

The Monterey County Fire Chief Association has nominated Monterey County Regional Fire Protection District Fire Chief David Sargenti to represent Advance Life Support Fire Agencies of the Association on the Emergency Medical Care Committee.

Fire Chief David Sargenti has dedicated over 30 years to the fire and EMS services in Monterey County, all of which have been through the Monterey County Regional Fire Protection District. The District delivers EMS through its fire engines and ambulances, which are staffed with firefighter paramedics and advanced emergency medical technicians. The District covers over 400 square miles of unincorporated Monterey County.

Chief Sargenti has been appointed to represent fire agencies on several countywide committees, including the Monterey County Next Generation Emergency Network (NGEN) Oversight Committee and Implementation Team, the Monterey County Emergency Communications Policy Committee, Dedicated Fire Dispatch, and Fire Operations. He currently serves as chair of both the Monterey County Communication Department Executive Board and the NGEN Executive Board.
