the Agreement as follows:

1. Amend Paragraph 2.0, "Payment Provisions", to read as follows:

   County shall pay the CONTRACTOR in accordance with the payment provisions set forth in Exhibits A, A-1, A-2, A-3, A-4 and A-5, subject to the limitations set forth in this Agreement. The total amount payable by County to CONTRACTOR under this Agreement shall not exceed the sum of $4,100,000.

2. Amend the first sentence of Section 3.01 of Paragraph 3.0, "Term of Agreement", to read as follows:

   The term of this Agreement is from January 1, 2021 to December 31, 2026, unless sooner terminated pursuant to the terms of this Agreement.

3. Amend Paragraph 4.0, "Scope of Services and Additional Provisions", to add "Exhibit A-5 - Revised Labor and Equipment Rental Rates", attached and incorporated by this reference, and effective January 1, 2026.

4. Amend Paragraph 6.0, "Payment Conditions", to read as follows:

   6.01 Prices shall remain firm for the initial term of the Agreement and, thereafter may be adjusted annually as provided in this paragraph. The County does not guarantee any minimum or maximum amount of dollars to be spent under this Agreement.

   6.02 Negotiations for rate changes shall be commenced, by CONTRACTOR, a minimum of ninety (90) days prior to the expiration of the Agreement. Rate changes are not binding unless mutually agreed upon in writing by the County and the CONTRACTOR.

Docusign Envelope ID: E520ACDC-F82A-434F-9777-D6A8FD40B3A4

6.03 Invoice amounts shall be billed directly to the ordering department.

6.04 CONTRACTOR shall submit such invoice periodically or at the completion of services, but in any event, not later than thirty (30) days after completion of services. The invoice shall set forth the amounts claimed by CONTRACTOR for the previous period, together with an itemized basis for the amounts claimed, and such other information pertinent to the invoice. The County shall certify the invoice, either in the requested amount or in such other amount as the County approves in conformity with this Agreement and shall promptly submit such invoice to the County Auditor-Controller for payment. The County Auditor-Controller shall pay the amount certified within thirty (30) days of receiving the certified invoice.

6.05 CONTRACTOR shall not receive reimbursement for mileage or travel expenses unless set forth in this Agreement.

5. Amend Section 9.04, "Other Requirements", of Paragraph 9.0, "Insurance Requirements", to read as follows:

All insurance required by this Agreement shall be with a company acceptable to the County and issued and executed by an admitted insurer authorized to transact Insurance business in the State of California. Unless otherwise specified by this Agreement, all such insurance shall be written on an occurrence basis, or, if the policy is not written on an occurrence basis, such policy with the coverage required herein shall continue in effect for a period of three years following the date CONTRACTOR completes its performance of services under this Agreement.

Each liability policy shall provide that the County shall be given notice in writing at least thirty days in advance of any endorsed reduction in coverage or limit, cancellation, or intended non-renewal thereof. Each policy shall provide coverage for CONTRACTOR and additional insureds with respect to claims arising from each subcontractor, if any, performing work under this Agreement, or be accompanied by a certificate of insurance from each subcontractor showing each subcontractor has identical insurance coverage to the above requirements.

Additional Insured Status:
The County of Monterey, its officers, officials, employees, agents, and volunteers are to be covered as additional insureds on the auto liability policy for liability arising out of automobiles owned, leased, hired or borrowed by or on behalf of the CONTRACTOR. Auto liability coverage shall be provided in the form of an endorsement to the CONTRACTOR's insurance.

The County of Monterey, its officers, officials, employees, agents, and volunteers are to be covered as additional insureds on the commercial general liability policy with respect to liability arising out of work or operations performed by or on behalf of the CONTRACTOR including materials, parts, or equipment furnished in connection with such work or operations. General liability coverage shall be provided in the form of an endorsement to the CONTRACTOR's insurance (at least as broad as ISO Form CG 20 10 11 85 or if not available, through the addition of both CG 20 10, CG 20 26, CG 20 33, or CG 20 38; and CG 20 37 if a later edition is used).

Docusign Envelope ID: E520ACDC-F82A-434F-9777-D6A8FD40B3A4

Primary Coverage:
For any claims related to this Agreement, the CONTRACTOR's insurance coverage shall be primary and non-contributory and at least as broad as ISO CG 20 01 04 13 as respects to the County, its officers, officials, employees, agents, and volunteers. Any insurance or self-insurance maintained by the County, its officers, officials, employees, agents, or volunteers shall be excess of the CONTRACTOR's insurance and shall not contribute with it. This requirement shall also apply to any Excess or Umbrella liability policies.

Workers' Compensation Waiver of Subrogation:
The workers' compensation policy required hereunder shall be endorsed to state that the workers' compensation carrier waives its right of subrogation against County, its officers, officials, employees, agents, or volunteers, which might arise by reason of payment under such policy in connection with performance under this Agreement by CONTRACTOR. Should CONTRACTOR be self-insured for workers' compensation, CONTRACTOR hereby agrees to waive its right of subrogation against County, its officers, officials, employees, agents, or volunteers.

Prior to the execution of this Agreement by the County, CONTRACTOR shall file certificates of insurance and endorsements with the County's Contract Administrator and County's Contracts/Purchasing Division, showing that the CONTRACTOR has in effect the insurance required by this Agreement. The CONTRACTOR shall file a new or amended certificate of insurance within five calendar days after any change is made in any insurance policy, which would alter the information on the certificate then on file. Acceptance or approval of insurance shall in no way modify or change the indemnification clause in this Agreement, which shall continue in full force and effect. CONTRACTOR shall always during the term of this Agreement maintain in force the insurance coverage required under this Agreement and shall send, without demand by County, annual certificates to County's Contract Administrator and County's Contracts/Purchasing Division. If the certificate is not received by the expiration date, County shall notify CONTRACTOR and CONTRACTOR shall have five calendar days to send in the certificate, evidencing no lapse in coverage during the interim. Failure by CONTRACTOR to maintain such insurance is a default of this Agreement, which entitles County, at its sole discretion, to terminate this Agreement immediately.

6. Amend Paragraph 10.0, "Records and Confidentiality", to add Section 10.06, "Format of Deliverables", as follows:

For this section, "Deliverables" shall mean all electronic documents CONTRACTOR provides to the County under this Agreement. CONTRACTOR shall ensure all Deliverables comply with the requirements of the Web Content Accessibility Guidelines ("WCAG") 2.1, pursuant to the Americans with Disabilities Act ("ADA"). CONTRACTOR bears the burden to deliver Deliverables, such as Adobe Acrobat Portable Document Format ("PDF") and Microsoft Office files, complying with WCAG 2.1. CONTRACTOR shall defend and indemnify the County against any breach of this Section. This Section shall survive the termination of this Agreement. Find more on Accessibility at this State website: https://webstandards.ca.gov/accessibility/.

7. In all places within the Agreement, any reference to "Exhibit A-4 – Revised Labor and Equipment Rental Rates", effective January 1, 2025 is hereby replaced with "Exhibit A-5 – Revised Labor and Equipment Rental Rates", effective January 1, 2026.

8. All other terms and conditions of the Agreement, including all Exhibits thereto, remain unchanged and in full force.

9. This Amendment No. 7 and all previous Amendments shall be attached to the Agreement and incorporated therein as if fully set forth in the Agreement.

10. The recitals to this Amendment No. 7 are incorporated into the Agreement and this Amendment No. 7.

Docusign Envelope ID: E520ACDC-F82A-434F-9777-D6A8FD40B3A4

IN WITNESS WHEREOF, the Parties hereto have executed this Amendment No. 7 to the Agreement which shall be effective as of the last date opposite the respective signatures below.

AMENDMENT NO. 6
TO STANDARD AGREEMENT
BETWEEN COUNTY OF MONTEREY AND
GRANITE CONSTRUCTION COMPANY

THIS AMENDMENT NO. 6 to Standard Agreement No. A-15607 between the County of Monterey, a political subdivision of the State of California (hereinafter, "County") and Granite Construction Company (hereinafter, "CONTRACTOR") is hereby entered into between the County and the CONTRACTOR (collectively, the "Parties") and effective as of the last date opposite the respective signatures below.

WHEREAS, CONTRACTOR entered into Standard Agreement No. A-15607 with County on February 5, 2021 (hereinafter, "Agreement") to provide fully operated, fueled, and maintained construction equipment to work sites on an on-call basis (hereinafter, "services") through December 31, 2021 for an amount not to exceed $100,000; and

WHEREAS, the Agreement was amended by the Parties on November 23, 2021 (hereinafter, "Amendment No. 1", including Exhibit A-1 – Revised Labor and Equipment Rental Rates) to update the Labor and Equipment Rental Rates, effective January 1, 2022, extend the term for one (1) additional year through December 31, 2022, and to increase the amount by $200,000 which resulted in a total not to exceed amount of $300,000; and

WHEREAS, the Agreement was amended by the Parties on September 22, 2022 (hereinafter, "Amendment No. 2", including Exhibit A-2 – Revised Labor and Equipment Rental Rates) to update the Labor and Equipment Rental Rates, effective January 1, 2023, and extend the term for one (1) additional year through December 31, 2023 with no increase in the amount; and

WHEREAS, the Agreement was amended by the Parties on February 6, 2023 (hereinafter, "Amendment No. 3") to increase the amount by $300,000 which resulted in a total not to exceed amount of $600,000 with no term extension; and

WHEREAS, the Agreement was amended by the Parties on April 21, 2023 (hereinafter, "Amendment No. 4", including Exhibit B - Federal Emergency Management Agency (FEMA) Provisions) to increase the amount by $2,500,000 which resulted in a total not to exceed amount of $3,100,000 with no term extension; and

WHEREAS, the Agreement was amended by the Parties on October 16, 2023 (hereinafter, "Amendment No. 5", including Exhibit A-3 – Revised Labor and Equipment Rental Rates) to update the Labor and Equipment Rental Rates effective January 1, 2024 and extend the term for one (1) additional year through December 31, 2024 with no increase in the not to exceed amount; and

WHEREAS, various provisions of the Agreement require an update; and

WHEREAS, the County has a continued need for services; and

Docusign Envelope ID: 2436C401-C07B-4D86-9861-873076E030AF

WHEREAS, the CONTRACTOR's Revised Labor and Equipment Rental Rates in Exhibit A-3 of the Agreement require an update effective January 1, 2025 in accordance with Exhibit A-4 Revised Labor and Equipment Rental Rates, which is attached and incorporated by this reference; and

WHEREAS, additional time is necessary to allow CONTRACTOR to continue to provide the services required by the County; and

WHEREAS, the Parties wish to further amend the Agreement to update various provisions, to update the Revised Labor and Equipment Rental Rates effective January 1, 2025, and to extend the term for one (1) additional year to December 31, 2025 with no associated dollar amount increase to allow CONTRACTOR to continue to provide services identified in the Agreement and as amended by this Amendment No. 6.

NOW, THEREFORE, the Parties agree to amend the Agreement as follows:

1. Amend the first sentence of Paragraph 2.0, "Payment Provisions", to read as follows:

   County shall pay the CONTRACTOR in accordance with the payment provisions set forth in Exhibits A, A-1, A-2, A-3 and A-4, subject to the limitations set forth in this Agreement.

2. Amend the first sentence of Section 3.01 of Paragraph 3.0, "Term of Agreement", to read as follows:

   The term of this Agreement is from January 1, 2021 to December 31, 2025, unless sooner terminated pursuant to the terms of this Agreement.

3. Amend Paragraph 4.0, "Scope of Services and Additional Provisions", to add "Exhibit A-4 - Revised Labor and Equipment Rental Rates", effective January 1, 2025.

4. Amend Paragraph 6.0, "Payment Conditions", to read as follows:

   6.01 Prices/rate changes shall remain firm for the initial term of the Agreement and, thereafter, may be adjusted annually as provided in this paragraph. The County does not guarantee any minimum or maximum amount of dollars to be spent under this Agreement.

   6.02 Negotiations for price/rate changes shall be commenced, by CONTRACTOR, a minimum of ninety days (90) prior to the expiration of the Agreement. Rate changes are not binding unless mutually agreed upon in writing by the County and the CONTRACTOR.

   6.03 Invoice amounts shall be billed directly to the ordering department.

   6.04 CONTRACTOR shall submit to the Contract Administrator an invoice on a form acceptable to County. If not otherwise specified, the CONTRACTOR may submit such invoice periodically or at the completion of services, but in any event, not later than 30

Docusign Envelope ID: 2436C401-C07B-4D86-9861-873076E030AF

days after completion of services. The invoice shall set forth the amounts claimed by CONTRACTOR for the previous period, together with an itemized basis for the amounts claimed, and such other information pertinent to the invoice as the County may require. The Contract Administrator or his or her designee shall certify the invoice; either in the requested amount or in such other amount as the County approves in conformity with this Agreement, and shall promptly submit such invoice to the County Auditor Controller for payment. The County Auditor-Controller shall pay the amount certified within 30 days of receiving the certified invoice.

6.05 If reimbursement for **mileage expenses** is set forth in this Agreement in Exhibit A – Scope of Services/Payment Provisions, then the Parties agree that CONTRACTOR and its subcontractors shall be reimbursed for **mileage** based upon the Internal Revenue Service (IRS) standard business mileage rate at the time of travel.

5. Amend Section 9.03, "Insurance Coverage Requirements", of Paragraph 9.0, "Insurance Requirements", to read as follows:

Insurance Coverage Requirements: Without limiting CONTRACTOR's duty to indemnify, CONTRACTOR shall maintain in effect throughout the term of this Agreement a policy or policies of insurance with the following minimum limits of liability:

Commercial General Liability Insurance: including but not limited to premises and operations, including coverage for Bodily Injury and Property Damage, Personal Injury, Contractual Liability, Broad form Property Damage, Independent Contractors, Products and Completed Operations, with a combined single limit for Bodily Injury and Property Damage of not less than $1,000,000 per occurrence, and $2,000,000 in the aggregate.

(Note: any proposed modifications to these general liability insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in blue ink. All proposed modifications are subject to County approval.)

Auto Liability Coverage: must include motor vehicles, including scheduled, non-owned, and hired vehicles, used in providing services under this Agreement, with a combined single limit or Bodily Injury and Property Damage of not less than $1,000,000 per occurrence.

(Note: any proposed modifications to these auto insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in blue ink. All proposed modifications are subject to County approval.)

Workers' Compensation Insurance: if CONTRACTOR employs others in the performance of this Agreement, in accordance with California Labor Code section 3700 and with Employer's Liability limits not less than $1,000,000 each person, $1,000,000 each accident and $1,000,000 each disease.

Docusign Envelope ID: 2436C401-C07B-4D86-9861-873076E030AF

(Note: any proposed modifications to these workers' compensation insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in blue ink. All proposed modifications are subject to County approval.)

Professional Liability Insurance: if required for the professional services being provided, (e.g., those persons authorized by a license to engage in a business or profession regulated by the California Business and Professions Code), in the amount of not less than $1,000,000 per claim and $2,000,000 in the aggregate, to cover liability for malpractice or errors or omissions made in the course of rendering professional services. If professional liability insurance is written on a "claims-made" basis rather than an occurrence basis, the CONTRACTOR shall, upon the expiration or earlier termination of this Agreement, obtain extended reporting coverage ("tail coverage") with the same liability limits. Any such tail coverage shall continue for at least three years following the expiration or earlier termination of this Agreement.

(Note: Professional liability insurance coverage is required if the CONTRACTOR is providing a professional service regulated by the state. Examples of service providers regulated by the state are insurance agents, professional architects and engineers, doctors, certified public accountants, lawyers, etc. However, other professional contractors, such as computer or software designers, technology services, and services providers such as claims administrators, should also have professional liability. If in doubt, consult with your risk or contract manager.)

If the CONTRACTOR maintains broader coverage and/or higher limits than the minimums shown above, the County requires and shall be entitled to the broader coverage and/or higher limits maintained by the CONTRACTOR.

6. Amend Section 9.04, "Other Requirements", of Paragraph 9.0, "Insurance Requirements", to read as follows:

All insurance required by this Agreement shall be with a company acceptable to the County and issued and executed by an admitted insurer authorized to transact Insurance business in the State of California. Unless otherwise specified by this Agreement, all such insurance shall be written on an occurrence basis, or, if the policy is not written on an occurrence basis, such policy with the coverage required herein shall continue in effect for a period of three years following the date CONTRACTOR completes its performance of services under this Agreement.

Each liability policy shall provide that the County shall be given notice in writing at least thirty days in advance of any endorsed reduction in coverage or limit, cancellation, or intended non-renewal thereof. Each policy shall provide coverage for CONTRACTOR and additional insureds with respect to claims arising from each subcontractor, if any, performing work under this Agreement, or be accompanied by a certificate of insurance from each subcontractor showing each subcontractor has identical insurance coverage to the above requirements.

Additional Insured Status:
The County of Monterey, its officers, officials, employees, and volunteers are to be covered as additional insureds on the commercial general liability policy with respect to liability arising out of work or operations performed by or on behalf of the CONTRACTOR including materials,

Docusign Envelope ID: 2436C401-C07B-4D86-9861-873076E030AF

parts, or equipment furnished in connection with such work or operations. General liability coverage shall be provided in the form of an endorsement to the CONTRACTOR's insurance (at least as broad as ISO Form CG 20 10 11 85 or if not available, through the addition of both CG 20 10, CG 20 26, CG 20 33, or CG 20 38; and CG 20 37 if a later edition is used).

Primary Coverage:
For any claims related to this Agreement, the CONTRACTOR's insurance coverage shall be primary and non-contributory and at least as broad as ISO CG 20 01 04 13 as respects to the County, its officers, officials, employees, and volunteers. Any insurance or self-insurance maintained by the County, its officers, officials, employees, or volunteers shall be excess of the CONTRACTOR's insurance and shall not contribute with it. This requirement shall also apply to any Excess or Umbrella liability policies.

Waiver of Subrogation:
CONTRACTOR hereby grants to County a waiver of any right to subrogation which any insurer of said CONTRACTOR may acquire against the County by virtue of the payment of any loss under such insurance. CONTRACTOR agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not the County has received a waiver of subrogation endorsement from the insurer.

Prior to the execution of this Agreement by the County, CONTRACTOR shall file certificates of insurance with the County's Contract Administrator and County's Contracts/Purchasing Division, showing that the CONTRACTOR has in effect the insurance required by this Agreement. The CONTRACTOR shall file a new or amended certificate of insurance within five calendar days after any change is made in any insurance policy, which would alter the information on the certificate then on file. Acceptance or approval of insurance shall in no way modify or change the indemnification clause in this Agreement, which shall continue in full force and effect. CONTRACTOR shall always during the term of this Agreement maintain in force the insurance coverage required under this Agreement and shall send, without demand by County, annual certificates to County's Contract Administrator and County's Contracts/Purchasing Division. If the certificate is not received by the expiration date, County shall notify CONTRACTOR and CONTRACTOR shall have five calendar days to send in the certificate, evidencing no lapse in coverage during the interim. Failure by CONTRACTOR to maintain such insurance is a default of this Agreement, which entitles County, at its sole discretion, to terminate this Agreement immediately.

7. In all places within the Agreement, any reference to Department of Public Works, Facilities, & Parks is hereby replaced with Department of Public Works, Facilities and Parks (PWFP).

8. In all places within the Agreement, any reference to County's email address of PWFP-Finance-AP@co.monterey.ca.us for invoicing, is hereby replaced with PWFP-Finance-AP@countyofmonterey.gov.

9. In all places within the Agreement, any reference to "Exhibit A-3 – Revised Labor and Equipment Rental Rates", effective January 1, 2024 is hereby replaced with "Exhibit A-4 – Revised Labor and Equipment Rental Rates", effective January 1, 2025.

Docusign Envelope ID: 2436C401-C07B-4D86-9861-873076E030AF

10. All other terms and conditions of the Agreement, including all Exhibits thereto, remain unchanged and in full force.

11. This Amendment No. 6 and all previous Amendments shall be attached to the Agreement and incorporated therein as if fully set forth in the Agreement.

12. The recitals to this Amendment No. 6 are incorporated into the Agreement and this Amendment No. 6.

AMENDMENT NO. 5
TO STANDARD AGREEMENT
BETWEEN COUNTY OF MONTEREY AND
GRANITE CONSTRUCTION COMPANY

THIS AMENDMENT NO. 5 to Standard Agreement No. A-15607 between the County of Monterey, a political subdivision of the State of California (hereinafter, "County") and Granite Construction Company (hereinafter, "CONTRACTOR") is hereby entered into between the County and the CONTRACTOR (collectively, the "Parties") and effective as of the last date opposite the respective signatures below.

WHEREAS, CONTRACTOR entered into Standard Agreement No. A-15607 with County on February 5, 2021 (hereinafter, "Agreement") to provide fully operated, fueled, and maintained construction equipment to work sites on an on-call basis (hereinafter, "services") through December 31, 2021 for an amount not to exceed $100,000; and

WHEREAS, the Agreement was amended by the Parties on November 23, 2021 (hereinafter, "Amendment No. 1", including Exhibit A-1 – Revised Labor and Equipment Rental Rates) to update the Labor and Equipment Rental Rates, effective January 1, 2022, extend the term for one (1) additional year through December 31, 2022, and to increase the amount by $200,000 which resulted in a total not to exceed amount of $300,000; and

WHEREAS, the Agreement was amended by the Parties on September 22, 2022 (hereinafter, "Amendment No. 2", including Exhibit A-2 – Revised Labor and Equipment Rental Rates) to update the Labor and Equipment Rental Rates, effective January 1, 2023, and extend the term for one (1) additional year through December 31, 2023 with no increase in the amount; and

WHEREAS, the Agreement was amended by the Parties on February 6, 2023 (hereinafter, "Amendment No. 3") to increase the amount by $300,000 which resulted in a total not to exceed amount of $600,000 with no term extension; and

WHEREAS, the Agreement was amended by the Parties on April 21, 2023 (hereinafter, "Amendment No. 4", including Exhibit B - Federal Emergency Management Agency (FEMA) Provisions) to increase the amount by $2,500,000 which resulted in a total not to exceed amount of $3,100,000 with no term extension; and

WHEREAS, the County has a continued need for services; and

WHEREAS, the CONTRACTOR's Revised Labor and Equipment Rental Rates in Exhibit A-2 of the Agreement require an update effective January 1, 2024, in accordance with Exhibit A-3 Revised Labor and Equipment Rental Rates, which is attached and incorporated by this reference; and

WHEREAS, additional time is necessary to allow CONTRACTOR to continue to provide the services required by the County; and

DocuSign Envelope ID: 74666C06-F25A-4A29-B8A9-B13D28F7BD78

WHEREAS, the Parties wish to further amend the Agreement to update the Revised Labor and Equipment Rental Rates effective January 1, 2024 extend the term for one (1) additional year to December 31, 2024 with no associated dollar amount increase to allow CONTRACTOR to continue to provide services identified in the Agreement and as amended by this Amendment No. 5.

NOW, THEREFORE, the Parties agree to amend the Agreement as follows:

1. Amend the first sentence of Paragraph 2.0, "Payment Provisions", to read as follows:

   County shall pay the CONTRACTOR in accordance with the payment provisions set forth in Exhibits A, A-1, A-2, and A-3, subject to the limitations set forth in this Agreement.

2. Amend the first sentence of Section 3.01 of Paragraph 3.0, "Term of Agreement", to read as follows:

   The term of this Agreement is from January 1, 2021 to December 31, 2024, unless sooner terminated pursuant to the terms of this Agreement.

3. Amend Paragraph 4.0, "Scope of Services and Additional Provisions", to add "Exhibit A-3 - Revised Labor and Equipment Rental Rates", effective January 1, 2024.

4. All other terms and conditions of the Agreement, including all Exhibits thereto, remain unchanged and in full force.

5. This Amendment No. 5 and all previous Amendments shall be attached to the Agreement and incorporated therein as if fully set forth in the Agreement.

6. The recitals to this Amendment No. 5 are incorporated into the Agreement and this Amendment No. 5.

DocuSign Envelope ID: 74666C06-F25A-4A29-B8A9-B13D28F7BD78

IN WITNESS WHEREOF, the Parties hereto have executed this Amendment No. 5 to the Agreement which shall be effective as of the last date opposite the respective signatures below.

AMENDMENT NO. 4
TO STANDARD AGREEMENT
BETWEEN COUNTY OF MONTEREY AND
GRANITE CONSTRUCTION COMPANY

THIS AMENDMENT NO. 4 to Standard Agreement No. A-15607 between the County of Monterey, a political subdivision of the State of California (hereinafter, "County") and Granite Construction Company (hereinafter, "CONTRACTOR") is hereby entered into between the County and the CONTRACTOR (collectively, the "Parties") and effective as of the last date opposite the respective signatures below.

WHEREAS, CONTRACTOR entered into Standard Agreement No. A-15607 with County on February 5, 2021 (hereinafter, "Agreement") to provide fully operated, fueled, and maintained construction equipment to work sites on an on-call basis (hereinafter, "services") through December 31, 2021 for an amount not to exceed $100,000; and

WHEREAS, the Agreement was amended by the Parties on November 23, 2021 (hereinafter, "Amendment No. 1", including Exhibit A-1 – Revised Labor and Equipment Rental Rates) to update the Labor and Equipment Rental Rates, effective January 1, 2022, extend the term for one (1) additional year through December 31, 2022, and to increase the amount by $200,000 which resulted in a total not to exceed amount of $300,000; and

WHEREAS, the Agreement was amended by the Parties on September 22, 2022 (hereinafter, "Amendment No. 2", including Exhibit A-2 – Revised Labor and Equipment Rental Rates) to update the Labor and Equipment Rental Rates, effective January 1, 2023, and extend the term for one (1) additional year through December 31, 2023 with no increase in the amount; and

WHEREAS, the Agreement was amended by the Parties on February 6, 2023 (hereinafter, "Amendment No. 3") to increase the amount by $300,000 which resulted in a total not to exceed amount of $600,000 with no term extension; and

WHEREAS, due to the Proclamation of Local Emergency (issued by County January 4, 2023) services in the amount of $1,569,694 and in excess of the total not to exceed authorized Agreement amount were rendered by CONTRACTOR to respond to emergency storm conditions; and

WHEREAS, the Parties wish to further amend the Agreement to include Exhibit B, Federal Emergency Management Agency (FEMA) Provisions, to comply with FEMA requirements; and

WHEREAS, the County has a continued need for services; and

WHEREAS, additional funding is necessary to allow CONTRACTOR to continue to provide the services required by the County; and

WHEREAS, the Parties wish to further amend the Agreement retroactive and effective December 27, 2022 to include Exhibit B, FEMA Provisions, increase the amount by $2,500,000 for a total amount not

to exceed $3,100,000 to allow payment of services previously rendered in the amount of $1,569,694 during emergency response with no term extension to allow CONTRACTOR to continue to provide services identified in the Agreement and as amended by this Amendment No. 4.

NOW, THEREFORE, the Parties agree to amend the Agreement as follows:

1. Amend Paragraph 2.0, "Payment Provisions", to read as follows:

   County shall pay the CONTRACTOR in accordance with the payment provisions set forth in Exhibits A, A-1 and A-2, subject to the limitations set forth in this Agreement. The total amount payable by County to CONTRACTOR under this Agreement shall not exceed the sum of $3,100,000.

2. Amend Paragraph 4.0, "Scope of Services and Additional Provisions", to add "Exhibit B - Federal Emergency Management Agency Provisions".

3. All other terms and conditions of the Agreement, including all Exhibits thereto, remain unchanged and in full force.

4. This Amendment No. 4 and all previous Amendments shall be attached to the Agreement and incorporated therein as if fully set forth in the Agreement.

5. The recitals to this Amendment No. 4 are incorporated into the Agreement and this Amendment No. 4.

FEMA STANDARD PROVISIONS AND FUNDING REQUIREMENTS

The Contract may be funded in part by the federal grant funding received by the COUNTY from the Federal Emergency Management Agency ("FEMA"), which is part of the United States Department of Homeland Security ("DHS"). Therefore, CONTRACTOR must comply with all federal laws and regulations applicable to the receipt of FEMA grants, including, but not limited to, the contractual provision set forth in Title 2 of the Code of Federal Regulations, Part 200, in connection with the CONTRACTOR's performance of the work or services covered by the Contract (the "Project"). All such federal laws and regulations shall be deemed to be inserted in the Contract and the Contract shall be read and enforced as though such federal laws and regulations were included therein.

Anything to the contrary herein notwithstanding, all FEMA-mandated terms shall be deemed to control in the event of a conflict with other provisions contained in the Contract. The CONTRACTOR shall not perform any act, fail to perform any act, or refuse to comply with any COUNTY request that would cause the COUNTY to be in violation of these FEMA terms and conditions or any other federal law or regulation applicable to the receipt of FEMA grants. If any provision of the Contract shall be such as to effect noncompliance with any FEMA requirement, such provision shall not be deemed to form a part thereof, but the balance of the Contract shall remain in full force and effect.

In addition, the CONTRACTOR agrees to the following specific provisions:

1.01 Debarment

1. The CONTRACTOR and any prospective lower tier participant certifies, by submission of this proposal, that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency.

2. The COUNTY will insure the CONTRACTOR and any lower participants are not debarred by checking the governments Excluded Parties List System at SAM.gov prior to executing the Contract and/or subsequent Job Orders.

1.02 Cost Plus Percentage Not Allowed

1. Not withstanding any provisions in the agreement to the contrary, the CONTRACTOR and any prospective lower tier participant are prohibited from using cost plus percentage contracts. This includes, but is not limited to the use of percentages for change orders or mark-ups on sub-contractors or materials. Cost plus fixed fee either lump sum or unit price is authorized.

1.03 Additional Federal Contracting Requirements

1. The CONTRACTOR must comply with Executive Order 11246 of September 24, 1965, entitled Equal Employment Opportunity, as amended by Executive Order 11375 of October 13, 1967, and as supplemented in Department of Labor regulations (41CFR chapter 60).

2. The CONTRACTOR must comply with the requirements of the Age Discrimination Act of 1975 (42 U.S.C. § 6101 et seq.), which prohibits discrimination on the basis of age in any program or activity receiving Federal financial assistance.

3. The CONTRACTOR must comply with the requirements of Titles I, II, and III of the Americans with Disabilities Act, which prohibits recipients of federal funding from discriminating on the basis of disability in the operation of public entities, public and private transportation systems, places of public accommodation, and certain testing entities (42 U.S.C. §§ 12101–12213).

4. The CONTRACTOR must comply with the requirements of Title VI of the Civil Rights Act of 1964 (42 U.S.C. § 2000d et seq.), which provides that no person in the United States will, on the grounds of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance. Implementing regulations for the Act are found at 6 C.F.R. Part 21 and 44 C.F.R. Part 7.

5. The CONTRACTOR must comply with Title VIII of the Civil Rights Act of 1968, which prohibits CONTRACTORs from discriminating in the sale, rental, financing, and advertising of dwellings, or in the provision of services in connection therewith, on the basis of race, color, national origin, religion, disability, familial status, and sex (42 U.S.C. § 3601 et seq.), as implemented by the Department of Housing and Urban Development at 24 C.F.R. Part 100. The prohibition on disability discrimination includes the requirement that new multifamily housing with four or more dwelling units—i.e., the public and common use areas and individual apartment units (all units in buildings with elevators and ground-floor units in buildings without elevators)—be designed and constructed with certain accessible features (see 24 C.F.R. § 100.201).

6. The CONTRACTOR must comply with the Copeland Anti-Kickback Act (18 U.S.C. 874) as supplemented in Department of Labor regulations (29 CFR Part 3).

7. The CONTRACTOR must comply with the Davis-Bacon Act (40 U.S.C. 276a to 276a7) as supplemented by Department of Labor regulations (29 CFR Part 5).

a. This project is a public work in the State of California, funded in whole or in part with public funds. Therefore, the higher of the two applicable prevailing wage rates, federal or state, will be enforced.

8. The CONTRACTOR must comply with Sections 103 and 107 of the Contract Work Hours and Safety Standards Act (40 U.S.C. 327330) as supplemented by Department of Labor regulations (29 CFR Part 5).

9. The CONTRACTOR must provide reporting as specified in the plans, specifications and deliverables section of the Contract.

10. The COUNTY shall have patent rights with respect to any discovery or invention which arises or is developed in the course of or under such Contract.

11. The COUNTY shall have copyrights and rights respective to any data which arises or is developed in the course of or under such Contract.

12. The COUNTY, State, the Federal grantor agency, the Comptroller General of the United States, or any of their duly authorized representatives shall have access to any books, documents, papers, and records of the CONTRACTOR which are directly pertinent to that specific ontract for the purpose of making audit, examination, excerpts, and transcriptions.

13. The CONTRACTOR must maintain records for three years after grantees or subgrantees make final payments and all other pending matters are closed.

14. The CONTRACTOR must comply with all applicable standards, orders, or requirements issued under section 306 of the Clean Air Act (42 U.S.C. 1857(h)), section 508 of the Clean Water Act (33 U.S.C. 1368), Executive Order 11738, and Environmental Protection Agency regulations (40 CFR part 15). (Contracts, subcontracts, and subgrants of amounts in excess of $100,000)

15. The CONTRACTOR must comply with section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 C.F.R. Part 247 that contain the highest percentage of recovered materials practicable, consistent

with maintaining a satisfactory level of competition, where the purchase price of the item exceeds $10,000 or the value of the quantity acquired by the preceding fiscal year exceeded $10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.

16. The CONTRACTOR must comply with mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (Pub. L. 94163, 89 Stat. 871).

17. The COUNTY is entitled to exercise all administrative, contractual, or other legal remedies permitted by law to enforce the CONTRACTOR's compliance with the terms of the Contract.

18. The CONTRACTOR must acknowledge its use of federal funding when issuing requests for proposals, bid invitations, and other documents describing the Project in connection with performing the Contract.

19. If the CONTRACTOR collects PII (Personally Identifiable Information) in connection with the Project, the CONTRACTOR is required to have a publicly available privacy policy that describes what PII they collect, how they use the PII, whether they share PII with third parties, and how individuals may have their PII corrected where appropriate.

20. The CONTRACTOR must comply with the Drug-Free Workplace Act of 1988 (41 U.S.C. § 701 et seq.), which is adopted at 2 C.F.R Part 3001, which requires that all organizations receiving grants from any Federal agency agree to maintain a drug-free workplace.

21. The CONTRACTOR must comply with the requirements of 31 U.S.C. § 3729 which sets forth that no recipient of federal payments shall submit a false claim for payment. See also 38 U.S.C. § 3801-3812 which details the administrative remedies for false claims and statements made.

22. The CONTRACTOR must comply with Preference for U.S. Flag Air Carriers: (air carriers holding certificates under 49 U.S.C. § 41102) for international air transportation of people and property to the extent that such service is available, in accordance with the International Air Transportation Fair Competitive Practices Act of 1974 (49 U.S.C. § 40118) and the interpretative guidelines issued by the Comptroller General of the United States in the March 31, 1981, amendment to Comptroller General Decision B-138942.

23. The CONTRACTOR must comply with the Title VI of the Civil Rights Act of 1964 (Title VI) prohibition against discrimination on the basis of national origin, which requires that recipients of federal financial assistance take reasonable steps to provide meaningful access to persons with limited English proficiency ("LEP") to their programs and services. Providing meaningful access for persons with LEP may entail providing language assistance services, including oral interpretation and written translation.

24. The CONTRACTOR must comply with 31 U.S.C. §1352, which provides that none of the funds provided under an award may be expended by the CONTRACTOR to pay any person to influence, or attempt to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with any Federal action concerning the award or renewal.

25. Unless otherwise provided by law, the CONTRACTOR is subject to the Bayh-Dole Act, Pub. L. No. 96-517, as amended, and codified in 35 U.S.C. § 200 et seq. The CONTRACTOR is subject to the specific requirements governing the development, reporting, and disposition of rights to inventions and patents resulting from financial assistance awards in 37 C.F.R. Part 401 and the standard patent rights clause in 37 C.F.R. § 401.14.

DocuSign Envelope ID: A3AF504D-65DE-4A60-A881-2325C2521BCC

26. The CONTRACTOR must comply with U.S. Executive Order 13224 and U.S. law that prohibit transactions with, and the provisions of resources and support to, individuals and organizations associated with terrorism.

27. The CONTRACTOR must comply with the requirements of the government-wide award term which implements Section 106(g) of the Trafficking Victims Protection Act (TVPA) of 2000, as amended (22 U.S.C. § 7104). This is implemented in accordance with OMB Interim Final Guidance, Federal Register, Volume 72, No. 218, November 13, 2007. Full text of the award term is located at 2 CFR § 175.15.

28. The CONTRACTOR must comply with the Rehabilitation Act of 1973, including all sections, that prohibits discrimination on the basis of disability. The standards for deciding if employment discrimination exists under the Rehabilitation Act are the same as those used in Title I of the Americans with Disabilities Act.

29. The CONTRACTOR must maintain the currency of the information in the Universal Identifier and System of Award Management (SAM) until submission of the final financial report required under the award or until the CONTRACTOR receives final payment, whichever is later, as required by 2 C.F.R. Part 25.

30. The CONTRACTOR must comply with requirements of the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act (USA PATRIOT Act), which amends 18 U.S.C. §§ 175–175c. Among other things, the USA PATRIOT Act prescribes criminal penalties for possession of any biological agent, toxin, or delivery system of a type or in a quantity that is not reasonably justified by a prophylactic, protective, bona fide research, or other peaceful purpose.

31. The CONTRACTOR must comply with the statutory requirements for whistleblower protections (if applicable) at 10 U.S.C § 2409, 41 U.S.C. 4712, and 10 U.S.C. § 2324, 41 U.S.C. §§ 4304 and 4310.

32. The CONTRACTOR must obtain DHS's approval prior to using the DHS seal(s), logos, crests or reproductions of flags or likenesses of DHS agency officials, including use of the United States Coast Guard seal, logo, crests or reproductions of flags or likenesses of Coast Guard officials.

33. The CONTRACTOR must acknowledge and agree—and require any sub-CONTRACTORs, successors, transferees, and assignees to acknowledge and agree—to comply with applicable provisions governing DHS access to records, accounts, documents, information, facilities, and staff. Additionally:

a. the CONTRACTOR must cooperate with any compliance review or complaint investigation conducted by DHS;

b. the CONTRACTOR must give DHS access to and the right to examine and copy records, accounts, and other documents and sources of information related to the grant and permit access to facilities, personnel, and other individuals and information as may be necessary, as required by DHS regulations and other applicable laws or program guidance;

c. the CONTRACTOR must submit timely, complete, and accurate reports to the appropriate DHS officials and maintain appropriate backup documentation to support the reports;

d. the CONTRACTOR must comply with all other special reporting, data collection, and evaluation requirements, as prescribed by law or detailed in program guidance;

e. if, during the past three years, the CONTRACTOR has been accused of discrimination on the grounds of race, color, national origin (including limited English proficiency), sex, age, disability, religion, or familial status, the CONTRACTOR must provide a list of all such proceedings,

DocuSign Envelope ID: A3AF504D-65DE-4A60-A881-2325C2521BCC

pending or completed, including outcome and copies of settlement agreements to the DHS awarding office (FEMA) and the DHS Office of Civil Rights and Civil Liberties; and

f. in the event any court or administrative agency makes a finding of discrimination on grounds of race, color, national origin (including limited English proficiency), sex, age, disability, religion, or familial status against the CONTRACTOR, or the CONTRACTOR settles a case or matter alleging such discrimination, the CONTRACTOR must forward a copy of the complaint and findings to the DHS Component and/or awarding office (FEMA).

The United States has the right to seek judicial enforcement of these obligations.

AMENDMENT NO. 3
TO STANDARD AGREEMENT
BETWEEN COUNTY OF MONTEREY AND
GRANITE CONSTRUCTION COMPANY

THIS AMENDMENT NO. 3 to Standard Agreement No. A-15607 between the County of Monterey, a political subdivision of the State of California (hereinafter, "County") and Granite Construction Company (hereinafter, "CONTRACTOR") is hereby entered into between the County and the CONTRACTOR (collectively, the "Parties") and effective as of the last date opposite the respective signatures below.

WHEREAS, CONTRACTOR entered into Standard Agreement No. A-15607 with County on February 5, 2021 (hereinafter, "Agreement") to provide fully operated, fueled, and maintained construction equipment to work sites on an on-call basis (hereinafter, "services") through December 31, 2021 for an amount not to exceed $100,000; and

WHEREAS, the Agreement was amended by the Parties on November 23, 2021 (hereinafter, "Amendment No. 1", including Exhibit A-1 – Revised Labor and Equipment Rental Rates) to update the Labor and Equipment Rental Rates, effective January 1, 2022, extend the term for one (1) additional year through December 31, 2022, and to increase the amount by $200,000 which resulted in a total not to exceed amount of $300,000; and

WHEREAS, the Agreement was amended by the Parties on September 22, 2022 (hereinafter, "Amendment No. 2", including Exhibit A-2 – Revised Labor and Equipment Rental Rates) to update the Labor and Equipment Rental Rates, effective January 1, 2023, and extend the term for one (1) additional year through December 31, 2023 with no increase in the amount; and

WHEREAS, the County has a continued need for services; and

WHEREAS, additional funding is necessary to allow CONTRACTOR to continue to provide the services required by the County; and

WHEREAS, the Parties wish to further amend the Agreement to increase the amount by $300,000 for a total amount not to exceed $600,000 with no change to the term to allow CONTRACTOR to continue to provide services identified in the Agreement and as amended by this Amendment No. 3.

NOW, THEREFORE, the Parties agree to amend the Agreement as follows:

1. Amend Paragraph 2.0, "Payment Provisions", to read as follows:

   County shall pay the CONTRACTOR in accordance with the payment provisions set forth in Exhibits A, A-1 and A-2, subject to the limitations set forth in this Agreement. The total amount payable by County to CONTRACTOR under this Agreement shall not exceed the sum of $600,000.

DocuSign Envelope ID: 14E3F24D-4328-4A68-ABAC-BC7AC918FB82

2. All other terms and conditions of the Agreement, including all Exhibits thereto, remain unchanged and in full force.

3. This Amendment No. 3 and all previous Amendments shall be attached to the Agreement and incorporated therein as if fully set forth in the Agreement.

4. The recitals to this Amendment No. 3 are incorporated into the Agreement and this Amendment No. 3.

DocuSign Envelope ID: 14E3F24D-4328-4A68-ABAC-BC7AC918FB82

IN WITNESS WHEREOF, the Parties hereto have executed this Amendment No. 3 to the Agreement which shall be effective as of the last date opposite the respective signatures below.

AMENDMENT NO. 1
TO STANDARD AGREEMENT
BETWEEN COUNTY OF MONTEREY AND
GRANITE CONSTRUCTION COMPANY

THIS AMENDMENT NO. 1 to the Standard Agreement between the County of Monterey, a political subdivision of the State of California (hereinafter, "County") and Granite Construction Company (hereinafter, "CONTRACTOR") is hereby entered into between the County and the CONTRACTOR (collectively, the "Parties") and effective as of the last date opposite the respective signatures below.

WHEREAS, CONTRACTOR entered into a Standard Agreement with County on February 5, 2021 (hereinafter, "Agreement") to provide fully operated, fueled, and maintained construction equipment to work sites on an on-call basis (hereinafter, "services") through December 31, 2021 for an amount not to exceed $100,000; and

WHEREAS, the County has a continued need for services; and

WHEREAS, the CONTRACTOR's original Labor and Equipment Rental Rates require an update effective January 1, 2022; and

WHEREAS, additional time and funding are necessary to allow CONTRACTOR to continue to provide the services required by the County; and

WHEREAS, the Parties wish to amend the Agreement to extend the term for one (1) additional year to December 31, 2022, update the Labor and Equipment Rental Rates, and increase the amount by $200,000 for a total amount not to exceed $300,000 to allow CONTRACTOR to continue to provide services identified in the Agreement and as amended by this Amendment No. 1.

NOW, THEREFORE, the Parties agree to amend the Agreement as follows:

1. Amend Paragraph 2.0, "Payment Provisions", to read as follows:

   County shall pay the CONTRACTOR in accordance with the payment provisions set forth in Exhibits A and A-1, subject to the limitations set forth in this Agreement. The total amount payable by County to CONTRACTOR under this Agreement shall not exceed the sum of $300,000.

2. Amend the first sentence of Section 3.01 of Paragraph 3.0, "Term of Agreement", to read as follows:

   The term of this Agreement is from January 1, 2021 to December 31, 2022, unless sooner terminated pursuant to the terms of this Agreement.

3. Amend Paragraph 4.0, "Scope of Services and Additional Provisions" to add "Exhibit A-1 – Revised Labor and Equipment Rental Rates", effective January 1, 2022.

DocuSign Envelope ID: 1C8D97CD-C3D0-4343-B13B-C26676A230AD

4. Amend the fourth paragraph under Section 9.03, Insurance Coverage Requirements, of Paragraph 9.0 "Insurance Requirements", to remove the checkmark in the box and add the checkmark in the box next to the fifth paragraph titled, **"Agreement Over $100,000 Business Automobile Liability Insurance"**.

   Agreement Over $100,000 Business Automobile Liability Insurance: covering all motor vehicles, including owned, leased, non-owned, and hired vehicles, used in providing services under this Agreement, with a combined single limit for Bodily Injury and Property Damage of not less than $1,000,000 per occurrence.

5. Amend Section 11.01 of Paragraph 11.0, "Non-Discrimination", to read as follows:

   During the performance of this Agreement, CONTRACTOR, and its subcontractors, shall not unlawfully discriminate against any person because of race, religious creed, color, sex, national origin, ancestry, physical disability, mental disability, medical condition, marital status, age (over 40), sexual orientation, or any other characteristic set forth in California Government code §12940(a), either in CONTRACTOR's employment practices or in the furnishing of services to recipients. CONTRACTOR shall ensure that the evaluation and treatment of its employees and applicants for employment and all persons receiving and requesting services are free of such discrimination. CONTRACTOR and any subcontractor shall, in the performance of this Agreement, fully comply with all federal, state, and local laws and regulations which prohibit discrimination. The provision of services primarily or exclusively to such target population as may be designated in this Agreement shall not be deemed to be prohibited discrimination.

6. Amend Agreement to revise Paragraph 16.0, "Signature Page", to Paragraph 18.0, "Signature Page".

7. Amend Agreement to add Paragraph 16.0, "Compliance with Applicable Laws", as follows:

   16.01 CONTRACTOR shall keep itself informed of and in compliance with all federal, state and local laws, ordinances, regulations, and orders including but not limited to all state and federal tax laws that may affect in any manner the Project or the performance of the Services or those engaged to perform Services under this Agreement as well as any privacy laws including, if applicable, Health Insurance Portability and Accountability Act (HIPAA). CONTRACTOR shall procure all permits and licenses, pay all charges and fees, and give all notices required by law in the performance of the Services.

   16.02 CONTRACTOR shall report immediately to County's Contracts/Purchasing Officer, in writing, any discrepancy or inconsistency it discovers in the laws, ordinances, regulations, orders, and/or guidelines in relation to the Project of the performance of the Services.

   16.03 All documentation prepared by CONTRACTOR shall provide for a completed project that conforms to all applicable codes, rules, regulations, and guidelines that are in force at the time such documentation is prepared.

8. Amend Agreement to add Paragraph 17.0, "Consent to Use of Electronic Signatures", as follows:

17.01 The parties to this Agreement consent to the use of electronic signatures via DocuSign to execute this Agreement. The parties understand and agree that the legality of electronic signatures is governed by state and federal law, 15 USC Section 7001 *et seq.*; California Government Code Section 16.5; and, California Civil Code Section 1633.1 *et seq.* Pursuant to said state and federal law as may be amended from time to time, the parties to this Agreement hereby authenticate and execute this Agreement, and any and all Exhibits to this Agreement, with their respective electronic signatures, including any and all scanned signatures in portable document format (PDF).

17.02 Counterparts. The parties to this Agreement understand and agree that this Agreement can be executed in two (2) or more counterparts and transmitted electronically via facsimile transmission or by delivery of a scanned counterpart in PDF via email transmittal.

17.03 Form: Delivery by E-Mail or Facsimile. Executed counterparts of this Agreement may be delivered by facsimile transmission or by delivery of a scanned counterpart in PD) by e-mail transmittal, in either case with delivery confirmed. On such confirmed delivery, the signatures in the facsimile or PDF data file shall be deemed to have the same force and effect as if the manually signed counterpart or counterparts had been delivered to the other party in person.

9. Amend the first sentence of section B.1, "Compensation/Payment" in Exhibit A - Scope of Services/Payment Provisions of the Agreement to read as follows:

County shall pay an amount not to exceed $300,000 for the performance of all things necessary for or incidental to the performance of work as set forth in the Scope of Services.

10. Amend the first paragraph of B.2, Contractor's Billing Procedures, in Exhibit A – Scope of Services/Payment Provisions of the Agreement to read as follows:

Invoices under this Agreement shall be submitted monthly and promptly, and in accordance with Paragraph 6.0, Payment Conditions, of the Agreement. All invoices shall reference the Multi-Year Agreement (MYA) number (MYA#3200*5541), services/project name and associated Delivery Order number, and an original hardcopy shall be sent to the following address or via email to PWFP-Finance-AP@co.monterey.ca.us:

COUNTY OF MONTEREY STANDARD AGREEMENT

This **Agreement** is made by and between the County of Monterey, a political subdivision of the State of California (hereinafter "County") and:
Granite Construction Company,
(hereinafter "CONTRACTOR").

In consideration of the mutual covenants and conditions set forth in this Agreement, the parties agree as follows:

1.0 GENERAL DESCRIPTION:

The County hereby engages CONTRACTOR to perform, and CONTRACTOR hereby agrees to perform, the services described in **Exhibit A** in conformity with the terms of this Agreement. The goods and/or services are generally described as follows:

Provide:

Fully operated, fueled and maintained construction equipment to work sites on an on-call basis

2.0 PAYMENT PROVISIONS:

County shall pay the CONTRACTOR in accordance with the payment provisions set forth in **Exhibit A**, subject to the limitations set forth in this Agreement. The total amount payable by County to CONTRACTOR under this Agreement shall not exceed the sum of:$ 100,000.00

3.0 TERM OF AGREEMENT:

3.01 The term of this Agreement is from January 1, 2021 **to** December 31, 2021, unless sooner terminated pursuant to the terms of this Agreement. This Agreement is of no force or effect until signed by both CONTRACTOR and County and with County signing last, and **CONTRACTOR may not commence work before County signs this Agreement.**

3.02 The County reserves the right to cancel this Agreement, or any extension of this Agreement, without cause, with a thirty day (30) written notice, or with cause immediately.

4.0 SCOPE OF SERVICES AND ADDITIONAL PROVISIONS:

The following attached exhibits are incorporated herein by reference and constitute a part of this Agreement:

Exhibit A Scope of Services/Payment Provisions
Exhibit B Other:

DocuSign Envelope ID: 7675058F-F326-4021-9150-0D49B8381009

5.0 PERFORMANCE STANDARDS:

5.01 CONTRACTOR warrants that CONTRACTOR and CONTRACTOR's agents, employees, and subcontractors performing services under this Agreement are specially trained, experienced, competent, and appropriately licensed to perform the work and deliver the services required under this Agreement and are not employees of the County, or immediate family of an employee of the County.

5.02 CONTRACTOR, its agents, employees, and subcontractors shall perform all work in a safe and skillful manner and in compliance with all applicable laws and regulations. All work performed under this Agreement that is required by law to be performed or supervised by licensed personnel shall be performed in accordance with such licensing requirements.

5.03 CONTRACTOR shall furnish, at its own expense, all materials, equipment, and personnel necessary to carry out the terms of this Agreement, except as otherwise specified in this Agreement. CONTRACTOR shall not use County premises, property (including equipment, instruments, or supplies) or personnel for any purpose other than in the performance of its obligations under this Agreement.

6.0 PAYMENT CONDITIONS:

6.01 Prices shall remain firm for the initial term of the Agreement and, thereafter, may be adjusted annually as provided in this paragraph. The County does not guarantee any minimum or maximum amount of dollars to be spent under this Agreement.

6.02 Negotiations for rate changes shall be commenced, by CONTRACTOR, a minimum of ninety days (90) prior to the expiration of the Agreement. Rate changes are not binding unless mutually agreed upon in writing by the County and the CONTRACTOR.

6.03 Invoice amounts shall be billed directly to the ordering department.

6.04 CONTRACTOR shall submit such invoice periodically or at the completion of services, but in any event, not later than 30 days after completion of services. The invoice shall set forth the amounts claimed by CONTRACTOR for the previous period, together with an itemized basis for the amounts claimed, and such other information pertinent to the invoice. The County shall certify the invoice, either in the requested amount or in such other amount as the County approves in conformity with this Agreement and shall promptly submit such invoice to the County Auditor-Controller for payment. The County Auditor-Controller shall pay the amount certified within 30 days of receiving the certified invoice.

7.0 TERMINATION:

7.01 During the term of this Agreement, the County may terminate the Agreement for any reason by giving written notice of termination to the CONTRACTOR at least thirty (30) days prior to the effective date of termination. Such notice shall set forth the effective date of termination. In the event of such termination, the amount payable under this Agreement shall be reduced in proportion to the services provided prior to the date of termination.

DocuSign Envelope ID: 7675058F-F326-4021-9150-0D49B8381009

7.02 The County may cancel and terminate this Agreement for good cause effective immediately upon written notice to CONTRACTOR. "Good cause" includes the failure of CONTRACTOR to perform the required services at the time and in the manner provided under this Agreement. If County terminates this Agreement for good cause, the County may be relieved of the payment of any consideration to CONTRACTOR, and the County may proceed with the work in any manner, which County deems proper. The cost to the County shall be deducted from any sum due the CONTRACTOR under this Agreement.

7.03 The County's payments to CONTRACTOR under this Agreement are funded by local, state and federal governments. If funds from local, state and federal sources are not obtained and continued at a level sufficient to allow for the County's purchase of the indicated quantity of services, then the County may give written notice of this fact to CONTRACTOR, and the obligations of the parties under this Agreement shall terminate immediately, or on such date thereafter, as the County may specify in its notice, unless in the meanwhile the parties enter into a written amendment modifying this Agreement.

8.0 INDEMNIFICATION:

CONTRACTOR shall indemnify, defend, and hold harmless the County, its officers, agents, and employees, from and against any and all claims, liabilities, and losses whatsoever (including damages to property and injuries to or death of persons, court costs, and reasonable attorneys' fees) occurring or resulting to any and all persons, firms or corporations furnishing or supplying work, services, materials, or supplies in connection with the performance of this Agreement, and from any and all claims, liabilities, and losses occurring or resulting to any person, firm, or corporation for damage, injury, or death arising out of or connected with the CONTRACTOR's performance of this Agreement, unless such claims, liabilities, or losses arise out of the sole negligence or willful misconduct of the County. "CONTRACTOR's performance" includes CONTRACTOR's action or inaction and the action or inaction of CONTRACTOR's officers, employees, agents and subcontractors.

9.0 INSURANCE REQUIREMENTS:

9.01 **Evidence of Coverage:** Prior to commencement of this Agreement, the Contractor shall provide a "Certificate of Insurance" certifying that coverage as required herein has been obtained. Individual endorsements executed by the insurance carrier shall accompany the certificate. In addition, the Contractor upon request shall provide a certified copy of the policy or policies.

This verification of coverage shall be sent to the County's Contracts/Purchasing Department, unless otherwise directed. The Contractor shall not receive a "Notice to Proceed" with the work under this Agreement until it has obtained all insurance required and the County has approved such insurance. This approval of insurance shall neither relieve nor decrease the liability of the Contractor.

9.02 **Qualifying Insurers:** All coverage's, except surety, shall be issued by companies which hold a current policy holder's alphabetic and financial size category rating of not less than A- VII, according to

DocuSign Envelope ID: 7675058F-F326-4021-9150-0D49B8381009

the current Best's Key Rating Guide or a company of equal financial stability that is approved by the County's Purchasing Manager.

9.03 **Insurance Coverage Requirements:** Without limiting CONTRACTOR's duty to indemnify, CONTRACTOR shall maintain in effect throughout the term of this Agreement a policy or policies of insurance with the following minimum limits of liability:

Commercial General Liability Insurance: including but not limited to premises and operations, including coverage for Bodily Injury and Property Damage, Personal Injury, Contractual Liability, Broad form Property Damage, Independent Contractors, Products and Completed Operations, with a combined single limit for Bodily Injury and Property Damage of not less than $1,000,000 per occurrence.
(Note: any proposed modifications to these general liability insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in blue ink. All proposed modifications are subject to County approval.)

Requestor must check the appropriate Automobile Insurance Threshold:
Requestor must check the appropriate box.

☑ **Agreement Under $100,000 Business Automobile Liability Insurance**: covering all motor vehicles, including owned, leased, non-owned, and hired vehicles, used in providing services under this Agreement, with a combined single limit for Bodily Injury and Property Damage of not less than $500,000 per occurrence.

☐ **Agreement Over $100,000 Business Automobile Liability Insurance**: covering all motor vehicles, including owned, leased, non-owned, and hired vehicles, used in providing services under this Agreement, with a combined single limit for Bodily Injury and Property Damage of not less than $1,000,000 per occurrence.

(Note: any proposed modifications to these auto insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in blue ink. All proposed modifications are subject to County approval.)

Workers' Compensation Insurance: if CONTRACTOR employs others in the performance of this Agreement, in accordance with California Labor Code section 3700 and with Employer's Liability limits not less than $1,000,000 each person, $1,000,000 each accident and $1,000,000 each disease.
(Note: any proposed modifications to these workers' compensation insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in blue ink. All proposed modifications are subject to County approval.)

Professional Liability Insurance: if required for the professional services being provided, (e.g., those persons authorized by a license to engage in a business or profession regulated by the California Business and Professions Code), in the amount of not less than $1,000,000 per claim and $2,000,000 in the aggregate, to cover liability for malpractice or

DocuSign Envelope ID: 7675058F-F326-4021-9150-0D49B8381009

errors or omissions made in the course of rendering professional services. If professional liability insurance is written on a "claims-made" basis rather than an occurrence basis, the CONTRACTOR shall, upon the expiration or earlier termination of this Agreement, obtain extended reporting coverage ("tail coverage") with the same liability limits. Any such tail coverage shall continue for at least three years following the expiration or earlier termination of this Agreement.

(Note: any proposed modifications to these insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in blue ink. All proposed modifications are subject to County approval.)

9.04 **Other Requirements:**

All insurance required by this Agreement shall be with a company acceptable to the County and issued and executed by an admitted insurer authorized to transact Insurance business in the State of California. Unless otherwise specified by this Agreement, all such insurance shall be written on an occurrence basis, or, if the policy is not written on an occurrence basis, such policy with the coverage required herein shall continue in effect for a period of three years following the date CONTRACTOR completes its performance of services under this Agreement.

Each liability policy shall provide that the County shall be given notice in writing at least thirty days in advance of any endorsed reduction in coverage or limit, cancellation, or intended non-renewal thereof. Each policy shall provide coverage for Contractor and additional insureds with respect to claims arising from each subcontractor, if any, performing work under this Agreement, or be accompanied by a certificate of insurance from each subcontractor showing each subcontractor has identical insurance coverage to the above requirements.

Commercial general liability and automobile liability policies shall provide an endorsement naming the County of Monterey, its officers, agents, and employees as Additional Insureds with respect to liability arising out of the CONTRACTOR'S work, including ongoing and completed operations, **and shall further provide that such insurance is primary insurance to any insurance or self-insurance maintained by the County and that the insurance of the Additional Insureds shall not be called upon to contribute to a loss covered by the CONTRACTOR'S insurance.** The required endorsement form for Commercial General Liability Additional Insured is ISO Form CG 20 10 11-85 or CG 20 10 10 01 in tandem with CG 20 37 10 01 (2000). The required endorsement form for Automobile Additional Insured endorsement is ISO Form CA 20 48 02 99.

Prior to the execution of this Agreement by the County, CONTRACTOR shall file certificates of insurance with the County's contract administrator and County's Contracts/Purchasing Division, showing that the CONTRACTOR has in effect the insurance required by this Agreement. The CONTRACTOR shall file a new or amended certificate of insurance within five calendar days after any change is made in any insurance policy, which would alter the information on the certificate then on file. Acceptance or approval of insurance shall in no way modify or change the indemnification clause in this Agreement, which shall continue in full force and effect.

DocuSign Envelope ID: 7675058F-F326-4021-9150-0D49B8381009

CONTRACTOR shall always during the term of this Agreement maintain in force the insurance coverage required under this Agreement and shall send, without demand by County, annual certificates to County's Contract Administrator and County's Contracts/Purchasing Division. If the certificate is not received by the expiration date, County shall notify CONTRACTOR and CONTRACTOR shall have five calendar days to send in the certificate, evidencing no lapse in coverage during the interim. Failure by CONTRACTOR to maintain such insurance is a default of this Agreement, which entitles County, at its sole discretion, to terminate this Agreement immediately.

10.0 RECORDS AND CONFIDENTIALITY:

10.1 **Confidentiality:** CONTRACTOR and its officers, employees, agents, and subcontractors shall comply with any and all federal, state, and local laws, which provide for the confidentiality of records and other information. CONTRACTOR shall not disclose any confidential records or other confidential information received from the County or prepared in connection with the performance of this Agreement, unless County specifically permits CONTRACTOR to disclose such records or information. CONTRACTOR shall promptly transmit to County any and all requests for disclosure of any such confidential records or information. CONTRACTOR shall not use any confidential information gained by CONTRACTOR in the performance of this Agreement except for the sole purpose of carrying out CONTRACTOR's obligations under this Agreement.

10.2 **County Records:** When this Agreement expires or terminates, CONTRACTOR shall return to County any County records which CONTRACTOR used or received from County to perform services under this Agreement.

10.3 **Maintenance of Records:** CONTRACTOR shall prepare, maintain, and preserve all reports and records that may be required by federal, state, and County rules and regulations related to services performed under this Agreement. CONTRACTOR shall maintain such records for a period of at least three years after receipt of final payment under this Agreement. If any litigation, claim, negotiation, audit exception, or other action relating to this Agreement is pending at the end of the three-year period, then CONTRACTOR shall retain said records until such action is resolved.

10.4 **Access to and Audit of Records:** The County shall have the right to examine, monitor and audit all records, documents, conditions, and activities of the CONTRACTOR and its subcontractors related to services provided under this Agreement. Pursuant to Government Code section 8546.7, if this Agreement involves the expenditure of public funds in excess of $10,000, the parties to this Agreement may be subject, at the request of the County or as part of any audit of the County, to the examination and audit of the State Auditor pertaining to matters connected with the performance of this Agreement for a period of three years after final payment under the Agreement.

10.5 **Royalties and Inventions:** County shall have a royalty-free, exclusive and irrevocable license to reproduce, publish, and use, and authorize others to do so, all original computer programs, writings, sound recordings, pictorial reproductions, drawings, and other works of similar nature produced in the course of or under this Agreement. CONTRACTOR shall not publish any such material without the prior written approval of County.

11.0 NON-DISCRIMINATION:

11.01 During the performance of this Agreement, CONTRACTOR, and its subcontractors, shall not unlawfully discriminate against any person because of race, religious creed, color, sex, national origin, ancestry, physical disability, mental disability, medical condition, marital status, age (over 40), or sexual orientation, either in CONTRACTOR's employment practices or in the furnishing of services to recipients. CONTRACTOR shall ensure that the evaluation and treatment of its employees and applicants for employment and all persons receiving and requesting services are free of such discrimination. CONTRACTOR and any subcontractor shall, in the performance of this Agreement, fully comply with all federal, state, and local laws and regulations which prohibit discrimination. The provision of services primarily or exclusively to such target population as may be designated in this Agreement shall not be deemed to be prohibited discrimination.

12.0 COMPLIANCE WITH TERMS OF STATE OR FEDERAL GRANTS:

If this Agreement has been or will be funded with monies received by the County pursuant to a contract with the state or federal government in which the County is the grantee, CONTRACTOR will comply with all the provisions of said contract, to the extent applicable to CONTRACTOR as a subgrantee under said contract, and said provisions shall be deemed a part of this Agreement, as though fully set forth herein. Upon request, County will deliver a copy of said contract to CONTRACTOR, at no cost to CONTRACTOR.

13.0 INDEPENDENT CONTRACTOR:

In the performance of work, duties, and obligations under this Agreement, CONTRACTOR is always acting and performing as an independent contractor and not as an employee of the County. No offer or obligation of permanent employment with the County or County department or agency is intended in any manner, and CONTRACTOR shall not become entitled by virtue of this Agreement to receive from County any form of employee benefits including but not limited to sick leave, vacation, retirement benefits, workers' compensation coverage, insurance or disability benefits. CONTRACTOR shall be solely liable for and obligated to pay directly all applicable taxes, including federal and state income taxes and social security, arising out of CONTRACTOR's performance of this Agreement. In connection therewith, CONTRACTOR shall defend, indemnify, and hold County harmless from any and all liability which County may incur because of CONTRACTOR's failure to pay such taxes.

15.0 MISCELLANEOUS PROVISIONS.

15.01 **Conflict of Interest:** CONTRACTOR represents that it presently has no interest and agrees not to acquire any interest during the term of this Agreement, which would directly, or indirectly conflict in any manner or to any degree with the full and complete performance of the services required to be rendered under this Agreement.

15.02 **Amendment:** This Agreement may be amended or modified only by an instrument in writing signed by the County and the CONTRACTOR.

15.03 **Waiver:** Any waiver of any terms and conditions of this Agreement must be in writing and signed by the County and the CONTRACTOR. A waiver of any of the terms and conditions of this Agreement shall not be construed as a waiver of any other terms or conditions in this Agreement.

15.04 **Contractor:** The term "CONTRACTOR" as used in this Agreement includes CONTRACTOR's officers, agents, and employees acting on CONTRACTOR's behalf in the performance of this Agreement.

15.05 **Disputes:** CONTRACTOR shall continue to perform under this Agreement during any dispute.

15.06 **Assignment and Subcontracting:** The CONTRACTOR shall not assign, sell, or otherwise transfer its interest or obligations in this Agreement without the prior written consent of the County. None of the services covered by this Agreement shall be subcontracted without the prior written approval of the County. Notwithstanding any such subcontract, CONTRACTOR shall continue to be liable for the performance of all requirements of this Agreement.

15.07 **Successors and Assigns:** This Agreement and the rights, privileges, duties, and obligations of the County and CONTRACTOR under this Agreement, to the extent assignable or delegable, shall be binding upon and inure to the benefit of the parties and their respective successors, permitted assigns, and heirs.

15.08 **Compliance with Applicable Law:** The parties shall comply with all applicable federal, state, and local laws and regulations in performing this Agreement.

15.09 **Headings:** The headings are for convenience only and shall not be used to interpret the terms of this Agreement.

15.10 **Time is of the Essence:** Time is of the essence in each and all of the provisions of this Agreement.

15.11 **Governing Law:** This Agreement shall be governed by and interpreted under the laws of the State of California; venue shall be Monterey County.

15.12 **Non-exclusive Agreement:** This Agreement is non-exclusive and both County and CONTRACTOR expressly reserve the right to contract with other entities for the same or similar services.

15.13 **Construction of Agreement:** The County and CONTRACTOR agree that each party has fully participated in the review and revision of this Agreement and that any rule of construction to the effect that ambiguities are to be resolved against the drafting party shall not apply in the interpretation of this Agreement or any amendment to this Agreement.

15.14 **Counterparts:** This Agreement may be executed in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same Agreement.

15.15 **Authority:** Any individual executing this Agreement on behalf of the County or the CONTRACTOR represents and warrants hereby that he or she has the requisite authority to enter into this Agreement on behalf of such party and bind the party to the terms and conditions of this Agreement.

15.16 **Integration:** This Agreement, including the exhibits, represent the entire Agreement between the County and the CONTRACTOR with respect to the subject matter of this Agreement and shall supersede all prior negotiations, representations, or agreements, either written or oral, between the County and the CONTRACTOR as of the effective date of this Agreement, which is the date that the County signs the Agreement.

15.17 **Interpretation of Conflicting Provisions:** In the event of any conflict or inconsistency between the provisions of this Agreement and the Provisions of any exhibit or other attachment to this Agreement, the provisions of this Agreement shall prevail and control.

EXHIBIT A – SCOPE OF SERVICES/PAYMENT PROVISIONS

To Agreement by and between
County of Monterey, hereinafter referred to as "County"
and
Granite Construction Company, hereinafter referred to as "CONTRACTOR"

A. SCOPE OF SERVICES

A.1 CONTRACTOR shall provide services and staff, and otherwise do all things necessary for or incidental to the performance of work, as set forth below:

On an "on-call" basis, CONTRACTOR shall provide fully operated, fueled, and maintained equipment as outlined on the following proposed Rates and as directed by the County's Department of Public Works, Facilities, & Parks (PWF&P). CONTRACTOR shall be responsible for transporting the equipment to and from the worksite at the hourly rates stated in the attached Rates. The Rates are to remain firm for the initial term of the Agreement and, thereafter may be adjusted according to the terms and conditions of the Agreement and by written amendment executed by the County.

The Scope of Services is further defined below:

1. PWF&P will perform all work incidental to the equipment rental.
2. PWF&P will provide all traffic control.
3. PWF&P will provide all pre-notifications and signage.
4. PWF&P will provide USA notification and markings prior to starting work.
5. Rental rates do not include permits, bonds, state, or local taxes.
6. The operation of the rental equipment requires payment of prevailing wages to all workers employed under this Agreement on public work projects as defined in Labor Code Section 1771. Copies of the prevailing rate of per diem wages are on file at the County's PWF&P, 1441 Schilling Place, South 2nd Floor, Salinas, California, which shall be made available to any interested party on request.

B. PAYMENT PROVISIONS

B.1 COMPENSATION/PAYMENT

County shall pay an amount not to exceed **$100,000** for the performance of <u>all things necessary</u> for or incidental to the performance of work as set forth in the Scope of Services.

DocuSign Envelope ID: 7675058F-F326-4021-9150-0D49B8381009

EXHIBIT A – SCOPE OF SERVICES/PAYMENT PROVISIONS

CONTRACTOR's compensation for services rendered shall be based on the following Rates or in accordance with the following terms:

CONTRACTOR warrants that the cost charged for services under the terms of this Agreement are not in excess of those charged to any other client for the same services performed by the same individuals.

B.2 CONTRACTOR'S BILLING PROCEDURES

Invoices under this Agreement shall be submitted monthly and promptly, and in accordance with Paragraph 6.0, "Payment Conditions", of the Agreement. All invoices shall reference the Multi-Year Agreement (MYA) number, services *(On-Call Fully Operated, Fueled and Maintained Construction Equipment),* and associated Delivery Order (DO) number, and an original hardcopy shall be sent to the following address or via email to RMA-Finance-AP@co.monterey.ca.us:

County of Monterey
Department of Public Works, Facilities, & Parks – Finance
1441 Schilling Place, South 2nd Floor
Salinas, California 93901-4527

Any questions pertaining to invoices under this Agreement should be directed to PWF&P Finance at (831) 755-4800 or via email to: RMA-Finance-AP@co.monterey.ca.us.

County may, in its sole discretion, terminate the Agreement or withhold payments claimed by CONTRACTOR for services rendered if CONTRACTOR fails to satisfactorily comply with any term or condition of this Agreement.

No payments in advance or in anticipation of services or supplies to be provided under this Agreement shall be made by County.

County shall not pay any claims for payment for services submitted more than twelve (12) months after the calendar month in which the services were completed.

DISALLOWED COSTS: CONTRACTOR is responsible for any audit exceptions or disallowed costs incurred by its own organization or that of its subcontractors.

Matter Type: BoS Agreement

a. Approve Professional Services Agreements with GFT Infrastructure, Inc. and Harris & Associates, Inc. to provide on-call construction management services for various construction projects located in the County of Monterey, Request for Qualifications #10914, for a period of five years effective November 21, 2025 to November 20, 2030, for an amount not to exceed $3,000,000 for each Agreement;
b. Approve modified standard Professional Services Agreements with MNS Engineers, Inc. and TRC Engineers, Inc. to provide on-call construction management services for various construction projects located in the County of Monterey, Request for Qualifications #10914, for a period of five years effective November 21, 2025 to November 20, 2030, for an amount not to exceed $3,000,000 each Agreement;
c. Approve additional term extensions for each Agreement beyond the anticipated five-year term of the Request for Qualifications with no change in the scope of work or increase to the dollar amount to allow continuity of services for active projects initiated during the anticipated five-year term of each Agreement, subject to review and approval as to form by the Office of the County Counsel; and
d. Authorize the Director of Public Works, Facilities and Parks or their designee to execute said Professional Services Agreements and future amendments to said Agreements where the amendments do not significantly alter the scope of work or increase the approved amount for each Agreement.

RECOMMENDATION:
It is recommended that the Board of Supervisors:
a. Approve Professional Services Agreements with GFT Infrastructure, Inc. and Harris & Associates, Inc. to provide on-call construction management services for various construction projects located in the County of Monterey, Request for Qualifications #10914, for a period of five years effective November 21, 2025 to November 20, 2030, for an amount not to exceed $3,000,000 for each Agreement;
b. Approve modified standard Professional Services Agreements with MNS Engineers, Inc. and TRC Engineers, Inc. to provide on-call construction management services for various construction projects located in the County of Monterey, Request for Qualifications #10914, for a period of five years effective November 21, 2025 to November 20, 2030, for an amount not to exceed $3,000,000 each Agreement;
c. Approve additional term extensions for each Agreement beyond the anticipated five-year term of the Request for Qualifications with no change in the scope of work or increase to the dollar amount to allow continuity of services for active projects initiated during the anticipated five-year term of each Agreement, subject to review and approval as to form by the Office of the County Counsel; and

d. Authorize the Director of Public Works, Facilities and Parks or their designee to execute said Professional Services Agreements and future amendments to said Agreements where the amendments do not significantly alter the scope of work or increase the approved amount for each Agreement.

SUMMARY:
The Department of Public Works, Facilities and Parks (PWFP) has established several on-call Professional Services Agreements (PSAs) for specialized services when County staff requires special expertise or when the volume of work exceeds capacity to manage in a timely manner. On-call PSAs are utilized across PWFP for specialized expertise in operations, management and specific facility and capital projects.

The recommended actions will establish PSAs with GFT Infrastructure, Inc. (GFT); Harris & Associates, Inc. (Harris); MNS Engineers, Inc. (MNS); and TRC Engineers, Inc. (TRC) to provide on-call construction management services for various construction projects located in the County.

DISCUSSION:
PWFP has identified a need for construction management services for a variety of County projects. These projects comprise of a wide range of scopes from new construction to minor and major alterations to existing facilities.

The purpose of the on-call PSAs is to augment the need for construction management and inspection services when the volume of work exceeds PWFP's capacity, and to provide specialized expertise PWFP does not have. With the readily available on-call PSAs, consultant services are procured in a timely manner and with the least amount of administrative effort.

On May 15, 2025, PWFP solicited for Statements of Qualifications (SOQs) from qualified consultants through Request for Qualifications (RFQ) #10914 for on-call construction management services. On June 25, 2025, PWFP received SOQs from 15 firms. Of these 15 firms, four firms, GFT, Harris, MNS, and TRC, were identified as the most qualified through a competitive selection process in accordance with County policies and State and Federal laws under RFQ #10914. These four firms were selected for their expertise and capabilities in providing on-call construction management services for projects.

Approval of the recommended actions by the Board of Supervisors (Board) would allow for the issuance of four multi-year agreement (MYA) PSAs, each for a period of five years effective November 21, 2025 to November 20, 2030, for an amount not to exceed $3,000,000 for each PSA, for a combined total of $12,000,000. Each consultant's scope of work, in general, provides construction management services, including but not limited to construction inspection, material testing and surveying services.

The modified standard PSAs with MNS and TRC include language that differs from the County's standard terms. The MNS PSA includes a minor modification to paragraphs 5.01 and 5.02 of Section 5, Performance Standards, and Section 9, Insurance, which does not represent a material change in terms. The TRC PSA also includes a minor modification to paragraph 5.02 of Section 5, Performance Standards. The minor modifications have been reviewed and deemed acceptable by the

Office of the County Counsel, including the County's Risk Manager, and are reflected within the attached proposed modified PSAs (Attachments C and D).

Attachments A through D, provided for reference, include the proposed PSAs and modified standard PSAs. Attachments E and F provide RFQ #10914 and Addendum No. 1 to RFQ #10914.

OTHER AGENCY INVOLVEMENT/COMMITTEE ACTIONS:
The Office of the County Counsel, including Risk Management, and the Auditor-Controller's Office have reviewed and approved the PSAs and modified standard PSAs as to form, liability and fiscal provisions, respectively.

FINANCING:
On-call construction management services are used for projects that arise throughout the year and are not specifically scheduled in advance. Appropriations are included in the Road Fund 002 and Capital Project Fund 404 budgets to cover such unscheduled services. Future budgets will continue to include funding for this purpose as well. Costs for services provided under these PSAs will be charged to the applicable project or operating unit and reimbursed from the respective project funding sources.

BOARD OF SUPERVISORS STRATEGIC PLAN GOALS:
The recommended action aligns with the Board's Strategic Plan Goals for Sustainable Infrastructure, both now and in the future. The on-call construction management services will support the construction of sustainable, physical infrastructure that are required for living, working, recreating in, and visiting the County of Monterey.

COUNTY OF MONTEREY AGREEMENT FOR PROFESSIONAL SERVICES WITH SURVEYORS, ARCHITECTS, ENGINEERS & DESIGN PROFESSIONALS

This Professional Services Agreement ("Agreement") is made by and between the County of Monterey, a political subdivision of the State of California (hereinafter "County") and:
GFT Infrastructure, Inc.,
(hereinafter "CONTRACTOR").

In consideration of the mutual covenants and conditions set forth in this Agreement, the parties agree as follows:

1. **SERVICES TO BE PROVIDED.** The County hereby engages CONTRACTOR to perform, and CONTRACTOR hereby agrees to perform, the services described in **Exhibit A** in conformity with the terms of this Agreement. The services are generally described as follows:
Provide on-call construction management services for various construction projects located in the County of Monterey, Request for Qualifications (RFQ) #10914.

2. **PAYMENTS BY COUNTY.** County shall pay the CONTRACTOR in accordance with the payment provisions set forth in **Exhibit A**, subject to the limitations set forth in this Agreement. The total amount payable by County to CONTRACTOR under this Agreement shall not exceed the sum of $ 3,000,000.

3. **TERM OF AGREEMENT.** The term of this Agreement is from November 21, 2025 **to** November 20, 2030, unless sooner terminated pursuant to the terms of this Agreement. This Agreement is of no force or effect until signed by both CONTRACTOR and County and with County signing last, and CONTRACTOR may not commence work before County signs this Agreement.

4. **ADDITIONAL PROVISIONS/EXHIBITS.** The following attached exhibits are incorporated herein by reference and constitute a part of this Agreement:

Exhibit A Scope of Services/Payment Provisions
Exhibit B Federal Provisions
Exhibit C Incorporation of RFQ #10914, Addendum No. 1 to RFQ #10914, and Statement of Qualifications, on file with the County of Monterey, Department of Public Works, Facilities and Parks (PWFP)

5. **PERFORMANCE STANDARDS.**

5.01. CONTRACTOR warrants that CONTRACTOR and CONTRACTOR's agents, employees, and subcontractors performing services under this Agreement are specially trained, experienced, competent, and appropriately licensed to perform the work and deliver the services required under this Agreement and are not employees of the County, or immediate family of an employee of the County.

5.02. CONTRACTOR, its agents, employees, and subcontractors shall perform all work in a safe and skillful manner and in compliance with all applicable laws and regulations. All work performed

Docusign Envelope ID: 5731CC04-27ED-433A-847F-F32E5C457C35

under this Agreement that is required by law to be performed or supervised by licensed personnel shall be performed in accordance with such licensing requirements.

5.03. CONTRACTOR shall furnish, at its own expense, all materials, equipment, and personnel necessary to carry out the terms of this Agreement, except as otherwise specified in this Agreement. CONTRACTOR shall not use County premises, property (including equipment, instruments, or supplies) or personnel for any purpose other than in the performance of its obligations under this Agreement.

6. PAYMENT CONDITIONS.

6.01. CONTRACTOR shall submit to the Contract Administrator an invoice on a form acceptable to County. If not otherwise specified, the CONTRACTOR may submit such invoice periodically or at the completion of services, but in any event, not later than 30 days after completion of services. The invoice shall set forth the amounts claimed by CONTRACTOR for the previous period, together with an itemized basis for the amounts claimed, and such other information pertinent to the invoice as the County may require. The Contract Administrator or his or her designee shall certify the invoice; either in the requested amount or in such other amount as the County approves in conformity with this Agreement, and shall promptly submit such invoice to the County Auditor-Controller for payment. The County Auditor-Controller shall pay the amount certified within 30 days of receiving the certified invoice.

6.02. CONTRACTOR shall not receive reimbursement for travel expenses unless set forth in this Agreement.

7. TERMINATION.

7.01. During the term of this Agreement, the County may terminate the Agreement for any reason by giving written notice of termination to the CONTRACTOR at least thirty (30) days prior to the effective date of termination. Such notice shall set forth the effective date of termination. In the event of such termination, the amount payable under this Agreement shall be reduced in proportion to the services provided prior to the date of termination.

7.02. The County may cancel and terminate this Agreement for good cause effective immediately upon written notice to CONTRACTOR. "Good cause" includes the failure of CONTRACTOR to perform the required services at the time and in the manner provided under this Agreement. If County terminates this Agreement for good cause, the County may be relieved of the payment of any consideration to CONTRACTOR, and the County may proceed with the work in any manner, which County deems proper. The cost to the County shall be deducted from any sum due the CONTRACTOR under this Agreement.

8. INDEMNIFICATION.

8.01 For purposes of the following indemnification provisions ("Indemnification Agreement"), "design professional" has the same meaning as set forth in California Civil Code section 2782.8. If any term, provision or application of this Indemnification Agreement is found to be invalid, in violation of public policy or unenforceable to any extent, such finding shall not invalidate any other term or provision of this Indemnification Agreement and such other terms and provisions

Docusign Envelope ID: 5731CC04-27ED-433A-847F-F32E5C457C35

shall continue in full force and effect. If there is any conflict between the terms, provisions or application of this Indemnification Agreement and the provisions of California Civil Code Sections 2782 or 2782.8, the broadest indemnity protection for County under this Indemnity Agreement that is permitted by law shall be provided by CONTRACTOR.

8.02 Indemnification for Design Professional Services Claims:
CONTRACTOR shall indemnify, defend and hold harmless County, its governing board, directors, officers, employees, and agents against any claims that arise out of, or pertain to, or relate to the negligence, recklessness, or willful misconduct of CONTRACTOR, its employees, subcontractors, and agents in the performance of design professional services under this Agreement, excepting only liability arising from the sole negligence, active negligence or willful misconduct of County, or defect in a design furnished by County, but in no event shall the amount of such CONTRACTOR's liability exceed such CONTRACTOR's proportionate percentage of fault as determined by a court, arbitrator or mediator, or as set out in a settlement agreement. In the event one (1) or more defendants to any action involving such claim or claims against County is unable to pay its share of defense costs due to bankruptcy or dissolution of the business, such CONTRACTOR shall meet and confer with the other parties to such action regarding unpaid defense costs.

8.03 Indemnification for All Other Claims or Loss:
For any claim, loss, injury, damage, expense or liability other than claims arising out of CONTRACTOR's performance of design professional services under this Agreement, CONTRACTOR shall indemnify, defend and hold harmless County, its governing board, directors, officers, employees, and agents against any claim for loss, injury, damage, expense or liability resulting from or alleging injury to or death of any person or loss of use of or damage to property, arising from or related to the performance of services under this Agreement by CONTRACTOR, its employees, subcontractors or agents, excepting only liability arising from the sole negligence, active negligence or willful misconduct of County, or defect in a design furnished by County.

9. INSURANCE.

9.01 Evidence of Coverage:
Prior to commencement of this Agreement, the Contractor shall provide a "Certificate of Insurance" certifying that coverage as required herein has been obtained. Individual endorsements executed by the insurance carrier shall accompany the certificate. In addition, the Contractor upon request shall provide a certified copy of the policy or policies.

This verification of coverage shall be sent to the County's Contracts/Purchasing Division, unless otherwise directed. The CONTRACTOR shall not receive a "Notice to Proceed" with the work under this Agreement until it has obtained all insurance required and such, insurance has been approved by the County. This approval of insurance shall neither relieve nor decrease the liability of the CONTRACTOR.

9.02 Qualifying Insurers:
All coverages, except surety, shall be issued by companies which hold a current policy holder's alphabetic and financial size category rating of not less than A VII, according to the current A.M.

Docusign Envelope ID: 5731CC04-27ED-433A-847F-F32E5C457C35

Best's Rating Guide or a company of equal financial stability that is approved by the County's Purchasing Agent.

9.03 Insurance Coverage Requirements: Without limiting CONTRACTOR's duty to indemnify, CONTRACTOR shall maintain in effect throughout the term of this Agreement a policy or policies of insurance with the following minimum limits of liability:

Commercial General Liability Insurance: including but not limited to premises and operations, including coverage for Bodily Injury and Property Damage, Personal Injury, Contractual Liability, Broad form Property Damage, Independent Contractors, Products and Completed Operations, with a combined single limit for Bodily Injury and Property Damage of not less than $1,000,000 per occurrence, and $2,000,000 in the aggregate.
(Note: any proposed modifications to these general liability insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in blue ink. All proposed modifications are subject to County approval.)

Auto Liability Coverage: must include motor vehicles, including scheduled, non-owned, and hired vehicles, used in providing services under this Agreement, with a combined single limit or Bodily Injury and Property Damage of not less than $1,000,000 per occurrence.
(Note: any proposed modifications to these auto insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in blue ink. All proposed modifications are subject to County approval.)

Workers' Compensation Insurance, if CONTRACTOR employs others in the performance of this Agreement, in accordance with California Labor Code section 3700 and with Employer's Liability limits not less than $1,000,000 each person, $1,000,000 each accident and $1,000,000 each disease.
(Note: any proposed modifications to these workers' compensation insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in blue ink. All proposed modifications are subject to County approval.)

Professional Liability Insurance: if required for the professional services being provided, (e.g., those persons authorized by a license to engage in a business or profession regulated by the California Business and Professions Code), in the amount of not less than $1,000,000 per claim and $2,000,000 in the aggregate, to cover liability for malpractice or errors or omissions made in the course of rendering professional services. If professional liability insurance is written on a "claims-made" basis rather than an occurrence basis, the CONTRACTOR shall, upon the expiration or earlier termination of this Agreement, obtain extended reporting coverage ("tail coverage") with the same liability limits. Any such tail coverage shall continue for at least three years following the expiration or earlier termination of this Agreement.
(Note: Professional liability insurance coverage is required if the contractor is providing a professional service regulated by the state. Examples of service providers regulated by the state are insurance agents, professional architects and engineers, doctors, certified public accountants, lawyers, etc. However, other professional Contractors, such as computer or software designers, technology services, and services providers such as claims administrators, should also have professional liability. If in doubt, consult with your risk or contract manager.)

Docusign Envelope ID: 5731CC04-27ED-433A-847F-F32E5C457C35

If the contractor maintains broader coverage and/or higher limits than the minimums shown above, the County requires and shall be entitled to the broader coverage and/or higher limits maintained by the contractor.

9.04 Other Requirements:

All insurance required by this Agreement shall be with a company acceptable to the County and issued and executed by an admitted insurer authorized to transact Insurance business in the State of California. Unless otherwise specified by this Agreement, all such insurance shall be written on an occurrence basis, or, if the policy is not written on an occurrence basis, such policy with the coverage required herein shall continue in effect for a period of three years following the date CONTRACTOR completes its performance of services under this Agreement.

Each liability policy shall provide that the County shall be given notice in writing at least thirty days in advance of any endorsed reduction in coverage or limit, cancellation, or intended non-renewal thereof. Each policy shall provide coverage for Contractor and additional insureds with respect to claims arising from each subcontractor, if any, performing work under this Agreement, or be accompanied by a certificate of insurance from each subcontractor showing each subcontractor has identical insurance coverage to the above requirements.

Additional Insured Status:
The County of Monterey, its officers, officials, employees, agents, and volunteers are to be covered as additional insureds on the auto liability policy for liability arising out of automobiles owned, leased, hired or borrowed by or on behalf of the Contractor. Auto liability coverage shall be provided in the form of an endorsement to the CONTRACTOR'S insurance.

The County of Monterey, its officers, officials, employees, agents, and volunteers are to be covered as additional insureds on the commercial general liability policy with respect to liability arising out of work or operations performed by or on behalf of the CONTRACTOR including materials, parts, or equipment furnished in connection with such work or operations. General liability coverage shall be provided in the form of an endorsement to the CONTRACTOR'S insurance (at least as broad as ISO Form CG 20 10 11 85 or if not available, through the addition of both CG 20 10, CG 20 26, CG 20 33, or CG 20 38; and CG 20 37 if a later edition is used).

Primary Coverage:
For any claims related to this contract, the CONTRACTOR'S insurance coverage shall be primary and non-contributory and at least as broad as ISO CG 20 01 04 13 as respects the County, its officers, officials, employees, agents, and volunteers. Any insurance or self-insurance maintained by the County, its officers, officials, employees, agents, or volunteers shall be excess of the CONTRACTOR'S insurance and shall not contribute with it. This requirement shall also apply to any Excess or Umbrella liability policies.

Workers' Compensation Waiver of Subrogation:
The workers' compensation policy required hereunder shall be endorsed to state that the workers' compensation carrier waives its right of subrogation against COUNTY, its officers, officials, employees, agents, or volunteers, which might arise by reason of payment under such policy in connection with performance under this Agreement by CONTRACTOR. Should CONTRACTOR be self-insured for workers' compensation, CONTRACTOR hereby agrees to waive its right of subrogation against COUNTY, its officers, officials, employees, agents, or volunteers.

Docusign Envelope ID: 5731CC04-27ED-433A-847F-F32E5C457C35

Prior to the execution of this Agreement by the County, CONTRACTOR shall file certificates of insurance and endorsements with the County's contract administrator and County's Contracts/Purchasing Division, showing that the CONTRACTOR has in effect the insurance required by this Agreement. The CONTRACTOR shall file a new or amended certificate of insurance within five calendar days after any change is made in any insurance policy, which would alter the information on the certificate then on file. Acceptance or approval of insurance shall in no way modify or change the indemnification clause in this Agreement, which shall continue in full force and effect. CONTRACTOR shall always during the term of this Agreement maintain in force the insurance coverage required under this Agreement and shall send, without demand by County, annual certificates to County's Contract Administrator and County's Contracts/Purchasing Division. If the certificate is not received by the expiration date, County shall notify CONTRACTOR and CONTRACTOR shall have five calendar days to send in the certificate, evidencing no lapse in coverage during the interim. Failure by CONTRACTOR to maintain such insurance is a default of this Agreement, which entitles County, at its sole discretion, to terminate this Agreement immediately.

10. RECORDS AND CONFIDENTIALITY.

10.01 Confidentiality. CONTRACTOR and its officers, employees, agents, and subcontractors shall comply with any and all federal, state, and local laws, which provide for the confidentiality of records and other information. CONTRACTOR shall not disclose any confidential records or other confidential information received from the County or prepared in connection with the performance of this Agreement, unless County specifically permits CONTRACTOR to disclose such records or information. CONTRACTOR shall promptly transmit to County any and all requests for disclosure of any such confidential records or information. CONTRACTOR shall not use any confidential information gained by CONTRACTOR in the performance of this Agreement except for the sole purpose of carrying out CONTRACTOR's obligations under this Agreement.

10.02 County Records. When this Agreement expires or terminates, CONTRACTOR shall return to County any County records which CONTRACTOR used or received from County to perform services under this Agreement.

10.03 Maintenance of Records. CONTRACTOR shall prepare, maintain, and preserve all reports and records that may be required by federal, state, and County rules and regulations related to services performed under this Agreement. CONTRACTOR shall maintain such records for a period of at least three years after receipt of final payment under this Agreement. If any litigation, claim, negotiation, audit exception, or other action relating to this Agreement is pending at the end of the three-year period, then CONTRACTOR shall retain said records until such action is resolved.

10.04 Access to and Audit of Records. The County shall have the right to examine, monitor and audit all records, documents, conditions, and activities of the CONTRACTOR and its subcontractors related to services provided under this Agreement. Pursuant to Government Code section 8546.7, if this Agreement involves the expenditure of public funds in excess of $10,000, the parties to this Agreement may be subject, at the request of the County or as part of any audit of the County, to the examination and audit of the State Auditor pertaining to matters connected with the performance of this Agreement for a period of three years after final payment under the Agreement.

10.05 Royalties and Inventions. County shall have a royalty-free, exclusive and irrevocable license to reproduce, publish, and use, and authorize others to do so, all original computer programs, writings, sound recordings, pictorial reproductions, drawings, and other works of similar nature produced in the course of or under this Agreement. CONTRACTOR shall not publish any such material without the prior written approval of County.

10.06 Format of Deliverables: For this section, "Deliverables" shall mean all electronic documents CONTRACTOR provides to the County under this Agreement. CONTRACTOR shall ensure all Deliverables comply with the requirements of the Web Content Accessibility Guidelines ("WCAG") 2.1, pursuant to the Americans with Disabilities Act ("ADA"). CONTRACTOR bears the burden to deliver Deliverables, such as Adobe Acrobat Portable Document Format ("PDF") and Microsoft Office files, complying with WCAG 2.1. CONTRACTOR shall defend and indemnify the County against any breach of this Section. This Section shall survive the termination of this Agreement. Find more on Accessibility at this State website: https://webstandards.ca.gov/accessibility/.

11. **NON-DISCRIMINATION.** During the performance of this Agreement, CONTRACTOR, and its subcontractors, shall not unlawfully discriminate against any person because of race, religious creed, color, sex, national origin, ancestry, physical disability, mental disability, medical condition, marital status, age (over 40), sexual orientation, or any other characteristic set forth in California Government code § 12940(a), either in CONTRACTOR's employment practices or in the furnishing of services to recipients. CONTRACTOR shall ensure that the evaluation and treatment of its employees and applicants for employment and all persons receiving and requesting services are free of such discrimination. CONTRACTOR and any subcontractor shall, in the performance of this Agreement, fully comply with all federal, state, and local laws and regulations which prohibit discrimination. The provision of services primarily or exclusively to such target population as may be designated in this Agreement shall not be deemed to be prohibited discrimination.

12. **COMPLIANCE WITH TERMS OF STATE OR FEDERAL GRANT.** If this Agreement has been or will be funded with monies received by the County pursuant to a contract with the state or federal government in which the County is the grantee, CONTRACTOR will comply with all the provisions of said contract, to the extent applicable to CONTRACTOR as a subgrantee under said contract, and said provisions shall be deemed a part of this Agreement, as though fully set forth herein. Upon request, County will deliver a copy of said contract to CONTRACTOR, at no cost to CONTRACTOR.

13. **COMPLIANCE WITH APPLICABLE LAWS.**

13.01 CONTRACTOR shall keep itself informed of and in compliance with all federal, state, and local laws, ordinances, regulations, and orders, including but not limited to all state and federal tax laws that may affect in any manner the Project or the performance of the Services or those engaged to perform Services under this Agreement as well as any privacy laws including, if applicable, Health Insurance Portability and Accountability Act (HIPAA). CONTRACTOR shall procure all permits and licenses, pay all charges and fees, and give all notices require by law in the performance of the Services.

Docusign Envelope ID: 5731CC04-27ED-433A-847F-F32E5C457C35

13.02 CONTRACTOR shall report immediately to County's Contracts/Purchasing Officer, in writing, any discrepancy or inconsistency it discovers in the laws, ordinances, regulations, orders, and/or guidelines in relation to the Project of the performance of the Services.

13.03 All documentation prepared by CONTRACTOR shall provide for a completed project that conforms to all applicable codes, rules, regulations, and guidelines that are in force at the time such documentation is prepared.

14. **INDEPENDENT CONTRACTOR.** In the performance of work, duties, and obligations under this Agreement, CONTRACTOR is at all times acting and performing as an independent contractor and not as an employee of the County. No offer or obligation of permanent employment with the County or particular County department or agency is intended in any manner, and CONTRACTOR shall not become entitled by virtue of this Agreement to receive from County any form of employee benefits including but not limited to sick leave, vacation, retirement benefits, workers' compensation coverage, insurance or disability benefits. CONTRACTOR shall be solely liable for and obligated to pay directly all applicable taxes, including federal and state income taxes and social security, arising out of CONTRACTOR's performance of this Agreement. In connection therewith, CONTRACTOR shall defend, indemnify, and hold County harmless from any and all liability, which County may incur because of CONTRACTOR's failure to pay such taxes.

15. **NOTICES.** Notices required under this Agreement shall be delivered personally or by first-class, postage pre-paid mail to the County and CONTRACTOR's Contract Administrators at the addresses listed below:

16. **MISCELLANEOUS PROVISIONS.**

16.01 Conflict of Interest. CONTRACTOR represents that it presently has no interest and agrees not to acquire any interest during the term of this Agreement, which would directly or indirectly conflict in any manner or to any degree with the full and complete performance of the professional services required to be rendered under this Agreement.

16.02 Amendment. This Agreement may be amended or modified only by an instrument in writing signed by the County and the CONTRACTOR.

16.03 Waiver. Any waiver of any terms and conditions of this Agreement must be in writing and signed by the County and the CONTRACTOR. A waiver of any of the terms and conditions of this Agreement shall not be construed as a waiver of any other terms or conditions in this Agreement.

Docusign Envelope ID: 5731CC04-27ED-433A-847F-F32E5C457C35

16.04 Contractor. The term "CONTRACTOR" as used in this Agreement includes CONTRACTOR's officers, agents, and employees acting on CONTRACTOR's behalf in the performance of this Agreement.

16.05 Disputes. CONTRACTOR shall continue to perform under this Agreement during any dispute.

16.06 Assignment and Subcontracting. The CONTRACTOR shall not assign, sell, or otherwise transfer its interest or obligations in this Agreement without the prior written consent of the County. None of the services covered by this Agreement shall be subcontracted without the prior written approval of the County. Notwithstanding any such subcontract, CONTRACTOR shall continue to be liable for the performance of all requirements of this Agreement.

16.07 Successors and Assigns. This Agreement and the rights, privileges, duties, and obligations of the County and CONTRACTOR under this Agreement, to the extent assignable or delegable, shall be binding upon and inure to the benefit of the parties and their respective successors, permitted assigns, and heirs.

16.08 Headings. The headings are for convenience only and shall not be used to interpret the terms of this Agreement.

16.09 Time is of the Essence. Time is of the essence in each and all of the provisions of this Agreement.

16.10 Governing Law. This Agreement shall be governed by and interpreted under the laws of the State of California.

16.11 Non-exclusive Agreement. This Agreement is non-exclusive and both County and CONTRACTOR expressly reserve the right to contract with other entities for the same or similar services.

16.12 Construction of Agreement. The County and CONTRACTOR agree that each party has fully participated in the review and revision of this Agreement and that any rule of construction to the effect that ambiguities are to be resolved against the drafting party shall not apply in the interpretation of this Agreement or any amendment to this Agreement.

16.13 Authority. Any individual executing this Agreement on behalf of the County or the CONTRACTOR represents and warrants hereby that he or she has the requisite authority to enter into this Agreement on behalf of such party and bind the party to the terms and conditions of this Agreement.

16.14 Integration. This Agreement, including the exhibits, represent the entire Agreement between the County and the CONTRACTOR with respect to the subject matter of this Agreement and shall supersede all prior negotiations, representations, or agreements, either written or oral, between the County and the CONTRACTOR as of the effective date of this Agreement, which is the date that the County signs the Agreement.

Docusign Envelope ID: 5731CC04-27ED-433A-847F-F32E5C457C35

16.15 Interpretation of Conflicting Provisions. In the event of any conflict or inconsistency between the provisions of this Agreement and the Provisions of any exhibit or other attachment to this Agreement, the provisions of this Agreement shall prevail and control.

16.16 Independent Contractor Compliance with Government Code Section 1097.6 (c). This section applies to those situations when a contractor/consultant is awarded a Contract for a preliminary phase of a project, with future phases to be bid separately. This section does not apply to those situations when a Contract is awarded for multiple phases of a project under a single contract/proposal. When applicable, and as described below, contractor/consultant's duties and services under this agreement shall not include preparing or assisting the public entity with any portion of the public entity's preparation of a request for proposals, request for qualifications, or any other solicitation regarding a subsequent or additional contract with the public entity. The public entity entering this agreement shall at all times retain responsibility for public contracting, including with respect to any subsequent phase of this project. Contractor/consultant's participation in the planning, discussions, or drawing of project plans or specifications shall be limited to conceptual, preliminary, or initial plans or specifications. Contractor/consultant shall cooperate with the public entity to ensure that all bidders for a subsequent contract on any subsequent phase of this project have access to the same information, including all conceptual, preliminary, or initial plans or specifications prepared by contractor pursuant to this agreement.

17. **CONSENT TO USE OF ELECTRONIC SIGNATURES**.

17.01 The parties to this Agreement consent to the use of electronic signatures via DocuSign to execute this Agreement. The parties understand and agree that the legality of electronic signatures is governed by state and federal law, 15 USC Section 7001 *et seq*.; California Government Code Section 16.5; and, California Civil Code Section 1633.1 *et seq*. Pursuant to said state and federal law as may be amended from time to time, the parties to this Agreement hereby authenticate and execute this Agreement, and any and all Exhibits to this Agreement, with their respective electronic signatures, including any and all scanned signatures in portable document format (PDF).

17.02 Counterparts. The parties to this Agreement understand and agree that this Agreement can be executed in two (2) or more counterparts and transmitted electronically via facsimile transmission or by delivery of a scanned counterpart in PDF via email transmittal.

17.03 Form: Delivery by E-Mail or Facsimile. Executed counterparts of this Agreement may be delivered by facsimile transmission or by delivery of a scanned counterpart in PDF by e-mail transmittal, in either case with delivery confirmed. On such confirmed delivery, the signatures in the facsimile or PDF data file shall be deemed to have the same force and effect as if the manually signed counterpart or counterparts had been delivered to the other party in person.

EXHIBIT A - SCOPE OF SERVICES/PAYMENT PROVISIONS

To Agreement by and between
County of Monterey, hereinafter referred to as "County"
and
GFT Infrastructure, Inc., hereinafter referred to as "CONTRACTOR"

A. SCOPE OF SERVICES

A.1 CONTRACTOR shall provide services and staff, and otherwise do all things necessary for or incidental to the performance of work, as set forth below:

A.1.1 CONTRACTOR's Minimum Work Performance Percentage: CONTRACTOR shall perform with their own organization Agreement work amounting to not less than fifty percent (50%) of the original total Agreement price. CONTRACTOR shall not assign, subcontract, sell, or otherwise transfer its interest or obligations in this Agreement without the prior written consent of County.

A.1.2 The scope of services includes in general construction management and engineering inspection services for various construction projects within the County. The construction projects include the repair and upgrade of existing roadways, drainage facilities, and traffic control devices.

A.1.3 The broad scope requires a diversity of expertise and the ability to deal with a number of specialized construction contract issues. Of particular concern are the qualifications and experience of the individual(s) who will be directly involved in the project(s), as they relate to the California Department of Transportation (Caltrans).

A.1.4 The construction management effort shall include, but not be limited to, the following services and requirements:

Contract Administration:
Provide overall coordination of construction management services, including supervision of contract administration, labor compliance, Disadvantaged Business Enterprise (DBE) programs, field observations and outside services. Attend regularly scheduled project meetings with County or CONTRACTOR representatives to review the progress of the work, resolve field problems as they occur, and perform project related public relations with the public and outside agencies such as the United States Army Corps of Engineers (USACE) and the California Department of Fish and Wildlife (CDFW).

General Inspection:
Provide daily inspections and supervision of the work of the construction contractor's operations as construction progresses and promptly report and resolve problems regarding performance and/or conformity with the drawings and specifications, including contract administration and construction engineering of

Docusign Envelope ID: 5731CC04-27ED-433A-847F-F32E5C457C35

the assigned project. Assist County Resident Engineer in managing construction operations. In accordance with the State Standard Specifications and Special Provisions, ensure that all utility work is coordinated with the appropriate utility company and that all the appropriate permits and inspections are obtained for all items of work.

Change Orders:
In accordance with State Standard Specifications, Special Provisions, and County format, prepare, process, and make recommendations on change orders. County will approve all change orders which are acceptable to County.

Surveying:
Coordinate and supervise construction surveying and staking. Construction staking is to be included in the services provided by CONTRACTOR.

Material Testing:
Coordinate, interpret, certify, and supervise all required soils and material tests in accordance with Caltrans test methods and Standard Specifications. CONTRACTOR shall provide County with a Caltrans certified material testing company to provide material testing services per Caltrans Standard Specifications.

Test Data:
Review and approve copies of certificates of compliance, independent testing laboratory reports, and manufacturer's shop or mill tests to ensure conformance with contract specifications.

Plan Interpretation:
With the assistance of County Resident Engineer, as needed, to interpret the intent of the plans and specifications to protect County against defects and deficiencies in construction on the part of the construction contractor.

Pre-Construction Conference:
Assist in the pre-construction meeting with construction contractor and other project participants. This discussion affords all the parties of the construction contract a common understanding of the proposed work and problems, and possible solutions that may be expected during the life of the construction contract. Labor compliance, equal employment opportunity, safety requirements, water pollution requirements, agreements, and permits shall also be discussed. Respond to questions construction contractor may have and address issues that need to be resolved before work commences.

Safety and Accidents:
Assume the duties of the Project Safety Coordinator. Ensure construction contractor complies with all safety orders, Federal and State, and permits through normal contract administration procedures. Document all incidents with

Docusign Envelope ID: 5731CC04-27ED-433A-847F-F32E5C457C35

photographs and written reports. Manage safety precautions through construction contractor for the public in construction areas.

Approval Schedule:
Prepare a schedule (using Microsoft Project) indicating all items that will be submitted by construction contractor for review and approval requiring action by County. Furnish appropriate forms, as necessary, and monitor the construction contractor's adherence to the schedule.

False Work and Shop Drawings:
Keep records, provide timely engineering review, and prepare written recommendations certifying the adequacy of construction contractor's submittal for false work as well as construction of false work. Coordinate, document, and make engineering recommendations in writing on approval of shop drawings. Final submittal approvals shall be made in consultation with County.

Progress Statements:
Prepare and provide monthly progress statements meeting County requirements including the following: monthly estimates on all items of work with source documents to verify progress payments. Submit weekly copies of daily diaries to County. Submit a copy of the baseline progress schedule and monthly updates as required by the Special Provisions.

Final Walk-through and Final Inspection:
Conduct project walk-through prior to completion of construction. Minutes of this walk-through shall be completed by CONTRACTOR and a copy shall be sent to County. The final walk-through list of attendees shall be coordinated with County. CONTRACTOR shall complete a final inspection of the project and complete the required Final Report forms.

As-Built Plans:
Provide County with an electronic as-built plan file complete with redline changes or corrections. Such plans will be based upon information obtained from field measurements and observations made during project construction and approved contract change orders. The electronic signature and seal of the responsible Registered Resident Engineer or Construction Engineer will be placed in the file on Level 62 (refer to "Highway Design and Topography Information" on Page 2.5-2 of the *Caltrans Computer Aided Design & Drafting (CADD) User's Manual*).

Contract Records:
At the completion of the project, submit the original set of construction books to County cataloged in accordance with Chapter 5, Section 5-102, "Organization of Project Documents," of the *Caltrans Construction Manual* and as directed by County. These records shall include all correspondence, meeting minutes, photographs, agreements, hazardous waste material information and tests, labor

Docusign Envelope ID: 5731CC04-27ED-433A-847F-F32E5C457C35

compliance, contract administration forms, bridge work, diaries, contract item quantity documents, contract change orders, project status sheets, project record-estimate and project status, disputes, project completion documents, etc.

A.1.5 Services shall be provided on an on-call basis. County shall contact CONTRACTOR with regards to an individual task and/or project. CONTRACTOR shall then submit a detailed proposal that shall include at minimum assigned CONTRACTOR staff, relevant task, deliverables, schedule, and cost.

A.1.6 The exact scope for construction management services will be determined prior to a notice to proceed for a specific task and/or project. County may negotiate the scope and cost of the proposal prior to issuance of the notice to proceed. County has the right to reject any submitted proposal.

A.1.7 CONTRACTOR shall advocate for County and ensure the project produced is in the best interest of County. CONTRACTOR shall deliver products on or ahead of the required schedule and within budget.

A.1.8 All work shall be performed in conformance with all applicable County, State and Federal laws relevant to the specific project scope.

A.1.9 In compliance with RFQ #10914, if the project for which CONTRACTOR is ultimately hired for is funded with Federal Highway Administration (FHWA) funds, CONTRACTOR will be required to comply with Federal Provisions. Caltrans Local Assistance Procedures Manual (LAPM), Federal Provisions in Exhibit B, attached hereto and incorporated by reference, shall be completed separately for each individual project by CONTRACTOR and submitted to County for approval prior to County issuing CONTRACTOR with a notice to proceed for the project.

A.1.10 County will issue CONTRACTOR a Delivery Order (DO) number for each individual task and/or project in the amount agreed upon by both parties and after County provides a notice to proceed. DO numbers for each task and/or project will close at the end of each fiscal year (July 1–June 30) and, if necessary, may be reissued at the start of the following fiscal year to allow completion of the task and/or project. The CONTRACTOR should note that County DO numbers change with each fiscal year; therefore, the DO number assigned to a task and/or project may differ from its start to its completion.

A.2 CONTRACTOR shall produce all deliverables (e.g., written reports, installed products, etc.) associated with the assigned task(s) by the deadline specified by the County.

Docusign Envelope ID: 5731CC04-27ED-433A-847F-F32E5C457C35

B. PAYMENT PROVISIONS

B.1 COMPENSATION/PAYMENT

County shall pay an amount not to exceed **$3,000,000**, for the performance of all things necessary for or incidental to the performance of work as set forth in the Scope of Services. CONTRACTOR's compensation for services rendered shall be based on the rates as included in this Exhibit A and in accordance with the following terms:

County and CONTRACTOR agree that CONTRACTOR shall be reimbursed for travel expenses during this Agreement. CONTRACTOR shall receive compensation for travel expenses as per the "County Travel Policy". A copy of the policy is available online at https://www.countyofmonterey.gov/home/showdocument?id=69364. To receive reimbursement, CONTRACTOR must provide a detailed breakdown of authorized expenses, identifying what was expended and when.

County and CONTRACTOR agree that CONTRACTOR and its subcontractors shall be reimbursed for mileage based upon the Internal Revenue Service (IRS) standard business mileage rate at the time of travel.

CONTRACTOR agrees that pursuant to Labor Code Section 1771, not less than general prevailing rate of per diem wages shall be paid to all workers employed on any public work projects in excess of one thousand dollars ($1,000).

Under California Labor Code sections 1720 et seq., a contract for some or all of the work contemplated by RFQ #10914 may be considered a public work. If applicable, CONTRACTOR shall comply with provisions of the Labor Code (sections 1720 et seq.) governing public works, including payment of prevailing wages, payroll records, and employment of apprentices. Copies of the determination of the general prevailing rate of per diem wages are available to interested parties at: *http://www.dir.ca.gov/public-works/prevailing-wage.html*.

Travel expenses for federally funded projects shall be reimbursed in accordance with California Department of Human Resources' (CalHR) rates https://hrmanual.calhr.ca.gov/home/manualitem/1/2201.

CONTRACTOR warrants that the cost charged for services under the terms of this Agreement are not in excess of those charged to any other client for the same services performed by the same individuals.

B.2 CONTRACTOR'S BILLING PROCEDURES

Invoices under this Agreement shall be submitted monthly and promptly, and in accordance with Section 6, "Payment Conditions", of the Agreement. All invoices shall reference the Agreement's Multi-Year Agreement (MYA) number and associated DO number, services and/or project name, County Project Manager, and an original hardcopy

Docusign Envelope ID: 5731CC04-27ED-433A-847F-F32E5C457C35

Introduction

Moore Twining Associates, Inc. (Moore Twining), founded in 1898, has continually provided professional consulting and analytical services throughout California for the past 120 years. Moore Twining provides professional services in geotechnical engineering, environmental services, construction inspection, materials testing, drilling services, and analytical chemistry.

Offices are maintained in Riverside, Fresno, Sand City (Monterey), and Sacramento, California with the Fresno office also serving as our corporate headquarters. Our professional staff consists of registered geotechnical engineers, registered civil engineers, registered professional geologists, certified engineering geologists, chemists, certified inspectors, laboratory technicians, and administrative personnel.

Our reputation for service and integrity is known by individuals involved in all aspects of the engineering and testing industries throughout California. We take pride in providing our clients with consistently reliable and cost-effective services.

Basis of Fees

1. Fees stated in this fee schedule are for professional services, construction inspection, and materials testing services provided by Moore Twining Associates, Inc. Geotechnical, Environmental, Analytical Chemistry and Drilling fees are presented separately upon request.
2. The fees listed herein are typical of engineering, inspection, and testing services most frequently provided by Moore Twining Associates, Inc. Fees for other services and special quotations will be provided upon request. Special consideration is given to projects involving protracted periods of time or volume testing. All fees are subject to change without notice.
3. A minimum of four hours per day will be charged for all field services portal to portal from our nearest office to the job site. Field services over four hours will be charged at four hour increments thereafter. A cancellation charge of four hours will be billed in the event the client fails to notify our office of a cancellation at least 24 hours prior to the scheduled inspection.
4. Time Schedule: Basis of sampling, observation, travel, and other fees:

   Rate of Changes Period

Regular Time	Monday through Friday – eight hours from 8:00 a.m. to 5:00 p.m.
Time and One-Half	Monday through Friday – after continuous eight hours and Saturdays
Double Time	Monday through Friday – after continuous eight hours Work and four overtime hours and/or Sundays and Holidays

   Shift Differential

Second Shift	Regular hourly rate plus 15% for the first eight hours worked; time in excess of eight hours will be charged at overtime rate

5. Fees reflect per-unit tests and only include reporting of laboratory and/or field results not requiring engineering evaluation, recommendations, and/or conclusions.
6. Vehicle mileage, when applicable, is $0.70 per mile or current IRS mileage reimbursement rate. Drill rig, heavy equipment trucks, and four-wheel drive vehicles are $1.75 per mile. All vehicle mileage charges (except for drill rigs) are from Moore Twining Associates, Inc.'s nearest office. Drill rigs are from our Drilling office located at 662 R Street in Fresno, California.
7. Work requiring special equipment, machinery rental, outside consultants, etc., will be charged at cost-plus-15% unless otherwise noted. The cost of replacing equipment that is damaged due to client's request and/or negligence will be assessed.
8. For delivery of additional materials and/or equipment to the job site, pick-up of materials requested, and/or equipment ordered but not used, there will be a charge of $70/hour. There will be a restocking fee of 20% on all materials returned. Any special rental equipment such as air compressors, generators, cement mixers, etc. can be provided at cost-plus-15%, plus pick-up and delivery charges. Other equipment necessary to meet your project's special needs can be obtained upon request. Clients ordering specialized materials will be billed for the full amount pf purchase regardless of utilization of only a portion thereof.
9. Staff billing rates will be imposed for requested research into technical files or records.

Docusign Envelope ID: 5731CC04-27ED-433A-847F-F32E5C457C35

10. Requests for additional copies of reports are charged at secretarial rate plus photocopying fee of $0.10 per page.
11. Facsimiles are charged at $1.00 per page for local calls and $1.50 for long-distance calls.
12. Public carriers, i.e. overnight mail, FedEx, UPS, Greyhound, etc. will be charged at cost plus secretarial time.
13. Processing of affidavits and certificates are charged at $50 for each additional insured.
14. Additional insured certificates are charged at $50 for each additional insured.
15. Certified payroll, $50 per week.
16. The client will be invoiced for all services, equipment, materials, and supplies used on a project. Any invoice under $100 will be C.O.D. ~~All other invoices are due and payable on the 10th of the next succeeding month following date of charge and are past-due thereafter. Past-due balances are subject to a finance charge of 1.5% per month (an annual percentage rate [APR] of 18%).~~ All invoice errors or necessary corrections will be brought to the attention of the company within ten days of receipt of the invoice; thereafter, client acknowledges invoices are correct and valid.
17. The unit rates provided in this fee schedule will be applicable until December 31, 2030.

Article I - Introduction

A. This AGREEMENT is between the following named, hereinafter referred to as, CONTRACTOR and the following named, hereinafter referred to as, COUNTY:

The name of the "CONTRACTOR" is as follows:

_____
_____
_____

Incorporated in the State of California

The Project Manager for the "CONTRACTOR" will be:

_____

The name of the COUNTY is as follows:

County of Monterey
Department of Public Works, Facilities and Parks
1441 Schilling Place, South 2nd Floor
Salinas, CA 93901-4527

The Project Manager for the COUNTY will be:

_____
_____
_____

B. The work to be performed under this AGREEMENT is described in Article III Statement of Work and the approved CONTRACTOR's Cost Proposal dated (month, date, year). The approved CONTRACTOR's Cost Proposal is attached hereto as (Exhibit _____) and incorporated by reference. If there is any conflict between the approved Cost Proposal and this AGREEMENT, this AGREEMENT shall take precedence.

C. CONTRACTOR agrees to the fullest extent permitted by law, to indemnify, protect, defend, and holdharmless COUNTY, its officers, officials, agents, employees and volunteers from and against any and all claims, damages, demands, liability, costs, losses and expenses, including without limitation, court costs and reasonable attorneys' and expert witness fees, arising out of any failure to comply with applicable law, any injury to or death of any person(s), damage to property, loss of use of property, economic loss or otherwise arising out of the performance of the work described herein, to the extent caused by a negligent act or negligent failure to act, errors, omissions, recklessness or willful misconduct incident to the performance of this AGREEMENT on the part of CONTRACTOR, except such loss or damage which was caused by the sole negligence, or willful misconduct of COUNTY, as determined by a Court of competent jurisdiction. The provisions of this section shall survive termination or suspension of this AGREEMENT.

D. CONTRACTOR in the performance of this AGREEMENT, shall act in an independent capacity. It is understood and agreed that CONTRACTOR (including CONTRACTOR's employees) is an independent contractor, and that no relationship of employer-employee exists between the parties hereto. CONTRACTOR's assigned personnel shall not be entitled to any benefits payable to employees of COUNTY.

E. COUNTY is not required to make any deductions or withholdings from the compensation payable to CONTRACTOR under the provisions of the AGREEMENT and is not required to issue W-2 Forms for income and employment tax purposes for any of CONTRACTOR's assigned personnel. CONTRACTOR, in the performance of its obligation hereunder, is only subject to the control or direction of the COUNTY as to the designation of tasks to be performed and theresults to be accomplished.

F. Any third-party person(s) employed by CONTRACTOR shall be entirely and exclusively under the direction, supervision, and control of CONTRACTOR. CONTRACTOR hereby indemnifies and holds COUNTY harmless from any and all claims that may be made against COUNTY based upon any contention by any third party that an employer-employee relationship exists by reason of this AGREEMENT.

G. Except as expressly authorized herein, CONTRACTOR 's obligations under this AGREEMENT are not assignable or transferable, and CONTRACTOR shall not subcontract any work, without the prior written approval of the COUNTY. However, claims for money due or which become due to CONTRACTOR from COUNTY under this AGREEMENT may be assigned to a financial institutionor to a trustee in bankruptcy, without such approval. Notice of any assignment or transfer whether voluntary or involuntary shall be furnished promptly to the COUNTY.

H. CONTRACTOR shall be as fully responsible to the COUNTY for the negligent acts and omissions of its contractors and subconsultants or subcontractors, and of persons either directly orindirectly employed by them, in the same manner as persons directly employed by CONTRACTOR.

I. No alteration or variation of the terms of this AGREEMENT shall be valid, unless made in writing and signed by the parties authorized to bind the parties; and no oral understanding or agreement not incorporated herein, shall be binding on any of the parties hereto.

J. The consideration to be paid to CONTRACTOR as provided herein, shall be in compensation for all of CONTRACTOR's expenses incurred in the performance hereof, including travel and per diem, unless otherwise expressly so provided.

Article II Contractor's Reports or Meetings

(Choose either Option 1 or Option 2)

☐ (Option 1 – Use Paragraphs A & B below for standard AGREEMENT)

A. CONTRACTOR shall submit progress reports at least once a month. The report should be sufficiently detailed for the COUNTY's Contract Administrator to determine, if CONTRACTOR is performing to expectations, or is on schedule; to provide communication of interim findings, and to sufficiently address any difficulties or special problems encountered, so remedies can be developed.

B. CONTRACTOR's Project Manager shall meet with COUNTY's Contract Administrator, as needed, to discuss progress on the AGREEMENT.

☐ (Option 2 – Use Paragraphs A & B below for ON-CALL AGREEMENTS)

A. CONTRACTOR shall submit progress reports on each specific project in accordance with the Task Order. These reports shall be submitted at least once a month. The report should be sufficiently

Docusign Envelope ID: 5731CC04-27ED-433A-847F-F32E5C457C35

detailed for COUNTY's Contract Administrator or Project Coordinator to determine, if CONTRACTOR is performing to expectations, or is on schedule; to provide communication of interim findings, and to sufficiently address any difficulties or special problems encountered, so remedies can be developed.

B. CONTRACTOR's Project Manager shall meet with COUNTY's Contract Administrator or Project Coordinator, as needed, to discuss progress on the project(s).

Article III Statement of Work

(Insert Appropriate Statement of Work including a Description of the Deliverables) *in the following sections. If a section does not apply to the AGREEMENT, state "Not Applicable to this AGREEMENT.")*

A. CONTRACTOR Services ☐ Not Applicable to this Agreement

Detail based on the services to be furnished should be provided by CONTRACTOR. Nature and extent should be verified in the negotiations to make precise statements to eliminate subsequent uncertainties and misunderstandings. Reference to the appropriate standards for design or other standards for work performance stipulated in CONTRACTOR AGREEMENT should be included. Describe acceptance criteria, and if the responsible CONTRACTOR/engineer shall sign all Plans, Specifications and Estimate (PS&E) and engineering data furnished under the AGREEMENT including registration number.

Environmental documents are not considered complete until a Caltrans District Senior Environmental Planner signs the Categorical Exclusion, a Caltrans Deputy District Director signs the Finding of No Significant Impact (FONSI), or the Caltrans District Director signs the Record of Decision (see LAPM Chapter 6: Environmental Procedures, and the Standard Environmental Reference).

B. Right of Way ☐ Not Applicable to this Agreement

State whether Right of Way requirements to be determined and shown by CONTRACTOR, whether land surveys and computations with metes and bounds descriptions are to be made, and whether Right of Way parcel maps are to be furnished.

C. Surveys ☐ Not Applicable to this Agreement

State whether or not the CONTRACTOR has the responsibility for performing preliminary or construction surveys.

D. Subsurface Investigations ☐ Not Applicable to this Agreement

State specifically whether or not CONTRACTOR has the responsibility for making subsurface investigations. If borings or other specialized services are to be made by others under the supervision of CONTRACTOR, appropriate provisions are to be incorporated. Archaeological testing and data recovery guidance can be found in the Standard Environmental Reference.

E. COUNTY (LOCAL AGENCY) Obligations ☐ Not Applicable to this Agreement

All data applicable to the project and in possession of COUNTY (local agency), another agency, or government agency that are to be made available to CONTRACTOR are referred to in the AGREEMENT. Any other assistance or services to be furnished to CONTRACTOR are to be stated clearly.

F. Conferences, Site Visits, Inspection of Work ☐ Not Applicable to this Agreement

This AGREEMENT provides for conferences as needed, visits to the site, and inspection of the

Docusign Envelope ID: 5731CC04-27ED-433A-847F-F32E5C457C35

work by representatives of the COUNTY, State, and/or FHWA. Costs incurred by CONTRACTOR for meetings, subsequent to the initial meeting shall be included in the fee.

G. Checking Shop Drawings ☐ Not Applicable to this Agreement
For AGREEMENTS requiring the preparation of construction drawings and make provision for checking shop drawings. Payment for checking shop drawings by CONTRACTOR is included in the AGREEMENT fee, or provision may be made for separate payment.

H. CONTRACTOR Services During Construction ☐ Not Applicable to this Agreement
The extent, if any of CONTRACTOR's services during the course of construction as material testing, construction surveys, etc., are specified in the AGREEMENT together with the method of payment for such services.

I. Documentation and Schedules ☐ Not Applicable to this Agreement
AGREEMENTS where appropriate, shall provide that CONTRACTOR document the results of the work to the satisfaction of COUNTY, and if applicable, the State and FHWA. This may include preparation of progress and final reports, plans, specifications and estimates, or similar evidence of attainment of the AGREEMENT objectives.

J. Deliverables and Number of Copies ☐ Not Applicable to this Agreement
The number of copies or documents to be furnished such as reports, brochures, sets of plans, specifications, or Right of Way parcel maps *shall be specified.* Provision may be made for payment for additional copies.

Article IV Performance Period

A time must be set for beginning and ending the work under the AGREEMENT. The time allowedfor performing the work is specified; it should be reasonable for the kind and amount of services contemplated; and it is written into the AGREEMENT. If it is desirable that Critical Path Method (CPM) networks, or other types of schedules be prepared by CONTRACTOR, they should be identified and incorporated into the AGREEMENT.

A. This AGREEMENT shall go into effect on (month, date, year), contingent upon approval by COUNTY, and CONTRACTOR shall commence work after notification to proceed by COUNTY Contract Administrator. The AGREEMENT shall end on (month, date, year)**,** unless extended by AGREEMENT amendment.

B. CONTRACTOR is advised that any recommendation for AGREEMENT award is not binding on COUNTY until the AGREEMENT is fully executed and approved by COUNTY.

Use paragraph C below in addition to paragraphs A & B above for on-call AGREEMENTS. On-call AGREEMENTS shall be five (5) years maximum.

C. The period of performance for each specific project shall be in accordance with the Task Order for that project. If work on a Task Order is in progress on the expiration date of this AGREEMENT, the terms of the AGREEMENT shall be extended by AGREEMENT amendment prior to the expiration of the AGREEMENT to cover the time needed to complete the task order in progress only. The maximum term shall not exceed five (5) years.

Article V Allowable Costs and Payments

(Choose either Option 1, 2, 3, or 4)

☐ *(Option 1 - Use paragraphs A through K below for Cost-Plus-Fixed Fee AGREEMENTS. Use Exhibit10-H1: Cost Proposal Format)*

A. The method of payment for this AGREEMENT will be based on actual cost plus a fixed fee. COUNTY will reimburse CONTRACTOR for actual costs (including labor costs, employee benefits, travel, equipment rental costs, overhead and other direct costs) incurred by CONTRACTOR in performance of the work. CONTRACTOR will not be reimbursed for actual costs that exceed the estimated wage rates, employee benefits, travel, equipment rental, overhead, and other estimated costs set forth in the approved CONTRACTOR's Cost Proposal, unless additional reimbursement is provided for by AGREEMENT amendment. In no event, will CONTRACTOR be reimbursed for overhead costs at a rate that exceeds COUNTY's approved overhead rate set forth in the Cost Proposal. In the event, that COUNTY determines that a change to the work from that specified in the Cost Proposal and AGREEMENT is required, the AGREEMENT time or actual costs reimbursable by COUNTY shall be adjusted by AGREEMENT amendment to accommodate the changed work. The maximum total cost as specified in Paragraph "I" of this Article shall not be exceeded, unless authorized by AGREEMENT amendment.

B. The indirect cost rate established for this AGREEMENT is extended through the duration of this specific AGREEMENT. CONTRACTOR's agreement to the extension of the one (1)-year applicable period shall not be a condition or qualification to be considered for the work or AGREEMENT award.

C. In addition to the allowable incurred costs, COUNTY will pay CONTRACTOR a fixed fee of $_____. The fixed fee is nonadjustable for the term of the AGREEMENT, except in the event of a significant change in the scope of work and such adjustment is made by AGREEMENT amendment.

D. Reimbursement for transportation and subsistence costs shall not exceed the rates specified in the approved Cost Proposal.

E. When milestone cost estimates are included in the approved Cost Proposal, CONTRACTOR shall obtain prior written approval for a revised milestone cost estimate from the Contract Administrator before exceeding such cost estimate.

F. Progress payments will be made monthly in arrears based on services provided and allowable incurred costs. A pro rata portion of CONTRACTOR's fixed fee will be included in the monthly progress payments. If CONTRACTOR fails to submit the required deliverable items according to the schedule set forth in Article III Statement of Work, COUNTY shall have the right to delay payment or terminate this AGREEMENT.

G. No payment will be made prior to approval of any work, nor for any work performed prior to approval of this AGREEMENT.

H. CONTRACTOR will be reimbursed, promptly according to California Regulations upon receipt by COUNTY's Contract Administrator of itemized invoices in duplicate. Invoices shall be submitted no later than thirty (30) calendar days after the performance of work for which CONTRACTOR is billing. Invoices shall detail the work performed on each milestone and each project as applicable.

Docusign Envelope ID: 5731CC04-27ED-433A-847F-F32E5C457C35

Invoices shall follow the format stipulated for the approved Cost Proposal and shall reference this AGREEMENT number and project title. Final invoice must contain the final cost and all credits due COUNTY including any equipment purchased under the provisions of Article XI Equipment Purchase. The final invoice should be submitted within sixty (60) calendar days after completion of CONTRACTOR's work. Invoices shall be mailed to COUNTY's Contract Administrator at the following address:

County of Monterey
Department of Public Works, Facilities and Parks
1441 Schilling Place, South 2nd Floor
Salinas, CA 93901-4527
Attn: Finance Division

I. The total amount payable by COUNTY including the fixed fee shall not exceed $_____.

J. For personnel subject to prevailing wage rates as described in the California Labor Code, all salary increases, which are the direct result of changes in the prevailing wage rates are reimbursable.

☐ *(Option 2 - For Cost per Unit of Work AGREEMENTS, replace paragraphs A & B of Option 1 with the following paragraphs A, B, and C and re-letter the remaining paragraphs. Adjust as necessary for workspecific to your project. Use Exhibit 10-H3: Cost Proposal Format*).

A. The method of payment for the following items shall be at the rate specified for each item, as described in this Article. The specified rate shall include full compensation to CONTRACTOR for the item as described, including but not limited to, any repairs, maintenance, or insurance, and no further compensation will be allowed, therefore.

B. The specified rate to be paid for vehicle expense for CONTRACTOR's field personnel shall be $_____ per approved Cost Proposal. This rate shall be for a fully equipped vehicle(s) specified in Article III Statement of Work, as applicable the specified rate to be paid for equipment shall be, as listed in the approved Cost Proposal.

C. The method of payment for this AGREEMENT, except those items to be paid for on a specified rate basis, will be based on cost per unit of work. COUNTY will reimburse CONTRACTOR for actual costs (including labor costs, employee benefits, travel, equipment-rental costs, overhead and other direct costs) incurred by CONTRACTOR in performance of the work. CONTRACTOR will not be reimbursed for actual costs that exceed the estimated wage rates, employee benefits, travel, equipment rental, overhead and other estimated costs set forth in the approved Cost Proposal, unless additional reimbursement is provided for, by AGREEMENT amendment. In no event, will CONTRACTOR be reimbursed for overhead costs at a rate that exceeds COUNTY approved overhead rate set forth in the approved Cost Proposal. In the event, COUNTY determines that changed work from that specified in the approved Cost Proposal and AGREEMENT is required; the actual costs reimbursable by COUNTY may be adjusted by AGREEMENT amendment to accommodate the changed work. The maximum total cost as specified in Paragraph "I," of this article shall not be exceeded unless authorized by AGREEMENT amendment.

☐ ***(Option 3 - Use paragraphs A through P for Specific Rates of Compensation Agreements [such as on-call Agreements].*** **This payment method shall only be used when it is not possible at the time of**

Docusign Envelope ID: 5731CC04-27ED-433A-847F-F32E5C457C35

procurement to estimate the extent or duration of the work or to estimate costs with any reasonable degree of accuracy. The specific rates of compensation payment method should be limited to AGREEMENTS or components of AGREEMENTS for specialized or support type services where the CONTRACTOR is not in direct control of the number of hours worked, such as construction engineering and inspection. ***Use Exhibit 10-H2: Cost Proposal Format).***

A. CONTRACTOR will be reimbursed for hours worked at the hourly rates specified in CONTRACTOR's approved Cost Proposal. The specified hourly rates shall include direct salary costs, employee benefits, prevailing wages, employer payments, overhead, and fee. These rates are not adjustable for the performance period set forth in this AGREEMENT. CONTRACTOR will be reimbursed within thirty (30) calendar days upon receipt by COUNTY's Contract Administrator of itemized invoices in duplicate.

B. In addition, CONTRACTOR will be reimbursed for incurred (actual) direct costs other than salary costs that are in the approved Cost Proposal and identified in the approved cost proposal and in the executed Task Order.

C. Specific projects will be assigned to CONTRACTOR through issuance of Task Orders.

D. After a project to be performed under this AGREEMENT is identified by COUNTY, COUNTY will prepare a draft Task Order; less the cost estimate. A draft Task Order will identify the scope of services, expected results, project deliverables, period of performance, project schedule and will designate a COUNTY Project Coordinator. The draft Task Order will be delivered to CONTRACTOR for review. CONTRACTOR shall return the draft Task Order within ten (10) calendar days along with a Cost Estimate, including a written estimate of the number of hours and hourly rates per staff person, any anticipated reimbursable expenses, overhead, fee if any, and total dollar amount. After agreement has been reached on the negotiable items and total cost; the finalized Task Order shall be signed by both COUNTY and CONTRACTOR.

E. Task Orders may be negotiated for a lump sum (Firm Fixed Price) or for specific rates of compensation, both of which must be based on the labor and other rates set forth in CONTRACTOR's approved Cost Proposal.

CONTRACTOR shall be responsible for any future adjustments to prevailing wage rates including but not limited to, base hourly rates and employer payments as determined by the Department of Industrial Relations. CONTRACTOR is responsible for paying the appropriate rate, including escalations that take place during the term of the AGREEMENT.

F. (*COUNTY to include either (a) or (b) below; delete the other one (1))*

(a) Reimbursement for transportation and subsistence costs shall not exceed State rates.

(b) Reimbursement for transportation and subsistence costs shall not exceed the rates as specified in the approved Cost Proposal. CONTRACTOR will be responsible for transportation and subsistence costs in excess of State rates.

G. When milestone cost estimates are included in the approved Cost Proposal, CONTRACTOR shall obtain prior written approval in the form of an AGREEMENT amendment for a revised milestone cost estimate from the Contract Administrator before exceeding such estimate.

H. Progress payments for each Task Order will be made monthly in arrears based on services

Docusign Envelope ID: 5731CC04-27ED-433A-847F-F32E5C457C35

provided and actual costs incurred.

I. CONTRACTOR shall not commence performance of work or services until this AGREEMENT has been approved by COUNTY, and notification to proceed has been issued by COUNTY'S Contract Administrator. No payment will be made prior to approval or for any work performed prior to approval of this AGREEMENT.

J. A Task Order is of no force or effect until returned to COUNTY and signed by an authorized representative of COUNTY. No expenditures are authorized on a project and work shall not commence until a Task Order for that project has been executed by COUNTY.

K. CONTRACTOR will be reimbursed, within thirty (30) days upon receipt by COUNTY'S Contract Administrator of itemized invoices in duplicate. Separate invoices itemizing all costs are required for all work performed under each Task Order. Invoices shall be submitted no later than thirty (30) calendar days after the performance of work for which CONTRACTOR is billing, or upon completion of the Task Order. Invoices shall detail the work performed on each milestone, on each project as applicable. Invoices shall follow the format stipulated for the approved Cost Proposal and shall reference this AGREEMENT number, project title and Task Order number. Credits due to COUNTY that include any equipment purchased under the provisions of Article XI Equipment Purchase, must be reimbursed by CONTRACTOR prior to the expiration or termination of this AGREEMENT. Invoices shall be mailed to COUNTY's Contract Administrator at the following address:

County of Monterey
Department of Public Works, Facilities and Parks
1441 Schilling Place, South 2nd Floor
Salinas, CA 93901-4527
Attn: Finance Division

L. The period of performance for Task Orders shall be in accordance with dates specified in the Task Order. No Task Order will be written which extends beyond the expiration date of this AGREEMENT.

M. The total amount payable by COUNTY for an individual Task Order shall not exceed the amount agreed to in the Task Order, unless authorized by amendment.

N. If CONTRACTOR fails to satisfactorily complete a deliverable according to the schedule set forth in a Task Order, no payment will be made until the deliverable has been satisfactorily completed.

O. Task Orders may not be used to amend the language (or terms) of this AGREEMENT nor to exceed the scope of work under this AGREEMENT.

P. The total amount payable by COUNTY for all Task Orders resulting from this AGREEMENT shall not exceed **$** It is understood and agreed that there is no guarantee, either expressed or implied that this dollar amount will be authorized under this AGREEMENT through Task Orders.

☐ *(Option 4 - Use paragraphs A through E below for lump sum AGREEMENTS. Use Exhibit 10-H1: Cost Proposal Format).*

A. The method of payment for this AGREEMENT will be based on lump sum. The total lump sum price paid to CONTRACTOR will include compensation for all work and deliverables, including travel and equipment described in Article III Statement of Work. No additional compensation will

Docusign Envelope ID: 5731CC04-27ED-433A-847F-F32E5C457C35

be paid to CONTRACTOR, unless there is a change in the scope of the work or the scope of the project. In the instance of a change in the scope of work or scope of the project, adjustment to the total lump sum compensation will be negotiated between CONTRACTOR and COUNTY. Adjustment in the total lump sum compensation will not be effective until authorized by contract amendment and approved by COUNTY.

B. Progress payments may be made monthly in arrears based on the percentage of work completed by CONTRACTOR. If CONTRACTOR fails to submit the required deliverable items according to the schedule set forth in Article III Statement of Work, COUNTY shall have the right to delay payment or terminate this AGREEMENT in accordance with the provisions of Article VI Termination.

C. CONTRACTOR shall not commence performance of work or services until this AGREEMENT has been approved by COUNTY and notification to proceed has been issued by COUNTY'S Contract Administrator. No payment will be made prior to approval of any work, or for any work performed prior to approval of this AGREEMENT.

D. CONTRACTOR will be reimbursed within thirty (30) days upon receipt by County's Contract Administrator of itemized invoices in duplicate. Invoices shall be submitted no later than thirty (30) calendar days after the performance of work for which CONTRACTOR is billing. Invoices shall detail the work performed on each milestone, on each project as applicable. Invoices shall follow the format stipulated for the approved Cost Proposal and shall reference this AGREEMENT number and project title. Final invoice must contain the final cost and all credits due COUNTY that include any equipment purchased under the provisions of Article XI Equipment Purchase. The final invoice must be submitted within sixty (60) calendar days after completion of CONTRACTOR's work unless a later date id approved by County. Invoices shall be mailed to COUNTY's Contract Administrator at the following address:

County of Monterey
Department of Public Works, Facilities and Parks
1441 Schilling Place, South 2nd Floor
Salinas, CA 93901-4527
Attn: Finance Division

E. The total amount payable by COUNTY shall not exceed $_____.

Article VI Termination

A. This AGREEMENT may be terminated by COUNTY, provided that COUNTY gives not less than thirty (30) calendar days' written notice (delivered by certified mail, return receipt requested) of intent to terminate. Upon termination, COUNTY shall be entitled to all work, including but not limited to, reports, investigations, appraisals, inventories, studies, analyses, drawings, and data estimates performed to that date, whether completed or not.

B. COUNTY may temporarily suspend this AGREEMENT, at no additional cost to COUNTY, provided that CONTRACTOR is given written notice (delivered by certified mail, return receipt requested) of temporary suspension. If COUNTY gives such notice of temporary suspension, CONRACTOR shall immediately suspend its activities under this AGREEMENT. A temporary suspension may be issued concurrent with the notice of termination.

C. Notwithstanding any provisions of this AGREEMENT, CONTRACTOR shall not be relieved of liability to COUNTY for damages sustained by COUNTY by virtue of any breach of this AGREEMENT by CONTRACTOR, and COUNTY may withhold any payments due to CONTRACTOR until such time

Docusign Envelope ID: 5731CC04-27ED-433A-847F-F32E5C457C35

as exact amount of damages, if any, due COUNTY from CONTRACTOR isdetermined.

D. In the event of termination, CONTRACTOR shall be compensated as provided for in this AGREEMENT. Upon termination, COUNTY shall be entitled to all work, including but not limited to, reports, investigations, appraisals, inventories, studies, analyses, drawings, and data estimates performed to that date, whether completed or not.

Article VII Cost Principles and Administrative Requirements

A. CONTRACTOR agrees that 48 CFR Part 31, Contract Cost Principles and Procedures shall be used to determine the allowability of individual terms of cost.

B. CONTRACTOR also agrees to comply with Federal procedures in accordance with 2 CFR, Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards.

C. Any costs for which payment has been made to CONTRACTOR that are determined by subsequent audit to be unallowable under 48 CFR Part 31 or 2 CFR Part 200 are subject to repayment by CONTRACTOR to COUNTY.

D. When a CONTRACTOR or subcontractor is a Non-Profit Organization or an Institution of Higher Education, the Cost Principles for Title 2 CFR Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards shall apply.

Article VIII Retention of Records/Audit

For the purpose of determining compliance with Government Code §8546.7, the CONTRACTOR, subcontractors, and COUNTY shall maintain all books, documents, papers, accounting records, Independent CPA Audited Indirect Cost Rate workpapers, and other evidence pertaining to the performance of the AGREEMENT, including but not limited to, the costs of administering the AGREEMENT. All parties, including the CONTRACTOR's Independent CPA, shall make such workpapers and materials available at their respective offices at all reasonable times during the AGREEMENT period and for three (3) years from the date of final payment under the AGREEMENT. COUNTY, Caltrans Auditor, FHWA, or any duly authorized representative of the Federal Government having jurisdiction under Federal laws or regulations (including the basis of Federal funding in whole or in part) shall have access to any books, records, and documents of CONTRACTOR, subcontractor and the CONTRACTOR's Independent CPA, that are pertinent to the AGREEMENT for audits, examinations, workpaper review, excerpts, and transactions, and copies thereof shall be furnished if requested without limitation.

Article IX Audit Review Procedures

A. Any dispute concerning a question of fact arising under an interim or post audit of this AGREEMENT that is not disposed of by AGREEMENT, shall be reviewed by COUNTY'S Chief Financial Officer.

B. Not later than thirty (30) calendar days after issuance of the final audit report, CONTRACTOR may request a review by COUNTY'S Chief Financial Officer of unresolved audit issues. The request for review will be submitted in writing.

C. Neither the pendency of a dispute nor its consideration by COUNTY will excuse CONTRACTOR from full and timely performance, in accordance with the terms of this AGREEMENT.

D. CONTRACTOR and subcontractor AGREEMENTS, including cost proposals and Indirect Cost Rates

Docusign Envelope ID: 5731CC04-27ED-433A-847F-F32E5C457C35

(ICR), may be subject to audits or reviews such as, but not limited to, an AGREEMENT audit, an incurred cost audit, an ICR Audit, or a CPA ICR audit work paper review. If selected for audit or review, the AGREEMENT, cost proposal and ICR and related work papers, if applicable, will be reviewed to verify compliance with 48 CFR, Part 31 and other related laws and regulations. In the instances of a CPA ICR audit work paper review, it is CONTRACTOR's responsibility to ensure federal, state, COUNTY or local government officials are allowed full access to the CPA's work papers including making copies as necessary. The AGREEMENT, cost proposal, and ICR shall be adjusted by CONTRACTOR and approved by COUNTY Contract Administrator to conform to the audit or review recommendations. CONTRACTOR agrees that individual terms of costs identified in the audit report shall be incorporated into the AGREEMENT by this reference if directed by COUNTY at its sole discretion. Refusal by CONTRACTOR to incorporate audit or review recommendations, or to ensure that the federal, COUNTY or local governments have access to CPA work papers, will be considered a breach of AGREEMENT terms and cause for termination of the AGREEMENT and disallowance of prior reimbursed costs.

E. CONTRACTOR's Cost Proposal may be subject to a CPA ICR Audit Work Paper Review and/or audit by the Independent Office of Audits and Investigations (IOAI). IOAI, at its sole discretion, may review and/or audit and approve the CPA ICR documentation. The Cost Proposal shall be adjusted by the CONTRACTOR and approved by the COUNTY Contract Administrator to conform to the Work Paper Review recommendations included in the management letter or audit recommendations included in the audit report. Refusal by the CONTRACTOR to incorporate the Work Paper Review recommendations included in the management letter or audit recommendations included in the audit report will be considered a breach of the AGREEMENT terms and cause for termination of the AGREEMENT and disallowance of prior reimbursed costs.

1. During IOAI's review of the ICR audit work papers created by the CONTRACTOR's independent CPA, IOAI will work with the CPA and/or CONTRACTOR toward a resolution of issues that arise during the review. Each party agrees to use its best efforts to resolve any audit disputes in a timely manner. If IOAI identifies significant issues during the review and is unable to issue a cognizant approval letter, COUNTY will reimburse the CONTRACTOR at an accepted ICR until a FAR (Federal Acquisition Regulation) compliant ICR {e.g. 48 CFR, Part 31; GAGAS (Generally Accepted Government Auditing Standards); CAS (Cost Accounting Standards), if applicable; in accordance with procedures and guidelines of the American Association of State Highways and Transportation Officials (AASHTO) Audit Guide; and other applicable procedures and guidelines} is received and approved by IOAI.

   Accepted rates will be as follows:
   a. If the proposed rate is less than one hundred fifty percent (150%) - the accepted rate reimbursed will be ninety percent (90%) of the proposed rate.
   b. If the proposed rate is between one hundred fifty percent (150%) and two hundred percent (200%) - the accepted rate will be eighty-five percent (85%) of the proposed rate.
   c. If the proposed rate is greater than two hundred percent (200%) - the accepted rate will be seventy-five percent (75%) of the proposed rate.

2. If IOAI is unable to issue a cognizant letter per paragraph E.1. above, IOAI may require CONTRACTOR to submit a revised independent CPA-audited ICR and audit report within three (3) months of the effective date of the management letter. IOAI will then have up to six (6) months to review the CONTRACTOR's and/or the independent CPA's revisions.

Docusign Envelope ID: 5731CC04-27ED-433A-847F-F32E5C457C35

3. If the CONTRACTOR fails to comply with the provisions of this paragraph E, or if IOAI is still unable to issue a cognizant approval letter after the revised independent CPA-audited ICR is submitted, overhead cost reimbursement will be limited to the accepted ICR that was established upon initial rejection of the ICR and set forth in paragraph E.1. above for all rendered services. In this event, this accepted ICR will become the actual and final ICR for reimbursement purposes under this AGREEMENT.

4. CONTRACTOR may submit to COUNTY final invoice only when all of the following items have occurred: (1) IOAI accepts or adjusts the original or revised independent CPA-audited ICR; (2) all work under this AGREEMENT has been completed to the satisfaction of COUNTY; and (3) IOAI has issued its final ICR review letter. The CONTRACTOR MUST SUBMIT ITS FINAL INVOICE TO COUNTY no later than sixty (60) calendar days after occurrence of the last of these items. The accepted ICR will apply to this AGREEMENT and all other agreements executed between COUNTY and the CONTRACTOR, either as a prime or subcontractor, with the same fiscal period ICR.

Article X Subcontracting

A. Nothing contained in this AGREEMENT or otherwise, shall create any contractual relation between the COUNTY and any subcontractor(s), and no sub agreement shall relieve the CONTRACTOR of its responsibilities and obligations hereunder. The CONTRACTOR agrees to be as fully responsible to the COUNTY for the acts and omissions of its subcontractor(s) and of persons either directly or indirectly employed by any of them as it is for the acts and omissions of persons directly employed by the CONTRACTOR. The CONTRACTOR's obligation to pay its subcontractor(s) is an independent obligation from the COUNTY's obligation to make payments to the CONTRACTOR.

B. CONTRACTOR shall perform the work contemplated with resources available within its own organization and no portion of the work shall be subcontracted without written authorization by COUNTY's Contract Administrator, except that, which is expressly identified in the CONTRACTOR's approved Cost Proposal.

C. Any sub agreement entered into as a result of this AGREEMENT shall contain all the provisions stipulated in this entire AGREEMENT to be applicable to subcontractors unless otherwise noted.

D. CONTRACTOR shall pay its subcontractors within fifteen (15) calendar days from receipt of each payment made to the CONTRACTOR by the COUNTY.

E. Any substitution of subcontractor(s) must be approved in writing by COUNTY's Contract Administrator in advance of assigning work to a substitute subcontractor(s).

F. Prompt Progress Payment
CONTRACTOR or subcontractor shall pay to any subcontractor, not later than fifteen (15) days after receipt of each progress payment, unless otherwise agreed to in writing, the respective amounts allowed CONTRACTOR on account of the work performed by the subcontractors, to the extent of each subcontractor's interest therein. In the event that there is a good faith dispute over all or any portion of the amount due on a progress payment from CONTRACTOR or subcontractor to a subcontractor, CONTRACTOR or subcontractor may withhold no more than one hundred fifty percent (150%) of the disputed amount. Any violation of this requirement shall constitute a cause for disciplinary action and shall subject the licensee to a penalty, payable to the subcontractor, of two percent (2%) percent of the amount due per month for every month that payment is not made.

Docusign Envelope ID: 5731CC04-27ED-433A-847F-F32E5C457C35

In any action for the collection of funds wrongfully withheld, the prevailing party shall be entitled to his or her attorney's fees and costs. The sanctions authorized under this requirement shall be separate from, and in addition to, all other remedies, either civil, administrative, or criminal. This clause applies to both DBE and non-DBE subcontractors.

G. Prompt Payment of Withheld Funds to subcontractors

The COUNTY may hold retainage from CONTRACTOR and shall make prompt and regular incremental acceptances of portions, as determined by the COUNTY, of the contract work, and pay retainage to CONTRACTOR based on these acceptances. The COUNTY shall designate one of the methods below in the contract to ensure prompt and full payment of any retainage kept by CONTRACTOR or subcontractor to a subcontractor. (Choose either Method 1, Method 2, or Method 3 below and delete the other two (2).)

☐ **Method 1**: No retainage will be held by the COUNTY from progress payments due to CONTRACTOR. CONTRACTORS and subcontractors are prohibited from holding retainage from subcontractors. Any delay or postponement of payment may take place only for good cause and with the COUNTY's prior written approval. Any violation of these provisions shall subject the violating CONTRACTOR or subcontractor to the penalties, sanctions, and other remedies specified in Section 3321 of the California Civil Code. This requirement shall not be construed to limit or impair any contractual, administrative or judicial remedies, otherwise available to CONTRACTOR or subcontractor in the event of a dispute involving late payment or nonpayment by CONTRACTOR, deficient subcontractor performance and/or noncompliance by a subcontractor. This clause applies to both DBE and non-DBE subcontractors.

☐ **Method 2**: No retainage will be held by the COUNTY from progress payments due to CONTRACTOR. Any retainage kept by CONTRACTOR or by a subcontractor must be paid in full to the earning subcontractor within fifteen (15) days after the subcontractor's work is satisfactorily completed. Any delay or postponement of payment may take place only for good cause and with the COUNTY's prior written approval. Any violation of these provisions shall subject the violating CONTRACTOR or subcontractor to the penalties, sanctions, and remedies specified in Section 3321 of the California Civil Code. This requirement shall not be construed to limit or impair any contractual, administrative or judicial remedies, otherwise available to CONTRACTOR or subcontractor in the event of a dispute involving late payment or nonpayment by CONTRACTOR, deficient subcontractor performance and/or noncompliance by a subcontractor. This clause applies to both DBE and non-DBE subcontractors.

☐ **Method 3**: The COUNTY shall hold retainage from CONTRACTOR and shall make prompt and regular incremental acceptances of portions, as determined by the COUNTY of the contract work and pay retainage to CONTRACTOR based on these acceptances. CONTRACTOR or subcontractor shall return all monies withheld in retention from all subcontractors within fifteen (15) days after receiving payment for work satisfactorily completed and accepted including incremental acceptances of portions of the contract work by the COUNTY. Any delay or postponement of payment may take place only for good cause and with the COUNTY's prior written approval. Any violation of these provisions shall subject the violating CONTRACTOR or subcontractor to the penalties, sanctions, and other remedies specified in Section 3321 of the California Civil Code. This requirement shall not be construed to limit or impair any contractual, administrative or judicial remedies otherwise available to CONTRACTOR or subcontractor in the event of a dispute involving late payment or nonpayment by CONTRACTOR; deficient subcontractor performance

Docusign Envelope ID: 5731CC04-27ED-433A-847F-F32E5C457C35

and/or noncompliance by a subcontractor. This clause applies to both DBE and non-DBE subcontractors.

Any violation of these provisions shall subject the violating CONTRACTOR or subcontractor to the penalties, sanctions and other remedies specified therein. These requirements shall not be construed to limit or impair any contractual, administrative, or judicial remedies otherwise available to CONTRACTOR or subcontractor in the event of a dispute involving late payment or nonpayment by CONTRACTOR, deficient subcontract performance, or noncompliance by a subcontractor.

Article XI Equipment Purchase and Other Capital Expenditures

A. Prior authorization in writing, by COUNTY's Contract Administrator shall be required before CONTRACTOR enters into any unbudgeted purchase order, or subcontract exceeding five thousand dollars ($5,000) for supplies, equipment, or CONTRACTOR services. CONTRACTOR shall provide an evaluation of the necessity or desirability of incurring such costs.

B. For purchase of any item, service or consulting work not covered in CONTRACTOR's approved Cost Proposal and exceeding five thousand dollars ($5,000) with prior authorization by COUNTY's Contract Administrator; three competitive quotations must be submitted with the request, or the absence of proposal must be adequately justified.

C. Any equipment purchased with funds provided under the terms of this AGREEMENT is subject to the following:

1. CONTRACTOR shall maintain an inventory of all nonexpendable property. Nonexpendable property is defined as having a useful life of at least two years and an acquisition cost of five thousand dollars ($5,000) or more. If the purchased equipment needs replacement and is sold or traded in, COUNTY shall receive a proper refund or credit at the conclusion of the AGREEMENT, or if the AGREEMENT is terminated, CONTRACTOR may either keep the equipment and credit COUNTY in an amount equal to its fair market value, or sell such equipment at the best price obtainable at a public or private sale, in accordance with established COUNTY procedures; and credit COUNTY in an amount equal to the sales price. If CONTRACTOR elects to keep the equipment, fair market value shall be determined at CONTRACTOR's expense, on the basis of a competent independent appraisal of such equipment. Appraisals shall be obtained from an appraiser mutually agreeable to by COUNTY and CONTRACTOR, if it is determined to sell the equipment, the terms and conditions of such sale must be approved in advance by COUNTY.

2. Regulation 2 CFR Part 200 requires a credit to Federal funds when participating equipment with a fair market value greater than five thousand dollars ($5,000) is credited to the project.

Article XII State Prevailing Wage Rates

A. No CONTRACTOR or subcontractor may be awarded an AGREEMENT containing public work elements unless registered with the Department of Industrial Relations (DIR) pursuant to Labor Code §1725.5. Registration with DIR must be maintained throughout the entire term of this AGREEMENT, including any subsequent amendments.

B. The CONTRACTOR shall comply with all of the applicable provisions of the California Labor Code requiring the payment of prevailing wages. The General Prevailing Wage Rate Determinations

Docusign Envelope ID: 5731CC04-27ED-433A-847F-F32E5C457C35

applicable to work under this AGREEMENT are available and on file with the Department of Transportation's Regional/District Labor Compliance Officer (https://dot.ca.gov/programs/construction/labor-compliance). These wage rates are made a specific part of this AGREEMENT by reference pursuant to Labor Code §1773.2 and will be applicable to work performed at a construction project site. Prevailing wages will be applicable to all inspection work performed at COUNTY construction sites, at COUNTY facilities and at off-site locations that are set up by the construction contractor or one of its subcontractors solely and specifically to serve COUNTY projects. Prevailing wage requirements do not apply to inspection work performed at the facilities of vendors and commercial materials suppliers that provide goods and services to the general public.

C. General Prevailing Wage Rate Determinations applicable to this project may also be obtained from the Department of Industrial Relations website at http://www.dir.ca.gov.

D. Payroll Records

1. Each CONTRACTOR and subcontractor shall keep accurate certified payroll records and supporting documents as mandated by Labor Code §1776 and as defined in 8 CCR §16000 showing the name, address, social security number, work classification, straight time and overtime hours worked each day and week, and the actual per diem wages paid to each journeyman, apprentice, worker, or other employee employed by the CONTRACTOR or subcontractor in connection with the public work. Each payroll record shall contain or be verified by a written declaration that it is made under penalty of perjury, stating both of the following:

    a. The information contained in the payroll record is true and correct.

    b. The employer has complied with the requirements of Labor Code §1771, §1811, and §1815 for any work performed by his or her employees on the public works project.

2. The payroll records enumerated under paragraph (1) above shall be certified as correct by the CONTRACTOR under penalty of perjury. The payroll records and all supporting documents shall be made available for inspection and copying by COUNTY representatives at all reasonable hours at the principal office of the CONTRACTOR. The CONTRACTOR shall provide copies of certified payrolls or permit inspection of its records as follows:

    a. A certified copy of an employee's payroll record shall be made available for inspection or furnished to the employee or the employee's authorized representative on request.

    b. A certified copy of all payroll records enumerated in paragraph (1) above, shall be made available for inspection or furnished upon request to a representative of COUNTY, the Division of Labor Standards Enforcement and the Division of Apprenticeship Standards of the Department of Industrial Relations. Certified payrolls submitted to COUNTY, the Division of Labor Standards Enforcement and the Division of Apprenticeship Standards shall not be altered or obliterated by the CONTRACTOR.

    c. The public shall not be given access to certified payroll records by the CONTRACTOR. The CONTRACTOR is required to forward any requests for certified payrolls to the COUNTY Contract Administrator by both email and regular mail on

Docusign Envelope ID: 5731CC04-27ED-433A-847F-F32E5C457C35

the business day following receipt of the request.

3. Each CONTRACTOR shall submit a certified copy of the records enumerated in paragraph (1) above, to the entity that requested the records within ten (10) calendar days after receipt of a written request.

4. Any copy of records made available for inspection as copies and furnished upon request to the public or any public agency by COUNTY shall be marked or obliterated in such a manner as to prevent disclosure of each individual's name, address, and social security number. The name and address of the CONTRACTOR or subcontractor performing the work shall not be marked or obliterated.

5. The CONTRACTOR shall inform COUNTY of the location of the records enumerated under paragraph (1) above, including the street address, city and county, and shall, within five (5) working days, provide a notice of a change of location and address.

6. The CONTRACTOR or subcontractor shall have ten (10) calendar days in which to comply subsequent to receipt of written notice requesting the records enumerated in paragraph (1) above. In the event the CONTRACTOR or subcontractor fails to comply within the ten (10) day period, he or she shall, as a penalty to COUNTY, forfeit one hundred dollars ($100) for each calendar day, or portion thereof, for each worker, until strict compliance is effectuated. Such penalties shall be withheld by COUNTY from payments then due. CONTRACTOR is not subject to a penalty assessment pursuant to this section due to the failure of a subcontractor to comply with this section.

E. When prevailing wage rates apply, the CONTRACTOR is responsible for verifying compliance with certified payroll requirements. Invoice payment will not be made until the invoice is approved by the COUNTY Contract Administrator.

F. Penalty

1. The CONTRACTOR and any of its subcontractor shall comply with Labor Code §1774 and §1775. Pursuant to Labor Code §1775, the CONTRACTOR and any Subcontractor shall forfeit to the COUNTY a penalty of not more than two hundred dollars ($200) for each calendar day, or portion thereof, for each worker paid less than the prevailing rates as determined by the Director of DIR for the work or craft in which the worker is employed for any public work done under the contract by the CONTRACTOR or by its subcontractor in violation of the requirements of the Labor Code and in particular, Labor Code §§1770 to 1780, inclusive.

2. The amount of this forfeiture shall be determined by the Labor Commissioner and shall be based on consideration of mistake, inadvertence, or neglect of the CONTRACTOR or subcontractor in failing to pay the correct rate of prevailing wages, or the previous record of the CONTRACTOR or subcontractor in meeting their respective prevailing wage obligations, or the willful failure by the CONTRACTOR or subcontractor to pay the correct rates of prevailing wages. A mistake, inadvertence, or neglect in failing to pay the correct rates of prevailing wages is not excusable if the CONTRACTOR or subcontractor had knowledge of the obligations under the Labor Code. The CONTRACTOR is responsible for paying the appropriate rate, including any

Docusign Envelope ID: 5731CC04-27ED-433A-847F-F32E5C457C35

escalations that take place during the term of the AGREEMENT.

3. In addition to the penalty and pursuant to Labor Code §1775, the difference between the prevailing wage rates and the amount paid to each worker for each calendar day or portion thereof for which each worker was paid less than the prevailing wage rate shall be paid to each worker by the CONTRACTOR or subcontractor.

4. If a worker employed by a subcontractor on a public works project is not paid the general prevailing per diem wages by the subcontractor, the prime CONTRACTOR of the project is not liable for the penalties described above unless the prime CONTRACTOR had knowledge of that failure of the subcontractor to pay the specified prevailing rate of wages to those workers or unless the prime CONTRACTOR fails to comply with all of the following requirements:

    a. The AGREEMENT executed between the CONTRACTOR and the subcontractor for the performance of work on public works projects shall include a copy of the requirements in Labor Code §§ 1771, 1775, 1776, 1777.5, 1813, and 1815.

    b. The CONTRACTOR shall monitor the payment of the specified general prevailing rate of per diem wages by the subcontractor to the employees by periodic review of the certified payroll records of the subcontractor.

    c. Upon becoming aware of the subcontractor's failure to pay the specified prevailing rate of wages to the subcontractor's workers, the CONTRACTOR shall diligently take corrective action to halt or rectify the failure, including but not limited to, retaining sufficient funds due the subcontractor for work performed on the public works project.

    d. Prior to making final payment to the subcontractor for work performed on the public works project, the CONTRACTOR shall obtain an affidavit signed under penalty of perjury from the Subcontractor that the subcontractor had paid the specified general prevailing rate of per diem wages to the subcontractor's employees on the public works project and any amounts due pursuant to Labor Code §1813.

5. Pursuant to Labor Code §1775, COUNTY shall notify the CONTRACTOR on a public works project within fifteen (15) calendar days of receipt of a complaint that a subcontractor has failed to pay workers the general prevailing rate of per diem wages.

6. If COUNTY determines that employees of a subcontractor were not paid the general prevailing rate of per diem wages and if COUNTY did not retain sufficient money under the AGREEMENT to pay those employees the balance of wages owed under the general prevailing rate of per diem wages, the CONTRACTOR shall withhold an amount of moneys due the subcontractor sufficient to pay those employees the general prevailing rate of per diem wages if requested by COUNTY.

G. Hours of Labor

Eight (8) hours labor constitutes a legal day's work. The CONTRACTOR shall forfeit, as a penalty to the COUNTY, twenty-five dollars ($25) for each worker employed in the execution of the AGREEMENT by the CONTRACTOR or any of its subcontractors for each calendar day during which such worker is required or permitted to work more than eight (8) hours in any one calendar day

Docusign Envelope ID: 5731CC04-27ED-433A-847F-F32E5C457C35

and forty (40) hours in any one calendar week in violation of the provisions of the Labor Code, and in particular §§1810 to 1815 thereof, inclusive, except that work performed by employees in excess of eight (8) hours per day, and forty (40) hours during any one week, shall be permitted upon compensation for all hours worked in excess of eight (8) hours per day and forty (40) hours in any week, at not less than one and one-half (1.5) times the basic rate of pay, as provided in §1815.

H. Employment of Apprentices

1. Where either the prime AGREEMENT or the subcontract exceeds thirty thousand dollars ($30,000), the CONTRACTOR and any subcontractors under him or her shall comply with all applicable requirements of Labor Code §§ 1777.5, 1777.6 and 1777.7 in the employment of apprentices.

2. CONTRACTORs and subcontractors are required to comply with all Labor Code requirements regarding the employment of apprentices, including mandatory ratios of journey level to apprentice workers. Prior to commencement of work, CONTRACTOR and subcontractors are advised to contact the DIR Division of Apprenticeship Standards website at https://www.dir.ca.gov/das for additional information regarding the employment of apprentices and for the specific journey-to- apprentice ratios for the AGREEMENT work. The CONTRACTOR is responsible for all subcontractors' compliance with these requirements. Penalties are specified in Labor Code §1777.7.

Article XIII Conflict of Interest

A. During the term of this AGREEMENT, the CONTRACTOR shall disclose any financial, business, or other relationship with COUNTY that may have an impact upon the outcome of this AGREEMENT, or any ensuing COUNTY construction project. The CONTRACTOR shall also list current clients who may have a financial interest in the outcome of this AGREEMENT, or any ensuing COUNTY construction project, which will follow.

B. CONTRACTOR certifies that it has disclosed to COUNTY any actual, apparent, or potential conflicts of interest that may exist relative to the services to be provided pursuant to this AGREEMENT. CONTRACTOR agrees to advise COUNTY of any actual, apparent or potential conflicts of interest that may develop subsequent to the date of execution of this AGREEMENT.

CONTRACTOR further agrees to complete any statements of economic interest if required by either COUNTY ordinance or State law.

C. The CONTRACTOR hereby certifies that it does not now have, nor shall it acquire any financial or business interest that would conflict with the performance of services under this AGREEMENT.

D. CONTRACTOR hereby certifies that the CONTRACTOR or subcontractor, and any firm affiliated with CONTRACTOR or subcontractor that bids on any construction contract, or on any AGREEMENT to provide construction inspection for any construction project resulting from this AGREEMENT. An affiliated firm is one, which is subject to the control of the same persons through joint ownership, has established necessary controls to ensure a conflict of interest does not exist. An affiliated firm is one, which is subject to the control of the same persons, through joint ownership or otherwise.

Article XIV Rebates, Kickbacks or Other Unlawful Consideration

The CONTRACTOR warrants that this AGREEMENT was not obtained or secured through rebates

Docusign Envelope ID: 5731CC04-27ED-433A-847F-F32E5C457C35

kickbacks or other unlawful consideration, either promised or paid to any COUNTY employee. For breach or violation of this warranty, COUNTY shall have the right, in its discretion, to terminate this AGREEMENT without liability; to pay only for the value of the work actually performed; or to deduct from this AGREEMENT price or otherwise recover the full amount of such rebate, kickback or other unlawful consideration.

Article XV Prohibition of Expending County, State, or Federal Funds for Lobbying

(Include this article in all AGREEMENTS where federal funding will exceed $150,000. If less than $150,000 in federal funds will be expended on the AGREEMENT; delete this article and re-number subsequent articles.)

A. CONTRACTOR certifies to the best of his or her knowledge and belief that:

1. No State, Federal, or County appropriated funds have been paid or will be paid, by-or-on behalf of CONTRACTOR, to any person for influencing or attempting to influence an officer or employee of any local, State or Federal agency, a Member of the State Legislature or United States Congress, an officer or employee of the Legislature or Congress, or any employee of a Member of the Legislature or Congress in connection with the awarding or making of this AGREEMENT, or with the extension, continuation, renewal, amendment, or modification of this AGREEMENT .

2. If any funds other than Federal appropriated funds have been paid, or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this AGREEMENT, the CONTRACTOR shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

B. This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by 31 U.S.C. §1352. Any person who fails to file the required certification shall be subject to a civil penalty of not less than ten thousand dollars ($10,000) and not more than one hundred thousand dollars ($100,000), for each such failure.

C. The CONTRACTOR also agrees by signing this document that he or she shall require that the language of this certification be included in all lower-tier sub agreements, which exceed one hundred thousand dollars ($100,000) and that all such subrecipients shall certify and disclose accordingly.

Article XVI Non-Discrimination Clause and Statement of Compliance

A. The CONTRACTOR's signature affixed herein and dated shall constitute a certification under penalty of perjury under the laws of the State of California that the CONTRACTOR has, unless exempt, complied with, the nondiscrimination program requirements of Government Code § 12990 and 2 CCR § 8103.

B. During the performance of this AGREEMENT, Contractor and its subcontractors shall not deny the AGREEMENT's benefits to any person on the basis of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, age, sexual orientation, or

Docusign Envelope ID: 5731CC04-27ED-433A-847F-F32E5C457C35

military and veteran status, nor shall they unlawfully discriminate, harass, or allow harassment against any employee or applicant for employment because of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, age, sexual orientation, or military and veteran status. Contractor and subcontractors shall insure that the evaluation and treatment of their employees and applicants for employment are free from such discrimination and harassment.

C. Contractor and subcontractors shall comply with the provisions of the Fair Employment and Housing Act (Gov. Code §12990 et seq.), the applicable regulations promulgated there under (2 CCR §11000 et seq.), the provisions of Gov. Code §11135-11139.5, and the regulations or standards adopted by COUNTY to implement such article. The applicable regulations of the Fair Employment and Housing Commission implementing Government Code §12990 (a-f), set forth 2 CCR §§8100-8504, are incorporated into this AGREEMENT by reference and made a part hereof as if set forth in full.

D. CONTRACTOR shall permit access by representatives of the Department of Fair Employment and Housing and the COUNTY upon reasonable notice at any time during the normal business hours, but in no case less than twenty-four (24) hours' notice, to such of its books, records, accounts, and all other sources of information and its facilities as said Department or COUNTY shall require to ascertain compliance with this clause.

E. CONTRACTOR and its subcontractors shall give written notice of their obligations under this clause to labor organizations with which they have a collective bargaining or other Agreement.

F. CONTRACTOR shall include the nondiscrimination and compliance provisions of this clause in all subcontracts to perform work under this AGREEMENT.

G. The CONTRACTOR, with regard to the work performed under this AGREEMENT, shall act in accordance with Title VI of the Civil Rights Act of 1964 (42 U.S.C. §2000d et seq.). Title VI provides that the recipients of federal assistance will implement and maintain a policy of nondiscrimination in which no person in the United States shall, on the basis of race, color, national origin, religion, sex, age, disability, be excluded from participation in, denied the benefits of or subject to discrimination under any program or activity by the recipients of federal assistance or their assignees and successors in interest.

H. The CONTRACTOR shall comply with regulations relative to non-discrimination in federally-assisted programs of the United States Department of Transportation (49 CFR Part 21 - Effectuation of Title VI of the Civil Rights Act of 1964). Specifically, the CONTRACTOR shall not participate either directly or indirectly in the discrimination prohibited by 49 CFR §21.5, including employment practices and the selection and retention of subcontractors.

I. CONTRACTOR, subrecipient or subcontractor will never exclude any person from participation in, deny any person the benefits of, or otherwise discriminate against anyone in connection with the award and performance of any contract covered by 49 CFR 26 on the basis of race, color, sex, or national origin. In administering the COUNTY components of the DBE Program Plan, CONTRACTOR, subrecipient or subcontractor will not, directly, or through contractual or other arrangements, use criteria or methods of administration that have the effect of defeating or substantially impairing accomplishment of the objectives of the DBE Program Plan with respect to individuals of a particular race, color, sex, or national origin.

Article XVII Debarment and Suspension Certification

A. The CONTRACTOR's signature affixed herein shall constitute a certification under penalty of perjury under the laws of the State of California, that the CONTRACTOR or any person associated therewith in the capacity of owner, partner, director, officer, or manager:

1. Is not currently under suspension, debarment, voluntary exclusion, or determination of ineligibility by any federal agency;

2. Has not been suspended, debarred, voluntarily excluded, or determined ineligible by any federal agency within the past three (3) years;

3. Does not have a proposed debarment pending; and

4. Has not been indicted, convicted, or had a civil judgment rendered against it by a court of competent jurisdiction in any matter involving fraud or official misconduct within the past three (3) years.

B. Any exceptions to this certification must be disclosed to COUNTY. Exceptions will not necessarily result in denial of recommendation for award but will be considered in determining responsibility. Disclosures must indicate the party to whom the exceptions apply, the initiating agency, and the dates of agency action.

C. Exceptions to the Federal Government Excluded Parties List System (https://sam.gov/content/home) maintained by the United States General Services Administration are to be determined by FHWA.

Article XVIII Disadvantaged Business Enterprises (DBE) Participation

A. CONTRACTOR, subrecipient (COUNTY), or subcontractor shall take necessary and reasonable steps to ensure that DBEs have opportunities to participate in the contract (49 CFR 26). To ensure equal participation of DBEs provided in 49 CFR 26.5, The COUNTY shows a contract goal for DBEs. CONTRACTOR shall make work available to DBEs and select work parts consistent with available DBE subcontractors and suppliers.

CONTRACTOR shall meet the DBE goal shown elsewhere in these special provisions or demonstrate that they made adequate Good Faith Efforts (GFE) to meet this goal. It is CONTRACTOR's responsibility to verify at the date of proposal opening that the DBE firm is certified as DBE by using the California Unified Certification Program (CUCP) database and possesses the most specific available North American Industry Classification System (NAICS) codes and work code applicable to the type of work the firm will perform on the Agreement. Additionally, the CONTRACTOR is responsible to document the verification record by printing out the CUCP data for each DBE firm. A list of DBEs certified by the CUCP can be found at https://dot.ca.gov/programs/civil-rights/dbe-search.

All DBE participation will count toward the California Department of Transportation's federally mandated statewide overall DBE goal. Credit for materials or supplies CONTRACTOR purchases from DBEs counts towards the goal in the following manner:

- One hundred percent (100 %) counts if the materials or supplies are obtained from a DBE manufacturer.

Docusign Envelope ID: 5731CC04-27ED-433A-847F-F32E5C457C35

- Sixty percent (60%) counts if the materials or supplies are purchased from a DBE regular dealer.

- Only fees, commissions, and charges for assistance in the procurement and delivery of materials or supplies count if obtained from a DBE that is neither a manufacturer nor regular dealer. 49CFR26.55 defines "manufacturer" and "regular dealer."

This AGREEMENT is subject to 49 CFR Part 26 entitled "Participation by Disadvantaged Business Enterprises in Department of Transportation Financial Assistance Programs". CONTRACTORS who enter into a federally-funded agreement will assist the COUNTY in a good faith effort to achieve California's statewide overall DBE goal.

B. The goal for DBE participation for this AGREEMENT is _____%. Participation by DBE contractor or subcontractors shall be in accordance with information contained in Exhibit 10-02: Consultant Contract DBE Commitment attached hereto and incorporated as part of the AGREEMENT. If a DBE subcontractor is unable to perform, CONTRACTOR must make a good faith effort to replace him/her with another DBE subcontractor, if the goal is not otherwise met.

C. CONTRACTOR can meet the DBE participation goal by either documenting commitments to DBEs to meet the AGREEMENT goal, or by documenting adequate good faith efforts to meet the AGREEMENT goal. An adequate good faith effort means that the CONTRACTOR must show that it took all necessary and reasonable steps to achieve a DBE goal that, by their scope, intensity, and appropriateness to the objective, could reasonably be expected to meet the DBE goal. If CONTRACTOR has not met the DBE goal, complete and submit Exhibit 15-H: DBE Information – Good Faith Efforts to document efforts to meet the goal. Refer to 49 CFR Part 26 for guidance regarding evaluation of good faith efforts to meet the DBE goal.

D. Contract Assurance Under 49 CFR 26.13(b)
CONTRACTOR, subrecipient or subcontractor shall not discriminate on the basis of race, color, national origin, or sex in the performance of this AGREEMENT. CONTRACTOR shall carry out applicable requirements of 49 CFR 26 in the award and administration of federal-aid contracts.

Failure by the CONTRACTOR to carry out these requirements is a material breach of this contract, which may result in the termination of this contract or such other remedy as the recipient deems appropriate, which may include, but is not limited to:

(1) Withholding monthly progress payments;
(2) Assessing sanctions;
(3) Liquidated damages; and/or
(4) Disqualifying the CONTRACTOR from future proposing as non-responsible

E. Termination and Replacement of DBE Subcontractors
CONTRACTOR shall utilize the specific DBEs listed to perform the work and supply the materials for which each is listed unless CONTRACTOR or DBE Subcontractor obtains the COUNTY's written consent. CONTRACTOR shall not terminate or replace a listed DBE for convenience and perform the work with their own forces or obtain materials from other sources without authorization from the COUNTY. Unless the COUNTY's consent is provided, the CONTRACTOR shall not be entitled to any payment for work or material unless it is performed or supplied by the listed DBE on the Exhibit 10-02: Consultant Contract DBE Commitment form.

Docusign Envelope ID: 5731CC04-27ED-433A-847F-F32E5C457C35

Termination of DBE Subconsultants

After execution of the AGREEMENT, termination of a DBE may be allowed for the following, but not limited to, justifiable reasons with prior written authorization from the COUNTY:

1. Listed DBE fails or refuses to execute a written contract based on plans and specifications for the project.

2. The COUNTY stipulated that a bond is a condition of executing the subcontract and the listed DBE fails to meet the COUNTY's bond requirements.

3. Work requires a contractor's license and listed DBE does not have a valid license under Contractors License Law.

4. Listed DBE fails or refuses to perform the work or furnish the listed materials (failing or refusing to perform is not an allowable reason to remove a DBE if the failure or refusal is a result of bad faith or discrimination).

5. Listed DBE's work is unsatisfactory and not in compliance with the contract.

6. Listed DBE is ineligible to work on the project because of suspension or debarment.

7. Listed DBE becomes bankrupt or insolvent or exhibits credit unworthiness.

8. Listed DBE voluntarily withdraws with written notice from the AGREEMENT.

9. Listed DBE is ineligible to receive credit for the type of work required.

10. Listed DBE owner dies or becomes disabled resulting in the inability to perform the work on the AGREEMENT.

11. The COUNTY determines other documented good cause.

CONTRACTOR must use the following procedures to request the termination of a DBE or portion of a DBE's work:

1. Send a written notice to the DBE of the CONTRACTOR's intent to use other forces or material sources and include one or more justifiable reasons listed above. Simultaneously send a copy of this written notice to the COUNTY. The written notice to the DBE must request they provide any response within five (5) business days to both the CONTRACTOR and the COUNTY by either acknowledging their agreement or documenting their reasoning as to why the use of other forces or sources of materials should not occur.

2. If the DBE does not respond within five (5) business days, CONTRACTOR may move forward with the request as if the DBE had agreed to CONTRACTOR's written notice.

3. Submit CONTRACTOR's DBE termination request by written letter to the COUNTY and include:
   - One or more above listed justifiable reasons along with supporting documentation.
   - CONTRACTOR's written notice to the DBE regarding the request, including proof of transmission and tracking documentation of CONTRACTOR's written notice.

Docusign Envelope ID: 5731CC04-27ED-433A-847F-F32E5C457C35

- The DBE's response to CONTRACTOR's written notice, if received. If a written response was not provided, provide a statement to that effect.

The COUNTY shall respond in writing to CONTRACTOR's DBE termination request within five (5) business days.

Replacement of DBE Subcontractors

After receiving the COUNTY'S written authorization of DBE termination request, CONTRACTOR must obtain the COUNTY'S written agreement for DBE replacement. CONTRACTOR must find or demonstrate GFEs to find qualified DBE replacement firms to perform the work to the extent needed to meet the DBE commitment.

The following procedures shall be followed to request authorization to replace a DBE firm:

1. Submit a request to replace a DBE with other forces or material sources in writing to the COUNTY which must include:
   a. Description of remaining uncommitted work item made available for replacement DBE solicitation and participation.
   b. The proposed DBE replacement firm's business information, the work they have agreed to perform, and the following:
      - Description of scope of work and cost proposal
      - Proposed subcontract agreement and written confirmation of agreement to perform on the Contract
      - Revised Exhibit 10-O2: Consultant Contract DBE Commitment

2. If CONTRACTOR has not identified a DBE replacement firm, submits documentation of CONTRACTOR's GFEs to use DBE replacement firms within seven (7) days of COUNTY's authorization to terminate the DBE. CONTRACTOR may request the COUNTY's approval to extend this submittal period to a total of 14 days. Submit documentation of actions taken to find a DBE replacement firm, such as:
   - Search results of certified DBEs available to perform the original DBE work identified and or other work CONTRACTOR had intended to self-perform, to the extent needed to meet DBE commitment
   - Solicitations of DBEs for performance of work identified
   - Correspondence with interested DBEs that may have included contract details and requirements
   - Negotiation efforts with DBEs that reflect why an agreement was not reached
   - If a DBE's quote was rejected, provide reasoning for the rejection, such as why the DBE was unqualified for the work, or why the price quote was unreasonable or excessive
   - Copies of each DBE's and non-DBE's price quotes for work identified, as the COUNTY may contact the firms to verify solicitation efforts and determine if the DBE quotes are substantially higher
   - Additional documentation that supports CONTRACTOR's GFE

The COUNTY shall respond in writing to CONTRACTOR's DBE replacement request within five (5) business days.

F. Commitment and Utilization

The COUNTY's DBE program must include a monitoring and enforcement mechanism to ensure that DBE commitments reconcile to DBE utilization. The COUNTY shall request CONTRACTOR to:

Docusign Envelope ID: 5731CC04-27ED-433A-847F-F32E5C457C35

1. Notify the COUNTY's Contract Administrator or designated representative of any changes to its anticipated DBE participation

2. Provide this notification before starting the affected work

3. Maintain records including:
   - Name and business address of each First-Tier subcontractor
   - Name and business address of each DBE subcontractor, DBE vendor, and DBE trucking company, regardless of tier
   - Date of payment and total amount paid to each business (see Exhibit 9-F *Monthly Disadvantaged Business Enterprise Payment*)

If CONTRACTOR is a DBE CONTRACTOR, they shall include the date of work performed by their own forces and the corresponding value of the work.

If a DBE is decertified before completing its work, the DBE must notify CONTRACTOR in writing of the decertification date. If a business becomes a certified DBE before completing its work, the business must notify CONTRACTOR in writing of the certification date. CONTRACTOR shall submit the notifications to the COUNTY. On work completion, CONTRACTOR shall complete a Disadvantaged Business Enterprises (DBE) Certification Status Change, Exhibit 17-O, form and submit the form to the COUNTY within thirty (30) days of contract acceptance.

Upon work completion, CONTRACTOR shall complete Exhibit 17-F Final Report – Utilization of Disadvantaged Business Enterprises (DBE), First-Tier Subcontractors and submit it to the COUNTY within ninety (90) days of AGREEMENT acceptance. The COUNTY will withhold ten thousand dollars ($10,000) until the form is submitted. The COUNTY will release the withhold upon submission of the completed form.

In the COUNTY's reports of DBE participation to Caltrans, the COUNTY must display both commitments and attainments.

G. COMMERCIALLY USEFUL FUNCTION

DBEs must perform a commercially useful function (CUF) under 49 CFR 26.55 when performing work or supplying materials listed on the DBE Commitment form. The DBE value of work will only count toward the DBE commitment if the DBE performs a CUF. A DBE performs a CUF when it is responsible for execution of the work of the AGREEMENT and is carrying out its responsibilities by actually performing, managing, and supervising the work involved. To perform a CUF, the DBE must also be responsible, with respect to materials and supplies used on the AGREEMENT, for negotiating price, determining quality and quantity, ordering the material, and installing (where applicable), and paying for the material itself.

CONTRACTOR must perform CUF evaluation for each DBE working on a federal-aid contract, with or without a DBE goal. Perform a CUF evaluation at the beginning of the DBE's work and continue to monitor the performance of CUF for the duration of the project.

CONTRACTOR must provide written notification to the COUNTY at least 15 days in advance of each DBE's initial performance of work or supplying materials for the AGREEMENT. The notification must include the DBE's name, work the DBE will perform on the contract, and the location, date, and time of where their work will take place.

Docusign Envelope ID: 5731CC04-27ED-433A-847F-F32E5C457C35

Within 10 days of a DBE initially performing work or supplying materials on the AGREEMENT, CONTRACTOR shall submit to the LPA the initial evaluation and validation of DBE performance of a CUF using the LAPM 9-J: Disadvantaged Business Enterprise Commercially Useful Function Evaluation. Include the following information with the submittal:

- Subcontract agreement with the DBE
- Purchase orders
- Bills of lading
- Invoices
- Proof of payment

CONTRACTOR must monitor all DBE's performance of CUF by conducting quarterly evaluations and validations throughout their duration of work on the AGREEMENT t using the LAPM 9-J: DBE Commercially Useful Function Evaluation. CONTRACTOR must submit to the COUNTY these quarterly evaluations and validations by the 5th of the month for the previous three months of work.

CONTRACTOR must notify the COUNTY immediately if they believe the DBE may not be performing a CUF.

The COUNTY will verify DBEs performance of CUF by reviewing the initial and quarterly submissions of LAPM 9-J: DBE Commercially Useful Function Evaluation, submitted supporting information, field observations, and through any additional COUNTY evaluations. The COUNTY must evaluate DBEs and their CUF performance throughout the duration of the AGREEMENT. The COUNTY will provide written notice to the CONTRACTOR and the DBE at least two (2) business days prior to any evaluation. The CONTRACTOR and the DBE must participate in the evaluation. Upon completing the evaluation, the COUNTY must share the evaluation results with the CONTRACTOR and the DBE. An evaluation could include items that must be remedied upon receipt. If the COUNTY determines the DBE is not performing a CUF, the CONTRACTOR must suspend performance of the noncompliant work.

CONTRACTOR and DBEs must submit any additional CUF related records and documents within five (5) business days of COUNTY's request such as:

- Proof of ownership or lease and rental agreements for equipment
- Tax records
- Employee rosters
- Certified payroll records
- Inventory rosters

Failure to submit required DBE Commercially Useful Function Evaluation forms or requested records and documents can result in withholding of payment for the value of work completed by the DBE.

If CONTRACTOR and/or the COUNTY determine that a listed DBE is not performing a CUF in performance of their DBE committed work, CONTRACTOR must immediately suspend performance of the noncompliant portion of the work. COUNTY may deny payment for the noncompliant portion of the work. COUNTY will ask the CONTRACTOR to submit a Corrective Action Plan (CAP) to the COUNTY within five (5) days of the noncompliant CUF determination. The CAP must identify how the CONTRACTOR will correct the noncompliance findings for the remaining portion of the DBE's work. COUNTY has five (5) days to review the CAP in conjunction with the CONTRACTOR's review. The CONTRACTOR must implement the CAP within five (5) days

Docusign Envelope ID: 5731CC04-27ED-433A-847F-F32E5C457C35

of the COUNTY's approval. The COUNTY will then authorize the prior noncompliant portion of work for the DBE's committed work.
If corrective actions cannot be accomplished to ensure the DBE performs a commercially useful function on the AGREEMENT, CONTRACTOR may have good cause to request termination of the DBE.

H. A DBE does not perform a CUF if its role is limited to that of an extra participant in a transaction, AGREEMENT, or project through which funds are passed in order to obtain the appearance of DBE participation. In determining whether a DBE is such an extra participant, examine similar transactions, particularly those in which DBEs do not participate.

I. If a DBE does not perform or exercise responsibility for at least thirty percent (30%) of the total cost of its AGREEMENT with its own work force, or the DBE subcontracts a greater portion of the work of the AGREEMENT than would be expected on the basis of normal industry practice for the type of work involved, it will be presumed that it is not performing a CUF.

J. CONTRACTOR shall maintain records of materials purchased or supplied from all subcontracts entered into with certified DBEs. The records shall show the name and business address of each DBE or vendor and the total dollar amount actually paid each DBE or vendor, regardless of tier. The records shall show the date of payment and the total dollar figure paid to all firms. DBE contractors shall also show the date of work performed by their own forces along with the corresponding dollar value of the work.

K. If a DBE subcontractor is decertified during the life of the AGREEMENT, the decertified subcontractor shall notify CONTRACTOR in writing with the date of decertification. If a subcontractor becomes a certified DBE during the life of the AGREEMENT, the subcontractor shall notify CONTRACTOR in writing with the date of certification. Any changes should be reported to COUNTY's Contract Administrator within thirty (30) calendar days.

L. For projects awarded on or after March 1, 2020, but before September 1, 2023: after submitting an invoice for reimbursement that includes a payment to a DBE, but no later than the 10th of the following month, the prime CONTRACTOR must complete and email Exhibit 9-F: Disadvantaged Business Enterprise Running Tally of Payments to business.support.unit@dot.ca.gov with a copy to local administering agencies.

For projects awarded on or after September 1, 2023: Exhibit 9-F is no longer required. Instead, by the 15th of the month following the month of any payment(s), the CONTRACTOR must now submit Exhibit 9-P to the COUNTY administering the contract. If the CONTRACTOR does not make any payments to subcontractors, supplier(s), and/or manufacturers they must report "no payments were made to subs this month" and write this visibly and legibly on Exhibit 9-P.

M. Any subcontract entered into as a result of this AGREEMENT shall contain all of the provisions of this section.

Article XIX Insurance

(Choose either Option 1 or Option 2)

☐ (Option 1 – For AGREEMENT with a scope of services that may require the CONTRACTOR or subcontractor to work within the operating state or County Highway Right of Way; where there would be exposure to public traffic or construction operations.)

Docusign Envelope ID: 5731CC04-27ED-433A-847F-F32E5C457C35

A. Prior to commencement of the work described herein, CONTRACTOR shall furnish COUNTY a Certificate of Insurance stating that there is general comprehensive liability insurance presently in effect for CONTRACTOR with a combined single limit (CSL) of not less than one million dollars ($1,000,000) per occurrence.

B. The Certificate of Insurance will provide:

1. That the insurer will not cancel the insured's coverage without thirty (30) calendar days prior written notice to COUNTY.
2. That COUNTY, its officers, agents, employees, and servants are included as additional insureds, but only insofar as the operations under this AGREEMENT are concerned.
3. That COUNTY will not be responsible for any premiums or assessments on the policy.

C. CONTRACTOR agrees that the bodily injury liability insurance herein provided for, shall be in effect at all times during the term of this AGREEMENT. In the event said insurance coverage expires at any time or times during the term of this AGREEMENT, CONTRACTOR agrees to provide at least thirty (30) calendar days prior notice to said expiration date; and a new Certificate of Insurance evidencing insurance coverage as provided for herein, for not less than either the remainder of the term of the AGREEMENT, or for a period of not less than one (1) year. New Certificates of Insurance are subject to the approval of COUNTY. In the event CONTRACTOR fails to keep in effect at all times insurance coverage as herein provided, COUNTY may, in addition to any other remedies it may have, terminate this AGREEMENT upon occurrence of such event.

☐ (Option 2 – For AGREEMENTS with a scope of services that will not require the Contractor or subcontractor to work within the operating State or County Highway Right of Way where there would be exposure to public traffic or construction Contractor operations.)
CONTRACTOR is not required to show evidence of general comprehensive liability insurance.

Article XX Funding Requirements

A. It is mutually understood between the parties that this AGREEMENT may have been written before ascertaining the availability of funds or appropriation of funds, for the mutual benefit of both parties, in order to avoid program and fiscal delays that would occur if the AGREEMENTs were executed after that determination was made.

B. This AGREEMENT is valid and enforceable only if sufficient funds are made available to COUNTY for the purpose of this AGREEMENT. In addition, this AGREEMENT is subject to any additional restrictions, limitations, conditions, or any statute enacted by the Congress, State Legislature, or COUNTY governing board that may affect the provisions, terms, or funding of this AGREEMENT in any manner.

C. It is mutually agreed that if sufficient funds are not appropriated, this AGREEMENT may be amended to reflect any reduction in funds.

D. COUNTY has the option to terminate the AGREEMENT pursuant to Article VI Termination, or by mutual agreement to amend the AGREEMENT to reflect any reduction of funds.

Article XXI Change in Terms

A. This AGREEMENT may be amended or modified only by mutual written agreement of the parties.

B. CONTRACTOR shall only commence work covered by an amendment after the amendment is

Docusign Envelope ID: 5731CC04-27ED-433A-847F-F32E5C457C35

executed and notification to proceed has been provided by COUNTY's Contract Administrator.

C. There shall be no change in CONTRACTOR's Project Manager or members of the project team, as listed in the approved Cost Proposal, which is a part of this AGREEMENT without prior written approval by COUNTY's Contract Administrator.

Article XXI Contingent Fee

CONTRACTOR warrants, by execution of this AGREEMENT that no person or selling agency has been employed, or retained, to solicit or secure this AGREEMENT upon an agreement or understanding, for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees, or bona fide established commercial or selling agencies maintained by CONTRACTOR for the purpose of securing business. For breach or violation of this warranty, COUNTY has the right to annul this AGREEMENT without liability; pay only for the value of the work actually performed, or in its discretion to deduct from the AGREEMENT price or consideration, or otherwise recover the full amount of such commission, percentage, brokerage, or contingent fee.

Article XXII Disputes

Prior to either party commencing any legal action under this AGREEMENT, the parties agree to try in good faith, to settle any dispute amicably between them. If a dispute has not been settled after forty-five (45) days of good-faith negotiations and as may be otherwise provided herein, then either party may commence legal action against the other.

(Choose either Option 1 or Option 2)

☐ (Option 1- Use paragraphs A through C below for all AGREEMENTs without PS&E submittal)

A. Any dispute, other than audit, concerning a question of fact arising under this AGREEMENT that is not disposed of by agreement shall be decided by a committee consisting of COUNTY's Contract Administrator and _____, who may consider written or verbal information submitted by CONTRACTOR.

B. Not later than thirty (30) calendar days after completion of all work under the contract, CONTRACTOR may request review by COUNTY Governing Board of unresolved claims or disputes, other than audit. The request for review will be submitted in writing.

C. Neither the pendency of a dispute, nor its consideration by the committee will excuse CONTRACTOR from full and timely performance in accordance with the terms of this AGREEMENT.

☐ (Option 2 – Replace Paragraph B, above, with the following for AGREEMENTS requiring the submission of PS&E)

B. Not later than thirty (30) calendar days after completion of all deliverables necessary to complete the plans, specifications and estimate, CONTRACTOR may request review by COUNTY Governing Board of unresolved claims or disputes, other than audit. The request for review will be submitted in writing.

Article XXIV Inspection of Work

CONTRACTOR and any subcontractor shall permit COUNTY, the state, and the FHWA if federal participating funds are used in this AGREEMENT; to review and inspect the project activities and files at all reasonable times during the performance period of this AGREEMENT.

Docusign Envelope ID: 5731CC04-27ED-433A-847F-F32E5C457C35

Article XXV Safety

A. CONTRACTOR shall comply with OSHA regulations applicable to CONTRACTOR regarding necessary safety equipment or procedures. CONTRACTOR shall comply with safety instructions issued by COUNTY Safety Officer and other COUNTY representatives. CONTRACTOR personnel shall wear hard hats and safety vests at all times while working on the construction project site.

B. Pursuant to the authority contained in Vehicle Code §591, COUNTY has determined that such areas are within the limits of the project and are open to public traffic. CONTRACTOR shall comply with all of the requirements set forth in Divisions 11, 12, 13, 14, and 15 of the Vehicle Code. CONTRACTOR shall take all reasonably necessary precautions for safe operation of its vehicles and the protection of the traveling public from injury and damage from such vehicles.

C. Any subcontract entered into as a result of this contract, shall contain all of the provisions of this Article.

(Add the following paragraph to all AGREEMENTS which may require trenching of five (5) feet or deeper)

D. CONTRACTOR must have a Division of Occupational Safety and Health (CAL-OSHA) permit(s), as outlined in Labor Code §6500 and §6705, prior to the initiation of any practices, work, method, operation, or process related to the construction or excavation of trenches which are five (5) feet or deeper.

Article XXVI Ownership of Data

A. It is mutually agreed that all materials prepared by CONTRACTOR under this AGREEMENT shall become the property of COUNTY, and CONTRACTOR shall have no property right therein whatsoever. Immediately upon termination, COUNTY shall be entitled to, and CONTRACTOR shall deliver to COUNTY, reports, investigations, appraisals, inventories, studies, analyses, drawings and data estimates performed to that date, whether completed or not, and other such materials as may have been prepared or accumulated to date by CONTRACTOR in performing this AGREEMENT which is not CONTRACTOR's privileged information, as defined by law, or CONTRACTOR's personnel information, along with all other property belonging exclusively to COUNTY which is in CONTRACTOR's possession. Publication of the information derived from work performed or data obtained in connection with services rendered under this AGREEMENT must be approved in writing by COUNTY.

B. Additionally, it is agreed that the Parties intend this to be an AGREEMENT for services and each considers the products and results of the services to be rendered by CONTRACTOR hereunder to be work made for hire. CONTRACTOR acknowledges and agrees that the work (and all rights therein, including, without limitation, copyright) belongs to and shall be the sole and exclusive property of COUNTY without restriction or limitation upon its use or dissemination by COUNTY.

C. Nothing herein shall constitute or be construed to be any representation by CONTRACTOR that the work product is suitable in any way for any other project except the one detailed in this AGREEMENT. Any reuse by COUNTY for another project or project location shall be at COUNTY's sole risk.

D. Applicable patent rights provisions regarding rights to inventions shall be included in the contracts as appropriate (48 CFR 27 Subpart 27.3 -Patent Rights under Government Contracts for

Docusign Envelope ID: 5731CC04-27ED-433A-847F-F32E5C457C35

federal-aid contracts).

E. COUNTY may permit copyrighting reports or other agreement products. If copyrights are permitted; the AGREEMENT shall provide that the FHWA shall have the royalty-free nonexclusive and irrevocable right to reproduce, publish, or otherwise use; and to authorize others to use, the work for government purposes.

Article XXVII Claims Filed by County's Construction Contractor

A. If claims are filed by COUNTY's construction contractor relating to work performed by CONTRACTOR's personnel, and additional information or assistance from CONTRACTOR's personnel is required in order to evaluate or defend against such claims; CONTRACTOR agrees to make its personnel available for consultation with COUNTY'S construction contract administration and legal staff and for testimony, if necessary, at depositions and at trial or arbitration proceedings.

B. CONTRACTOR's personnel that COUNTY considers essential to assist in defending against construction contractor claims will be made available on reasonable notice from COUNTY. Consultation or testimony will be reimbursed at the same rates, including travel costs that are being paid for CONTRACTOR's personnel services under this AGREEMENT.

C. Services of CONTRACTOR's personnel in connection with COUNTY's construction contractor claims will be performed pursuant to a written contract amendment, if necessary, extending the termination date of this AGREEMENT in order to resolve the construction claims.

Article XXVIII Confidentiality of Data

A. All financial, statistical, personal, technical, or other data and information relative to COUNTY's operations, which are designated confidential by COUNTY and made available to CONTRACTOR in order to carry out this AGREEMENT, shall be protected by CONTRACTOR from unauthorized use and disclosure.

B. Permission to disclose information on one occasion, or public hearing held by COUNTY relating to the AGREEMENT, shall not authorize CONTRACTOR to further disclose such information, or disseminate the same on any other occasion.

C. CONTRACTOR shall not comment publicly to the press or any other media regarding the contract or COUNTY's actions on the same, except to COUNTY's staff, CONTRACTOR's own personnel involved in the performance of this AGREEMENT, at public hearings or in response to questions from a Legislative committee.

D. CONTRACTOR shall not issue any news release or public relations item of any nature, whatsoever, regarding work performed or to be performed under this contract without prior review of the contents thereof by COUNTY, and receipt of COUNTY's written permission.

E. Any sub agreement entered into as a result of this AGREEMENT shall contain all of the provisions of this Article.

(For PS&E contracts, add paragraph F below, to paragraphs A through E above)

F. All information related to the construction estimate is confidential and shall not be disclosed by CONTRACTOR to any entity other than COUNTY, Caltrans, and/or FHWA. All of the materials prepared or assembled by CONTRACTOR pursuant to performance of this AGREEMENT are

Docusign Envelope ID: 5731CC04-27ED-433A-847F-F32E5C457C35

confidential and CONTRACTOR agrees that they shall not be made available to any individual or organization without the prior written approval of COUNTY or except by court order. If CONTRACTOR or any of its officers, employees, or subcontractors does voluntarily provide information in violation of this AGREEMENT, COUNTY has the right to reimbursement and indemnity from CONTRACTOR for any damages caused by CONTRACTOR releasing the information, including, but not limited to, COUNTY's attorney's fees and disbursements, including without limitation experts' fees and disbursements.

Article XXIX National Labor Relations Board Certification

In accordance with Public Contract Code Section 10296, CONTRACTOR hereby states under penalty of perjury that no more than one final unappealable finding of contempt of court by a federal court has been issued against CONTRACTOR within the immediately preceding two (2)-year period, because of CONTRACTOR's failure to comply with an order of a federal court that orders CONTRACTOR to comply with an order of the National Labor Relations Board.

Article XXX Evaluation of Contractor

CONTRACTOR's performance will be evaluated by COUNTY. A copy of the evaluation will be sent to CONTRACTOR for comments. The evaluation together with the comments shall be retained as part of the AGREEMENT record.

Article XXXI Prompt Payment

A. PROMPT PAYMENT FROM LOCAL AGENCY TO CONTRACTOR

The COUNTY shall make all project progress payments within 30 days after receipt of an undisputed and properly submitted payment request from CONTRACTOR. If COUNTY fails to pay promptly, the COUNTY shall pay interest to the CONTRACTOR, which accrues at the rate of 10 percent per annum on the principal amount of a money judgment remaining unsatisfied and pro-rated as necessary. Upon receipt of the payment request, the COUNTY shall act in accordance with both of the following:

(1) The COUNTY shall review each payment request as soon as feasible after receipt to verify it is a proper payment request.

(2) The COUNTY must return any payment request deemed improper by the COUNTY to the CONTRACTOR as soon as feasible, but not later than seven (7) days, after receipt. A request returned pursuant to this paragraph shall include documentation setting forth in writing the reasons why it is an improper payment request.

B. PROMPT PAYMENT CERTIFICATION

For projects awarded on or after September 1, 2023: the CONTRACTOR must now submit Exhibit 9-P to the COUNTY administering the AGREEMENT by the 15th of the month following the month of any payment(s). If the CONTRACTOR does not make any payments to subconsultants, supplier(s), and/or manufacturers they must report "no payments were made to subs this month" and write this visibly and legibly on Exhibit 9-P.

The COUNTY must verify all Exhibit 9-P information, monitor compliance with prompt payment requirements for DBE and non-DBE firms, and address any shortfalls to the DBE commitment and prompt payment issues until the end of the project. The COUNTY must email a copy of Exhibit 9-P to dbe.forms@dot.ca.gov before the end of the month after receiving the Exhibit 9-P from the CONTRACTOR.

ARTICLE XXXII TITLE VI ASSURANCES

APPENDICES A-E of the TITLE VI ASSURANCES

[The United States (US) Department of Transportation (DOT) Order No. 1050.2A requires all federal-aid DOT contracts between an agency and a CONTRACTOR to contain Appendices A and E of the Title VI Assurances. Include Appendices B, C, and D if appliable as shown below. In addition, the CONTRACTOR must include the Title VI Assurances Appendices A and E, and if applicable Appendices B, C, and D in all subcontracts to perform work under the AGREEMENT.

The clauses of Appendix B of this Assurance shall be included as a covenant running with the land, in any deed from the US effecting or recording a transfer of real property, structures, use, or improvements thereon or interest therein to COUNTY.

The clauses set forth in Appendix C and Appendix D of this Assurance shall be included as a covenant running with the land, in any future deeds, leases, licenses, permits, or similar instruments entered into by the COUNTY with other parties:

a. for the subsequent transfer of real property acquired or improved under the applicable activity, project, or program; and

b. for the construction or use of, or access to, space on, over, or under real property acquired or improved under the applicable activity, project, or program.]

APPENDIX A

During the performance of this Agreement, the CONTRACTOR, for itself, its assignees and successors in interest (hereinafter collectively referred to as CONTRACTOR) agrees as follows:

a. Compliance with Regulations: CONTRACTOR shall comply with the regulations relative to nondiscrimination in federally assisted programs of the Department of Transportation, Title 49, Code of Federal Regulations, Part 21, as they may be amended from time to time, (hereinafter referred to as the REGULATIONS), which are herein incorporated by reference and made a part of this agreement.

b. Nondiscrimination: CONTRACTOR, with regard to the work performed by it during the AGREEMENT, shall not discriminate on the grounds of race, color, sex, national origin, religion, age, or disability in the selection and retention of sub-applicants, including procurements of materials and leases of equipment. CONTRACTOR shall not participate either directly or indirectly in the discrimination prohibited by Section 21.5 of the Regulations, including employment practices when the agreement covers a program set forth in Appendix B of the Regulations.

c. Solicitations for Sub-agreements, Including Procurements of Materials and Equipment: In all solicitations either by competitive bidding or negotiation made by CONTRACTOR for work to be performed under a Sub-agreement, including procurements of materials or leases of equipment, each potential sub-applicant or supplier shall be notified by CONTRACTOR of the CONTRACTOR's obligations under this Agreement and the Regulations relative to nondiscrimination on the grounds of race, color, or national origin.

Docusign Envelope ID: 5731CC04-27ED-433A-847F-F32E5C457C35

d. Information and Reports: CONTRACTOR shall provide all information and reports required by the Regulations, or directives issued pursuant thereto, and shall permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by the recipient or FHWA to be pertinent to ascertain compliance with such Regulations or directives. Where any information required of CONTRACTOR is in the exclusive possession of another who fails or refuses to furnish this information, CONTRACTOR shall so certify to the recipient or FHWA as appropriate and shall set forth what efforts CONTRACTOR has made to obtain the information.

e. Sanctions for Noncompliance: In the event of CONTRACTOR's noncompliance with the nondiscrimination provisions of this agreement, the recipient shall impose such agreement sanctions as it or the FHWA may determine to be appropriate, including, but not limited to:

   i. withholding of payments to CONTRACTOR under the Agreement within a reasonable period of time, not to exceed 90 days; and/or

   ii. cancellation, termination or suspension of the Agreement, in whole or in part.

f. Incorporation of Provisions: CONTRACTOR shall include the provisions of paragraphs (1) through (6) in every sub-agreement, including procurements of materials and leases of equipment, unless exempt by the Regulations, or directives issued pursuant thereto.

CONTRACTOR shall take such action with respect to any sub-agreement or procurement as the recipient or FHWA may direct as a means of enforcing such provisions including sanctions for noncompliance, provided, however, that, in the event CONTRACTOR becomes involved in, or is threatened with, litigation with a sub-applicant or supplier as a result of such direction, CONTRACTOR may request the recipient enter into such litigation to protect the interests of the State, and, in addition, CONTRACTOR may request the United States to enter into such litigation to protect the interests of the United States.

APPENDIX B
CLAUSES FOR DEEDS TRANSFERRING UNITED STATES PROPERTY

The following clauses will be included in deeds effecting or recording the transfer of real property, structures, or improvements thereon, or granting interest therein from the United States pursuant to the provisions of Assurance 4:

NOW THEREFORE, the US DOT as authorized by law and upon the condition that the recipient will accept title to the lands and maintain the project constructed thereon in accordance with Title 23 U.S.C., the regulations for the administration of the preceding statute, and the policies and procedures prescribed by the FHWA of the US DOT in accordance and in compliance with all requirements imposed by Title 49, Code of Federal Regulations, US DOT, Subtitle A, Office of the Secretary, Part 21, Non-discrimination in Federally-assisted programs of the US DOT pertaining to and effectuating the provisions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252; 42 U.S.C. § 2000d to 2000d-4), does hereby remise, release, quitclaim and convey unto the recipient all the right, title and interest of the US DOT in and to said lands described in Exhibit A attached hereto and made a part hereof.

(HABENDUM CLAUSE)

Docusign Envelope ID: 5731CC04-27ED-433A-847F-F32E5C457C35

TO HAVE AND TO HOLD said lands and interests therein unto the recipient and its successors forever, subject, however, to the covenants, conditions, restrictions and reservations herein contained as follows, which will remain in effect for the period during which the real property or structures are used for a purpose for which Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits and will be binding on the recipient, its successors and assigns. The recipient, in consideration of the conveyance of said lands and interest in lands, does hereby covenant and agree as a covenant running with the land for itself, its successors and assigns, that (1) no person will on the grounds of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination with regard to any facility located wholly or in part on, over, or under such lands hereby conveyed [,] [and]* (2) that the recipient will use the lands and interests in lands and interest in lands so conveyed, in compliance with all requirements imposed by or pursuant to Title 49, Code of Federal Regulations, US DOT, Subtitle A, Office of the Secretary, Part 21, Non-discrimination in Federally-assisted programs of the US DOT, Effectuation of Title VI of the Civil Rights Act of 1964, and as said Regulations and Acts may be amended [, and (3) that in the event of breach of any of the above-mentioned non-discrimination conditions, the Department will have a right to enter or re-enter said lands and facilities on said lands, and that above described land and facilities will thereon revert to and vest in and become the absolute property of the US DOT and its assigns as such interest existed prior to this instruction].*

(*Reverter clause and related language to be used only when it is determined that such a clause is necessary in order to make clear the purpose of Title VI.)

APPENDIX C
CLAUSES FOR TRANSFER OF REAL PROPERTY ACQUIRED OR IMPROVED UNDER THE ACTIVITY, FACILITY, OR PROGRAM

The following clauses will be included in deeds, licenses, leases, permits, or similar instruments entered into by the recipient pursuant to the provisions of Assurance 7(a):

A. The (grantee, lessee, permittee, etc. as appropriate) for himself/herself, his/her heirs, personal representatives, successors in interest, and assigns, as a part of the consideration hereof, does hereby covenant and agree [in the case of deeds and leases add "as a covenant running with the land"] that:

    1. In the event facilities are constructed, maintained, or otherwise operated on the property described in this (deed, license, lease, permit, etc.) for a purpose for which a US DOT activity, facility, or program is extended or for another purpose involving the provision of similar services or benefits, the (grantee, licensee, lessee, permittee, etc.) will maintain and operate such facilities and services in compliance with all requirements imposed by the Acts and Regulations(as may be amended) such that no person on the grounds of race, color, or national origin, will be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of said facilities.

B. With respect to licenses, leases, permits, etc., in the event of breach of any of the above Non-discrimination covenants, the recipient will have the right to terminate the (lease, license, permit, etc.) and to enter, re-enter, and repossess said lands and facilities thereon, and hold the same as if the (lease, license, permit, etc.) had never been made or issued.*

C. With respect to a deed, in the event of breach of any of the above Non-discrimination covenants, the recipient will have the right to enter or re-enter the lands and facilities thereon, and the above described lands and facilities will there upon revert to and vest in and become the absolute property of the recipient and its assigns. *

(*Reverter clause and related language to be used only when it is determined that such a clause is necessary to make clear the purpose of Title VI.)

APPENDIX D
CLAUSES FOR CONSTRUCTION/USE/ACCESS TO REAL PROPERTY ACQUIRED UNDER THEACTIVITY, FACILITY OR PROGRAM

The following clauses will be included in deeds, licenses, permits, or similar instruments/agreements entered into by the recipient pursuant to the provisions of Assurance 7(b):

A. The (grantee, licensee, permittee, etc., as appropriate) for himself/herself, his/her heirs, personal representatives, successors in interest ,and assigns, as a part of the consideration hereof, does hereby covenant and agree (in the case of deeds and leases add, "as a covenant running with the land") that (1) no person on the ground of race, color, or national origin, will be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of said facilities, (2) that in the construction of any improvements on, over, or under such land, and the furnishings of services thereon, no person on the ground of race, color, or national origin, will be excluded from participation in, denied the benefits or, or otherwise be subjected to discrimination, (3) that the (grantee, licensee, lessee, permittee, etc.) will use the premises in compliance with all other requirements imposed by or pursuant to the Acts and Regulations, as amended, set forth in this Assurance.

B. With respect to (licenses, leases, permits, etc.) in the event of breach of any of the above of the above Non-discrimination covenants, the recipient will have the right to terminate the (license, permits, etc., as appropriate) and to enter or re-enter and repossess said land and the facilities thereon, and hold the same as if said (license, permit, etc., as appropriate) had never been made or issued.*

C. With respect to deeds, in the event of breach of any of the above Non-discrimination covenants, the recipient will there upon revert to and vest in and become the absolute property of the recipient and its assigns.

APPENDIX E

During the performance of this AGREEMENT, the CONTRACTOR, for itself, its assignees, and successors in interest (hereinafter referred to as the "CONTRACTOR") agrees to comply with the following nondiscrimination statutes and authorities, including, but not limited to:

Pertinent Non-Discrimination Authorities:

- Title VI of the Civil Rights Act of 1964 (42 U.S.C. § 2000d et seq., 78 stat. 252), prohibits discrimination on the basis of race, color, national origin); and 49 CFR Part 21.
- The Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, (42 U.S.C. § 4601), (prohibits unfair treatment of persons displaced or whose property has been acquired because of Federal or Federal-aid programs and projects).

Docusign Envelope ID: 5731CC04-27ED-433A-847F-F32E5C457C35

- Federal-Aid Highway Act of 1973, (23 U.S.C. § 324 et seq.), prohibits discrimination on the basis of sex.
- Section 504 of the Rehabilitation Act of 1973, (29 U.S.C. § 794 et seq.), as amended, (prohibits discrimination on the basis of disability); and 49 CR Part 27.
- The Age Discrimination Act of 1975, as amended, (42 U.S.C. § 6101 et seq.), prohibits discrimination on the basis of age).
- Airport and Airway Improvement Act of 1982, (49 U.S.C. § 471, Section 47123), as amended, (prohibits discrimination based on race, creed, color, national origin, or sex).
- The Civil Rights Restoration Act of 1987, (PL 100-209), (Broadened the scope, coverage and applicability of Title VI of the Civil Rights Act of 1964, The Age Discrimination Act of 1975 and Section 504 of the Rehabilitation Act of 1973, by expanding the definition of the terms "programs or activities" to include all of the programs or activities of the Federal-aid recipients, sub-recipients and contractors, whether such programs or activities are Federally funded or not);
- Titles II and III of the Americans with Disabilities Act, which prohibit discrimination of the basis of disability in the operation of public entities, public and private transportation systems, places of public accommodation, and certain testing entities (42 U.S.C. §§ 12131 – 12189) as implemented by Department of Transportation regulations 49 C.F.R. parts 37 and 38.
- The Federal Aviation Administration's Non-discrimination statute (49 U.S.C. § 47123) (prohibits discrimination on the basis of race, color, national origin, and sex).
- Executive Order 12898, Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations, which ensures discrimination against minority populations by discouraging programs, policies, and activities with disproportionately high and adverse human health or environmental effects on minority and low-income populations.
- Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency, and resulting agency guidance, national origin discrimination includes discrimination because of Limited English Proficiency (LEP). To ensure compliance with Title VI, you must take reasonable steps to ensure that LEP persons have meaningful access to your programs (70 Fed. Reg. at 74087 to 74100).
- Title IX of the Education Amendments of 1972, as amended, which prohibits you from discriminating because of sex in education programs or activities (20 U.S.C.1681 et seq).

COST-PLUS-FIXED FEE OR LUMP SUM OR FIRM FIXED PRICE CONTRACTS

(CALCULATIONS FOR ANTICIPATED SALARY INCREASES)

1. Calculate Average Hourly Rate for 1st year of the contract (Direct Labor Subtotal divided by total hours)

Direct Labor Subtotal per Cost Proposal	Total Hours per Cost Proposal		Avg Hourly Rate	**5 Year Contract Duration**
$250,000.00	5000	=	$50.00	Year 1 Avg Hourly Rate

2. Calculate hourly rate for all years (Increase the Average Hourly Rate for a year by proposed escalation %)

	Avg Hourly Rate		Proposed Escalation			
Year 1	$50.00	+	2%	=	$51.00	Year 2 Avg Hourly Rate
Year 2	$51.00	+	2%	=	$52.02	Year 3 Avg Hourly Rate
Year 3	$52.02	+	2%	=	$53.06	Year 4 Avg Hourly Rate
Year 4	$53.06	+	2%	=	$54.12	Year 5 Avg Hourly Rate

3. Calculate estimated hours per year (Multiply estimate % each year by total hours)

	Estimated % Completed Each Year		Total Hours per Cost Proposal		Total Hours per Year	
Year 1	20.0%	*	5000	=	1000	Estimated Hours Year 1
Year 2	40.0%	*	5000	=	2000	Estimated Hours Year 2
Year 3	15.0%	*	5000	=	750	Estimated Hours Year 3
Year 4	15.0%	*	5000	=	750	Estimated Hours Year 4
Year 5	10.0%	*	5000	=	500	Estimated Hours Year 5
Total	100%		Total	=	5000	

4. Calculate Total Costs including Escalation (Multiply Average Hourly Rate by the number of hours)

	Avg Hourly Rate (calculated above)		Estimated hours (calculated above)		Cost per Year	
Year 1	$50.00	*	1000	=	$50,000.00	Estimated Hours Year 1
Year 2	$51.00	*	2000	=	$102,000.00	Estimated Hours Year 2
Year 3	$52.02	*	750	=	$39,015.00	Estimated Hours Year 3
Year 4	$53.06	*	750	=	$39,795.30	Estimated Hours Year 4
Year 5	$54.12	*	500	=	$27,060.80	Estimated Hours Year 5
	Total Direct Labor Cost with Escalation			=	$257,871.10	
	Direct Labor Subtotal before Escalation			=	$250,000.00	
	Estimated total of Direct Labor Salary Increase			=	**$7,871.10**	Transfer to Page 1

NOTES:

1. This is not the only way to estimate salary increases. Other methods will be accepted if they clearly indicate the % increase, the # of years of the contract, and a breakdown of the labor to be performed each year.
2. An estimation that is based on direct labor multiplied by salary increase % multiplied by the # of years is not acceptable. (i.e. $250,000 x 2% x 5 yrs = $25,000 is not an acceptable methodology)
3. This assumes that one year will be worked at the rate on the cost proposal before salary increases are granted.
4. Calculations for anticipated salary escalation must be provided.

Certification of Direct Costs:

I, the undersigned, certify to the best of my knowledge and belief that all direct costs identified on the cost proposal(s) in this contract are actual, reasonable, allowable, and allocable to the contract in accordance with the contract terms and the following requirements:

1. Generally Accepted Accounting Principles (GAAP)
2. Terms and conditions of the contract
3. Title 23 United States Code Section 112 - Letting of Contracts
4. 48 Code of Federal Regulations Part 31 - Contract Cost Principles and Procedures
5. 23 Code of Federal Regulations Part 172 - Procurement, Management, and Administration of Engineering and Design Related Service
6. 48 Code of Federal Regulations Part 9904 - Cost Accounting Standards Board (when applicable)

All costs must be applied consistently and fairly to all contracts. All documentation of compliance must be retained in the project files and be in compliance with applicable federal and state requirements. Costs that are noncompliant with the federal and state requirements are not eligible for reimbursement. Local governments are responsible for applying only cognizant agency approved or Caltrans accepted Indirect Cost Rate(s).

EXHIBIT 10-K CONSULTANT ANNUAL CERTIFICATION OF INDIRECT COSTS AND FINANCIAL MANAGEMENT SYSTEM

(Note: If a Safe Harbor Indirect Cost Rate is approved, this form is not required.)

Consultant's Full Legal Name: _____

Important: Consultant means the individual or consultant providing engineering and design related services as a party of a contract with a recipient or sub-recipient of Federal assistance. Therefore, the Indirect Cost Rate(s) shall not be combined with its parent company or subsidiaries.

Indirect Cost Rate:

Combined Rate _____ **% OR**

Home Office Rate_____% and Field Office Rate (if applicable)_____%

Facilities Capital Cost of Money_____% (if applicable)

Fiscal period *_____

* Fiscal period is annual one year applicable accounting period that the Indirect Cost Rate was developed (not the contract period). The Indirect Cost Rate is based on the consultant's one-year applicable accounting period for which financial statements are regularly prepared by the consultant.

I have reviewed the proposal to establish an Indirect Cost Rate(s) for the **fiscal period** as specified above and have determined to the best of my knowledge and belief that:

- All costs included in the cost proposal to establish the indirect cost rate(s) are allowable in accordance with the cost principles of the Federal Acquisition Regulation (FAR) 48, Code of Federal Regulations (CFR), Chapter 1, Part 31 (48 CFR Part 31);
- The cost proposal does not include any costs which are expressly unallowable under the cost principles of 48 CFR Part 31;
- The accounting treatment and billing of prevailing wage delta costs are consistent with our prevailing wage policy as either direct labor, indirect costs, or other direct costs on all federally-funded A&E Consultant Contracts.
- All known material transactions or events that have occurred subsequent to year-end affecting the consultant's ownership, organization, and indirect cost rates have been disclosed as of the date of this certification.

I am providing the required and applicable documents as instructed on Exhibit 10-A.

Financial Management System:

Our labor charging, job costing, and accounting systems meet the standards for financial reporting, accounting records, and internal control adequate to demonstrate that costs claimed have been incurred, appropriately accounted for, are allocable to the contract, and comply with the federal requirements as set forth in Title 23 United States Code (U.S.C.) Section 112(b)(2); 48 CFR Part 31.201-2(d); 23 CFR, Chapter 1, Part 172.11(a)(2); and all applicable state and federal rules and regulations.

Our financial management system has the following attributes:

- Account numbers identifying allowable direct, indirect, and unallowable cost accounts;
- Ability to accumulate and segregate allowable direct, indirect, and unallowable costs into separate cost

accounts;

- Ability to accumulate and segregate allowable direct costs by project, contract and type of cost;
- Internal controls to maintain integrity of financial management system;
- Ability to account and record costs consistently and to ensure costs billed are in compliance with FAR;
- Ability to ensure and demonstrate costs billed reconcile to general ledgers and job costing system; and
- Ability to ensure costs are in compliance with contract terms and federal and state requirement

Cost Reimbursements on Contracts:

I also understand that failure to comply with 48 CFR Part 16.301-3 or knowingly charge unallowable costs to Federal-Aid Highway Program (FAHP) contracts may result in possible penalties and sanctions as provided by the following:

- Sanctions and Penalties - 23 CFR Part 172.11(c)(4)
- False Claims Act - Title 31 U.S.C. Sections 3729-3733
- Statements or entries generally - Title 18 U.S.C. Section 1001
- Major Fraud Act - Title 18 U.S.C. Section 1031

All A&E Contract Information:

- Total participation amount $_____ on all State and FAHP contracts for Architectural & Engineering services that the consultant received in the last three fiscal periods.
- The number of states in which the consultant does business is_____.
- Years of consultant's experience with 48 CFR Part 31 is_____.
- Audit history of the consultant's current and prior years (if applicable)

☐ Cognizant ICR Audit ☐ Local Gov't ICR Audit ☐ Caltrans ICR Audit
☐ CPA ICR Audit ☐ Federal Gov't ICR Audit

I, the undersigned, certify all of the above to the best of my knowledge and belief and that I have reviewed the Indirect Cost Rate Schedule to determine that any costs which are expressly unallowable under the Federal cost principles have been removed and comply with Title 23 U.S.C. Section 112(b)(2), 48 CFR Part 31, 23 CFR Part 172, and all applicable state and federal rules and regulations. I also certify that I understand that all documentation of compliance must be retained by the consultant. I hereby acknowledge that costs that are noncompliant with the federal and state requirements are not eligible for reimbursement and must be returned to Caltrans.

INSTRUCTIONS FOR COMPLETING EXHIBIT 10-Q DISCLOSURE OF LOBBYING ACTIVITIES

This disclosure form shall be completed by the reporting entity, whether subawardee or prime federal recipient at the initiation or receipt of covered federal action or a material change to previous filing pursuant to title 31 U.S.C. Section 1352. The filing of a form is required for such payment or agreement to make payment to lobbying entity for influencing or attempting to influence an officer or employee of any agency, a Member of Congress an officer or employee of Congress or an employee of a Member of Congress in connection with a covered federal action. Attach a continuation sheet for additional information if the space on the form is inadequate. Complete all items that apply for both the initial filing and material change report. Refer to the implementing guidance published by the Office of Management and Budget for additional information.

1. Identify the type of covered federal action for which lobbying activity is or has been secured to influence, the outcome of a covered federal action.
2. Identify the status of the covered federal action.
3. Identify the appropriate classification of this report. If this is a follow-up report caused by a material change to the information previously reported, enter the year and quarter in which the change occurred. Enter the date of the last, previously submitted report by this reporting entity for this covered federal action.
4. Enter the full name, address, city, state, and zip code of the reporting entity. Include Congressional District if known. Check the appropriate classification of the reporting entity that designates if it is or expects to be a prime or subaward recipient. Identify the tier of the subawardee, e.g., the first subawardee of the prime is the first tier. Subawards include but are not limited to: subcontracts, subgrants, and contract awards under grants.
5. If the organization filing the report in Item 4 checks "Subawardee" then enter the full name, address, city, state, and zip code of the prime federal recipient. Include Congressional District, if known.
6. Enter the name of the federal agency making the award or loan commitment. Include at least one organization level below agency name, if known. For example, Department of Transportation, United States Coast Guard.
7. Enter the federal program name or description for the covered federal action (item 1). If known, enter the full Catalog of Federal Domestic Assistance (CFDA) number for grants, cooperative agreements, loans and loan commitments.
8. Enter the most appropriate federal identifying number available for the federal action identification in item 1 (e.g., Request for Proposal (RFP) number, Invitation for Bid (IFB) number, grant announcement number, the contract grant. or loan award number, the application/proposal control number assigned by the federal agency). Include prefixes, e.g., "RFP-DE-90-001."
9. For a covered federal action where there has been an award or loan commitment by the Federal agency, enter the federal amount of the award/loan commitments for the prime entity identified in item 4 or 5.
10. Enter the full name, address, city, state, and zip code of the lobbying entity engaged by the reporting entity identified in Item 4 to influence the covered federal action.
11. Enter the full names of the individual(s) performing services and include full address if different from 10 (a). Enter Last Name, First Name and Middle Initial (MI).
12. Enter the amount of compensation paid or reasonably expected to be paid by the reporting entity (Item 4) to the lobbying entity (Item 10). Indicate whether the payment has been made (actual) or will be made (planned). Check all boxes that apply. If this is a material change report, enter the cumulative amount of payment made or planned to be made.
13. Check all boxes that apply. If payment is made through an in-kind contribution, specify the nature and value of the in-kind payment.
14. Check all boxes that apply. If other, specify nature.
15. Provide a specific and detailed description of the services that the lobbyist has performed or will be expected to perform and the date(s) of any services rendered. Include all preparatory and related activity not just time spent in actual contact with federal officials. Identify the federal officer(s) or employee(s) contacted or the officer(s) employee(s) or Member(s) of Congress that were contacted.
16. Check whether or not a continuation sheet(s) is attached.
17. The certifying official shall sign and date the form, and print his/her name title and telephone number.

COUNTY OF MONTEREY AGREEMENT FOR PROFESSIONAL SERVICES WITH SURVEYORS, ARCHITECTS, ENGINEERS & DESIGN PROFESSIONALS

This Professional Services Agreement ("Agreement") is made by and between the County of Monterey, a political subdivision of the State of California (hereinafter "County") and:
Harris & Associates, Inc.,
(hereinafter "CONTRACTOR").

In consideration of the mutual covenants and conditions set forth in this Agreement, the parties agree as follows:

1. **SERVICES TO BE PROVIDED.** The County hereby engages CONTRACTOR to perform, and CONTRACTOR hereby agrees to perform, the services described in **Exhibit A** in conformity with the terms of this Agreement. The services are generally described as follows:
Provide on-call construction management services for various construction projects located in the County of Monterey, Request for Qualifications (RFQ) #10914.

2. **PAYMENTS BY COUNTY.** County shall pay the CONTRACTOR in accordance with the payment provisions set forth in **Exhibit A**, subject to the limitations set forth in this Agreement. The total amount payable by County to CONTRACTOR under this Agreement shall not exceed the sum of $3,000,000.

3. **TERM OF AGREEMENT.** The term of this Agreement is from November 21, 2025 **to** November 20, 2030, unless sooner terminated pursuant to the terms of this Agreement. This Agreement is of no force or effect until signed by both CONTRACTOR and County and with County signing last, and CONTRACTOR may not commence work before County signs this Agreement.

4. **ADDITIONAL PROVISIONS/EXHIBITS.** The following attached exhibits are incorporated herein by reference and constitute a part of this Agreement:

Exhibit A	**Scope of Services/Payment Provisions**
Exhibit B	Federal Provisions
Exhibit C	Incorporation of RFQ #10914, Addendum No. 1 to RFQ #10914, and Statement of Qualifications, on file with the County of Monterey, Department of Public Works, Facilities and Parks (PWFP)

5. **PERFORMANCE STANDARDS.**

5.01. CONTRACTOR warrants that CONTRACTOR and CONTRACTOR's agents, employees, and subcontractors performing services under this Agreement are specially trained, experienced, competent, and appropriately licensed to perform the work and deliver the services required under this Agreement and are not employees of the County, or immediate family of an employee of the County.

5.02. CONTRACTOR, its agents, employees, and subcontractors shall perform all work in a safe and skillful manner and in compliance with all applicable laws and regulations. All work performed

Docusign Envelope ID: DBBA609D-C816-4F6C-8EAF-2F301C2451CA

under this Agreement that is required by law to be performed or supervised by licensed personnel shall be performed in accordance with such licensing requirements.

5.03. CONTRACTOR shall furnish, at its own expense, all materials, equipment, and personnel necessary to carry out the terms of this Agreement, except as otherwise specified in this Agreement. CONTRACTOR shall not use County premises, property (including equipment, instruments, or supplies) or personnel for any purpose other than in the performance of its obligations under this Agreement.

6. PAYMENT CONDITIONS.

6.01. CONTRACTOR shall submit to the Contract Administrator an invoice on a form acceptable to County. If not otherwise specified, the CONTRACTOR may submit such invoice periodically or at the completion of services, but in any event, not later than 30 days after completion of services. The invoice shall set forth the amounts claimed by CONTRACTOR for the previous period, together with an itemized basis for the amounts claimed, and such other information pertinent to the invoice as the County may require. The Contract Administrator or his or her designee shall certify the invoice; either in the requested amount or in such other amount as the County approves in conformity with this Agreement, and shall promptly submit such invoice to the County Auditor-Controller for payment. The County Auditor-Controller shall pay the amount certified within 30 days of receiving the certified invoice.

6.02. CONTRACTOR shall not receive reimbursement for travel expenses unless set forth in this Agreement.

7. TERMINATION.

7.01. During the term of this Agreement, the County may terminate the Agreement for any reason by giving written notice of termination to the CONTRACTOR at least thirty (30) days prior to the effective date of termination. Such notice shall set forth the effective date of termination. In the event of such termination, the amount payable under this Agreement shall be reduced in proportion to the services provided prior to the date of termination.

7.02. The County may cancel and terminate this Agreement for good cause effective immediately upon written notice to CONTRACTOR. "Good cause" includes the failure of CONTRACTOR to perform the required services at the time and in the manner provided under this Agreement. If County terminates this Agreement for good cause, the County may be relieved of the payment of any consideration to CONTRACTOR, and the County may proceed with the work in any manner, which County deems proper. The cost to the County shall be deducted from any sum due the CONTRACTOR under this Agreement.

8. INDEMNIFICATION.

8.01 For purposes of the following indemnification provisions ("Indemnification Agreement"), "design professional" has the same meaning as set forth in California Civil Code section 2782.8. If any term, provision or application of this Indemnification Agreement is found to be invalid, in violation of public policy or unenforceable to any extent, such finding shall not invalidate any other term or provision of this Indemnification Agreement and such other terms and provisions

Docusign Envelope ID: DBBA609D-C816-4F6C-8EAF-2F301C2451CA

shall continue in full force and effect. If there is any conflict between the terms, provisions or application of this Indemnification Agreement and the provisions of California Civil Code Sections 2782 or 2782.8, the broadest indemnity protection for County under this Indemnity Agreement that is permitted by law shall be provided by CONTRACTOR.

8.02 Indemnification for Design Professional Services Claims:
CONTRACTOR shall indemnify, defend and hold harmless County, its governing board, directors, officers, employees, and agents against any claims that arise out of, or pertain to, or relate to the negligence, recklessness, or willful misconduct of CONTRACTOR, its employees, subcontractors, and agents in the performance of design professional services under this Agreement, excepting only liability arising from the sole negligence, active negligence or willful misconduct of County, or defect in a design furnished by County, but in no event shall the amount of such CONTRACTOR's liability exceed such CONTRACTOR's proportionate percentage of fault as determined by a court, arbitrator or mediator, or as set out in a settlement agreement. In the event one (1) or more defendants to any action involving such claim or claims against County is unable to pay its share of defense costs due to bankruptcy or dissolution of the business, such CONTRACTOR shall meet and confer with the other parties to such action regarding unpaid defense costs.

8.03 Indemnification for All Other Claims or Loss:
For any claim, loss, injury, damage, expense or liability other than claims arising out of CONTRACTOR's performance of design professional services under this Agreement, CONTRACTOR shall indemnify, defend and hold harmless County, its governing board, directors, officers, employees, and agents against any claim for loss, injury, damage, expense or liability resulting from or alleging injury to or death of any person or loss of use of or damage to property, arising from or related to the performance of services under this Agreement by CONTRACTOR, its employees, subcontractors or agents, excepting only liability arising from the sole negligence, active negligence or willful misconduct of County, or defect in a design furnished by County.

9. INSURANCE.

9.01 Evidence of Coverage:
Prior to commencement of this Agreement, the Contractor shall provide a "Certificate of Insurance" certifying that coverage as required herein has been obtained. Individual endorsements executed by the insurance carrier shall accompany the certificate. In addition, the Contractor upon request shall provide a certified copy of the policy or policies.

This verification of coverage shall be sent to the County's Contracts/Purchasing Division, unless otherwise directed. The CONTRACTOR shall not receive a "Notice to Proceed" with the work under this Agreement until it has obtained all insurance required and such, insurance has been approved by the County. This approval of insurance shall neither relieve nor decrease the liability of the CONTRACTOR.

9.02 Qualifying Insurers:
All coverages, except surety, shall be issued by companies which hold a current policy holder's alphabetic and financial size category rating of not less than A VII, according to the current A.M.

Docusign Envelope ID: DBBA609D-C816-4F6C-8EAF-2F301C2451CA

Best's Rating Guide or a company of equal financial stability that is approved by the County's Purchasing Agent.

9.03 Insurance Coverage Requirements: Without limiting CONTRACTOR's duty to indemnify, CONTRACTOR shall maintain in effect throughout the term of this Agreement a policy or policies of insurance with the following minimum limits of liability:

Commercial General Liability Insurance: including but not limited to premises and operations, including coverage for Bodily Injury and Property Damage, Personal Injury, Contractual Liability, Broad form Property Damage, Independent Contractors, Products and Completed Operations, with a combined single limit for Bodily Injury and Property Damage of not less than $1,000,000 per occurrence, and $2,000,000 in the aggregate.
(Note: any proposed modifications to these general liability insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in blue ink. All proposed modifications are subject to County approval.)

Auto Liability Coverage: must include motor vehicles, including scheduled, non-owned, and hired vehicles, used in providing services under this Agreement, with a combined single limit or Bodily Injury and Property Damage of not less than $1,000,000 per occurrence.
(Note: any proposed modifications to these auto insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in blue ink. All proposed modifications are subject to County approval.)

Workers' Compensation Insurance, if CONTRACTOR employs others in the performance of this Agreement, in accordance with California Labor Code section 3700 and with Employer's Liability limits not less than $1,000,000 each person, $1,000,000 each accident and $1,000,000 each disease.
(Note: any proposed modifications to these workers' compensation insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in blue ink. All proposed modifications are subject to County approval.)

Professional Liability Insurance: if required for the professional services being provided, (e.g., those persons authorized by a license to engage in a business or profession regulated by the California Business and Professions Code), in the amount of not less than $1,000,000 per claim and $2,000,000 in the aggregate, to cover liability for malpractice or errors or omissions made in the course of rendering professional services. If professional liability insurance is written on a "claims-made" basis rather than an occurrence basis, the CONTRACTOR shall, upon the expiration or earlier termination of this Agreement, obtain extended reporting coverage ("tail coverage") with the same liability limits. Any such tail coverage shall continue for at least three years following the expiration or earlier termination of this Agreement.
(Note: Professional liability insurance coverage is required if the contractor is providing a professional service regulated by the state. Examples of service providers regulated by the state are insurance agents, professional architects and engineers, doctors, certified public accountants, lawyers, etc. However, other professional Contractors, such as computer or software designers, technology services, and services providers such as claims administrators, should also have professional liability. If in doubt, consult with your risk or contract manager.)

Docusign Envelope ID: DBBA609D-C816-4F6C-8EAF-2F301C2451CA

If the contractor maintains broader coverage and/or higher limits than the minimums shown above, the County requires and shall be entitled to the broader coverage and/or higher limits maintained by the contractor.

9.04 Other Requirements:

All insurance required by this Agreement shall be with a company acceptable to the County and issued and executed by an admitted insurer authorized to transact Insurance business in the State of California. Unless otherwise specified by this Agreement, all such insurance shall be written on an occurrence basis, or, if the policy is not written on an occurrence basis, such policy with the coverage required herein shall continue in effect for a period of three years following the date CONTRACTOR completes its performance of services under this Agreement.

Each liability policy shall provide that the County shall be given notice in writing at least thirty days in advance of any endorsed reduction in coverage or limit, cancellation, or intended non-renewal thereof. Each policy shall provide coverage for Contractor and additional insureds with respect to claims arising from each subcontractor, if any, performing work under this Agreement, or be accompanied by a certificate of insurance from each subcontractor showing each subcontractor has identical insurance coverage to the above requirements.

Additional Insured Status:
The County of Monterey, its officers, officials, employees, agents, and volunteers are to be covered as additional insureds on the auto liability policy for liability arising out of automobiles owned, leased, hired or borrowed by or on behalf of the Contractor. Auto liability coverage shall be provided in the form of an endorsement to the CONTRACTOR'S insurance.

The County of Monterey, its officers, officials, employees, agents, and volunteers are to be covered as additional insureds on the commercial general liability policy with respect to liability arising out of work or operations performed by or on behalf of the CONTRACTOR including materials, parts, or equipment furnished in connection with such work or operations. General liability coverage shall be provided in the form of an endorsement to the CONTRACTOR'S insurance (at least as broad as ISO Form CG 20 10 11 85 or if not available, through the addition of both CG 20 10, CG 20 26, CG 20 33, or CG 20 38; and CG 20 37 if a later edition is used).

Primary Coverage:
For any claims related to this contract, the CONTRACTOR'S insurance coverage shall be primary and non-contributory and at least as broad as ISO CG 20 01 04 13 as respects the County, its officers, officials, employees, agents, and volunteers. Any insurance or self-insurance maintained by the County, its officers, officials, employees, agents, or volunteers shall be excess of the CONTRACTOR'S insurance and shall not contribute with it. This requirement shall also apply to any Excess or Umbrella liability policies.

Workers' Compensation Waiver of Subrogation:
The workers' compensation policy required hereunder shall be endorsed to state that the workers' compensation carrier waives its right of subrogation against COUNTY, its officers, officials, employees, agents, or volunteers, which might arise by reason of payment under such policy in connection with performance under this Agreement by CONTRACTOR. Should CONTRACTOR be self-insured for workers' compensation, CONTRACTOR hereby agrees to waive its right of subrogation against COUNTY, its officers, officials, employees, agents, or volunteers.

Docusign Envelope ID: DBBA609D-C816-4F6C-8EAF-2F301C2451CA

Prior to the execution of this Agreement by the County, CONTRACTOR shall file certificates of insurance and endorsements with the County's contract administrator and County's Contracts/Purchasing Division, showing that the CONTRACTOR has in effect the insurance required by this Agreement. The CONTRACTOR shall file a new or amended certificate of insurance within five calendar days after any change is made in any insurance policy, which would alter the information on the certificate then on file. Acceptance or approval of insurance shall in no way modify or change the indemnification clause in this Agreement, which shall continue in full force and effect. CONTRACTOR shall always during the term of this Agreement maintain in force the insurance coverage required under this Agreement and shall send, without demand by County, annual certificates to County's Contract Administrator and County's Contracts/Purchasing Division. If the certificate is not received by the expiration date, County shall notify CONTRACTOR and CONTRACTOR shall have five calendar days to send in the certificate, evidencing no lapse in coverage during the interim. Failure by CONTRACTOR to maintain such insurance is a default of this Agreement, which entitles County, at its sole discretion, to terminate this Agreement immediately.

10. **RECORDS AND CONFIDENTIALITY.**

10.01 Confidentiality. CONTRACTOR and its officers, employees, agents, and subcontractors shall comply with any and all federal, state, and local laws, which provide for the confidentiality of records and other information. CONTRACTOR shall not disclose any confidential records or other confidential information received from the County or prepared in connection with the performance of this Agreement, unless County specifically permits CONTRACTOR to disclose such records or information. CONTRACTOR shall promptly transmit to County any and all requests for disclosure of any such confidential records or information. CONTRACTOR shall not use any confidential information gained by CONTRACTOR in the performance of this Agreement except for the sole purpose of carrying out CONTRACTOR's obligations under this Agreement.

10.02 County Records. When this Agreement expires or terminates, CONTRACTOR shall return to County any County records which CONTRACTOR used or received from County to perform services under this Agreement.

10.03 Maintenance of Records. CONTRACTOR shall prepare, maintain, and preserve all reports and records that may be required by federal, state, and County rules and regulations related to services performed under this Agreement. CONTRACTOR shall maintain such records for a period of at least three years after receipt of final payment under this Agreement. If any litigation, claim, negotiation, audit exception, or other action relating to this Agreement is pending at the end of the three-year period, then CONTRACTOR shall retain said records until such action is resolved.

10.04 Access to and Audit of Records. The County shall have the right to examine, monitor and audit all records, documents, conditions, and activities of the CONTRACTOR and its subcontractors related to services provided under this Agreement. Pursuant to Government Code section 8546.7, if this Agreement involves the expenditure of public funds in excess of $10,000, the parties to this Agreement may be subject, at the request of the County or as part of any audit of the County, to the examination and audit of the State Auditor pertaining to matters connected with the performance of this Agreement for a period of three years after final payment under the Agreement.

Docusign Envelope ID: DBBA609D-C816-4F6C-8EAF-2F301C2451CA

10.05 Royalties and Inventions. County shall have a royalty-free, exclusive and irrevocable license to reproduce, publish, and use, and authorize others to do so, all original computer programs, writings, sound recordings, pictorial reproductions, drawings, and other works of similar nature produced in the course of or under this Agreement. CONTRACTOR shall not publish any such material without the prior written approval of County.

10.06 Format of Deliverables: For this section, "Deliverables" shall mean all electronic documents CONTRACTOR provides to the County under this Agreement. CONTRACTOR shall ensure all Deliverables comply with the requirements of the Web Content Accessibility Guidelines ("WCAG") 2.1, pursuant to the Americans with Disabilities Act ("ADA"). CONTRACTOR bears the burden to deliver Deliverables, such as Adobe Acrobat Portable Document Format ("PDF") and Microsoft Office files, complying with WCAG 2.1. CONTRACTOR shall defend and indemnify the County against any breach of this Section. This Section shall survive the termination of this Agreement. Find more on Accessibility at this State website: https://webstandards.ca.gov/accessibility/.

11. **NON-DISCRIMINATION.** During the performance of this Agreement, CONTRACTOR, and its subcontractors, shall not unlawfully discriminate against any person because of race, religious creed, color, sex, national origin, ancestry, physical disability, mental disability, medical condition, marital status, age (over 40), sexual orientation, or any other characteristic set forth in California Government code § 12940(a), either in CONTRACTOR's employment practices or in the furnishing of services to recipients. CONTRACTOR shall ensure that the evaluation and treatment of its employees and applicants for employment and all persons receiving and requesting services are free of such discrimination. CONTRACTOR and any subcontractor shall, in the performance of this Agreement, fully comply with all federal, state, and local laws and regulations which prohibit discrimination. The provision of services primarily or exclusively to such target population as may be designated in this Agreement shall not be deemed to be prohibited discrimination.

12. **COMPLIANCE WITH TERMS OF STATE OR FEDERAL GRANT.** If this Agreement has been or will be funded with monies received by the County pursuant to a contract with the state or federal government in which the County is the grantee, CONTRACTOR will comply with all the provisions of said contract, to the extent applicable to CONTRACTOR as a subgrantee under said contract, and said provisions shall be deemed a part of this Agreement, as though fully set forth herein. Upon request, County will deliver a copy of said contract to CONTRACTOR, at no cost to CONTRACTOR.

13. **COMPLIANCE WITH APPLICABLE LAWS.**

13.01 CONTRACTOR shall keep itself informed of and in compliance with all federal, state, and local laws, ordinances, regulations, and orders, including but not limited to all state and federal tax laws that may affect in any manner the Project or the performance of the Services or those engaged to perform Services under this Agreement as well as any privacy laws including, if applicable, Health Insurance Portability and Accountability Act (HIPAA). CONTRACTOR shall procure all permits and licenses, pay all charges and fees, and give all notices require by law in the performance of the Services.

Docusign Envelope ID: DBBA609D-C816-4F6C-8EAF-2F301C2451CA

13.02 CONTRACTOR shall report immediately to County's Contracts/Purchasing Officer, in writing, any discrepancy or inconsistency it discovers in the laws, ordinances, regulations, orders, and/or guidelines in relation to the Project of the performance of the Services.

13.03 All documentation prepared by CONTRACTOR shall provide for a completed project that conforms to all applicable codes, rules, regulations, and guidelines that are in force at the time such documentation is prepared.

14. **INDEPENDENT CONTRACTOR.** In the performance of work, duties, and obligations under this Agreement, CONTRACTOR is at all times acting and performing as an independent contractor and not as an employee of the County. No offer or obligation of permanent employment with the County or particular County department or agency is intended in any manner, and CONTRACTOR shall not become entitled by virtue of this Agreement to receive from County any form of employee benefits including but not limited to sick leave, vacation, retirement benefits, workers' compensation coverage, insurance or disability benefits. CONTRACTOR shall be solely liable for and obligated to pay directly all applicable taxes, including federal and state income taxes and social security, arising out of CONTRACTOR's performance of this Agreement. In connection therewith, CONTRACTOR shall defend, indemnify, and hold County harmless from any and all liability, which County may incur because of CONTRACTOR's failure to pay such taxes.

15. **NOTICES.** Notices required under this Agreement shall be delivered personally or by first-class, postage pre-paid mail to the County and CONTRACTOR's Contract Administrators at the addresses listed below:

16. **MISCELLANEOUS PROVISIONS.**

16.01 Conflict of Interest. CONTRACTOR represents that it presently has no interest and agrees not to acquire any interest during the term of this Agreement, which would directly or indirectly conflict in any manner or to any degree with the full and complete performance of the professional services required to be rendered under this Agreement.

16.02 Amendment. This Agreement may be amended or modified only by an instrument in writing signed by the County and the CONTRACTOR.

16.03 Waiver. Any waiver of any terms and conditions of this Agreement must be in writing and signed by the County and the CONTRACTOR. A waiver of any of the terms and conditions of this Agreement shall not be construed as a waiver of any other terms or conditions in this Agreement.

Docusign Envelope ID: DBBA609D-C816-4F6C-8EAF-2F301C2451CA

16.04 Contractor. The term "CONTRACTOR" as used in this Agreement includes CONTRACTOR's officers, agents, and employees acting on CONTRACTOR's behalf in the performance of this Agreement.

16.05 Disputes. CONTRACTOR shall continue to perform under this Agreement during any dispute.

16.06 Assignment and Subcontracting. The CONTRACTOR shall not assign, sell, or otherwise transfer its interest or obligations in this Agreement without the prior written consent of the County. None of the services covered by this Agreement shall be subcontracted without the prior written approval of the County. Notwithstanding any such subcontract, CONTRACTOR shall continue to be liable for the performance of all requirements of this Agreement.

16.07 Successors and Assigns. This Agreement and the rights, privileges, duties, and obligations of the County and CONTRACTOR under this Agreement, to the extent assignable or delegable, shall be binding upon and inure to the benefit of the parties and their respective successors, permitted assigns, and heirs.

16.08 Headings. The headings are for convenience only and shall not be used to interpret the terms of this Agreement.

16.09 Time is of the Essence. Time is of the essence in each and all of the provisions of this Agreement.

16.10 Governing Law. This Agreement shall be governed by and interpreted under the laws of the State of California.

16.11 Non-exclusive Agreement. This Agreement is non-exclusive and both County and CONTRACTOR expressly reserve the right to contract with other entities for the same or similar services.

16.12 Construction of Agreement. The County and CONTRACTOR agree that each party has fully participated in the review and revision of this Agreement and that any rule of construction to the effect that ambiguities are to be resolved against the drafting party shall not apply in the interpretation of this Agreement or any amendment to this Agreement.

16.13 Authority. Any individual executing this Agreement on behalf of the County or the CONTRACTOR represents and warrants hereby that he or she has the requisite authority to enter into this Agreement on behalf of such party and bind the party to the terms and conditions of this Agreement.

16.14 Integration. This Agreement, including the exhibits, represent the entire Agreement between the County and the CONTRACTOR with respect to the subject matter of this Agreement and shall supersede all prior negotiations, representations, or agreements, either written or oral, between the County and the CONTRACTOR as of the effective date of this Agreement, which is the date that the County signs the Agreement.

Docusign Envelope ID: DBBA609D-C816-4F6C-8EAF-2F301C2451CA

16.15 Interpretation of Conflicting Provisions. In the event of any conflict or inconsistency between the provisions of this Agreement and the Provisions of any exhibit or other attachment to this Agreement, the provisions of this Agreement shall prevail and control.

16.16 Independent Contractor Compliance with Government Code Section 1097.6 (c). This section applies to those situations when a contractor/consultant is awarded a Contract for a preliminary phase of a project, with future phases to be bid separately. This section does not apply to those situations when a Contract is awarded for multiple phases of a project under a single contract/proposal. When applicable, and as described below, contractor/consultant's duties and services under this agreement shall not include preparing or assisting the public entity with any portion of the public entity's preparation of a request for proposals, request for qualifications, or any other solicitation regarding a subsequent or additional contract with the public entity. The public entity entering this agreement shall at all times retain responsibility for public contracting, including with respect to any subsequent phase of this project. Contractor/consultant's participation in the planning, discussions, or drawing of project plans or specifications shall be limited to conceptual, preliminary, or initial plans or specifications. Contractor/consultant shall cooperate with the public entity to ensure that all bidders for a subsequent contract on any subsequent phase of this project have access to the same information, including all conceptual, preliminary, or initial plans or specifications prepared by contractor pursuant to this agreement.

17. **CONSENT TO USE OF ELECTRONIC SIGNATURES**.

17.01 The parties to this Agreement consent to the use of electronic signatures via DocuSign to execute this Agreement. The parties understand and agree that the legality of electronic signatures is governed by state and federal law, 15 USC Section 7001 *et seq*.; California Government Code Section 16.5; and, California Civil Code Section 1633.1 *et seq.* Pursuant to said state and federal law as may be amended from time to time, the parties to this Agreement hereby authenticate and execute this Agreement, and any and all Exhibits to this Agreement, with their respective electronic signatures, including any and all scanned signatures in portable document format (PDF).

17.02 Counterparts. The parties to this Agreement understand and agree that this Agreement can be executed in two (2) or more counterparts and transmitted electronically via facsimile transmission or by delivery of a scanned counterpart in PDF via email transmittal.

17.03 Form: Delivery by E-Mail or Facsimile. Executed counterparts of this Agreement may be delivered by facsimile transmission or by delivery of a scanned counterpart in PDF by e-mail transmittal, in either case with delivery confirmed. On such confirmed delivery, the signatures in the facsimile or PDF data file shall be deemed to have the same force and effect as if the manually signed counterpart or counterparts had been delivered to the other party in person.

EXHIBIT A - SCOPE OF SERVICES/PAYMENT PROVISIONS

To Agreement by and between
County of Monterey, hereinafter referred to as "County"
and
Harris & Associates, Inc., hereinafter referred to as "CONTRACTOR"

A. SCOPE OF SERVICES

A.1 CONTRACTOR shall provide services and staff, and otherwise do all things necessary for or incidental to the performance of work, as set forth below:

A.1.1 CONTRACTOR's Minimum Work Performance Percentage: CONTRACTOR shall perform with their own organization Agreement work amounting to not less than fifty percent (50%) of the original total Agreement price. CONTRACTOR shall not assign, subcontract, sell, or otherwise transfer its interest or obligations in this Agreement without the prior written consent of County.

A.1.2 The scope of services includes in general construction management and engineering inspection services for various construction projects within the County. The construction projects include the repair and upgrade of existing roadways, drainage facilities, and traffic control devices.

A.1.3 The broad scope requires a diversity of expertise and the ability to deal with a number of specialized construction contract issues. Of particular concern are the qualifications and experience of the individual(s) who will be directly involved in the project(s), as they relate to the California Department of Transportation (Caltrans).

A.1.4 The construction management effort shall include, but not be limited to, the following services and requirements:

Contract Administration:
Provide overall coordination of construction management services, including supervision of contract administration, labor compliance, Disadvantaged Business Enterprise (DBE) programs, field observations and outside services. Attend regularly scheduled project meetings with County or CONTRACTOR representatives to review the progress of the work, resolve field problems as they occur, and perform project related public relations with the public and outside agencies such as the United States Army Corps of Engineers (USACE) and the California Department of Fish and Wildlife (CDFW).

General Inspection:
Provide daily inspections and supervision of the work of the construction contractor's operations as construction progresses and promptly report and resolve problems regarding performance and/or conformity with the drawings and specifications, including contract administration and construction engineering of

Docusign Envelope ID: DBBA609D-C816-4F6C-8EAF-2F301C2451CA

the assigned project. Assist County Resident Engineer in managing construction operations. In accordance with the State Standard Specifications and Special Provisions, ensure that all utility work is coordinated with the appropriate utility company and that all the appropriate permits and inspections are obtained for all items of work.

Change Orders:
In accordance with State Standard Specifications, Special Provisions, and County format, prepare, process, and make recommendations on change orders. County will approve all change orders which are acceptable to County.

Surveying:
Coordinate and supervise construction surveying and staking. Construction staking is to be included in the services provided by CONTRACTOR.

Material Testing:
Coordinate, interpret, certify, and supervise all required soils and material tests in accordance with Caltrans test methods and Standard Specifications. CONTRACTOR shall provide County with a Caltrans certified material testing company to provide material testing services per Caltrans Standard Specifications.

Test Data:
Review and approve copies of certificates of compliance, independent testing laboratory reports, and manufacturer's shop or mill tests to ensure conformance with contract specifications.

Plan Interpretation:
With the assistance of County Resident Engineer, as needed, to interpret the intent of the plans and specifications to protect County against defects and deficiencies in construction on the part of the construction contractor.

Pre-Construction Conference:
Assist in the pre-construction meeting with construction contractor and other project participants. This discussion affords all the parties of the construction contract a common understanding of the proposed work and problems, and possible solutions that may be expected during the life of the construction contract. Labor compliance, equal employment opportunity, safety requirements, water pollution requirements, agreements, and permits shall also be discussed. Respond to questions construction contractor may have and address issues that need to be resolved before work commences.

Safety and Accidents:
Assume the duties of the Project Safety Coordinator. Ensure construction contractor complies with all safety orders, Federal and State, and permits through normal contract administration procedures. Document all incidents with

Docusign Envelope ID: DBBA609D-C816-4F6C-8EAF-2F301C2451CA

photographs and written reports. Manage safety precautions through construction contractor for the public in construction areas.

Approval Schedule:
Prepare a schedule (using Microsoft Project) indicating all items that will be submitted by construction contractor for review and approval requiring action by County. Furnish appropriate forms, as necessary, and monitor the construction contractor's adherence to the schedule.

False Work and Shop Drawings:
Keep records, provide timely engineering review, and prepare written recommendations certifying the adequacy of construction contractor's submittal for false work as well as construction of false work. Coordinate, document, and make engineering recommendations in writing on approval of shop drawings. Final submittal approvals shall be made in consultation with County.

Progress Statements:
Prepare and provide monthly progress statements meeting County requirements including the following: monthly estimates on all items of work with source documents to verify progress payments. Submit weekly copies of daily diaries to County. Submit a copy of the baseline progress schedule and monthly updates as required by the Special Provisions.

Final Walk-through and Final Inspection:
Conduct project walk-through prior to completion of construction. Minutes of this walk-through shall be completed by CONTRACTOR and a copy shall be sent to County. The final walk-through list of attendees shall be coordinated with County. CONTRACTOR shall complete a final inspection of the project and complete the required Final Report forms.

As-Built Plans:
Provide County with an electronic as-built plan file complete with redline changes or corrections. Such plans will be based upon information obtained from field measurements and observations made during project construction and approved contract change orders. The electronic signature and seal of the responsible Registered Resident Engineer or Construction Engineer will be placed in the file on Level 62 (refer to "Highway Design and Topography Information" on Page 2.5-2 of the *Caltrans Computer Aided Design & Drafting (CADD) User's Manual*).

Contract Records:
At the completion of the project, submit the original set of construction books to County cataloged in accordance with Chapter 5, Section 5-102, "Organization of Project Documents," of the *Caltrans Construction Manual* and as directed by County. These records shall include all correspondence, meeting minutes, photographs, agreements, hazardous waste material information and tests, labor

compliance, contract administration forms, bridge work, diaries, contract item quantity documents, contract change orders, project status sheets, project record-estimate and project status, disputes, project completion documents, etc.

A.1.5 Services shall be provided on an on-call basis. County shall contact CONTRACTOR with regards to an individual task and/or project. CONTRACTOR shall then submit a detailed proposal that shall include at minimum assigned CONTRACTOR staff, relevant task, deliverables, schedule, and cost.

A.1.6 The exact scope for construction management services will be determined prior to a notice to proceed for a specific task and/or project. County may negotiate the scope and cost of the proposal prior to issuance of the notice to proceed. County has the right to reject any submitted proposal.

A.1.7 CONTRACTOR shall advocate for County and ensure the project produced is in the best interest of County. CONTRACTOR shall deliver products on or ahead of the required schedule and within budget.

A.1.8 All work shall be performed in conformance with all applicable County, State and Federal laws relevant to the specific project scope.

A.1.9 In compliance with RFQ #10914, if the project for which CONTRACTOR is ultimately hired for is funded with Federal Highway Administration (FHWA) funds, CONTRACTOR will be required to comply with Federal Provisions. Caltrans Local Assistance Procedures Manual (LAPM), Federal Provisions in Exhibit B, attached hereto and incorporated by reference, shall be completed separately for each individual project by CONTRACTOR and submitted to County for approval prior to County issuing CONTRACTOR with a notice to proceed for the project.

A.1.10 County will issue CONTRACTOR a Delivery Order (DO) number for each individual task and/or project in the amount agreed upon by both parties and after County provides a notice to proceed. DO numbers for each task and/or project will close at the end of each fiscal year (July 1–June 30) and, if necessary, may be reissued at the start of the following fiscal year to allow completion of the task and/or project. The CONTRACTOR should note that County DO numbers change with each fiscal year; therefore, the DO number assigned to a task and/or project may differ from its start to its completion.

A.2 CONTRACTOR shall produce all deliverables (e.g., written reports, installed products, etc.) associated with the assigned task(s) by the deadline specified by the County.

B. PAYMENT PROVISIONS

B.1 COMPENSATION/PAYMENT

County shall pay an amount not to exceed **$3,000,000**, for the performance of all things necessary for or incidental to the performance of work as set forth in the Scope of Services. CONTRACTOR's compensation for services rendered shall be based on the rates as included in this Exhibit A and in accordance with the following terms:

County and CONTRACTOR agree that CONTRACTOR shall be reimbursed for travel expenses during this Agreement. CONTRACTOR shall receive compensation for travel expenses as per the "County Travel Policy". A copy of the policy is available online at https://www.countyofmonterey.gov/home/showdocument?id=69364. To receive reimbursement, CONTRACTOR must provide a detailed breakdown of authorized expenses, identifying what was expended and when.

County and CONTRACTOR agree that CONTRACTOR and its subcontractors shall be reimbursed for mileage based upon the Internal Revenue Service (IRS) standard business mileage rate at the time of travel.

CONTRACTOR agrees that pursuant to Labor Code Section 1771, not less than general prevailing rate of per diem wages shall be paid to all workers employed on any public work projects in excess of one thousand dollars ($1,000).

Under California Labor Code sections 1720 et seq., a contract for some or all of the work contemplated by RFQ #10914 may be considered a public work. If applicable, CONTRACTOR shall comply with provisions of the Labor Code (sections 1720 et seq.) governing public works, including payment of prevailing wages, payroll records, and employment of apprentices. Copies of the determination of the general prevailing rate of per diem wages are available to interested parties at:
http://www.dir.ca.gov/public-works/prevailing-wage.html.

Travel expenses for federally funded projects shall be reimbursed in accordance with California Department of Human Resources' (CalHR) rates https://hrmanual.calhr.ca.gov/home/manualitem/1/2201.

CONTRACTOR warrants that the cost charged for services under the terms of this Agreement are not in excess of those charged to any other client for the same services performed by the same individuals.

B.2 CONTRACTOR'S BILLING PROCEDURES

Invoices under this Agreement shall be submitted monthly and promptly, and in accordance with Section 6, "Payment Conditions", of the Agreement. All invoices shall reference the Agreement's Multi-Year Agreement (MYA) number and associated DO number, services and/or project name, County Project Manager, and an original hardcopy

Docusign Envelope ID: DBBA609D-C816-4F6C-8EAF-2F301C2451CA

shall be sent to the following address or via email to PWFP-Finance-AP@countyofmonterey.gov with a copy to goetzj@countyofmonterey.gov:

County of Monterey
Department of Public Works, Facilities and Parks (PWFP) – Finance Division
1441 Schilling Place, South 2nd Floor
Salinas, California 93901-4527

Any questions pertaining to invoices under this Agreement shall be directed to the PWFP Finance Division at (831) 755-4800 or via email to: PWFP-Finance-AP@countyofmonterey.gov.

County may, in its sole discretion, terminate the Agreement or withhold payments claimed by CONTRACTOR for services rendered if CONTRACTOR fails to satisfactorily comply with any term or condition of this Agreement.

No payments in advance or in anticipation of services or supplies to be provided under this Agreement shall be made by County.

County shall not pay any claims for payment for services submitted more than twelve (12) months after the calendar month in which the services were completed.

DISALLOWED COSTS: CONTRACTOR is responsible for any audit exceptions or disallowed costs incurred by its own organization or that of its subcontractors.

NOTES:

1. Key personnel **must** be marked with an asterisk (*) and employees that are subject to prevailing wage requirements must be marked with two asterisks (**). All costs must comply with the Federal cost principles. Subconsultants will provide their own cost proposals.
2. The cost proposal format shall not be amended.
3. Billing rate = actual hourly rate * (1+ ICR) * (1+ Fee). Indirect cost rates shall be updated on an annual basis in accordance with the consultant's annual accounting period and established by a cognizant agency or accepted by Caltrans. All costs must comply with the Federal cost principles for reimbursement.
4. For named employees and key personnel enter the actual hourly rate. For classifications only, enter the Average Hourly Rate for that classification.

NOTES:

1. List direct cost items with estimated costs. These costs should be competitive in their respective industries and supported with appropriate documentation.
2. Proposed ODC items should be consistently billed regardless of client and contract type.
3. Items when incurred for the same purpose, in like circumstance, should not be included in any indirect cost pool or in the overhead rate.
4. Items such as special tooling, will be reimbursed at actual cost with supporting documentation (invoice).
5. Items listed above that would be considered "tools of the trade" are not reimbursable as other direct cost.
6. Travel related costs should be pre-approved by the contracting agency and shall not exceed current State Department of Personnel Administration rules.
7. If mileage is claimed, the rate should be properly supported by the consultant's calculation of their actual costs for company vehicles. In addition, the miles claimed should be supported by mileage logs.
8. If a consultant proposes rental costs for a vehicle, the company must demonstrate that this is its standard procedure for all of their contracts and that they do not own any vehicles that could be used for the same purpose.
9. The cost proposal format shall not be amended. All costs must comply with the Federal cost principles.
10. Add additional pages if necessary
11. Subconsultants must provide their own cost proposals.

NOTES:
1. Key personnel **must** be marked with an asterisk (*) and employees that are subject to prevailing wage requirements must be marked with two asterisks (**). All costs must comply with the Federal cost principles. Subconsultants will provide their own cost proposals.
2. The cost proposal format shall not be amended.
3. Billing rate = actual hourly rate * (1+ ICR) * (1+ Fee). Indirect cost rates shall be updated on an annual basis in accordance with the consultant's annual accounting period and established by a cognizant agency or accepted by Caltrans. All costs must comply with the Federal cost principles for reimbursement.
4. For named employees and key personnel enter the actual hourly rate. For classifications only, enter the Average Hourly Rate for that classification.

Certification of Direct Costs

I, the undersigned, certify to the best of my knowledge and belief that all direct costs identified on the cost proposal(s) in this contract are actual, reasonable, allowable, and allocable to the contract in accordance with the contract terms and the following requirements:

1 Generally Accepted Accounting Principles (GAAP)
2 Terms and conditions of the contract
3 Title 23 United States Code Section 112 - Letting of Contracts
4 48 Code of Federal Regulations Part 31 - Contract Cost Principles and Procedures
5 23 Code of Federal Regulations Part 172 - Procurement, Management, and Administration of

6 48 Code of Federal Regulations Part 9904 - Cost Accounting Standards Board (when applicable)

All costs must be applied consistently and fairly to all contracts. All documentation of compliance must be retained in the project files and be in compliance with applicable federal and state requirements. Costs that are noncompliant with the federal and state requirements are not eligible for reimbursement.
Local governments are responsible for applying only cognizant agency approved or Caltrans accepted Indirect Cost Rate(s).

Prime Consultant or Suconsultant Certifying:

Name: Mark W. Connelly

Title*: Vice President

NOTES:

1. Key personnel **must** be marked with an asterisk (*) and employees that are subject to prevailing wage requirements must be marked with two asterisks (**). All costs must comply with the Federal cost principles. Subconsultants will provide their own cost proposals.
2. The cost proposal format shall not be amended.
3. Billing rate = actual hourly rate * (1+ ICR) * (1+ Fee). Indirect cost rates shall be updated on an annual basis in accordance with the consultant's annual accounting period and established by a cognizant agency or accepted by Caltrans. All costs must comply with the Federal cost principles for reimbursement.
4. For named employees and key personnel enter the actual hourly rate. For classifications only, enter the Average Hourly Rate for that classification.

NOTES:

1. Key personnel **must** be marked with an asterisk (*) and employees that are subject to prevailing wage requirements must be marked with two asterisks (**). All costs must comply with the Federal cost principles. Subconsultants will provide their own cost proposals.
2. The cost proposal format shall not be amended.
3. Billing rate = actual hourly rate * (1+ ICR) * (1+ Fee). Indirect cost rates shall be updated on an annual basis in accordance with the consultant's annual accounting period and established by a cognizant agency or accepted by Caltrans. All costs must comply with the Federal cost principles for reimbursement.
4. For named employees and key personnel enter the actual hourly rate. For classifications only, enter the Average Hourly Rate for that classification.

Article I - Introduction

A. This AGREEMENT is between the following named, hereinafter referred to as, CONTRACTOR and the following named, hereinafter referred to as, COUNTY:

The name of the "CONTRACTOR" is as follows:

_____
_____
_____

Incorporated in the State of California

The Project Manager for the "CONTRACTOR" will be:

_____

The name of the COUNTY is as follows:

County of Monterey
Department of Public Works, Facilities and Parks
1441 Schilling Place, South 2nd Floor
Salinas, CA 93901-4527

The Project Manager for the COUNTY will be:

_____
_____
_____

B. The work to be performed under this AGREEMENT is described in Article III Statement of Work and the approved CONTRACTOR's Cost Proposal dated (month, date, year). The approved CONTRACTOR's Cost Proposal is attached hereto as (Exhibit _____) and incorporated by reference. If there is any conflict between the approved Cost Proposal and this AGREEMENT, this AGREEMENT shall take precedence.

C. CONTRACTOR agrees to the fullest extent permitted by law, to indemnify, protect, defend, and holdharmless COUNTY, its officers, officials, agents, employees and volunteers from and against any and all claims, damages, demands, liability, costs, losses and expenses, including without limitation, court costs and reasonable attorneys' and expert witness fees, arising out of any failure to comply with applicable law, any injury to or death of any person(s), damage to property, loss of use of property, economic loss or otherwise arising out of the performance of the work described herein, to the extent caused by a negligent act or negligent failure to act, errors, omissions, recklessness or willful misconduct incident to the performance of this AGREEMENT on the part of CONTRACTOR, except such loss or damage which was caused by the sole negligence, or willful misconduct of COUNTY, as determined by a Court of competent jurisdiction. The provisions of this section shall survive termination or suspension of this AGREEMENT.

D. CONTRACTOR in the performance of this AGREEMENT, shall act in an independent capacity. It is understood and agreed that CONTRACTOR (including CONTRACTOR's employees) is an independent contractor, and that no relationship of employer-employee exists between the parties hereto. CONTRACTOR's assigned personnel shall not be entitled to any benefits payable to employees of COUNTY.

Docusign Envelope ID: DBBA609D-C816-4F6C-8EAF-2F301C2451CA

E. COUNTY is not required to make any deductions or withholdings from the compensation payable to CONTRACTOR under the provisions of the AGREEMENT and is not required to issue W-2 Forms for income and employment tax purposes for any of CONTRACTOR's assigned personnel. CONTRACTOR, in the performance of its obligation hereunder, is only subject to the control or direction of the COUNTY as to the designation of tasks to be performed and theresults to be accomplished.

F. Any third-party person(s) employed by CONTRACTOR shall be entirely and exclusively under the direction, supervision, and control of CONTRACTOR. CONTRACTOR hereby indemnifies and holds COUNTY harmless from any and all claims that may be made against COUNTY based upon any contention by any third party that an employer-employee relationship exists by reason of this AGREEMENT.

G. Except as expressly authorized herein, CONTRACTOR 's obligations under this AGREEMENT are not assignable or transferable, and CONTRACTOR shall not subcontract any work, without the prior written approval of the COUNTY. However, claims for money due or which become due to CONTRACTOR from COUNTY under this AGREEMENT may be assigned to a financial institutionor to a trustee in bankruptcy, without such approval. Notice of any assignment or transfer whether voluntary or involuntary shall be furnished promptly to the COUNTY.

H. CONTRACTOR shall be as fully responsible to the COUNTY for the negligent acts and omissions of its contractors and subconsultants or subcontractors, and of persons either directly orindirectly employed by them, in the same manner as persons directly employed by CONTRACTOR.

I. No alteration or variation of the terms of this AGREEMENT shall be valid, unless made in writing and signed by the parties authorized to bind the parties; and no oral understanding or agreement not incorporated herein, shall be binding on any of the parties hereto.

J. The consideration to be paid to CONTRACTOR as provided herein, shall be in compensation for all of CONTRACTOR’s expenses incurred in the performance hereof, including travel and per diem, unless otherwise expressly so provided.

Article II Contractor’s Reports or Meetings

(Choose either Option 1 or Option 2)

☐ (Option 1 – Use Paragraphs A & B below for standard AGREEMENT)

A. CONTRACTOR shall submit progress reports at least once a month. The report should be sufficiently detailed for the COUNTY’s Contract Administrator to determine, if CONTRACTOR is performing to expectations, or is on schedule; to provide communication of interim findings, and to sufficiently address any difficulties or special problems encountered, so remedies can be developed.

B. CONTRACTOR’s Project Manager shall meet with COUNTY’s Contract Administrator, as needed, to discuss progress on the AGREEMENT.

☐ (Option 2 – Use Paragraphs A & B below for ON-CALL AGREEMENTS)

A. CONTRACTOR shall submit progress reports on each specific project in accordance with the Task Order. These reports shall be submitted at least once a month. The report should be sufficiently

Docusign Envelope ID: DBBA609D-C816-4F6C-8EAF-2F301C2451CA

detailed for COUNTY's Contract Administrator or Project Coordinator to determine, if CONTRACTOR is performing to expectations, or is on schedule; to provide communication of interim findings, and to sufficiently address any difficulties or special problems encountered, so remedies can be developed.

B. CONTRACTOR's Project Manager shall meet with COUNTY's Contract Administrator or Project Coordinator, as needed, to discuss progress on the project(s).

Article III Statement of Work

(Insert Appropriate Statement of Work including a Description of the Deliverables) *in the following sections. If a section does not apply to the AGREEMENT, state "Not Applicable to this AGREEMENT.")*

A. CONTRACTOR Services ☐ Not Applicable to this Agreement

Detail based on the services to be furnished should be provided by CONTRACTOR. Nature and extent should be verified in the negotiations to make precise statements to eliminate subsequent uncertainties and misunderstandings. Reference to the appropriate standards for design or other standards for work performance stipulated in CONTRACTOR AGREEMENT should be included. Describe acceptance criteria, and if the responsible CONTRACTOR/engineer shall sign all Plans, Specifications and Estimate (PS&E) and engineering data furnished under the AGREEMENT including registration number.

Environmental documents are not considered complete until a Caltrans District Senior Environmental Planner signs the Categorical Exclusion, a Caltrans Deputy District Director signs the Finding of No Significant Impact (FONSI), or the Caltrans District Director signs the Record of Decision (see LAPM Chapter 6: Environmental Procedures, and the Standard Environmental Reference).

B. Right of Way ☐ Not Applicable to this Agreement

State whether Right of Way requirements to be determined and shown by CONTRACTOR, whether land surveys and computations with metes and bounds descriptions are to be made, and whether Right of Way parcel maps are to be furnished.

C. Surveys ☐ Not Applicable to this Agreement

State whether or not the CONTRACTOR has the responsibility for performing preliminary or construction surveys.

D. Subsurface Investigations ☐ Not Applicable to this Agreement

State specifically whether or not CONTRACTOR has the responsibility for making subsurface investigations. If borings or other specialized services are to be made by others under the supervision of CONTRACTOR, appropriate provisions are to be incorporated. Archaeological testing and data recovery guidance can be found in the Standard Environmental Reference.

E. COUNTY (LOCAL AGENCY) Obligations ☐ Not Applicable to this Agreement

All data applicable to the project and in possession of COUNTY (local agency), another agency, or government agency that are to be made available to CONTRACTOR are referred to in the AGREEMENT. Any other assistance or services to be furnished to CONTRACTOR are to be stated clearly.

F. Conferences, Site Visits, Inspection of Work ☐ Not Applicable to this Agreement

This AGREEMENT provides for conferences as needed, visits to the site, and inspection of the

Docusign Envelope ID: DBBA609D-C816-4F6C-8EAF-2F301C2451CA

work by representatives of the COUNTY, State, and/or FHWA. Costs incurred by CONTRACTOR for meetings, subsequent to the initial meeting shall be included in the fee.

G. Checking Shop Drawings ☐ Not Applicable to this Agreement
For AGREEMENTS requiring the preparation of construction drawings and make provision for checking shop drawings. Payment for checking shop drawings by CONTRACTOR is included in the AGREEMENT fee, or provision may be made for separate payment.

H. CONTRACTOR Services During Construction ☐ Not Applicable to this Agreement
The extent, if any of CONTRACTOR's services during the course of construction as material testing, construction surveys, etc., are specified in the AGREEMENT together with the method of payment for such services.

I. Documentation and Schedules ☐ Not Applicable to this Agreement
AGREEMENTS where appropriate, shall provide that CONTRACTOR document the results of the work to the satisfaction of COUNTY, and if applicable, the State and FHWA. This may include preparation of progress and final reports, plans, specifications and estimates, or similar evidence of attainment of the AGREEMENT objectives.

J. Deliverables and Number of Copies ☐ Not Applicable to this Agreement
The number of copies or documents to be furnished such as reports, brochures, sets of plans, specifications, or Right of Way parcel maps *shall be specified.* Provision may be made for payment for additional copies.

Article IV Performance Period

A time must be set for beginning and ending the work under the AGREEMENT. The time allowedfor performing the work is specified; it should be reasonable for the kind and amount of services contemplated; and it is written into the AGREEMENT. If it is desirable that Critical Path Method (CPM) networks, or other types of schedules be prepared by CONTRACTOR, they should be identified and incorporated into the AGREEMENT.

A. This AGREEMENT shall go into effect on (month, date, year), contingent upon approval by COUNTY, and CONTRACTOR shall commence work after notification to proceed by COUNTY Contract Administrator. The AGREEMENT shall end on (month, date, year)**,** unless extended by AGREEMENT amendment.

B. CONTRACTOR is advised that any recommendation for AGREEMENT award is not binding on COUNTY until the AGREEMENT is fully executed and approved by COUNTY.

Use paragraph C below in addition to paragraphs A & B above for on-call AGREEMENTS. On-call AGREEMENTS shall be five (5) years maximum.

C. The period of performance for each specific project shall be in accordance with the Task Order for that project. If work on a Task Order is in progress on the expiration date of this AGREEMENT, the terms of the AGREEMENT shall be extended by AGREEMENT amendment prior to the expiration of the AGREEMENT to cover the time needed to complete the task order in progress only. The maximum term shall not exceed five (5) years.

Article V Allowable Costs and Payments

(Choose either Option 1, 2, 3, or 4)

☐ *(Option 1 - Use paragraphs A through K below for Cost-Plus-Fixed Fee AGREEMENTS. Use Exhibit10-H1: Cost Proposal Format)*

A. The method of payment for this AGREEMENT will be based on actual cost plus a fixed fee. COUNTY will reimburse CONTRACTOR for actual costs (including labor costs, employee benefits, travel, equipment rental costs, overhead and other direct costs) incurred by CONTRACTOR in performance of the work. CONTRACTOR will not be reimbursed for actual costs that exceed the estimated wage rates, employee benefits, travel, equipment rental, overhead, and other estimated costs set forth in the approved CONTRACTOR's Cost Proposal, unless additional reimbursement is provided for by AGREEMENT amendment. In no event, will CONTRACTOR be reimbursed for overhead costs at a rate that exceeds COUNTY's approved overhead rate set forth in the Cost Proposal. In the event, that COUNTY determines that a change to the work from that specified in the Cost Proposal and AGREEMENT is required, the AGREEMENT time or actual costs reimbursable by COUNTY shall be adjusted by AGREEMENT amendment to accommodate the changed work. The maximum total cost as specified in Paragraph "I" of this Article shall not be exceeded, unless authorized by AGREEMENT amendment.

B. The indirect cost rate established for this AGREEMENT is extended through the duration of this specific AGREEMENT. CONTRACTOR's agreement to the extension of the one (1)-year applicable period shall not be a condition or qualification to be considered for the work or AGREEMENT award.

C. In addition to the allowable incurred costs, COUNTY will pay CONTRACTOR a fixed fee of $_____. The fixed fee is nonadjustable for the term of the AGREEMENT, except in the event of a significant change in the scope of work and such adjustment is made by AGREEMENT amendment.

D. Reimbursement for transportation and subsistence costs shall not exceed the rates specified in the approved Cost Proposal.

E. When milestone cost estimates are included in the approved Cost Proposal, CONTRACTOR shall obtain prior written approval for a revised milestone cost estimate from the Contract Administrator before exceeding such cost estimate.

F. Progress payments will be made monthly in arrears based on services provided and allowable incurred costs. A pro rata portion of CONTRACTOR's fixed fee will be included in the monthly progress payments. If CONTRACTOR fails to submit the required deliverable items according to the schedule set forth in Article III Statement of Work, COUNTY shall have the right to delay payment or terminate this AGREEMENT.

G. No payment will be made prior to approval of any work, nor for any work performed prior to approval of this AGREEMENT.

H. CONTRACTOR will be reimbursed, promptly according to California Regulations upon receipt by COUNTY's Contract Administrator of itemized invoices in duplicate. Invoices shall be submitted no later than thirty (30) calendar days after the performance of work for which CONTRACTOR is billing. Invoices shall detail the work performed on each milestone and each project as applicable.

Docusign Envelope ID: DBBA609D-C816-4F6C-8EAF-2F301C2451CA

Invoices shall follow the format stipulated for the approved Cost Proposal and shall reference this AGREEMENT number and project title. Final invoice must contain the final cost and all credits due COUNTY including any equipment purchased under the provisions of Article XI Equipment Purchase. The final invoice should be submitted within sixty (60) calendar days after completion of CONTRACTOR's work. Invoices shall be mailed to COUNTY's Contract Administrator at the following address:

County of Monterey
Department of Public Works, Facilities and Parks
1441 Schilling Place, South 2nd Floor
Salinas, CA 93901-4527
Attn: Finance Division

I. The total amount payable by COUNTY including the fixed fee shall not exceed $_____.

J. For personnel subject to prevailing wage rates as described in the California Labor Code, all salary increases, which are the direct result of changes in the prevailing wage rates are reimbursable.

☐ *(Option 2 - For Cost per Unit of Work AGREEMENTS, replace paragraphs A & B of Option 1 with the following paragraphs A, B, and C and re-letter the remaining paragraphs. Adjust as necessary for workspecific to your project. Use Exhibit 10-H3: Cost Proposal Format*).

A. The method of payment for the following items shall be at the rate specified for each item, as described in this Article. The specified rate shall include full compensation to CONTRACTOR for the item as described, including but not limited to, any repairs, maintenance, or insurance, and no further compensation will be allowed, therefore.

B. The specified rate to be paid for vehicle expense for CONTRACTOR's field personnel shall be $_____ per approved Cost Proposal. This rate shall be for a fully equipped vehicle(s) specified in Article III Statement of Work, as applicable the specified rate to be paid for equipment shall be, as listed in the approved Cost Proposal.

C. The method of payment for this AGREEMENT, except those items to be paid for on a specified rate basis, will be based on cost per unit of work. COUNTY will reimburse CONTRACTOR for actual costs (including labor costs, employee benefits, travel, equipment-rental costs, overhead and other direct costs) incurred by CONTRACTOR in performance of the work. CONTRACTOR will not be reimbursed for actual costs that exceed the estimated wage rates, employee benefits, travel, equipment rental, overhead and other estimated costs set forth in the approved Cost Proposal, unless additional reimbursement is provided for, by AGREEMENT amendment. In no event, will CONTRACTOR be reimbursed for overhead costs at a rate that exceeds COUNTY approved overhead rate set forth in the approved Cost Proposal. In the event, COUNTY determines that changed work from that specified in the approved Cost Proposal and AGREEMENT is required; the actual costs reimbursable by COUNTY may be adjusted by AGREEMENT amendment to accommodate the changed work. The maximum total cost as specified in Paragraph "I," of this article shall not be exceeded unless authorized by AGREEMENT amendment.

☐ ***(Option 3 - Use paragraphs A through P for Specific Rates of Compensation Agreements [such as on-call Agreements].*** **This payment method shall only be used when it is not possible at the time of**

procurement to estimate the extent or duration of the work or to estimate costs with any reasonable degree of accuracy. The specific rates of compensation payment method should be limited to AGREEMENTS or components of AGREEMENTS for specialized or support type services where the CONTRACTOR is not in direct control of the number of hours worked, such as construction engineering and inspection. ***Use Exhibit 10-H2: Cost Proposal Format).***

A. CONTRACTOR will be reimbursed for hours worked at the hourly rates specified in CONTRACTOR's approved Cost Proposal. The specified hourly rates shall include direct salary costs, employee benefits, prevailing wages, employer payments, overhead, and fee. These rates are not adjustable for the performance period set forth in this AGREEMENT. CONTRACTOR will be reimbursed within thirty (30) calendar days upon receipt by COUNTY's Contract Administrator of itemized invoices in duplicate.

B. In addition, CONTRACTOR will be reimbursed for incurred (actual) direct costs other than salary costs that are in the approved Cost Proposal and identified in the approved cost proposal and in the executed Task Order.

C. Specific projects will be assigned to CONTRACTOR through issuance of Task Orders.

D. After a project to be performed under this AGREEMENT is identified by COUNTY, COUNTY will prepare a draft Task Order; less the cost estimate. A draft Task Order will identify the scope of services, expected results, project deliverables, period of performance, project schedule and will designate a COUNTY Project Coordinator. The draft Task Order will be delivered to CONTRACTOR for review. CONTRACTOR shall return the draft Task Order within ten (10) calendar days along with a Cost Estimate, including a written estimate of the number of hours and hourly rates per staff person, any anticipated reimbursable expenses, overhead, fee if any, and total dollar amount. After agreement has been reached on the negotiable items and total cost; the finalized Task Order shall be signed by both COUNTY and CONTRACTOR.

E. Task Orders may be negotiated for a lump sum (Firm Fixed Price) or for specific rates of compensation, both of which must be based on the labor and other rates set forth in CONTRACTOR's approved Cost Proposal.

CONTRACTOR shall be responsible for any future adjustments to prevailing wage rates including but not limited to, base hourly rates and employer payments as determined by the Department of Industrial Relations. CONTRACTOR is responsible for paying the appropriate rate, including escalations that take place during the term of the AGREEMENT.

F. (*COUNTY to include either (a) or (b) below; delete the other one (1))*

(a) Reimbursement for transportation and subsistence costs shall not exceed State rates.

(b) Reimbursement for transportation and subsistence costs shall not exceed the rates as specified in the approved Cost Proposal. CONTRACTOR will be responsible for transportation and subsistence costs in excess of State rates.

G. When milestone cost estimates are included in the approved Cost Proposal, CONTRACTOR shall obtain prior written approval in the form of an AGREEMENT amendment for a revised milestone cost estimate from the Contract Administrator before exceeding such estimate.

H. Progress payments for each Task Order will be made monthly in arrears based on services

Docusign Envelope ID: DBBA609D-C816-4F6C-8EAF-2F301C2451CA

provided and actual costs incurred.

I. CONTRACTOR shall not commence performance of work or services until this AGREEMENT has been approved by COUNTY, and notification to proceed has been issued by COUNTY'S Contract Administrator. No payment will be made prior to approval or for any work performed prior to approval of this AGREEMENT.

J. A Task Order is of no force or effect until returned to COUNTY and signed by an authorized representative of COUNTY. No expenditures are authorized on a project and work shall not commence until a Task Order for that project has been executed by COUNTY.

K. CONTRACTOR will be reimbursed, within thirty (30) days upon receipt by COUNTY'S Contract Administrator of itemized invoices in duplicate. Separate invoices itemizing all costs are required for all work performed under each Task Order. Invoices shall be submitted no later than thirty (30) calendar days after the performance of work for which CONTRACTOR is billing, or upon completion of the Task Order. Invoices shall detail the work performed on each milestone, on each project as applicable. Invoices shall follow the format stipulated for the approved Cost Proposal and shall reference this AGREEMENT number, project title and Task Order number. Credits due to COUNTY that include any equipment purchased under the provisions of Article XI Equipment Purchase, must be reimbursed by CONTRACTOR prior to the expiration or termination of this AGREEMENT. Invoices shall be mailed to COUNTY's Contract Administrator at the following address:

County of Monterey
Department of Public Works, Facilities and Parks
1441 Schilling Place, South 2nd Floor
Salinas, CA 93901-4527
Attn: Finance Division

L. The period of performance for Task Orders shall be in accordance with dates specified in the Task Order. No Task Order will be written which extends beyond the expiration date of this AGREEMENT.

M. The total amount payable by COUNTY for an individual Task Order shall not exceed the amount agreed to in the Task Order, unless authorized by amendment.

N. If CONTRACTOR fails to satisfactorily complete a deliverable according to the schedule set forth in a Task Order, no payment will be made until the deliverable has been satisfactorily completed.

O. Task Orders may not be used to amend the language (or terms) of this AGREEMENT nor to exceed the scope of work under this AGREEMENT.

P. The total amount payable by COUNTY for all Task Orders resulting from this AGREEMENT shall not exceed **$** It is understood and agreed that there is no guarantee, either expressed or implied that this dollar amount will be authorized under this AGREEMENT through Task Orders.

☐ *(Option 4 - Use paragraphs A through E below for lump sum AGREEMENTS. Use Exhibit 10-H1: Cost Proposal Format).*

A. The method of payment for this AGREEMENT will be based on lump sum. The total lump sum price paid to CONTRACTOR will include compensation for all work and deliverables, including travel and equipment described in Article III Statement of Work. No additional compensation will

Docusign Envelope ID: DBBA609D-C816-4F6C-8EAF-2F301C2451CA

be paid to CONTRACTOR, unless there is a change in the scope of the work or the scope of the project. In the instance of a change in the scope of work or scope of the project, adjustment to the total lump sum compensation will be negotiated between CONTRACTOR and COUNTY. Adjustment in the total lump sum compensation will not be effective until authorized by contract amendment and approved by COUNTY.

B. Progress payments may be made monthly in arrears based on the percentage of work completed by CONTRACTOR. If CONTRACTOR fails to submit the required deliverable items according to the schedule set forth in Article III Statement of Work, COUNTY shall have the right to delay payment or terminate this AGREEMENT in accordance with the provisions of Article VI Termination.

C. CONTRACTOR shall not commence performance of work or services until this AGREEMENT has been approved by COUNTY and notification to proceed has been issued by COUNTY'S Contract Administrator. No payment will be made prior to approval of any work, or for any work performed prior to approval of this AGREEMENT.

D. CONTRACTOR will be reimbursed within thirty (30) days upon receipt by County's Contract Administrator of itemized invoices in duplicate. Invoices shall be submitted no later than thirty (30) calendar days after the performance of work for which CONTRACTOR is billing. Invoices shall detail the work performed on each milestone, on each project as applicable. Invoices shall follow the format stipulated for the approved Cost Proposal and shall reference this AGREEMENT number and project title. Final invoice must contain the final cost and all credits due COUNTY that include any equipment purchased under the provisions of Article XI Equipment Purchase. The final invoice must be submitted within sixty (60) calendar days after completion of CONTRACTOR's work unless a later date id approved by County. Invoices shall be mailed to COUNTY's Contract Administrator at the following address:

County of Monterey
Department of Public Works, Facilities and Parks
1441 Schilling Place, South 2nd Floor
Salinas, CA 93901-4527
Attn: Finance Division

E. The total amount payable by COUNTY shall not exceed $_____.

Article VI Termination

A. This AGREEMENT may be terminated by COUNTY, provided that COUNTY gives not less than thirty (30) calendar days' written notice (delivered by certified mail, return receipt requested) of intent to terminate. Upon termination, COUNTY shall be entitled to all work, including but not limited to, reports, investigations, appraisals, inventories, studies, analyses, drawings, and data estimates performed to that date, whether completed or not.

B. COUNTY may temporarily suspend this AGREEMENT, at no additional cost to COUNTY, provided that CONTRACTOR is given written notice (delivered by certified mail, return receipt requested) of temporary suspension. If COUNTY gives such notice of temporary suspension, CONRACTOR shall immediately suspend its activities under this AGREEMENT. A temporary suspension may be issued concurrent with the notice of termination.

C. Notwithstanding any provisions of this AGREEMENT, CONTRACTOR shall not be relieved of liability to COUNTY for damages sustained by COUNTY by virtue of any breach of this AGREEMENT by CONTRACTOR, and COUNTY may withhold any payments due to CONTRACTOR until such time

Docusign Envelope ID: DBBA609D-C816-4F6C-8EAF-2F301C2451CA

as exact amount of damages, if any, due COUNTY from CONTRACTOR isdetermined.

D. In the event of termination, CONTRACTOR shall be compensated as provided for in this AGREEMENT. Upon termination, COUNTY shall be entitled to all work, including but not limited to, reports, investigations, appraisals, inventories, studies, analyses, drawings, and data estimates performed to that date, whether completed or not.

Article VII Cost Principles and Administrative Requirements

A. CONTRACTOR agrees that 48 CFR Part 31, Contract Cost Principles and Procedures shall be used to determine the allowability of individual terms of cost.

B. CONTRACTOR also agrees to comply with Federal procedures in accordance with 2 CFR, Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards.

C. Any costs for which payment has been made to CONTRACTOR that are determined by subsequent audit to be unallowable under 48 CFR Part 31 or 2 CFR Part 200 are subject to repayment by CONTRACTOR to COUNTY.

D. When a CONTRACTOR or subcontractor is a Non-Profit Organization or an Institution of Higher Education, the Cost Principles for Title 2 CFR Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards shall apply.

Article VIII Retention of Records/Audit

For the purpose of determining compliance with Government Code §8546.7, the CONTRACTOR, subcontractors, and COUNTY shall maintain all books, documents, papers, accounting records, Independent CPA Audited Indirect Cost Rate workpapers, and other evidence pertaining to the performance of the AGREEMENT, including but not limited to, the costs of administering the AGREEMENT. All parties, including the CONTRACTOR's Independent CPA, shall make such workpapers and materials available at their respective offices at all reasonable times during the AGREEMENT period and for three (3) years from the date of final payment under the AGREEMENT. COUNTY, Caltrans Auditor, FHWA, or any duly authorized representative of the Federal Government having jurisdiction under Federal laws or regulations (including the basis of Federal funding in whole or in part) shall have access to any books, records, and documents of CONTRACTOR, subcontractor and the CONTRACTOR's Independent CPA, that are pertinent to the AGREEMENT for audits, examinations, workpaper review, excerpts, and transactions, and copies thereof shall be furnished if requested without limitation.

Article IX Audit Review Procedures

A. Any dispute concerning a question of fact arising under an interim or post audit of this AGREEMENT that is not disposed of by AGREEMENT, shall be reviewed by COUNTY'S Chief Financial Officer.

B. Not later than thirty (30) calendar days after issuance of the final audit report, CONTRACTOR may request a review by COUNTY'S Chief Financial Officer of unresolved audit issues. The request for review will be submitted in writing.

C. Neither the pendency of a dispute nor its consideration by COUNTY will excuse CONTRACTOR from full and timely performance, in accordance with the terms of this AGREEMENT.

D. CONTRACTOR and subcontractor AGREEMENTS, including cost proposals and Indirect Cost Rates

Docusign Envelope ID: DBBA609D-C816-4F6C-8EAF-2F301C2451CA

(ICR), may be subject to audits or reviews such as, but not limited to, an AGREEMENT audit, an incurred cost audit, an ICR Audit, or a CPA ICR audit work paper review. If selected for audit or review, the AGREEMENT, cost proposal and ICR and related work papers, if applicable, will be reviewed to verify compliance with 48 CFR, Part 31 and other related laws and regulations. In the instances of a CPA ICR audit work paper review, it is CONTRACTOR's responsibility to ensure federal, state, COUNTY or local government officials are allowed full access to the CPA's work papers including making copies as necessary. The AGREEMENT, cost proposal, and ICR shall be adjusted by CONTRACTOR and approved by COUNTY Contract Administrator to conform to the audit or review recommendations. CONTRACTOR agrees that individual terms of costs identified in the audit report shall be incorporated into the AGREEMENT by this reference if directed by COUNTY at its sole discretion. Refusal by CONTRACTOR to incorporate audit or review recommendations, or to ensure that the federal, COUNTY or local governments have access to CPA work papers, will be considered a breach of AGREEMENT terms and cause for termination of the AGREEMENT and disallowance of prior reimbursed costs.

E. CONTRACTOR's Cost Proposal may be subject to a CPA ICR Audit Work Paper Review and/or audit by the Independent Office of Audits and Investigations (IOAI). IOAI, at its sole discretion, may review and/or audit and approve the CPA ICR documentation. The Cost Proposal shall be adjusted by the CONTRACTOR and approved by the COUNTY Contract Administrator to conform to the Work Paper Review recommendations included in the management letter or audit recommendations included in the audit report. Refusal by the CONTRACTOR to incorporate the Work Paper Review recommendations included in the management letter or audit recommendations included in the audit report will be considered a breach of the AGREEMENT terms and cause for termination of the AGREEMENT and disallowance of prior reimbursed costs.

1. During IOAI's review of the ICR audit work papers created by the CONTRACTOR's independent CPA, IOAI will work with the CPA and/or CONTRACTOR toward a resolution of issues that arise during the review. Each party agrees to use its best efforts to resolve any audit disputes in a timely manner. If IOAI identifies significant issues during the review and is unable to issue a cognizant approval letter, COUNTY will reimburse the CONTRACTOR at an accepted ICR until a FAR (Federal Acquisition Regulation) compliant ICR {e.g. 48 CFR, Part 31; GAGAS (Generally Accepted Government Auditing Standards); CAS (Cost Accounting Standards), if applicable; in accordance with procedures and guidelines of the American Association of State Highways and Transportation Officials (AASHTO) Audit Guide; and other applicable procedures and guidelines} is received and approved by IOAI.

   Accepted rates will be as follows:
   a. If the proposed rate is less than one hundred fifty percent (150%) - the accepted rate reimbursed will be ninety percent (90%) of the proposed rate.
   b. If the proposed rate is between one hundred fifty percent (150%) and two hundred percent (200%) - the accepted rate will be eighty-five percent (85%) of the proposed rate.
   c. If the proposed rate is greater than two hundred percent (200%) - the accepted rate will be seventy-five percent (75%) of the proposed rate.

2. If IOAI is unable to issue a cognizant letter per paragraph E.1. above, IOAI may require CONTRACTOR to submit a revised independent CPA-audited ICR and audit report within three (3) months of the effective date of the management letter. IOAI will then have up to six (6) months to review the CONTRACTOR's and/or the independent CPA's revisions.

Docusign Envelope ID: DBBA609D-C816-4F6C-8EAF-2F301C2451CA

3. If the CONTRACTOR fails to comply with the provisions of this paragraph E, or if IOAI is still unable to issue a cognizant approval letter after the revised independent CPA-audited ICR is submitted, overhead cost reimbursement will be limited to the accepted ICR that was established upon initial rejection of the ICR and set forth in paragraph E.1. above for all rendered services. In this event, this accepted ICR will become the actual and final ICR for reimbursement purposes under this AGREEMENT.

4. CONTRACTOR may submit to COUNTY final invoice only when all of the following items have occurred: (1) IOAI accepts or adjusts the original or revised independent CPA-audited ICR; (2) all work under this AGREEMENT has been completed to the satisfaction of COUNTY; and (3) IOAI has issued its final ICR review letter. The CONTRACTOR MUST SUBMIT ITS FINAL INVOICE TO COUNTY no later than sixty (60) calendar days after occurrence of the last of these items. The accepted ICR will apply to this AGREEMENT and all other agreements executed between COUNTY and the CONTRACTOR, either as a prime or subcontractor, with the same fiscal period ICR.

Article X Subcontracting

A. Nothing contained in this AGREEMENT or otherwise, shall create any contractual relation between the COUNTY and any subcontractor(s), and no sub agreement shall relieve the CONTRACTOR of its responsibilities and obligations hereunder. The CONTRACTOR agrees to be as fully responsible to the COUNTY for the acts and omissions of its subcontractor(s) and of persons either directly or indirectly employed by any of them as it is for the acts and omissions of persons directly employed by the CONTRACTOR. The CONTRACTOR's obligation to pay its subcontractor(s) is an independent obligation from the COUNTY's obligation to make payments to the CONTRACTOR.

B. CONTRACTOR shall perform the work contemplated with resources available within its own organization and no portion of the work shall be subcontracted without written authorization by COUNTY's Contract Administrator, except that, which is expressly identified in the CONTRACTOR's approved Cost Proposal.

C. Any sub agreement entered into as a result of this AGREEMENT shall contain all the provisions stipulated in this entire AGREEMENT to be applicable to subcontractors unless otherwise noted.

D. CONTRACTOR shall pay its subcontractors within fifteen (15) calendar days from receipt of each payment made to the CONTRACTOR by the COUNTY.

E. Any substitution of subcontractor(s) must be approved in writing by COUNTY's Contract Administrator in advance of assigning work to a substitute subcontractor(s).

F. Prompt Progress Payment
CONTRACTOR or subcontractor shall pay to any subcontractor, not later than fifteen (15) days after receipt of each progress payment, unless otherwise agreed to in writing, the respective amounts allowed CONTRACTOR on account of the work performed by the subcontractors, to the extent of each subcontractor's interest therein. In the event that there is a good faith dispute over all or any portion of the amount due on a progress payment from CONTRACTOR or subcontractor to a subcontractor, CONTRACTOR or subcontractor may withhold no more than one hundred fifty percent (150%) of the disputed amount. Any violation of this requirement shall constitute a cause for disciplinary action and shall subject the licensee to a penalty, payable to the subcontractor, of two percent (2%) percent of the amount due per month for every month that payment is not made.

Docusign Envelope ID: DBBA609D-C816-4F6C-8EAF-2F301C2451CA

In any action for the collection of funds wrongfully withheld, the prevailing party shall be entitled to his or her attorney's fees and costs. The sanctions authorized under this requirement shall be separate from, and in addition to, all other remedies, either civil, administrative, or criminal. This clause applies to both DBE and non-DBE subcontractors.

G. Prompt Payment of Withheld Funds to subcontractors

The COUNTY may hold retainage from CONTRACTOR and shall make prompt and regular incremental acceptances of portions, as determined by the COUNTY, of the contract work, and pay retainage to CONTRACTOR based on these acceptances. The COUNTY shall designate one of the methods below in the contract to ensure prompt and full payment of any retainage kept by CONTRACTOR or subcontractor to a subcontractor. (Choose either Method 1, Method 2, or Method 3 below and delete the other two (2).)

☐ **Method 1**: No retainage will be held by the COUNTY from progress payments due to CONTRACTOR. CONTRACTORS and subcontractors are prohibited from holding retainage from subcontractors. Any delay or postponement of payment may take place only for good cause and with the COUNTY's prior written approval. Any violation of these provisions shall subject the violating CONTRACTOR or subcontractor to the penalties, sanctions, and other remedies specified in Section 3321 of the California Civil Code. This requirement shall not be construed to limit or impair any contractual, administrative or judicial remedies, otherwise available to CONTRACTOR or subcontractor in the event of a dispute involving late payment or nonpayment by CONTRACTOR, deficient subcontractor performance and/or noncompliance by a subcontractor. This clause applies to both DBE and non-DBE subcontractors.

☐ **Method 2**: No retainage will be held by the COUNTY from progress payments due to CONTRACTOR. Any retainage kept by CONTRACTOR or by a subcontractor must be paid in full to the earning subcontractor within fifteen (15) days after the subcontractor's work is satisfactorily completed. Any delay or postponement of payment may take place only for good cause and with the COUNTY's prior written approval. Any violation of these provisions shall subject the violating CONTRACTOR or subcontractor to the penalties, sanctions, and remedies specified in Section 3321 of the California Civil Code. This requirement shall not be construed to limit or impair any contractual, administrative or judicial remedies, otherwise available to CONTRACTOR or subcontractor in the event of a dispute involving late payment or nonpayment by CONTRACTOR, deficient subcontractor performance and/or noncompliance by a subcontractor. This clause applies to both DBE and non-DBE subcontractors.

☐ **Method 3**: The COUNTY shall hold retainage from CONTRACTOR and shall make prompt and regular incremental acceptances of portions, as determined by the COUNTY of the contract work and pay retainage to CONTRACTOR based on these acceptances. CONTRACTOR or subcontractor shall return all monies withheld in retention from all subcontractors within fifteen (15) days after receiving payment for work satisfactorily completed and accepted including incremental acceptances of portions of the contract work by the COUNTY. Any delay or postponement of payment may take place only for good cause and with the COUNTY's prior written approval. Any violation of these provisions shall subject the violating CONTRACTOR or subcontractor to the penalties, sanctions, and other remedies specified in Section 3321 of the California Civil Code. This requirement shall not be construed to limit or impair any contractual, administrative or judicial remedies otherwise available to CONTRACTOR or subcontractor in the event of a dispute involving late payment or nonpayment by CONTRACTOR; deficient subcontractor performance

Docusign Envelope ID: DBBA609D-C816-4F6C-8EAF-2F301C2451CA

and/or noncompliance by a subcontractor. This clause applies to both DBE and non-DBE subcontractors.

Any violation of these provisions shall subject the violating CONTRACTOR or subcontractor to the penalties, sanctions and other remedies specified therein. These requirements shall not be construed to limit or impair any contractual, administrative, or judicial remedies otherwise available to CONTRACTOR or subcontractor in the event of a dispute involving late payment or nonpayment by CONTRACTOR, deficient subcontract performance, or noncompliance by a subcontractor.

Article XI Equipment Purchase and Other Capital Expenditures

A. Prior authorization in writing, by COUNTY's Contract Administrator shall be required before CONTRACTOR enters into any unbudgeted purchase order, or subcontract exceeding five thousand dollars ($5,000) for supplies, equipment, or CONTRACTOR services. CONTRACTOR shall provide an evaluation of the necessity or desirability of incurring such costs.

B. For purchase of any item, service or consulting work not covered in CONTRACTOR's approved Cost Proposal and exceeding five thousand dollars ($5,000) with prior authorization by COUNTY's Contract Administrator; three competitive quotations must be submitted with the request, or the absence of proposal must be adequately justified.

C. Any equipment purchased with funds provided under the terms of this AGREEMENT is subject to the following:

1. CONTRACTOR shall maintain an inventory of all nonexpendable property. Nonexpendable property is defined as having a useful life of at least two years and an acquisition cost of five thousand dollars ($5,000) or more. If the purchased equipment needs replacement and is sold or traded in, COUNTY shall receive a proper refund or credit at the conclusion of the AGREEMENT, or if the AGREEMENT is terminated, CONTRACTOR may either keep the equipment and credit COUNTY in an amount equal to its fair market value, or sell such equipment at the best price obtainable at a public or private sale, in accordance with established COUNTY procedures; and credit COUNTY in an amount equal to the sales price. If CONTRACTOR elects to keep the equipment, fair market value shall be determined at CONTRACTOR's expense, on the basis of a competent independent appraisal of such equipment. Appraisals shall be obtained from an appraiser mutually agreeable to by COUNTY and CONTRACTOR, if it is determined to sell the equipment, the terms and conditions of such sale must be approved in advance by COUNTY.

2. Regulation 2 CFR Part 200 requires a credit to Federal funds when participating equipment with a fair market value greater than five thousand dollars ($5,000) is credited to the project.

Article XII State Prevailing Wage Rates

A. No CONTRACTOR or subcontractor may be awarded an AGREEMENT containing public work elements unless registered with the Department of Industrial Relations (DIR) pursuant to Labor Code §1725.5. Registration with DIR must be maintained throughout the entire term of this AGREEMENT, including any subsequent amendments.

B. The CONTRACTOR shall comply with all of the applicable provisions of the California Labor Code requiring the payment of prevailing wages. The General Prevailing Wage Rate Determinations

Docusign Envelope ID: DBBA609D-C816-4F6C-8EAF-2F301C2451CA

applicable to work under this AGREEMENT are available and on file with the Department of Transportation's Regional/District Labor Compliance Officer (https://dot.ca.gov/programs/construction/labor-compliance). These wage rates are made a specific part of this AGREEMENT by reference pursuant to Labor Code §1773.2 and will be applicable to work performed at a construction project site. Prevailing wages will be applicable to all inspection work performed at COUNTY construction sites, at COUNTY facilities and at off-site locations that are set up by the construction contractor or one of its subcontractors solely and specifically to serve COUNTY projects. Prevailing wage requirements do not apply to inspection work performed at the facilities of vendors and commercial materials suppliers that provide goods and services to the general public.

C. General Prevailing Wage Rate Determinations applicable to this project may also be obtained from the Department of Industrial Relations website at http://www.dir.ca.gov.

D. Payroll Records

1. Each CONTRACTOR and subcontractor shall keep accurate certified payroll records and supporting documents as mandated by Labor Code §1776 and as defined in 8 CCR §16000 showing the name, address, social security number, work classification, straight time and overtime hours worked each day and week, and the actual per diem wages paid to each journeyman, apprentice, worker, or other employee employed by the CONTRACTOR or subcontractor in connection with the public work. Each payroll record shall contain or be verified by a written declaration that it is made under penalty of perjury, stating both of the following:

    a. The information contained in the payroll record is true and correct.

    b. The employer has complied with the requirements of Labor Code §1771, §1811, and §1815 for any work performed by his or her employees on the public works project.

2. The payroll records enumerated under paragraph (1) above shall be certified as correct by the CONTRACTOR under penalty of perjury. The payroll records and all supporting documents shall be made available for inspection and copying by COUNTY representatives at all reasonable hours at the principal office of the CONTRACTOR. The CONTRACTOR shall provide copies of certified payrolls or permit inspection of its records as follows:

    a. A certified copy of an employee's payroll record shall be made available for inspection or furnished to the employee or the employee's authorized representative on request.

    b. A certified copy of all payroll records enumerated in paragraph (1) above, shall be made available for inspection or furnished upon request to a representative of COUNTY, the Division of Labor Standards Enforcement and the Division of Apprenticeship Standards of the Department of Industrial Relations. Certified payrolls submitted to COUNTY, the Division of Labor Standards Enforcement and the Division of Apprenticeship Standards shall not be altered or obliterated by the CONTRACTOR.

    c. The public shall not be given access to certified payroll records by the CONTRACTOR. The CONTRACTOR is required to forward any requests for certified payrolls to the COUNTY Contract Administrator by both email and regular mail on

Docusign Envelope ID: DBBA609D-C816-4F6C-8EAF-2F301C2451CA

the business day following receipt of the request.

3. Each CONTRACTOR shall submit a certified copy of the records enumerated in paragraph (1) above, to the entity that requested the records within ten (10) calendar days after receipt of a written request.

4. Any copy of records made available for inspection as copies and furnished upon request to the public or any public agency by COUNTY shall be marked or obliterated in such a manner as to prevent disclosure of each individual's name, address, and social security number. The name and address of the CONTRACTOR or subcontractor performing the work shall not be marked or obliterated.

5. The CONTRACTOR shall inform COUNTY of the location of the records enumerated under paragraph (1) above, including the street address, city and county, and shall, within five (5) working days, provide a notice of a change of location and address.

6. The CONTRACTOR or subcontractor shall have ten (10) calendar days in which to comply subsequent to receipt of written notice requesting the records enumerated in paragraph (1) above. In the event the CONTRACTOR or subcontractor fails to comply within the ten (10) day period, he or she shall, as a penalty to COUNTY, forfeit one hundred dollars ($100) for each calendar day, or portion thereof, for each worker, until strict compliance is effectuated. Such penalties shall be withheld by COUNTY from payments then due. CONTRACTOR is not subject to a penalty assessment pursuant to this section due to the failure of a subcontractor to comply with this section.

E. When prevailing wage rates apply, the CONTRACTOR is responsible for verifying compliance with certified payroll requirements. Invoice payment will not be made until the invoice is approved by the COUNTY Contract Administrator.

F. Penalty

1. The CONTRACTOR and any of its subcontractor shall comply with Labor Code §1774 and §1775. Pursuant to Labor Code §1775, the CONTRACTOR and any Subcontractor shall forfeit to the COUNTY a penalty of not more than two hundred dollars ($200) for each calendar day, or portion thereof, for each worker paid less than the prevailing rates as determined by the Director of DIR for the work or craft in which the worker is employed for any public work done under the contract by the CONTRACTOR or by its subcontractor in violation of the requirements of the Labor Code and in particular, Labor Code §§1770 to 1780, inclusive.

2. The amount of this forfeiture shall be determined by the Labor Commissioner and shall be based on consideration of mistake, inadvertence, or neglect of the CONTRACTOR or subcontractor in failing to pay the correct rate of prevailing wages, or the previous record of the CONTRACTOR or subcontractor in meeting their respective prevailing wage obligations, or the willful failure by the CONTRACTOR or subcontractor to pay the correct rates of prevailing wages. A mistake, inadvertence, or neglect in failing to pay the correct rates of prevailing wages is not excusable if the CONTRACTOR or subcontractor had knowledge of the obligations under the Labor Code. The CONTRACTOR is responsible for paying the appropriate rate, including any

Docusign Envelope ID: DBBA609D-C816-4F6C-8EAF-2F301C2451CA

escalations that take place during the term of the AGREEMENT.

3. In addition to the penalty and pursuant to Labor Code §1775, the difference between the prevailing wage rates and the amount paid to each worker for each calendar day or portion thereof for which each worker was paid less than the prevailing wage rate shall be paid to each worker by the CONTRACTOR or subcontractor.

4. If a worker employed by a subcontractor on a public works project is not paid the general prevailing per diem wages by the subcontractor, the prime CONTRACTOR of the project is not liable for the penalties described above unless the prime CONTRACTOR had knowledge of that failure of the subcontractor to pay the specified prevailing rate of wages to those workers or unless the prime CONTRACTOR fails to comply with all of the following requirements:

    a. The AGREEMENT executed between the CONTRACTOR and the subcontractor for the performance of work on public works projects shall include a copy of the requirements in Labor Code §§ 1771, 1775, 1776, 1777.5, 1813, and 1815.

    b. The CONTRACTOR shall monitor the payment of the specified general prevailing rate of per diem wages by the subcontractor to the employees by periodic review of the certified payroll records of the subcontractor.

    c. Upon becoming aware of the subcontractor's failure to pay the specified prevailing rate of wages to the subcontractor's workers, the CONTRACTOR shall diligently take corrective action to halt or rectify the failure, including but not limited to, retaining sufficient funds due the subcontractor for work performed on the public works project.

    d. Prior to making final payment to the subcontractor for work performed on the public works project, the CONTRACTOR shall obtain an affidavit signed under penalty of perjury from the Subcontractor that the subcontractor had paid the specified general prevailing rate of per diem wages to the subcontractor's employees on the public works project and any amounts due pursuant to Labor Code §1813.

5. Pursuant to Labor Code §1775, COUNTY shall notify the CONTRACTOR on a public works project within fifteen (15) calendar days of receipt of a complaint that a subcontractor has failed to pay workers the general prevailing rate of per diem wages.

6. If COUNTY determines that employees of a subcontractor were not paid the general prevailing rate of per diem wages and if COUNTY did not retain sufficient money under the AGREEMENT to pay those employees the balance of wages owed under the general prevailing rate of per diem wages, the CONTRACTOR shall withhold an amount of moneys due the subcontractor sufficient to pay those employees the general prevailing rate of per diem wages if requested by COUNTY.

G. Hours of Labor

Eight (8) hours labor constitutes a legal day's work. The CONTRACTOR shall forfeit, as a penalty to the COUNTY, twenty-five dollars ($25) for each worker employed in the execution of the AGREEMENT by the CONTRACTOR or any of its subcontractors for each calendar day during which such worker is required or permitted to work more than eight (8) hours in any one calendar day

Docusign Envelope ID: DBBA609D-C816-4F6C-8EAF-2F301C2451CA

and forty (40) hours in any one calendar week in violation of the provisions of the Labor Code, and in particular §§1810 to 1815 thereof, inclusive, except that work performed by employees in excess of eight (8) hours per day, and forty (40) hours during any one week, shall be permitted upon compensation for all hours worked in excess of eight (8) hours per day and forty (40) hours in any week, at not less than one and one-half (1.5) times the basic rate of pay, as provided in §1815.

H. Employment of Apprentices

1. Where either the prime AGREEMENT or the subcontract exceeds thirty thousand dollars ($30,000), the CONTRACTOR and any subcontractors under him or her shall comply with all applicable requirements of Labor Code §§ 1777.5, 1777.6 and 1777.7 in the employment of apprentices.

2. CONTRACTORs and subcontractors are required to comply with all Labor Code requirements regarding the employment of apprentices, including mandatory ratios of journey level to apprentice workers. Prior to commencement of work, CONTRACTOR and subcontractors are advised to contact the DIR Division of Apprenticeship Standards website at https://www.dir.ca.gov/das for additional information regarding the employment of apprentices and for the specific journey-to- apprentice ratios for the AGREEMENT work. The CONTRACTOR is responsible for all subcontractors' compliance with these requirements. Penalties are specified in Labor Code §1777.7.

Article XIII Conflict of Interest

A. During the term of this AGREEMENT, the CONTRACTOR shall disclose any financial, business, or other relationship with COUNTY that may have an impact upon the outcome of this AGREEMENT, or any ensuing COUNTY construction project. The CONTRACTOR shall also list current clients who may have a financial interest in the outcome of this AGREEMENT, or any ensuing COUNTY construction project, which will follow.

B. CONTRACTOR certifies that it has disclosed to COUNTY any actual, apparent, or potential conflicts of interest that may exist relative to the services to be provided pursuant to this AGREEMENT. CONTRACTOR agrees to advise COUNTY of any actual, apparent or potential conflicts of interest that may develop subsequent to the date of execution of this AGREEMENT.

CONTRACTOR further agrees to complete any statements of economic interest if required by either COUNTY ordinance or State law.

C. The CONTRACTOR hereby certifies that it does not now have, nor shall it acquire any financial or business interest that would conflict with the performance of services under this AGREEMENT.

D. CONTRACTOR hereby certifies that the CONTRACTOR or subcontractor, and any firm affiliated with CONTRACTOR or subcontractor that bids on any construction contract, or on any AGREEMENT to provide construction inspection for any construction project resulting from this AGREEMENT. An affiliated firm is one, which is subject to the control of the same persons through joint ownership, has established necessary controls to ensure a conflict of interest does not exist. An affiliated firm is one, which is subject to the control of the same persons, through joint ownership or otherwise.

Article XIV Rebates, Kickbacks or Other Unlawful Consideration

The CONTRACTOR warrants that this AGREEMENT was not obtained or secured through rebates

Docusign Envelope ID: DBBA609D-C816-4F6C-8EAF-2F301C2451CA

kickbacks or other unlawful consideration, either promised or paid to any COUNTY employee. For breach or violation of this warranty, COUNTY shall have the right, in its discretion, to terminate this AGREEMENT without liability; to pay only for the value of the work actually performed; or to deduct from this AGREEMENT price or otherwise recover the full amount of such rebate, kickback or other unlawful consideration.

Article XV Prohibition of Expending County, State, or Federal Funds for Lobbying

(Include this article in all AGREEMENTS where federal funding will exceed $150,000. If less than $150,000 in federal funds will be expended on the AGREEMENT; delete this article and re-number subsequent articles.)

A. CONTRACTOR certifies to the best of his or her knowledge and belief that:

1. No State, Federal, or County appropriated funds have been paid or will be paid, by-or-on behalf of CONTRACTOR, to any person for influencing or attempting to influence an officer or employee of any local, State or Federal agency, a Member of the State Legislature or United States Congress, an officer or employee of the Legislature or Congress, or any employee of a Member of the Legislature or Congress in connection with the awarding or making of this AGREEMENT, or with the extension, continuation, renewal, amendment, or modification of this AGREEMENT .

2. If any funds other than Federal appropriated funds have been paid, or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this AGREEMENT, the CONTRACTOR shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

B. This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by 31 U.S.C. §1352. Any person who fails to file the required certification shall be subject to a civil penalty of not less than ten thousand dollars ($10,000) and not more than one hundred thousand dollars ($100,000), for each such failure.

C. The CONTRACTOR also agrees by signing this document that he or she shall require that the language of this certification be included in all lower-tier sub agreements, which exceed one hundred thousand dollars ($100,000) and that all such subrecipients shall certify and disclose accordingly.

Article XVI Non-Discrimination Clause and Statement of Compliance

A. The CONTRACTOR's signature affixed herein and dated shall constitute a certification under penalty of perjury under the laws of the State of California that the CONTRACTOR has, unless exempt, complied with, the nondiscrimination program requirements of Government Code § 12990 and 2 CCR § 8103.

B. During the performance of this AGREEMENT, Contractor and its subcontractors shall not deny the AGREEMENT's benefits to any person on the basis of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, age, sexual orientation, or

Docusign Envelope ID: DBBA609D-C816-4F6C-8EAF-2F301C2451CA

military and veteran status, nor shall they unlawfully discriminate, harass, or allow harassment against any employee or applicant for employment because of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, age, sexual orientation, or military and veteran status. Contractor and subcontractors shall insure that the evaluation and treatment of their employees and applicants for employment are free from such discrimination and harassment.

C. Contractor and subcontractors shall comply with the provisions of the Fair Employment and Housing Act (Gov. Code §12990 et seq.), the applicable regulations promulgated there under (2 CCR §11000 et seq.), the provisions of Gov. Code §11135-11139.5, and the regulations or standards adopted by COUNTY to implement such article. The applicable regulations of the Fair Employment and Housing Commission implementing Government Code §12990 (a-f), set forth 2 CCR §§8100-8504, are incorporated into this AGREEMENT by reference and made a part hereof as if set forth in full.

D. CONTRACTOR shall permit access by representatives of the Department of Fair Employment and Housing and the COUNTY upon reasonable notice at any time during the normal business hours, but in no case less than twenty-four (24) hours' notice, to such of its books, records, accounts, and all other sources of information and its facilities as said Department or COUNTY shall require to ascertain compliance with this clause.

E. CONTRACTOR and its subcontractors shall give written notice of their obligations under this clause to labor organizations with which they have a collective bargaining or other Agreement.

F. CONTRACTOR shall include the nondiscrimination and compliance provisions of this clause in all subcontracts to perform work under this AGREEMENT.

G. The CONTRACTOR, with regard to the work performed under this AGREEMENT, shall act in accordance with Title VI of the Civil Rights Act of 1964 (42 U.S.C. §2000d et seq.). Title VI provides that the recipients of federal assistance will implement and maintain a policy of nondiscrimination in which no person in the United States shall, on the basis of race, color, national origin, religion, sex, age, disability, be excluded from participation in, denied the benefits of or subject to discrimination under any program or activity by the recipients of federal assistance or their assignees and successors in interest.

H. The CONTRACTOR shall comply with regulations relative to non-discrimination in federally-assisted programs of the United States Department of Transportation (49 CFR Part 21 - Effectuation of Title VI of the Civil Rights Act of 1964). Specifically, the CONTRACTOR shall not participate either directly or indirectly in the discrimination prohibited by 49 CFR §21.5, including employment practices and the selection and retention of subcontractors.

I. CONTRACTOR, subrecipient or subcontractor will never exclude any person from participation in, deny any person the benefits of, or otherwise discriminate against anyone in connection with the award and performance of any contract covered by 49 CFR 26 on the basis of race, color, sex, or national origin. In administering the COUNTY components of the DBE Program Plan, CONTRACTOR, subrecipient or subcontractor will not, directly, or through contractual or other arrangements, use criteria or methods of administration that have the effect of defeating or substantially impairing accomplishment of the objectives of the DBE Program Plan with respect to individuals of a particular race, color, sex, or national origin.

Article XVII Debarment and Suspension Certification

A. The CONTRACTOR's signature affixed herein shall constitute a certification under penalty of perjury under the laws of the State of California, that the CONTRACTOR or any person associated therewith in the capacity of owner, partner, director, officer, or manager:

1. Is not currently under suspension, debarment, voluntary exclusion, or determination of ineligibility by any federal agency;

2. Has not been suspended, debarred, voluntarily excluded, or determined ineligible by any federal agency within the past three (3) years;

3. Does not have a proposed debarment pending; and

4. Has not been indicted, convicted, or had a civil judgment rendered against it by a court of competent jurisdiction in any matter involving fraud or official misconduct within the past three (3) years.

B. Any exceptions to this certification must be disclosed to COUNTY. Exceptions will not necessarily result in denial of recommendation for award but will be considered in determining responsibility. Disclosures must indicate the party to whom the exceptions apply, the initiating agency, and the dates of agency action.

C. Exceptions to the Federal Government Excluded Parties List System (https://sam.gov/content/home) maintained by the United States General Services Administration are to be determined by FHWA.

Article XVIII Disadvantaged Business Enterprises (DBE) Participation

A. CONTRACTOR, subrecipient (COUNTY), or subcontractor shall take necessary and reasonable steps to ensure that DBEs have opportunities to participate in the contract (49 CFR 26). To ensure equal participation of DBEs provided in 49 CFR 26.5, The COUNTY shows a contract goal for DBEs. CONTRACTOR shall make work available to DBEs and select work parts consistent with available DBE subcontractors and suppliers.

CONTRACTOR shall meet the DBE goal shown elsewhere in these special provisions or demonstrate that they made adequate Good Faith Efforts (GFE) to meet this goal. It is CONTRACTOR's responsibility to verify at the date of proposal opening that the DBE firm is certified as DBE by using the California Unified Certification Program (CUCP) database and possesses the most specific available North American Industry Classification System (NAICS) codes and work code applicable to the type of work the firm will perform on the Agreement. Additionally, the CONTRACTOR is responsible to document the verification record by printing out the CUCP data for each DBE firm. A list of DBEs certified by the CUCP can be found at https://dot.ca.gov/programs/civil-rights/dbe-search.

All DBE participation will count toward the California Department of Transportation's federally mandated statewide overall DBE goal. Credit for materials or supplies CONTRACTOR purchases from DBEs counts towards the goal in the following manner:

- One hundred percent (100 %) counts if the materials or supplies are obtained from a DBE manufacturer.

Docusign Envelope ID: DBBA609D-C816-4F6C-8EAF-2F301C2451CA

- Sixty percent (60%) counts if the materials or supplies are purchased from a DBE regular dealer.

- Only fees, commissions, and charges for assistance in the procurement and delivery of materials or supplies count if obtained from a DBE that is neither a manufacturer nor regular dealer. 49CFR26.55 defines "manufacturer" and "regular dealer."

This AGREEMENT is subject to 49 CFR Part 26 entitled “Participation by Disadvantaged Business Enterprises in Department of Transportation Financial Assistance Programs”. CONTRACTORS who enter into a federally-funded agreement will assist the COUNTY in a good faith effort to achieve California’s statewide overall DBE goal.

B. The goal for DBE participation for this AGREEMENT is _____%. Participation by DBE contractor or subcontractors shall be in accordance with information contained in Exhibit 10-02: Consultant Contract DBE Commitment attached hereto and incorporated as part of the AGREEMENT. If a DBE subcontractor is unable to perform, CONTRACTOR must make a good faith effort to replace him/her with another DBE subcontractor, if the goal is not otherwise met.

C. CONTRACTOR can meet the DBE participation goal by either documenting commitments to DBEs to meet the AGREEMENT goal, or by documenting adequate good faith efforts to meet the AGREEMENT goal. An adequate good faith effort means that the CONTRACTOR must show that it took all necessary and reasonable steps to achieve a DBE goal that, by their scope, intensity, and appropriateness to the objective, could reasonably be expected to meet the DBE goal. If CONTRACTOR has not met the DBE goal, complete and submit Exhibit 15-H: DBE Information – Good Faith Efforts to document efforts to meet the goal. Refer to 49 CFR Part 26 for guidance regarding evaluation of good faith efforts to meet the DBE goal.

D. Contract Assurance Under 49 CFR 26.13(b)
CONTRACTOR, subrecipient or subcontractor shall not discriminate on the basis of race, color, national origin, or sex in the performance of this AGREEMENT. CONTRACTOR shall carry out applicable requirements of 49 CFR 26 in the award and administration of federal-aid contracts.

Failure by the CONTRACTOR to carry out these requirements is a material breach of this contract, which may result in the termination of this contract or such other remedy as the recipient deems appropriate, which may include, but is not limited to:

(1) Withholding monthly progress payments;
(2) Assessing sanctions;
(3) Liquidated damages; and/or
(4) Disqualifying the CONTRACTOR from future proposing as non-responsible

E. Termination and Replacement of DBE Subcontractors
CONTRACTOR shall utilize the specific DBEs listed to perform the work and supply the materials for which each is listed unless CONTRACTOR or DBE Subcontractor obtains the COUNTY’s written consent. CONTRACTOR shall not terminate or replace a listed DBE for convenience and perform the work with their own forces or obtain materials from other sources without authorization from the COUNTY. Unless the COUNTY’s consent is provided, the CONTRACTOR shall not be entitled to any payment for work or material unless it is performed or supplied by the listed DBE on the Exhibit 10-02: Consultant Contract DBE Commitment form.

Docusign Envelope ID: DBBA609D-C816-4F6C-8EAF-2F301C2451CA

Termination of DBE Subconsultants

After execution of the AGREEMENT, termination of a DBE may be allowed for the following, but not limited to, justifiable reasons with prior written authorization from the COUNTY:

1. Listed DBE fails or refuses to execute a written contract based on plans and specifications for the project.

2. The COUNTY stipulated that a bond is a condition of executing the subcontract and the listed DBE fails to meet the COUNTY's bond requirements.

3. Work requires a contractor's license and listed DBE does not have a valid license under Contractors License Law.

4. Listed DBE fails or refuses to perform the work or furnish the listed materials (failing or refusing to perform is not an allowable reason to remove a DBE if the failure or refusal is a result of bad faith or discrimination).

5. Listed DBE's work is unsatisfactory and not in compliance with the contract.

6. Listed DBE is ineligible to work on the project because of suspension or debarment.

7. Listed DBE becomes bankrupt or insolvent or exhibits credit unworthiness.

8. Listed DBE voluntarily withdraws with written notice from the AGREEMENT.

9. Listed DBE is ineligible to receive credit for the type of work required.

10. Listed DBE owner dies or becomes disabled resulting in the inability to perform the work on the AGREEMENT.

11. The COUNTY determines other documented good cause.

CONTRACTOR must use the following procedures to request the termination of a DBE or portion of a DBE's work:

1. Send a written notice to the DBE of the CONTRACTOR's intent to use other forces or material sources and include one or more justifiable reasons listed above. Simultaneously send a copy of this written notice to the COUNTY. The written notice to the DBE must request they provide any response within five (5) business days to both the CONTRACTOR and the COUNTY by either acknowledging their agreement or documenting their reasoning as to why the use of other forces or sources of materials should not occur.

2. If the DBE does not respond within five (5) business days, CONTRACTOR may move forward with the request as if the DBE had agreed to CONTRACTOR's written notice.

3. Submit CONTRACTOR's DBE termination request by written letter to the COUNTY and include:
   - One or more above listed justifiable reasons along with supporting documentation.
   - CONTRACTOR's written notice to the DBE regarding the request, including proof of transmission and tracking documentation of CONTRACTOR's written notice.

Docusign Envelope ID: DBBA609D-C816-4F6C-8EAF-2F301C2451CA

- The DBE's response to CONTRACTOR's written notice, if received. If a written response was not provided, provide a statement to that effect.

The COUNTY shall respond in writing to CONTRACTOR's DBE termination request within five (5) business days.

Replacement of DBE Subcontractors

After receiving the COUNTY'S written authorization of DBE termination request, CONTRACTOR must obtain the COUNTY'S written agreement for DBE replacement. CONTRACTOR must find or demonstrate GFEs to find qualified DBE replacement firms to perform the work to the extent needed to meet the DBE commitment.

The following procedures shall be followed to request authorization to replace a DBE firm:

1. Submit a request to replace a DBE with other forces or material sources in writing to the COUNTY which must include:
   a. Description of remaining uncommitted work item made available for replacement DBE solicitation and participation.
   b. The proposed DBE replacement firm's business information, the work they have agreed to perform, and the following:
      - Description of scope of work and cost proposal
      - Proposed subcontract agreement and written confirmation of agreement to perform on the Contract
      - Revised Exhibit 10-O2: Consultant Contract DBE Commitment

2. If CONTRACTOR has not identified a DBE replacement firm, submits documentation of CONTRACTOR's GFEs to use DBE replacement firms within seven (7) days of COUNTY's authorization to terminate the DBE. CONTRACTOR may request the COUNTY's approval to extend this submittal period to a total of 14 days. Submit documentation of actions taken to find a DBE replacement firm, such as:
   - Search results of certified DBEs available to perform the original DBE work identified and or other work CONTRACTOR had intended to self-perform, to the extent needed to meet DBE commitment
   - Solicitations of DBEs for performance of work identified
   - Correspondence with interested DBEs that may have included contract details and requirements
   - Negotiation efforts with DBEs that reflect why an agreement was not reached
   - If a DBE's quote was rejected, provide reasoning for the rejection, such as why the DBE was unqualified for the work, or why the price quote was unreasonable or excessive
   - Copies of each DBE's and non-DBE's price quotes for work identified, as the COUNTY may contact the firms to verify solicitation efforts and determine if the DBE quotes are substantially higher
   - Additional documentation that supports CONTRACTOR's GFE

The COUNTY shall respond in writing to CONTRACTOR's DBE replacement request within five (5) business days.

F. Commitment and Utilization

The COUNTY's DBE program must include a monitoring and enforcement mechanism to ensure that DBE commitments reconcile to DBE utilization. The COUNTY shall request CONTRACTOR to:

Docusign Envelope ID: DBBA609D-C816-4F6C-8EAF-2F301C2451CA

1. Notify the COUNTY's Contract Administrator or designated representative of any changes to its anticipated DBE participation

2. Provide this notification before starting the affected work

3. Maintain records including:
   - Name and business address of each First-Tier subcontractor
   - Name and business address of each DBE subcontractor, DBE vendor, and DBE trucking company, regardless of tier
   - Date of payment and total amount paid to each business (see Exhibit 9-F *Monthly Disadvantaged Business Enterprise Payment*)

If CONTRACTOR is a DBE CONTRACTOR, they shall include the date of work performed by their own forces and the corresponding value of the work.

If a DBE is decertified before completing its work, the DBE must notify CONTRACTOR in writing of the decertification date. If a business becomes a certified DBE before completing its work, the business must notify CONTRACTOR in writing of the certification date. CONTRACTOR shall submit the notifications to the COUNTY. On work completion, CONTRACTOR shall complete a Disadvantaged Business Enterprises (DBE) Certification Status Change, Exhibit 17-O, form and submit the form to the COUNTY within thirty (30) days of contract acceptance.

Upon work completion, CONTRACTOR shall complete Exhibit 17-F Final Report – Utilization of Disadvantaged Business Enterprises (DBE), First-Tier Subcontractors and submit it to the COUNTY within ninety (90) days of AGREEMENT acceptance. The COUNTY will withhold ten thousand dollars ($10,000) until the form is submitted. The COUNTY will release the withhold upon submission of the completed form.

In the COUNTY's reports of DBE participation to Caltrans, the COUNTY must display both commitments and attainments.

G. COMMERCIALLY USEFUL FUNCTION

DBEs must perform a commercially useful function (CUF) under 49 CFR 26.55 when performing work or supplying materials listed on the DBE Commitment form. The DBE value of work will only count toward the DBE commitment if the DBE performs a CUF. A DBE performs a CUF when it is responsible for execution of the work of the AGREEMENT and is carrying out its responsibilities by actually performing, managing, and supervising the work involved. To perform a CUF, the DBE must also be responsible, with respect to materials and supplies used on the AGREEMENT, for negotiating price, determining quality and quantity, ordering the material, and installing (where applicable), and paying for the material itself.

CONTRACTOR must perform CUF evaluation for each DBE working on a federal-aid contract, with or without a DBE goal. Perform a CUF evaluation at the beginning of the DBE's work and continue to monitor the performance of CUF for the duration of the project.

CONTRACTOR must provide written notification to the COUNTY at least 15 days in advance of each DBE's initial performance of work or supplying materials for the AGREEMENT. The notification must include the DBE's name, work the DBE will perform on the contract, and the location, date, and time of where their work will take place.

Docusign Envelope ID: DBBA609D-C816-4F6C-8EAF-2F301C2451CA

Within 10 days of a DBE initially performing work or supplying materials on the AGREEMENT, CONTRACTOR shall submit to the LPA the initial evaluation and validation of DBE performance of a CUF using the LAPM 9-J: Disadvantaged Business Enterprise Commercially Useful Function Evaluation. Include the following information with the submittal:

- Subcontract agreement with the DBE
- Purchase orders
- Bills of lading
- Invoices
- Proof of payment

CONTRACTOR must monitor all DBE's performance of CUF by conducting quarterly evaluations and validations throughout their duration of work on the AGREEMENT t using the LAPM 9-J: DBE Commercially Useful Function Evaluation. CONTRACTOR must submit to the COUNTY these quarterly evaluations and validations by the 5th of the month for the previous three months of work.

CONTRACTOR must notify the COUNTY immediately if they believe the DBE may not be performing a CUF.

The COUNTY will verify DBEs performance of CUF by reviewing the initial and quarterly submissions of LAPM 9-J: DBE Commercially Useful Function Evaluation, submitted supporting information, field observations, and through any additional COUNTY evaluations. The COUNTY must evaluate DBEs and their CUF performance throughout the duration of the AGREEMENT. The COUNTY will provide written notice to the CONTRACTOR and the DBE at least two (2) business days prior to any evaluation. The CONTRACTOR and the DBE must participate in the evaluation. Upon completing the evaluation, the COUNTY must share the evaluation results with the CONTRACTOR and the DBE. An evaluation could include items that must be remedied upon receipt. If the COUNTY determines the DBE is not performing a CUF, the CONTRACTOR must suspend performance of the noncompliant work.

CONTRACTOR and DBEs must submit any additional CUF related records and documents within five (5) business days of COUNTY's request such as:

- Proof of ownership or lease and rental agreements for equipment
- Tax records
- Employee rosters
- Certified payroll records
- Inventory rosters

Failure to submit required DBE Commercially Useful Function Evaluation forms or requested records and documents can result in withholding of payment for the value of work completed by the DBE.

If CONTRACTOR and/or the COUNTY determine that a listed DBE is not performing a CUF in performance of their DBE committed work, CONTRACTOR must immediately suspend performance of the noncompliant portion of the work. COUNTY may deny payment for the noncompliant portion of the work. COUNTY will ask the CONTRACTOR to submit a Corrective Action Plan (CAP) to the COUNTY within five (5) days of the noncompliant CUF determination. The CAP must identify how the CONTRACTOR will correct the noncompliance findings for the remaining portion of the DBE's work. COUNTY has five (5) days to review the CAP in conjunction with the CONTRACTOR's review. The CONTRACTOR must implement the CAP within five (5) days

Docusign Envelope ID: DBBA609D-C816-4F6C-8EAF-2F301C2451CA

of the COUNTY's approval. The COUNTY will then authorize the prior noncompliant portion of work for the DBE's committed work.
If corrective actions cannot be accomplished to ensure the DBE performs a commercially useful function on the AGREEMENT, CONTRACTOR may have good cause to request termination of the DBE.

H. A DBE does not perform a CUF if its role is limited to that of an extra participant in a transaction, AGREEMENT, or project through which funds are passed in order to obtain the appearance of DBE participation. In determining whether a DBE is such an extra participant, examine similar transactions, particularly those in which DBEs do not participate.

I. If a DBE does not perform or exercise responsibility for at least thirty percent (30%) of the total cost of its AGREEMENT with its own work force, or the DBE subcontracts a greater portion of the work of the AGREEMENT than would be expected on the basis of normal industry practice for the type of work involved, it will be presumed that it is not performing a CUF.

J. CONTRACTOR shall maintain records of materials purchased or supplied from all subcontracts entered into with certified DBEs. The records shall show the name and business address of each DBE or vendor and the total dollar amount actually paid each DBE or vendor, regardless of tier. The records shall show the date of payment and the total dollar figure paid to all firms. DBE contractors shall also show the date of work performed by their own forces along with the corresponding dollar value of the work.

K. If a DBE subcontractor is decertified during the life of the AGREEMENT, the decertified subcontractor shall notify CONTRACTOR in writing with the date of decertification. If a subcontractor becomes a certified DBE during the life of the AGREEMENT, the subcontractor shall notify CONTRACTOR in writing with the date of certification. Any changes should be reported to COUNTY's Contract Administrator within thirty (30) calendar days.

L. For projects awarded on or after March 1, 2020, but before September 1, 2023: after submitting an invoice for reimbursement that includes a payment to a DBE, but no later than the 10th of the following month, the prime CONTRACTOR must complete and email Exhibit 9-F: Disadvantaged Business Enterprise Running Tally of Payments to business.support.unit@dot.ca.gov with a copy to local administering agencies.

For projects awarded on or after September 1, 2023: Exhibit 9-F is no longer required. Instead, by the 15th of the month following the month of any payment(s), the CONTRACTOR must now submit Exhibit 9-P to the COUNTY administering the contract. If the CONTRACTOR does not make any payments to subcontractors, supplier(s), and/or manufacturers they must report "no payments were made to subs this month" and write this visibly and legibly on Exhibit 9-P.

M. Any subcontract entered into as a result of this AGREEMENT shall contain all of the provisions of this section.

Article XIX Insurance

(Choose either Option 1 or Option 2)

☐ (Option 1 – For AGREEMENT with a scope of services that may require the CONTRACTOR or subcontractor to work within the operating state or County Highway Right of Way; where there would be exposure to public traffic or construction operations.)

Docusign Envelope ID: DBBA609D-C816-4F6C-8EAF-2F301C2451CA

A. Prior to commencement of the work described herein, CONTRACTOR shall furnish COUNTY a Certificate of Insurance stating that there is general comprehensive liability insurance presently in effect for CONTRACTOR with a combined single limit (CSL) of not less than one million dollars ($1,000,000) per occurrence.

B. The Certificate of Insurance will provide:

1. That the insurer will not cancel the insured's coverage without thirty (30) calendar days prior written notice to COUNTY.
2. That COUNTY, its officers, agents, employees, and servants are included as additional insureds, but only insofar as the operations under this AGREEMENT are concerned.
3. That COUNTY will not be responsible for any premiums or assessments on the policy.

C. CONTRACTOR agrees that the bodily injury liability insurance herein provided for, shall be in effect at all times during the term of this AGREEMENT. In the event said insurance coverage expires at any time or times during the term of this AGREEMENT, CONTRACTOR agrees to provide at least thirty (30) calendar days prior notice to said expiration date; and a new Certificate of Insurance evidencing insurance coverage as provided for herein, for not less than either the remainder of the term of the AGREEMENT, or for a period of not less than one (1) year. New Certificates of Insurance are subject to the approval of COUNTY. In the event CONTRACTOR fails to keep in effect at all times insurance coverage as herein provided, COUNTY may, in addition to any other remedies it may have, terminate this AGREEMENT upon occurrence of such event.

☐ (Option 2 – For AGREEMENTS with a scope of services that will not require the Contractor or subcontractor to work within the operating State or County Highway Right of Way where there would be exposure to public traffic or construction Contractor operations.)
CONTRACTOR is not required to show evidence of general comprehensive liability insurance.

Article XX Funding Requirements

A. It is mutually understood between the parties that this AGREEMENT may have been written before ascertaining the availability of funds or appropriation of funds, for the mutual benefit of both parties, in order to avoid program and fiscal delays that would occur if the AGREEMENTs were executed after that determination was made.

B. This AGREEMENT is valid and enforceable only if sufficient funds are made available to COUNTY for the purpose of this AGREEMENT. In addition, this AGREEMENT is subject to any additional restrictions, limitations, conditions, or any statute enacted by the Congress, State Legislature, or COUNTY governing board that may affect the provisions, terms, or funding of this AGREEMENT in any manner.

C. It is mutually agreed that if sufficient funds are not appropriated, this AGREEMENT may be amended to reflect any reduction in funds.

D. COUNTY has the option to terminate the AGREEMENT pursuant to Article VI Termination, or by mutual agreement to amend the AGREEMENT to reflect any reduction of funds.

Article XXI Change in Terms

A. This AGREEMENT may be amended or modified only by mutual written agreement of the parties.

B. CONTRACTOR shall only commence work covered by an amendment after the amendment is

Docusign Envelope ID: DBBA609D-C816-4F6C-8EAF-2F301C2451CA

executed and notification to proceed has been provided by COUNTY's Contract Administrator.

C. There shall be no change in CONTRACTOR's Project Manager or members of the project team, as listed in the approved Cost Proposal, which is a part of this AGREEMENT without prior written approval by COUNTY's Contract Administrator.

Article XXI Contingent Fee

CONTRACTOR warrants, by execution of this AGREEMENT that no person or selling agency has been employed, or retained, to solicit or secure this AGREEMENT upon an agreement or understanding, for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees, or bona fide established commercial or selling agencies maintained by CONTRACTOR for the purpose of securing business. For breach or violation of this warranty, COUNTY has the right to annul this AGREEMENT without liability; pay only for the value of the work actually performed, or in its discretion to deduct from the AGREEMENT price or consideration, or otherwise recover the full amount of such commission, percentage, brokerage, or contingent fee.

Article XXII Disputes

Prior to either party commencing any legal action under this AGREEMENT, the parties agree to try in good faith, to settle any dispute amicably between them. If a dispute has not been settled after forty-five (45) days of good-faith negotiations and as may be otherwise provided herein, then either party may commence legal action against the other.

(Choose either Option 1 or Option 2)

☐ (Option 1- Use paragraphs A through C below for all AGREEMENTs without PS&E submittal)

A. Any dispute, other than audit, concerning a question of fact arising under this AGREEMENT that is not disposed of by agreement shall be decided by a committee consisting of COUNTY's Contract Administrator and _____, who may consider written or verbal information submitted by CONTRACTOR.

B. Not later than thirty (30) calendar days after completion of all work under the contract, CONTRACTOR may request review by COUNTY Governing Board of unresolved claims or disputes, other than audit. The request for review will be submitted in writing.

C. Neither the pendency of a dispute, nor its consideration by the committee will excuse CONTRACTOR from full and timely performance in accordance with the terms of this AGREEMENT.

☐ (Option 2 – Replace Paragraph B, above, with the following for AGREEMENTS requiring the submission of PS&E)

B. Not later than thirty (30) calendar days after completion of all deliverables necessary to complete the plans, specifications and estimate, CONTRACTOR may request review by COUNTY Governing Board of unresolved claims or disputes, other than audit. The request for review will be submitted in writing.

Article XXIV Inspection of Work

CONTRACTOR and any subcontractor shall permit COUNTY, the state, and the FHWA if federal participating funds are used in this AGREEMENT; to review and inspect the project activities and files at all reasonable times during the performance period of this AGREEMENT.

Docusign Envelope ID: DBBA609D-C816-4F6C-8EAF-2F301C2451CA

Article XXV Safety

A. CONTRACTOR shall comply with OSHA regulations applicable to CONTRACTOR regarding necessary safety equipment or procedures. CONTRACTOR shall comply with safety instructions issued by COUNTY Safety Officer and other COUNTY representatives. CONTRACTOR personnel shall wear hard hats and safety vests at all times while working on the construction project site.

B. Pursuant to the authority contained in Vehicle Code §591, COUNTY has determined that such areas are within the limits of the project and are open to public traffic. CONTRACTOR shall comply with all of the requirements set forth in Divisions 11, 12, 13, 14, and 15 of the Vehicle Code. CONTRACTOR shall take all reasonably necessary precautions for safe operation of its vehicles and the protection of the traveling public from injury and damage from such vehicles.

C. Any subcontract entered into as a result of this contract, shall contain all of the provisions of this Article.

(Add the following paragraph to all AGREEMENTS which may require trenching of five (5) feet or deeper)

D. CONTRACTOR must have a Division of Occupational Safety and Health (CAL-OSHA) permit(s), as outlined in Labor Code §6500 and §6705, prior to the initiation of any practices, work, method, operation, or process related to the construction or excavation of trenches which are five (5) feet or deeper.

Article XXVI Ownership of Data

A. It is mutually agreed that all materials prepared by CONTRACTOR under this AGREEMENT shall become the property of COUNTY, and CONTRACTOR shall have no property right therein whatsoever. Immediately upon termination, COUNTY shall be entitled to, and CONTRACTOR shall deliver to COUNTY, reports, investigations, appraisals, inventories, studies, analyses, drawings and data estimates performed to that date, whether completed or not, and other such materials as may have been prepared or accumulated to date by CONTRACTOR in performing this AGREEMENT which is not CONTRACTOR's privileged information, as defined by law, or CONTRACTOR's personnel information, along with all other property belonging exclusively to COUNTY which is in CONTRACTOR's possession. Publication of the information derived from work performed or data obtained in connection with services rendered under this AGREEMENT must be approved in writing by COUNTY.

B. Additionally, it is agreed that the Parties intend this to be an AGREEMENT for services and each considers the products and results of the services to be rendered by CONTRACTOR hereunder to be work made for hire. CONTRACTOR acknowledges and agrees that the work (and all rights therein, including, without limitation, copyright) belongs to and shall be the sole and exclusive property of COUNTY without restriction or limitation upon its use or dissemination by COUNTY.

C. Nothing herein shall constitute or be construed to be any representation by CONTRACTOR that the work product is suitable in any way for any other project except the one detailed in this AGREEMENT. Any reuse by COUNTY for another project or project location shall be at COUNTY's sole risk.

D. Applicable patent rights provisions regarding rights to inventions shall be included in the contracts as appropriate (48 CFR 27 Subpart 27.3 -Patent Rights under Government Contracts for

Docusign Envelope ID: DBBA609D-C816-4F6C-8EAF-2F301C2451CA

federal-aid contracts).

E. COUNTY may permit copyrighting reports or other agreement products. If copyrights are permitted; the AGREEMENT shall provide that the FHWA shall have the royalty-free nonexclusive and irrevocable right to reproduce, publish, or otherwise use; and to authorize others to use, the work for government purposes.

Article XXVII Claims Filed by County's Construction Contractor

A. If claims are filed by COUNTY's construction contractor relating to work performed by CONTRACTOR's personnel, and additional information or assistance from CONTRACTOR's personnel is required in order to evaluate or defend against such claims; CONTRACTOR agrees to make its personnel available for consultation with COUNTY'S construction contract administration and legal staff and for testimony, if necessary, at depositions and at trial or arbitration proceedings.

B. CONTRACTOR's personnel that COUNTY considers essential to assist in defending against construction contractor claims will be made available on reasonable notice from COUNTY. Consultation or testimony will be reimbursed at the same rates, including travel costs that are being paid for CONTRACTOR's personnel services under this AGREEMENT.

C. Services of CONTRACTOR's personnel in connection with COUNTY's construction contractor claims will be performed pursuant to a written contract amendment, if necessary, extending the termination date of this AGREEMENT in order to resolve the construction claims.

Article XXVIII Confidentiality of Data

A. All financial, statistical, personal, technical, or other data and information relative to COUNTY's operations, which are designated confidential by COUNTY and made available to CONTRACTOR in order to carry out this AGREEMENT, shall be protected by CONTRACTOR from unauthorized use and disclosure.

B. Permission to disclose information on one occasion, or public hearing held by COUNTY relating to the AGREEMENT, shall not authorize CONTRACTOR to further disclose such information, or disseminate the same on any other occasion.

C. CONTRACTOR shall not comment publicly to the press or any other media regarding the contract or COUNTY's actions on the same, except to COUNTY's staff, CONTRACTOR's own personnel involved in the performance of this AGREEMENT, at public hearings or in response to questions from a Legislative committee.

D. CONTRACTOR shall not issue any news release or public relations item of any nature, whatsoever, regarding work performed or to be performed under this contract without prior review of the contents thereof by COUNTY, and receipt of COUNTY's written permission.

E. Any sub agreement entered into as a result of this AGREEMENT shall contain all of the provisions of this Article.

(For PS&E contracts, add paragraph F below, to paragraphs A through E above)

F. All information related to the construction estimate is confidential and shall not be disclosed by CONTRACTOR to any entity other than COUNTY, Caltrans, and/or FHWA. All of the materials prepared or assembled by CONTRACTOR pursuant to performance of this AGREEMENT are

Docusign Envelope ID: DBBA609D-C816-4F6C-8EAF-2F301C2451CA

confidential and CONTRACTOR agrees that they shall not be made available to any individual or organization without the prior written approval of COUNTY or except by court order. If CONTRACTOR or any of its officers, employees, or subcontractors does voluntarily provide information in violation of this AGREEMENT, COUNTY has the right to reimbursement and indemnity from CONTRACTOR for any damages caused by CONTRACTOR releasing the information, including, but not limited to, COUNTY's attorney's fees and disbursements, including without limitation experts' fees and disbursements.

Article XXIX National Labor Relations Board Certification

In accordance with Public Contract Code Section 10296, CONTRACTOR hereby states under penalty of perjury that no more than one final unappealable finding of contempt of court by a federal court has been issued against CONTRACTOR within the immediately preceding two (2)-year period, because of CONTRACTOR's failure to comply with an order of a federal court that orders CONTRACTOR to comply with an order of the National Labor Relations Board.

Article XXX Evaluation of Contractor

CONTRACTOR's performance will be evaluated by COUNTY. A copy of the evaluation will be sent to CONTRACTOR for comments. The evaluation together with the comments shall be retained as part of the AGREEMENT record.

Article XXXI Prompt Payment

A. PROMPT PAYMENT FROM LOCAL AGENCY TO CONTRACTOR

The COUNTY shall make all project progress payments within 30 days after receipt of an undisputed and properly submitted payment request from CONTRACTOR. If COUNTY fails to pay promptly, the COUNTY shall pay interest to the CONTRACTOR, which accrues at the rate of 10 percent per annum on the principal amount of a money judgment remaining unsatisfied and pro-rated as necessary. Upon receipt of the payment request, the COUNTY shall act in accordance with both of the following:

(1) The COUNTY shall review each payment request as soon as feasible after receipt to verify it is a proper payment request.

(2) The COUNTY must return any payment request deemed improper by the COUNTY to the CONTRACTOR as soon as feasible, but not later than seven (7) days, after receipt. A request returned pursuant to this paragraph shall include documentation setting forth in writing the reasons why it is an improper payment request.

B. PROMPT PAYMENT CERTIFICATION

For projects awarded on or after September 1, 2023: the CONTRACTOR must now submit Exhibit 9-P to the COUNTY administering the AGREEMENT by the 15th of the month following the month of any payment(s). If the CONTRACTOR does not make any payments to subconsultants, supplier(s), and/or manufacturers they must report "no payments were made to subs this month" and write this visibly and legibly on Exhibit 9-P.

The COUNTY must verify all Exhibit 9-P information, monitor compliance with prompt payment requirements for DBE and non-DBE firms, and address any shortfalls to the DBE commitment and prompt payment issues until the end of the project. The COUNTY must email a copy of Exhibit 9-P to dbe.forms@dot.ca.gov before the end of the month after receiving the Exhibit 9-P from the CONTRACTOR.

ARTICLE XXXII TITLE VI ASSURANCES

APPENDICES A-E of the TITLE VI ASSURANCES

[The United States (US) Department of Transportation (DOT) Order No. 1050.2A requires all federal-aid DOT contracts between an agency and a CONTRACTOR to contain Appendices A and E of the Title VI Assurances. Include Appendices B, C, and D if appliable as shown below. In addition, the CONTRACTOR must include the Title VI Assurances Appendices A and E, and if applicable Appendices B, C, and D in all subcontracts to perform work under the AGREEMENT.

The clauses of Appendix B of this Assurance shall be included as a covenant running with the land, in any deed from the US effecting or recording a transfer of real property, structures, use, or improvements thereon or interest therein to COUNTY.

The clauses set forth in Appendix C and Appendix D of this Assurance shall be included as a covenant running with the land, in any future deeds, leases, licenses, permits, or similar instruments entered into by the COUNTY with other parties:

a. for the subsequent transfer of real property acquired or improved under the applicable activity, project, or program; and

b. for the construction or use of, or access to, space on, over, or under real property acquired or improved under the applicable activity, project, or program.]

APPENDIX A

During the performance of this Agreement, the CONTRACTOR, for itself, its assignees and successors in interest (hereinafter collectively referred to as CONTRACTOR) agrees as follows:

a. Compliance with Regulations: CONTRACTOR shall comply with the regulations relative to nondiscrimination in federally assisted programs of the Department of Transportation, Title 49, Code of Federal Regulations, Part 21, as they may be amended from time to time, (hereinafter referred to as the REGULATIONS), which are herein incorporated by reference and made a part of this agreement.

b. Nondiscrimination: CONTRACTOR, with regard to the work performed by it during the AGREEMENT, shall not discriminate on the grounds of race, color, sex, national origin, religion, age, or disability in the selection and retention of sub-applicants, including procurements of materials and leases of equipment. CONTRACTOR shall not participate either directly or indirectly in the discrimination prohibited by Section 21.5 of the Regulations, including employment practices when the agreement covers a program set forth in Appendix B of the Regulations.

c. Solicitations for Sub-agreements, Including Procurements of Materials and Equipment: In all solicitations either by competitive bidding or negotiation made by CONTRACTOR for work to be performed under a Sub-agreement, including procurements of materials or leases of equipment, each potential sub-applicant or supplier shall be notified by CONTRACTOR of the CONTRACTOR's obligations under this Agreement and the Regulations relative to nondiscrimination on the grounds of race, color, or national origin.

Docusign Envelope ID: DBBA609D-C816-4F6C-8EAF-2F301C2451CA

d. Information and Reports: CONTRACTOR shall provide all information and reports required by the Regulations, or directives issued pursuant thereto, and shall permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by the recipient or FHWA to be pertinent to ascertain compliance with such Regulations or directives. Where any information required of CONTRACTOR is in the exclusive possession of another who fails or refuses to furnish this information, CONTRACTOR shall so certify to the recipient or FHWA as appropriate and shall set forth what efforts CONTRACTOR has made to obtain the information.

e. Sanctions for Noncompliance: In the event of CONTRACTOR's noncompliance with the nondiscrimination provisions of this agreement, the recipient shall impose such agreement sanctions as it or the FHWA may determine to be appropriate, including, but not limited to:

   i. withholding of payments to CONTRACTOR under the Agreement within a reasonable period of time, not to exceed 90 days; and/or

   ii. cancellation, termination or suspension of the Agreement, in whole or in part.

f. Incorporation of Provisions: CONTRACTOR shall include the provisions of paragraphs (1) through (6) in every sub-agreement, including procurements of materials and leases of equipment, unless exempt by the Regulations, or directives issued pursuant thereto.

CONTRACTOR shall take such action with respect to any sub-agreement or procurement as the recipient or FHWA may direct as a means of enforcing such provisions including sanctions for noncompliance, provided, however, that, in the event CONTRACTOR becomes involved in, or is threatened with, litigation with a sub-applicant or supplier as a result of such direction, CONTRACTOR may request the recipient enter into such litigation to protect the interests of the State, and, in addition, CONTRACTOR may request the United States to enter into such litigation to protect the interests of the United States.

APPENDIX B
CLAUSES FOR DEEDS TRANSFERRING UNITED STATES PROPERTY

The following clauses will be included in deeds effecting or recording the transfer of real property, structures, or improvements thereon, or granting interest therein from the United States pursuant to the provisions of Assurance 4:

NOW THEREFORE, the US DOT as authorized by law and upon the condition that the recipient will accept title to the lands and maintain the project constructed thereon in accordance with Title 23 U.S.C., the regulations for the administration of the preceding statute, and the policies and procedures prescribed by the FHWA of the US DOT in accordance and in compliance with all requirements imposed by Title 49, Code of Federal Regulations, US DOT, Subtitle A, Office of the Secretary, Part 21, Non-discrimination in Federally-assisted programs of the US DOT pertaining to and effectuating the provisions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252; 42 U.S.C. § 2000d to 2000d-4), does hereby remise, release, quitclaim and convey unto the recipient all the right, title and interest of the US DOT in and to said lands described in Exhibit A attached hereto and made a part hereof.

(HABENDUM CLAUSE)

Docusign Envelope ID: DBBA609D-C816-4F6C-8EAF-2F301C2451CA

TO HAVE AND TO HOLD said lands and interests therein unto the recipient and its successors forever, subject, however, to the covenants, conditions, restrictions and reservations herein contained as follows, which will remain in effect for the period during which the real property or structures are used for a purpose for which Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits and will be binding on the recipient, its successors and assigns. The recipient, in consideration of the conveyance of said lands and interest in lands, does hereby covenant and agree as a covenant running with the land for itself, its successors and assigns, that (1) no person will on the grounds of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination with regard to any facility located wholly or in part on, over, or under such lands hereby conveyed [,] [and]* (2) that the recipient will use the lands and interests in lands and interest in lands so conveyed, in compliance with all requirements imposed by or pursuant to Title 49, Code of Federal Regulations, US DOT, Subtitle A, Office of the Secretary, Part 21, Non-discrimination in Federally-assisted programs of the US DOT, Effectuation of Title VI of the Civil Rights Act of 1964, and as said Regulations and Acts may be amended [, and (3) that in the event of breach of any of the above-mentioned non-discrimination conditions, the Department will have a right to enter or re-enter said lands and facilities on said lands, and that above described land and facilities will thereon revert to and vest in and become the absolute property of the US DOT and its assigns as such interest existed prior to this instruction].*

(*Reverter clause and related language to be used only when it is determined that such a clause is necessary in order to make clear the purpose of Title VI.)

APPENDIX C
CLAUSES FOR TRANSFER OF REAL PROPERTY ACQUIRED OR IMPROVED UNDER THE ACTIVITY, FACILITY, OR PROGRAM

The following clauses will be included in deeds, licenses, leases, permits, or similar instruments entered into by the recipient pursuant to the provisions of Assurance 7(a):

A. The (grantee, lessee, permittee, etc. as appropriate) for himself/herself, his/her heirs, personal representatives, successors in interest, and assigns, as a part of the consideration hereof, does hereby covenant and agree [in the case of deeds and leases add "as a covenant running with the land"] that:

    1. In the event facilities are constructed, maintained, or otherwise operated on the property described in this (deed, license, lease, permit, etc.) for a purpose for which a US DOT activity, facility, or program is extended or for another purpose involving the provision of similar services or benefits, the (grantee, licensee, lessee, permittee, etc.) will maintain and operate such facilities and services in compliance with all requirements imposed by the Acts and Regulations(as may be amended) such that no person on the grounds of race, color, or national origin, will be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of said facilities.

B. With respect to licenses, leases, permits, etc., in the event of breach of any of the above Non-discrimination covenants, the recipient will have the right to terminate the (lease, license, permit, etc.) and to enter, re-enter, and repossess said lands and facilities thereon, and hold the same as if the (lease, license, permit, etc.) had never been made or issued.*

Docusign Envelope ID: DBBA609D-C816-4F6C-8EAF-2F301C2451CA

C. With respect to a deed, in the event of breach of any of the above Non-discrimination covenants, the recipient will have the right to enter or re-enter the lands and facilities thereon, and the above described lands and facilities will there upon revert to and vest in and become the absolute property of the recipient and its assigns. *

(*Reverter clause and related language to be used only when it is determined that such a clause is necessary to make clear the purpose of Title VI.)

APPENDIX D
CLAUSES FOR CONSTRUCTION/USE/ACCESS TO REAL PROPERTY ACQUIRED UNDER THEACTIVITY, FACILITY OR PROGRAM

The following clauses will be included in deeds, licenses, permits, or similar instruments/agreements entered into by the recipient pursuant to the provisions of Assurance 7(b):

A. The (grantee, licensee, permittee, etc., as appropriate) for himself/herself, his/her heirs, personal representatives, successors in interest ,and assigns, as a part of the consideration hereof, does hereby covenant and agree (in the case of deeds and leases add, "as a covenant running with the land") that (1) no person on the ground of race, color, or national origin, will be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of said facilities, (2) that in the construction of any improvements on, over, or under such land, and the furnishings of services thereon, no person on the ground of race, color, or national origin, will be excluded from participation in, denied the benefits or, or otherwise be subjected to discrimination, (3) that the (grantee, licensee, lessee, permittee, etc.) will use the premises in compliance with all other requirements imposed by or pursuant to the Acts and Regulations, as amended, set forth in this Assurance.

B. With respect to (licenses, leases, permits, etc.) in the event of breach of any of the above of the above Non-discrimination covenants, the recipient will have the right to terminate the (license, permits, etc., as appropriate) and to enter or re-enter and repossess said land and the facilities thereon, and hold the same as if said (license, permit, etc., as appropriate) had never been made or issued.*

C. With respect to deeds, in the event of breach of any of the above Non-discrimination covenants, the recipient will there upon revert to and vest in and become the absolute property of the recipient and its assigns.

APPENDIX E

During the performance of this AGREEMENT, the CONTRACTOR, for itself, its assignees, and successors in interest (hereinafter referred to as the "CONTRACTOR") agrees to comply with the following nondiscrimination statutes and authorities, including, but not limited to:

Pertinent Non-Discrimination Authorities:

- Title VI of the Civil Rights Act of 1964 (42 U.S.C. § 2000d et seq., 78 stat. 252), prohibits discrimination on the basis of race, color, national origin); and 49 CFR Part 21.
- The Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, (42 U.S.C. § 4601), (prohibits unfair treatment of persons displaced or whose property has been acquired because of Federal or Federal-aid programs and projects).

COST-PLUS-FIXED FEE OR LUMP SUM OR FIRM FIXED PRICE CONTRACTS

(CALCULATIONS FOR ANTICIPATED SALARY INCREASES)

1. Calculate Average Hourly Rate for 1st year of the contract (Direct Labor Subtotal divided by total hours)

Direct Labor Subtotal per Cost Proposal	Total Hours per Cost Proposal		Avg Hourly Rate	**5 Year Contract Duration**
$250,000.00	5000	=	$50.00	Year 1 Avg Hourly Rate

2. Calculate hourly rate for all years (Increase the Average Hourly Rate for a year by proposed escalation %)

	Avg Hourly Rate		Proposed Escalation			
Year 1	$50.00	+	2%	=	$51.00	Year 2 Avg Hourly Rate
Year 2	$51.00	+	2%	=	$52.02	Year 3 Avg Hourly Rate
Year 3	$52.02	+	2%	=	$53.06	Year 4 Avg Hourly Rate
Year 4	$53.06	+	2%	=	$54.12	Year 5 Avg Hourly Rate

3. Calculate estimated hours per year (Multiply estimate % each year by total hours)

	Estimated % Completed Each Year		Total Hours per Cost Proposal		Total Hours per Year	
Year 1	20.0%	*	5000	=	1000	Estimated Hours Year 1
Year 2	40.0%	*	5000	=	2000	Estimated Hours Year 2
Year 3	15.0%	*	5000	=	750	Estimated Hours Year 3
Year 4	15.0%	*	5000	=	750	Estimated Hours Year 4
Year 5	10.0%	*	5000	=	500	Estimated Hours Year 5
Total	100%		Total	=	5000	

4. Calculate Total Costs including Escalation (Multiply Average Hourly Rate by the number of hours)

	Avg Hourly Rate (calculated above)		Estimated hours (calculated above)		Cost per Year	
Year 1	$50.00	*	1000	=	$50,000.00	Estimated Hours Year 1
Year 2	$51.00	*	2000	=	$102,000.00	Estimated Hours Year 2
Year 3	$52.02	*	750	=	$39,015.00	Estimated Hours Year 3
Year 4	$53.06	*	750	=	$39,795.30	Estimated Hours Year 4
Year 5	$54.12	*	500	=	$27,060.80	Estimated Hours Year 5
	Total Direct Labor Cost with Escalation			=	$257,871.10	
	Direct Labor Subtotal before Escalation			=	$250,000.00	
	Estimated total of Direct Labor Salary Increase			=	**$7,871.10**	Transfer to Page 1

NOTES:

1. This is not the only way to estimate salary increases. Other methods will be accepted if they clearly indicate the % increase, the # of years of the contract, and a breakdown of the labor to be performed each year.
2. An estimation that is based on direct labor multiplied by salary increase % multiplied by the # of years is not acceptable. (i.e. $250,000 x 2% x 5 yrs = $25,000 is not an acceptable methodology)
3. This assumes that one year will be worked at the rate on the cost proposal before salary increases are granted.
4. Calculations for anticipated salary escalation must be provided.

Certification of Direct Costs:

I, the undersigned, certify to the best of my knowledge and belief that all direct costs identified on the cost proposal(s) in this contract are actual, reasonable, allowable, and allocable to the contract in accordance with the contract terms and the following requirements:

1. Generally Accepted Accounting Principles (GAAP)
2. Terms and conditions of the contract
3. Title 23 United States Code Section 112 - Letting of Contracts
4. 48 Code of Federal Regulations Part 31 - Contract Cost Principles and Procedures
5. 23 Code of Federal Regulations Part 172 - Procurement, Management, and Administration of Engineering and Design Related Service
6. 48 Code of Federal Regulations Part 9904 - Cost Accounting Standards Board (when applicable)

All costs must be applied consistently and fairly to all contracts. All documentation of compliance must be retained in the project files and be in compliance with applicable federal and state requirements. Costs that are noncompliant with the federal and state requirements are not eligible for reimbursement. Local governments are responsible for applying only cognizant agency approved or Caltrans accepted Indirect Cost Rate(s).

EXHIBIT 10-K CONSULTANT ANNUAL CERTIFICATION OF INDIRECT COSTS AND FINANCIAL MANAGEMENT SYSTEM

(Note: If a Safe Harbor Indirect Cost Rate is approved, this form is not required.)

Consultant's Full Legal Name: _____

Important: Consultant means the individual or consultant providing engineering and design related services as a party of a contract with a recipient or sub-recipient of Federal assistance. Therefore, the Indirect Cost Rate(s) shall not be combined with its parent company or subsidiaries.

Indirect Cost Rate:

Combined Rate _____ **% OR**

Home Office Rate_____% and Field Office Rate (if applicable)_____%

Facilities Capital Cost of Money_____% (if applicable)

Fiscal period *_____

* Fiscal period is annual one year applicable accounting period that the Indirect Cost Rate was developed (not the contract period). The Indirect Cost Rate is based on the consultant's one-year applicable accounting period for which financial statements are regularly prepared by the consultant.

I have reviewed the proposal to establish an Indirect Cost Rate(s) for the **fiscal period** as specified above and have determined to the best of my knowledge and belief that:

- All costs included in the cost proposal to establish the indirect cost rate(s) are allowable in accordance with the cost principles of the Federal Acquisition Regulation (FAR) 48, Code of Federal Regulations (CFR), Chapter 1, Part 31 (48 CFR Part 31);
- The cost proposal does not include any costs which are expressly unallowable under the cost principles of 48 CFR Part 31;
- The accounting treatment and billing of prevailing wage delta costs are consistent with our prevailing wage policy as either direct labor, indirect costs, or other direct costs on all federally-funded A&E Consultant Contracts.
- All known material transactions or events that have occurred subsequent to year-end affecting the consultant's ownership, organization, and indirect cost rates have been disclosed as of the date of this certification.

I am providing the required and applicable documents as instructed on Exhibit 10-A.

Financial Management System:

Our labor charging, job costing, and accounting systems meet the standards for financial reporting, accounting records, and internal control adequate to demonstrate that costs claimed have been incurred, appropriately accounted for, are allocable to the contract, and comply with the federal requirements as set forth in Title 23 United States Code (U.S.C.) Section 112(b)(2); 48 CFR Part 31.201-2(d); 23 CFR, Chapter 1, Part 172.11(a)(2); and all applicable state and federal rules and regulations.

Our financial management system has the following attributes:

- Account numbers identifying allowable direct, indirect, and unallowable cost accounts;
- Ability to accumulate and segregate allowable direct, indirect, and unallowable costs into separate cost

Docusign Envelope ID: DBBA609D-C816-4F6C-8EAF-2F301C2451CA

accounts;

- Ability to accumulate and segregate allowable direct costs by project, contract and type of cost;
- Internal controls to maintain integrity of financial management system;
- Ability to account and record costs consistently and to ensure costs billed are in compliance with FAR;
- Ability to ensure and demonstrate costs billed reconcile to general ledgers and job costing system; and
- Ability to ensure costs are in compliance with contract terms and federal and state requirement

Cost Reimbursements on Contracts:

I also understand that failure to comply with 48 CFR Part 16.301-3 or knowingly charge unallowable costs to Federal-Aid Highway Program (FAHP) contracts may result in possible penalties and sanctions as provided by the following:

- Sanctions and Penalties - 23 CFR Part 172.11(c)(4)
- False Claims Act - Title 31 U.S.C. Sections 3729-3733
- Statements or entries generally - Title 18 U.S.C. Section 1001
- Major Fraud Act - Title 18 U.S.C. Section 1031

All A&E Contract Information:

- Total participation amount $_____ on all State and FAHP contracts for Architectural & Engineering services that the consultant received in the last three fiscal periods.
- The number of states in which the consultant does business is_____.
- Years of consultant's experience with 48 CFR Part 31 is_____.
- Audit history of the consultant's current and prior years (if applicable)

☐ Cognizant ICR Audit ☐ Local Gov't ICR Audit ☐ Caltrans ICR Audit
☐ CPA ICR Audit ☐ Federal Gov't ICR Audit

I, the undersigned, certify all of the above to the best of my knowledge and belief and that I have reviewed the Indirect Cost Rate Schedule to determine that any costs which are expressly unallowable under the Federal cost principles have been removed and comply with Title 23 U.S.C. Section 112(b)(2), 48 CFR Part 31, 23 CFR Part 172, and all applicable state and federal rules and regulations. I also certify that I understand that all documentation of compliance must be retained by the consultant. I hereby acknowledge that costs that are noncompliant with the federal and state requirements are not eligible for reimbursement and must be returned to Caltrans.

INSTRUCTIONS FOR COMPLETING EXHIBIT 10-Q DISCLOSURE OF LOBBYING ACTIVITIES

This disclosure form shall be completed by the reporting entity, whether subawardee or prime federal recipient at the initiation or receipt of covered federal action or a material change to previous filing pursuant to title 31 U.S.C. Section 1352. The filing of a form is required for such payment or agreement to make payment to lobbying entity for influencing or attempting to influence an officer or employee of any agency, a Member of Congress an officer or employee of Congress or an employee of a Member of Congress in connection with a covered federal action. Attach a continuation sheet for additional information if the space on the form is inadequate. Complete all items that apply for both the initial filing and material change report. Refer to the implementing guidance published by the Office of Management and Budget for additional information.

1. Identify the type of covered federal action for which lobbying activity is or has been secured to influence, the outcome of a covered federal action.
2. Identify the status of the covered federal action.
3. Identify the appropriate classification of this report. If this is a follow-up report caused by a material change to the information previously reported, enter the year and quarter in which the change occurred. Enter the date of the last, previously submitted report by this reporting entity for this covered federal action.
4. Enter the full name, address, city, state, and zip code of the reporting entity. Include Congressional District if known. Check the appropriate classification of the reporting entity that designates if it is or expects to be a prime or subaward recipient. Identify the tier of the subawardee, e.g., the first subawardee of the prime is the first tier. Subawards include but are not limited to: subcontracts, subgrants, and contract awards under grants.
5. If the organization filing the report in Item 4 checks "Subawardee" then enter the full name, address, city, state, and zip code of the prime federal recipient. Include Congressional District, if known.
6. Enter the name of the federal agency making the award or loan commitment. Include at least one organization level below agency name, if known. For example, Department of Transportation, United States Coast Guard.
7. Enter the federal program name or description for the covered federal action (item 1). If known, enter the full Catalog of Federal Domestic Assistance (CFDA) number for grants, cooperative agreements, loans and loan commitments.
8. Enter the most appropriate federal identifying number available for the federal action identification in item 1 (e.g., Request for Proposal (RFP) number, Invitation for Bid (IFB) number, grant announcement number, the contract grant. or loan award number, the application/proposal control number assigned by the federal agency). Include prefixes, e.g., "RFP-DE-90-001."
9. For a covered federal action where there has been an award or loan commitment by the Federal agency, enter the federal amount of the award/loan commitments for the prime entity identified in item 4 or 5.
10. Enter the full name, address, city, state, and zip code of the lobbying entity engaged by the reporting entity identified in Item 4 to influence the covered federal action.
11. Enter the full names of the individual(s) performing services and include full address if different from 10 (a). Enter Last Name, First Name and Middle Initial (MI).
12. Enter the amount of compensation paid or reasonably expected to be paid by the reporting entity (Item 4) to the lobbying entity (Item 10). Indicate whether the payment has been made (actual) or will be made (planned). Check all boxes that apply. If this is a material change report, enter the cumulative amount of payment made or planned to be made.
13. Check all boxes that apply. If payment is made through an in-kind contribution, specify the nature and value of the in-kind payment.
14. Check all boxes that apply. If other, specify nature.
15. Provide a specific and detailed description of the services that the lobbyist has performed or will be expected to perform and the date(s) of any services rendered. Include all preparatory and related activity not just time spent in actual contact with federal officials. Identify the federal officer(s) or employee(s) contacted or the officer(s) employee(s) or Member(s) of Congress that were contacted.
16. Check whether or not a continuation sheet(s) is attached.
17. The certifying official shall sign and date the form, and print his/her name title and telephone number.

under this Agreement that is required by law to be performed or supervised by licensed personnel shall be performed in accordance with such licensing requirements.

5.03. CONTRACTOR shall furnish, at its own expense, all materials, equipment, and personnel necessary to carry out the terms of this Agreement, except as otherwise specified in this Agreement. CONTRACTOR shall not use County premises, property (including equipment, instruments, or supplies) or personnel for any purpose other than in the performance of its obligations under this Agreement.

6. PAYMENT CONDITIONS.

6.01. CONTRACTOR shall submit to the Contract Administrator an invoice on a form acceptable to County. If not otherwise specified, the CONTRACTOR may submit such invoice periodically or at the completion of services, but in any event, not later than 30 days after completion of services. The invoice shall set forth the amounts claimed by CONTRACTOR for the previous period, together with an itemized basis for the amounts claimed, and such other information pertinent to the invoice as the County may require. The Contract Administrator or his or her designee shall certify the invoice; either in the requested amount or in such other amount as the County approves in conformity with this Agreement, and shall promptly submit such invoice to the County Auditor-Controller for payment. The County Auditor-Controller shall pay the amount certified within 30 days of receiving the certified invoice.

6.02. CONTRACTOR shall not receive reimbursement for travel expenses unless set forth in this Agreement.

7. TERMINATION.

7.01. During the term of this Agreement, the County may terminate the Agreement for any reason by giving written notice of termination to the CONTRACTOR at least thirty (30) days prior to the effective date of termination. Such notice shall set forth the effective date of termination. In the event of such termination, the amount payable under this Agreement shall be reduced in proportion to the services provided prior to the date of termination.

7.02. The County may cancel and terminate this Agreement for good cause effective immediately upon written notice to CONTRACTOR. "Good cause" includes the failure of CONTRACTOR to perform the required services at the time and in the manner provided under this Agreement. If County terminates this Agreement for good cause, the County may be relieved of the payment of any consideration to CONTRACTOR, and the County may proceed with the work in any manner, which County deems proper. The cost to the County shall be deducted from any sum due the CONTRACTOR under this Agreement.

8. INDEMNIFICATION.

8.01 For purposes of the following indemnification provisions ("Indemnification Agreement"), "design professional" has the same meaning as set forth in California Civil Code section 2782.8. If any term, provision or application of this Indemnification Agreement is found to be invalid, in violation of public policy or unenforceable to any extent, such finding shall not invalidate any other term or provision of this Indemnification Agreement and such other terms and provisions

Docusign Envelope ID: 06ECB58F-CEDA-4E27-A7CE-FBF5AC4E283C

shall continue in full force and effect. If there is any conflict between the terms, provisions or application of this Indemnification Agreement and the provisions of California Civil Code Sections 2782 or 2782.8, the broadest indemnity protection for County under this Indemnity Agreement that is permitted by law shall be provided by CONTRACTOR.

8.02 Indemnification for Design Professional Services Claims:
CONTRACTOR shall indemnify, defend and hold harmless County, its governing board, directors, officers, employees, and agents against any claims that arise out of, or pertain to, or relate to the negligence, recklessness, or willful misconduct of CONTRACTOR, its employees, subcontractors, and agents in the performance of design professional services under this Agreement, excepting only liability arising from the sole negligence, active negligence or willful misconduct of County, or defect in a design furnished by County, but in no event shall the amount of such CONTRACTOR's liability exceed such CONTRACTOR's proportionate percentage of fault as determined by a court, arbitrator or mediator, or as set out in a settlement agreement. In the event one (1) or more defendants to any action involving such claim or claims against County is unable to pay its share of defense costs due to bankruptcy or dissolution of the business, such CONTRACTOR shall meet and confer with the other parties to such action regarding unpaid defense costs.

8.03 Indemnification for All Other Claims or Loss:
For any claim, loss, injury, damage, expense or liability other than claims arising out of CONTRACTOR's performance of design professional services under this Agreement, CONTRACTOR shall indemnify, defend and hold harmless County, its governing board, directors, officers, employees, and agents against any claim for loss, injury, damage, expense or liability resulting from or alleging injury to or death of any person or loss of use of or damage to property, arising from or related to the performance of services under this Agreement by CONTRACTOR, its employees, subcontractors or agents, excepting only liability arising from the sole negligence, active negligence or willful misconduct of County, or defect in a design furnished by County.

9. INSURANCE.

9.01 Evidence of Coverage:
Prior to commencement of this Agreement, the Contractor shall provide a "Certificate of Insurance" certifying that coverage as required herein has been obtained. Individual endorsements executed by the insurance carrier shall accompany the certificate. In addition, the Contractor upon request shall provide a certified copy of the policy or policies.

This verification of coverage shall be sent to the County's Contracts/Purchasing Division, unless otherwise directed. The CONTRACTOR shall not receive a "Notice to Proceed" with the work under this Agreement until it has obtained all insurance required and such, insurance has been approved by the County. This approval of insurance shall neither relieve nor decrease the liability of the CONTRACTOR.

9.02 Qualifying Insurers:
All coverages, except surety, shall be issued by companies which hold a current policy holder's alphabetic and financial size category rating of not less than A VII, according to the current A.M.

Docusign Envelope ID: 06ECB58F-CEDA-4E27-A7CE-FBF5AC4E283C

Best's Rating Guide or a company of equal financial stability that is approved by the County's Purchasing Agent.

9.03 Insurance Coverage Requirements: Without limiting CONTRACTOR's duty to indemnify, CONTRACTOR shall maintain in effect throughout the term of this Agreement a policy or policies of insurance with the following minimum limits of liability:

Auto Liability Coverage: must include motor vehicles, including scheduled, non-owned, and hired vehicles, used in providing services under this Agreement, with a combined single limit or Bodily Injury and Property Damage of not less than $1,000,000 per occurrence.

(Note: any proposed modifications to these auto insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in blue ink. All proposed modifications are subject to County approval.)

Workers' Compensation Insurance, if CONTRACTOR employs others in the performance of this Agreement, in accordance with California Labor Code section 3700 and with Employer's Liability limits not less than $1,000,000 each person, $1,000,000 each accident and $1,000,000 each disease.

(Note: any proposed modifications to these workers' compensation insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in blue ink. All proposed modifications are subject to County approval.)

Professional Liability Insurance: if required for the professional services being provided, (e.g., those persons authorized by a license to engage in a business or profession regulated by the California Business and Professions Code), in the amount of not less than $1,000,000 per claim and $2,000,000 in the aggregate, to cover liability for malpractice or errors or omissions made in the course of rendering professional services. If professional liability insurance is written on a "claims-made" basis rather than an occurrence basis, the CONTRACTOR shall, upon the expiration or earlier termination of this Agreement, obtain extended reporting coverage ("tail coverage") with the same liability limits. Any such tail coverage shall continue for at least three years following the expiration or earlier termination of this Agreement.

(Note: Professional liability insurance coverage is required if the contractor is providing a professional service regulated by the state. Examples of service providers regulated by the state are insurance agents, professional architects and engineers, doctors, certified public accountants, lawyers, etc. However, other professional Contractors, such as computer or software designers, technology services, and services providers such as claims administrators, should also have professional liability. If in doubt, consult with your risk or contract manager.)

Additional Insured Status:

The County of Monterey, its officers, officials, employees, agents, and volunteers are to be covered as additional insureds on the auto liability policy for liability arising out of automobiles owned, leased, hired or borrowed by or on behalf of the Contractor. Auto liability coverage shall be provided in the form of an endorsement to the CONTRACTOR'S insurance.

The County of Monterey, its officers, officials, employees, agents, and volunteers are to be covered as additional insureds on the commercial general liability policy with respect to liability arising out of work or operations performed by or on behalf of the CONTRACTOR including materials, parts, or equipment furnished in connection with such work or operations. General liability coverage shall be provided in the form of an endorsement to the CONTRACTOR'S insurance (at least as broad as ISO Form CG 20 10 11 85 or if not available, through the addition of both CG 20 10, CG 20 26, CG 20 33, or CG 20 38; and CG 20 37 if a later edition is used).

Primary Coverage:

For any claims related to this contract, the CONTRACTOR'S insurance coverage shall be primary and non-contributory and at least as broad as ISO CG 20 01 04 13 as respects the County, its officers, officials, employees, agents, and volunteers. Any insurance or self-insurance maintained by the County, its officers, officials, employees, agents, or volunteers shall be excess of the CONTRACTOR'S insurance and shall not contribute with it. This requirement shall also apply to any Excess or Umbrella liability policies.

Workers' Compensation Waiver of Subrogation:

The workers' compensation policy required hereunder shall be endorsed to state that the workers' compensation carrier waives its right of subrogation against COUNTY, its officers, officials, employees, agents, or volunteers, which might arise by reason of payment under such policy in connection with performance under this Agreement by CONTRACTOR. Should CONTRACTOR be self-insured for workers' compensation, CONTRACTOR hereby agrees to waive its right of subrogation against COUNTY, its officers, officials, employees, agents, or volunteers.

Docusign Envelope ID: 06ECB58F-CEDA-4E27-A7CE-FBF5AC4E283C

Prior to the execution of this Agreement by the County, CONTRACTOR shall file certificates of insurance and endorsements with the County's contract administrator and County's Contracts/Purchasing Division, showing that the CONTRACTOR has in effect the insurance required by this Agreement. The CONTRACTOR shall file a new or amended certificate of insurance within five calendar days after any change is made in any insurance policy, which would alter the information on the certificate then on file. Acceptance or approval of insurance shall in no way modify or change the indemnification clause in this Agreement, which shall continue in full force and effect. CONTRACTOR shall always during the term of this Agreement maintain in force the insurance coverage required under this Agreement and shall send, without demand by County, annual certificates to County's Contract Administrator and County's Contracts/Purchasing Division. If the certificate is not received by the expiration date, County shall notify CONTRACTOR and CONTRACTOR shall have five calendar days to send in the certificate, evidencing no lapse in coverage during the interim. Failure by CONTRACTOR to maintain such insurance is a default of this Agreement, which entitles County, at its sole discretion, to terminate this Agreement immediately.

10. **RECORDS AND CONFIDENTIALITY.**

10.01 Confidentiality. CONTRACTOR and its officers, employees, agents, and subcontractors shall comply with any and all federal, state, and local laws, which provide for the confidentiality of records and other information. CONTRACTOR shall not disclose any confidential records or other confidential information received from the County or prepared in connection with the performance of this Agreement, unless County specifically permits CONTRACTOR to disclose such records or information. CONTRACTOR shall promptly transmit to County any and all requests for disclosure of any such confidential records or information. CONTRACTOR shall not use any confidential information gained by CONTRACTOR in the performance of this Agreement except for the sole purpose of carrying out CONTRACTOR's obligations under this Agreement.

10.02 County Records. When this Agreement expires or terminates, CONTRACTOR shall return to County any County records which CONTRACTOR used or received from County to perform services under this Agreement.

10.03 Maintenance of Records. CONTRACTOR shall prepare, maintain, and preserve all reports and records that may be required by federal, state, and County rules and regulations related to services performed under this Agreement. CONTRACTOR shall maintain such records for a period of at least three years after receipt of final payment under this Agreement. If any litigation, claim, negotiation, audit exception, or other action relating to this Agreement is pending at the end of the three-year period, then CONTRACTOR shall retain said records until such action is resolved.

10.04 Access to and Audit of Records. The County shall have the right to examine, monitor and audit all records, documents, conditions, and activities of the CONTRACTOR and its subcontractors related to services provided under this Agreement. Pursuant to Government Code section 8546.7, if this Agreement involves the expenditure of public funds in excess of $10,000, the parties to this Agreement may be subject, at the request of the County or as part of any audit of the County, to the examination and audit of the State Auditor pertaining to matters connected with the performance of this Agreement for a period of three years after final payment under the Agreement.

Docusign Envelope ID: 06ECB58F-CEDA-4E27-A7CE-FBF5AC4E283C

10.05 Royalties and Inventions. County shall have a royalty-free, exclusive and irrevocable license to reproduce, publish, and use, and authorize others to do so, all original computer programs, writings, sound recordings, pictorial reproductions, drawings, and other works of similar nature produced in the course of or under this Agreement. CONTRACTOR shall not publish any such material without the prior written approval of County.

10.06 Format of Deliverables: For this section, "Deliverables" shall mean all electronic documents CONTRACTOR provides to the County under this Agreement. CONTRACTOR shall ensure all Deliverables comply with the requirements of the Web Content Accessibility Guidelines ("WCAG") 2.1, pursuant to the Americans with Disabilities Act ("ADA"). CONTRACTOR bears the burden to deliver Deliverables, such as Adobe Acrobat Portable Document Format ("PDF") and Microsoft Office files, complying with WCAG 2.1. CONTRACTOR shall defend and indemnify the County against any breach of this Section. This Section shall survive the termination of this Agreement. Find more on Accessibility at this State website: https://webstandards.ca.gov/accessibility/.

11. **NON-DISCRIMINATION.** During the performance of this Agreement, CONTRACTOR, and its subcontractors, shall not unlawfully discriminate against any person because of race, religious creed, color, sex, national origin, ancestry, physical disability, mental disability, medical condition, marital status, age (over 40), sexual orientation, or any other characteristic set forth in California Government code § 12940(a), either in CONTRACTOR's employment practices or in the furnishing of services to recipients. CONTRACTOR shall ensure that the evaluation and treatment of its employees and applicants for employment and all persons receiving and requesting services are free of such discrimination. CONTRACTOR and any subcontractor shall, in the performance of this Agreement, fully comply with all federal, state, and local laws and regulations which prohibit discrimination. The provision of services primarily or exclusively to such target population as may be designated in this Agreement shall not be deemed to be prohibited discrimination.

12. **COMPLIANCE WITH TERMS OF STATE OR FEDERAL GRANT.** If this Agreement has been or will be funded with monies received by the County pursuant to a contract with the state or federal government in which the County is the grantee, CONTRACTOR will comply with all the provisions of said contract, to the extent applicable to CONTRACTOR as a subgrantee under said contract, and said provisions shall be deemed a part of this Agreement, as though fully set forth herein. Upon request, County will deliver a copy of said contract to CONTRACTOR, at no cost to CONTRACTOR.

13. **COMPLIANCE WITH APPLICABLE LAWS.**

13.01 CONTRACTOR shall keep itself informed of and in compliance with all federal, state, and local laws, ordinances, regulations, and orders, including but not limited to all state and federal tax laws that may affect in any manner the Project or the performance of the Services or those engaged to perform Services under this Agreement as well as any privacy laws including, if applicable, Health Insurance Portability and Accountability Act (HIPAA). CONTRACTOR shall procure all permits and licenses, pay all charges and fees, and give all notices require by law in the performance of the Services.

Docusign Envelope ID: 06ECB58F-CEDA-4E27-A7CE-FBF5AC4E283C

13.02 CONTRACTOR shall report immediately to County's Contracts/Purchasing Officer, in writing, any discrepancy or inconsistency it discovers in the laws, ordinances, regulations, orders, and/or guidelines in relation to the Project of the performance of the Services.

13.03 All documentation prepared by CONTRACTOR shall provide for a completed project that conforms to all applicable codes, rules, regulations, and guidelines that are in force at the time such documentation is prepared.

14. **INDEPENDENT CONTRACTOR.** In the performance of work, duties, and obligations under this Agreement, CONTRACTOR is at all times acting and performing as an independent contractor and not as an employee of the County. No offer or obligation of permanent employment with the County or particular County department or agency is intended in any manner, and CONTRACTOR shall not become entitled by virtue of this Agreement to receive from County any form of employee benefits including but not limited to sick leave, vacation, retirement benefits, workers' compensation coverage, insurance or disability benefits. CONTRACTOR shall be solely liable for and obligated to pay directly all applicable taxes, including federal and state income taxes and social security, arising out of CONTRACTOR's performance of this Agreement. In connection therewith, CONTRACTOR shall defend, indemnify, and hold County harmless from any and all liability, which County may incur because of CONTRACTOR's failure to pay such taxes.

15. **NOTICES.** Notices required under this Agreement shall be delivered personally or by first-class, postage pre-paid mail to the County and CONTRACTOR's Contract Administrators at the addresses listed below:

16. **MISCELLANEOUS PROVISIONS.**

16.01 Conflict of Interest. CONTRACTOR represents that it presently has no interest and agrees not to acquire any interest during the term of this Agreement, which would directly or indirectly conflict in any manner or to any degree with the full and complete performance of the professional services required to be rendered under this Agreement.

16.02 Amendment. This Agreement may be amended or modified only by an instrument in writing signed by the County and the CONTRACTOR.

16.03 Waiver. Any waiver of any terms and conditions of this Agreement must be in writing and signed by the County and the CONTRACTOR. A waiver of any of the terms and conditions of this Agreement shall not be construed as a waiver of any other terms or conditions in this Agreement.

Docusign Envelope ID: 06ECB58F-CEDA-4E27-A7CE-FBF5AC4E283C

16.04 Contractor. The term "CONTRACTOR" as used in this Agreement includes CONTRACTOR's officers, agents, and employees acting on CONTRACTOR's behalf in the performance of this Agreement.

16.05 Disputes. CONTRACTOR shall continue to perform under this Agreement during any dispute.

16.06 Assignment and Subcontracting. The CONTRACTOR shall not assign, sell, or otherwise transfer its interest or obligations in this Agreement without the prior written consent of the County. None of the services covered by this Agreement shall be subcontracted without the prior written approval of the County. Notwithstanding any such subcontract, CONTRACTOR shall continue to be liable for the performance of all requirements of this Agreement.

16.07 Successors and Assigns. This Agreement and the rights, privileges, duties, and obligations of the County and CONTRACTOR under this Agreement, to the extent assignable or delegable, shall be binding upon and inure to the benefit of the parties and their respective successors, permitted assigns, and heirs.

16.08 Headings. The headings are for convenience only and shall not be used to interpret the terms of this Agreement.

16.09 Time is of the Essence. Time is of the essence in each and all of the provisions of this Agreement.

16.10 Governing Law. This Agreement shall be governed by and interpreted under the laws of the State of California.

16.11 Non-exclusive Agreement. This Agreement is non-exclusive and both County and CONTRACTOR expressly reserve the right to contract with other entities for the same or similar services.

16.12 Construction of Agreement. The County and CONTRACTOR agree that each party has fully participated in the review and revision of this Agreement and that any rule of construction to the effect that ambiguities are to be resolved against the drafting party shall not apply in the interpretation of this Agreement or any amendment to this Agreement.

16.13 Authority. Any individual executing this Agreement on behalf of the County or the CONTRACTOR represents and warrants hereby that he or she has the requisite authority to enter into this Agreement on behalf of such party and bind the party to the terms and conditions of this Agreement.

16.14 Integration. This Agreement, including the exhibits, represent the entire Agreement between the County and the CONTRACTOR with respect to the subject matter of this Agreement and shall supersede all prior negotiations, representations, or agreements, either written or oral, between the County and the CONTRACTOR as of the effective date of this Agreement, which is the date that the County signs the Agreement.

Docusign Envelope ID: 06ECB58F-CEDA-4E27-A7CE-FBF5AC4E283C

16.15 Interpretation of Conflicting Provisions. In the event of any conflict or inconsistency between the provisions of this Agreement and the Provisions of any exhibit or other attachment to this Agreement, the provisions of this Agreement shall prevail and control.

16.16 Independent Contractor Compliance with Government Code Section 1097.6 (c). This section applies to those situations when a contractor/consultant is awarded a Contract for a preliminary phase of a project, with future phases to be bid separately. This section does not apply to those situations when a Contract is awarded for multiple phases of a project under a single contract/proposal. When applicable, and as described below, contractor/consultant's duties and services under this agreement shall not include preparing or assisting the public entity with any portion of the public entity's preparation of a request for proposals, request for qualifications, or any other solicitation regarding a subsequent or additional contract with the public entity. The public entity entering this agreement shall at all times retain responsibility for public contracting, including with respect to any subsequent phase of this project. Contractor/consultant's participation in the planning, discussions, or drawing of project plans or specifications shall be limited to conceptual, preliminary, or initial plans or specifications. Contractor/consultant shall cooperate with the public entity to ensure that all bidders for a subsequent contract on any subsequent phase of this project have access to the same information, including all conceptual, preliminary, or initial plans or specifications prepared by contractor pursuant to this agreement.

17. **CONSENT TO USE OF ELECTRONIC SIGNATURES**.

17.01 The parties to this Agreement consent to the use of electronic signatures via DocuSign to execute this Agreement. The parties understand and agree that the legality of electronic signatures is governed by state and federal law, 15 USC Section 7001 *et seq*.; California Government Code Section 16.5; and, California Civil Code Section 1633.1 *et seq.* Pursuant to said state and federal law as may be amended from time to time, the parties to this Agreement hereby authenticate and execute this Agreement, and any and all Exhibits to this Agreement, with their respective electronic signatures, including any and all scanned signatures in portable document format (PDF).

17.02 Counterparts. The parties to this Agreement understand and agree that this Agreement can be executed in two (2) or more counterparts and transmitted electronically via facsimile transmission or by delivery of a scanned counterpart in PDF via email transmittal.

17.03 Form: Delivery by E-Mail or Facsimile. Executed counterparts of this Agreement may be delivered by facsimile transmission or by delivery of a scanned counterpart in PDF by e-mail transmittal, in either case with delivery confirmed. On such confirmed delivery, the signatures in the facsimile or PDF data file shall be deemed to have the same force and effect as if the manually signed counterpart or counterparts had been delivered to the other party in person.

EXHIBIT A - SCOPE OF SERVICES/PAYMENT PROVISIONS

To Agreement by and between
County of Monterey, hereinafter referred to as "County"
and
MNS Engineers, Inc., hereinafter referred to as "CONTRACTOR"

A. SCOPE OF SERVICES

A.1 CONTRACTOR shall provide services and staff, and otherwise do all things necessary for or incidental to the performance of work, as set forth below:

A.1.1 CONTRACTOR's Minimum Work Performance Percentage: CONTRACTOR shall perform with their own organization Agreement work amounting to not less than fifty percent (50%) of the original total Agreement price. CONTRACTOR shall not assign, subcontract, sell, or otherwise transfer its interest or obligations in this Agreement without the prior written consent of County.

A.1.2 The scope of services includes in general construction management and engineering inspection services for various construction projects within the County. The construction projects include the repair and upgrade of existing roadways, drainage facilities, and traffic control devices.

A.1.3 The broad scope requires a diversity of expertise and the ability to deal with a number of specialized construction contract issues. Of particular concern are the qualifications and experience of the individual(s) who will be directly involved in the project(s), as they relate to the California Department of Transportation (Caltrans).

A.1.4 The construction management effort shall include, but not be limited to, the following services and requirements:

Contract Administration:
Provide overall coordination of construction management services, including supervision of contract administration, labor compliance, Disadvantaged Business Enterprise (DBE) programs, field observations and outside services. Attend regularly scheduled project meetings with County or CONTRACTOR representatives to review the progress of the work, resolve field problems as they occur, and perform project related public relations with the public and outside agencies such as the United States Army Corps of Engineers (USACE) and the California Department of Fish and Wildlife (CDFW).

General Inspection:
Provide daily inspections and supervision of the work of the construction contractor's operations as construction progresses and promptly report and resolve problems regarding performance and/or conformity with the drawings and specifications, including contract administration and construction engineering of

Docusign Envelope ID: 06ECB58F-CEDA-4E27-A7CE-FBF5AC4E283C

the assigned project. Assist County Resident Engineer in managing construction operations. In accordance with the State Standard Specifications and Special Provisions, ensure that all utility work is coordinated with the appropriate utility company and that all the appropriate permits and inspections are obtained for all items of work.

Change Orders:
In accordance with State Standard Specifications, Special Provisions, and County format, prepare, process, and make recommendations on change orders. County will approve all change orders which are acceptable to County.

Surveying:
Coordinate and supervise construction surveying and staking. Construction staking is to be included in the services provided by CONTRACTOR.

Material Testing:
Coordinate, interpret, certify, and supervise all required soils and material tests in accordance with Caltrans test methods and Standard Specifications. CONTRACTOR shall provide County with a Caltrans certified material testing company to provide material testing services per Caltrans Standard Specifications.

Test Data:
Review and approve copies of certificates of compliance, independent testing laboratory reports, and manufacturer's shop or mill tests to ensure conformance with contract specifications.

Plan Interpretation:
With the assistance of County Resident Engineer, as needed, to interpret the intent of the plans and specifications to protect County against defects and deficiencies in construction on the part of the construction contractor.

Pre-Construction Conference:
Assist in the pre-construction meeting with construction contractor and other project participants. This discussion affords all the parties of the construction contract a common understanding of the proposed work and problems, and possible solutions that may be expected during the life of the construction contract. Labor compliance, equal employment opportunity, safety requirements, water pollution requirements, agreements, and permits shall also be discussed. Respond to questions construction contractor may have and address issues that need to be resolved before work commences.

Safety and Accidents:
Assume the duties of the Project Safety Coordinator. Ensure construction contractor complies with all safety orders, Federal and State, and permits through normal contract administration procedures. Document all incidents with

Docusign Envelope ID: 06ECB58F-CEDA-4E27-A7CE-FBF5AC4E283C

photographs and written reports. Manage safety precautions through construction contractor for the public in construction areas.

Approval Schedule:
Prepare a schedule (using Microsoft Project) indicating all items that will be submitted by construction contractor for review and approval requiring action by County. Furnish appropriate forms, as necessary, and monitor the construction contractor's adherence to the schedule.

False Work and Shop Drawings:
Keep records, provide timely engineering review, and prepare written recommendations certifying the adequacy of construction contractor's submittal for false work as well as construction of false work. Coordinate, document, and make engineering recommendations in writing on approval of shop drawings. Final submittal approvals shall be made in consultation with County.

Progress Statements:
Prepare and provide monthly progress statements meeting County requirements including the following: monthly estimates on all items of work with source documents to verify progress payments. Submit weekly copies of daily diaries to County. Submit a copy of the baseline progress schedule and monthly updates as required by the Special Provisions.

Final Walk-through and Final Inspection:
Conduct project walk-through prior to completion of construction. Minutes of this walk-through shall be completed by CONTRACTOR and a copy shall be sent to County. The final walk-through list of attendees shall be coordinated with County. CONTRACTOR shall complete a final inspection of the project and complete the required Final Report forms.

As-Built Plans:
Provide County with an electronic as-built plan file complete with redline changes or corrections. Such plans will be based upon information obtained from field measurements and observations made during project construction and approved contract change orders. The electronic signature and seal of the responsible Registered Resident Engineer or Construction Engineer will be placed in the file on Level 62 (refer to "Highway Design and Topography Information" on Page 2.5-2 of the *Caltrans Computer Aided Design & Drafting (CADD) User's Manual*).

Contract Records:
At the completion of the project, submit the original set of construction books to County cataloged in accordance with Chapter 5, Section 5-102, "Organization of Project Documents," of the *Caltrans Construction Manual* and as directed by County. These records shall include all correspondence, meeting minutes, photographs, agreements, hazardous waste material information and tests, labor

compliance, contract administration forms, bridge work, diaries, contract item quantity documents, contract change orders, project status sheets, project record-estimate and project status, disputes, project completion documents, etc.

A.1.5 Services shall be provided on an on-call basis. County shall contact CONTRACTOR with regards to an individual task and/or project. CONTRACTOR shall then submit a detailed proposal that shall include at minimum assigned CONTRACTOR staff, relevant task, deliverables, schedule, and cost.

A.1.6 The exact scope for construction management services will be determined prior to a notice to proceed for a specific task and/or project. County may negotiate the scope and cost of the proposal prior to issuance of the notice to proceed. County has the right to reject any submitted proposal.

A.1.7 CONTRACTOR shall advocate for County and ensure the project produced is in the best interest of County. CONTRACTOR shall deliver products on or ahead of the required schedule and within budget.

A.1.8 All work shall be performed in conformance with all applicable County, State and Federal laws relevant to the specific project scope.

A.1.9 In compliance with RFQ #10914, if the project for which CONTRACTOR is ultimately hired for is funded with Federal Highway Administration (FHWA) funds, CONTRACTOR will be required to comply with Federal Provisions. Caltrans Local Assistance Procedures Manual (LAPM), Federal Provisions in Exhibit B, attached hereto and incorporated by reference, shall be completed separately for each individual project by CONTRACTOR and submitted to County for approval prior to County issuing CONTRACTOR with a notice to proceed for the project.

A.1.10 County will issue CONTRACTOR a Delivery Order (DO) number for each individual task and/or project in the amount agreed upon by both parties and after County provides a notice to proceed. DO numbers for each task and/or project will close at the end of each fiscal year (July 1–June 30) and, if necessary, may be reissued at the start of the following fiscal year to allow completion of the task and/or project. The CONTRACTOR should note that County DO numbers change with each fiscal year; therefore, the DO number assigned to a task and/or project may differ from its start to its completion.

A.2 CONTRACTOR shall produce all deliverables (e.g., written reports, installed products, etc.) associated with the assigned task(s) by the deadline specified by the County.

Docusign Envelope ID: 06ECB58F-CEDA-4E27-A7CE-FBF5AC4E283C

B. PAYMENT PROVISIONS

B.1 COMPENSATION/PAYMENT

County shall pay an amount not to exceed **$3,000,000**, for the performance of all things necessary for or incidental to the performance of work as set forth in the Scope of Services. CONTRACTOR's compensation for services rendered shall be based on the rates as included in this Exhibit A and in accordance with the following terms:

County and CONTRACTOR agree that CONTRACTOR shall be reimbursed for travel expenses during this Agreement. CONTRACTOR shall receive compensation for travel expenses as per the "County Travel Policy". A copy of the policy is available online at https://www.countyofmonterey.gov/home/showdocument?id=69364. To receive reimbursement, CONTRACTOR must provide a detailed breakdown of authorized expenses, identifying what was expended and when.

County and CONTRACTOR agree that CONTRACTOR and its subcontractors shall be reimbursed for mileage based upon the Internal Revenue Service (IRS) standard business mileage rate at the time of travel.

CONTRACTOR agrees that pursuant to Labor Code Section 1771, not less than general prevailing rate of per diem wages shall be paid to all workers employed on any public work projects in excess of one thousand dollars ($1,000).

Under California Labor Code sections 1720 et seq., a contract for some or all of the work contemplated by RFQ #10914 may be considered a public work. If applicable, CONTRACTOR shall comply with provisions of the Labor Code (sections 1720 et seq.) governing public works, including payment of prevailing wages, payroll records, and employment of apprentices. Copies of the determination of the general prevailing rate of per diem wages are available to interested parties at:
http://www.dir.ca.gov/public-works/prevailing-wage.html.

Travel expenses for federally funded projects shall be reimbursed in accordance with California Department of Human Resources' (CalHR) rates https://hrmanual.calhr.ca.gov/home/manualitem/1/2201.

CONTRACTOR warrants that the cost charged for services under the terms of this Agreement are not in excess of those charged to any other client for the same services performed by the same individuals.

B.2 CONTRACTOR'S BILLING PROCEDURES

Invoices under this Agreement shall be submitted monthly and promptly, and in accordance with Section 6, "Payment Conditions", of the Agreement. All invoices shall reference the Agreement's Multi-Year Agreement (MYA) number and associated DO number, services and/or project name, County Project Manager, and an original hardcopy

Docusign Envelope ID: 06ECB58F-CEDA-4E27-A7CE-FBF5AC4E283C

NOTES:

1. Key personnel must be marked with an asterick (*) and employees that are subject to porevailing wage requirements must be marked with two asteriscks (**).All costs must comply with the Federal cost principles. Subconsultants will provide their own cost proposals.

2. The cost proposal format shall not be amended.

3. Billing rate = actual hourly rate * (1+ ICR) * (1+ Fee). Indirect cost rates shall be updated on an annual basis in accordance with the consultant's annual accounting period and established by a cognizant agency or accepted by Caltrans. All costs must comply with the Federal cost principles for reimbursement.

4. For named employees and key personnel, enter the actual hourly rate. For classifications only, enter the Average Hourly Rate for that classification.

NOTES:

1. List other direct cost items with estimated costs. These costs should be competitive in their respective industries and supported with appropriate documentation.
2. Pre-approved travel and Per Diem will be reimbursed in accordance with the current Caltrans Travel Guide for consultants, and detailed in executed Task Order Cost Estimates. No charge will be invoiced for employee relocation costs.
3. Items, when incurred for the same purpose, in like circumstance, should not be included in any indirect cost pool or in the overhead rate.
4. Items such as special tooling will be reimbursed at actual cost with supporting documentation (invoice).
5. The items listed above that would be considered "tools of the trade" are not reimbursable as other direct cost.
6. Travel related costs should be pre-approved by the contracting agency and shall not exceed the current State Department of Personnel Administration rules.
7. If mileage is claimed, the rate should be properly supported by the consultant's calculation of their actual costs for company vehicles. In addition, the miles claimed should be supported by mileage logs.
8. If a consultant proposes rental costs for a vehicle, the company must demonstrate that this is its standard procedure for all of their contracts and that they do not own any vehicles that could be used for the same purpose.
9. The cost proposal format shall not be amended. All costs must comply with Federal cost principles.
10. Add additional pages if necessary.
11. Subconsultants must provide their own cost proposals.

IMPORTANT NOTES:
1. List direct cost items with estimated costs. These costs should be competitive in their respective industries and supported with appropriate documentations.
2. Proposed items should be consistently billed directly to all clients (Commercial entities, Federal Govt., State Govt., and Local Govt. Agency), and not just when the client will pay for them as a direct cost.
3. Items when incurred for the same purpose, in like circumstance, should not be included in any indirect cost pool or in the overhead rate.
4. Items such as special tooling, will be reimbursed at actual cost with supporting documentation (invoice).
5. Items listed above that would be considered "tools of the trade" are not reimbursable as other direct cost.
6. Travel related costs should be pre-approved by the contracting agency per Caltrans Travel Policies.
7. If mileage is claimed, the rate should be properly supported by the consultant's calculation of their actual costs for company vehicles. In addition, the miles claimed should be supported by mileage logs.
8. If a consultant proposes rental costs for a vehicle, the company must demonstrate that this is their standard procedure for all of their contracts and that they do not own any vehicles purpose. that could be used for the same purpose.

Certification of Direct Costs:

I, the undersigned, certify to the best of my knowledge and belief that all direct costs identified on the cost proposal(s) in this contract are actual, reasonable, allowable, and allocable to the contract in accordance with the contract terms and the following requirements:

1. Generally Accepted Accounting Principles (GAAP)
2. Terms and conditions of the contract
3. Title 23 United States Code Section 112 - Letting of Contracts
4. 48 Code of Federal Regulations Part 31 - Contract Cost Principles and Procedures
5. 23 Code of Federal Regulations Part 172 - Procurement, Management, and Administration of Engineering and Design Related Service
6. 48 Code of Federal Regulations Part 9904 - Cost Accounting Standards Board (when applicable)

All costs must be applied consistently and fairly to all contracts. All documentation of compliance must be retained in the project files and be in compliance with applicable federal and state requirements. Costs that are noncompliant with the federal and state requirements are not eligible for reimbursement.

Local governments are responsible for applying only cognizant agency approved or Caltrans accepted Indirect Cost Rate(s).

NOTES:

1. Key personnel **must** be marked with an asterisk (*) and employees that are subject to prevailing wage requirements must be marked with two asterisks (**). All costs must comply with the Federal cost principles. Subconsultants will provide their own cost proposals.
2. The cost proposal format shall not be amended.
3. Billing rate = actual hourly rate * (1+ ICR) * (1+ Fee). Indirect cost rates shall be updated on an annual basis in accordance with the consultant's annual accounting period and established by a cognizant agency or accepted by Caltrans. All costs must comply with the Federal cost principles for reimbursement.
4. For named employees and key personnel enter the actual hourly rate. For classifications only, enter the Average Hourly Rate for that classification.

Description of Items	Quantity	Unit	Unit Cost	Total
Laboratory Test - Theoretical Maximum Density, ASTM D-2041/CT 309/T209			$175.00	
Laboratory Test - Asphalt Binder Content, AASHTO T308			$285.00	
Laboratory Test - Asphalt Binder Content Correction Value, Per Mix Design, Average of 3			$825.00	
Laboratory Test - HMA Storage Processing and Disposal (per set, 1 year storage)			$40.00	
Laboratory Test - Percent Air Voids, T269			$40.00	

Note: Add additional pages if necessary.

NOTES:

1. List direct cost items with estimated costs. These costs should be competitive in their respective industries and supported with appropriate documentation.
2. Proposed ODC items should be consistently billed regardless of client and contract type.
3. Items when incurred for the same purpose, in like circumstance, should not be included in any indirect cost pool or in the overhead rate.
4. Items such as special tooling, will be reimbursed at actual cost with supporting documentation (invoice).
5. Items listed above that would be considered "tools of the trade" are not reimbursable as other direct cost.
6. Travel related costs should be pre-approved by the contracting agency and shall not exceed current State Department of Personnel Administration rules.
7. If mileage is claimed, the rate should be properly supported by the consultant's calculation of their actual costs for company vehicles. In addition, the miles claimed should be supported by mileage logs.
8. If a consultant proposes rental costs for a vehicle, the company must demonstrate that this is its standard procedure for all of their contracts and that they do not own any vehicles that could be used for the same purpose.
9. The cost proposal format shall not be amended. All costs must comply with the Federal cost principles.
10. Add additional pages if necessary
11. Subconsultants must provide their own cost proposals.

Article I - Introduction

A. This AGREEMENT is between the following named, hereinafter referred to as, CONTRACTOR and the following named, hereinafter referred to as, COUNTY:

The name of the "CONTRACTOR" is as follows:

_____
_____
_____

Incorporated in the State of California

The Project Manager for the "CONTRACTOR" will be:

_____

The name of the COUNTY is as follows:

County of Monterey
Department of Public Works, Facilities and Parks
1441 Schilling Place, South 2nd Floor
Salinas, CA 93901-4527

The Project Manager for the COUNTY will be:

_____
_____
_____

B. The work to be performed under this AGREEMENT is described in Article III Statement of Work and the approved CONTRACTOR's Cost Proposal dated (month, date, year). The approved CONTRACTOR's Cost Proposal is attached hereto as (Exhibit _____) and incorporated by reference. If there is any conflict between the approved Cost Proposal and this AGREEMENT, this AGREEMENT shall take precedence.

C. CONTRACTOR agrees to the fullest extent permitted by law, to indemnify, protect, defend, and holdharmless COUNTY, its officers, officials, agents, employees and volunteers from and against any and all claims, damages, demands, liability, costs, losses and expenses, including without limitation, court costs and reasonable attorneys' and expert witness fees, arising out of any failure to comply with applicable law, any injury to or death of any person(s), damage to property, loss of use of property, economic loss or otherwise arising out of the performance of the work described herein, to the extent caused by a negligent act or negligent failure to act, errors, omissions, recklessness or willful misconduct incident to the performance of this AGREEMENT on the part of CONTRACTOR, except such loss or damage which was caused by the sole negligence, or willful misconduct of COUNTY, as determined by a Court of competent jurisdiction. The provisions of this section shall survive termination or suspension of this AGREEMENT.

D. CONTRACTOR in the performance of this AGREEMENT, shall act in an independent capacity. It is understood and agreed that CONTRACTOR (including CONTRACTOR's employees) is an independent contractor, and that no relationship of employer-employee exists between the parties hereto. CONTRACTOR's assigned personnel shall not be entitled to any benefits payable to employees of COUNTY.

Docusign Envelope ID: 06ECB58F-CEDA-4E27-A7CE-FBF5AC4E283C

E. COUNTY is not required to make any deductions or withholdings from the compensation payable to CONTRACTOR under the provisions of the AGREEMENT and is not required to issue W-2 Forms for income and employment tax purposes for any of CONTRACTOR's assigned personnel. CONTRACTOR, in the performance of its obligation hereunder, is only subject to the control or direction of the COUNTY as to the designation of tasks to be performed and theresults to be accomplished.

F. Any third-party person(s) employed by CONTRACTOR shall be entirely and exclusively under the direction, supervision, and control of CONTRACTOR. CONTRACTOR hereby indemnifies and holds COUNTY harmless from any and all claims that may be made against COUNTY based upon any contention by any third party that an employer-employee relationship exists by reason of this AGREEMENT.

G. Except as expressly authorized herein, CONTRACTOR 's obligations under this AGREEMENT are not assignable or transferable, and CONTRACTOR shall not subcontract any work, without the prior written approval of the COUNTY. However, claims for money due or which become due to CONTRACTOR from COUNTY under this AGREEMENT may be assigned to a financial institutionor to a trustee in bankruptcy, without such approval. Notice of any assignment or transfer whether voluntary or involuntary shall be furnished promptly to the COUNTY.

H. CONTRACTOR shall be as fully responsible to the COUNTY for the negligent acts and omissions of its contractors and subconsultants or subcontractors, and of persons either directly orindirectly employed by them, in the same manner as persons directly employed by CONTRACTOR.

I. No alteration or variation of the terms of this AGREEMENT shall be valid, unless made in writing and signed by the parties authorized to bind the parties; and no oral understanding or agreement not incorporated herein, shall be binding on any of the parties hereto.

J. The consideration to be paid to CONTRACTOR as provided herein, shall be in compensation for all of CONTRACTOR's expenses incurred in the performance hereof, including travel and per diem, unless otherwise expressly so provided.

Article II Contractor's Reports or Meetings

(Choose either Option 1 or Option 2)

☐ (Option 1 – Use Paragraphs A & B below for standard AGREEMENT)

A. CONTRACTOR shall submit progress reports at least once a month. The report should be sufficiently detailed for the COUNTY's Contract Administrator to determine, if CONTRACTOR is performing to expectations, or is on schedule; to provide communication of interim findings, and to sufficiently address any difficulties or special problems encountered, so remedies can be developed.

B. CONTRACTOR's Project Manager shall meet with COUNTY's Contract Administrator, as needed, to discuss progress on the AGREEMENT.

☐ (Option 2 – Use Paragraphs A & B below for ON-CALL AGREEMENTS)

A. CONTRACTOR shall submit progress reports on each specific project in accordance with the Task Order. These reports shall be submitted at least once a month. The report should be sufficiently

Docusign Envelope ID: 06ECB58F-CEDA-4E27-A7CE-FBF5AC4E283C

detailed for COUNTY's Contract Administrator or Project Coordinator to determine, if CONTRACTOR is performing to expectations, or is on schedule; to provide communication of interim findings, and to sufficiently address any difficulties or special problems encountered, so remedies can be developed.

B. CONTRACTOR's Project Manager shall meet with COUNTY's Contract Administrator or Project Coordinator, as needed, to discuss progress on the project(s).

Article III Statement of Work

(Insert Appropriate Statement of Work including a Description of the Deliverables) *in the following sections. If a section does not apply to the AGREEMENT, state "Not Applicable to this AGREEMENT.")*

A. CONTRACTOR Services ☐ Not Applicable to this Agreement

Detail based on the services to be furnished should be provided by CONTRACTOR. Nature and extent should be verified in the negotiations to make precise statements to eliminate subsequent uncertainties and misunderstandings. Reference to the appropriate standards for design or other standards for work performance stipulated in CONTRACTOR AGREEMENT should be included. Describe acceptance criteria, and if the responsible CONTRACTOR/engineer shall sign all Plans, Specifications and Estimate (PS&E) and engineering data furnished under the AGREEMENT including registration number.

Environmental documents are not considered complete until a Caltrans District Senior Environmental Planner signs the Categorical Exclusion, a Caltrans Deputy District Director signs the Finding of No Significant Impact (FONSI), or the Caltrans District Director signs the Record of Decision (see LAPM Chapter 6: Environmental Procedures, and the Standard Environmental Reference).

B. Right of Way ☐ Not Applicable to this Agreement

State whether Right of Way requirements to be determined and shown by CONTRACTOR, whether land surveys and computations with metes and bounds descriptions are to be made, and whether Right of Way parcel maps are to be furnished.

C. Surveys ☐ Not Applicable to this Agreement

State whether or not the CONTRACTOR has the responsibility for performing preliminary or construction surveys.

D. Subsurface Investigations ☐ Not Applicable to this Agreement

State specifically whether or not CONTRACTOR has the responsibility for making subsurface investigations. If borings or other specialized services are to be made by others under the supervision of CONTRACTOR, appropriate provisions are to be incorporated. Archaeological testing and data recovery guidance can be found in the Standard Environmental Reference.

E. COUNTY (LOCAL AGENCY) Obligations ☐ Not Applicable to this Agreement

All data applicable to the project and in possession of COUNTY (local agency), another agency, or government agency that are to be made available to CONTRACTOR are referred to in the AGREEMENT. Any other assistance or services to be furnished to CONTRACTOR are to be stated clearly.

F. Conferences, Site Visits, Inspection of Work ☐ Not Applicable to this Agreement

This AGREEMENT provides for conferences as needed, visits to the site, and inspection of the

Docusign Envelope ID: 06ECB58F-CEDA-4E27-A7CE-FBF5AC4E283C

work by representatives of the COUNTY, State, and/or FHWA. Costs incurred by CONTRACTOR for meetings, subsequent to the initial meeting shall be included in the fee.

G. Checking Shop Drawings ☐ Not Applicable to this Agreement
For AGREEMENTS requiring the preparation of construction drawings and make provision for checking shop drawings. Payment for checking shop drawings by CONTRACTOR is included in the AGREEMENT fee, or provision may be made for separate payment.

H. CONTRACTOR Services During Construction ☐ Not Applicable to this Agreement
The extent, if any of CONTRACTOR's services during the course of construction as material testing, construction surveys, etc., are specified in the AGREEMENT together with the method of payment for such services.

I. Documentation and Schedules ☐ Not Applicable to this Agreement
AGREEMENTS where appropriate, shall provide that CONTRACTOR document the results of the work to the satisfaction of COUNTY, and if applicable, the State and FHWA. This may include preparation of progress and final reports, plans, specifications and estimates, or similar evidence of attainment of the AGREEMENT objectives.

J. Deliverables and Number of Copies ☐ Not Applicable to this Agreement
The number of copies or documents to be furnished such as reports, brochures, sets of plans, specifications, or Right of Way parcel maps *shall be specified.* Provision may be made for payment for additional copies.

Article IV Performance Period

A time must be set for beginning and ending the work under the AGREEMENT. The time allowedfor performing the work is specified; it should be reasonable for the kind and amount of services contemplated; and it is written into the AGREEMENT. If it is desirable that Critical Path Method (CPM) networks, or other types of schedules be prepared by CONTRACTOR, they should be identified and incorporated into the AGREEMENT.

A. This AGREEMENT shall go into effect on (month, date, year), contingent upon approval by COUNTY, and CONTRACTOR shall commence work after notification to proceed by COUNTY Contract Administrator. The AGREEMENT shall end on (month, date, year)**,** unless extended by AGREEMENT amendment.

B. CONTRACTOR is advised that any recommendation for AGREEMENT award is not binding on COUNTY until the AGREEMENT is fully executed and approved by COUNTY.

Use paragraph C below in addition to paragraphs A & B above for on-call AGREEMENTS. On-call AGREEMENTS shall be five (5) years maximum.

C. The period of performance for each specific project shall be in accordance with the Task Order for that project. If work on a Task Order is in progress on the expiration date of this AGREEMENT, the terms of the AGREEMENT shall be extended by AGREEMENT amendment prior to the expiration of the AGREEMENT to cover the time needed to complete the task order in progress only. The maximum term shall not exceed five (5) years.

Article V Allowable Costs and Payments

(Choose either Option 1, 2, 3, or 4)

☐ *(Option 1 - Use paragraphs A through K below for Cost-Plus-Fixed Fee AGREEMENTS. Use Exhibit10-H1: Cost Proposal Format)*

A. The method of payment for this AGREEMENT will be based on actual cost plus a fixed fee. COUNTY will reimburse CONTRACTOR for actual costs (including labor costs, employee benefits, travel, equipment rental costs, overhead and other direct costs) incurred by CONTRACTOR in performance of the work. CONTRACTOR will not be reimbursed for actual costs that exceed the estimated wage rates, employee benefits, travel, equipment rental, overhead, and other estimated costs set forth in the approved CONTRACTOR's Cost Proposal, unless additional reimbursement is provided for by AGREEMENT amendment. In no event, will CONTRACTOR be reimbursed for overhead costs at a rate that exceeds COUNTY's approved overhead rate set forth in the Cost Proposal. In the event, that COUNTY determines that a change to the work from that specified in the Cost Proposal and AGREEMENT is required, the AGREEMENT time or actual costs reimbursable by COUNTY shall be adjusted by AGREEMENT amendment to accommodate the changed work. The maximum total cost as specified in Paragraph "I" of this Article shall not be exceeded, unless authorized by AGREEMENT amendment.

B. The indirect cost rate established for this AGREEMENT is extended through the duration of this specific AGREEMENT. CONTRACTOR's agreement to the extension of the one (1)-year applicable period shall not be a condition or qualification to be considered for the work or AGREEMENT award.

C. In addition to the allowable incurred costs, COUNTY will pay CONTRACTOR a fixed fee of $_____. The fixed fee is nonadjustable for the term of the AGREEMENT, except in the event of a significant change in the scope of work and such adjustment is made by AGREEMENT amendment.

D. Reimbursement for transportation and subsistence costs shall not exceed the rates specified in the approved Cost Proposal.

E. When milestone cost estimates are included in the approved Cost Proposal, CONTRACTOR shall obtain prior written approval for a revised milestone cost estimate from the Contract Administrator before exceeding such cost estimate.

F. Progress payments will be made monthly in arrears based on services provided and allowable incurred costs. A pro rata portion of CONTRACTOR's fixed fee will be included in the monthly progress payments. If CONTRACTOR fails to submit the required deliverable items according to the schedule set forth in Article III Statement of Work, COUNTY shall have the right to delay payment or terminate this AGREEMENT.

G. No payment will be made prior to approval of any work, nor for any work performed prior to approval of this AGREEMENT.

H. CONTRACTOR will be reimbursed, promptly according to California Regulations upon receipt by COUNTY's Contract Administrator of itemized invoices in duplicate. Invoices shall be submitted no later than thirty (30) calendar days after the performance of work for which CONTRACTOR is billing. Invoices shall detail the work performed on each milestone and each project as applicable.

Docusign Envelope ID: 06ECB58F-CEDA-4E27-A7CE-FBF5AC4E283C

Invoices shall follow the format stipulated for the approved Cost Proposal and shall reference this AGREEMENT number and project title. Final invoice must contain the final cost and all credits due COUNTY including any equipment purchased under the provisions of Article XI Equipment Purchase. The final invoice should be submitted within sixty (60) calendar days after completion of CONTRACTOR's work. Invoices shall be mailed to COUNTY's Contract Administrator at the following address:

County of Monterey
Department of Public Works, Facilities and Parks
1441 Schilling Place, South 2nd Floor
Salinas, CA 93901-4527
Attn: Finance Division

I. The total amount payable by COUNTY including the fixed fee shall not exceed $_____.

J. For personnel subject to prevailing wage rates as described in the California Labor Code, all salary increases, which are the direct result of changes in the prevailing wage rates are reimbursable.

☐ *(Option 2 - For Cost per Unit of Work AGREEMENTS, replace paragraphs A & B of Option 1 with the following paragraphs A, B, and C and re-letter the remaining paragraphs. Adjust as necessary for workspecific to your project. Use Exhibit 10-H3: Cost Proposal Format*).

A. The method of payment for the following items shall be at the rate specified for each item, as described in this Article. The specified rate shall include full compensation to CONTRACTOR for the item as described, including but not limited to, any repairs, maintenance, or insurance, and no further compensation will be allowed, therefore.

B. The specified rate to be paid for vehicle expense for CONTRACTOR's field personnel shall be $_____ per approved Cost Proposal. This rate shall be for a fully equipped vehicle(s) specified in Article III Statement of Work, as applicable the specified rate to be paid for equipment shall be, as listed in the approved Cost Proposal.

C. The method of payment for this AGREEMENT, except those items to be paid for on a specified rate basis, will be based on cost per unit of work. COUNTY will reimburse CONTRACTOR for actual costs (including labor costs, employee benefits, travel, equipment-rental costs, overhead and other direct costs) incurred by CONTRACTOR in performance of the work. CONTRACTOR will not be reimbursed for actual costs that exceed the estimated wage rates, employee benefits, travel, equipment rental, overhead and other estimated costs set forth in the approved Cost Proposal, unless additional reimbursement is provided for, by AGREEMENT amendment. In no event, will CONTRACTOR be reimbursed for overhead costs at a rate that exceeds COUNTY approved overhead rate set forth in the approved Cost Proposal. In the event, COUNTY determines that changed work from that specified in the approved Cost Proposal and AGREEMENT is required; the actual costs reimbursable by COUNTY may be adjusted by AGREEMENT amendment to accommodate the changed work. The maximum total cost as specified in Paragraph "I," of this article shall not be exceeded unless authorized by AGREEMENT amendment.

☐ ***(Option 3 - Use paragraphs A through P for Specific Rates of Compensation Agreements [such as on-call Agreements].*** **This payment method shall only be used when it is not possible at the time of**

Docusign Envelope ID: 06ECB58F-CEDA-4E27-A7CE-FBF5AC4E283C

procurement to estimate the extent or duration of the work or to estimate costs with any reasonable degree of accuracy. The specific rates of compensation payment method should be limited to AGREEMENTS or components of AGREEMENTS for specialized or support type services where the CONTRACTOR is not in direct control of the number of hours worked, such as construction engineering and inspection. ***Use Exhibit 10-H2: Cost Proposal Format).***

A. CONTRACTOR will be reimbursed for hours worked at the hourly rates specified in CONTRACTOR's approved Cost Proposal. The specified hourly rates shall include direct salary costs, employee benefits, prevailing wages, employer payments, overhead, and fee. These rates are not adjustable for the performance period set forth in this AGREEMENT. CONTRACTOR will be reimbursed within thirty (30) calendar days upon receipt by COUNTY's Contract Administrator of itemized invoices in duplicate.

B. In addition, CONTRACTOR will be reimbursed for incurred (actual) direct costs other than salary costs that are in the approved Cost Proposal and identified in the approved cost proposal and in the executed Task Order.

C. Specific projects will be assigned to CONTRACTOR through issuance of Task Orders.

D. After a project to be performed under this AGREEMENT is identified by COUNTY, COUNTY will prepare a draft Task Order; less the cost estimate. A draft Task Order will identify the scope of services, expected results, project deliverables, period of performance, project schedule and will designate a COUNTY Project Coordinator. The draft Task Order will be delivered to CONTRACTOR for review. CONTRACTOR shall return the draft Task Order within ten (10) calendar days along with a Cost Estimate, including a written estimate of the number of hours and hourly rates per staff person, any anticipated reimbursable expenses, overhead, fee if any, and total dollar amount. After agreement has been reached on the negotiable items and total cost; the finalized Task Order shall be signed by both COUNTY and CONTRACTOR.

E. Task Orders may be negotiated for a lump sum (Firm Fixed Price) or for specific rates of compensation, both of which must be based on the labor and other rates set forth in CONTRACTOR's approved Cost Proposal.

CONTRACTOR shall be responsible for any future adjustments to prevailing wage rates including but not limited to, base hourly rates and employer payments as determined by the Department of Industrial Relations. CONTRACTOR is responsible for paying the appropriate rate, including escalations that take place during the term of the AGREEMENT.

F. (*COUNTY to include either (a) or (b) below; delete the other one (1))*

(a) Reimbursement for transportation and subsistence costs shall not exceed State rates.

(b) Reimbursement for transportation and subsistence costs shall not exceed the rates as specified in the approved Cost Proposal. CONTRACTOR will be responsible for transportation and subsistence costs in excess of State rates.

G. When milestone cost estimates are included in the approved Cost Proposal, CONTRACTOR shall obtain prior written approval in the form of an AGREEMENT amendment for a revised milestone cost estimate from the Contract Administrator before exceeding such estimate.

H. Progress payments for each Task Order will be made monthly in arrears based on services

Docusign Envelope ID: 06ECB58F-CEDA-4E27-A7CE-FBF5AC4E283C

provided and actual costs incurred.

I. CONTRACTOR shall not commence performance of work or services until this AGREEMENT has been approved by COUNTY, and notification to proceed has been issued by COUNTY'S Contract Administrator. No payment will be made prior to approval or for any work performed prior to approval of this AGREEMENT.

J. A Task Order is of no force or effect until returned to COUNTY and signed by an authorized representative of COUNTY. No expenditures are authorized on a project and work shall not commence until a Task Order for that project has been executed by COUNTY.

K. CONTRACTOR will be reimbursed, within thirty (30) days upon receipt by COUNTY'S Contract Administrator of itemized invoices in duplicate. Separate invoices itemizing all costs are required for all work performed under each Task Order. Invoices shall be submitted no later than thirty (30) calendar days after the performance of work for which CONTRACTOR is billing, or upon completion of the Task Order. Invoices shall detail the work performed on each milestone, on each project as applicable. Invoices shall follow the format stipulated for the approved Cost Proposal and shall reference this AGREEMENT number, project title and Task Order number. Credits due to COUNTY that include any equipment purchased under the provisions of Article XI Equipment Purchase, must be reimbursed by CONTRACTOR prior to the expiration or termination of this AGREEMENT. Invoices shall be mailed to COUNTY's Contract Administrator at the following address:

County of Monterey
Department of Public Works, Facilities and Parks
1441 Schilling Place, South 2nd Floor
Salinas, CA 93901-4527
Attn: Finance Division

L. The period of performance for Task Orders shall be in accordance with dates specified in the Task Order. No Task Order will be written which extends beyond the expiration date of this AGREEMENT.

M. The total amount payable by COUNTY for an individual Task Order shall not exceed the amount agreed to in the Task Order, unless authorized by amendment.

N. If CONTRACTOR fails to satisfactorily complete a deliverable according to the schedule set forth in a Task Order, no payment will be made until the deliverable has been satisfactorily completed.

O. Task Orders may not be used to amend the language (or terms) of this AGREEMENT nor to exceed the scope of work under this AGREEMENT.

P. The total amount payable by COUNTY for all Task Orders resulting from this AGREEMENT shall not exceed **$** It is understood and agreed that there is no guarantee, either expressed or implied that this dollar amount will be authorized under this AGREEMENT through Task Orders.

☐ *(Option 4 - Use paragraphs A through E below for lump sum AGREEMENTS. Use Exhibit 10-H1: Cost Proposal Format).*

A. The method of payment for this AGREEMENT will be based on lump sum. The total lump sum price paid to CONTRACTOR will include compensation for all work and deliverables, including travel and equipment described in Article III Statement of Work. No additional compensation will

Docusign Envelope ID: 06ECB58F-CEDA-4E27-A7CE-FBF5AC4E283C

be paid to CONTRACTOR, unless there is a change in the scope of the work or the scope of the project. In the instance of a change in the scope of work or scope of the project, adjustment to the total lump sum compensation will be negotiated between CONTRACTOR and COUNTY. Adjustment in the total lump sum compensation will not be effective until authorized by contract amendment and approved by COUNTY.

B. Progress payments may be made monthly in arrears based on the percentage of work completed by CONTRACTOR. If CONTRACTOR fails to submit the required deliverable items according to the schedule set forth in Article III Statement of Work, COUNTY shall have the right to delay payment or terminate this AGREEMENT in accordance with the provisions of Article VI Termination.

C. CONTRACTOR shall not commence performance of work or services until this AGREEMENT has been approved by COUNTY and notification to proceed has been issued by COUNTY'S Contract Administrator. No payment will be made prior to approval of any work, or for any work performed prior to approval of this AGREEMENT.

D. CONTRACTOR will be reimbursed within thirty (30) days upon receipt by County's Contract Administrator of itemized invoices in duplicate. Invoices shall be submitted no later than thirty (30) calendar days after the performance of work for which CONTRACTOR is billing. Invoices shall detail the work performed on each milestone, on each project as applicable. Invoices shall follow the format stipulated for the approved Cost Proposal and shall reference this AGREEMENT number and project title. Final invoice must contain the final cost and all credits due COUNTY that include any equipment purchased under the provisions of Article XI Equipment Purchase. The final invoice must be submitted within sixty (60) calendar days after completion of CONTRACTOR's work unless a later date id approved by County. Invoices shall be mailed to COUNTY's Contract Administrator at the following address:

County of Monterey
Department of Public Works, Facilities and Parks
1441 Schilling Place, South 2nd Floor
Salinas, CA 93901-4527
Attn: Finance Division

E. The total amount payable by COUNTY shall not exceed $_____.

Article VI Termination

A. This AGREEMENT may be terminated by COUNTY, provided that COUNTY gives not less than thirty (30) calendar days' written notice (delivered by certified mail, return receipt requested) of intent to terminate. Upon termination, COUNTY shall be entitled to all work, including but not limited to, reports, investigations, appraisals, inventories, studies, analyses, drawings, and data estimates performed to that date, whether completed or not.

B. COUNTY may temporarily suspend this AGREEMENT, at no additional cost to COUNTY, provided that CONTRACTOR is given written notice (delivered by certified mail, return receipt requested) of temporary suspension. If COUNTY gives such notice of temporary suspension, CONRACTOR shall immediately suspend its activities under this AGREEMENT. A temporary suspension may be issued concurrent with the notice of termination.

C. Notwithstanding any provisions of this AGREEMENT, CONTRACTOR shall not be relieved of liability to COUNTY for damages sustained by COUNTY by virtue of any breach of this AGREEMENT by CONTRACTOR, and COUNTY may withhold any payments due to CONTRACTOR until such time

Docusign Envelope ID: 06ECB58F-CEDA-4E27-A7CE-FBF5AC4E283C

as exact amount of damages, if any, due COUNTY from CONTRACTOR isdetermined.

D. In the event of termination, CONTRACTOR shall be compensated as provided for in this AGREEMENT. Upon termination, COUNTY shall be entitled to all work, including but not limited to, reports, investigations, appraisals, inventories, studies, analyses, drawings, and data estimates performed to that date, whether completed or not.

Article VII Cost Principles and Administrative Requirements

A. CONTRACTOR agrees that 48 CFR Part 31, Contract Cost Principles and Procedures shall be used to determine the allowability of individual terms of cost.

B. CONTRACTOR also agrees to comply with Federal procedures in accordance with 2 CFR, Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards.

C. Any costs for which payment has been made to CONTRACTOR that are determined by subsequent audit to be unallowable under 48 CFR Part 31 or 2 CFR Part 200 are subject to repayment by CONTRACTOR to COUNTY.

D. When a CONTRACTOR or subcontractor is a Non-Profit Organization or an Institution of Higher Education, the Cost Principles for Title 2 CFR Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards shall apply.

Article VIII Retention of Records/Audit

For the purpose of determining compliance with Government Code §8546.7, the CONTRACTOR, subcontractors, and COUNTY shall maintain all books, documents, papers, accounting records, Independent CPA Audited Indirect Cost Rate workpapers, and other evidence pertaining to the performance of the AGREEMENT, including but not limited to, the costs of administering the AGREEMENT. All parties, including the CONTRACTOR's Independent CPA, shall make such workpapers and materials available at their respective offices at all reasonable times during the AGREEMENT period and for three (3) years from the date of final payment under the AGREEMENT. COUNTY, Caltrans Auditor, FHWA, or any duly authorized representative of the Federal Government having jurisdiction under Federal laws or regulations (including the basis of Federal funding in whole or in part) shall have access to any books, records, and documents of CONTRACTOR, subcontractor and the CONTRACTOR's Independent CPA, that are pertinent to the AGREEMENT for audits, examinations, workpaper review, excerpts, and transactions, and copies thereof shall be furnished if requested without limitation.

Article IX Audit Review Procedures

A. Any dispute concerning a question of fact arising under an interim or post audit of this AGREEMENT that is not disposed of by AGREEMENT, shall be reviewed by COUNTY'S Chief Financial Officer.

B. Not later than thirty (30) calendar days after issuance of the final audit report, CONTRACTOR may request a review by COUNTY'S Chief Financial Officer of unresolved audit issues. The request for review will be submitted in writing.

C. Neither the pendency of a dispute nor its consideration by COUNTY will excuse CONTRACTOR from full and timely performance, in accordance with the terms of this AGREEMENT.

D. CONTRACTOR and subcontractor AGREEMENTS, including cost proposals and Indirect Cost Rates

Docusign Envelope ID: 06ECB58F-CEDA-4E27-A7CE-FBF5AC4E283C

(ICR), may be subject to audits or reviews such as, but not limited to, an AGREEMENT audit, an incurred cost audit, an ICR Audit, or a CPA ICR audit work paper review. If selected for audit or review, the AGREEMENT, cost proposal and ICR and related work papers, if applicable, will be reviewed to verify compliance with 48 CFR, Part 31 and other related laws and regulations. In the instances of a CPA ICR audit work paper review, it is CONTRACTOR's responsibility to ensure federal, state, COUNTY or local government officials are allowed full access to the CPA's work papers including making copies as necessary. The AGREEMENT, cost proposal, and ICR shall be adjusted by CONTRACTOR and approved by COUNTY Contract Administrator to conform to the audit or review recommendations. CONTRACTOR agrees that individual terms of costs identified in the audit report shall be incorporated into the AGREEMENT by this reference if directed by COUNTY at its sole discretion. Refusal by CONTRACTOR to incorporate audit or review recommendations, or to ensure that the federal, COUNTY or local governments have access to CPA work papers, will be considered a breach of AGREEMENT terms and cause for termination of the AGREEMENT and disallowance of prior reimbursed costs.

E. CONTRACTOR's Cost Proposal may be subject to a CPA ICR Audit Work Paper Review and/or audit by the Independent Office of Audits and Investigations (IOAI). IOAI, at its sole discretion, may review and/or audit and approve the CPA ICR documentation. The Cost Proposal shall be adjusted by the CONTRACTOR and approved by the COUNTY Contract Administrator to conform to the Work Paper Review recommendations included in the management letter or audit recommendations included in the audit report. Refusal by the CONTRACTOR to incorporate the Work Paper Review recommendations included in the management letter or audit recommendations included in the audit report will be considered a breach of the AGREEMENT terms and cause for termination of the AGREEMENT and disallowance of prior reimbursed costs.

1. During IOAI's review of the ICR audit work papers created by the CONTRACTOR's independent CPA, IOAI will work with the CPA and/or CONTRACTOR toward a resolution of issues that arise during the review. Each party agrees to use its best efforts to resolve any audit disputes in a timely manner. If IOAI identifies significant issues during the review and is unable to issue a cognizant approval letter, COUNTY will reimburse the CONTRACTOR at an accepted ICR until a FAR (Federal Acquisition Regulation) compliant ICR {e.g. 48 CFR, Part 31; GAGAS (Generally Accepted Government Auditing Standards); CAS (Cost Accounting Standards), if applicable; in accordance with procedures and guidelines of the American Association of State Highways and Transportation Officials (AASHTO) Audit Guide; and other applicable procedures and guidelines} is received and approved by IOAI.

   Accepted rates will be as follows:
   a. If the proposed rate is less than one hundred fifty percent (150%) - the accepted rate reimbursed will be ninety percent (90%) of the proposed rate.
   b. If the proposed rate is between one hundred fifty percent (150%) and two hundred percent (200%) - the accepted rate will be eighty-five percent (85%) of the proposed rate.
   c. If the proposed rate is greater than two hundred percent (200%) - the accepted rate will be seventy-five percent (75%) of the proposed rate.

2. If IOAI is unable to issue a cognizant letter per paragraph E.1. above, IOAI may require CONTRACTOR to submit a revised independent CPA-audited ICR and audit report within three (3) months of the effective date of the management letter. IOAI will then have up to six (6) months to review the CONTRACTOR's and/or the independent CPA's revisions.

Docusign Envelope ID: 06ECB58F-CEDA-4E27-A7CE-FBF5AC4E283C

3. If the CONTRACTOR fails to comply with the provisions of this paragraph E, or if IOAI is still unable to issue a cognizant approval letter after the revised independent CPA-audited ICR is submitted, overhead cost reimbursement will be limited to the accepted ICR that was established upon initial rejection of the ICR and set forth in paragraph E.1. above for all rendered services. In this event, this accepted ICR will become the actual and final ICR for reimbursement purposes under this AGREEMENT.

4. CONTRACTOR may submit to COUNTY final invoice only when all of the following items have occurred: (1) IOAI accepts or adjusts the original or revised independent CPA-audited ICR; (2) all work under this AGREEMENT has been completed to the satisfaction of COUNTY; and (3) IOAI has issued its final ICR review letter. The CONTRACTOR MUST SUBMIT ITS FINAL INVOICE TO COUNTY no later than sixty (60) calendar days after occurrence of the last of these items. The accepted ICR will apply to this AGREEMENT and all other agreements executed between COUNTY and the CONTRACTOR, either as a prime or subcontractor, with the same fiscal period ICR.

Article X Subcontracting

A. Nothing contained in this AGREEMENT or otherwise, shall create any contractual relation between the COUNTY and any subcontractor(s), and no sub agreement shall relieve the CONTRACTOR of its responsibilities and obligations hereunder. The CONTRACTOR agrees to be as fully responsible to the COUNTY for the acts and omissions of its subcontractor(s) and of persons either directly or indirectly employed by any of them as it is for the acts and omissions of persons directly employed by the CONTRACTOR. The CONTRACTOR's obligation to pay its subcontractor(s) is an independent obligation from the COUNTY's obligation to make payments to the CONTRACTOR.

B. CONTRACTOR shall perform the work contemplated with resources available within its own organization and no portion of the work shall be subcontracted without written authorization by COUNTY's Contract Administrator, except that, which is expressly identified in the CONTRACTOR's approved Cost Proposal.

C. Any sub agreement entered into as a result of this AGREEMENT shall contain all the provisions stipulated in this entire AGREEMENT to be applicable to subcontractors unless otherwise noted.

D. CONTRACTOR shall pay its subcontractors within fifteen (15) calendar days from receipt of each payment made to the CONTRACTOR by the COUNTY.

E. Any substitution of subcontractor(s) must be approved in writing by COUNTY's Contract Administrator in advance of assigning work to a substitute subcontractor(s).

F. Prompt Progress Payment
CONTRACTOR or subcontractor shall pay to any subcontractor, not later than fifteen (15) days after receipt of each progress payment, unless otherwise agreed to in writing, the respective amounts allowed CONTRACTOR on account of the work performed by the subcontractors, to the extent of each subcontractor's interest therein. In the event that there is a good faith dispute over all or any portion of the amount due on a progress payment from CONTRACTOR or subcontractor to a subcontractor, CONTRACTOR or subcontractor may withhold no more than one hundred fifty percent (150%) of the disputed amount. Any violation of this requirement shall constitute a cause for disciplinary action and shall subject the licensee to a penalty, payable to the subcontractor, of two percent (2%) percent of the amount due per month for every month that payment is not made.

Docusign Envelope ID: 06ECB58F-CEDA-4E27-A7CE-FBF5AC4E283C

In any action for the collection of funds wrongfully withheld, the prevailing party shall be entitled to his or her attorney's fees and costs. The sanctions authorized under this requirement shall be separate from, and in addition to, all other remedies, either civil, administrative, or criminal. This clause applies to both DBE and non-DBE subcontractors.

G. Prompt Payment of Withheld Funds to subcontractors

The COUNTY may hold retainage from CONTRACTOR and shall make prompt and regular incremental acceptances of portions, as determined by the COUNTY, of the contract work, and pay retainage to CONTRACTOR based on these acceptances. The COUNTY shall designate one of the methods below in the contract to ensure prompt and full payment of any retainage kept by CONTRACTOR or subcontractor to a subcontractor. (Choose either Method 1, Method 2, or Method 3 below and delete the other two (2).)

☐ **Method 1**: No retainage will be held by the COUNTY from progress payments due to CONTRACTOR. CONTRACTORS and subcontractors are prohibited from holding retainage from subcontractors. Any delay or postponement of payment may take place only for good cause and with the COUNTY's prior written approval. Any violation of these provisions shall subject the violating CONTRACTOR or subcontractor to the penalties, sanctions, and other remedies specified in Section 3321 of the California Civil Code. This requirement shall not be construed to limit or impair any contractual, administrative or judicial remedies, otherwise available to CONTRACTOR or subcontractor in the event of a dispute involving late payment or nonpayment by CONTRACTOR, deficient subcontractor performance and/or noncompliance by a subcontractor. This clause applies to both DBE and non-DBE subcontractors.

☐ **Method 2**: No retainage will be held by the COUNTY from progress payments due to CONTRACTOR. Any retainage kept by CONTRACTOR or by a subcontractor must be paid in full to the earning subcontractor within fifteen (15) days after the subcontractor's work is satisfactorily completed. Any delay or postponement of payment may take place only for good cause and with the COUNTY's prior written approval. Any violation of these provisions shall subject the violating CONTRACTOR or subcontractor to the penalties, sanctions, and remedies specified in Section 3321 of the California Civil Code. This requirement shall not be construed to limit or impair any contractual, administrative or judicial remedies, otherwise available to CONTRACTOR or subcontractor in the event of a dispute involving late payment or nonpayment by CONTRACTOR, deficient subcontractor performance and/or noncompliance by a subcontractor. This clause applies to both DBE and non-DBE subcontractors.

☐ **Method 3**: The COUNTY shall hold retainage from CONTRACTOR and shall make prompt and regular incremental acceptances of portions, as determined by the COUNTY of the contract work and pay retainage to CONTRACTOR based on these acceptances. CONTRACTOR or subcontractor shall return all monies withheld in retention from all subcontractors within fifteen (15) days after receiving payment for work satisfactorily completed and accepted including incremental acceptances of portions of the contract work by the COUNTY. Any delay or postponement of payment may take place only for good cause and with the COUNTY's prior written approval. Any violation of these provisions shall subject the violating CONTRACTOR or subcontractor to the penalties, sanctions, and other remedies specified in Section 3321 of the California Civil Code. This requirement shall not be construed to limit or impair any contractual, administrative or judicial remedies otherwise available to CONTRACTOR or subcontractor in the event of a dispute involving late payment or nonpayment by CONTRACTOR; deficient subcontractor performance

Docusign Envelope ID: 06ECB58F-CEDA-4E27-A7CE-FBF5AC4E283C

and/or noncompliance by a subcontractor. This clause applies to both DBE and non-DBE subcontractors.

Any violation of these provisions shall subject the violating CONTRACTOR or subcontractor to the penalties, sanctions and other remedies specified therein. These requirements shall not be construed to limit or impair any contractual, administrative, or judicial remedies otherwise available to CONTRACTOR or subcontractor in the event of a dispute involving late payment or nonpayment by CONTRACTOR, deficient subcontract performance, or noncompliance by a subcontractor.

Article XI Equipment Purchase and Other Capital Expenditures

A. Prior authorization in writing, by COUNTY's Contract Administrator shall be required before CONTRACTOR enters into any unbudgeted purchase order, or subcontract exceeding five thousand dollars ($5,000) for supplies, equipment, or CONTRACTOR services. CONTRACTOR shall provide an evaluation of the necessity or desirability of incurring such costs.

B. For purchase of any item, service or consulting work not covered in CONTRACTOR's approved Cost Proposal and exceeding five thousand dollars ($5,000) with prior authorization by COUNTY's Contract Administrator; three competitive quotations must be submitted with the request, or the absence of proposal must be adequately justified.

C. Any equipment purchased with funds provided under the terms of this AGREEMENT is subject to the following:

1. CONTRACTOR shall maintain an inventory of all nonexpendable property. Nonexpendable property is defined as having a useful life of at least two years and an acquisition cost of five thousand dollars ($5,000) or more. If the purchased equipment needs replacement and is sold or traded in, COUNTY shall receive a proper refund or credit at the conclusion of the AGREEMENT, or if the AGREEMENT is terminated, CONTRACTOR may either keep the equipment and credit COUNTY in an amount equal to its fair market value, or sell such equipment at the best price obtainable at a public or private sale, in accordance with established COUNTY procedures; and credit COUNTY in an amount equal to the sales price. If CONTRACTOR elects to keep the equipment, fair market value shall be determined at CONTRACTOR's expense, on the basis of a competent independent appraisal of such equipment. Appraisals shall be obtained from an appraiser mutually agreeable to by COUNTY and CONTRACTOR, if it is determined to sell the equipment, the terms and conditions of such sale must be approved in advance by COUNTY.

2. Regulation 2 CFR Part 200 requires a credit to Federal funds when participating equipment with a fair market value greater than five thousand dollars ($5,000) is credited to the project.

Article XII State Prevailing Wage Rates

A. No CONTRACTOR or subcontractor may be awarded an AGREEMENT containing public work elements unless registered with the Department of Industrial Relations (DIR) pursuant to Labor Code §1725.5. Registration with DIR must be maintained throughout the entire term of this AGREEMENT, including any subsequent amendments.

B. The CONTRACTOR shall comply with all of the applicable provisions of the California Labor Code requiring the payment of prevailing wages. The General Prevailing Wage Rate Determinations

Docusign Envelope ID: 06ECB58F-CEDA-4E27-A7CE-FBF5AC4E283C

applicable to work under this AGREEMENT are available and on file with the Department of Transportation's Regional/District Labor Compliance Officer (https://dot.ca.gov/programs/construction/labor-compliance). These wage rates are made a specific part of this AGREEMENT by reference pursuant to Labor Code §1773.2 and will be applicable to work performed at a construction project site. Prevailing wages will be applicable to all inspection work performed at COUNTY construction sites, at COUNTY facilities and at off-site locations that are set up by the construction contractor or one of its subcontractors solely and specifically to serve COUNTY projects. Prevailing wage requirements do not apply to inspection work performed at the facilities of vendors and commercial materials suppliers that provide goods and services to the general public.

C. General Prevailing Wage Rate Determinations applicable to this project may also be obtained from the Department of Industrial Relations website at http://www.dir.ca.gov.

D. Payroll Records

1. Each CONTRACTOR and subcontractor shall keep accurate certified payroll records and supporting documents as mandated by Labor Code §1776 and as defined in 8 CCR §16000 showing the name, address, social security number, work classification, straight time and overtime hours worked each day and week, and the actual per diem wages paid to each journeyman, apprentice, worker, or other employee employed by the CONTRACTOR or subcontractor in connection with the public work. Each payroll record shall contain or be verified by a written declaration that it is made under penalty of perjury, stating both of the following:

    a. The information contained in the payroll record is true and correct.

    b. The employer has complied with the requirements of Labor Code §1771, §1811, and §1815 for any work performed by his or her employees on the public works project.

2. The payroll records enumerated under paragraph (1) above shall be certified as correct by the CONTRACTOR under penalty of perjury. The payroll records and all supporting documents shall be made available for inspection and copying by COUNTY representatives at all reasonable hours at the principal office of the CONTRACTOR. The CONTRACTOR shall provide copies of certified payrolls or permit inspection of its records as follows:

    a. A certified copy of an employee's payroll record shall be made available for inspection or furnished to the employee or the employee's authorized representative on request.

    b. A certified copy of all payroll records enumerated in paragraph (1) above, shall be made available for inspection or furnished upon request to a representative of COUNTY, the Division of Labor Standards Enforcement and the Division of Apprenticeship Standards of the Department of Industrial Relations. Certified payrolls submitted to COUNTY, the Division of Labor Standards Enforcement and the Division of Apprenticeship Standards shall not be altered or obliterated by the CONTRACTOR.

    c. The public shall not be given access to certified payroll records by the CONTRACTOR. The CONTRACTOR is required to forward any requests for certified payrolls to the COUNTY Contract Administrator by both email and regular mail on

Docusign Envelope ID: 06ECB58F-CEDA-4E27-A7CE-FBF5AC4E283C

the business day following receipt of the request.

3. Each CONTRACTOR shall submit a certified copy of the records enumerated in paragraph (1) above, to the entity that requested the records within ten (10) calendar days after receipt of a written request.

4. Any copy of records made available for inspection as copies and furnished upon request to the public or any public agency by COUNTY shall be marked or obliterated in such a manner as to prevent disclosure of each individual's name, address, and social security number. The name and address of the CONTRACTOR or subcontractor performing the work shall not be marked or obliterated.

5. The CONTRACTOR shall inform COUNTY of the location of the records enumerated under paragraph (1) above, including the street address, city and county, and shall, within five (5) working days, provide a notice of a change of location and address.

6. The CONTRACTOR or subcontractor shall have ten (10) calendar days in which to comply subsequent to receipt of written notice requesting the records enumerated in paragraph (1) above. In the event the CONTRACTOR or subcontractor fails to comply within the ten (10) day period, he or she shall, as a penalty to COUNTY, forfeit one hundred dollars ($100) for each calendar day, or portion thereof, for each worker, until strict compliance is effectuated. Such penalties shall be withheld by COUNTY from payments then due. CONTRACTOR is not subject to a penalty assessment pursuant to this section due to the failure of a subcontractor to comply with this section.

E. When prevailing wage rates apply, the CONTRACTOR is responsible for verifying compliance with certified payroll requirements. Invoice payment will not be made until the invoice is approved by the COUNTY Contract Administrator.

F. Penalty

1. The CONTRACTOR and any of its subcontractor shall comply with Labor Code §1774 and §1775. Pursuant to Labor Code §1775, the CONTRACTOR and any Subcontractor shall forfeit to the COUNTY a penalty of not more than two hundred dollars ($200) for each calendar day, or portion thereof, for each worker paid less than the prevailing rates as determined by the Director of DIR for the work or craft in which the worker is employed for any public work done under the contract by the CONTRACTOR or by its subcontractor in violation of the requirements of the Labor Code and in particular, Labor Code §§1770 to 1780, inclusive.

2. The amount of this forfeiture shall be determined by the Labor Commissioner and shall be based on consideration of mistake, inadvertence, or neglect of the CONTRACTOR or subcontractor in failing to pay the correct rate of prevailing wages, or the previous record of the CONTRACTOR or subcontractor in meeting their respective prevailing wage obligations, or the willful failure by the CONTRACTOR or subcontractor to pay the correct rates of prevailing wages. A mistake, inadvertence, or neglect in failing to pay the correct rates of prevailing wages is not excusable if the CONTRACTOR or subcontractor had knowledge of the obligations under the Labor Code. The CONTRACTOR is responsible for paying the appropriate rate, including any

Docusign Envelope ID: 06ECB58F-CEDA-4E27-A7CE-FBF5AC4E283C

escalations that take place during the term of the AGREEMENT.

3. In addition to the penalty and pursuant to Labor Code §1775, the difference between the prevailing wage rates and the amount paid to each worker for each calendar day or portion thereof for which each worker was paid less than the prevailing wage rate shall be paid to each worker by the CONTRACTOR or subcontractor.

4. If a worker employed by a subcontractor on a public works project is not paid the general prevailing per diem wages by the subcontractor, the prime CONTRACTOR of the project is not liable for the penalties described above unless the prime CONTRACTOR had knowledge of that failure of the subcontractor to pay the specified prevailing rate of wages to those workers or unless the prime CONTRACTOR fails to comply with all of the following requirements:

    a. The AGREEMENT executed between the CONTRACTOR and the subcontractor for the performance of work on public works projects shall include a copy of the requirements in Labor Code §§ 1771, 1775, 1776, 1777.5, 1813, and 1815.

    b. The CONTRACTOR shall monitor the payment of the specified general prevailing rate of per diem wages by the subcontractor to the employees by periodic review of the certified payroll records of the subcontractor.

    c. Upon becoming aware of the subcontractor's failure to pay the specified prevailing rate of wages to the subcontractor's workers, the CONTRACTOR shall diligently take corrective action to halt or rectify the failure, including but not limited to, retaining sufficient funds due the subcontractor for work performed on the public works project.

    d. Prior to making final payment to the subcontractor for work performed on the public works project, the CONTRACTOR shall obtain an affidavit signed under penalty of perjury from the Subcontractor that the subcontractor had paid the specified general prevailing rate of per diem wages to the subcontractor's employees on the public works project and any amounts due pursuant to Labor Code §1813.

5. Pursuant to Labor Code §1775, COUNTY shall notify the CONTRACTOR on a public works project within fifteen (15) calendar days of receipt of a complaint that a subcontractor has failed to pay workers the general prevailing rate of per diem wages.

6. If COUNTY determines that employees of a subcontractor were not paid the general prevailing rate of per diem wages and if COUNTY did not retain sufficient money under the AGREEMENT to pay those employees the balance of wages owed under the general prevailing rate of per diem wages, the CONTRACTOR shall withhold an amount of moneys due the subcontractor sufficient to pay those employees the general prevailing rate of per diem wages if requested by COUNTY.

G. Hours of Labor

Eight (8) hours labor constitutes a legal day's work. The CONTRACTOR shall forfeit, as a penalty to the COUNTY, twenty-five dollars ($25) for each worker employed in the execution of the AGREEMENT by the CONTRACTOR or any of its subcontractors for each calendar day during which such worker is required or permitted to work more than eight (8) hours in any one calendar day

Docusign Envelope ID: 06ECB58F-CEDA-4E27-A7CE-FBF5AC4E283C

and forty (40) hours in any one calendar week in violation of the provisions of the Labor Code, and in particular §§1810 to 1815 thereof, inclusive, except that work performed by employees in excess of eight (8) hours per day, and forty (40) hours during any one week, shall be permitted upon compensation for all hours worked in excess of eight (8) hours per day and forty (40) hours in any week, at not less than one and one-half (1.5) times the basic rate of pay, as provided in §1815.

H. Employment of Apprentices

1. Where either the prime AGREEMENT or the subcontract exceeds thirty thousand dollars ($30,000), the CONTRACTOR and any subcontractors under him or her shall comply with all applicable requirements of Labor Code §§ 1777.5, 1777.6 and 1777.7 in the employment of apprentices.

2. CONTRACTORs and subcontractors are required to comply with all Labor Code requirements regarding the employment of apprentices, including mandatory ratios of journey level to apprentice workers. Prior to commencement of work, CONTRACTOR and subcontractors are advised to contact the DIR Division of Apprenticeship Standards website at https://www.dir.ca.gov/das for additional information regarding the employment of apprentices and for the specific journey-to- apprentice ratios for the AGREEMENT work. The CONTRACTOR is responsible for all subcontractors' compliance with these requirements. Penalties are specified in Labor Code §1777.7.

Article XIII Conflict of Interest

A. During the term of this AGREEMENT, the CONTRACTOR shall disclose any financial, business, or other relationship with COUNTY that may have an impact upon the outcome of this AGREEMENT, or any ensuing COUNTY construction project. The CONTRACTOR shall also list current clients who may have a financial interest in the outcome of this AGREEMENT, or any ensuing COUNTY construction project, which will follow.

B. CONTRACTOR certifies that it has disclosed to COUNTY any actual, apparent, or potential conflicts of interest that may exist relative to the services to be provided pursuant to this AGREEMENT. CONTRACTOR agrees to advise COUNTY of any actual, apparent or potential conflicts of interest that may develop subsequent to the date of execution of this AGREEMENT.

CONTRACTOR further agrees to complete any statements of economic interest if required by either COUNTY ordinance or State law.

C. The CONTRACTOR hereby certifies that it does not now have, nor shall it acquire any financial or business interest that would conflict with the performance of services under this AGREEMENT.

D. CONTRACTOR hereby certifies that the CONTRACTOR or subcontractor, and any firm affiliated with CONTRACTOR or subcontractor that bids on any construction contract, or on any AGREEMENT to provide construction inspection for any construction project resulting from this AGREEMENT. An affiliated firm is one, which is subject to the control of the same persons through joint ownership, has established necessary controls to ensure a conflict of interest does not exist. An affiliated firm is one, which is subject to the control of the same persons, through joint ownership or otherwise.

Article XIV Rebates, Kickbacks or Other Unlawful Consideration

The CONTRACTOR warrants that this AGREEMENT was not obtained or secured through rebates

Docusign Envelope ID: 06ECB58F-CEDA-4E27-A7CE-FBF5AC4E283C

kickbacks or other unlawful consideration, either promised or paid to any COUNTY employee. For breach or violation of this warranty, COUNTY shall have the right, in its discretion, to terminate this AGREEMENT without liability; to pay only for the value of the work actually performed; or to deduct from this AGREEMENT price or otherwise recover the full amount of such rebate, kickback or other unlawful consideration.

Article XV Prohibition of Expending County, State, or Federal Funds for Lobbying

(Include this article in all AGREEMENTS where federal funding will exceed $150,000. If less than $150,000 in federal funds will be expended on the AGREEMENT; delete this article and re-number subsequent articles.)

A. CONTRACTOR certifies to the best of his or her knowledge and belief that:

1. No State, Federal, or County appropriated funds have been paid or will be paid, by-or-on behalf of CONTRACTOR, to any person for influencing or attempting to influence an officer or employee of any local, State or Federal agency, a Member of the State Legislature or United States Congress, an officer or employee of the Legislature or Congress, or any employee of a Member of the Legislature or Congress in connection with the awarding or making of this AGREEMENT, or with the extension, continuation, renewal, amendment, or modification of this AGREEMENT .

2. If any funds other than Federal appropriated funds have been paid, or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this AGREEMENT, the CONTRACTOR shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

B. This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by 31 U.S.C. §1352. Any person who fails to file the required certification shall be subject to a civil penalty of not less than ten thousand dollars ($10,000) and not more than one hundred thousand dollars ($100,000), for each such failure.

C. The CONTRACTOR also agrees by signing this document that he or she shall require that the language of this certification be included in all lower-tier sub agreements, which exceed one hundred thousand dollars ($100,000) and that all such subrecipients shall certify and disclose accordingly.

Article XVI Non-Discrimination Clause and Statement of Compliance

A. The CONTRACTOR's signature affixed herein and dated shall constitute a certification under penalty of perjury under the laws of the State of California that the CONTRACTOR has, unless exempt, complied with, the nondiscrimination program requirements of Government Code § 12990 and 2 CCR § 8103.

B. During the performance of this AGREEMENT, Contractor and its subcontractors shall not deny the AGREEMENT's benefits to any person on the basis of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, age, sexual orientation, or

Docusign Envelope ID: 06ECB58F-CEDA-4E27-A7CE-FBF5AC4E283C

military and veteran status, nor shall they unlawfully discriminate, harass, or allow harassment against any employee or applicant for employment because of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, age, sexual orientation, or military and veteran status. Contractor and subcontractors shall insure that the evaluation and treatment of their employees and applicants for employment are free from such discrimination and harassment.

C. Contractor and subcontractors shall comply with the provisions of the Fair Employment and Housing Act (Gov. Code §12990 et seq.), the applicable regulations promulgated there under (2 CCR §11000 et seq.), the provisions of Gov. Code §11135-11139.5, and the regulations or standards adopted by COUNTY to implement such article. The applicable regulations of the Fair Employment and Housing Commission implementing Government Code §12990 (a-f), set forth 2 CCR §§8100-8504, are incorporated into this AGREEMENT by reference and made a part hereof as if set forth in full.

D. CONTRACTOR shall permit access by representatives of the Department of Fair Employment and Housing and the COUNTY upon reasonable notice at any time during the normal business hours, but in no case less than twenty-four (24) hours' notice, to such of its books, records, accounts, and all other sources of information and its facilities as said Department or COUNTY shall require to ascertain compliance with this clause.

E. CONTRACTOR and its subcontractors shall give written notice of their obligations under this clause to labor organizations with which they have a collective bargaining or other Agreement.

F. CONTRACTOR shall include the nondiscrimination and compliance provisions of this clause in all subcontracts to perform work under this AGREEMENT.

G. The CONTRACTOR, with regard to the work performed under this AGREEMENT, shall act in accordance with Title VI of the Civil Rights Act of 1964 (42 U.S.C. §2000d et seq.). Title VI provides that the recipients of federal assistance will implement and maintain a policy of nondiscrimination in which no person in the United States shall, on the basis of race, color, national origin, religion, sex, age, disability, be excluded from participation in, denied the benefits of or subject to discrimination under any program or activity by the recipients of federal assistance or their assignees and successors in interest.

H. The CONTRACTOR shall comply with regulations relative to non-discrimination in federally-assisted programs of the United States Department of Transportation (49 CFR Part 21 - Effectuation of Title VI of the Civil Rights Act of 1964). Specifically, the CONTRACTOR shall not participate either directly or indirectly in the discrimination prohibited by 49 CFR §21.5, including employment practices and the selection and retention of subcontractors.

I. CONTRACTOR, subrecipient or subcontractor will never exclude any person from participation in, deny any person the benefits of, or otherwise discriminate against anyone in connection with the award and performance of any contract covered by 49 CFR 26 on the basis of race, color, sex, or national origin. In administering the COUNTY components of the DBE Program Plan, CONTRACTOR, subrecipient or subcontractor will not, directly, or through contractual or other arrangements, use criteria or methods of administration that have the effect of defeating or substantially impairing accomplishment of the objectives of the DBE Program Plan with respect to individuals of a particular race, color, sex, or national origin.

Article XVII Debarment and Suspension Certification

A. The CONTRACTOR's signature affixed herein shall constitute a certification under penalty of perjury under the laws of the State of California, that the CONTRACTOR or any person associated therewith in the capacity of owner, partner, director, officer, or manager:

1. Is not currently under suspension, debarment, voluntary exclusion, or determination of ineligibility by any federal agency;

2. Has not been suspended, debarred, voluntarily excluded, or determined ineligible by any federal agency within the past three (3) years;

3. Does not have a proposed debarment pending; and

4. Has not been indicted, convicted, or had a civil judgment rendered against it by a court of competent jurisdiction in any matter involving fraud or official misconduct within the past three (3) years.

B. Any exceptions to this certification must be disclosed to COUNTY. Exceptions will not necessarily result in denial of recommendation for award but will be considered in determining responsibility. Disclosures must indicate the party to whom the exceptions apply, the initiating agency, and the dates of agency action.

C. Exceptions to the Federal Government Excluded Parties List System (https://sam.gov/content/home) maintained by the United States General Services Administration are to be determined by FHWA.

Article XVIII Disadvantaged Business Enterprises (DBE) Participation

A. CONTRACTOR, subrecipient (COUNTY), or subcontractor shall take necessary and reasonable steps to ensure that DBEs have opportunities to participate in the contract (49 CFR 26). To ensure equal participation of DBEs provided in 49 CFR 26.5, The COUNTY shows a contract goal for DBEs. CONTRACTOR shall make work available to DBEs and select work parts consistent with available DBE subcontractors and suppliers.

CONTRACTOR shall meet the DBE goal shown elsewhere in these special provisions or demonstrate that they made adequate Good Faith Efforts (GFE) to meet this goal. It is CONTRACTOR's responsibility to verify at the date of proposal opening that the DBE firm is certified as DBE by using the California Unified Certification Program (CUCP) database and possesses the most specific available North American Industry Classification System (NAICS) codes and work code applicable to the type of work the firm will perform on the Agreement. Additionally, the CONTRACTOR is responsible to document the verification record by printing out the CUCP data for each DBE firm. A list of DBEs certified by the CUCP can be found at https://dot.ca.gov/programs/civil-rights/dbe-search.

All DBE participation will count toward the California Department of Transportation's federally mandated statewide overall DBE goal. Credit for materials or supplies CONTRACTOR purchases from DBEs counts towards the goal in the following manner:

- One hundred percent (100 %) counts if the materials or supplies are obtained from a DBE manufacturer.

Docusign Envelope ID: 06ECB58F-CEDA-4E27-A7CE-FBF5AC4E283C

- Sixty percent (60%) counts if the materials or supplies are purchased from a DBE regular dealer.

- Only fees, commissions, and charges for assistance in the procurement and delivery of materials or supplies count if obtained from a DBE that is neither a manufacturer nor regular dealer. 49CFR26.55 defines "manufacturer" and "regular dealer."

This AGREEMENT is subject to 49 CFR Part 26 entitled "Participation by Disadvantaged Business Enterprises in Department of Transportation Financial Assistance Programs". CONTRACTORS who enter into a federally-funded agreement will assist the COUNTY in a good faith effort to achieve California's statewide overall DBE goal.

B. The goal for DBE participation for this AGREEMENT is _____%. Participation by DBE contractor or subcontractors shall be in accordance with information contained in Exhibit 10-02: Consultant Contract DBE Commitment attached hereto and incorporated as part of the AGREEMENT. If a DBE subcontractor is unable to perform, CONTRACTOR must make a good faith effort to replace him/her with another DBE subcontractor, if the goal is not otherwise met.

C. CONTRACTOR can meet the DBE participation goal by either documenting commitments to DBEs to meet the AGREEMENT goal, or by documenting adequate good faith efforts to meet the AGREEMENT goal. An adequate good faith effort means that the CONTRACTOR must show that it took all necessary and reasonable steps to achieve a DBE goal that, by their scope, intensity, and appropriateness to the objective, could reasonably be expected to meet the DBE goal. If CONTRACTOR has not met the DBE goal, complete and submit Exhibit 15-H: DBE Information – Good Faith Efforts to document efforts to meet the goal. Refer to 49 CFR Part 26 for guidance regarding evaluation of good faith efforts to meet the DBE goal.

D. Contract Assurance Under 49 CFR 26.13(b)
CONTRACTOR, subrecipient or subcontractor shall not discriminate on the basis of race, color, national origin, or sex in the performance of this AGREEMENT. CONTRACTOR shall carry out applicable requirements of 49 CFR 26 in the award and administration of federal-aid contracts.

Failure by the CONTRACTOR to carry out these requirements is a material breach of this contract, which may result in the termination of this contract or such other remedy as the recipient deems appropriate, which may include, but is not limited to:

(1) Withholding monthly progress payments;
(2) Assessing sanctions;
(3) Liquidated damages; and/or
(4) Disqualifying the CONTRACTOR from future proposing as non-responsible

E. Termination and Replacement of DBE Subcontractors
CONTRACTOR shall utilize the specific DBEs listed to perform the work and supply the materials for which each is listed unless CONTRACTOR or DBE Subcontractor obtains the COUNTY's written consent. CONTRACTOR shall not terminate or replace a listed DBE for convenience and perform the work with their own forces or obtain materials from other sources without authorization from the COUNTY. Unless the COUNTY's consent is provided, the CONTRACTOR shall not be entitled to any payment for work or material unless it is performed or supplied by the listed DBE on the Exhibit 10-02: Consultant Contract DBE Commitment form.

Docusign Envelope ID: 06ECB58F-CEDA-4E27-A7CE-FBF5AC4E283C

Termination of DBE Subconsultants

After execution of the AGREEMENT, termination of a DBE may be allowed for the following, but not limited to, justifiable reasons with prior written authorization from the COUNTY:

1. Listed DBE fails or refuses to execute a written contract based on plans and specifications for the project.

2. The COUNTY stipulated that a bond is a condition of executing the subcontract and the listed DBE fails to meet the COUNTY's bond requirements.

3. Work requires a contractor's license and listed DBE does not have a valid license under Contractors License Law.

4. Listed DBE fails or refuses to perform the work or furnish the listed materials (failing or refusing to perform is not an allowable reason to remove a DBE if the failure or refusal is a result of bad faith or discrimination).

5. Listed DBE's work is unsatisfactory and not in compliance with the contract.

6. Listed DBE is ineligible to work on the project because of suspension or debarment.

7. Listed DBE becomes bankrupt or insolvent or exhibits credit unworthiness.

8. Listed DBE voluntarily withdraws with written notice from the AGREEMENT.

9. Listed DBE is ineligible to receive credit for the type of work required.

10. Listed DBE owner dies or becomes disabled resulting in the inability to perform the work on the AGREEMENT.

11. The COUNTY determines other documented good cause.

CONTRACTOR must use the following procedures to request the termination of a DBE or portion of a DBE's work:

1. Send a written notice to the DBE of the CONTRACTOR's intent to use other forces or material sources and include one or more justifiable reasons listed above. Simultaneously send a copy of this written notice to the COUNTY. The written notice to the DBE must request they provide any response within five (5) business days to both the CONTRACTOR and the COUNTY by either acknowledging their agreement or documenting their reasoning as to why the use of other forces or sources of materials should not occur.

2. If the DBE does not respond within five (5) business days, CONTRACTOR may move forward with the request as if the DBE had agreed to CONTRACTOR's written notice.

3. Submit CONTRACTOR's DBE termination request by written letter to the COUNTY and include:
   - One or more above listed justifiable reasons along with supporting documentation.
   - CONTRACTOR's written notice to the DBE regarding the request, including proof of transmission and tracking documentation of CONTRACTOR's written notice.

Docusign Envelope ID: 06ECB58F-CEDA-4E27-A7CE-FBF5AC4E283C

- The DBE's response to CONTRACTOR's written notice, if received. If a written response was not provided, provide a statement to that effect.

The COUNTY shall respond in writing to CONTRACTOR's DBE termination request within five (5) business days.

Replacement of DBE Subcontractors

After receiving the COUNTY'S written authorization of DBE termination request, CONTRACTOR must obtain the COUNTY'S written agreement for DBE replacement. CONTRACTOR must find or demonstrate GFEs to find qualified DBE replacement firms to perform the work to the extent needed to meet the DBE commitment.

The following procedures shall be followed to request authorization to replace a DBE firm:

1. Submit a request to replace a DBE with other forces or material sources in writing to the COUNTY which must include:
   a. Description of remaining uncommitted work item made available for replacement DBE solicitation and participation.
   b. The proposed DBE replacement firm's business information, the work they have agreed to perform, and the following:
      - Description of scope of work and cost proposal
      - Proposed subcontract agreement and written confirmation of agreement to perform on the Contract
      - Revised Exhibit 10-O2: Consultant Contract DBE Commitment

2. If CONTRACTOR has not identified a DBE replacement firm, submits documentation of CONTRACTOR's GFEs to use DBE replacement firms within seven (7) days of COUNTY's authorization to terminate the DBE. CONTRACTOR may request the COUNTY's approval to extend this submittal period to a total of 14 days. Submit documentation of actions taken to find a DBE replacement firm, such as:
   - Search results of certified DBEs available to perform the original DBE work identified and or other work CONTRACTOR had intended to self-perform, to the extent needed to meet DBE commitment
   - Solicitations of DBEs for performance of work identified
   - Correspondence with interested DBEs that may have included contract details and requirements
   - Negotiation efforts with DBEs that reflect why an agreement was not reached
   - If a DBE's quote was rejected, provide reasoning for the rejection, such as why the DBE was unqualified for the work, or why the price quote was unreasonable or excessive
   - Copies of each DBE's and non-DBE's price quotes for work identified, as the COUNTY may contact the firms to verify solicitation efforts and determine if the DBE quotes are substantially higher
   - Additional documentation that supports CONTRACTOR's GFE

The COUNTY shall respond in writing to CONTRACTOR's DBE replacement request within five (5) business days.

F. Commitment and Utilization

The COUNTY's DBE program must include a monitoring and enforcement mechanism to ensure that DBE commitments reconcile to DBE utilization. The COUNTY shall request CONTRACTOR to:

Docusign Envelope ID: 06ECB58F-CEDA-4E27-A7CE-FBF5AC4E283C

1. Notify the COUNTY's Contract Administrator or designated representative of any changes to its anticipated DBE participation

2. Provide this notification before starting the affected work

3. Maintain records including:
   - Name and business address of each First-Tier subcontractor
   - Name and business address of each DBE subcontractor, DBE vendor, and DBE trucking company, regardless of tier
   - Date of payment and total amount paid to each business (see Exhibit 9-F *Monthly Disadvantaged Business Enterprise Payment*)

If CONTRACTOR is a DBE CONTRACTOR, they shall include the date of work performed by their own forces and the corresponding value of the work.

If a DBE is decertified before completing its work, the DBE must notify CONTRACTOR in writing of the decertification date. If a business becomes a certified DBE before completing its work, the business must notify CONTRACTOR in writing of the certification date. CONTRACTOR shall submit the notifications to the COUNTY. On work completion, CONTRACTOR shall complete a Disadvantaged Business Enterprises (DBE) Certification Status Change, Exhibit 17-O, form and submit the form to the COUNTY within thirty (30) days of contract acceptance.

Upon work completion, CONTRACTOR shall complete Exhibit 17-F Final Report – Utilization of Disadvantaged Business Enterprises (DBE), First-Tier Subcontractors and submit it to the COUNTY within ninety (90) days of AGREEMENT acceptance. The COUNTY will withhold ten thousand dollars ($10,000) until the form is submitted. The COUNTY will release the withhold upon submission of the completed form.

In the COUNTY's reports of DBE participation to Caltrans, the COUNTY must display both commitments and attainments.

G. COMMERCIALLY USEFUL FUNCTION

DBEs must perform a commercially useful function (CUF) under 49 CFR 26.55 when performing work or supplying materials listed on the DBE Commitment form. The DBE value of work will only count toward the DBE commitment if the DBE performs a CUF. A DBE performs a CUF when it is responsible for execution of the work of the AGREEMENT and is carrying out its responsibilities by actually performing, managing, and supervising the work involved. To perform a CUF, the DBE must also be responsible, with respect to materials and supplies used on the AGREEMENT, for negotiating price, determining quality and quantity, ordering the material, and installing (where applicable), and paying for the material itself.

CONTRACTOR must perform CUF evaluation for each DBE working on a federal-aid contract, with or without a DBE goal. Perform a CUF evaluation at the beginning of the DBE's work and continue to monitor the performance of CUF for the duration of the project.

CONTRACTOR must provide written notification to the COUNTY at least 15 days in advance of each DBE's initial performance of work or supplying materials for the AGREEMENT. The notification must include the DBE's name, work the DBE will perform on the contract, and the location, date, and time of where their work will take place.

Docusign Envelope ID: 06ECB58F-CEDA-4E27-A7CE-FBF5AC4E283C

Within 10 days of a DBE initially performing work or supplying materials on the AGREEMENT, CONTRACTOR shall submit to the LPA the initial evaluation and validation of DBE performance of a CUF using the LAPM 9-J: Disadvantaged Business Enterprise Commercially Useful Function Evaluation. Include the following information with the submittal:

- Subcontract agreement with the DBE
- Purchase orders
- Bills of lading
- Invoices
- Proof of payment

CONTRACTOR must monitor all DBE's performance of CUF by conducting quarterly evaluations and validations throughout their duration of work on the AGREEMENT t using the LAPM 9-J: DBE Commercially Useful Function Evaluation. CONTRACTOR must submit to the COUNTY these quarterly evaluations and validations by the 5th of the month for the previous three months of work.

CONTRACTOR must notify the COUNTY immediately if they believe the DBE may not be performing a CUF.

The COUNTY will verify DBEs performance of CUF by reviewing the initial and quarterly submissions of LAPM 9-J: DBE Commercially Useful Function Evaluation, submitted supporting information, field observations, and through any additional COUNTY evaluations. The COUNTY must evaluate DBEs and their CUF performance throughout the duration of the AGREEMENT. The COUNTY will provide written notice to the CONTRACTOR and the DBE at least two (2) business days prior to any evaluation. The CONTRACTOR and the DBE must participate in the evaluation. Upon completing the evaluation, the COUNTY must share the evaluation results with the CONTRACTOR and the DBE. An evaluation could include items that must be remedied upon receipt. If the COUNTY determines the DBE is not performing a CUF, the CONTRACTOR must suspend performance of the noncompliant work.

CONTRACTOR and DBEs must submit any additional CUF related records and documents within five (5) business days of COUNTY's request such as:

- Proof of ownership or lease and rental agreements for equipment
- Tax records
- Employee rosters
- Certified payroll records
- Inventory rosters

Failure to submit required DBE Commercially Useful Function Evaluation forms or requested records and documents can result in withholding of payment for the value of work completed by the DBE.

If CONTRACTOR and/or the COUNTY determine that a listed DBE is not performing a CUF in performance of their DBE committed work, CONTRACTOR must immediately suspend performance of the noncompliant portion of the work. COUNTY may deny payment for the noncompliant portion of the work. COUNTY will ask the CONTRACTOR to submit a Corrective Action Plan (CAP) to the COUNTY within five (5) days of the noncompliant CUF determination. The CAP must identify how the CONTRACTOR will correct the noncompliance findings for the remaining portion of the DBE's work. COUNTY has five (5) days to review the CAP in conjunction with the CONTRACTOR's review. The CONTRACTOR must implement the CAP within five (5) days

Docusign Envelope ID: 06ECB58F-CEDA-4E27-A7CE-FBF5AC4E283C

of the COUNTY's approval. The COUNTY will then authorize the prior noncompliant portion of work for the DBE's committed work.
If corrective actions cannot be accomplished to ensure the DBE performs a commercially useful function on the AGREEMENT, CONTRACTOR may have good cause to request termination of the DBE.

H. A DBE does not perform a CUF if its role is limited to that of an extra participant in a transaction, AGREEMENT, or project through which funds are passed in order to obtain the appearance of DBE participation. In determining whether a DBE is such an extra participant, examine similar transactions, particularly those in which DBEs do not participate.

I. If a DBE does not perform or exercise responsibility for at least thirty percent (30%) of the total cost of its AGREEMENT with its own work force, or the DBE subcontracts a greater portion of the work of the AGREEMENT than would be expected on the basis of normal industry practice for the type of work involved, it will be presumed that it is not performing a CUF.

J. CONTRACTOR shall maintain records of materials purchased or supplied from all subcontracts entered into with certified DBEs. The records shall show the name and business address of each DBE or vendor and the total dollar amount actually paid each DBE or vendor, regardless of tier. The records shall show the date of payment and the total dollar figure paid to all firms. DBE contractors shall also show the date of work performed by their own forces along with the corresponding dollar value of the work.

K. If a DBE subcontractor is decertified during the life of the AGREEMENT, the decertified subcontractor shall notify CONTRACTOR in writing with the date of decertification. If a subcontractor becomes a certified DBE during the life of the AGREEMENT, the subcontractor shall notify CONTRACTOR in writing with the date of certification. Any changes should be reported to COUNTY's Contract Administrator within thirty (30) calendar days.

L. For projects awarded on or after March 1, 2020, but before September 1, 2023: after submitting an invoice for reimbursement that includes a payment to a DBE, but no later than the 10th of the following month, the prime CONTRACTOR must complete and email Exhibit 9-F: Disadvantaged Business Enterprise Running Tally of Payments to business.support.unit@dot.ca.gov with a copy to local administering agencies.

For projects awarded on or after September 1, 2023: Exhibit 9-F is no longer required. Instead, by the 15th of the month following the month of any payment(s), the CONTRACTOR must now submit Exhibit 9-P to the COUNTY administering the contract. If the CONTRACTOR does not make any payments to subcontractors, supplier(s), and/or manufacturers they must report "no payments were made to subs this month" and write this visibly and legibly on Exhibit 9-P.

M. Any subcontract entered into as a result of this AGREEMENT shall contain all of the provisions of this section.

Article XIX Insurance

(Choose either Option 1 or Option 2)

☐ (Option 1 – For AGREEMENT with a scope of services that may require the CONTRACTOR or subcontractor to work within the operating state or County Highway Right of Way; where there would be exposure to public traffic or construction operations.)

Docusign Envelope ID: 06ECB58F-CEDA-4E27-A7CE-FBF5AC4E283C

A. Prior to commencement of the work described herein, CONTRACTOR shall furnish COUNTY a Certificate of Insurance stating that there is general comprehensive liability insurance presently in effect for CONTRACTOR with a combined single limit (CSL) of not less than one million dollars ($1,000,000) per occurrence.

B. The Certificate of Insurance will provide:

1. That the insurer will not cancel the insured's coverage without thirty (30) calendar days prior written notice to COUNTY.
2. That COUNTY, its officers, agents, employees, and servants are included as additional insureds, but only insofar as the operations under this AGREEMENT are concerned.
3. That COUNTY will not be responsible for any premiums or assessments on the policy.

C. CONTRACTOR agrees that the bodily injury liability insurance herein provided for, shall be in effect at all times during the term of this AGREEMENT. In the event said insurance coverage expires at any time or times during the term of this AGREEMENT, CONTRACTOR agrees to provide at least thirty (30) calendar days prior notice to said expiration date; and a new Certificate of Insurance evidencing insurance coverage as provided for herein, for not less than either the remainder of the term of the AGREEMENT, or for a period of not less than one (1) year. New Certificates of Insurance are subject to the approval of COUNTY. In the event CONTRACTOR fails to keep in effect at all times insurance coverage as herein provided, COUNTY may, in addition to any other remedies it may have, terminate this AGREEMENT upon occurrence of such event.

☐ (Option 2 – For AGREEMENTS with a scope of services that will not require the Contractor or subcontractor to work within the operating State or County Highway Right of Way where there would be exposure to public traffic or construction Contractor operations.)
CONTRACTOR is not required to show evidence of general comprehensive liability insurance.

Article XX Funding Requirements

A. It is mutually understood between the parties that this AGREEMENT may have been written before ascertaining the availability of funds or appropriation of funds, for the mutual benefit of both parties, in order to avoid program and fiscal delays that would occur if the AGREEMENTs were executed after that determination was made.

B. This AGREEMENT is valid and enforceable only if sufficient funds are made available to COUNTY for the purpose of this AGREEMENT. In addition, this AGREEMENT is subject to any additional restrictions, limitations, conditions, or any statute enacted by the Congress, State Legislature, or COUNTY governing board that may affect the provisions, terms, or funding of this AGREEMENT in any manner.

C. It is mutually agreed that if sufficient funds are not appropriated, this AGREEMENT may be amended to reflect any reduction in funds.

D. COUNTY has the option to terminate the AGREEMENT pursuant to Article VI Termination, or by mutual agreement to amend the AGREEMENT to reflect any reduction of funds.

Article XXI Change in Terms

A. This AGREEMENT may be amended or modified only by mutual written agreement of the parties.

B. CONTRACTOR shall only commence work covered by an amendment after the amendment is

Docusign Envelope ID: 06ECB58F-CEDA-4E27-A7CE-FBF5AC4E283C

executed and notification to proceed has been provided by COUNTY's Contract Administrator.

C. There shall be no change in CONTRACTOR's Project Manager or members of the project team, as listed in the approved Cost Proposal, which is a part of this AGREEMENT without prior written approval by COUNTY's Contract Administrator.

Article XXI Contingent Fee

CONTRACTOR warrants, by execution of this AGREEMENT that no person or selling agency has been employed, or retained, to solicit or secure this AGREEMENT upon an agreement or understanding, for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees, or bona fide established commercial or selling agencies maintained by CONTRACTOR for the purpose of securing business. For breach or violation of this warranty, COUNTY has the right to annul this AGREEMENT without liability; pay only for the value of the work actually performed, or in its discretion to deduct from the AGREEMENT price or consideration, or otherwise recover the full amount of such commission, percentage, brokerage, or contingent fee.

Article XXII Disputes

Prior to either party commencing any legal action under this AGREEMENT, the parties agree to try in good faith, to settle any dispute amicably between them. If a dispute has not been settled after forty-five (45) days of good-faith negotiations and as may be otherwise provided herein, then either party may commence legal action against the other.

(Choose either Option 1 or Option 2)

☐ (Option 1- Use paragraphs A through C below for all AGREEMENTs without PS&E submittal)

A. Any dispute, other than audit, concerning a question of fact arising under this AGREEMENT that is not disposed of by agreement shall be decided by a committee consisting of COUNTY's Contract Administrator and _____, who may consider written or verbal information submitted by CONTRACTOR.

B. Not later than thirty (30) calendar days after completion of all work under the contract, CONTRACTOR may request review by COUNTY Governing Board of unresolved claims or disputes, other than audit. The request for review will be submitted in writing.

C. Neither the pendency of a dispute, nor its consideration by the committee will excuse CONTRACTOR from full and timely performance in accordance with the terms of this AGREEMENT.

☐ (Option 2 – Replace Paragraph B, above, with the following for AGREEMENTS requiring the submission of PS&E)

B. Not later than thirty (30) calendar days after completion of all deliverables necessary to complete the plans, specifications and estimate, CONTRACTOR may request review by COUNTY Governing Board of unresolved claims or disputes, other than audit. The request for review will be submitted in writing.

Article XXIV Inspection of Work

CONTRACTOR and any subcontractor shall permit COUNTY, the state, and the FHWA if federal participating funds are used in this AGREEMENT; to review and inspect the project activities and files at all reasonable times during the performance period of this AGREEMENT.

Docusign Envelope ID: 06ECB58F-CEDA-4E27-A7CE-FBF5AC4E283C

Article XXV Safety

A. CONTRACTOR shall comply with OSHA regulations applicable to CONTRACTOR regarding necessary safety equipment or procedures. CONTRACTOR shall comply with safety instructions issued by COUNTY Safety Officer and other COUNTY representatives. CONTRACTOR personnel shall wear hard hats and safety vests at all times while working on the construction project site.

B. Pursuant to the authority contained in Vehicle Code §591, COUNTY has determined that such areas are within the limits of the project and are open to public traffic. CONTRACTOR shall comply with all of the requirements set forth in Divisions 11, 12, 13, 14, and 15 of the Vehicle Code. CONTRACTOR shall take all reasonably necessary precautions for safe operation of its vehicles and the protection of the traveling public from injury and damage from such vehicles.

C. Any subcontract entered into as a result of this contract, shall contain all of the provisions of this Article.

(Add the following paragraph to all AGREEMENTS which may require trenching of five (5) feet or deeper)

D. CONTRACTOR must have a Division of Occupational Safety and Health (CAL-OSHA) permit(s), as outlined in Labor Code §6500 and §6705, prior to the initiation of any practices, work, method, operation, or process related to the construction or excavation of trenches which are five (5) feet or deeper.

Article XXVI Ownership of Data

A. It is mutually agreed that all materials prepared by CONTRACTOR under this AGREEMENT shall become the property of COUNTY, and CONTRACTOR shall have no property right therein whatsoever. Immediately upon termination, COUNTY shall be entitled to, and CONTRACTOR shall deliver to COUNTY, reports, investigations, appraisals, inventories, studies, analyses, drawings and data estimates performed to that date, whether completed or not, and other such materials as may have been prepared or accumulated to date by CONTRACTOR in performing this AGREEMENT which is not CONTRACTOR's privileged information, as defined by law, or CONTRACTOR's personnel information, along with all other property belonging exclusively to COUNTY which is in CONTRACTOR's possession. Publication of the information derived from work performed or data obtained in connection with services rendered under this AGREEMENT must be approved in writing by COUNTY.

B. Additionally, it is agreed that the Parties intend this to be an AGREEMENT for services and each considers the products and results of the services to be rendered by CONTRACTOR hereunder to be work made for hire. CONTRACTOR acknowledges and agrees that the work (and all rights therein, including, without limitation, copyright) belongs to and shall be the sole and exclusive property of COUNTY without restriction or limitation upon its use or dissemination by COUNTY.

C. Nothing herein shall constitute or be construed to be any representation by CONTRACTOR that the work product is suitable in any way for any other project except the one detailed in this AGREEMENT. Any reuse by COUNTY for another project or project location shall be at COUNTY's sole risk.

D. Applicable patent rights provisions regarding rights to inventions shall be included in the contracts as appropriate (48 CFR 27 Subpart 27.3 -Patent Rights under Government Contracts for

Docusign Envelope ID: 06ECB58F-CEDA-4E27-A7CE-FBF5AC4E283C

federal-aid contracts).

E. COUNTY may permit copyrighting reports or other agreement products. If copyrights are permitted; the AGREEMENT shall provide that the FHWA shall have the royalty-free nonexclusive and irrevocable right to reproduce, publish, or otherwise use; and to authorize others to use, the work for government purposes.

Article XXVII Claims Filed by County's Construction Contractor

A. If claims are filed by COUNTY's construction contractor relating to work performed by CONTRACTOR's personnel, and additional information or assistance from CONTRACTOR's personnel is required in order to evaluate or defend against such claims; CONTRACTOR agrees to make its personnel available for consultation with COUNTY'S construction contract administration and legal staff and for testimony, if necessary, at depositions and at trial or arbitration proceedings.

B. CONTRACTOR's personnel that COUNTY considers essential to assist in defending against construction contractor claims will be made available on reasonable notice from COUNTY. Consultation or testimony will be reimbursed at the same rates, including travel costs that are being paid for CONTRACTOR's personnel services under this AGREEMENT.

C. Services of CONTRACTOR's personnel in connection with COUNTY's construction contractor claims will be performed pursuant to a written contract amendment, if necessary, extending the termination date of this AGREEMENT in order to resolve the construction claims.

Article XXVIII Confidentiality of Data

A. All financial, statistical, personal, technical, or other data and information relative to COUNTY's operations, which are designated confidential by COUNTY and made available to CONTRACTOR in order to carry out this AGREEMENT, shall be protected by CONTRACTOR from unauthorized use and disclosure.

B. Permission to disclose information on one occasion, or public hearing held by COUNTY relating to the AGREEMENT, shall not authorize CONTRACTOR to further disclose such information, or disseminate the same on any other occasion.

C. CONTRACTOR shall not comment publicly to the press or any other media regarding the contract or COUNTY's actions on the same, except to COUNTY's staff, CONTRACTOR's own personnel involved in the performance of this AGREEMENT, at public hearings or in response to questions from a Legislative committee.

D. CONTRACTOR shall not issue any news release or public relations item of any nature, whatsoever, regarding work performed or to be performed under this contract without prior review of the contents thereof by COUNTY, and receipt of COUNTY's written permission.

E. Any sub agreement entered into as a result of this AGREEMENT shall contain all of the provisions of this Article.

(For PS&E contracts, add paragraph F below, to paragraphs A through E above)

F. All information related to the construction estimate is confidential and shall not be disclosed by CONTRACTOR to any entity other than COUNTY, Caltrans, and/or FHWA. All of the materials prepared or assembled by CONTRACTOR pursuant to performance of this AGREEMENT are

Docusign Envelope ID: 06ECB58F-CEDA-4E27-A7CE-FBF5AC4E283C

confidential and CONTRACTOR agrees that they shall not be made available to any individual or organization without the prior written approval of COUNTY or except by court order. If CONTRACTOR or any of its officers, employees, or subcontractors does voluntarily provide information in violation of this AGREEMENT, COUNTY has the right to reimbursement and indemnity from CONTRACTOR for any damages caused by CONTRACTOR releasing the information, including, but not limited to, COUNTY's attorney's fees and disbursements, including without limitation experts' fees and disbursements.

Article XXIX National Labor Relations Board Certification

In accordance with Public Contract Code Section 10296, CONTRACTOR hereby states under penalty of perjury that no more than one final unappealable finding of contempt of court by a federal court has been issued against CONTRACTOR within the immediately preceding two (2)-year period, because of CONTRACTOR's failure to comply with an order of a federal court that orders CONTRACTOR to comply with an order of the National Labor Relations Board.

Article XXX Evaluation of Contractor

CONTRACTOR's performance will be evaluated by COUNTY. A copy of the evaluation will be sent to CONTRACTOR for comments. The evaluation together with the comments shall be retained as part of the AGREEMENT record.

Article XXXI Prompt Payment

A. PROMPT PAYMENT FROM LOCAL AGENCY TO CONTRACTOR

The COUNTY shall make all project progress payments within 30 days after receipt of an undisputed and properly submitted payment request from CONTRACTOR. If COUNTY fails to pay promptly, the COUNTY shall pay interest to the CONTRACTOR, which accrues at the rate of 10 percent per annum on the principal amount of a money judgment remaining unsatisfied and pro-rated as necessary. Upon receipt of the payment request, the COUNTY shall act in accordance with both of the following:

(1) The COUNTY shall review each payment request as soon as feasible after receipt to verify it is a proper payment request.

(2) The COUNTY must return any payment request deemed improper by the COUNTY to the CONTRACTOR as soon as feasible, but not later than seven (7) days, after receipt. A request returned pursuant to this paragraph shall include documentation setting forth in writing the reasons why it is an improper payment request.

B. PROMPT PAYMENT CERTIFICATION

For projects awarded on or after September 1, 2023: the CONTRACTOR must now submit Exhibit 9-P to the COUNTY administering the AGREEMENT by the 15th of the month following the month of any payment(s). If the CONTRACTOR does not make any payments to subconsultants, supplier(s), and/or manufacturers they must report "no payments were made to subs this month" and write this visibly and legibly on Exhibit 9-P.

The COUNTY must verify all Exhibit 9-P information, monitor compliance with prompt payment requirements for DBE and non-DBE firms, and address any shortfalls to the DBE commitment and prompt payment issues until the end of the project. The COUNTY must email a copy of Exhibit 9-P to dbe.forms@dot.ca.gov before the end of the month after receiving the Exhibit 9-P from the CONTRACTOR.

ARTICLE XXXII TITLE VI ASSURANCES

APPENDICES A-E of the TITLE VI ASSURANCES

[The United States (US) Department of Transportation (DOT) Order No. 1050.2A requires all federal-aid DOT contracts between an agency and a CONTRACTOR to contain Appendices A and E of the Title VI Assurances. Include Appendices B, C, and D if appliable as shown below. In addition, the CONTRACTOR must include the Title VI Assurances Appendices A and E, and if applicable Appendices B, C, and D in all subcontracts to perform work under the AGREEMENT.

The clauses of Appendix B of this Assurance shall be included as a covenant running with the land, in any deed from the US effecting or recording a transfer of real property, structures, use, or improvements thereon or interest therein to COUNTY.

The clauses set forth in Appendix C and Appendix D of this Assurance shall be included as a covenant running with the land, in any future deeds, leases, licenses, permits, or similar instruments entered into by the COUNTY with other parties:

a. for the subsequent transfer of real property acquired or improved under the applicable activity, project, or program; and

b. for the construction or use of, or access to, space on, over, or under real property acquired or improved under the applicable activity, project, or program.]

APPENDIX A

During the performance of this Agreement, the CONTRACTOR, for itself, its assignees and successors in interest (hereinafter collectively referred to as CONTRACTOR) agrees as follows:

a. Compliance with Regulations: CONTRACTOR shall comply with the regulations relative to nondiscrimination in federally assisted programs of the Department of Transportation, Title 49, Code of Federal Regulations, Part 21, as they may be amended from time to time, (hereinafter referred to as the REGULATIONS), which are herein incorporated by reference and made a part of this agreement.

b. Nondiscrimination: CONTRACTOR, with regard to the work performed by it during the AGREEMENT, shall not discriminate on the grounds of race, color, sex, national origin, religion, age, or disability in the selection and retention of sub-applicants, including procurements of materials and leases of equipment. CONTRACTOR shall not participate either directly or indirectly in the discrimination prohibited by Section 21.5 of the Regulations, including employment practices when the agreement covers a program set forth in Appendix B of the Regulations.

c. Solicitations for Sub-agreements, Including Procurements of Materials and Equipment: In all solicitations either by competitive bidding or negotiation made by CONTRACTOR for work to be performed under a Sub-agreement, including procurements of materials or leases of equipment, each potential sub-applicant or supplier shall be notified by CONTRACTOR of the CONTRACTOR's obligations under this Agreement and the Regulations relative to nondiscrimination on the grounds of race, color, or national origin.

d. Information and Reports: CONTRACTOR shall provide all information and reports required by the Regulations, or directives issued pursuant thereto, and shall permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by the recipient or FHWA to be pertinent to ascertain compliance with such Regulations or directives. Where any information required of CONTRACTOR is in the exclusive possession of another who fails or refuses to furnish this information, CONTRACTOR shall so certify to the recipient or FHWA as appropriate and shall set forth what efforts CONTRACTOR has made to obtain the information.

e. Sanctions for Noncompliance: In the event of CONTRACTOR's noncompliance with the nondiscrimination provisions of this agreement, the recipient shall impose such agreement sanctions as it or the FHWA may determine to be appropriate, including, but not limited to:

   i. withholding of payments to CONTRACTOR under the Agreement within a reasonable period of time, not to exceed 90 days; and/or

   ii. cancellation, termination or suspension of the Agreement, in whole or in part.

f. Incorporation of Provisions: CONTRACTOR shall include the provisions of paragraphs (1) through (6) in every sub-agreement, including procurements of materials and leases of equipment, unless exempt by the Regulations, or directives issued pursuant thereto.

CONTRACTOR shall take such action with respect to any sub-agreement or procurement as the recipient or FHWA may direct as a means of enforcing such provisions including sanctions for noncompliance, provided, however, that, in the event CONTRACTOR becomes involved in, or is threatened with, litigation with a sub-applicant or supplier as a result of such direction, CONTRACTOR may request the recipient enter into such litigation to protect the interests of the State, and, in addition, CONTRACTOR may request the United States to enter into such litigation to protect the interests of the United States.

APPENDIX B
CLAUSES FOR DEEDS TRANSFERRING UNITED STATES PROPERTY

The following clauses will be included in deeds effecting or recording the transfer of real property, structures, or improvements thereon, or granting interest therein from the United States pursuant to the provisions of Assurance 4:

NOW THEREFORE, the US DOT as authorized by law and upon the condition that the recipient will accept title to the lands and maintain the project constructed thereon in accordance with Title 23 U.S.C., the regulations for the administration of the preceding statute, and the policies and procedures prescribed by the FHWA of the US DOT in accordance and in compliance with all requirements imposed by Title 49, Code of Federal Regulations, US DOT, Subtitle A, Office of the Secretary, Part 21, Non-discrimination in Federally-assisted programs of the US DOT pertaining to and effectuating the provisions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252; 42 U.S.C. § 2000d to 2000d-4), does hereby remise, release, quitclaim and convey unto the recipient all the right, title and interest of the US DOT in and to said lands described in Exhibit A attached hereto and made a part hereof.
