If no resolution can be agreed to by the affected parties, the Operations and Executive Boards may be consulted, with the final determination of appropriate action to be made by the County, acting through the Director of the Emergency Communications Department.
- F The Director or his/her designee will promptly investigate all complaints received from any User or citizen and shall respond in a timely manner to the complaining party. The Director shall regularly report to the EC Boards with a summary of complaints received and their resolution and shall provide additional information to individual Users involved in a complaint upon request.

11. ADDITION OF NEW MEMBERS

- A Any government organization that is not a party to this agreement on the effective date of this agreement may become a Party upon: (a) the recommendation of the Emergency Communications Department; (b) the recommendation of the Executive Board by majority vote; (c) payment of a pro rata share of all previously incurred costs that the County determines will benefit the requesting organization and are thereby appropriate to assess to the

organization; and (d) execution of a written agreement with the County subjecting the requesting organization to the terms and conditions of this agreement. The County may execute an amendment to this agreement to include a new Party.

- B The Executive Board may recommend by majority vote, imposing one-time fees upon new Parties to offset costs incurred in previous fiscal years (buy-in fees). Buy-in fees include but are not limited to facility construction, major equipment purchases, and software. Buy-in fees will be incorporated into the budget for emergency communications services.
- C Under special circumstances, such as but not limited to manmade or natural disaster, acts of God, and acts of civil unrest, temporary access to the emergency communications system may be provided to non-Parties. This access may be recommended by the Operations Board or, if time does not permit, the Director may approve non-party access and notify the EC Boards. Non-Parties may be required by the County to reimburse the County or Parties and Users any costs resulting from temporary emergency access.

12. BUDGET DEVELOPMENT PROCESS

- A Program and budget related decisions shall be developed by the County with input from the Executive Board and the Operations Board, and ECD staff. The Executive Board will review staff recommendations and provide final recommendations to the County. The County Board of Supervisors shall have final authority over program and budget related decisions.
- B The Executive Board shall review the Emergency Communications Department's annual budget request prior to County's budget hearings. The County shall provide all relevant information, including information about indirect costs, in a timely manner, allowing sufficient time for the Executive Board to evaluate and make requests for information.
- C The Executive Board will advise regarding the Emergency Communications Department budget and service levels to be proposed to the Board of Supervisors and to the Parties' governing bodies, as applicable, in the form of recommended budgets and augmentation requests, in accordance with procedures established by the County. The Executive Board will provide recommendations to staff working with County service departments in reviewing charges and levels of service provided by the Emergency Communications Department. In the event that the Executive Board does not concur with the County's Recommended Budget, the Director and the Chair of the Executive Board shall present the Executive Board's recommendations regarding emergency communications budget and service levels directly to the County Board of Supervisors. Final

budget approval regarding budgets and funding of service levels are the responsibility of the County Board of Supervisors.

- D The County of Monterey Emergency Communications Department will provide reports on future budgets, current year budget management and cost control, personnel (recruitment, hiring, retention), and special project status on an ongoing and annual basis as requested by the Executive Board.
- E County Administrative Office staff will present ECD annual forecasts and recommended budgets for the County Board of Supervisors' consideration, including information on alternative funding/service levels and Countywide service department charges.

13. 9-1-1 RESERVE ACCOUNT

- A The Emergency Communications Department shall regularly report accounting for the 9-1-1 Reserve Account to the Executive Board. As authorized by the County Board of Supervisors, the 9-1-1 Reserve Account will be restricted for expenditures as recommended by the EC boards, with final determination on expenditures to be made by the County and will be maintained in an interest-bearing restricted fund, until the funds are expended.
- B The purpose of the 9-1-1 Reserve Account is to fiscally support capital expenditures, the future acquisition of major equipment (such as computer systems), and to spread out major expenditures over time, thereby reducing the need for large assessments to the Parties. The 9-1-1 Reserve Account will enable County and the Parties to better prepare budgets and facilitate long term fiscal planning.
- C Funds in the 9-1-1 Reserve Account shall be readily accessible to the Emergency Communications Department to use for appropriate expenditures that benefit the Parties and Users.
- D The Director shall present 9-1-1 Reserve Account accounting reports to the Executive Board monthly or as requested.
- E Accumulation of interest in the 9-1-1 Reserve Account will accrue to the benefit of the emergency communications systems.

14. COST SHARING PLAN FOR PARTIES AND USERS

- A Until replaced by an NGEN Operations and Maintenance (O & M) Governance and Financing Agreement, Radio system O & M fees are billed on a quarterly basis by ECD. O & M fees are determined by the number of radio users on the system as recommended by Operations Board and the Executive Board. Radio system O & M costs are determined by the Information Technology Department (ITD) and ECD.

1. The payment shall be due (“Due Date”) thirty (30) days after the billing date. County shall bill the Users no later than the end of each calendar quarter for the prior calendar quarter. For example, July through September would be billed before the end of December of the same fiscal year.

B ECD will invoice each Party separately, either annually, biannually, or quarterly in arrears for fees for Dispatch Services, the Emergency Notification System, Inform Mobile Licensing, the NGEN Debt Service and other special charges to Parties and Users. County will consult with the Executive Board at least ten (10) days before the start of each fiscal year regarding the frequency of billing and methodology of billing to actual expenses or budgeted expenses per **subsection 1** below. The County, through ECD, may exercise its discretion and bill agencies either annually, bi-annually, or quarterly, in order to maintain adequate reserves in the special revenue fund dedicated to provision of 911 services.

- 1 In consideration of the foregoing, each Party will pay to the County, on an annual, biannual, or quarterly basis, an amount derived by the formula set forth below based on the year-to-date actual costs or budgeted costs.
- 2 Invoices shall be sent via email to the email address listed in the signature block of this Agreement. Invoices will be mailed via certified mail ONLY at the written request of the Party or User Agency to the ECD. This mailing address and email address may be changed only with written notice to ECD. An email to the current Director will suffice.
- 3 The funding formula for user agencies may include 5.0% of the County of Monterey’s total Proposition 172 revenue from the two year prior audited actual Proposition 172 revenue to offset the total charges incurred by all Parties to this agreement as determined annually by the Monterey County Board of Supervisors during the budget process.
- 4 The Countywide Cost Allocation Plan (COWCAP) will be utilized to capture and bill the indirect costs incurred by the County which are associated with the operations of the Monterey County Emergency Communications Department.

C Formula Definitions:

A	Actual cost of dispatch service (Source: County of Monterey Auditor/Controller's expenditure report for the Billing Period.)
B	Amount to be paid by the State of California, and/or other agencies not party to this agreement, to the County of Monterey for emergency 9-1-1 operations.
C	Actual Annual cost subject to percentage distribution.
D	Most recently available assessed valuation of real property of the Party. (Source: "Monterey County Tax Rates" for the Billing Year.)
E	Most recently available assessed valuation of real property in the County of Monterey less the assessed valuation of real property attributed to organizations not receiving direct dispatch services. (Source: "Monterey County Tax Rates" for the billing year.)
F	Most recently available resident population of each Party. (source: for county and cities, "State of California Department of Finance Data" for the billing year and for Fire Districts, "Inventory of Local Agencies" as provided by the Local Agency Formation Commission for the County of Monterey.)
G	Most recently available total population of the County of Monterey, less the population of agencies not receiving direct dispatch services. (Source: for county and cities, "State of California Department of Finance Data" and for Fire Districts, "Inventory of Local Agencies" as provided by the Local Agency Formation Commission for the County of Monterey.)
H	Annual Workload total for each Party based on billing period. (Source: Workload totals compiled by the County of Monterey Emergency Communications Department, following review by the Operations Board.)
I	Annual Workload total for all law enforcement, fire, special emergency, and other emergency response units for the billing period. (Source: Workload totals compiled by the County of Monterey Emergency Communications Department, following review by the Operations Board.)
J	Party net percentage (Derived by applying equal weight to Party Percentage of Assessed Valuation, Resident Population and Dispatch Workload.) For Fire Districts and Fire Only Users this net percentage is multiplied by 10%.
K	Party Gross Bill.
L	Party's Prop 172 offset shall be computed by taking the Party's original billing and dividing that by the total billing of all Parties subject to Prop 172 reduction, which is a percentage of the total billing. That percentage is multiplied by the total gross Prop 172 amount to derive the individual Party's percentage share of the Prop 172 funding.

D Cost Allocation Formula:

(1) $A - B = C$

(2)
$$\left[\frac{D}{E} + \frac{F}{G} + \frac{H}{I} \right] \text{ Divided by } 3 = J$$

(3) $C \times J = K$

(4) $K - L = \text{Charge to the Party for the billing year.}$

- E In addition to the foregoing formula, the County may, after consultation and recommendations with the Executive Board and the Operations Board, augment the formula on a pro rata basis to include provisions of special funding for any purpose such as, but not limited to, adding to the 9-1-1 Reserve Account, supporting needed projects to replace software, hardware, dispatch furniture, major building repair, etc. Withdrawals from the 9-1-1 Reserve Account shall be recommended to the County through majority vote of the Executive Board.
- F The County may consult with the Executive Board and may choose to select other source documents to replace those defined in the Formula Definitions above if the County determines that the new documents provide more accurate information.
- G The Workload component of the billing formula will be periodically evaluated by the Operations Board which shall report its findings to the Executive Board. Changes to the Workload component may be recommended to the County by the Executive Board, which changes may be implemented by the County, in its discretion, as appropriate.
- H The County of Monterey Emergency Communications Department shall bill each Party on an annual, biannual, or quarterly individual basis.
- I Delinquency. If a Party does not pay its fees for service as set forth above on or before the Due Date, the amount unpaid shall be deemed delinquent. A “Delinquency Fee” in the amount of five percent (5 %) of the delinquent amount shall be added to the amount owed and charged to the Party. The delinquency fee shall be applied to the amount owed (the amount owed includes any previously added delinquency fee) every thirty (30) days until such time the bill is paid in full. If a Party does not pay the delinquent amount and any delinquency fee within ninety (90) calendar days from the Due Date, the County is authorized to withhold and offset from any lawful source whatsoever otherwise due to the Party, including the regular apportionment of property tax revenue, an amount sufficient to satisfy the delinquent amount and delinquency fees.
- J Billing Dispute: If a Party or Parties dispute payment owed to County, each Party shall notify County within 15 calendar days of its receipt of its invoice. This notice shall include sufficient details about the dispute for County to review and act. County shall provide any requested information within 15 calendar days. If County is unable to respond within 15 calendar days, the Party disputing the billing shall be relieved of any delinquency payment until 15 days after the information is provided.

15. PAYMENT PROVISIONS FOR MISCELLANEOUS AGENCIES

A ECD shall invoice each Miscellaneous Agency in alignment with the invoicing schedule as outlined in **Section 14, subsection B** of this Agreement.

B The formula to determine costs is as follows:

Formula Definitions

A	Miscellaneous Agency Workload (Source: Workload totals compiled by the County of Monterey Emergency Communications Department, following review by the Operations Board.)
B	Annual Workload total for all law enforcement, fire, special emergency, and other emergency response units for the billing period. (Source: Workload totals compiled by the County of Monterey Emergency Communications Department, following review by the Operations Board.)
C	Miscellaneous Agency net percentage
D	Actual cost of dispatch service (Source: County of Monterey Auditor/Controller's expenditure report for the Billing Period.)
E	Charge to the Miscellaneous Agency for the billing year.

Cost Allocation Formula for Miscellaneous Agencies:

(1)
$$\frac{A}{B} = C$$

(2) $C \times D = E$

C In addition to the foregoing formula, the County may, after consultation and recommendations with the Executive Board and the Operations Board, augment the formula on a pro rata basis to include provisions of special funding for any purpose such as, but not limited to, adding to the 9-1-1 Reserve Account, supporting needed projects to replace software, hardware, dispatch furniture, major building repair, etc. Withdrawals from the 9-1-1 Reserve Account shall be recommended to the County through majority vote of the Executive Board.

D The County may consult with the Executive Board and may choose to select other source documents to replace those defined in the Formula Definitions above if the County determines that the new documents provide more accurate information.

E The Workload component of the billing formula will be periodically evaluated by the Operations Board which shall report its findings to the Executive Board. Changes to the Workload component may be recommended to the County by the Executive Board, which changes may be implemented by the County, in its discretion, as appropriate.

F The County of Monterey Emergency Communications Department shall bill each Miscellaneous Agency on an annual, biannual, or quarterly individual basis.

G Delinquency. If a Miscellaneous Agency does not pay its fees for service as set forth above on or before the Due Date, the amount unpaid shall be deemed

delinquent. A “Delinquency Fee” in the amount of five percent (5 %) of the delinquent amount shall be added to the amount owed and charged to the Miscellaneous Agency. The delinquency fee shall be applied to the amount owed (the amount owed includes any previously added delinquency fee) every thirty (30) days until such time the bill is paid in full. If a Miscellaneous Agency does not pay the delinquent amount and any delinquency fee within ninety (90) calendar days from the Due Date, the County is authorized to withhold and offset from any lawful source whatsoever otherwise due to the Miscellaneous Agency, including the regular apportionment of property tax revenue, an amount sufficient to satisfy the delinquent amount and delinquency fees.

H Billing Dispute: If a Miscellaneous Agency(s) dispute payment owed to County, each Miscellaneous Agency shall notify County within 15 calendar days of its receipt of its invoice. This notice shall include sufficient details about the dispute for County to review and act. County shall provide any requested information within 15 calendar days. If County is unable to respond within 15 calendar days, the Miscellaneous Agency disputing the billing shall be relieved of any delinquency payment until 15 days after the information is provided.

16. ONGOING USE OF 9-1-1 DISPATCH CENTER

A As provided in the Agreement for the Construction and Funding of a Consolidated Dispatch Center for 9-1-1 emergency communications, effective on July 1, 2001, County shall provide the land located at 1322 Natividad Road, Salinas at no cost to the Parties and Users for the duration of its use for the purposes set forth in that agreement and in this agreement.

B The County shall permit the Users to use the 9-1-1 Dispatch Center of the consolidated Emergency Services Center including its equipment, fixtures, and furnishings for the period of time that the facility is used for 9-1-1 dispatch services.

C The County and the Parties shall be jointly responsible for costs of maintenance of the 9-1-1 Dispatch Center.

17. RECORDS AND CONFIDENTIALITY

A Confidentiality: County and the Parties and Users and their officers, employees, agents, and subcontractors shall comply with all federal, state, and local laws which provide for the confidentiality of records and other information. No Party shall disclose any confidential information, any confidential records, or other confidential information received from any Party to this agreement or prepared in connection with the performance of this agreement, unless the other Party specifically permits such disclosure of records or information. All requests for disclosure of confidential information shall be promptly transmitted to the owner of the information. Notwithstanding these duties of confidentiality, the Parties

9-1-1 Emergency Services and Governance Agreement

acknowledge that the Parties and the County are government agencies subject to the California Public Records Act, which requires disclosure of public records subject to exceptions. The Parties and the County will mutually cooperate to comply with the California Public Records Act disclosure obligations, consistent with these confidentiality obligations.

- B **Maintenance of Records:** The County shall prepare, maintain, and preserve all reports and records that may be required by federal, state, or local rules and regulations related to services performed under this agreement. The County shall maintain such records in accordance with the provisions of the County and ECD Record Retention policies. The Parties shall maintain such records in accordance with their records retention policies. If any litigation, claim, negotiation, audit exception, or other action relating to this agreement is asserted, the County and the Parties shall retain such records until such action is resolved.

18. COUNTY INDEMNIFICATION OF PARTIES AND PARTIES' WAIVER OF CLAIMS AGAINST THE COUNTY

- A County hereby agrees to indemnify and hold harmless each Party, its officers, agents, employees, and authorized volunteers from any and all claims, demands, judgments or decrees made or rendered against each Party, its officers, agents or employees by reason of any injury, death or damage suffered or sustained by any person or entity caused by, or alleged to have been caused by or arising out of the provision of the emergency communications services by the County as set forth in this agreement.
- B Further, County, at its own cost, expense and risk, shall defend any and all suits, actions, or other legal proceedings arising from the provision of emergency communications services by the County pursuant to this agreement that may be brought or instituted by third parties against each Party, its officers, agents, employees, or authorized volunteers, and shall pay and satisfy any judgment or decree that may be rendered against each Party, its officers, agents or employees in any such suit, action, or other legal proceedings. Each Party agrees to promptly notify County of any suit, action, or other legal proceeding asserted against it by third parties which arises from the provision of emergency communications services as specified in this agreement and each Party agrees to cooperate with County in the defense of such claims.
- C In return for and in recognition of County's acceptance of liability, as set forth above, each Party agrees that it will not sue, make any demand or claim, or otherwise prosecute or assert liability against the County for any claim, demand, judgment, or decree of any nature caused by or arising out of the provision of the emergency communications services by the County set forth in this agreement. This waiver of liability against the County by the Parties applies to

9-1-1 Emergency Services and Governance Agreement

claims, demands, judgments or decrees which are asserted by third parties and to claims, demands, judgments or decrees which could be asserted by the Parties against the County.

D Survival of Indemnification and Waiver of Liability Obligations

1. The indemnification and defense obligations assumed by County and the waiver of liability against the County agreed to by the Parties, established above, shall survive the termination of this agreement, the withdrawal of any Party from this Agreement, and the termination of any Party from this Agreement. These obligations and the waiver of liability shall extend to the expiration of the statute of limitations applicable to any claims arising from this agreement and the provision of emergency communications services pursuant to this agreement.

19. INSURANCE

- A Without limiting the foregoing indemnification, all Parties shall maintain in force at all times during the performance of this agreement, a policy or policies of insurance as follows, and in the minimum limits of liability as stated herein:
