RECOMMENDATION:

It is recommended the Board of Supervisors:

Authorize the Deputy Purchasing Agent for Natividad Medical Center (NMC) or his designee to execute renewal and amendment No. 2 to the funding agreement with Healthcare Foundation of Northern and Central California (“Healthcare Foundation”), a California corporation, for assisting in meeting the direct costs of a Medical Respite Program (“MRP”) for homeless persons in Monterey County (Resolution No. 16-093), to extend the agreement an additional three (3) year period (July 1, 2018 through June 30, 2021) for a revised full agreement term of April 19, 2016 through June 30, 2021, and adding \$300,000 for a revised total agreement amount not to exceed \$498,500.

SUMMARY/DISCUSSION:

In 2013, the hospitals of Monterey County convened and collaborated with the Hospital Council of Northern and Central California to search for a solution to meet the needs of the homeless population as they are discharged from hospital stays. All hospitals have struggled with increasing readmissions that require a solution that supports timely, post-acute safe discharges for these members of the county homeless population. Historically, there are a limited number of safe discharge options for homeless individuals and hospitals often rely on motels, board and care facilities, Skilled Nursing Facilities (“SNFs”) or extended inpatient stays.

On April 19, 2016, the Monterey County Board of Supervisors approved a Resolution authorizing Natividad Medical Center to contribute to the development of a Respite Program for the homeless via a funding agreement with an initial contribution of \$105,000. The respite facility is a collaboration among Community Hospital of the Monterey Peninsula, Salinas Valley Memorial Hospital and Natividad Medical Center, and Community Homeless Solutions.

On October 10, 2017, the Monterey County Board of Supervisors approved a Resolution authorizing

Natividad Medical Center to contribute to the development of a Respite Program for the homeless via funding agreement with an additional contribution of \$93,500.

This request per Amendment No. 2 is to extend the term of the funding agreement and to add an additional contribution of \$300,000 for continuation of this critical service to the homeless population. Continued availability of the medical respite program will enable hospitals to continue to implement discharge plans for clinically appropriate homeless patients that better manage hospital utilization. Homeless patients who receive post discharge care at the respite experience reduced re-hospitalizations and emergency department visits.

Hospital Council of Northern and Central California is co-collaborator, process facilitator, and convener. Healthcare Foundation of Northern and Central California is the fiscal intermediary between the three hospitals, Community Homeless Solutions, and the respite facility.

OTHER AGENCY INVOLVEMENT:

County Counsel has reviewed and approved this renewal and amendment No. 2 as to legal form and risk provisions, and the Auditor-Controller and Budget Office have reviewed and approved as to payment provisions. The renewal and amendment No. 2 has also been reviewed and approved by NMC's Finance Committee on April 25, 2019 and by its Board of Trustees on May 3, 2019.

FINANCING:

This action does not impact the General Fund contribution as the changes will be contained within the approved Natividad Medical Center's Adopted FY18-19 budget, and future costs will be included in future budgets respectively.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:

Extending the funding agreement an additional year allows for the much needed continued monetary support to ensure the Respite program becomes successful. The program provides primary and behavioral healthcare to the homeless and helps break the cycle of homelessness by working with the client to create connections to family and friends, and offers assistance with benefit enrollment, transitional or permanent housing, and job training.
