W. McKinsey and Claribel C. McKinsey), which encompassed a large land area; and

WHEREAS, the zoning for all parcels is Permanent Grazing, 40 acre minimum (PG/40); and

WHEREAS, the Lot Line Adjustment which will result in two (2) reconfigured parcels consisting of approximately 1,295 acres (Proposed Parcel 1) and 949 acres (Proposed Parcel 2) with no net decrease in acreage under the Williamson Act Contract; and

WHEREAS, The Lot Line Adjustment would align the parcels to run along Wild Horse Canyon Road and; therefore, increase the utility of the grazing land, as each ranch will be defined and fenced on each side of Wild Horse Canyon Road. The grazing operations will continue on the reconfigured parcels.

WHEREAS, the Board of Supervisors finds that the proposed Lot Line Adjustment of property is consistent with policies of the 2010 Monterey County General Plan, the Central Salinas Valley Area Plan, regulations in the Zoning Ordinance (Title 21 of the Monterey County Code) and the Subdivision Ordinance (Title 19 of the Monterey County Code), and Section 51257 of the California Government Code (Williamson Act), and current County Agricultural Preserve Policies or Procedures as evidenced below; and,

1. FINDING: CONSISTENCY – The project, as described in Condition No. 1 and as conditioned, conforms to the policies, requirements, and standards of the 2010 Monterey County General Plan, Central Salinas Valley Area Plan, the Monterey County Zoning Ordinance (Title 21), the Monterey County Subdivision Ordinance (Title 19 - Inland Subdivision Ordinance), and Section 51257 of the California Government Code (Williamson Act).

EVIDENCE:

(a) The text, policies, and regulations in the above referenced documents have been evaluated during the course of review of this application. No conflicts between these documents and this application were found to exist. No communications were received during the course of review of the project indicating any project inconsistencies with the text, policies, and regulations in these documents.

(b) The subject parcels are located on Wildhorse Canyon Road, Southeast of King City in unincorporated County of Monterey. The two (2) parcel's current configuration consists of approximately 1,440.5 acres (APNs 420- 091-015; 420-091-022; and 420-091-023-Existing Parcel II) and 803.5 acres (APNs 420-091-016; 420-091-017; and 420-091-021- Existing Parcel IV). The project will result in two (2) reconfigured parcels of 1,295 acres (Proposed Parcel 1) and 949 acres (Proposed Parcel 2). Both parcels have a grazing operation and are under Williamson Act Agricultural Preserve Land Conservation Contract No. 69-23 established pursuant to Board Resolution No. 69-35-23, Document No. G 05477, recorded at Reel 595, Page 616 (between the County and Jack Copley) and LCC No. 69-23 established pursuant to Board Resolution No. 69-35-23, Document G 05480, recorded at Reel 595, Page 638 (between the County and J. W. McKinsey and Claribel C. McKinsey). The zoning designation for both parcels is Permanent Grazing, 40-acre minimum lot size PG/40.

(c) The property owners have requested this lot line adjustment in order to align the parcels to run along Wild Horse Canyon Road and; therefore, increase the utility of the grazing land, as each ranch will be defined and fenced on each side of Wildhorse Canyon Road, and to better continue the grazing operations on the reconfigured parcels.

(d) The reconfigured parcels would continue to meet the minimum parcel size requirement of 40 acres per the PG/40 zoning designation.

(e) Both properties are under Land Conservation Contracts (LCC) No. 69-23 established pursuant to Board Resolution No. 69-35-23, Document No. G 05477, recorded at Reel 595, Page 616 (between the County and Jack Copley) and LCC No. 69-23 established pursuant to Board Resolution No. 69-35-23, Document G 05480, recorded at Reel 595, Page 638 (between the County and J. W. McKinsey and Claribel C. McKinsey).

(f) The proposed lot line adjustment would promote appropriate and orderly growth and development while protecting desirable land uses, in this case agricultural land uses. The proposed lot line adjustment would: produce a superior lot configuration; promote resource conservation as agricultural is a resource in this County; better achieve the goals, policies, and objectives of the General Plan; and, facilitate routine and ongoing agricultural activities.

(g) The application, plans, and related support materials found in Planning File No. PLN180103.

2. FINDING: SITE SUITABILITY – The site is physically suitable for the use proposed. **EVIDENCE:**

(a) The project has been reviewed for site suitability by the following departments and agencies: RMA - Planning Division, South County Fire Protection District, RMA-Public Works, RMA- Environmental Services and Environmental Health Bureau. There has been no indication from these departments/agencies that the site is not suitable for the proposed Lot Line Adjustment. Conditions have been incorporated accordingly.

(b) The application, plans, and related support materials found in Planning File No. PLN180103.

(c) The Lot Line Adjustment would not result in any new developable parcels or an adjusted lot that is inconsistent with the general plan or with the subject Agricultural Preserve LCC No. 69-23 established

pursuant to Board Resolution No. 69-35-23, Document No. G 05477, recorded at Reel 595, Page 616 (between the County and Jack Copley) and LCC No. 69-23 established pursuant to Board Resolution No. 69-35-23, Document G 05480, recorded at Reel 595, Page 638 (between the County and J. W. McKinsey and Claribel C. McKinsey).

3. FINDING: CONFORMANCE WITH SUBDIVISION ORDINANCE AND PARCEL LEGALITY DETERMINATION - Pursuant to Section 19.09.025.B.1 of the Monterey County Subdivision Ordinance (Title 19), the Lot Line Adjustment is between two (2) or more existing adjacent lots.

EVIDENCE:

- (a) The subject Lot Line Adjustment is between two (2) existing adjacent parcels.
- (b) The application, plans, and related support materials can be found in Planning File No. PLN180103.

4. FINDING: NO NEW LOTS CREATED – Pursuant to the Monterey County Code (MCC) Section 19.09.025.B.2 (Title 19 – Subdivision Ordinance), a greater number of parcels or lots than originally existed will not be created as a result of the Lot Line Adjustment.

EVIDENCE:

- (a) The existing two (2) contiguous parcels of record will be adjusted, resulting in two (2) parcels. The proposed Lot Line Adjustment would not result in more developable parcels and would not compromise the long-term agricultural productivity of the existing grazing operation. Furthermore, no agriculture will be taken out of production.
- (b) The application, plans, and related support materials found in Planning File No. PLN180103.

5. FINDING: CONTIGUOUS LOTS OF RECORD – Pursuant to MCC Section 19.09.025.B.3 (Title 19 – Subdivision Ordinance), the parcels resulting from the Lot Line Adjustment conform to the County Zoning and Building Ordinances and are contiguous parcels.

EVIDENCE:

- (a) The application and plans for a Lot Line Adjustment found in Planning File No. PLN180103.
- (b) See evidence in Finding 1, above.

6. FINDING: California Environmental Quality Act (CEQA) – The project is categorically exempt from environmental review.

EVIDENCE:

- (a) Guidelines for CEQA, California Code of Regulations, Title 14, Chapter 3, Section 15305(a) categorically exempts Lot Line Adjustments, side yard, and setback variances in areas with an average natural slope of less than 20% not resulting in the creation of any new parcel.
- (b) Section 15317 of the CEQA Guidelines categorically exempts the establishment of agricultural preserves, the making and renewing of Open Space Contracts under the Williamson Act, or the acceptance of easements or fee interests in order to maintain the open space character of the area.
- (c) Based on a review of the project plans, approval of the project would not result in any potentially adverse impacts. No additional development is proposed with this project.
- (d) See preceding findings and related evidence.

7. FINDING: PUBLIC NOTICE - Public notice of the pending Lot Line Adjustment was provided pursuant to MCC Section 19.01.055, (Title 19 - Subdivisions).

EVIDENCE:

Materials in Planning File No. PLN180103.

8. FINDING: NO VIOLATIONS - The subject property is in compliance with all rules and regulations pertaining to zoning uses, subdivision, and any other applicable provisions of the County's Zoning Ordinance (Title 21). No violations exist on the property.

EVIDENCE:

Staff has reviewed Monterey County RMA - Planning Division and Building Services Division records and is not aware of any violations existing on the subject property.

9. FINDING: HEALTH AND SAFETY - The establishment, maintenance, or operation of the project applied for will not under the circumstances of this particular case be detrimental to the health, safety, peace, morals, comfort, and general welfare of persons residing or working in the neighborhood of such proposed use, or be detrimental or injurious to property and improvements in the neighborhood or to the general welfare of the County.

EVIDENCE:

See preceding findings #1, #2, #3, #4 and #5 and supporting evidence.

10. FINDING: WILLIAMSON ACT – CONTRACTS – Pursuant to California Government Code Section 51257(a)(1), the new or amended Contract or Contracts would enforceably restrict the adjusted boundaries of the parcel for an initial term for at least as long as the unexpired term of the rescinded Contract or Contracts, but for not less than ten (10) years.

EVIDENCE:

(a) The proposed amendment or amendments to Agricultural Preserve LCC No. 69-23 (initially established between the County and Copley and between the County and McKinsey) shall be applicable to the reconfigured parcels.

(b) The terms of the original Land Conservation Contracts renew annually on each succeeding January 1; the terms of the new or amended Contract or Contracts shall be automatically renewed on January 1 and one (1) additional year shall be added automatically to the initial terms unless notice of nonrenewal is given.

11. FINDING: WILLIAMSON ACT – NO NET ACREAGE DECREASE - Pursuant to California Government Code Section 51257(a)(2), there is no net decrease in the amount of the acreage restricted.

EVIDENCE:

(a) The Lot Line Adjustment will reconfigure the lots but will not result in a net loss of acreage currently under Contract. Therefore, the Lot Line Adjustment would not result in a net decrease in the amount of the acreage restricted.

(b) A condition of approval shall require that a surveyor prepare legal descriptions for each newly configured parcel and submit them to RMA- Planning for review and approval for recordation with the Monterey County Recorder's office as attachments to the Certificates of Compliance for the reconfigured parcels.

(c) The application, plans, and related support materials found in Planning File No. PLN180103.

12. FINDING: WILLIAMSON ACT – NEW CONTRACTS - Pursuant to California Government Code Section 51257(a)(3), at least 90 percent of the land under the former Contract or Contracts remains under the new or amended Contract or Contracts.

EVIDENCE:

(a) The proposed new or amended Contract or Contracts will continue to cover at least 90 percent of the subject lots under Land Conservation Land Conservation Contracts (LCC) No. 69-23 established pursuant to Board Resolution No. 69-35-23, Document No. G 05477, recorded at Reel 595, Page 616 (between the County and Jack Copley) and LCC No. 69-23 established pursuant to Board Resolution

No. 69-35-23, Document G 05480, recorded at Reel 595, Page 638 (between the County and J. W. McKinsey and Claribel C. McKinsey).

(b) The application and plans for a Lot Line Adjustment found in Planning File No. PLN180103.

13. FINDING: WILLIAMSON ACT – SUSTAIN AGRICULTURAL USE - Pursuant to California Government Code Section 51257(a)(4), after the Lot Line Adjustment, the parcels of land subject to Contract will be large enough to sustain their agricultural use, as defined in Section 51222.

EVIDENCE:

(a) The proposed Lot Line Adjustment shall reflect the redistribution of 306.93 acres of land under a Williamson Act Land Conservation Contract.

(b) Pursuant to California Government Code Section 51222 (Williamson Act), “agricultural land shall be presumed to be in parcels large enough to sustain their agricultural use if the land is (1) at least 10 acres in size in the case of prime agricultural land, or (2) at least 40 acres in size in the case of land which is not prime agricultural land.” The total acreage involved in the subject Lot Line Adjustment is 2,244 acres in total and 2,244 acres of this sum is currently under a Contract.

(c) County of Monterey Board of Supervisors Resolution No. 01-485 requires that agricultural preserves will not be considered unless the group of contiguous parcels included in the preserve contains 100 or more acres, or 40 or more acres if the Board finds that smaller preserves are necessary due to the unique characteristics of the agricultural enterprises in the area. The subject Lot Line Adjustment will retain all of the 2,244 acres in commercial agricultural production within Agricultural Preserve No. 69-23 under LCC No. 69-23 established pursuant to Board Resolution No. 69-35- 23, Document No. G 05477, recorded at Reel 595, Page 616 (between the County and Jack Copley) and LCC No. 69-23 established pursuant to Board Resolution No. 69-35-23, Document G 05480, recorded at Reel 595, Page 638 (between the County and J. W. McKinsey and Claribel C. McKinsey).

(d) The application plans, and related support materials found in Planning File No. PLN180103.

14. FINDING: WILLIAMSON ACT – LONG-TERM AGRICULTURAL PRODUCTIVITY -

Pursuant to California Government Code Section 51257(a)(5), the Lot Line Adjustment would not compromise the long-term agricultural productivity of the parcel or other agricultural lands subject to a Contract or Contracts.

EVIDENCE:

(a) The purpose of the Lot Line Adjustment is for estate planning reasons. The Lot Line Adjustment will align the parcels to run along Wild Horse Canyon Road and; therefore, increase the utility of the grazing land, as each ranch will be defined and fenced on each side of Wild Horse Canyon Road. The grazing operations will continue on the reconfigured parcels. The resultant parcels would allow the property owners to efficiently sustain their agricultural operation.

(b) The application plans, and related support materials found in Planning File No. PLN180103.

15. FINDING: WILLIAMSON ACT – ADJACENT AGRICULTURAL LAND USE - Pursuant to California Government Code Section 51257(a)(6), the Lot Line Adjustment is not likely to result in the removal of adjacent land from agricultural use.

EVIDENCE:

(a) The subject parcels and surrounding area are designated as Permanent Grazing – 40 acre minimum Zoning District (“PG/40”). The Lot Line Adjustment will not affect current agricultural operations on the subject properties and on adjacent properties. No physical development is proposed. The adjustment would not allow any uses that could not also occur under the current configuration.

(b) The application and plans for a Lot Line Adjustment found in Planning File No. PLN180103.

16. FINDING: WILLIAMSON ACT – NO NEW DEVELOPABLE PARCELS - Pursuant to California Government Code Section 51257(a)(7), the Lot Line Adjustment does not result in a greater number of developable parcels than existed prior to the adjustment, or an adjusted lot that is inconsistent with the general plan.

EVIDENCE:

- (a) The two (2) reconfigured lots do not result in a greater number of developable parcels than existed prior to the adjustment. See Finding 4.
- (b) The application, plans, and related support materials found in Planning File No. PLN180103.

NOW THEREFORE, BE IT RESOLVED that the Board of Supervisors hereby:

- a. Finds that the project is a Lot Line Adjustment not resulting in a new parcel, which qualifies as a Class 5 Categorical Exemption per California Environmental Quality Act (CEQA) Guidelines California Code of Regulations (CCR) Section 15305(a), and there are no exceptions pursuant to CEQA Guidelines CCR Section 15300.2;
- b. Approves a Lot Line Adjustment between two (2) existing legal lots of record (under Williamson Act Agricultural Preserve No. 69-23 under LCC No. 69-23 established pursuant to Board Resolution No. 69-35-23, Document No. G 05477, recorded at Reel 595, Page 616 (between the County and Jack Copley) and LCC No. 69-23 established pursuant to Board Resolution No. 69-35-23, Document G 05480, recorded at Reel 595, Page 638 (between the County and J. W. McKinsey and Claribel C. McKinsey) of approximately 803.5 acres (Existing Parcel IV) and 1,440.5 acres (Existing Parcel II), resulting in two (2) legal lots of record of 1,295 acres (Proposed Parcel 1) and 949 acres (Proposed Parcel 2) with no net decrease in acreage under the Williamson Act Contracts;
- c. Authorizes the Chair to execute a new or amended Land Conservation Contract or Contracts in order to rescind a portion of the existing Land Conservation Contracts as applicable to the reconfigured lots only and simultaneously execute a new or amended Land Conservation Contract or Contracts for the reconfigured lots between the County and the property owners reflecting the new legal description, current ownership interests and to incorporate any legislative changes to State Williamson Act provisions and current County Agricultural Preserve Policies or Procedures; and
- d. Directs the Clerk of the Board to record the new or amended Land Conservation Contract or Contracts subject to the submittal of the appropriate recording fees from the property owners of record.

In general conformance with the attached sketch and plans, and subject to the attached conditions all being attached hereto and incorporated herein by this reference.
