AMENDMENT TO CERTAIN EASEMENTS AND TRACT MAP DEDICATIONS

This AMENDMENT TO CERTAIN EASEMENTS AND TRACT MAP DEDICATIONS ("**Amendment**") is made and entered into this 23rd day of October, 2012, by and between CRE LJ CA LLC, a Delaware limited liability company ("**CRE**") and the COUNTY OF MONTEREY, a political subdivision of the State of California ("**County**").

RECITALS

A. On December 26, 2001, a final map for the Cañada Woods North, Phase II Subdivision (the "**Final Map**") was recorded in Volume 22, Cities & Towns, at Page 8, Sheets 1 through 5, inclusive, in the Official Records of Monterey County, California (the "**Official Records**"), which Final Map (i) included dedications of certain easements described as "Private Road and P.U.E.," and "Scenic Easement" or "S.E." and (ii) also depicted certain "Building Envelopes" (collectively, the "**Final Map Dedications and Building Envelopes**"). The Final Map is attached hereto as **Exhibit A**.

B. In connection with the Final Map, a Conservation and Scenic Easement Deed dated as of December 12, 2001 (the "**Easement Deed**") was recorded on December 26, 2001 as Instrument No. 2001108509 in the Official Records. Pursuant and subject to the Easement Deed, the Board of Supervisors in and for the County of Monterey, California (the "**Board**") accepted the "Scenic Easement" or "S.E." shown on the Final Map from the prior owner of the Property, CANADA WOODS, LLC, a Delaware limited liability company. The Easement Deed is attached hereto as **Exhibit B**.

C. The Final Map Dedications and Easement Deed affect Lots 71, 72 and 73 of the Cañada Woods North, Phase II Subdivision (said Lots being referred to herein collectively as the "**Property**").

D. CRE is the current owner of the Property.

THIS DOCUMENT WAS NEGOTIATED BY THE
PARTIES AND WAS SUBMITTED BY CRE LJ CA LLC

E. Monterra Ranch Properties, LLC, CRE's predecessor in interest, applied for a Combined Development Permit (PLN030068) consisting of a lot line adjustment between undeveloped lots 71, 72 and 73 (hereinafter "**Permit**"). The Permit was granted on September 8, 2005 by the Minor Subdivision Committee of Monterey County, pursuant to the Findings and Evidence contained in Resolution number 05020, attached hereto as **Exhibit C**. As a condition of approval of the Permit, the County required the amendment of the Easement Deed and Final Map Dedications and Building Envelopes as a result of such lot line adjustment. CRE desires to comply with the condition through this Agreement.

F. Substantially concurrently herewith, the Board has adopted Resolution No. 12-330 (the "**Resolution**") approving this amendment of the Final Map Dedications and Building Envelopes and the Easement Deed, to reflect changes to the Final Map Dedications and Building Envelopes insofar as they relate to the Property, to conform with that certain Record of Survey filed November 2, 2005, in Volume 28 of Surveys, at Page 54 of the Official Records (the "**Record of Survey**"). The Record of Survey is attached hereto as **Exhibit D**.

NOW, THEREFORE, in consideration of the foregoing recitals, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto hereby agree as follows:

AGREEMENT

1. **Amendment and Quitclaim.** Notwithstanding anything to the contrary contained in the Final Map or the Easement Deed, the Easement Deed is hereby amended such that all references therein to the "Easements" (insofar as they relate to the Property) shall mean and refer to that certain "Scenic Easement" or "S.E." shown on the Record of Survey. In addition, County hereby remises, releases and forever quitclaims to CRE, all of County's right, title and interest in and to the Final Map Dedications and Building Envelopes insofar as they pertain to the Property, and hereby acknowledges that all rights, if any, of County with respect to the Final Map Dedications and Building Envelopes are null and void and of no further force or effect with respect to the Property. The foregoing quitclaim of rights, title and interest shall in no event serve to operate to terminate any easements or Building Envelopes on the Property in favor of, or required by County, as shown on the Record of Survey or as contemplated in the Easement Deed, as amended by this Amendment.

2. **Effect of this Amendment.** Except as otherwise provided in this Amendment, the Final Map and the Easement Deed, including all terms and conditions contained therein, shall remain in full force and effect and are hereby ratified and affirmed.

3. **Binding Effect.** This Amendment shall be binding upon CRE and County and each of their respective successors and permitted assigns.

4. **Entire Agreement; No Oral Change.** This Amendment, together with exhibits attached hereto, which are incorporated herein by reference, constitutes the entire understanding and agreement between CRE and County with respect to the subject matter hereto and

PARTIES AND WAS SUBMITTED BY CRE LJ CA LLC

supersedes all prior written or oral understandings and agreements with respect thereto. This Amendment, and any provisions hereof, may not be modified, amended, waived, extended, changed, discharged or terminated except by an agreement in writing signed by the parties hereto.

5. **Governing Law. This Amendment** shall be governed in accordance with the laws of the State of California.

6. **Counterparts.** This Amendment may be executed in any number of counterparts, each of which shall be deemed an original and all of which together constitute a fully executed agreement even though all signatures do not appear on the same document.

7. **Severability.** If any provision of this Amendment is held to be invalid or for any reason becomes unenforceable, no other provision shall be thereby affected or impaired.

The existing lot sizes are 10.13 acres (Lot 71), 10.01 acres (Lot 72) and 8.00 acres (Lot 73) and the resultant lot sizes will be: 10.00 acres (Lot 71), 10.14 acres (Lot 72) and 8.00 acres (Lot 73). The proposed building envelope reconfiguration will decrease in size from an existing 1.31 acres (Lot 71) to 1.22 acres; existing .80 acres (Lot 72) to .40 acres; and existing .68 acres (Lot 73) to .59 acres. The properties are located at Via Malpasos and Tres Paraiso, Canada Woods North, Phase II, Greater Monterey Peninsula Area.

The project came on regularly for hearing before the Minor Subdivision Committee on September 8, 2005.

WHEREAS: Said Minor Subdivision Committee, having considered the application and the evidence presented relating thereto;

The subject properties are zoned "RDR/10-UR-D" or Rural Density Residential, 10 acres per unit, Urban Reserve and in a Design Control Area. The subject parcels are in compliance with all rules and regulations pertaining to zoning uses, subdivision and any other applicable provisions of Title 21 and Title 19. The site is suitable for the Lot Line Adjustment, building envelope, scenic easement and roadway easement reconfigurations.
