**Exhibit B**     **Incorporation of Request for Qualifications #10786 and Statement of Qualification Documents**

**5. PERFORMANCE STANDARDS.**

5.01. CONTRACTOR warrants that CONTRACTOR and CONTRACTOR's agents, employees, and subcontractors performing services under this Agreement are specially trained, experienced, competent, and appropriately licensed to perform the work and deliver the services required under this Agreement and are not employees of the County, or immediate family of an employee of the County.

5.02. CONTRACTOR, its agents, employees, and subcontractors shall perform all work in a safe and skillful manner and in compliance with all applicable laws and regulations. All work performed under this Agreement that is required by law to be performed or supervised by licensed personnel shall be performed in accordance with such licensing requirements.

5.03. CONTRACTOR shall furnish, at its own expense, all materials, equipment, and personnel necessary to carry out the terms of this Agreement, except as otherwise specified in this Agreement. **6. PAYMENT CONDITIONS.**

6.01 CONTRACTOR shall submit to the Contract Administrator an invoice on a form acceptable to the County. The invoice shall set forth the amounts claimed by CONTRACTOR for the previous period, together with an itemized basis for the amounts claimed, and such other information pertinent to the invoice as the County may require. The Contract Administrator or his or her designee shall certify the invoice, either in the requested amount or in such other amount as the County approves in conformity with this Agreement, and shall promptly submit such invoice to the County Auditor-Controller for payment. The County Auditor-Controller shall pay the amount certified within thirty (30) days of receiving the certified invoice.

6.02. CONTRACTOR shall not receive reimbursement for travel expenses unless set forth in this Agreement.

**7. TERMINATION.**

7.01. During the term of this Agreement, the County may terminate the Agreement for any reason by giving written notice of termination to the CONTRACTOR at least thirty (30) days prior to the effective date of termination. Such notice shall set forth the effective date of termination. In the event of such termination, the amount payable under this Agreement shall be reduced in proportion to the services provided prior to the date of termination.

7.02. The County may cancel and terminate this Agreement for good cause effective immediately upon written notice to CONTRACTOR. "Good cause" includes the failure of CONTRACTOR to perform the required services at the time and in the manner provided under this Agreement. If County terminates this Agreement for good cause, the County may be relieved of the payment of any consideration to CONTRACTOR, and the County may proceed with the work in any manner, which County deems proper. The cost to the County shall be deducted from any sum due the CONTRACTOR under this Agreement.

## 8. INDEMNIFICATION.

- 8.01 For purposes of the following indemnification provisions (“Indemnification Agreement”), “design professional” has the same meaning as set forth in California Civil Code section 2782.8. If any term, provision, or application of this Indemnification Agreement is found to be invalid, in violation of public policy or unenforceable to any extent, such finding shall not invalidate any other term or provision of this Indemnification Agreement and such other terms and provisions shall continue in full force and effect. If there is any conflict between the terms, provisions or application of this Indemnification Agreement and the provisions of California Civil Code Sections 2782 or 2782.8, the broadest indemnity protection for the County under this Indemnity Agreement that is permitted by law shall be provided by CONTRACTOR.
- 8.02 Indemnification for Design Professional Services Claims: CONTRACTOR shall indemnify, defend and hold harmless County, its governing board, directors, officers, employees, and agents against any claims that arise out of, or pertain to, or relate to the negligence, recklessness, or willful misconduct of CONTRACTOR, its employees, subcontractors, and agents in the performance of design professional services under this Agreement, excepting only liability arising from the sole negligence, active negligence or willful misconduct of the County, or defect in a design furnished by the County, but in no event shall the amount of such CONTRACTOR’s liability exceed such CONTRACTOR’s proportionate percentage of fault as determined by a court, arbitrator or mediator, or as set out in a settlement agreement. In the event one or more defendants to any action involving such claim or claims against the County is unable to pay its share of defense costs due to bankruptcy or dissolution of the business, such CONTRACTOR shall meet and confer with the other parties to such action regarding unpaid defense costs.
- 8.03 Indemnification for All Other Claims or Loss: For any claim, loss, injury, damage, expense or liability other than claims arising out of CONTRACTOR’s performance of design professional services under this Agreement, CONTRACTOR shall indemnify, defend and hold harmless the County, its governing board, directors, officers, employees, and agents against any claim for loss, injury, damage, expense or liability resulting from or alleging injury to or death of any person or loss of use of or damage to property, arising from or related to the performance of services under this Agreement by CONTRACTOR, its employees, subcontractors or agents, excepting only liability arising from the sole negligence, active negligence or willful misconduct of the County, or defect in a design furnished by the County.

## 9.0 INSURANCE.

- 9.01. Evidence of Coverage:  
Prior to commencement of this Agreement, the Contractor shall provide a “Certificate of Insurance” certifying that coverage as required herein has been obtained. Individual endorsements executed by the insurance carrier shall accompany the certificate. In addition, the Contractor, upon request, shall provide a certified copy of the policy or policies.

This verification of coverage shall be sent to the County’s Contracts/Purchasing Department, unless otherwise directed. The CONTRACTOR shall not receive a “Notice to Proceed” with the work under this Agreement until it has obtained all insurance required and the County has approved such insurance. This approval of insurance shall neither relieve nor decrease the liability of the CONTRACTOR.

9.02. Qualifying Insurers:

All coverages, except surety, shall be issued by companies which hold a current policy holder’s alphabetic and financial size category rating of not less than A-VII, according to the current Best’s Key Rating Guide or a company of equal financial stability that is approved by the County’s Purchasing Manager.

9.03. Insurance Coverage Requirements:

Without limiting CONTRACTOR’s duty to indemnify, CONTRACTOR shall maintain in effect throughout the term of this Agreement a policy or policies of insurance with the following minimum limits of liability:

Commercial general liability insurance, including but not limited to premises and operations, including coverage for Bodily Injury and Property Damage, Personal Injury, Contractual Liability, Broad Form Property Damage, Independent Contractors, Products and Completed Operations with a combined single limit for Bodily Injury and Property Damage of not less than \$1,000,000 per occurrence.

Modification (Justification attached; subject to approval).

Business automobile liability insurance, covering all motor vehicles, including owned, leased, non-owned, and hired vehicles, used in providing services under this Agreement, with a combined single limit for Bodily Injury and Property Damage of not less than \$500,000 per occurrence.

Modification (Justification attached; subject to approval).

Workers’ Compensation Insurance, if CONTRACTOR employs others in the performance of this Agreement, in accordance with California Labor Code section 3700 and with Employer’s Liability limits not less than \$1,000,000 each person, \$1,000,000 each accident, and \$1,000,000 each disease.

Modification (Justification attached; subject to approval).

Professional liability insurance, if required for the professional services being provided (e.g., those persons authorized by a license to engage in a business or profession regulated by the California Business and Professions Code), in the amount of not less than \$1,000,000 per claim and \$2,000,000 in the aggregate, to cover liability for malpractice or errors or omissions made in the course of rendering professional services. If professional liability insurance is written on a “claims-made” basis rather

than an occurrence basis, the CONTRACTOR shall, upon the expiration or earlier termination of this Agreement, obtain extended reporting coverage (“tail coverage”) with the same liability limits. Any such tail coverage shall continue for at least three years following the expiration or earlier termination of this Agreement.

Modification (Justification attached; subject to approval).

9.04. Other Insurance Requirements:

All insurance required by this Agreement shall be with a company acceptable to the County and issued and executed by an admitted insurer authorized to transact insurance business in the State of California. Unless otherwise specified by this Agreement, all such insurance shall be written on an occurrence basis, or if the policy is not written on an occurrence basis, such policy with the coverage required herein shall continue in effect for a period of three years following the date CONTRACTOR completes its performance of services under this Agreement.

Each liability policy shall provide that the County shall be given notice in writing at least thirty (30) days in advance of each endorsed reduction in coverage or limit, cancelation, or intended non-renewal thereof. Each policy shall provide coverage for CONTRACTOR and additional insureds with respect to claims arising from each subcontractor, if any, performing work under this Agreement, or be accompanied by a certificate of insurance from each subcontractor showing each subcontractor has identical insurance coverage to the above requirements.

Commercial general liability and automobile liability policies shall provide an endorsement naming the County of Monterey, its officers, agents, and employees as Additional Insureds with respect to liability arising out of the CONTRACTOR’s work, including ongoing and completed operations, and shall further provide that such insurance is primary insurance to any insurance or self-insurance maintained by the County and that the insurance of the Additional Insureds shall not be called upon to contribute to a loss covered by the CONTRACTOR’s insurance. The required endorsement form for Commercial General Liability Additional Insured is **ISO Form CG 20 10 11-85 or CG 20 10 10 01 in tandem with CG 20 37 10 01 (2000)**. The required endorsement form for Automobile Additional Insured endorsement is **ISO Form CA 20 48 02 99**.

Prior to the execution of this Agreement by the County, CONTRACTOR shall file certificates of insurance with the County’s Contract Administrator and the County’s Contracts/Purchasing Division, showing that the CONTRACTOR has in effect the insurance required by this Agreement. The CONTRACTOR shall file a new or amended certificate of insurance within five calendar days after any change is made in any insurance policy, which would alter the information on the certificate then on file. Acceptance or approval of insurance shall in no way modify or change the indemnification clause in this Agreement, which shall continue in full force and effect.

CONTRACTOR shall at all times during the term of this Agreement maintain in force the insurance coverage required under this Agreement and shall send, without demand

by County, annual certificates to County's Contract Administrator and County's Contracts/Purchasing Division. If the certificate is not received by the expiration date, County shall notify CONTRACTOR and CONTRACTOR shall have five (5) calendar days to send in the certificate, evidencing no lapse in coverage during the interim. Failure by CONTRACTOR to maintain such insurance is a default of this Agreement, which entitles County, at its sole discretion, to terminate this Agreement immediately.

## 10. RECORDS AND CONFIDENTIALITY.

- 10.01. Confidentiality. CONTRACTOR and its officers, employees, agents, and subcontractors shall comply with any and all federal, state, and local laws which provide for the confidentiality of records and other information. CONTRACTOR shall not disclose any confidential records or other confidential information received from the County or prepared in connection with the performance of this Agreement unless County specifically permits CONTRACTOR to disclose such records or information. CONTRACTOR shall promptly transmit to County any and all requests for disclosure of any such confidential records or information. CONTRACTOR shall not use any confidential information gained by CONTRACTOR in the performance of this Agreement except for the sole purpose of carrying out CONTRACTOR's obligations under this Agreement.
- 10.02. County Records. When this Agreement expires or terminates, CONTRACTOR shall return to County any County records which CONTRACTOR used or received from County to perform services under this Agreement.
- 10.03. Maintenance of Records. CONTRACTOR shall prepare, maintain, and preserve all reports and records that may be required by federal, state, and County rules and regulations related to services performed under this Agreement. CONTRACTOR shall maintain such records for a period of at least three (3) years after receipt of final payment under this Agreement. If any litigation, claim, negotiation, audit exception, or other action relating to this Agreement is pending at the end of the three- (3) year period, then CONTRACTOR shall retain said records until such action is resolved.
- 10.04. Access to and Audit of Records. The County shall have the right to examine, monitor, and audit all records, documents, conditions, and activities of the CONTRACTOR and its subcontractors related to services provided under this Agreement. Pursuant to Government Code section 8546.7, if this Agreement involves the expenditure of public funds in excess of \$10,000, the parties to this Agreement may be subject, at the request of the County or as part of any audit of the County, to the examination and audit of the State Auditor pertaining to matters connected with the performance of this Agreement for a period of three (3) years after final payment under the Agreement.
- 10.05. Royalties and Inventions. County shall have a royalty-free, exclusive, and irrevocable license to reproduce, publish, and use, and authorize others to do so, all original computer programs, writings, sound recordings, pictorial reproductions, drawings, and other works of similar nature produced in the course of or under this Agreement.

CONTRACTOR shall not publish any such material without the prior written approval of County.

11. **NON-DISCRIMINATION.** During the performance of this Agreement, CONTRACTOR, and its subcontractors, shall not unlawfully discriminate against any person because of race, religious creed, color, sex, national origin, ancestry, physical disability, mental disability, medical condition, marital status, age (over 40), or sexual orientation, either in CONTRACTOR's employment practices or in the furnishing of services to recipients. CONTRACTOR shall ensure that the evaluation and treatment of its employees and applicants for employment and all persons receiving and requesting services are free of such discrimination. CONTRACTOR and any subcontractor shall, in the performance of this Agreement, fully comply with all federal, state, and local laws and regulations which prohibit discrimination. The provision of services primarily or exclusively to such target population as may be designated in this Agreement shall not be deemed to be prohibited discrimination.
12. **COMPLIANCE WITH TERMS OF STATE OR FEDERAL GRANT.** If this Agreement has been or will be funded with monies received by the County pursuant to a contract with the state or federal government in which the County is the grantee, CONTRACTOR will comply with all the provisions of said contract, to the extent applicable to CONTRACTOR as a subgrantee under said contract, and said provisions shall be deemed a part of this Agreement, as though fully set forth herein. Upon request, County will deliver a copy of said contract to CONTRACTOR, at no cost to CONTRACTOR.
13. **INDEPENDENT CONTRACTOR.** In the performance of work, duties, and obligations under this Agreement, CONTRACTOR is at all times acting and performing as an independent contractor and not as an employee of the County. No offer or obligation of permanent employment with the County or particular County department or agency is intended in any manner, and CONTRACTOR shall not become entitled by virtue of this Agreement to receive from County any form of employee benefits including but not limited to sick leave, vacation, retirement benefits, worker's compensation coverage, insurance or disability benefits. CONTRACTOR shall be solely liable for and obligated to pay directly all applicable taxes, including federal and state income taxes and social security, arising out of CONTRACTOR's performance of this Agreement. In connection therewith, CONTRACTOR shall defend, indemnify, and hold County harmless from any and all liability, which County may incur because of CONTRACTOR's failure to pay such taxes.
14. **NOTICES.** Notices required under this Agreement shall be delivered personally or by first-class, postage pre-paid mail to the County and CONTRACTOR's contract administrators at the addresses listed below:

## EXHIBIT A – SCOPE OF WORK/PAYMENT PROVISIONS

To Agreement by and between  
County of Monterey, hereinafter referred to as “County”  
and  
Harris & Associates, hereinafter referred to as “CONTRACTOR”

### A. SCOPE OF SERVICES

**A.1** CONTRACTOR shall provide services and staff, and otherwise do all things necessary for or incidental to the performance of work as set forth below:

CONTRACTOR shall provide responsible and comprehensive planning-related services, including assistance to process individual development permit applications and related environmental review (exemption determinations and/or initial studies) from the permit application “complete” stage to the final decision on an as-needed basis, initial review of groundwater well applications and related environmental review and advance planning work. CONTRACTOR shall abide by all local, state, and federal regulations.

**A.1.1 Contractor Minimum Work Performance Percentage:** CONTRACTOR shall perform with its own organization contract work amounting to not less than fifty (50) percent of the original total contract price, except that any designated 'Specialty Items' may be performed by subcontract and the amount of any such 'Specialty Items' so performed may be deducted from the original total AGREEMENT price before computing the amount of work required to be performed by CONTRACTOR with its organization.

**A.1.2 The Scope of Work for discretionary development applications includes but is not limited to the following:**

**A.1.2.1 Project Intake and Initial Contact:** County’s Project Planner shall hand out the application and subsequently receive and review application materials and technical reports (e.g., traffic, noise, air quality, soils and geology, archeological, biology) and confirm the permits required and the level of environmental review necessary. County’s Project Planner will prepare the Interdepartmental Review (IDR) Packets and will identify the tasks that are to be performed by CONTRACTOR for the project. CONTRACTOR, before proceeding, shall articulate in writing a statement defining the steps required to process the project, confirming County expectations regarding staff assignment and the definition of the work effort required to process the application and scheduling on a draft budget sheet.

**A.1.2.2 Cost/Time Estimate:** CONTRACTOR shall submit a budget estimate to include hours to complete the tasks required to process the application as identified by the County’s Project Planner.

## EXHIBIT A – SCOPE OF WORK/PAYMENT PROVISIONS

**A.1.2.3 Project Evaluation:** CONTRACTOR shall review the IDR comments, make a site visit, if deemed necessary by County's Project Planner, or may communicate with County's Project Planner and review photos. In collaboration with County's Project Planner, CONTRACTOR shall determine the project status and whether additional information is required per the State's permit streamlining requirements and CEQA.

**A.1.2.4 CEQA Determination:** CONTRACTOR and County's Project Planner will determine whether a categorical exemption or initial study is required.

Final determination whether the project is categorically exempt or if further environmental review is required will be made by County's Project Planner.

**A.1.2.5 Preparation of Initial Study/Negative/Mitigated Negative Declaration:** When an Initial Study is deemed necessary by County, CONTRACTOR, in collaboration with County's Project Planner, shall determine the scope of the initial study and identify potentially significant issues that need to be addressed. CONTRACTOR shall prepare a cost estimate of the Initial Study and present to County for approval. Once approved, CONTRACTOR shall complete an administrative draft Initial Study including impact analysis, mitigation measures and monitoring actions. CONTRACTOR shall submit a completed and finished administrative draft Initial Study to the County's Project Planner for the Project Planner's review. CONTRACTOR shall make such revisions as the County Project Planner directs. The administrative draft Initial Study then will be circulated through the County Clearinghouse (one week). The County Clearinghouse is responsible for distributing environmental documents to other County land use departments for review and collects their comments. Once acceptable to County staff, the administrative draft Initial Study may be forwarded by County's Project Planner to the applicant for a one-week review only to correct or revise factual details in the Project Description and agree to any proposed mitigation measures. If, during the preparation of the Initial Study, it is determined that an Environmental Impact Report (EIR) is required for the project, the County will follow its standard procedure for hiring an EIR consultant. Under RFQ #10786 Contractor shall not be eligible to prepare an EIR for any permits for which CONTRACTOR provides application review.

**Set Public Hearing Date for the Application:** CONTRACTOR shall work with County's Project Planner to determine an appropriate date to schedule the public hearing. This decision must follow County cutoff dates for staff report submission, review, corrections, and production and meet requirements of the state Permit Streamlining Act.

**A.1.2.6 Staff Report Preparation and Review:** After the application is deemed complete, and in consultation with the County's Project Planner, the CONTRACTOR shall prepare a draft staff report including all attachments and exhibits as required by County utilizing County templates to produce a clear and

## EXHIBIT A – SCOPE OF WORK/PAYMENT PROVISIONS

concise overview of the proposed project, issues and their resolution. This shall include a summary of the Land Use Advisory Committee (LUAC) action, where necessary. The appropriate Findings and Evidence shall be included in the draft resolution attached to the staff report and completed with comprehensive, clear and concise evidence to support findings. The Condition Compliance/Mitigation Monitoring matrix (i.e., list of conditions of approval, mitigation measures and monitoring actions) shall be completed. CONTRACTOR shall submit the draft staff report, findings and evidence and conditions and mitigation measure matrix to the County's Project Planner and make such revisions as the County's Project Planner directs.

**A.1.2.7 Presentation and Responses to Comments and Last-Minute Issues:** CONTRACTOR shall prepare all appropriate presentation materials for the hearing body as requested by County. CONTRACTOR shall be available during office hours one week prior to the public hearing to assist County's Project Planner to resolve any remaining issues or respond to comments in written form from the public and provide support to County as necessary.

**A.1.2.8 Public Hearing Follow-up – Appeals:** Under the direction of the County's Project Planner, CONTRACTOR shall be responsible for revising and changing any findings, evidence, or conditions/mitigation measures that are a result of the hearing process. CONTRACTOR may be required to prepare a revised staff report and follow recommendations of the hearing body. If the project is appealed to another County hearing body (e.g., from the Planning Commission to the Board of Supervisors) then CONTRACTOR shall respond to the appeal and prepare an appropriate discussion of the appeal topics in a *de novo* type staff report, prepare findings and evidence addressing the appeal and re-insert conditions and mitigations if the Planning Department is submitting an affirmative recommendation.

**A.1.2.9 Field Trips:** CONTRACTOR shall conduct field trips as needed for each project development application and related environmental review if required. Field trip requirements will ultimately be the decision of the County as appropriate.

**A.1.2.10 Responsible Agency Contacts:** CONTRACTOR shall be responsible for early contact with interested agencies identified by the County's Project Planner.

**A.1.2.11 County Plans, Ordinances, Forms, Templates and Process:** It shall be the responsibility of the CONTRACTOR to receive and review all County plans, ordinances, forms (as applicable), and templates for reviewing, analyzing, preparing, and processing the permit application products and documents. It shall be the responsibility of the CONTRACTOR to endeavor to learn and master the County's permitting and related environmental review process to minimize involvement of staff time during the processing of the individual permits.

## **EXHIBIT A – SCOPE OF WORK/PAYMENT PROVISIONS**

**A.1.2.12 Files and File Organization:** CONTRACTOR shall receive a copy of the Planning Department’s file and all subsequent correspondence. All e-mails and electronic files shall be forwarded immediately to County’s Project Planner.

**A.1.3 Scheduled Documents Delivered:** CONTRACTOR shall deliver one electronic copy and one clean hard copy original of the staff report with all required attachments per County format and requirements at least two weeks prior to the public hearing as the final completed product with all reviews and required approvals. CONTRACTOR shall deliver one electronic copy and one original hard copy of the Initial Study/Negative Declaration (where required) pursuant to a schedule set at the time the CEQA determination is made. By no later than when the Initial Study is ready for release to the public for the public review and comment period, CONTRACTOR shall provide to the County a complete and accurate copy of all references listed in the environmental review document prepared by CONTRACTOR.

**A.1.4 The Scope of Work for groundwater well application includes but is not limited to the following:**

**Well Permit Review:** This task includes review of a well permit application and completion of the screening tool. Each well permit application is anticipated to be complete and provide all information needed for use of the screening tool. Based on the Environmental Health Bureau (EHB) well application review process, each application will include:

- A two-page application form, deemed complete by EHB staff;
- A one-page well routing form/fee worksheet, completed by EHB staff;
- County GIS map (PBI map) with parcel information and identification of potential hazards, historical and cultural resource sensitivity, biological resources, and other information;
- A four-page well construction form, completed by EHB staff, identifying requirements that may be required for the permit, and
- Comments from other County departments, as applicable, including: Monterey County Water Resources Agency, EHB and Monterey Peninsula Water Management District.

It is anticipated that EHB or Housing and Community Development (HCD) will forward permits to CONTRACTOR after completion of the internal review process and will only forward permit applications for wells in the inland areas of the county, outside the Area of Impact. Upon receipt of each well permit application, CONTRACTOR will complete the screening tool prepared by the County and prepare a brief memorandum recommending whether the permit be considered ministerial or discretionary, and for those determined to be discretionary, what level

## EXHIBIT A – SCOPE OF WORK/PAYMENT PROVISIONS

of CEQA review is anticipated. The memorandum and complete screening tool will be submitted within two weeks of receipt of the complete well application package from EHB. If a high volume of permit applications is received at one time, this timeframe may be extended.

For those applications recommended as ministerial, a notice of exemption will be prepared and provided to HCD for signature with the memorandum. For those recommended as discretionary, CONTRACTOR will request email authorization from County to proceed with steps as outlined in Sections 1.1 and 1.2.

### **A.1.5 The Scope of Work for advance planning services includes but is not limited to the following:**

**A.1.5.1 Initial Contact:** HCD shall provide a project specific scope of work and will identify the tasks that are to be performed by CONTRACTOR for the project. CONTRACTOR, before proceeding, shall articulate in writing a statement defining the steps required to process the project, confirming County expectations regarding staff assignment and the definition of the work effort required to process the application and scheduling on a draft budget sheet.
