In the event of such termination, the Parties remain free to negotiate an employer/employee contract with any *locum tenens* Physician.
- 1.46 No Benefit Contributions. NMC shall have no obligation under this Agreement to compensate or pay applicable taxes for, or provide employee benefits of any kind (including contributions to government mandated, employment-related insurance and similar programs) to, or on behalf of, CONTRACTOR or any other person employed or retained by CONTRACTOR. Notwithstanding the foregoing, if NMC determines or is advised that it is required by law to compensate or pay applicable taxes for, or provide employee benefits of any kind (including contributions to government mandated, employment-related insurance and similar programs) to, or on behalf of, CONTRACTOR or any other person employed or retained by CONTRACTOR, CONTRACTOR shall reimburse NMC for any such expenditure within thirty (30) calendar days after being notified of such expenditure.
- 1.47 Referrals. CONTRACTOR shall ensure that no *locum tenens* Physician refers any NMC Patient to any provider or health care services facility which either CONTRACTOR or any *locum tenens* Physician knows or should have known is excluded or suspended from participation in, or sanctioned by, any Federal Health Care Program or state equivalent. Further, CONTRACTOR shall require that no *locum tenens* Physician refer any NMC patient to any provider or health care services facility unless such referral is in full compliance with all applicable law, including without limitation 42 U.S.C. Section 1395nn, commonly known as the Stark law, 42 U.S.C. Section 1320a-7b(b), commonly known as the Federal Health Care Program Anti-kickback Statute, and similar California laws. CONTRACTOR will provide any information which may be requested from time to time by NMC in order to verify CONTRACTOR's and *locum tenens* Physicians' compliance with these referral restrictions. Notwithstanding any other provision of this

Agreement, if CONTRACTOR or a *locum tenens* Physician makes a referral of a NMC patient in violation of this Section 9.3, NMC may immediately terminate this Agreement. In the event that any governmental agency, any court or any other judicial body of competent jurisdiction, as applicable, issues an opinion, ruling or decision that any payment, fee or consideration provided for hereunder is made or given in return for patient referrals, either Party may at its option terminate this Agreement with three (3) days' notice to the other Party. CONTRACTOR's rights under this Agreement shall not be dependent in any way on the referral of patients or business to NMC or any Affiliate by CONTRACTOR, *locum tenens* Physician or any person employed or retained by CONTRACTOR.

1.48 CONTRACTOR Compensation Arrangements. CONTRACTOR represents and warrants to NMC that the compensation paid or to be paid by CONTRACTOR to any physician is and will at all times be fair market value for services and items actually provided by such physician, not taking into account the value or volume of referrals or other business generated by such physician for NMC or any Affiliate.

1.49 Cooperation.

1.49.1. The Parties recognize that, during the term of this Agreement and for an undetermined time period thereafter, certain risk management issues, legal issues, claims or actions may arise that involve or could potentially involve the Parties and their respective employees and agents. The Parties further recognize the importance of cooperating with each other in good faith when such issues, claims or actions arise, to the extent such cooperation does not violate any applicable laws, cause the breach of any duties created by any policies of insurance or programs of self-insurance, or otherwise compromise the confidentiality of communications or information regarding the issues, claims or actions. As such, the Parties hereby agree to cooperate in good faith, using their best efforts, to address such risk management and legal issues, claims, or actions.

1.49.2. The Parties further agree that if a controversy, dispute, claim, action or lawsuit (each, an "Action") arises with a third party wherein both the Parties are included as defendants, each Party shall promptly disclose to the other Party in writing the existence and continuing status of the Action and any negotiations relating thereto. Each Party shall make every reasonable attempt to include the other Party in any settlement offer or negotiations. In the event the other Party is not included in the settlement, the settling Party shall immediately disclose to the other Party in writing the acceptance of any settlement and terms relating thereto, if allowed by the settlement agreement.

1.50 Right of Inspection. Upon reasonable prior written notice, NMC and County officials and their designees may inspect the books and records of CONTRACTOR which are necessary to determine that work performed by CONTRACTOR or any *locum tenens* Physician to patients hereunder is in accord with the requirements of this Agreement. Such inspection shall be made in a manner so as not to disrupt the operations of NMC or CONTRACTOR.

- 1.51 Access to and Audit of Records. NMC shall have the right to examine, monitor and audit all records, documents, conditions, and activities of the CONTRACTOR and its subCONTRACTORS related to services provided under this Agreement. Pursuant to Government Code Section 8546.7, if this Agreement involves the expenditure of public funds in excess of Ten Thousand Dollars (\$10,000), the Parties may be subject, at the request of NMC or as part of any audit of NMC, to the examination and audit of the State Auditor pertaining to matters connected with the performance of this Agreement for a period of three (3) years after final payment under the Agreement.
- 1.52 Non-Assignment. CONTRACTOR shall not assign this contract or the work required herein without the prior written consent of County.

CONFLICT OF INTEREST

- 1.53 CONTRACTOR covenants that CONTRACTOR, its responsible officers, and its employees having major responsibilities for the performance of work under the AGREEMENT, presently have no interest and during the term of this AGREEMENT will not acquire any interests, direct or indirect, which might conflict in any manner or degree with the performance of CONTRACTOR'S services under this AGREEMENT.

COMPLIANCE WITH APPLICABLE LAWS

- 1.54 CONTRACTOR shall keep itself informed of and in compliance with all federal, state and local laws, ordinances, regulations, and orders, including but not limited to all state and federal tax laws that may affect in any manner the Project or the performance of the Services or those engaged to perform Services under this AGREEMENT.
- 1.55 CONTRACTOR shall report immediately to Natividad Medical Center's Contracts/Purchasing Officer, in writing, any discrepancy or inconsistency it discovers in the laws, ordinances, regulations, orders, and/or guidelines in relation to the Project of the performance of the Services.
- 1.56 All documentation prepared by CONTRACTOR shall provide for a completed project that conforms to all applicable codes, rules, regulations and guidelines that are in force at the time such documentation is prepared.
- 1.57 Compliance with Medicare Rules. To the extent required by law or regulation, CONTRACTOR shall make available, upon written request from NMC, the Secretary of Health and Human Services, the Comptroller General of the United States, or any other duly authorized agent or representative, a copy of this Agreement and CONTRACTOR's books, documents and records. CONTRACTOR shall preserve and make available such books, documents and records for a period of ten (10) years after the end of the term of this Agreement, or the length of time required by state or federal law. If CONTRACTOR is requested to disclose books, documents or records pursuant to this Section for any purpose, CONTRACTOR shall notify NMC of the nature and scope of such request, and CONTRACTOR shall make available, upon written request of NMC, all such books,

documents or records. CONTRACTOR shall indemnify and hold harmless NMC if any amount of reimbursement is denied or disallowed because of CONTRACTOR's failure to comply with the obligations set forth in this Section. Such indemnity shall include, but not be limited to, the amount of reimbursement denied, plus any interest, penalties and legal costs. This Section shall survive the expiration or termination for any reason of this Agreement.

If CONTRACTOR carries out any of the duties of the contract through a subcontract, with a value or cost of Ten Thousand Dollars (\$10,000) or more over a twelve (12) month period, with a related organization, such subcontract shall contain a clause to the effect that until the expiration of ten (10) years after the furnishing of such Services pursuant to such subcontract, the related organization shall make available, upon written request by the Secretary, or upon request by the Comptroller General, or any of their duly authorized representatives, the subcontract and books, documents and records of such organization that are necessary to verify the nature and extent of such costs.

CONTRACTOR shall not disclose, and shall require that referred *locum tenens* Physicians not disclose any confidential records or other confidential information received from the County of Monterey or prepared in connection with the performance of this AGREEMENT, unless County of Monterey specifically permits CONTRACTOR to disclose such records or information. CONTRACTOR shall promptly transmit to County of Monterey any and all requests for disclosure of any such confidential records or information. 1.58.3. Confidential Information shall be and remain the sole property of NMC, and shall, as applicable, be proprietary information protected under the Uniform Trade Secrets Act. CONTRACTOR shall protect and shall assure that all *locum tenens* Physicians protect all Confidential Information from unauthorized use, access, or disclosure in the same manner as CONTRACTOR and any *locum tenens* Physician protects his, her, or its own confidential or proprietary information of a similar nature and with no less than reasonable care. All documents that CONTRACTOR and *locum tenens* Physicians prepare, or Confidential Information that might be given to CONTRACTOR in the course of providing Services under this Agreement, are the exclusive property of NMC, and, without the prior written consent of NMC, shall not be removed from NMC's premises.

This Business Associate Agreement (“Agreement”), effective _____, 20____ (“Effective Date”), is entered into by and among the County of Monterey, a political subdivision of the State of California, on behalf of Natividad Medical Center (“Covered Entity”) and _____ (“Business Associate”) (each a “Party” and collectively the “Parties”).

Business Associate provides certain services for Covered Entity (“Services”) that involve the use and disclosure of Protected Health Information that is created or received by Business Associate from or on behalf of Covered Entity (“PHI”). The Parties are committed to complying with the Standards for Privacy of Individually Identifiable Health Information, 45 C.F.R. Part 160 and Part 164, Subparts A and E as amended from time to time (the “Privacy Rule”), and with the Security Standards, 45 C.F.R. Part 160 and Part 164, Subpart C as amended from time to time (the “Security Rule”), under the Health Insurance Portability and Accountability Act of 1996 (“HIPAA”), as amended by the Health Information Technology for Economic and Clinical Health Act and its implementing regulations (“HITECH”). The additional requirements of Title XIII of HITECH contained in Public Law 111-005 that relate to privacy and security and that are made applicable with respect to covered entities shall also be applicable to Business Associate. The Parties are also committed to complying with the California Confidentiality of Medical Information Act, Ca. Civil Code §§ 56 *et seq.* (“CMIA”), where applicable. Business Associate acknowledges that the CMIA prohibits Business Associate from further disclosing the PHI it receives from Covered Entity where such disclosure would be violative of the CMIA. The Parties are also committed to complying with applicable requirements of the Red Flag Rules issued pursuant to the Fair and Accurate Credit Transactions Act of 2003 (“Red Flag Rules”). This Agreement sets forth the terms and conditions pursuant to which PHI, and, when applicable, Electronic Protected Health Information (“EPHI”), shall be handled. The Parties further acknowledge that state statutes or other laws or precedents may impose data breach notification or information security obligations, and it is their further intention that each shall comply with such laws as well as HITECH and HIPAA in the collection, handling, storage, and disclosure of personal data of patients or other personal identifying information exchanged or stored in connection with their relationship.

The Parties agree as follows:

4.2 Termination. Either Covered Entity or Business Associate may terminate this Agreement and any related agreements if the terminating Party determines in good faith that the terminated Party has breached a material term of this Agreement; provided, however, that no Party may terminate this Agreement if the breaching Party cures such breach to the reasonable satisfaction of the terminating Party within thirty (30) days after the breaching Party's receipt of written notice of such breach.

4.3 Automatic Termination. This Agreement shall automatically terminate without any further action of the Parties upon the termination or expiration of Business Associate's provision of Services to Covered Entity.

Prior to doing so, Business Associate shall recover any PHI in the possession of its subcontractors or agents. Further, no provision of this Agreement shall be waived, except in a writing duly signed by authorized representatives of the Parties. A waiver with respect to one event shall not be construed as continuing, or as a bar to or waiver of any right or remedy as to subsequent events.
