May 28 and 29, 2025

County Administrative Office

FY 2025-26 Recommended Budget

Budget Process in Brief

- ☐ Preliminary plans for carrying out next year's operations.
- ☐ Must be balanced.
- ☐ Assumes no augmentations.

- ☐ Prioritized proposals if additional County Contributions are Available.

Countywide Analysis

- ☐ Countywide Needs Assessment
- ☐ DHs Workshop
- ☐ BOS Workshop
- ☐ Budget Hearings
- ☐ Budget Adoption

Fiscal Environment

National Economy Growing Risks

- Tariffs – global trade policy impeding economic growth; higher inflation projected
- Interest rates expected to remain high
- “Growth recession” – below-trend growth and rising unemployment

State Economy Risks

- \$12 billion deficit in FY 2025-26, based on the May revise
 - \$5 billion in budget solutions focused on reductions to ongoing programs
 - May Revision does not account for potential federal funding cuts

State Budget Impacts

- Health
 - Reduction of Medi-Cal related expenditure growth.
 - Including freezing CPI adjustments for county administration, eliminating family planning supplemental payments, eliminating prospective payments to clinics for state only services, eliminating long-term care, implementing a drug rebate aggregator and pharmacy utilization management; in addition to pulling revenue from Proposition 35 for rate increases and a loan from the medical providers fund

State Budget Impacts Continued

Social Services

In-Home Support Services: 9.0% reduction

- Reduction of 9.09% to Administration, \$450,450 local reduction.
- Elimination of IHSS for undocumented adults 19 and older from the Medi-Cal Full Scope Expansion population.

Housing and Homeless:

- Bringing Families Home and Home Safe continue to remain without ongoing funding.
- No mention of Homeless Housing Assistance and Prevention funding for Round 7.

Medi-Cal: Reduce

- Reduction of 0.09% to Administration, \$31,040 local reduction.
- Freeze on California CPI adjustments for county administration through FY 2027-28.
- \$100 monthly premium per person for adults aged 19 and older with unsatisfactory immigrant status, effective in January 2027.
- Enrollment freeze for full-scope Medi-Cal Expansion (January 2026) for young adults 26-49, and 50 and over regardless of immigration status.
- Elimination of long-term care benefits for individuals with unsatisfactory immigration status.

Fiscal Environment

- Local Risks
 - General fund discretionary revenue growth is not sufficient to keep up with rising costs
 - All the available discretionary revenue growth is recommended to help departments keep up with these increased costs to maintain current staffing & service levels
 - One-time funds are used to balance the FY 2025-26 Budget which was used to fund all filled positions and some additional services at reduced rates.
 - Strategic Reserve levels are at \$58.6M which is 5.8% of Budget. The target balance is \$94.3M in FY 2025-26 or 10% of estimated annual revenue (adjusted for the Cost Plan accounting change).

Fiscal Environment

- Local Level
 - The FY 2025-26 recommended budget is balanced
 - Negotiations with bargaining groups have been completed and wage increase have been negotiated for almost all bargaining units.
 - A new revenue measure (Measure AA) has been approved by the voters and implements a new 1% transaction and use tax in the unincorporated county areas.
 - State and Federal Budget impacts are being analyzed, but the County could be adversely impacted in FY 2025-26 and beyond.
 - One time funding sources of ARPA and Unassigned Fund Balance have been used and are not available this year.

Known Administrative or Technical Corrections

1. Cost Plan Credit change – Remove cost plan credit budgeted as revenue per ACO direction and new Chart of Account updates with new ERP system and revert to budgeting the cost plan credits as contra-expense at the request of ACO. This change has no funding implications.
 - Reduce Revenue in General Fund by \$60,620,017, offset by a reduction in expenditures of \$60,620,017.
 - Reduce Revenue in Enterprise Resource Planning Fund by \$17,709,484, offset by a reduction in expenditures of \$17,709,484.
2. Add 1.0 Sheriff Records Specialist I position in the Sheriff's Office
3. Add 2.0 Vehicle Installation Specialist in PWFP to correct classification
4. Remove 1.0 Communications Technician I and 1.0 Communications Technician III in PWFP that are incorrect classifications.
5. Add 1.0 Sr. Psychiatric Social Worker in Behavioral Health, to fix clerical error in FTE count.

Recommendations

It is recommended that the Board of Supervisors:

1. Hold a Public Hearing on May 28, 2025, at 9:00 a.m. to adopt the Fiscal Year (FY) 2025-26 Appropriation Limits pursuant to Article XIII B of the California State Constitution.
2. Commence Budget Hearings with the County Administrative Office summary presentation of the FY 2025-26 Recommended Budget on May 28, 2025, at 9:00 a.m. and continue Budget Hearings on May 29, 2025, beginning at 9:00 a.m. if necessary.
3. Authorize and direct the County Administrative Office to prepare the FY 2025-26 Adopted Budget Resolution reflecting changes made by the Board during Budget Hearings, to make any changes in budget units to reflect any position and/or account adjustments approved by the Board during or prior to Budget Hearings
4. Authorize and direct the County Administrative Office to adjust, if needed, position counts, appropriations, revenues, fund balances, etc., to correct clerical, technical, and inadvertent errors due to erroneous entries in the County's budget system.

Recommendations (continued)

5. Authorize the County Administrative Office to cap the funding for Development Set-Aside (DSA) at the FY 2022-23 level in the FY 2025-26 Recommended Budget. This represents a reduction of \$881,585 from the established formula to redirect toward other critical needs. The FY 2025-26 Recommended Budget continues to fund \$505,000 for other organizations including \$200,000 for Salinas Valley Promise, \$200,000 for Salinas Regional Soccer Complex, \$100,000 for Shuman Heart House, and \$5,000 for the Prunedale Senior Center.
6. Authorize the County Administrative Office to amend the General Financial Policies by adjusting the contribution of Transient Occupancy Tax (TOT) revenue to the Road Fund from the capped rate of 25.0% of County TOT revenue based on prior year audited actuals to \$6,466,393, the FY 2025-26 maintenance of effort (MOE) requirement, effective July 1, 2025. Authorize and direct the County Administrative Office to incorporate into the FY 2025-26 Adopted Budget the updated TOT contribution to the Road Fund.

Recommendations (continued)

7. Authorize the County Administrative Office to temporarily suspend the annual contribution to the unfunded accrued liability (UAL) supplemental pension (115 Pension Trust) program as set forth in the Pension Liability Policy, to meet other unfunded needs in the FY 2025-26 Recommended Budget.
8. Authorize the County Administrative Office to release \$125,214 from Compensated Absences Assignment in the FY 2025-26 budget to provide funding to each Board District (District) to meet unfunded community project needs within each District as determined by each Supervisor.
9. Authorize the County Administrative Office, in the event that any unbudgeted/unassigned fund balance is available at year-end FY 2024-25, to allocate in the following order of priority:
 - a. For support of the Strategic Reserve (3111), not to exceed established Board policy of 10% of estimated FY 2024-25 General Fund revenues (excluding Natividad Medical Center Strategic Reserve) as prescribed in the County of Monterey General Financial Policy;
 - b. In an assignment to be used for the FY 2026-27 Recommended Budget;
 - c. For the General Fund Contingency Assignment (3113) to help cover unanticipated events or emergencies as prescribed in the County General Financial Policy.

Recommendations (Continued)

10. Authorize the County Administrative Office to transfer or release to/from assignments associated with the following self-funded programs in the event they require additional funds or have excess funds at the end of FY 2024-25:

- a. Information Technology Charges Mitigation Assignment (3124).

11. Authorize the County Administrative Office to adjust the FY 2025-26 Adopted Budgets for the other funds under the authority of the Board of Supervisors to reflect the FY 2024-25 year-end final available fund balance.

Recommendations (Continued)

12. Consider approval and adoption of the Public Works Annual Work Program for the Road Fund for FY 2025-26. California Code of Regulations Section 994 - Road Construction & Maintenance Activity, and Streets & Highways Code Division 3, Chapter 1, Section 2007 require that a Road Fund budget be submitted to the Board of Supervisors at the same time as other County departments submit their recommended budgets. The Public Works Facilities and Parks - Public Works Annual Work Program outlines planned expenditures within the recommended Work Program (Road Fund) budget by project and activity. It details anticipated administrative, engineering, and reimbursable expenditures along with planned capital project expenses and maintenance activities.

Next Steps

- The Board will receive presentations from Department Heads and members/organizations from the public.
- During the hearing, the Board may make additions, reductions or modifications to the Recommended Budget.
- Understanding the budget is balanced as presented, financing options for potential increases include:
 - **Redirections:** The Board can direct staff to delete or modify County programs or contributions to other agencies and redirect those resources to other requests.
 - **Contingencies appropriation** - In accordance with Board policy, the budget includes 1% of estimated general fund revenues (\$8.7M for FY 2025-26) set aside for operational contingencies.
 - **Cannabis Tax Assignment-** This assignment is estimated to have a balance of \$1.3M available. This assignment is considered one-time funding and funding gaps will emerge in the subsequent budget cycle.
 - **Balance of Contingencies Reserve Fund** - \$3M remaining after the use of \$5.4M Recommended Budget. This would nearly fund the entire Contingencies appropriation, and free up an additional \$3M in discretionary revenue to fund other requests.
 - **Measure AA funds** – The new sales tax ordinance that provides a 1% transaction and use tax effective April 1, 2025. The Recommended Budget incorporates \$1.9M of these funds. This is a new revenue source and is considered ongoing, however, it has no established historical trend, so caution is warranted.

Looking Ahead

At the Budget Year End in December, it is strongly recommended that there is consideration to set aside a portion of the Unassigned Fund Balance (up to \$10M) for use in the FY 2026-27 Budget to fill in the funding gaps created by using one time funding in this Recommended Budget.
