13. Insurance

Prior to commencement of this MOU, the Collaborator shall provide a "Certificate of Insurance" certifying that coverage as required herein has been obtained. Individual endorsements executed by the insurance carrier shall accompany the certificate. In addition, the Collaborator upon request shall provide a certified copy of the policy or policies.

This verification of coverage shall be sent to the County's Contracts/Purchasing Department, unless otherwise directed. The Collaborator shall not receive a "Notice to Proceed" with the work under this MOU until it has obtained all insurance required and the County has approved such insurance. This approval of insurance shall neither relieve nor decrease the liability of the Collaborator.

B. Qualifying Insurers:

All coverage's except surety, shall be issued by companies which hold a current policy holder's alphabetic and financial size category rating of not less than A- VII, according to the current Best's Key Rating Guide or a company of equal financial stability that is approved by the County's Purchasing Manager.

C. Insurance Coverage Requirements: Without limiting Collaborator's duty to indemnify, Collaborator shall maintain in effect throughout the term of this MOU a policy or policies of insurance with the following minimum limits of liability.

Commercial general liability Insurance, including but not limited to premises and operations, including coverage for Bodily Injury and Property Damage, Personal Injury, Contractual Liability, Broad form Property Damage, Independent Collaborators Products and Completed Operations, with a combined single limit for Bodily Injury and Property Damage of not less than \$1,000,000 per occurrence.

Workers' Compensation Insurance, if Collaborator employs others in the performance of this MOU, in accordance with California Labor Code section 3700 and with Employer's Liability limits not less than \$1,000,000 each person, \$1,000,000 each accident and \$1,000,000 each disease.

Professional liability insurance, if required for the professional services being provided, (e.g., those persons authorized by a license to engage in a business or profession regulated by the California Business and Professions Code), in the amount of not less than \$1,000,000 per claim and \$2,000,000 in the aggregate, to cover liability for malpractice or errors or omissions made in the course of rendering professional services. If professional liability insurance is written on a “claims-made” basis rather than an occurrence basis, the Collaborator shall, upon the expiration or earlier termination of this MOU, obtain extended reporting coverage (“tail coverage”) with the same liability limits. Any such tail coverage shall continue for at least three years following the expiration or earlier termination of this MOU.

D. Other Insurance Requirements:

All insurance required by this MOU shall be with a company acceptable to the County and issued and executed by an admitted insurer authorized to transact Insurance business in the State of California. Unless otherwise specified by this MOU, all such insurance shall be written on an occurrence basis, or, if the policy is not written on an occurrence basis, such policy with the coverage required herein shall continue in effect for a period of three years following the date COLLABORATOR completes its performance of services under this MOU.

Each liability policy shall provide that the County shall be given notice in writing at least thirty days in advance of any endorsed reduction in coverage or limit, cancellation, or intended non-renewal thereof. Each policy shall provide coverage for Collaborator and additional insureds with respect to claims arising from each sub Collaborator, if any, performing work under this MOU, or be accompanied by a certificate of insurance from each Collaborator showing each Collaborator has identical insurance coverage to the above requirements.

Commercial general liability and automobile liability policies shall provide an endorsement naming the County of Monterey, its officers, agents, and employees as Additional Insureds with respect to liability arising out of the COLLABORATOR’S work, including ongoing and completed operations, and shall further provide that such insurance is primary insurance to any insurance or self-insurance maintained by the County and that the insurance of the Additional Insureds shall not be called upon to contribute to a loss covered by the COLLABORATOR’S insurance.

Prior to the execution of this MOU by the County, Collaborator shall file certificates of insurance with the County’s contract administrator and County’s Contracts/Purchasing Division, showing that the Collaborator has in effect the insurance required by this MOU. The Collaborator shall file a new or amended certificate of insurance within five calendar days after any change is made in any insurance policy, which would alter the information on the certificate then on file. Acceptance or approval of insurance shall in no way modify or change the indemnification clause in this MOU, which shall continue in full force and effect.

Collaborator shall at all times during the term of this MOU maintain in force the insurance coverage required under this MOU and shall send, without demand by County, annual certificates to County's Contract Administrator and County's Contracts/Purchasing Division. If the certificate is not received by the expiration date, County shall notify Collaborator and Collaborator shall have five calendar days to send in the certificate, evidencing no lapse in coverage during the interim. Failure by Collaborator to maintain such insurance is a default of this MOU, which entitles County, at its sole discretion, to terminate this MOU immediately.

This MOU constitutes the entire MOU between the parties and supersedes all previous communications, representations or MOUs regarding this subject, whether written, or oral, between the parties.

Consent to the terms of this MOU is indicated by the authorized signatures affixed and dated on the following page.

**EXHIBIT C:
ASSURANCE OF COMPLIANCE WITH MONTEREY COUNTY'S CULTURAL
COMPETENCY POLICY**

In a culturally competent system, each provider organization shows respect for and responds to individual differences and special needs. Services are provided in the appropriate cultural context and without discrimination related to race, national origin, income level, religion, gender, sexual orientation, age, or physical disability, to name a few. Culturally competent caregivers are aware of the impact of their own culture on their relationships with consumers/families and know about and respect cultural and ethnic differences. They adapt their skills to meet each individual's/family's values and customs. Cultural competence is a developmental and dynamic process – one that occurs over time.

Organizations in a Culturally Competent Service System Promote:

Quality Improvement

- Continuous evaluation and quality improvement
- Supporting evidence-based, promising, community defined, and emerging practices that are congruent with ethnic/racial/linguistic group belief systems, cultural values and help-seeking behaviors.

Collaboration

- Collaborating with Behavioral Health and other community programs
- Resolving barriers to partnerships with other service providers

Access

- Providing new services to unserved and underserved children, youth, adults and/or older adults
- Reducing disparities in access to, and retention in, care as identified in the Mental Health Services Act Plan
- Ensuring representation of mental health services consumers, family members of a mental health services consumer, and/or representatives from unserved communities on their advisory/governance body or committee for development of service delivery and evaluation (with a minimum target of 40%).
- Developing recruitment, hiring, and retention plans that are reflective of the population focus, communities' ethnic, racial, and linguistic populations.

Cultural Competent Services:

- Are available, accessible and welcoming to all clients regardless of race, ethnicity, language, age, and sexual orientation.
- Provide a physical environment that is friendly, respectful and inclusive of all cultures.
- Provide information, resources and reading materials in multilingual formats.
- Promote and foment culturally accepted social interactions, respect and healthy behaviors within the family constellation and service delivery system.
- Provide options for services, which are consistent with the client's beliefs, values, healing traditions, including individual preferences for alternative, spiritual and/or holistic approaches to health.

- Offer services in unserved and underserved communities.
- Have services available in the evening and on weekends to ensure maximum accessibility.
- Offer services in Spanish and other necessary languages (such as Tagalog, Vietnamese, Oaxacan, Triqui and other languages spoken of Monterey County residents).

Definitions for Cultural Competency

“Cultural Competence” is defined as a set of congruent practice skills, knowledge, behaviors, attitudes, and policies that come together in a system, agency, or among consumer providers, family members, and professionals that enables that system, agency, or those professionals and consumers, and family member providers to work effectively in cross-cultural situations.

(Adapted from Cross, et al., 1989; cited in DMH Information Notice No.02-03).

“Cultural Competence” is a means to eliminating cultural, racial and ethnic disparities. Cultural Competence enhances the ability of the whole system to incorporate the languages, cultures, beliefs and practices of its clients into the service. In this way all clients benefit from services that address their needs from the foundation of their own culture. Strategies for elimination of these disparities must be developed and implemented. Cultural Competence must be supported at all levels of the system.

(CMHDA Framework for Eliminating Cultural, Linguistic, Racial and Ethnic Behavioral Health Disparities)

[Cultural Competency] A set of congruent behaviors, attitudes, and policies that come together in a system, agency or amongst professionals and consumers and enables that system, agency or those professionals and consumers to work effectively in cross-cultural situations.

(Cross, Bazron, Dennis & Issacs, 1989)

The ability to work effectively with culturally diverse clients and communities.

(Randall David, 1994)

COLLABORATOR hereby agrees that it will comply with the principles and guidelines set forth in Monterey County’s Health Department – Behavioral Health’s Cultural Competency Policy (as outlined above), and will:

1. Develop organizational capacity to provide services in a culturally and linguistically competent manner. This may include: hiring staff with the linguistic capabilities needed to meet the diverse language needs in Monterey County (for example, Spanish, Tagalog, Vietnamese, Oaxacan, Triqui, American Sign Language (ASL), Middle Eastern languages); providing staff with training in cultural competency; making services accessible at locations and times that minimize access barriers, and ensuring that staff have an open, welcoming and positive attitude and feel comfortable working with diverse cultures.
2. Create a physical environment that ensures people of all cultures, ages and sexual orientation feel welcome and cared for. This may include: decorating waiting and

treatment areas with pictures that reflect the diverse cultures of Monterey County; providing reading materials, resources and magazines in varied languages, at appropriate reading levels and suitable for different age groups, including children and youth; consideration of cultural differences and preferences when offering refreshments; ensuring that any pictures, symbols or materials on display are not unintentionally disrespectful to another culture.

3. Provide a services delivery environment that ensures people of all cultures, ages and sexual orientation feel welcome and cared for. This may include: respect for individual preferences for alternative, spiritual and/or holistic approaches to health; a reception staff that is competent in the different languages spoken by consumers/families; staff that is knowledgeable of cultural and ethnic differences and needs, and is able and willing to respond in an appropriate and respectful manner.
4. Support the county's goal to reduce disparities to care by increasing access and retention while decreasing barriers to services by unserved and underserved communities.
5. Include the voice of multi-cultural youth, client and family members, including: monolingual and bilingual clients and family members and representatives from unserved and underserved communities, in the advisory/governance body or committee for development of service delivery, planning and evaluation (County Goal: 40%).
6. Participate in outcome evaluation activities aimed at assessing individual organizations as well as countywide cultural competency in providing mental health services.
7. As requested, meet with the Monterey County Health Department - Behavioral Health Director or designee to monitor progress and outcomes of the project.
8. Ensure that 100% of staff, over a 3 year period, participate in cultural competency training including, but not limited to, those offered by Monterey County Behavioral Health.

Dissemination of these Provisions. COLLABORATOR shall inform all its officers, employees, agents, and subcontractors providing services hereunder of these provisions.

By my signature below, as the authorized representative of the COLLABORATOR named below, I certify acceptance and understanding for myself and the COLLABORATOR of the above provisions.
