**RESOLUTION NO. 24-047**

Resolution by the County of Monterey HCD Chief of Planning:

**The ECHENIQUE RANCH application (PLN180517-EXT1) came on for a public hearing before the County of Monterey HCD Chief of Planning on December 4, 2024. Having considered all the written and documentary evidence, the Chief of Planning finds and decides as follows:**

**RECITALS**

**WHEREAS**, on October 15, 2019, a PLN180517, Lot Line Adjustment was approved by the County of Monterey Board of Supervisors through Resolution No. 19-342 and is incorporated by reference. As approved, the project consists of a Lot Line Adjustment among four legal lots of

record under Williamson Act Contract (AGP No. 69-012): Parcel 1, 160 acres (a portion of Assessor's Parcel Number 421-121-053-000); Parcel 2, 40 acres (Assessor's Parcel Number 421-121-056-000); Parcel 3, 160 acres (portion of Assessor's Parcel Number 421-121-053-000 and portion of Assessor's Parcel Number 421-121-027-000); Parcel 4, 320 acres (Assessor's Parcel Number 421-121-058-000), into four resulting lots of 218 acres (Parcel A), 141 acres (Parcel B), 228 acres (Parcel C) and 93 acres (Parcel D), respectively. In accordance with the resolution, this entitlement was set to expire on October 15, 2021;

**WHEREAS**, pursuant to Monterey County Code section 19.09.035, the applicant submitted a written request from the permittee and provided such request be made at least thirty (30) days prior to the expiration of the Lot Line Adjustment. The written request was filed by the agent, Lynn Kovach, with the Appropriate Authority, HCD Director, and set forth reasons supporting the request because various title issues needed to be resolved;

**WHEREAS**, pursuant to Government Code Section 51257 involving Lot Line Adjustments among land under Williamson Act Contract, seven findings shall be made. The granting of this extension does not change the seven findings previously made under Board of Supervisors Resolution No. 19-342: 1) the new contracts are for no less than 20 years, 2) there is no net decrease in contracted acreage, 3) 90 percent of the original contracted acreage remains under the new contract, 4) the newly created parcels are large enough to sustain their agricultural use, 5) the Lot Line Adjustment would not compromise agricultural productivity of parcel or neighboring parcels, 6) the Lot Line Adjustment is not likely to result in the removal of adjacent land from agricultural use, and 7) the Lot Line Adjustment does not create a greater number of developable parcels than previously existed;

**WHEREAS**, the subject properties were found to be legal lots pursuant to existing patents and include the entirety of Assessor's Parcel Numbers 421-121-056-000 and 421-121-058-000 and portions of 421-121-053-000 and 421-121-027-000 for a total of 680 acres;

**WHEREAS**, this extension does not include any change to the approved project scope; therefore, there is no change to the findings of site suitability and health life and safety;

**WHEREAS**, Monterey County HCD-Planning and HCD-Building Services records were reviewed, and the County is not aware of any violations existing on the subject property;

**WHEREAS**, the original planning permit (PLN180517) is and will continue to be the operating permit for condition compliance;

**WHEREAS**, the project was deemed categorically exempt from environmental review per California Environmental Quality Act (CEQA) Guidelines Section 15305(a) and there were no exceptions under CEQA Guidelines Section 15300.2. Section 15305(a) categorically exempts minor alterations in land use limitations such as Lot Line Adjustments. Therefore, the Board of Supervisors found the project consistent with CEQA Guidelines Section 15305 and that none of the exceptions under CEQA Guidelines Section 15300.2 applied to this project. No new adverse environmental effects were identified during staff review of the application for permit extension, therefore no new environmental review is required; and

**WHEREAS**, pursuant to MCC Section 19.16.020.A, the Board of Supervisors shall consider appeals from the discretionary decisions of the HCD Chief of Planning. The decision of the Board of Supervisors would be final and may not be appealed.

**NOW, THEREFORE BE IT RESOLVED**, based on the above recitals, the County of Monterey HCD-Chief of Planning does hereby:

- 1) Find that the project is an Extension of a permit which was granted with a Class 5 Categorical Exemption of the CEQA Guidelines; circumstances and conditions of the project have not changed and therefore, subsequent environmental review is not required; and
- 2) Approve 2-year Permit Extension to a previously-approved Lot Line Adjustment (Board of Supervisors Resolution No. 19-342) allowing a Lot Line Adjustment between four legal lots of record currently under Williamson Act Contract of 160 acres (Parcel 1), 40 acres (Parcel 2), 160 acres (Parcel 3) and 320 acres (Parcel 4) into four resulting lots of 218 acres (Parcel A), 141 acres (Parcel B), 228 acres (Parcel C) and 93 acres (Parcel D) under Williamson Act Agricultural Preserve Land Conservation Contract (AGP) No. 69-012 established by County Board of Supervisors Resolution No. 69-35-12 with no net decrease in acreage under Williamson Act Contract.

**PASSED AND ADOPTED** this 4th day of December 2024.
