Other Board Matters

12. Board Comments
- Supervisor Jane Parker and Supervisor Luis A. Alejo passed on Board comments this week.**
- Supervisor Chris Lopez commented last Thursday they had a ground breaking down in Greenfield which he thanked the Board for their support. Supervisor Alejo attended and Josh Stratton from Supervisor Phillips' office almost attended; however, had a flat tire and did not make it. They did the groundbreaking and are excited to be moving the office into the district. He also wanted to congratulate Air Energy from San Ardo as they were just named one of the top places to work from Forbes. They were number 3 on the list and he wanted to congratulate them. This weekend he also got to go out and place a brand new mini library, in honor of Bee Heckman, a teacher down in**

Greenfield. They were able to put that out in the Arroyo Seco community which they considered a book desert. The Kiwanis Literacy Club donated over seven hundred books to fill that mini library. They encourage people to take and keep the books and switch them out over the years so they can create a good robust exchange program there. It's located at the firehouse in Arroyo Seco and it's a cute little library. It even lights up and the doors auto close after a short period of time so it's a great little resource for that rural community.

Supervisor Mary L. Adams shared we had a wonderful traffic experience with the U.S. Open and that this is traffic meeting week in Monterey County. We have a Caltrans meeting on Big Sur Transportation demand management at Palo Corona on Wednesday, June 26th at 5:30 p.m.. The Carmel Valley Road Advisory Committee at the Monterey County Courthouse in Monterey, Thursday, June 27th at 10:00 a.m. and we have the Big Sur Advisory Committee meeting Friday, June 28th at 10:00 a.m. at The Grange in Big Sur. She's mentioning all of these meetings because with the whole issue that we have around traffic particularly when it comes to big events in our community we really want the public to understand that there are so many different places we are working together to address the issues. They are going to be having their first car week which has now become car two week meeting earlier next month so they can be convening a multi-agency traffic mitigation meeting as last year which was proved to be helpful to people.

Supervisor John M. Phillips shared he and Supervisor Chris Lopez will be having a town hall meeting tomorrow, June 26, 2019, at 5:30 p.m. in the Board Chambers on HEMP to get input from the public before bringing it to the Board.
