### SUMMARY/DISCUSSION:

The Board of Supervisors approved the Final Map and Subdivision Improvement Agreement ("Agreement") for the Saddle Road Subdivision on May 11, 2010. The Agreement required provision of a Faithful Performance Security, and a Labor and Materials Security in an amount

totaling \$96,228. Security was provided by a Certificate of Deposit (“CD”) with Bank of America in the amount of \$68,764.53, and by a CD with Union Bank in the amount of \$27,463.47.

The sub divider has completed the water infrastructure improvements required by the Agreement. The sub divider’s consulting engineer has inspected the infrastructure improvements and has certified that completion is in conformance with the approved plans. The final documentation for proof of completion was submitted to the Monterey County Health Department, Environmental Health Bureau on March 23, 2017.

The Faithful Performance Security portion of the CDs totaled \$64,152; and a portion in the amount of \$27,895.20 can now be released in accordance with Government Code Section 66499.7(a) of the Subdivision Map Act. A balance of \$36,256.80 will be retained to cover the Warranty Security required by the Agreement and will remain in the CDs with the Bank of America and Union Bank, or will be replaced with another approved security in the same amount and filed with the Clerk to the Board of Supervisors as specified in the Agreement. Any interest paid to the accounts is the property of the owner. The Warranty Security will be released after the period of one (1) year if the water system improvements continue to function satisfactorily.

The Labor and Materials Security portion of the CDs, in the amount of \$32,076, can be released in accordance with Government Code Section 66499.7(h) of the Subdivision Map Act after the passage of time within which claims of lien are required to be recorded, which in this instance is sixty (60) days after the notice of completion is recorded.

While this work is not directly in support of a Health Department strategic initiative, it is in support of one or more of the ten essential health services, specifically, 6. Enforce laws and regulations that protect health and ensure safety.
