Seniors Council	\$ 25,000	\$ (25,000)	\$ -	384	Older Adults	Senior Companion Program	The Senior Companion Program is a peer support model that helps homebound, isolated adults remain safely in their homes while also supporting low-income volunteers age 55 and older through paid stipends. Volunteers provide light respite care and companionship to adults with physical, emotional, or mental health limitations, promoting independent living. Research shows peer support can reduce depression symptoms and lower risks of illness, injury, and early institutionalization.		Program Discontinued	7/1/2013
The Epicenter	\$ 330,000	\$ (195,000)	\$ 135,000	259	Youth	Program 1: Brilliant Minds	Brilliant Minds is an in-person and virtual drop-in program for transition-age youth (ages 16-24) that supports their transition into adulthood. It provides resources across housing, employment, health and wellness, and education, including access to food, clothing, computers, and Wi-Fi. The program also offers hands-on support such as job application assistance, mock interviews, tutoring, mental health referrals, and help connecting to housing services.		Program Discontinued	7/1/2015
						Program 2: LGBTQ+ Network of Affirmative Care	Monterey County is seeing an increase in HIV infections among young men in the LGBTQ+ and MSM communities, and there has not been a dedicated non-government HIV/AIDS service provider since 2009. This program aims to fill that gap by providing prevention and treatment information in English and Spanish to at-risk populations, while leveraging The Epicenter's LGBTQ+ youth services and its Affirmative Care Network. It will also gather community data on HIV awareness and sexual health education to better inform future services and help reduce infection rates while improving access to treatment.		Program Discontinued	
						Program 3: Program III: Rainbow Connections	Support implementation of the MHSA "Rainbow Connections" Innovation Program by providing LGBTQ youth outreach, education, and referral coordination in schools and community settings to improve access to affirming mental health services and strengthen outcomes for LGBTQ youth and families.
