

MONTEREY COUNTY BOARD OF SUPERVISORS

MEETING:	March 20, 2012	AGENDA NO.:
SUBJECT:	Authorize the Purchasing Manager for Natividad Medical Center (NMC) to execute Amendment No. 3 to and Renewal of the County of Monterey Agreement No. A-11065 with Kronos Incorporated, effective October 1, 2011, adding additional software, support services, and professional services related to worker productivity improvement at NMC, decreasing the total Agreement maximum liability to \$1,630,737.90, and extending the term to June 30, 2013.	
DEPARTMENT:	Natividad Medical Center	

RECOMMENDATION:

Authorize the Purchasing Manager for Natividad Medical Center (NMC) to execute Amendment No. 3 to and Renewal of the County of Monterey Agreement No. A-11065 with Kronos Incorporated, effective October 1, 2011, adding additional software, support services, and professional services related to worker productivity improvement at NMC, decreasing the total Agreement maximum liability to \$1,630,737.90, and extending the term to June 30, 2013.

SUMMARY/DISCUSSION:

Natividad Medical Center originally purchased the Kronos System on November 6, 2007 with an original agreement amount of \$558,000, to include payment for initial licensing for Kronos Time & Attendance, Scheduler and Workforce Analytics ("Application"). Natividad purchased this Application to appropriately schedule staff, to capture and allocate all productive and non-productive time worked, and to provide managers with the information necessary to assist them in meeting the hospital adopted productivity standards.

On June 8, 2010, NMC requested and obtained approval from the Board of Supervisors to amend the Agreement, adding \$56,000 for additional licenses and services to provide application oversight including but not limited to regular maintenance, license uploads, fix-it patches as well as software upgrades. At the time this amendment was approved NMC did not have the expertise in-house to provide such services. On February 15, 2011, NMC requested and obtained approval from the Board of Supervisors to amend the Agreement a second time, adding \$58,000 to purchase the Absenteeism & Leave Management Module. This addition provides NMC management with additional resources to help them track each employee's leaves. Monitoring of these types of times away will assist NMC in meeting the hospital's adopted productivity standards.

Natividad seeks to amend the agreement to add services and functionality to assist in monitoring productivity of hospital staff, but it must do so through a third amendment and renewal. NMC recommends approval of Amendment 3 as it will more clearly outline the costs of implementation of modules which NMC has purchased to date and to provide funds to cover the annual maintenance costs associated with utilizing the Application. Natividad did not place a third amendment to the Agreement on the Board of Supervisors' consent agenda in time before the Agreement expired because during a review of the existing agreements by the CAO's Office they determined that the current Purchase Order for this vendor exceeded the amount needed to complete such project; thus a thorough analysis was conducted by NMC and the vendor to provide a detailed account of all remaining funds needed to complete implementation of the Application.

To date at this time NMC has spent a total of \$353,107.37 in initial software/licensing fees, \$76,414.55 in maintenance costs, and \$216,679.46 in professional services for a total of \$646,201.38. The maximum liability under the agreement, currently at \$2,478,790 needs to be

reduced to \$1,630,737.90 to more closely reflect a more accurate maximum potential financial exposure to the County. This lowered maximum liability is intended to cover the cost of Kronos' services through September 30, 2011 plus Natividad's anticipated spending for Kronos services from October 1, 2011 through June 30, 2013.

NMC was previously authorized an amount of \$2,478,790; at this time NMC is requesting a decrease in the Purchase Order amount to allow for \$984,536.54 to be available for the 2011/2012 and 2012/2013 Fiscal years. This amount consists of \$756,322.54 for professional services and education materials for all five modules, \$100,000 in equipment and annual maintenance fees for two years at \$64,107.00 per year.

OTHER AGENCY INVOLVEMENT:

The Amendment has been reviewed and approved by County Counsel, the Auditor/Controller's office, and the Natividad Medical Center Board of Trustees.

FINANCING:

The cost for this Amendment is \$984,536.54, which is included in the Fiscal Year 2011/12 Approved Budget and recommended for 2012/2013 Requested Budget. This action will not require any additional General Fund subsidy.
