## *CONSERVATION AND SCENIC EASEMENT DEED (INLAND)*

THIS DEED made this 12<sup>th</sup> day of May, 2010, by and between Latts, Jeffrey & Diana Martinetto as **Grantor**, and the **COUNTY OF MONTEREY**, a political subdivision of the State of California, as **Grantee**,

### **WITNESSETH:**

WHEREAS, said Grantor is the owner in fee of the real property more particularly described in Exhibit "A" attached hereto and made a part hereof, situated in Monterey County, California (hereinafter "**the property**"); and

WHEREAS, the said land of said Grantor has certain natural scenic beauty and existing openness; and

**WHEREAS**, the Grantor and the Grantee desire to preserve and conserve for the public benefit the great natural scenic beauty and existing openness, natural condition and present state of use of said property of the Grantor; and

**WHEREAS**, a discretionary development permit (Permit No. PLN090437) was granted on May 12, 2010, by the Monterey County RMA – Director of Planning pursuant to the Findings, Evidence and Conditions contained in Resolution No. 10-016, attached hereto as Exhibit “B” and hereby incorporated by reference, subject to the following condition(s):

Condition 10: A conservation and scenic easement shall be conveyed to the County over the northern portion of the property and portions of the eastern and southeastern portions of the property outside of the building envelope and paved areas where Toro Manzanita and Monterey Spineflower exists. The easement shall be developed in consultation with certified professional. An easement deed shall be submitted to, reviewed and approved by, the Director of the RMA – Planning Department prior to issuance of grading and building permits.

**WHEREAS**, the County, acting on behalf of the People of the State of California and in accordance with the Findings, Evidence and Conditions contained in Resolution No. 10-016 attached hereto as Exhibit “B” and hereby incorporated by reference, granted the discretionary development permit to the Grantor upon condition (hereinafter the “**Condition**”) requiring inter alia, that the Grantor record a conservation and scenic easement over the property as shown in Exhibit “C” attached hereto and hereby incorporated by reference, and agree to restrict development on and use of the property so as to preserve the open space, scenic, and/or natural resource values present on the property and so as to prevent the adverse direct and cumulative effects on natural resources and public access to those resources which could occur if the property were not restricted in accordance with this easement; and

**WHEREAS**, Grantor has elected to comply with the Condition and execute this easement so as to enable Grantor to undertake the development authorized by the Permit; and

**WHEREAS**, it is intended that this easement is irrevocable and shall constitute enforceable restrictions within the meaning of Article XIII, Section 8, of the California Constitution and that said easement shall thereby qualify as an enforceable restriction under the provision of the California Revenue and Taxation Code, Section 402.1; and

**WHEREAS**, the said Grantor is willing to grant to the County of Monterey the scenic use as herein expressed of the said land, and thereby protect the present scenic beauty and existing openness by the restricted use and enjoyment of said property by the Grantor through the imposition of the conditions hereinafter expressed;

**NOW, THEREFORE**, for and in consideration of the premises the Grantor does hereby grant and convey unto the County of Monterey an estate, interest, and conservation and scenic easement in said real property of Grantor of the nature and character and to the extent hereinafter expressed, which estate, interest, and easement will result from the restrictions hereby imposed upon the use of said property by said Grantor, and to that end and for the purposes of accomplishing the intent of the parties hereto, said Grantor covenants on behalf of itself, its heirs, successors, and assigns, with the said Grantee, its successors and assigns, to do and refrain from doing severally and collectively upon the Grantor's said property the various acts hereinafter mentioned.

A. LAND SUBJECT TO EASEMENT. The land of the Grantor hereinabove referred to and to which the provisions of this instrument apply is situated in the County of Monterey, State of California, and is particularly described in Exhibit "C", attached hereto, and made a part hereof.

B. RESTRICTIONS. The restrictions hereby imposed upon the use of said property by the Grantor and the acts which said Grantor shall refrain from doing upon the said property in connection herewith are, and shall be, as follows:

1. That no structures will be placed or erected upon said described premises. No exceptions.

2. That no advertising of any kind or nature shall be located on or within said property. No exceptions.

3. That the Grantor shall not plant nor permit to be planted any vegetation upon said premises. Restoration landscaping consisting of Monterey Spineflower and Toro Manzanita, and other associates endemic species as determined by a qualified biologist.

4. That, except for the construction, alteration, relocation and maintenance of public roads, public and private pedestrian trails, the general topography of the landscape shall be maintained in its present condition and no excavation or topographic changes shall be made.

5. That no use of said described property which will or does materially alter the landscape or other attractive scenic features of said land other than those specified above shall be done or suffered.

C. EXCEPTIONS AND RESERVATIONS. The following are excepted and reserved to the Grantor:

1. The right to maintain all existing private roads, bridges, trails and structures upon said land.

2. The use and occupancy of said land not inconsistent with the conditions and restrictions herein imposed.

D. SUBJECT TO ORDINANCES. Land uses permitted or reserved to the Grantor by this instrument shall be subject to the ordinances of Grantee regulating the use of land.

E. BENEFIT AND BURDEN. This grant of conservation and scenic easement shall run with and burden the property, and all obligations, terms, conditions, and restrictions hereby imposed shall be deemed to be covenants and restrictions running with the land and shall be effective limitations on the use of the property from the date of recordation of this document and shall bind the Grantor and all of its successors and assigns. This grant shall benefit the County of Monterey and its successors and assigns forever.

F. RIGHT OF ENTRY. The Grantee or its agent may enter onto the property to ascertain whether the use restrictions set forth above are being observed at times reasonably acceptable to the Grantor. The public may enter onto the property for scientific research purposes at times reasonably acceptable to the Grantor.

G. ENFORCEMENT. Any act or any conveyance, contract, or authorization whether written or oral by the Grantor which uses or would cause to be used or would permit use of the property contrary to the terms of this offer will be deemed a breach hereof. The Grantee may bring any action in court necessary to enforce this grant of easement, including, but not limited to, injunction to terminate a breaching activity and to force the restoration of all damage done by such activity, or an action to enforce the terms and provisions hereof by specific performance. It is understood and agreed that the Grantee may pursue any appropriate legal and equitable remedies. The Grantee shall have sole discretion to determine under what circumstances an action to enforce the terms and conditions of this grant of easement shall be brought in law or in equity.

Any forbearance on the part of the Grantee to enforce the terms and provisions hereof in the event of a breach shall not be deemed a waiver of Grantee's rights regarding any subsequent breach.

H. MAINTENANCE. The Grantee shall not be obligated to maintain, improve, or otherwise expend any funds in connection with the property or any interest or easement created by this grant of easement. All costs and expenses for such maintenance, improvement use, or possession shall be borne by the Grantor, except for costs incurred by Grantee for monitoring compliance with the terms of this easement.

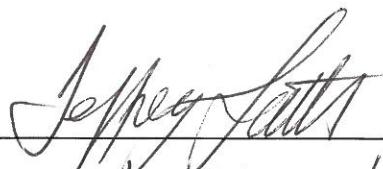

I. LIABILITY AND INDEMNIFICATION. This conveyance is made and accepted upon the express condition that the Grantee, its agencies, departments, officers, agents, and employees are to be free from all liability and claim for damage by reason of any injury to any person or persons, including Grantor, or property of any kind whatsoever and to whomsoever belonging, including Grantor, from any cause or causes whatsoever, except matters arising out of the sole negligence of the Grantee, while in, upon, or in any way connected with the property, Grantor hereby covenanting and agreeing to indemnify and hold harmless the Grantee, its agencies, departments, officers, agents, and employees from all liability, loss, cost, and obligations on account of or arising out of such injuries or losses however occurring. The Grantee shall have no right of control over, nor duties and responsibilities with respect to the property which would subject the Grantee to any liability occurring upon the land by virtue of the fact that the right of the Grantee to enter the land is strictly limited to preventing uses inconsistent with the interest granted, the property is not "property of a public entity" or "public property," and Grantee's rights herein do not include the right to enter the land for the purposes of correcting any "dangerous condition" as those terms are defined by California Government Code Section 830.

J. SUCCESSORS AND ASSIGNS. The terms, covenants, conditions, exceptions, obligations, and reservations contained in this conveyance shall be binding upon and inure to the benefit of the successors and assigns of both the Grantor and the Grantee, whether voluntary or involuntary.

K. CONSTRUCTION OF VALIDITY. If any provision of this conservation and scenic easement is held to be invalid or for any reason becomes unenforceable, no other provision shall be thereby affected or impaired.

Before the Director of the RMA-Planning Department  
in and for the County of Monterey, State of California

In the matter of the application of:

JEFFREY LATTS & DIANA MARTINETTO (PLN090437)

**RESOLUTION NO. 10-016**

Resolution by the Monterey County Director of the  
RMA-Planning Department:

Approving the Administrative Permit and Design  
Approval to allow the construction of a one-story  
3,283 square foot single family dwelling with an  
attached 615 square foot two-car garage, 650 square  
feet of covered patios and 360 linear feet of retaining  
walls and grading (Approximately 380 cubic yards of  
cut/380 cubic yards of fill).

(PLN090437, LATTS, Jeffrey & MARTINETTO,  
Diana, 708 La Terraza Court, Monterey (Pasadera),  
Greater Monterey Peninsula Area Plan (APN: 173-  
074-040-000)

The Administrative Permit and Design Approval application (PLN090437) came on for public hearing before the Monterey County Director of the RMA-Planning Department on May 12, 2010. Having considered all the written and documentary evidence, the administrative record, the staff report, oral testimony, and other evidence presented, the Director of the RMA-Planning Department finds and decides as follows:

**FINDINGS**

1. **FINDING:** **CONSISTENCY** – The Project, as conditioned, is consistent with the applicable plans and policies which designate this area as appropriate for development.

**EVIDENCE:** a) During the course of review of this application, the project has been reviewed for consistency with the text, policies, and regulations in:

- the Monterey County General Plan,
- Greater Monterey Peninsula Area Plan,
- Greater Monterey Peninsula Area Plan Inventory and Analysis,
- Monterey County Zoning Ordinance (Title 21)

No conflicts were found to exist. No communications were received during the course of review of the project indicating any inconsistencies with the text, policies, and regulations in these documents.

- b) The property is located at 908 La Terraza Court, Monterey (Pasadera Area) (Assessor's Parcel Number 173-074-040-000, Greater Monterey Peninsula Area Plan. The parcel is zoned LDR/B-6-VS(16"), which allows residential construction. Therefore, the project is an allowed land use for this site.
- c) Pursuant to Section 21.46.030(D)(2) of Monterey County Zoning Ordinance (Title 21), administrative permit is required for all development in the VS district, if it is determined that the development does not have the potential to create a substantial adverse visual impact when viewed from a common public viewing area. In the Pasadera

when viewed from a common public viewing area. In the Pasadera (Bishop Ranch) area, all residential development is visible from Highway 68 (common public viewing area); one additional residential unit is not considered a substantial adverse visual impact, therefore an Administrative Permit is required.

- d) The project planner conducted a site inspection on March 26, 2010 to verify that the project on the subject parcel conforms to the plans listed above.
- e) No public hearing was held because there was no evidence of public controversy or public opposition to the proposed use. No written request for a public hearing was made.
- f) The project was referred to the Greater Monterey Peninsula Land Use Advisory Committee (LUAC) for review. Based on the LUAC Procedure guidelines adopted by the Monterey County Board of Supervisors per Resolution No. 08-338, this application did warrant referral to the LUAC because of the potential for ridgeline development. The LUAC did recommended approval of the project by 4-0 vote (2 absent), on March 3, 2010, stating that ridgeline was not an issue. In addition, the Committee strongly supported the colors submitted, stating that the development would be "well blended" and "subdued".
- g) The application, project plans, and related support materials submitted by the project applicant to the Monterey County RMA - Planning Department for the proposed development found in Project File PLN090437.

2. **FINDING:** SITE SUITABILITY – The site is physically suitable for the use proposed.

- EVIDENCE:**
- a) The project has been reviewed for site suitability by the following departments and agencies: RMA - Planning Department, Monterey County Regional Fire District, Public Works, Environmental Health Division, and Water Resources Agency. There has been no indication from these departments/agencies that the site is not suitable for the proposed development. Conditions recommended have been incorporated.
  - b) Staff identified potential impacts to Archaeological Resources, Biological Resources, and Soil/Slope Stability. Technical reports by outside consultants indicated that there are no physical or environmental constraints that would indicate that the site is not suitable for the use proposed. County staff independently reviewed these reports and concurs with their conclusions. The following reports have been prepared:
    - "*Biological Survey report for Latts-Martinetto Property*" (*LIB100077*) prepared by *Ed Mercurio, Salinas, California, February 2010*.
    - "*Soil Engineering Investigation for the Latts/Martinetto Residence*" (*LIB100079*) prepared by *LandSet Engineering, Inc., Salinas, California, December 2009*.
    - "*Archaeological Report*" (*LIB100078*) prepared by *Archaeological Consulting, Salinas, California, February 2010*.
    - "*Spring Plant Survey for the Latts-Martinetto Property*"

- c) Staff conducted a site inspection on March 26, 2010 to verify that the site is suitable for this use.
  - d) The application, project plans, and related support materials submitted by the project applicant to the Monterey County RMA - Planning Department for the proposed development found in Project File PLN090437.
- 3. FINDING:** **HEALTH AND SAFETY** - The establishment, maintenance, or operation of the project applied for will not under the circumstances of this particular case be detrimental to the health, safety, peace, morals, comfort, and general welfare of persons residing or working in the neighborhood of such proposed use, or be detrimental or injurious to property and improvements in the neighborhood or to the general welfare of the County.
- EVIDENCE:**
- a) The project was reviewed by Monterey County Regional Fire District, Public Works, Health Department, Monterey County Water Resources Agency, and the Resource Management Agency - Planning Department. The respective departments/agencies have recommended conditions, where appropriate, to ensure that the project will not have an adverse effect on the health, safety, and welfare of persons either residing or working in the neighborhood.
  - b) Necessary public facilities are available and infrastructure is in place. Domestic water service is provided by California American Water; and Sanitary sewer is provided by the Pasadera (Bishop Ranch) subdivision. Electrical service is available through Pacific Gas and Electric.
  - c) Preceding findings and supporting evidence for PLN09437.
- 4. FINDING:** **NO VIOLATIONS** - The subject property is in compliance with all rules and regulations pertaining to zoning uses, subdivision, and any other applicable provisions of the County's zoning ordinance. No violations exist on the property.
- EVIDENCE:**
- a) Staff reviewed Monterey County RMA - Planning Department and Building Services Department Monterey County records and is not aware of any violations existing on subject property.
  - b) Staff conducted a site inspection on March 26, 2010 and researched County records to assess if any violation exists on the subject property.
  - c) There are no known violations on the subject parcel.
  - d) The application, plans and supporting materials submitted by the project applicant to the Monterey County Planning Department for the proposed development are found in Project File PLN090437.
- 5. FINDING:** **CEQA:** - The project is consistent with a previously certified Environmental Impact Report, prepared for the Bishop Ranch subdivision (EIR No. 91-05).
- EVIDENCE:**
- a) The Bishop Ranch EIR analyzed maritime chaparral removal throughout the subdivision area, including Toro manzanita. Thirty-nine acres of the 172 acres of maritime chaparral were expected to be lost in development of Phase 5, with the remaining 133 acres being maintained

as easement. This particular development involves the removal of maritime chaparral in this previously analyzed area. No additional environmental review is required to allow this proposed removal. However, the biological report recommends that "the northern and western portions of the property outside the building envelope and paved areas shall be dedicated as conservation and scenic easement," to allow for the protection of the maritime chaparral and the many Toro Manzanita that are growing there. A condition of approval has been applied to this project requiring that a conservation easement be placed on this section of the property (Condition No. 10).

- b) On April 30, 2010, a spring survey was conducted which identified minor impacts to Monterey Spineflower, a federally threatened species. Approximately 20 of the 80 specimens found on site are located within the development area. The survey acknowledges that the soil/growing conditions on the property are not optimum for Spineflower growth, as evidenced by the stunted and undersized specimens found within the project site. The survey recommends that "portions of the eastern and southeastern" areas of the property outside of the building envelope be incorporated into the Scenic and Conservation Easement to allow protection of Monterey Spineflower. A condition of approval has been applied to this project requiring these areas to be included in the conservation easement area (Condition No. 10).
- c) No adverse environmental effects were identified during staff review of the development application during a site visit on March 26, 2010.
- d) Site visits and biological surveys conducted by the contracted biologists did not identify any potential adverse environmental effects on the project site.
- e) See preceding and following findings and supporting evidence.

6. **FINDING:** **APPEALABILITY** - The decision on this project may be appealed to the Planning Commission

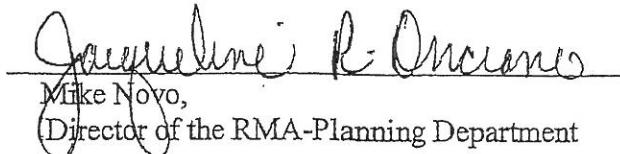

**EVIDENCE:** a) Section 21.80.040 Monterey County Zoning Ordinance.

## DECISION

NOW, THEREFORE, based on the above findings and evidence, the Director of the RMA-Planning Department does hereby:

- A. Approve the Administrative Permit and Design Approval in general conformance with the attached sketch and subject to the conditions, both being attached hereto and incorporated herein by reference.

PASSED AND ADOPTED this 12th day of May, 2010.

  
\_\_\_\_\_  
Mike Novo,  
Director of the RMA-Planning Department

COPY OF THIS DECISION MAILED TO APPLICANT ON MAY 18 2010

THIS APPLICATION IS APPEALABLE TO THE PLANNING COMMISSION.

IF ANYONE WISHES TO APPEAL THIS DECISION, AN APPEAL FORM MUST BE COMPLETED AND SUBMITTED TO THE SECRETARY OF THE PLANNING COMMISSION ALONG WITH THE APPROPRIATE FILING FEE ON OR BEFORE MAY 28 2010

This decision, if this is the final administrative decision, is subject to judicial review pursuant to California Code of Civil Procedure Sections 1094.5 and 1094.6. Any Petition for Writ of Mandate must be filed with the Court no later than the 90th day following the date on which this decision becomes final.

### NOTES

1. You will need a building permit and must comply with the Monterey County Building Ordinance in every respect.

Additionally, the Zoning Ordinance provides that no building permit shall be issued, nor any use conducted, otherwise than in accordance with the conditions and terms of the permit granted or until ten days after the mailing of notice of the granting of the permit by the appropriate authority, or after granting of the permit by the Board of Supervisors in the event of appeal.

Do not start any construction or occupy any building until you have obtained the necessary permits and use clearances from the Monterey County Planning Department and Building Services Department office in Salinas.

2. This permit expires 3 years after the above date of granting thereof unless construction or use is started within this period.
