WHEREAS, the Health Department Clinic Services and Behavioral Health operate clinics, providing comprehensive primary medical care, obstetrics, internal medicine, low acuity behavioral health, communicable disease, and disease prevention services so that every resident of Monterey County has access to healthcare; and

WHEREAS, the increased competition for Medical Assistants has made recruiting, hiring and retaining incumbents increasingly difficult when salary is not competitive with neighboring medical facilities and high position vacancies reduce the staffing ratio of Medical Assistant to medical providers and jeopardizes the physical and mental health well-being of patients; and

WHEREAS, a compensation study was requested to determine if the Medical Assistant classification necessitated a salary adjustment to alleviate recruitment and retention challenges and appropriately compensate for the certification requirements and scope and responsibility of the classification; and

WHEREAS, the compensation study found the Medical Assistant classification is paid 14.83% less than the County's comparable agencies and the Human Resources Department recommends adjusting the salary to market average; and

WHEREAS, the recommended action requires the Personnel Policies and Practices Resolution (PPPR) No. 98-394 Appendix A to be amended.

NOW, THEREFORE, the Monterey County Board of Supervisors hereby resolved to approve the following:
