Monterey County's MHSA expenditure plan for FY 2013-14 was included in the Health Department, Behavioral Health Bureau's FY 2013-14 Adopted Budget. In accordance with the MHSA regulations, the draft FY 2013-14 Annual Update document was posted and distributed for public comment during the period of July 31 through September 26, 2014. After the close of the comment period, the Monterey County Mental Health Commission conducted a public hearing on the draft document on October 2, 2014, which included a presentation of the three (3) written comments received. At the conclusion of the public hearing, the Mental Health Commission voted unanimously to approve the FY 2013-14 MHSA Annual Update for adoption by the Board of Supervisors.
