9. Support Services; Maintenance. The City shall be responsible for the operation of the Parking Lot, including support services such as on-going maintenance, waste removal, garbage collection, general cleanup, sanitation facilities, landscaping, restriping, etc. The County shall at its sole expense,

12. Insurance. The County shall, at its own cost and expense, throughout the term of this License Agreement or any extension hereof, furnish and provide to the City public liability and property damage insurance issued by an insurance company authorized to transact such business in the State of California, protecting the City of Salinas, its officers, agents and employees, from any and all loss or damage arising out of the use or occupancy of said premises by County and naming the same as additional insured by endorsement. The insurance required under this License Agreement shall be maintained in at least the following minimum limits and may be met by one or more policies of self-insurance:

City’s insurance may be met by one or more policies and/or the City’s self insurance program.

13. Indemnification. The County shall indemnify, defend, and hold the City and its officers, employees, volunteers, and agents harmless from and against any and all liability, claims, suits, actions, damages, and causes of action arising out of any personal injury, bodily injury, loss of life, or damage to any property, or violation of any relevant federal, state or municipal law or ordinance, or other cause arising directly or indirectly from the negligent or intentional acts or omissions of the Jurors’ and County

employee's use or occupancy of any part of the Parking Lot pursuant to such license, or from the negligent acts or omissions of and the County and any of its officers, guests, invitees, licensees, agents or representatives.

The City shall indemnify, hold harmless, and defend and hold the County, and its officers, employees, volunteers, and agents harmless from and against any and all liability, claims, suits, actions, damages, and causes of action arising out of any personal injury, bodily injury, loss of life, or damage to any property, or violation of any relevant federal, state or municipal law or ordinance, or other cause arising directly or indirectly from the negligent or intentional acts or omissions of the general public's use or occupancy, excluding jurors, County employees or contractors who occupy the premise for the purpose of conducting County business of any part of the Parking Lot pursuant to such license or from the negligent acts or omissions of the City and any of its officers, guests, invitees, licensees, agents or representatives in the performance of this Agreement. This indemnification and hold harmless clause shall apply whether or not such insurance policies shall have been determined to be applicable to any of such damages or claims for damages and shall survive the expiration or the earlier termination of this License Agreement.

In the event of concurrent negligence on the part of the City and the County, or any of their officers, officials, employees, agents, invitees or volunteers, the liability for any and all such claims, demands and actions in law and equity for such losses, fines, penalties, forfeitures, costs and damages shall be apportioned under the State of California theory of comparative liability as presently established or as hereafter modified.

County and City maintain insurance policies or self insurance programs to fund their respective liabilities. The parties agree that such respective self insurance programs or policy coverage for Workers' Compensation shall contain a waiver of subrogation, subject to conditions, terms, coverage and exclusions of excess insurance, as to the other party and each of its officers, officials, employees, agents, invitees or volunteers.

Any attempt by the County to assign the rights and the obligations under this License Agreement shall automatically terminate the License Agreement. Other than the rights specifically granted under this License Agreement, the County hereby expressly waives any claim to or interest or estate of any kind or extent whatsoever in the Parking Lot arising out of this License Agreement or out of the County's use or occupancy of any portion of the Parking Lot, whether now existing or arising at any future date.
