If a fixture fails, please take a photo and send it to repairs@ecogreen-solutions.net, and include location information in your email. The photo should be close up so we can properly match the product with the replacement. We will order replacement products and schedule the installation. If a product is in stock, EcoGreen Solutions will ship the replacement immediately. If the product is not in stock EcoGreen Solutions will order the replacement parts from the factory. Please be aware that some of our suppliers require 6-8 weeks lead time. EcoGreen Solutions does not cover shipping and handling for fixtures.

If a fixture has failed and is past our 12 months parts and labor period, EcoGreen Solutions will work with the factory to get the replacement material for you. We do not cover the cost of shipping and handling from the factory to our warehouse or to your location. If you do not have a qualified electrician to install the replacement product, please contact us at the email address above. A quote for the labor to install the product will be provided in 1-2 business days.

If a lamp fails, please follow the same procedure as for fixtures. EcoGreen Solutions will send Customer the replacement lamp. Labor is not covered for lamps. Shipping and handling also is not covered on warranty claims for lamps.

Warranty claims will not apply for:
