What is Planning

5

The goal of planning is to maximize the health, safety, and economic well-being of all people living in our communities. This involves thinking about how we can move around our community, how we can attract and retain thriving businesses, where we want to live, and opportunities for recreation. Planning helps create communities of lasting value. (APA)

We are pleased to offer online access to permit information and online payment for unincorporated Monterey County. The information below outlines what can be researched or submitted online.

Accela Citizen Access (ACA)

Citizen Access is the primary online resource for Land Use information for Monterey County. The following can be done with Accela Citizen Access (ACA):

- View historical planning and building permit information
- View historical code compliance cases
- Lookup zoning information
- [Schedule inspections](#)
- [Submit Building and Planning Permit Applications](#) - (Requires ACA Account)
- [Code Compliance Complaints](#) - (Requires ACA Account)
- [Over-the-Counter Design Approvals](#) - (Requires ACA Account)
- [Encroachment Permits](#) - (Requires ACA Account)
- [New Address Assignment](#) - (Requires ACA Account)
- [Public Records Requests](#)
- [Re-Roof Permits](#) - (Requires ACA Account)
- [Roof-mounted Solar Permits](#) - (Requires ACA Account)
- [Special Events Questionnaire Submission](#)
- [Transportation Permits](#) - (Requires ACA Account)
- [Water Heater Permits](#) - (Requires ACA Account)

Permit Tracker

Permit Tracker enables citizens to track planning and building permits. Permit Tracker is an interactive tool that allows you to:

- View planning and building permit information
- Track permit stages and updates
- Subscribe to permits and receive updates
- **Note: You can not submit permit applications via Permit Tracker**

Getting Started:

- [Create an ACA Account](#)
- [Using Accela Citizen Access](#)
- [How to Pay Fees Online](#)

Other Information:

Online Payments

Payments may be made through the internet (Citizen Access) using Visa, MasterCard, American Express, Discover or through an electronic checking or savings debit.

The HCD does not charge a fee to process payments online, however, the vendor processing your payments assesses the following convenience fees:

- E-check Payments - \$0.50 flat fee
- Credit Card Payments - 2.25% of the total bill

Online Permit Information County of Monterey

Public website:

Here is the link:

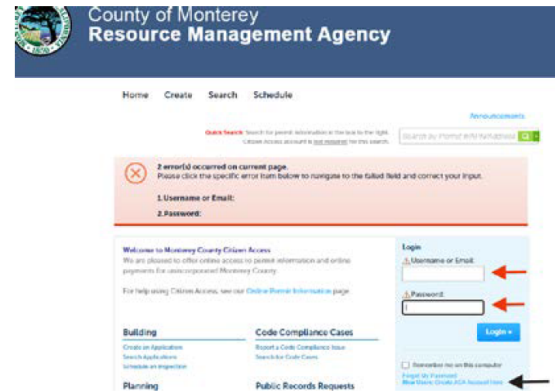

<https://www.co.monterey.ca.us/government/departments-a-h/housing-community-development/resources/online-permit-information>

- Create an ACA account (upper righthand corner under Getting Started).
- Under Accela Citizen Access (ACA), go down to Submit Building and Planning Permit Applications
- *And follow instructions.*

How to Submit Online via Accela Citizen Access

How to get Started

1. Go to Accela Citizen Access. The link is here: <https://aca-prod.accela.com/MONTEREY/Default.aspx>
2. Log into your user account with user ID and password. If you do not have a user account, please create a new ACA account.

3. Once you are logged in, you will want to create a new application. You can go to the top section, hover over Create and you have the option to:
 - Submit a Building Application
 - Submit a Planning Application
 - Submit a Records Request
 - Submit a Code Enforcement Complaint
 - Submit a Public Works Application (Encroachment Application)

When completed the application will become an APP number (temporary submittal)

Permit Center Online Intake Process - Building

21

Application overview :

- Determine scope of work
- Determine type of permit required
- Determine if project qualifies for OTC or expedited review. (It is important to identify if a project meets this criteria in order to ensure the review process is completed in a timely manner)
- Determine agencies required to review
- Verify project meets minimum submittal requirements (which includes preliminary review of the plans and ensure required supporting documents are submitted)

Overview of parcel:

- Review parcel History
- Expired permits (no new permits can be issued until any expired permits are addressed)
- Code Violations
- Zoning
- Design Guidelines

If complete:

- Building APP is cloned into a CP Permit (ex. 23CP0001)
- Application work-flow updated
- Project deemed incomplete for payment
- Accela sends automated email to applicant with incomplete reason

The screenshot displays the 'Workflow Tasks' panel on the left and the 'Task Details: Application Review' panel on the right.

Comments:

1. Fees Due. Pay fees using ACA. <https://acaproduct.accela.com/MONTEREY/Default.aspx>
You do not need to create an ACA account to be able to pay online. Click on the link, search the permit number, and click on the fee tab, there should be an option to "pay now."
2. Provide plans in electronic format for other agencies to review

Questions. Contact Domi Hernandez @ hernandezd2@co.monterey.ca.us

Task Specific Information

Electronic Plan Review	Application Fees Due
Yes	Yes

There currently are no ad hoc tasks defined.

Application Accepted/Routed

Application Deemed Complete:

- When items received and Fees paid
- Work-flow task updated to Accepted
- Routing task updated to Complete
- Agency reviews activated.

- Queue in Building Plan check “Pending Assigned Regular”. If identified as an OTC or Expedited notify plan check staff via email

Three important reasons all agencies should document comments/corrections in Accela workflow:

1. Applicants can view those comments via ACA
2. Any staff member can provide a status update if that information is readily available in the system.
3. It reflects we are meeting our targeted turnaround time

COMPLETENESS REVIEW

23

STEPS TO BE TAKEN IN COMPLETENESS REVIEW (ONCE APPROVED BY ALL AGENCIES):

- Quality check – confirming review of initial intake, i.e., expired permits, CE case, PVs on legal structures
- Make sure description in computer matches description on plans
- Make sure application was routed to all necessary agencies (reroute if necessary)
- Make sure General Information in Accela is updated
- Make sure fees are in the system, i.e., inspection fees and additional fees by other departments
- Make sure all plan sets and reports are approved and stamped by all plan review departments
- Make sure prior to issuance conditions are applied: address for ADUs, school fees, owner/builder forms, C&D recycling forms.
- Stamp all documents with **Approved for Issuance** stamps
- Application is Ready to Issue

RECOMMENDATION

It is recommended that the Board of Supervisors:

- a. Receive a presentation from the Housing and Community Development Department and conduct a workshop on its planning and construction permit processes, staffing and permit streamlining efforts.
- b. Find that the presentation and workshop is not a “project,” and therefore, not subject to CEQA.
- c. Provide direction, as appropriate
