

WAIVER AND RELEASE FROM LIABILITY FORM

Grantee and all representatives of Grantee including, but not limited to employees or contractors of Grantee understand that climbing towers and other structures during site visits and installation of communication equipment associated with this outgrant is a potentially hazardous activity that may be physically strenuous and could result in injury or death. Grantee further understands that such activity requires good physical health and proper training. Grantee hereby certifies that all Grantee representatives assigned to this activity are currently in good physical health and have received the necessary training.

Having read this Waiver and Release and knowing these facts, Grantee, hereby waives and releases the United States Coast Guard, the Department of Homeland Security, the United States of America and all its agents, officers and personnel from any and all claims and/or liabilities of any kind arising out of my entry onto the property and structures or any work that Grantee representatives perform that may occur during the course of site visits associated with this outgrant.

Grantee executes this Waiver and Release fully understanding the above conditions, free from any coercion. Grantee further certifies that all Grantee representatives have read and understand each provision of this Waiver and Release.
