ARTICLE 4 ASSOCIATION RIGHTS

4.1 Representation

The Association has the right to represent employees in the representation unit as specified by state law and pursuant to the County Employer-Employee Relations Resolution. The Association will notify the County and maintain such notice during the term of this Agreement of its elected officers and directors as well as its staff employees. The Association President and Vice President are authorized to act as official representatives.

Official representatives shall represent the Association in jointly scheduled meetings with the County to address matters of mutual concern.

In addition, up to two (2) additional employees directly affected by the matters under consideration may participate in these joint scheduled meetings.

4.2 Association Official Representatives

Association official representatives who are County employees may utilize time during normal working hours for meeting and conferring with authorized representatives of the County subject to advanced scheduling.

4.3 Association Access

Authorized Association staff representatives shall have reasonable access to work locations for the purpose of transmitting information or representation purposes. Authorized Association representatives desiring access shall first request permission from the appropriate management representative. The authorized representative shall inform the management representative of the purpose of the visit. Management may deny access to the work location if, in his or her judgment, it is deemed that a visit at that time will interfere with the operations of the department or facility, in which event, Management will offer an alternative time and/or location for the visit.

4.4 Voluntary Dues Deduction

The Association shall submit the form and amount of dues deduction to the Auditor's office for processing, which will occur as soon as reasonably possible after receipt of said forms. The County agrees to deduct, as a single deduction, dues for employees in the unit and such other deductions as authorized in writing by the individual employees concerned. The County agrees to provide the Association the name, department, job class, and deduction status of all unit employees on a monthly basis.

ARTICLE 5 COMPENSATION

5.1 Compensation

Contingent upon all classic employees actually and permanently contributing an additional 3% towards the employer's contribution, in addition to the 9% member PERS contribution (for a total of 12% retirement contribution), there shall be a 3.5% base salary increase for all employees covered by the MOU, effective on the first full pay period following Board of Supervisors approval of the TA.

The County will provide a wage increase to the base salary schedule to members of the Probation Managers' Association as follows:

- 2014-2015: 1% across the board wage adjustment effective the first full pay period in July, 2014. If probation Officer's Association (POA), Units M & N, meaning if POA receives an economic increase in 2014-2015 that is greater than 1%, the probation Managers shall receive the economic difference between the 1% wage adjustment noted above and the increase realized by POA.
- 2015-2016: 2% across the board wage adjustment effective the first full pay period in July, 2015. If Probation Officer's Association (POA), Units M & N, meaning if POA receives an economic increase in 2015-2016 that is greater than 2%, the Probation Managers shall receive the economic difference between the 2% wage adjustment noted above and the increase realized by POA.

5.2 Education Incentive

Any member of the Unit who has earned a four-year college degree will receive an additional compensation of 5% of base wage.

5.3 Bilingual Skill Pay

An employee in this unit will receive an additional stipend of twenty dollars (\$20) per pay period, as long as it is determined by the Appointing Authority that an employee's bilingual skills are an integral asset to the department.

5.4 Deferred Compensation

The County's deferred compensation program shall continue to be made available to employees in the Unit.

5.5 Mileage Allowance

A unit employee who is required to operate his or her own or a privately-owned automobile for the execution of official duties, shall be allowed, reimbursed, and paid the IRS rate for each mile necessarily traveled each month.

PROBATIONARY PERIOD**

Upon each appointment to a permanent position, an employee, except as outlined below, shall serve a probationary period of nine (9) months dating from the date of his/her appointment. During the probation period, an employee has no right to appeal and serves at the pleasure of the Appointing Authority.

Prior to the conclusion of the nine (9) month probationary period and with approval of the County Administrative Office, the Appointing Authority may, for cause, extend the probationary period upon furnishing the employee with a statement of the reasons for such extension and the standards that must be met in order for the employee to successfully complete the probationary period.

During the nine (9) month probationary period, a minimum of two (2) performance evaluations shall be completed no later than four (4) and eight (8) months after the initial appointment date.

An employee who has successfully completed the probationary period will be eligible for advancement to the next higher step in a salary range upon completion of one (1) year of continuous service in his/her class. If the County Administrator determines that due to an administrative or clerical error or omission an employee failed to complete probation or to receive a step advancement on the date on which he/she was otherwise eligible, the employee shall be removed from probation or advanced one step effective on the date he/she became eligible.

6.2 Employees Terminated During Probation in a Promotional Class

The parties reaffirm their understanding that an employee who has been promoted and thereafter released from probation (not related to a disciplinary action) enjoys no procedural or substantive rights. However, to lessen the impact of a probationary release and so that the skills of the employee may be retained, the employee will be returned to their former class.

No action taken by the County concerning an employee released while serving a probationary period shall be subject to appeal, review, or to any grievance procedure or arbitration procedure whether such procedure be contained in this Memorandum of Understanding, the Personnel Policies and Practices Resolution of the County of Monterey, the Employee Relations Resolution of the County of Monterey, or any other statute, ordinance, resolution or agreement.

9.6 Involuntary Leave with Pay

An employee may be placed on involuntary leave with pay and benefits upon a determination by the County Administrative Officer that circumstances exist that make the immediate removal of the employee to be in the best interests of the County and that the employee cannot be effectively used in his/her job classification within the department.

The County continues to have the right and the obligation to administer the various insurance programs. These rights and obligations include but are not limited to the right to select the carriers and insurance claims administrators after consideration of the recommendations of the Health Insurance Review Committee and prior meeting and consultation with the Association. Changes in insurance carriers or administrators shall not result in any appreciable reduction in benefits. In the event a change in insurance carriers is made, an open enrollment period will be authorized for those benefits affected by the change in carriers. The County shall provide

Association and employees thirty (30) day written notice for premium rate changes by U.S. mail or by paycheck.

10.8 Health Insurance Review Committee

The Association may participate in the Health Insurance Review Committee.

The Committee typically meets on a monthly basis and reviews experience reports and other pertinent information and may make recommendations on plan administration and/or structure to the County Administrative Officer.

10.9 Conditional Reopener

Benefits at \$0.93 per pay period cost to the employee, as determined by the standard policies and practices of CalPERS.

Should changes be made to the current tax and retirement laws and administrative agency interpretations which alter the status of the employee's retirement contribution, the County shall upon request be required to meet and confer on the impact of these possible changes. However, the County shall not be obligated to assume any additional financial obligation in the form of back payments, interest or penalties or to make the employee whole, should such changes be made which alter the status of the employee's retirement contribution. Accordingly, the Association agrees to indemnify the County and hold it harmless from payment of any interest, penalties and/or back payments, and to cooperate in the defense of the County in the case of any litigation, including an administrative proceeding, which arises out of the implementation of this paragraph and subsection.

ARTICLE 11 TRANSFER POLICY

The County retains the sole right to transfer employees from one (1) job assignment/work location to another. Except when an immediate transfer is necessary to meet the requirements of the department, employees shall receive notice five (5) working days prior to the effective date of the transfer.

Employees who desire to be transferred within their respective job classes to a specific job assignment/work location within their own department may submit a written request for transfer to the appropriate department representative. The request shall be retained for a period of two (2) years from date of filing and must be renewed if the employee still desires to be considered for reassignment beyond that date. Management shall respond to the request for transfer by notifying the employee of the status of their request within ninety (90) calendar days of its receipt.

When Management contemplates filling vacancies and/or openings by transferring employees from one job assignment/work location to another, the Appointing Authority will consider the following criteria:

- The overall needs of the department
- Requirements of job
- Ability to perform job
- The duration and/or permanence of the transfer
- Length of service with the department

ARTICLE 12 DISCIPLINE

12.1 Disciplinary Actions

The Appointing Authority or his/her designee may take disciplinary action against any employee in a department who is subject to this MOU and California Government Code 3300 et al, provided that the rules and regulations prescribed herein are followed. As used in this section, disciplinary or punitive action shall mean dismissal, suspension without pay, disciplinary demotion, reduction in salary, transfer for purposes of punishment, or written reprimand.

12.2 Notice of Proposed Disciplinary Action

In order to institute disciplinary action, the Appointing Authority or his/her designee shall serve written notice of the proposed disciplinary action in accordance with the following procedures:

Except when emergency or other special circumstances require immediate action, a notice of proposed disciplinary action (other than a written reprimand), shall be delivered to the employee, either personally or by the United States Postal Service, to the current address listed on the employee's most recent Personnel Action Form, no less than five (5) calendar days prior to the effective date of any punitive action against the employee.

The notice of proposed disciplinary action shall include the following:

- a. The nature of the disciplinary action;
- b. The effective date of the action;
- c. The causes for the action in ordinary, concise language with the dates and places thereof, when known;
- d. A statement that identifies the material upon which the action is based and states that it is available for inspection; and
- e. A statement advising the employee of his/her right to respond either verbally or in writing to the Appointing Authority or his/her designee imposing the disciplinary action prior to the effective date, the right to be represented in that response, and that members of the bargaining unit are represented by the Association and the address and telephone number of the Association office.

12.3 Employee Response to Proposed Disciplinary Action

The employee has a right to respond either verbally or in writing to the Appointing Authority or his/her designee imposing the disciplinary action prior to the effective date of the discipline. The employee must contact the Appointing Authority within ten (10) days of the employee's receipt of the Notice of Proposed Disciplinary Action to request review.

If the employee chooses to respond verbally or in writing, the response must be submitted by the date set forth in the Notice of Proposed Disciplinary Action.

12.4 Notice of Disciplinary Action

In the case of an involuntary leave without pay of three (3) working days or less or an involuntary leave with pay of twenty (20) working days or less, the involuntary leave may be imposed by a single notice containing items a, b, c, and d of the Section titled Notice of Disciplinary Action above. This notice shall be delivered to the employee on or as soon after the effective date of the suspension as possible.

To implement the proposed disciplinary action or a lesser disciplinary action based on the same cause(s), a notice of disciplinary action shall be delivered to the employee, either personally or by the United States Postal Service to the current address listed on the employee's most recent Personnel Action form, on or before the effective date of the disciplinary action.

The notice of disciplinary action shall contain:

- a. The information in items a, b, c and d of Section 24.2 Notice of Proposed Disciplinary Action above and

- c. a referral to the section of this Agreement concerning appeals from disciplinary action and
- d. a statement that members of the bargaining unit are represented by the Association with the address and the telephone number of the Association office.

12.5 Written Reprimand

The Appointing Authority or his/her authorized designee may reprimand an employee by furnishing the employee with a written statement of the specific reasons for the reprimand. A copy of the reprimand shall be included in the employee's personnel file. The employee has the right to an administrative appeal and the employee and/or his/her representative shall have the right to discuss the reprimand with the Appointing Authority or his/her designee. The Appointing Authority or his/her designee may correct the reprimand, or notice of reprimand, at his/her discretion. The employee may submit a written response that shall be placed in his/her personnel file.

12.6 Disciplinary Review

An employee may be placed on disciplinary review for a specified period of time not to exceed six (6) months for each such instance with the understanding that should the causes for such action not be satisfactorily corrected or remedied during the period, subsequent disciplinary action may be taken.

The six (6) month restriction shall apply only to managerial imposition of discipline and is not intended to restrict the ability of a third (3rd) party neutral to invoke a greater period of disciplinary probation.

An employee on disciplinary probation shall serve at the pleasure of his/her Appointing Authority during such period of probation.

In the case of an employee serving disciplinary probation, the forfeiture of appeal rights shall extend only to acts or omissions related to the conditions of such disciplinary probation.

12.7 Involuntary Leave Without Pay

Any involuntary leave without pay invoked as a disciplinary action under this section against any employee in the County service, whether for one or more periods, shall not exceed sixty (60) calendar days in any one (1) calendar year; provided, however, that where an employee is placed on involuntary leave without pay because of criminal information or indictment filed against such employee, the period of involuntary leave may exceed sixty (60) calendar days and continue until, but not after, the expiration of thirty (30) calendar days after the dropping of charges, or the judgment or conviction or acquittal of the offense charged in the complaint, or indictment has become final. An employee placed on such involuntary leave shall forfeit all rights, privileges, and salary while on involuntary leave.

The sixty (60) day restriction shall apply only to managerial imposition of discipline and is not intended to restrict the ability of a third party neutral to invoke a greater period of involuntary leave.

12.8 Involuntary Leave Pending Investigation for Disciplinary Action

An Appointing Authority or his/her designee may place an employee under his/her control on involuntary leave from his/her position at any time for reasons of investigation for disciplinary action. Such involuntary leave may be either with or without pay subject to the limits set forth in the section Involuntary Leave Without Pay of this article.

Written notice of such involuntary leave shall be given to the employee as soon as possible but not later than seventy-two (72) hours after such action is taken. Such involuntary leave is not a disciplinary action and shall not be subject to appeal unless it, or any portion of it, subsequently becomes a disciplinary action. In the event an employee is placed on involuntary leave without pay under this section and the Appointing Authority takes no disciplinary action, he/she shall reinstate the employee to his/her position and restore all rights and privileges and back pay for the time lost during the involuntary leave.

12.9 Reduction in Salary

An Appointing Authority may reduce the salary of an employee, for disciplinary reasons, provided that such reduction shall be to a step within the salary range of the classification of the position held by the employee. An employee so reduced in salary shall retain his/her anniversary date but shall not be eligible for advancement to a higher step in the salary range of his/her job classification for a period of six (6) months from the date such reduction in salary became effective.

12.10 Disciplinary Demotion

An Appointing Authority may demote an employee, for disciplinary reasons, to any position with a lower salary range, provided the employee meets minimum qualifications for the lower-level position. Such demoted employee shall not be eligible for promotion for a period of six (6) calendar months.

12.11 Dismissal

The continued tenure of each employee who has permanent status shall be subject to his/her satisfactory conduct and the rendering of efficient service. Should the cause for disciplinary action so warrant, an employee may be dismissed.

12.12 Absence Without Leave Separation

An employee absent from duty for a period which exceeds three (3) working days without authorized leave shall be considered to have abandoned his/her position and to have automatically resigned.

Such resignation shall be rescinded by the Appointing Authority if the employee can show to the satisfaction of the Appointing Authority that it was impossible to contact the department of employment, provided the employee contacts the department within five (5) working days of notice of separation under this section through United States Mail.

12.13 Statute of Limitations

Any disciplinary action for cause against a county employee shall not be valid unless the notice of disciplinary action is served within one (1) year of the date of discovery of the event, which gave rise to the cause of discipline. Matters of serious nature (e.g., fraud, embezzlement, falsification of records) shall require written notice to the employee of disciplinary action within three (3) years after the event that gave rise to the disciplinary action. Disciplinary action based on fraud, embezzlement, or the falsification of records shall be valid, if the notice of such action is served within the three (3) years after the discovery of such fraud, embezzlement, or falsification.

Nothing herein shall preclude the County from disciplining an employee for cause that consists of a course of conduct or history of performance that began more than three (3) years prior to the notice of disciplinary action. Such disciplinary and/or performance record of beyond three (3) years shall be used only to determine the disciplinary penalty to be imposed.

12.14 Appeals from Disciplinary Action

- a. The disciplinary actions of written reprimand and suspension without pay for a period of three (3) days or less shall not be subject to any disciplinary appeal except as provided in "b" below.
- b. Employees (other than temporary employees, or probationary employees, or employees who serve at the pleasure of their Appointing Authority) occupying a permanent position may file a written appeal from disciplinary actions other than those set forth in a) above. Said appeal must be filed in writing within a period of ten (10) calendar days after notification of the decision to take disciplinary action.
- c. Said written appeal shall be filed with the Clerk to the Board of Supervisors and state the basis of the appeal and shall contain a specific admission or denial of the material allegations contained in the notice of disciplinary action.
- d. Within thirty (30) days after the filing of the appeal with the said Clerk, the Board of Supervisors shall appoint a hearing officer. The hearing officer shall commence a hearing on the appeal as soon as possible. The appellant and the Appointing Authority may appear personally and may be represented by counsel at the hearing. The hearing shall be public unless the appellant requests a private hearing.
- e. Before the hearing has commenced and during the course of the hearing, the hearing officer shall issue subpoenas *duces tecum* at the request of either party. Oral evidence shall be taken only on oath or affirmation. The appellant and the Appointing Authority shall each have the right to call and examine witnesses, to cross-examine opposing witnesses on any matter relevant to the issues, to impeach any witness and to rebut the evidence against him/her. Technical rules relating to evidence and witnesses do not have to apply to such hearings. Hearsay evidence may be used for the purpose of supplementing or explaining any direct evidence, but shall not be sufficient in itself to support a finding unless it would be admissible over objection in civil actions. At the hearing, the burden of proof shall be upon the County.

- f. At the conclusion of the hearing, the hearing officer shall prepare a summary record of the proceedings and prepare recommended findings, conclusions and decision. The hearing officer shall submit a copy of said record of findings, conclusions and decision to the Board of Supervisors.
- g. Within thirty (30) days after the filing of the record and recommended findings, conclusions and decision of the hearing officer with the Board of Supervisors, the Board shall adopt such recommended findings, conclusions and decision, or shall reject the recommendations of the hearing officer and adopt its own findings, conclusions and decision after a review of the record. The Board shall affirm, modify or reverse the order of the Appointing Authority causing the disciplinary action.
- h. The decision of the Board shall be final. In the event that the Board shall modify or reverse the order of the Appointing Authority imposing disciplinary action, the Board shall, at the request of an Appointing Authority who is required to file an individual official bond, require the employee to file an individual bond, said bond to be executed by said employee as principal, in an amount equal to the official bond filed by the Appointing Authority, said bond to inure to the benefit of the Appointing Authority. The premium cost of said bond shall be charged against the County.

<p>ARTICLE 13 GRIEVANCE PROCEDURE</p>

The grievance procedure shall be, as defined, in the current Personnel Policies and Practices Resolution (PPPR). The PPPR section is repeated here for convenience (10-28-2005). Where or if this section differs from the PPPR, the then current PPPR will prevail.

13.1 Purpose

The purpose of the grievance procedure is to promote improved employer-employee relations by establishing a procedure for the prompt settlement of certain disputes, hereinafter defined as grievances. The County and a recognized employee organization may, however, by written agreement, establish a different grievance procedure for the employees represented by that organization than that set forth below, in which event grievances filed by those employees shall be processed under the provisions of the grievance procedure established by written agreement.

13.2 Definition

A grievance shall be defined as a claim by an employee or group of employees of a violation, misinterpretation and misapplication, or improper application of written department-wide policy or written County-wide rules, regulations, resolutions, ordinances or a memorandum of understanding applicable to the employee, except as follows:

Appeals of the disciplinary actions of demotion, suspension or dismissal shall be filed and processed pursuant to Monterey County Personnel Policies and Practices Resolution.

Complaints relating to affirmative action, occupational health and safety, or Workers' Compensation shall be processed pursuant to appropriate County complaint procedures in these areas.

Notwithstanding the foregoing, the grievance procedure is not applicable and shall not be used with the following:

- a. The exercising of any of the management rights enumerated in the County's employer-employee relations policy;
- b. Any matter which is in the scope of representation in the meet and confer process;
- c. Any matter for which a statutory appeal procedure exists.

13.3 Basic Rules - Non-Discrimination

Any employee may file a grievance or may authorize by signature the filing of a grievance on their behalf without fear of restraint, interference, coercion, discrimination or reprisal.

13.4 Grievance Forms

Grievance forms must explicitly specify the policy or the particular section of the agreement, rules, resolution or ordinance, the violation of which is being alleged as the basis for the grievance. The remedy requested must also be specified.

13.5 Modifications

No modifications in the basic violation being alleged pursuant to Section D.3.2.b) shall be made subsequent to filing unless mutually agreed to by both the County and the grievant or their representative. However, corrections in citations or other clarifying amendments can be made at any time by the grievant or the grievant's representative.

13.6 Notice of Meetings

Both the County and the grievant or their representative shall be responsible for giving notice of meetings and conferences to their representative parties at least twenty-four (24) hours prior to any meeting regarding a grievance whenever possible.

13.7 Right of Representation

- a. An employee has the right to representation of his/her choice at any step of the formal grievance procedure (Steps 2 through 4); provided, however, that supervisory employees shall not represent non-supervisory employees as such activity would result in a conflict of interest.
- b. An employee is also entitled to individual representation at any step of the grievance procedure.
- c. A grievant may not change his/her designated representative, other than designating themselves, during the processing of a grievance, except by mutual agreement of the grievant and the County.
- d. If the employee is represented in a formal grievance meeting, the department may also designate a management representative to be present in such a meeting.

13.8 Grievance Withdrawal

The grievant may withdraw the grievance at any stage of the grievance procedure by giving written notice to the County representative who last took action on the grievance, with a copy to the Human Resources Department.

13.9 Grievance Resolution

If a grievance is resolved at Step 2, 3 or 4 in the procedure, the grievant concerned shall indicate acceptance of the resolution by affixing their signature in the appropriate space indicated.

13.10 Reconsideration at a Prior Level

By mutual agreement, the parties may revert the grievance to a prior level of reconsideration. If the grievance is not then settled at the prior level, the grievant shall continue to have the rights set forth in this procedure.

13.11 Consolidation of Grievances

Employees with essentially identical grievances, including remedy, may initiate a single grievance. Employees with essentially identical grievances may be required, at the County's discretion, to consolidate to a single proceeding at Steps 3 and 4 of this grievance procedure.

13.12 Processing Grievances

The grievant shall be granted reasonable time off with pay from regularly scheduled duty hours to process a grievance, provided that the time off will be devoted to the prompt and efficient investigation and handling of grievances, subject to the following:

- a. Representatives
 1. Insofar as possible, when a grievant's representative at Steps 2, 3 and 4 is a County employee, the representative shall be employed in the same work location as the grievant. When the foregoing condition cannot be met, a grievant's representative who is a County employee may be employed outside the same work location, provided said representative is no longer than ten (10) minutes away, by the most practical and common mode of transportation, from the grievant's work location. This time limit may be waived by mutual agreement of the parties when the grievant is assigned to a remote work location, or under other unusual circumstances.
 2. In no case shall County vehicles be used for transportation by employee representatives in connection with the processing of grievances, nor will reimbursement be considered for the use of private vehicles.
- b. Grievance Preparation
 1. Neither a grievant nor a grievant's representative who is a County employee shall leave their job to perform any grievance preparation work unless they receive prior permission from their supervisor. Such time off shall be granted within two (2) working days except in emergencies.
 2. When a grievant or any representative must go into a section, department or work unit to investigate a grievance, they shall be permitted to do so, provided they explain the purpose of the visit and who they are visiting to the supervisor of said section department or work unit. If immediate access cannot be granted upon request, it shall be granted within two (2) working days.
- c. Grievance Meetings
 1. A grievant or a grievant's representative who is a County employee shall, upon notification of their respective supervisor(s), be granted time off to attend grievance meetings scheduled pursuant to this procedure.
 2. A grievant or a grievant's representative who is a County employee shall notify their supervisor as soon as possible in advance of the dates and times and/or any change in the dates and times of scheduled grievance meetings in which they must participate.

3. A grievant or a grievant's representative, when said representative is a County employee shall not log compensatory time earned or premium pay time for any time spent in the processing of a grievance.

13.13 Time Limitations

- a. The time limitations are designed to quickly settle a grievance. Time limitations may be extended by agreement of the parties.
- b. If at any stage of the grievance procedure the employee is dissatisfied with the decision rendered it shall be the grievant's responsibility to submit the grievance to the next designated level of review within the time limits specified.
- c. Failure to submit the grievance within the time limits imposed shall terminate the grievance process and the grievance shall be considered resolved.
- d. The grievant shall promptly proceed to the next step within the prescribed time limits if the appropriate management representative fails to respond within the time limits specified.

13.14 Grievance Procedure Steps

STEP 1 - Informal Discussion with Supervisor

- a. The grievance shall first be discussed on an informal basis by the aggrieved with his/her immediate supervisor within the twenty-one (21) calendar days from the date of the action causing the grievance. This initial step of the grievance procedure shall be without the right of representation.
- b. Every effort shall be made to resolve the grievance at this level, and may include conferences among supervisory and administrative personnel. The immediate supervisor shall verbally respond to the grievant within five (5) working days of the informal discussion between grievant and supervisor.

STEP 2 - Formal Written Grievance

- a. In the event the employee believes the grievance has not been satisfactorily resolved, the employee shall submit the grievance in writing to the supervisor within seven (7) working days after receipt of the immediate supervisor's verbal response. The grievant shall file one (1) copy with the Human Resources Department. If the grievance is not presented within the time limitations provided herein, it shall be deemed not to exist.
- b. Within five (5) working days of receipt of the grievance, the immediate supervisor shall schedule a meeting with the grievant to discuss the grievance. Within five (5) working days of the grievance meeting, the immediate supervisor shall deliver their written decision to the grievant. Any grievance settled at this step shall be subject to the review and confirmation of the respective department head before the settlement may become effective. Such review will occur within seven (7) working days or the grievance will automatically be moved to Step 3. In the event the department head does not confirm the settlement, the grievant may initiate Step 3 of this procedure.

STEP 3 - Department Head-Management Review

If a grievance is not settled or an answer is not forthcoming, the grievance may be appealed in writing within seven (7) working days from the receipt of the decision of the immediate supervisor or his/her failure to respond to the grievance.

- a. In larger departments, it may be necessary to involve the division or section head in the processing of the grievance, in which case the appeal from Step 1 shall be filed with the appropriate division or section head as determined by the department. Within ten (10) working days from the receipt of the appeal, the division or section head shall deliver his/her written decision to the grievant and his/her representative. Any grievances settled at this phase of Step 3 shall be subject to review and confirmation of the respective department head before the settlement may become effective. Such review shall occur within seven (7) working days or the grievance shall automatically be moved to the department head level as in b) below.
- b. If the grievance is not settled or an answer is not forthcoming from the division or section head, the grievance may be appealed in writing within seven (7) working days from the receipt of the decision from the division or section head to the department head. Within ten (10) working days from the receipt of the appeal, the department head shall deliver his/her written decision to the grievant and his/her representative.

STEP 4 - Administrative Officer

- a. In the event the employee believes his/her grievance has not been satisfactorily resolved, he/she shall submit the grievance in writing to the County Administrative Officer within seven (7) working days from the receipt of the department head's written response. A meeting of the parties may be held by mutual agreement of the parties.
- b. Within ten (10) working days from receipt of the grievance, the Administrative Officer shall deliver his/her written decision to the grievant and his/her representative. The decision of the Administrative Officer shall be final and binding on the parties.

13.15 Grievance Resolution

Documentation of the resolution of a grievance shall be signed by both parties.

If a grievance is resolved at Step 2 or 3 in the procedure as provided herein, the grievant concerned shall indicate acceptance of the resolution by affixing his/her signature in the appropriate space on the grievance form or appropriate document. If the employee has been represented by the Association at the Step of the procedure at which a resolution is reached, the Association representative shall also sign the appropriate document acknowledging that the employee has accepted the resolution.

Decisions on grievances where an employee represents him/herself shall not be considered precedent setting or binding with regard to any future grievances filed with respect to the same or similar matters.

ARTICLE 14 LAYOFF PROCEDURE
--

14.1 Policy

The County may lay off an employee because of lack of work, lack of funds, material change in duties or organization, or in the interest of economy or causes outside the County's direct control.

The County shall inform the Association regarding the effects of any planned reduction in force or layoffs that will affect a department's work force.

The department shall contact the Association and offer to discuss the possible reduction and to invite suggestions for possible cost saving alternatives to layoffs. If alternatives to layoffs are not developed by the time the department determines a layoff should occur, the procedure outlined below shall be followed.

Departments and employees covered by other layoff procedures; i.e., Local Agency Personnel Standards, State Merit System, or Anti-recession Federal Regulations, shall be governed by those procedures.

14.2 Procedure

Layoffs will be determined within County departments, not the County as a whole. In the event of a reduction in force in a department, the department head shall designate the classes, positions, and number of employees to be eliminated. The department, at this time, shall provide the Association with a current seniority list for those employees and classes affected.

Layoffs shall be made among all representation unit employees in the same class series within a County department in the following order:

- a. Temporary employees.
- b. Probationary new employees (excluding promotional probationary employees.)
- c. Permanent employees.

No permanent employee within a department shall be laid off in any class if there are temporary employees in an active status in the same class within that department.

Layoff shall be by ranking sequence of employees except as otherwise provided herein.

14.3 Rank in Class Defined

For purposes of layoff rank shall be defined as the length of continuous service in a class series as determined by County personnel records while occupying a permanent position within the County. Continuous service for purposes of ranking for layoff shall be defined to include work related injury leave of up to one (1) year's duration.

A class series is defined as a group of classes having common characteristics and/or promotional opportunities (e.g. as it applies to employees of the Probation Department covered by this Agreement, a class series is identified by the first two digits of the County's class code.)

14.4 Order of Layoff, Exception to Ranking Sequence

Layoffs of employees within each category of employment status within a department and within a class series shall be based on ranking sequence unless it can be demonstrated that: 1) an employee possesses special skills, training, or abilities, or 2) the employee's past job performance or disciplinary record justifies an alternative ranking, (albeit, it may not violate the Peace Officers' Procedural Bill of Rights Act) or 3) the employee may be, by virtue of ranking sequence, subject to disparate treatment.

14.5 Ranking in Previous Class

A permanent full-time employee may elect to be ranked with employees in any class in the same department with the same or lower salary in which the employee has served in permanent status in the County service. An employee must notify his/her Appointing Authority within two (2) days after receipt of written notice of layoff of election of this option except if the second day following notice of layoff is not a regularly scheduled work day, the employee may give notice on the next work day.

14.6 Demotion in Lieu of Layoff

In lieu of layoff, the department head may offer a permanent employee a demotion to any class for which the employee is qualified. Employees demoted in lieu of layoff pursuant to this paragraph shall not be eligible for the "Y" rating procedure. An employee who accepts a demotion in lieu of layoff shall have the right of restoration to his or her former class when an opening occurs and his or her ranking sequence warrants restoration subject to the provisions set forth below.

14.7 Transfer

Employees may also request a transfer in accordance with the County's Transfer Policy, as found in the County's Personnel Policies and Practices Resolution.

14.8 Notice

Written notice of layoff shall be served on the affected employees in person or mailed by the United States Postal service to the employee's latest address on file with the County. The layoff notice shall be served or mailed at least twenty-one (21) calendar days prior to the expected effective date of separation unless delay results from consideration of demotion under the provisions below. The notice shall include:

- a. The reason for the layoff.
- b. The effective date of the action.
- c. A reference to the provisions governing reemployment.
- d. Notice that employment counseling is available.

A copy of the notice shall be given to the Association.

14.9 Reemployment of Employees Laid Off

The names of persons laid off under these procedures shall be maintained on a departmental recall list for the class series from which the employee was laid off for a period of one (1) year from the date of layoff. When filling using a departmental recall list to fill a position in a class from which layoffs have occurred within the one (1) year recall period, the department head shall reemploy laid off employees from the appropriate departmental recall list in inverse order of layoff. During the one (1) year recall period, no new employee shall be hired nor shall any employee be promoted to a class from which layoffs have occurred until all employees on layoff status in that class have had the opportunity to return to work.

However, when the best interest of the County requires an employee with demonstrated special qualifications, skills or training, the department head may make an exception to the above order of recall in order to appoint an employee out of ranking sequence.

Every employee given notice of layoff may request employment counseling and evaluation in order to determine those job classes within the County for which the employee meets employment eligibility requirements and desires to be considered for employment from a preferred eligible list. Such counseling and evaluation shall be available by appointment in order of request. Following the counseling and evaluation, laid off employee's name shall be placed on a preferred eligible list for each class designated as a result of the counseling and evaluation. When the Human Resources Department receives a request to refer applicants to a department for a vacant position in a class for which there exists a preferred eligible list, the laid off employee on the list shall be considered for employment prior to any job applicant. A competitive job related selection process may be used to determine the order in which laid off employees on a preferred eligible list for a class will be referred for an interview.

A laid off employee may be removed from the department recall list or a preferred eligible list for any of the following reasons:

- a. The expiration of one (1) year from the date of layoff;
- b. Reemployment within the County;
- c. Failure to accept employment or report to work;
- d. Failure to appear for a job interview after notification by telephone or by mail addressed to the employee's last address on file with the County;
- e. Failure to respond within seven (7) days to a communication regarding availability of employment; and
- f. Request in writing by the laid off employee to be removed from the list.

14.10 Status of Employees Reemployed From a Preferred Eligible List

Employees who are reemployed from a preferred eligible list shall serve a new probationary period and otherwise be treated as a new employee with the following exceptions:

Former employees who are hired from a preferred eligible list shall be entitled to:

- a. Placement up to the highest step in the class into which they are hired provided that the salary upon rehire does not exceed the salary the employee was receiving at the time of layoff;
- b. Reinstatement of credit for service time (ranking) as of the date of separation from County service;
- c. Credit for all prior service for the purpose of determining vacation and sick leave accrual rates; and
- d. Restoration of any sick leave balance credited to the employee's account on the date of layoff.

14.11 Restoration of Benefit for Recalled Employees

Any employee who has been laid off and is hired from a departmental recall list under the terms of this article within one (1) year from the date of layoff shall be entitled to:

- a. Restoration of permanent status for employees who are rehired from a departmental recall list and class from which they were laid off, and who have completed their probationary period. For employees who have not completed their probationary period, credit for that portion which has been completed shall be given if rehired from a departmental recall list;
- b. Restoration of all sick leave credited to the employee's account on the date he/she was laid off;
- c. Credit for all prior service for the purpose of determining vacation accrual rates;
- d. Placement in the same step of the salary range the employee held at the time of layoff;
- e. Reinstatement of credit for service time (ranking) as of the date of layoff.

14.12 Insurance Coverage

Each permanent employee who is enrolled in the County Health Plan at the time of layoff may, prior to the effective date of the layoff, elect to enroll in a health insurance conversion plan offered by our then current health plan administrative carrier. In the event the laid off employee so elects, the County will pay an amount equal to two (2) times the employee only premium at the time of layoff toward the cost of the health insurance conversion plan. The above insurance provision does not apply to employees who retire coincidental to their layoff.

14.13 Appeal Procedure

An employee directly affected by the operation of this policy may, within five (5) working days after a notice of layoff is received, request a meeting with a department head or the department head's designated representative to review the application of this policy as it affects the employee's status. The employee may be accompanied by a representative of the Association.

The Association, and only the Association, after making an attempt to resolve the matter informally, may within seven (7) days of the date of an alleged violation of this policy file a grievance for final consideration and determination at the department head level in accordance with the provisions of the grievance procedure in effect between the County and the Association. A grievance filed in accordance with this paragraph shall not be subject to "Arbitration," as set forth in this Agreement.

**ARTICLE 15
USE OF VOLUNTEERS**

No volunteer program shall have the effect of displacing any county employee. The County shall meet with the Association to discuss any countywide volunteer program before implementing such a program.

**ARTICLE 16
HEALTH AND SAFETY**

16.1 Work Environment

The County recognizes its obligation and is committed to providing a safe place of employment for its employees. To assist in accomplishing this goal, it is agreed that the County reserves the right to adopt reasonable departmental rules and regulations that become effective when posted.

The Association agrees that it is the duty of all employees to comply with all reasonable rules and regulations and to be alert to all unsafe places, equipment and conditions and to report any such unsafe practices or conditions to their immediate supervisor.

16.2 Health and Safety Committee

The County and the Association shall participate in a county-wide Health and Safety Committee which may meet on a bimonthly basis to review county safety records, policies and programs, and make recommendations for the resolution of health and safety issues brought before them by either the County or the Association. Each party shall furnish the other the agenda items they wish to discuss one (1) week prior to any scheduled meeting.

Sections on Work Environment and Health and Safety Committee are not subject to the grievance procedure.

ARTICLE 17 USE OF COUNTY MAIL SYSTEM

The Association may use the County mail system in compliance with the Policy for Acceptable Use of Monterey County Computing and Information Resources.

The County email system may be used for reasonable Association business as long as the communication is not political in nature nor maligns the County, its employees or officials.

ARTICLE 18 POLYGRAPH EXAMS

It is agreed that the use of polygraph examinations shall be limited to pre-employment background investigations.

No bargaining unit employee shall be required to cooperate with, participate in or submit to any polygraph examinations as a condition of continuing employment except as specified above.

ARTICLE 19 PERSONAL PROPERTY REIMBURSEMENT

Personal Property Reimbursement shall be granted in accordance with the provisions of the current Personnel Policies and Practices Resolution.

ARTICLE 20 PERSONNEL RECORDS

The County and the Association agree that personnel records for peace officer employees shall be generated, handled and maintained in accordance with applicable statutes and/or regulations.

It is mutually recognized that all performance related materials contained within an employee's personnel file may provide material substance and support for proposed and imposed disciplinary actions. Nothing in this Agreement shall preclude the use of any material, which complies with the above paragraph, in an employee's personnel file from being used in any proceeding involving the decision of the Appointing Authority to take disciplinary action against the employee.

ARTICLE 21
PERFORMANCE EVALUATIONS

An employee who does not agree with the overall rating that he/she receives on his/her written performance evaluation shall discuss and attempt to resolve the differences with his/her immediate supervisor.

If discussion with his/her immediate supervisor does not result in resolution of the differences, the employee may file a written request to meet with the next level of management. Said request shall state the unresolved issues and the specific changes in the written performance evaluation that the employee is seeking. The appropriate manager shall meet with the employee to discuss the unresolved issues.

If the issues are not resolved to the employee's satisfaction following discussion with the appropriate manager, the employee may within ten (10) working days file a written request for a meeting with the department head. Within ten (10) working days of receipt of a written request stating the unresolved issues and the desired changes in the written performance evaluation, the department head shall meet with the employee to discuss the issues. Within ten (10) working days of said meeting, the department head shall respond in writing to the employee. The decision of the department head shall be final and not subject to the grievance procedure.

Within thirty (30) days from the final decision, an employee has the right in accordance with the Peace Officer Bill of Administrative Rights (POBAR) to write a response to the evaluation that will be attached to the employee's evaluation in the personnel file.

ARTICLE 22
SEPARABILITY

If any section, subsection, paragraph, clause or phrase of this Agreement is, for any reason, held to be invalid or unconstitutional, such invalidity or unconstitutionality shall not affect the validity or constitutionality of the remaining portions of this Agreement, it being hereby expressly declared that this document, each section, subsection, paragraph, sentence, clause and phrase thereof, would have been adopted irrespective of the fact that any one or more sections, subsections, sentences, clauses, or phrases be declared invalid or unconstitutional.

ARTICLE 23
COUNTY RIGHTS

The County will continue to have, whether exercised or not, all the rights, powers and authority heretofore existing, including, but not limited to the following: Determine the standards of services to be offered by the constituent departments; determine the standards of selection for employment; direct its employees; take disciplinary action; relieve its employees from duty because of lack of work or for other legitimate reasons; issue and enforce rules and regulations; maintain the efficiency of governmental operations; determine the methods, means and personnel by which the County operations are to be conducted; determine job classifications of county employees; exercise complete control and discretion over its work and fulfill all of its legal responsibilities. All the rights, responsibilities and prerogatives that are inherent in the County by virtue of all federal, state, and local laws and regulations provisions cannot be subject to any grievance or arbitration proceeding.

The exercise of the foregoing powers, rights, authority, duties, and responsibilities by the Board of Supervisors, the adoption of policies, rules, regulations and practices in furtherance thereof, and the use of judgment and discretion in connection therewith shall be limited only by the specific and express terms of this Agreement and then only to the extent such specific and express terms hereof are in conformance with the Constitution and Laws of the United States and the Constitution and Laws of the State of California.

The exercise by the County through its Board and management representatives of its rights hereunder shall not in any way, directly or indirectly, be subject to the grievance procedure set forth herein.

**ARTICLE 24
CONCERTED ACTIVITIES**

The parties to this Agreement recognize and acknowledge that the services performed by the County employees covered by this Agreement are essential to the public health, safety, and general welfare of the residents of the County of Monterey. The Association agrees that under no circumstances will the Association recommend, encourage, cause or permit its members to initiate, participate in, nor will any member of the bargaining unit take part in, any strike, sit-down, stay-in, sick-out, slow-down, or picketing (hereinafter collectively referred to as work-stoppage), in any office or department of the County, nor to curtail any work or restrict any production, or interfere with any operation of the County. In the event of any such work-stoppage by any member of the bargaining unit, the County shall not be required to negotiate on the merits of any dispute that may have given rise to such work-stoppage until said work-stoppage has ceased.

The County shall have the right to discipline, up to and including termination, any employee involved in concerted activities as described in paragraph one of this section. The County shall also have the right to seek full legal redress, including damages against any such employee.

**ARTICLE 25
EMERGENCY AUTHORITY**

Nothing contained herein shall be construed to limit the authority of the County to make changes for the purpose of preparing for or meeting an emergency. For the purposes of this article, any change in law or circumstances that significantly reduces currently existing or anticipated revenue levels, shall be included within the definition of an emergency. Such emergency actions shall not extend beyond the period of the emergency.

Whenever practicable, the County will meet and consult with the Association prior to taking action under the authority of this section. After taking action under the authority of this section, the County, upon request, will meet and confer with the Association over the practical consequences that the emergency action taken had on those terms and conditions of employment that are within the scope of representation.

**ARTICLE 26
FULL UNDERSTANDING, MODIFICATION, WAIVER**

It is intended that this Agreement sets forth the full and entire understanding of the parties regarding the matters set forth herein, and any other prior or existing understanding or

agreements by the parties, whether formal or informal, regarding any such matters are hereby superseded or terminated in their entirety.

Existing matters within the scope of representation which are not referenced in the Memorandum of Understanding and which are subject to the meet and confer process shall continue without change unless modified subject to the meet and confer process. The County assures the Association that unless changes are warranted by operational necessity it does not intend, nor does it anticipate, during the term of this Memorandum of Understanding any change, modification or cancellation of wages, hours, and working conditions which are subject to meet and confer and which are presently in effect or contained in this Memorandum.

Except as specifically provided, the parties may mutually agree to negotiate on any matter covered herein or on any other matter within the scope of negotiations during the term of this Agreement.

Any agreement, alteration, understanding, variation, waiver, or modification of any of the terms or provisions contained herein shall not be binding upon the parties hereto unless made and executed in writing by all parties hereto, and if required, approved and implemented by the County's Board of Supervisors.

The waiver of any breach, term or condition of this Agreement by either party shall not constitute a precedent in the future enforcement of all its terms and provisions.
