Supervisor Louis Calcagno
County of Monterey
P O Box 787
Castroville, CA 95012

Dear Supervisor,

The District is moving forward on the Oakridge/Via Del Sol annexation, it will be on the LAFCo agenda June 25, 2012 for approval. We are working simultaneously on the USDA funding and forming the Assessment District. The Aromas Water District Board of Directors approved our Resolution No. 2011-011 on May 22, 2012, Intention to Make Acquisitions and Improvements (included). We are requesting the Monterey County Board of Supervisors adopt the enclosed Resolution to approve the Proposed Resolution of Intention and boundary map.

We are working with the Jones Hall law firm, San Francisco; Josh Anzel and Scott Ferguson are the attorneys handling this assessment district formation. I have included them in this correspondence, if you have any questions, see email address or telephone (415) 391-5780.

Thank you in advance for submitting this Resolution to the Board for adoption. Please call me or Scott Ferguson, if you have any questions.

Sincerely,

Vicki Morris
General Manager
