County of Monterey, State of California**

Resolution No. 11-177

- Adopt Resolution:)
 a. Confirming County Service Area Written Report)
 of Service Charges for FY 2011-12 to be levied)
 on County Service Area No. 1 – Carmel Point;)
 and)
 b. Levying service charges in County Service Area)
 No. 1 – Carmel Point for street lighting services to)
 be provided in FY 2011-12.....)

WHEREAS, California County Service Area Law, Government Code Section 25210, et seq., authorizes the establishment of County Service Areas (CSAs) for the provision of governmental services, including street lighting services, Monterey County Code Chapter 15.28 sets forth procedures for the levy and collection of service charges to pay for the provision of such services; and

WHEREAS, pursuant to said law, Monterey County has established County Service Area No. 1 (CSA 1) – Carmel Point to provide and pay for street lighting services in that CSA; and

WHEREAS, to implement the foregoing provisions of the Government Code, Chapter 15.28 of the Monterey County Code provides for the collection of service charges for street lighting services and other governmental services in CSAs and establishes the procedures to be followed in levying the service charges; and

WHEREAS, pursuant to said provisions, the County has, in the past, levied service charges to fund the services provided in CSA 1 and proposes to continue to levy such service charges; and

WHEREAS, pursuant to Monterey County Code, Sections 15.28.040 and 15.28.050, a Written Report of Service Charges for FY 2011-12 has been prepared by the Director of Public Works and filed with the Clerk of the Board of Supervisors, setting forth a description of each Assessor's Parcel of real property receiving street lighting services, the current basic rate for the service charges levied in CSA 1, and the estimated amount of the CSA 1 service charge for each Assessor's Parcel for the fiscal year; and

WHEREAS, said report is based upon the Monterey County Assessment Roll for FY 2011-12, which roll will not become final until after the assessments proposed herein are finally approved; and

WHEREAS, pursuant to Monterey County Code, Section 15.28.070, on June 14, 2011, the matter of adoption of continuation of the CSA 1 service charges came on regularly for hearing, at the time and place fixed for said hearing; and

WHEREAS, all objections or protests and other written communications were presented to the Board of Supervisors at said hearing, all persons desiring to be heard were given an opportunity to present testimony to the Board, and the Board heard and considered the evidence presented to it.

NOW, THEREFORE, BE IT RESOLVED by the Board of Supervisors of the County of Monterey as follows:

1. The above recitals are true and correct.
2. Based on the evidence before the Board, the Board finds that the service charges proposed to be imposed herein are apportioned by a formula or method, which fairly distributes the charges among all Assessors' parcels subject to the charges in proportion to the estimated benefits to be received by each such parcel from the street lighting services.
3. The Board finds that this Resolution imposes service charges by extending charges that existed before the passage of Proposition 218 and that the charges imposed herein are properly imposed under California Constitution, Article 13D, Section 6(b), as follows:
 - a. Revenues derived from the service charges imposed herein will be used solely to provide street lighting services.
 - b. Revenues derived from the service charges imposed herein will not exceed the funds required to provide the property-related service.
 - c. Revenues derived from the service charges imposed herein will not be used for any other purpose other than that for which the service charges are imposed.
 - d. The amount of the service charge imposed upon any parcel as an incident of property ownership will not exceed the proportional cost of the service attributable to the parcel.
 - e. The service for which the charges are imposed herein will be used by, or be immediately available to, the owner of each property subject to the charge.
 - f. The charges imposed herein will not be used for any general government services (including, but not limited to, police, fire, ambulance, or library services) where the service is available to the public at large in substantially the same manner as it is to property owners.
4. Charges were imposed in this CSA for FY 2010-11 for the same purposes as are specified herein for FY 2011-12, and the charges imposed herein for FY 2011-12 do not exceed the charges imposed for FY 2010-11.
5. The Board further finds that because the charges imposed herein are existing charges which are being extended without increase over the charges in existence prior to the passage of Proposition 218, these charges are exempt from the notice, protest, and election requirements specified in the California Constitution, Article 13D, Sections 6(a) and 6(c).

BE IT FURTHER RESOLVED by the Board of Supervisors of Monterey County as follows:

1. The Written Report of Service Charges filed herein for CSA 1 – Carmel Point is hereby confirmed as the final report, with the following changes:

None, except only for such changes to such report as shall be necessary to be made by the Director of Public Works to bring the report into conformity with the changes to the Monterey County Assessment Roll, prior to finalization of the Monterey County Assessment Roll for FY 2011-12.

2. The estimated service charges set forth in the Written Report of Service Charges confirmed hereinabove are hereby levied in CSA 1 for FY 2011-12, with the following changes:

None, except for changes made necessary by changes to the final report as specified in paragraph 1, above.

PASSED AND ADOPTED on this 14th day of June, 2011, upon motion of Supervisor Calcagno, seconded by Supervisor Salinas by the following vote, to wit:

AYES: Supervisors Armenta, Calcagno, Salinas, and Parker

WHEREAS, California County Service Area Law, Government Code Section 25210, et seq., authorizes the establishment of County Service Areas (CSAs) for the provision of governmental services, including street lighting, storm drain maintenance, and surface water disposal services, Monterey County Code Chapter 15.28 sets forth procedures for the levy and collection of service charges to pay for the provision of such governmental services; and

WHEREAS, pursuant to said law, Monterey County has established County Service Area No. 9 (CSA 9) - Oak Park and Adjacent Annexations to provide and pay for street lighting, storm drain maintenance, and surface water disposal services in that CSA; and

WHEREAS, to implement the foregoing provisions of the Government Code, Chapter 15.28 of the Monterey County Code provides for the collection of service charges for street lighting , storm drain maintenance, surface water disposal services, and other governmental services in CSAs and establishes the procedures to be followed in levying the service charges; and

WHEREAS, pursuant to said provisions, the County has, in the past, levied service charges to fund the governmental services provided in CSA 9 and proposes to continue to levy such service charges; and

WHEREAS, pursuant to Monterey County Code, Sections 15.28.040 and 15.28.050, a Written Report of Service Charges for FY 2011-12 has been prepared by the Director of Public Works and filed with the Clerk of the Board of Supervisors, setting forth a description of each Assessor's Parcel of real property receiving street lighting, storm drain maintenance, and surface water disposal services, the current basic rate for the service charges levied in CSA 9, and the estimated amount of the CSA 9 service charge for each Assessor's Parcel for the fiscal year; and

WHEREAS, said report is based upon the Monterey County Assessment Roll for FY 2011-12, which roll will not become final until after the assessments proposed herein are finally approved; and

WHEREAS, pursuant to Monterey County Code, Section 15.28.070, on June 14, 2011, the matter of adoption of continuation of the CSA 9 service charges came on regularly for hearing, at the time and place fixed for said hearing; and

WHEREAS, all objections or protests and other written communications were presented to the Board of Supervisors at said hearing, all persons desiring to be heard were given an opportunity to present testimony to the Board, and the Board heard and considered the evidence presented to it.

NOW, THEREFORE, BE IT RESOLVED by the Board of Supervisors of the County of Monterey as follows:

1. The above recitals are true and correct.
2. Based on the evidence before the Board, the Board finds that the service charges proposed to be imposed herein are apportioned by a formula or method, which fairly distributes the charges among all Assessors' parcels subject to the charges in proportion to the estimated benefits to be received by each such parcel from the street lighting, storm drain maintenance, and surface water disposal services.
3. The Board finds that this resolution imposes service charges by extending charges that existed before the passage of Proposition 218 and that the charges imposed herein are properly imposed under California Constitution, Article 13D, Section 6(b), as follows:
 - a. Revenues derived from the service charges imposed herein will be used solely to provide one or more property-related services, namely street lighting, storm drain maintenance, and surface water disposal services.
 - b. Revenues derived from the service charges imposed herein will not exceed the funds required to provide the property-related services.
 - c. Revenues derived from the service charges imposed herein will not be used for any other purpose other than that for which the service charges are imposed.
 - d. The amount of the service charges imposed herein upon any parcel does not exceed the proportional cost of the services attributable to that parcel.
 - e. The service for which the charges are imposed herein will be used by, or be immediately available to, the owner of each property subject to the charge.
 - f. The charges imposed herein will not be used for any general governmental services (including, but not limited to, police, fire, ambulance, or library services) where the service is available to the public at large in substantially the same manner as it is to property owners.
4. Charges were imposed in this CSA for FY 2010-11 for the same purposes as are specified herein for FY 2011-12, and the charges imposed herein for FY 2011-12 do not exceed the charges imposed for FY 2010-11.
5. The Board further finds that because the charges imposed herein are existing charges which are being extended without increase over the charges in existence prior to the passage of Proposition 218, these charges are exempt from the notice, protest, and election requirements specified in the California Constitution, Article 13D, Sections 6(a) and 6(c).

BE IT FURTHER RESOLVED by the Board of Supervisors of Monterey County as follows:

1. The Written Report filed herein for CSA 9 – Oak Park and Adjacent Annexations is hereby confirmed as the final report, with the following changes:

None, except only for such changes to such report as shall be made by the Director of Public Works, as made necessary to bring the report into conformity with the changes to the Monterey County Assessment Roll, prior to finalization of the Monterey County Assessment Roll for FY 2011-12.

2. The estimated service charges set forth in the Written Report confirmed hereinabove are hereby levied in CSA 9 for FY 2011-12, with the following changes:

Resolution No. 11-179

Adopt a Resolution:

- a. Confirming County Service Area Written Report of Service Charges for FY 2011-12 to be levied in County Service Area No. 15 - Serra Village/Toro Park/Adjacent Annexed Areas; and)
- b. Levying Service Charges in County Service Area No. 15 - Serra Village/Toro Park/Adjacent Annexed Areas for parkway maintenance, street lighting, street maintenance, storm drain maintenance, and surface water disposal services to be provided in FY 2011-12.....)

WHEREAS, California County Service Area Law, Government Code Section 25210, et seq., authorizes the establishment of County Service Areas (CSAs) for the provision of governmental services, including parkway maintenance, street lighting, street maintenance, storm drain maintenance, and surface water disposal services, Monterey County Code Chapter 15.28 sets forth procedures for the levy and collection of service charges to pay for the provision of such governmental services; and

WHEREAS, pursuant to said law, Monterey County has established County Service Area No. 15 (CSA 15) - Serra Village/Toro Park/Adjacent Annexed Areas to provide and pay for parkway maintenance, street lighting, street maintenance, storm drain maintenance, and surface water disposal services, in that CSA; and

WHEREAS, to implement the foregoing provisions of the Government Code, Chapter 15.28 of the Monterey County Code provides for the collection of service charges for parkway maintenance, street lighting, street maintenance, storm drain maintenance, surface water disposal services, and other governmental services in CSAs and establishes the procedures to be followed in levying the service charges; and

WHEREAS, pursuant to said provisions, the County has, in the past, levied service charges to fund the governmental services provided in CSA 15 and proposes to continue to levy such service charges; and

WHEREAS, pursuant to Monterey County Code, Sections 15.28.040 and 15.28.050, a Written Report of Service Charges for FY 2011-12 has been prepared by the Director of Public Works and filed with the Clerk of the Board of Supervisors, setting forth a description of each Assessor's Parcel of real property receiving parkway maintenance, street lighting, street maintenance, storm drain maintenance, and surface water disposal services, the current basic rate for the service charges levied in CSA 15, and the estimated amount of the CSA 15 service charge for each Assessor's Parcel for the fiscal year; and

WHEREAS, said report is based upon the Monterey County Assessment Roll for FY 2011-12, which roll will not become final until after the assessments proposed herein are finally approved; and

WHEREAS, pursuant to Monterey County Code, Section 15.28.070, on June 14, 2011, the matter of adoption of continuation of the CSA 15 service charges came on regularly for hearing, at the time and place fixed for said hearing; and

WHEREAS, all objections or protests and other written communications were presented to the Board of Supervisors at said hearing, all persons desiring to be heard were given an opportunity to present testimony to the Board, and the Board heard and considered the evidence presented to it.

NOW, THEREFORE, BE IT RESOLVED by the Board of Supervisors of the County of Monterey as follows:

1. The above recitals are true and correct.
2. Based on the evidence before the Board, the Board finds that the service charges proposed to be imposed herein are apportioned by a formula or method which fairly distributes the charges among all Assessors' parcels subject to the charges in proportion to the estimated benefits to be received by each such parcel from the parkway maintenance, street lighting, street maintenance, storm drain maintenance, and surface water disposal services.
3. The Board finds that this resolution imposes service charges by extending charges that existed before the passage of Proposition 218 and that the charges imposed herein are properly imposed under California Constitution, Article 13D, Section 6 (b), as follows:
 - a. Revenues derived from the service charges imposed herein will be used solely to provide one or more property-related services, namely parkway maintenance, street lighting, street maintenance, storm drain maintenance, and surface water disposal services.
 - b. Revenues derived from the service charges imposed herein will not exceed the funds required to provide the property-related services.
 - c. Revenues derived from the service charges imposed herein will not be used for any other purpose other than that for which the service charges are imposed.
 - d. The amount of the service charges imposed herein upon any parcel does not exceed the proportional cost of the services attributable to that parcel.
 - e. The service for which the charges are imposed herein will be used by, or be immediately available to, the owner of each property subject to the charge.
 - f. The charges imposed herein will not be used for any general governmental services (including, but not limited to, police, fire, ambulance, or library services) where the service is available to the public at large in substantially the same manner as it is to property owners.
- A. 4. Charges were imposed in this CSA for FY 2010-11 for the same purposes as are specified herein for FY 2011-12, and the charges imposed herein for FY 2011-12 do not exceed the charges imposed for FY 2010-11.

5. The Board further finds that because the charges imposed herein are existing charges, which are being extended without increase over the charges in existence prior to the passage of Proposition 218, these charges are exempt from the notice, protest, and the election requirements specified in the California Constitution, Article 13D, Sections 6(a) and 6(c).

BE IT FURTHER RESOLVED by the Board of Supervisors of Monterey County as follows:

1. The Written Report filed herein for CSA 15 – Serra Village/Toro Park/Adjacent Annexed Areas is hereby confirmed as the final report, with the following changes:

None, except only for such changes to such report as shall be made by the Director of Public Works, as made necessary to bring the report into conformity with the changes to the Monterey County Assessment Roll, prior to finalization of the Monterey County Assessment Roll for FY 2011-12.

2. The estimated service charges set forth in the Written Report confirmed hereinabove are hereby levied in CSA 15 for FY 2011-12, with the following changes:

None, except for changes made necessary by changes to the final report as specified in paragraph 1, above.

WHEREAS, California County Service Area Law, Government Code Section 25210, et seq., authorizes the establishment of County Service Areas (CSAs) for the provision of governmental services, including street lighting, storm drain maintenance, and surface water disposal services, Monterey County Code Chapter 15.28 sets forth procedures for the levy and collection of service charges to pay for the provision of such governmental services; and

WHEREAS, pursuant to said law, Monterey County has established County Service Area No. 20 (CSA 20) – Royal Estates 1, 2, 3, and 4 to provide and pay for street lighting, storm drain maintenance, and surface water disposal services in that CSA; and

WHEREAS, to implement the foregoing provisions of the Government Code, Chapter 15.28 of the Monterey County Code provides for the collection of service charges for street lighting , storm drain maintenance, surface water disposal services, and other governmental services in CSAs and establishes the procedures to be followed in levying the service charges; and

WHEREAS, pursuant to said provisions, the County has, in the past, levied service charges to fund the governmental services provided in CSA 20 and proposes to continue to levy such service charges; and

WHEREAS, pursuant to Monterey County Code, Sections 15.28.040 and 15.28.050, a Written Report of Service Charges for FY 2011-12 has been prepared by the Director of Public Works and filed with the Clerk of the Board of Supervisors, setting forth a description of each Assessor's Parcel of real property receiving street lighting, storm drain maintenance, and surface water disposal services, the current basic rate for the service charges levied in CSA 20, and the estimated amount of the CSA 20 service charge for each Assessor's Parcel for the fiscal year; and

WHEREAS, said report is based upon the Monterey County Assessment Roll for FY 2011-12, which roll will not become final until after the assessments proposed herein are finally approved; and

WHEREAS, Pursuant to Monterey County Code, Section 15.28.070, on June 14, 2011, the matter of adoption of continuation of the CSA 20 service charges came on regularly for hearing, at the time and place fixed for said hearing; and

WHEREAS, all objections or protests and other written communications were presented to the Board of Supervisors at said hearing, all persons desiring to be heard were given an opportunity to present testimony to the Board, and the Board heard and considered the evidence presented to it.

NOW, THEREFORE, BE IT RESOLVED by the Board of Supervisors of the County of Monterey as follows:

1. The above recitals are true and correct.
2. Based on the evidence before the Board, the Board finds that the service charges proposed to be imposed herein are apportioned by a formula or method which fairly distributes the charges among all Assessors' parcels subject to the charges in proportion to the estimated benefits to be received by each such parcel from the street lighting, storm drain maintenance, and surface water disposal services.
- B. 3. The Board finds that this resolution imposes service charges by extending charges that existed before the passage of Proposition 218 and that the charges imposed herein are properly imposed under California Constitution, Article 13D, Section 6(b), as follows:
 - a. Revenues derived from the service charges imposed herein will be used solely to provide one or more property-related services, namely street lighting, storm drain maintenance, and surface water disposal services.
 - b. Revenues derived from the service charges imposed herein will not exceed the funds required to provide the property-related services.
 - c. Revenues derived from the service charges imposed herein will not be used for any other purpose other than that for which the service charges are imposed.
- a. The amount of the service charges imposed herein upon any parcel does not exceed the proportional cost of the services attributable to that parcel.
- b. The service for which the charges are imposed herein will be used by, or be immediately available to, the owner of each property subject to the charge.
- c. The charges imposed herein will not be used for any general governmental services (including, but not limited to, police, fire, ambulance, or library services) where the service is available to the public at large in substantially the same manner as it is to property owners.
4. Charges were imposed in this CSA for FY 2010-11 for the same purposes as are specified herein for FY 2011-12, and the charges imposed herein for FY 2011-12 do not exceed the charges imposed for FY 2010-11.
5. The Board further finds that because the charges imposed herein are existing charges which are being extended without increase over the charges in existence prior to the passage of Proposition 218, these charges are exempt from the notice, protest, and election requirements specified in the California Constitution, Article 13D, Sections 6(a) and 6(c).

BE IT FURTHER RESOLVED by the Board of Supervisors of Monterey County as follows:

1. The Written Report filed herein for CSA 20 – Royal Estates 1, 2, 3, and 4 is hereby confirmed as the final report, with the following changes:

None, except only for such changes to such report as shall be made by the Director of Public Works, as made necessary to bring the report into conformity with the changes to the Monterey County Assessment Roll, prior to finalization of the Monterey County Assessment Roll for FY 2011-12.

2. The estimated service charges set forth in the Written Report confirmed hereinabove are hereby levied in CSA 20 for FY 2011-12, with the following changes:

disposal services to be provided in FY 2011-12.....)

WHEREAS, California County Service Area Law, Government Code Section 25210, et seq., authorizes the establishment of County Service Areas (CSAs) for the provision of governmental services, including parkway maintenance, street lighting, street maintenance, storm drain maintenance, and surface water disposal services, Monterey County Code Chapter 15.28 sets forth procedures for the levy and collection of service charges to pay for the provision of such governmental services; and

WHEREAS, pursuant to said law, Monterey County has established County Service Area No. 23 (CSA 23) – Carmel Rancho Subdivision to provide and pay for parkway maintenance, street lighting, street maintenance, storm drain maintenance, and surface water disposal services, in that CSA; and

WHEREAS, to implement the foregoing provisions of the Government Code, Chapter 15.28 of the Monterey County Code provides for the collection of service charges for parkway maintenance, street lighting, street maintenance, storm drain maintenance, surface water disposal services, and other governmental services in CSAs and establishes the procedures to be followed in levying the service charges; and

WHEREAS, pursuant to said provisions, the County has, in the past, levied service charges to fund the governmental services provided in CSA 23 and proposes to continue to levy such service charges; and

WHEREAS, pursuant to Monterey County Code, Sections 15.28.040 and 15.28.050, a Written Report of Service Charges for FY 2011-12 has been prepared by the Director of Public Works and filed with the Clerk of the Board of Supervisors, setting forth a description of each Assessor's Parcel of real property receiving parkway maintenance, street lighting, street maintenance, storm drain maintenance, and surface water disposal services, the current basic rate for the service charges levied in CSA 23, and the estimated amount of the CSA 23 service charge for each Assessor's Parcel for the fiscal year; and

WHEREAS, said report is based upon the Monterey County Assessment Roll for FY 2011-12, which roll will not become final until after the assessments proposed herein are finally approved; and

WHEREAS, pursuant to Monterey County Code, Section 15.28.070, on June 14, 2011, the matter of adoption of continuation of the CSA 23 service charges came on regularly for hearing, at the time and place fixed for said hearing; and

WHEREAS, all objections or protests and other written communications were presented to the Board of Supervisors at said hearing, all persons desiring to be heard were given an opportunity to present testimony to the Board, and the Board heard and considered the evidence presented to it.

NOW, THEREFORE, BE IT RESOLVED by the Board of Supervisors of the County of Monterey as follows:

1. The above recitals are true and correct.
2. Based on the evidence before the Board, the Board finds that the service charges proposed to be imposed herein are apportioned by a formula or method which fairly distributes the charges among all Assessors' parcels subject to the charges in proportion to the estimated benefits to be received by each such parcel from the parkway maintenance, street lighting, street maintenance, storm drain maintenance, and surface water disposal services.
3. The Board finds that this resolution imposes service charges by extending charges that existed before the passage of Proposition 218 and that the charges imposed herein are properly imposed under California Constitution, Article 13D, Section 6(b), as follows:
 - a. Revenues derived from the service charges imposed herein will be used solely to provide one or more property-related services, namely parkway maintenance, street lighting, street maintenance, storm drain maintenance, and surface water disposal services.
 - b. Revenues derived from the service charges imposed herein will not exceed the funds required to provide the property-related services.
 - c. Revenues derived from the service charges imposed herein will not be used for any other purpose other than that for which the service charges are imposed.
 - d. The amount of the service charges imposed herein upon any parcel does not exceed the proportional cost of the services attributable to that parcel.
 - e. The service for which the charges are imposed herein will be used by, or be immediately available to, the owner of each property subject to the charge.
 - f. The charges imposed herein will not be used for any general governmental services (including, but not limited to, police, fire, ambulance, or library services) where the service is available to the public at large in substantially the same manner as it is to property owners.
4. Charges were imposed in this CSA for FY 2010-11 for the same purposes as are specified herein for FY 2011-12, and the charges imposed herein for FY 2011-12 do not exceed the charges imposed for FY 2010-11.

5. The Board further finds that because the charges imposed herein are existing charges which are being extended without increase over the charges in existence prior to the passage of Proposition 218, these charges are exempt from the notice, protest, and election requirements specified in the California Constitution, Article 13D, Sections 6(a) and 6(c).

BE IT FURTHER RESOLVED by the Board of Supervisors of Monterey County as follows:

1. The Written Report filed herein for CSA 23 – Carmel Rancho Subdivision is hereby confirmed as the final report, with the following changes:

None, except only for such changes to such report as shall be made by the Director of Public Works, as made necessary to bring the report into conformity with the changes to the Monterey County Assessment Roll, prior to finalization of the Monterey County Assessment Roll for FY 2011-12.

2. The estimated service charges set forth in the Written Report confirmed hereinabove are hereby levied in CSA 23 for FY 2011-12, with the following changes:

None, except for changes made necessary by changes to the final report as specified in paragraph 1, above.

WHEREAS, California County Service Area Law, Government Code Section 25210, et seq., authorizes the establishment of County Service Areas (CSAs) for the provision of governmental services, including storm drain maintenance, and surface water disposal services, Monterey County Code Chapter 15.28 sets forth procedures for the levy and collection of service charges to pay for the provision of such governmental services; and

WHEREAS, pursuant to said law, Monterey County has established County Service Area No. 24 (CSA 24) – Pedrazzi Subdivision 2/Indian Springs/Vista Del Rio to provide and pay for storm drain maintenance, and surface water disposal services, in that CSA; and

WHEREAS, to implement the foregoing provisions of the Government Code, Chapter 15.28 of the Monterey County Code provides for the collection of service charges for storm drain maintenance, surface water disposal services, and other governmental services in CSAs and establishes the procedures to be followed in levying the service charges; and

WHEREAS, pursuant to said provisions, the County has, in the past, levied service charges to fund the governmental services provided in CSA 24 and proposes to continue to levy such service charges; and

WHEREAS, pursuant to Monterey County Code, Sections 15.28.040 and 15.28.050, a Written Report of Service Charges for FY 2011-12 has been prepared by the Director of Public Works and filed with the Clerk of the Board of Supervisors, setting forth a description of each Assessor's Parcel of real property receiving storm drain maintenance, and surface water disposal services, the current basic rate for the service charges levied in CSA 24, and the estimated amount of the CSA 24 service charge for each Assessor's Parcel for the fiscal year; and

WHEREAS, said report is based upon the Monterey County Assessment Roll for FY 2011-12, which roll will not become final until after the assessments proposed herein are finally approved; and

WHEREAS, pursuant to Monterey County Code, Section 15.28.070, on June 14, 2011, the matter of adoption of continuation of the CSA 24 service charges came on regularly for hearing, at the time and place fixed for said hearing; and

WHEREAS, all objections or protests and other written communications were presented to the Board of Supervisors at said hearing, all persons desiring to be heard were given an opportunity to present testimony to the Board, and the Board heard and considered the evidence presented to it.

NOW, THEREFORE, BE IT RESOLVED by the Board of Supervisors of the County of Monterey as follows:

1. The above recitals are true and correct.
2. Based on the evidence before the Board, the Board finds that the service charges proposed to be imposed herein are apportioned by a formula or method which fairly distributes the charges among all Assessors' parcels subject to the charges in proportion to the estimated benefits to be received by each such parcel from the storm drain maintenance, and surface water disposal services.
3. The Board finds that this resolution imposes service charges by extending charges that existed before the passage of Proposition 218 and that the charges imposed herein are properly imposed under California Constitution, Article 13D, Section 6(b), as follows:
 - a. Revenues derived from the service charges imposed herein will be used solely to provide one or more property-related services, namely storm drain maintenance, and surface water disposal services.
 - b. Revenues derived from the service charges imposed herein will not exceed the funds required to provide the property-related services.
 - c. Revenues derived from the service charges imposed herein will not be used for any other purpose other than that for which the service charges are imposed.
 - d. The amount of the service charges imposed herein upon any parcel does not exceed the proportional cost of the services attributable to that parcel.
 - e. The service for which the charges are imposed herein will be used by, or be immediately available to, the owner of each property subject to the charge.
 - f. The charges imposed herein will not be used for any general governmental services (including, but not limited to, police, fire, ambulance, or library services) where the service is available to the public at large in substantially the same manner as it is to property owners.
4. Charges were imposed in this CSA for FY 2010-11 for the same purposes as are specified herein for FY 2011-12, and the charges imposed herein for FY 2011-12 do not exceed the charges imposed for FY 2010-11.
5. The Board further finds that because the charges imposed herein are existing charges which are being extended without increase over the charges in existence prior to the passage of Proposition 218, these charges are exempt from the notice, protest, and election requirements specified in the California Constitution, Article 13D, Section 6(a) and 6(c).

BE IT FURTHER RESOLVED by the Board of Supervisors of Monterey County as follows:

1. The Written Report filed herein for CSA 24 – Pedrazzi Subdivision 2/Indian Springs/Vista Del Rio is hereby confirmed as the final report, with the following changes:

None, except only for such changes to such report as shall be made by the Director of Public Works, as made necessary to bring the report into conformity with the changes to the Monterey County Assessment Roll, prior to finalization of the Monterey County Assessment Roll for FY 2011-12.

2. The estimated service charges set forth in the Written Report confirmed hereinabove are hereby levied in CSA 24 for FY 2011-12, with the following changes:

- a. Confirming County Service Area Written Report of Service Charges for FY 2011-12 to be levied in County Service Area No. 32 - Green Valley Acres and Moon Subdivision; and
- b. Levying Service Charges in County Service Area No. 32 – Green Valley Acres and Moon Subdivision for street lighting, storm drain maintenance, and surface water disposal services to be provided in FY 2011-12.....

WHEREAS, California County Service Area Law, Government Code Section 25210, et seq., authorizes the establishment of County Service Areas (CSAs) for the provision of governmental services, including street lighting, storm drain maintenance, and surface water disposal services, Monterey County Code Chapter 15.28 sets forth procedures for the levy and collection of service charges to pay for the provision of such governmental services; and

WHEREAS, pursuant to said law, Monterey County has established County Service Area No. 32 (CSA 32) – Green Valley Acres and Moon Subdivision to provide and pay for street lighting, storm drain maintenance, and surface water disposal services in that CSA; and

WHEREAS, to implement the foregoing provisions of the Government Code, Chapter 15.28 of the Monterey County Code provides for the collection of service charges for street lighting , storm drain maintenance, surface water disposal services, and other governmental services in CSAs and establishes the procedures to be followed in levying the service charges; and

WHEREAS, pursuant to said provisions, the County has, in the past, levied service charges to fund the governmental services provided in CSA 32 and proposes to continue to levy such service charges; and

WHEREAS, pursuant to Monterey County Code, Sections 15.28.040 and 15.28.050, a Written Report of Service Charges for FY 2011-12 has been prepared by the Director of Public Works and filed with the Clerk of the Board of Supervisors, setting forth a description of each Assessor's Parcel of real property receiving street lighting, storm drain maintenance, and surface water disposal services, the current basic rate for the service charges levied in CSA 32, and the estimated amount of the CSA 32 service charge for each Assessor's Parcel for the fiscal year; and

WHEREAS, said report is based upon the Monterey County Assessment Roll for FY 2011-12, which roll will not become final until after the assessments proposed herein are finally approved; and

WHEREAS, pursuant to Monterey County Code, Section 15.28.070, on June 14, 2011, the matter of adoption of continuation of the CSA 32 service charges came on regularly for hearing, at the time and place fixed for said hearing; and

WHEREAS, all objections or protests and other written communications were presented to the Board of Supervisors at said hearing, all persons desiring to be heard were given an opportunity to present testimony to the Board, and the Board heard and considered the evidence presented to it.

NOW, THEREFORE, BE IT RESOLVED by the Board of Supervisors of the County of Monterey as follows:

1. The above recitals are true and correct.
2. Based on the evidence before the Board, the Board finds that the service charges proposed to be imposed herein are apportioned by a formula or method, which fairly distributes the charges among all Assessors' parcels subject to the charges in proportion to the estimated benefits to be received by each such parcel from the street lighting, storm drain maintenance, and surface water disposal services.
3. The Board finds that this resolution imposes service charges by extending charges that existed before the passage of Proposition 218 and that the charges imposed herein are properly imposed under California Constitution, Article 13D, Section 6(b), as follows:
 - a. Revenues derived from the service charges imposed herein will be used solely to provide one or more property-related services, namely street lighting, storm drain maintenance, and surface water disposal services.
 - b. Revenues derived from the service charges imposed herein will not exceed the funds required to provide the property-related services.
 - c. Revenues derived from the service charges imposed herein will not be used for any other purpose other than that for which the service charges are imposed.
 - d. The amount of the service charges imposed herein upon any parcel does not exceed the proportional cost of the services attributable to that parcel.
 - e. The service for which the charges are imposed herein will be used by, or be immediately available to, the owner of each property subject to the charge.
 - f. The charges imposed herein will not be used for any general governmental services (including, but not limited to, police, fire, ambulance, or library services) where the service is available to the public at large in substantially the same manner as it is to property owners.
4. Charges were imposed in this CSA for FY 2010-11 for the same purposes as are specified herein for FY 2011-12, and the charges imposed herein for FY 2011-12 do not exceed the charges imposed for FY 2010-11.
5. The Board further finds that because the charges imposed herein are existing charges which are being extended without increase over the charges in existence prior to the passage of Proposition 218, these charges are exempt from the notice, protest, and election requirements specified in the California Constitution, Article 13D, Sections 6(a) and 6(c).

BE IT FURTHER RESOLVED by the Board of Supervisors of Monterey County as follows:

1. The Written Report filed herein for CSA 32 – Green Valley Acres and Moon Subdivision is hereby confirmed as the final report, with the following changes:

None, except only for such changes to such report as shall be made by the Director of Public Works, as made necessary to bring the report into conformity with the changes to the Monterey County Assessment Roll, prior to finalization of the Monterey County Assessment Roll for FY 2011-12.

2. The estimated service charges set forth in the Written Report confirmed hereinabove are hereby levied in CSA 32 for FY 2011-12, with the following changes:

None, except for changes made necessary by changes to the final report as specified in paragraph 1, above.

 street lighting services to be provided in)
 FY 2011-12.....)

WHEREAS, California County Service Area Law, Government Code Section 25210, et seq., authorizes the establishment of County Service Areas (CSAs) for the provision of governmental services, including street lighting services, Monterey County Code Chapter 15.28 sets forth procedures for the levy and collection of service charges to pay for the provision of such governmental services, and Government Code Section 25217 provides for the establishment of zones in a CSA, within which service charges may vary with the extent of benefit to each zone or with the availability of other funds within a zone; and

WHEREAS, pursuant to said law, Monterey County has established County Service Area No. 41 (CSA 41) – Gabilan Acres and Boronda to provide and pay for street lighting services in that CSA, and has established within CSA 41 the following zones to provide and pay for some or all such services in those zones:

Gabilan Acres
Boronda

WHEREAS, to implement the foregoing provisions of the Government Code, Chapter 15.28 of the Monterey County Code provides for the collection of service charges for street lighting in that CSA and establishes the procedures to be followed in levying the service charges; and

WHEREAS, pursuant to said provisions, the County has, in the past, levied service charges to fund the governmental services provided in CSA 41 and proposes to continue to levy such service charges; and

WHEREAS, pursuant to Monterey County Code, Sections 15.28.040 and 15.28.050, a Written Report of Service Charges for FY 2011-12 has been prepared by the Director of Public Works and filed with the Clerk of the Board of Supervisors, setting forth a description of each Assessor's Parcel of real property receiving street lighting services, the current basic rate for the service charges levied in CSA 41 and the zones within CSA 41, and the estimated amount of the overall CSA 41 service charge and the zone charge for each Assessor's Parcel for the fiscal year; and

WHEREAS, said report is based upon the Monterey County Assessment Roll for FY 2011-12, which roll will not become final until after the assessments proposed herein are finally approved; and

WHEREAS, pursuant to Monterey County Code Section 15.28.070, on June 14, 2011, the matter of the adoption of the continuation of CSA 41 service charges came on regularly for hearing, at the time and place fixed for said hearing; and

WHEREAS, all objections or protests and other written communications were presented to the Board of Supervisors at said hearing, all persons desiring to be heard were given an opportunity to present testimony to the Board, the Board heard and considered the evidence presented to it.

NOW, THEREFORE, BE IT RESOLVED by the Board of Supervisors of the County of Monterey as follows:

1. The above recitals are true and correct.
2. Based on the evidence before the Board, the Board finds that the service charges proposed to be imposed herein are apportioned by a formula or method which fairly distributes the charges among all Assessors' parcels subject to the charges in proportion to the estimated benefits to be received by each such parcel from the street lighting services.
3. The Board finds that this resolution imposes service charges by extending charges that existed before the passage of Proposition 218 and that the charges imposed herein are properly imposed under California Constitution, Article 13D, Section 6(b), as follows:
 - a. Revenues derived from the service charges imposed herein will be used solely to provide one or more property-related services, namely street lighting services.
 - b. Revenues derived from the service charges imposed herein will not exceed the funds required to provide the property-related services.
 - c. Revenues derived from the service charges imposed herein will not be used for any other purpose other than that for which the service charges are imposed.
 - d. The amount of the service charges imposed herein upon any parcel does not exceed the proportional cost of the services attributable to that parcel.
 - e. The service for which the charges are imposed herein will be used by, or be immediately available to, the owner of each property subject to the charge.
 - f. The charges imposed herein will not be used for any general governmental services (including, but not limited to, police, fire, ambulance, or library services) where the service is available to the public at large in substantially the same manner as it is to property owners.
4. Charges were imposed in this CSA for FY 2010-11 for the same purposes as are specified herein for FY 2011-12, and the charges imposed herein for FY 2011-12 do not exceed the charges imposed for FY 2010-11.
5. The Board further finds that because the charges imposed herein are existing charges which are being extended without increase over the charges in existence prior to the passage of Proposition 218, these charges are exempt from the notice, protest, and election requirements specified in the California Constitution, Article 13D, Section 6(a) and 6(c).

BE IT FURTHER RESOLVED by the Board of Supervisors of Monterey County as follows:

1. The Written Report of Service Charges filed herein for CSA 41 – Gabilan Acres and Boronda is hereby confirmed as the final report, with the following changes:

None, except only for such changes to such report as shall be necessary to be made by the Director of Public Works to bring the report into conformity with the changes to the Monterey County Assessment Roll, prior to finalization of the Monterey County Assessment Roll for FY 2011-12.

2. The estimated service charges set forth in the Written Report of Service Charges confirmed hereinabove are hereby levied in CSA 41 and in the CSA 41 zones for FY 2011-12, with the following changes:

None, except for changes made necessary by changes to the final report as specified in paragraph 1, above.

PASSED AND ADOPTED on this 14th day of June, 2011, upon motion of Supervisor Calcagno, seconded by Supervisor Salinas by the following vote, to wit:

AYES: Supervisors Armenta, Calcagno, Salinas, and Parker

NOES: None

WHEREAS, California County Service Area Law, Government Code Section 25210, et seq., authorizes the establishment of County Service Areas (CSAs) for the provision of governmental services, including street lighting, storm drain maintenance, and surface water disposal services, Monterey County Code Chapter 15.28 sets forth procedures for the levy and collection of service charges to pay for the provision of such governmental services; and

WHEREAS, pursuant to said law, Monterey County has established County Service Area No. 44 (CSA 44) – Corral De Tierra Oaks 1, 2, and 3 to provide and pay for street lighting, storm drain maintenance, and surface water disposal services in that CSA; and

WHEREAS, to implement the foregoing provisions of the Government Code, Chapter 15.28 of the Monterey County Code provides for the collection of service charges for street lighting , storm drain maintenance, surface water disposal services, and other governmental services in CSAs and establishes the procedures to be followed in levying the service charges; and

WHEREAS, pursuant to said provisions, the County has, in the past, levied service charges to fund the governmental services provided in CSA 44 and proposes to continue to levy such service charges; and

WHEREAS, pursuant to Monterey County Code, Sections 15.28.040 and 15.28.050, a Written Report of Service Charges for FY 2011-12 has been prepared by the Director of Public Works and filed with the Clerk of the Board of Supervisors, setting forth a description of each Assessor's Parcel of real property receiving street lighting, storm drain maintenance, and surface water disposal services, the current basic rate for the service charges levied in CSA 44, and the estimated amount of the CSA 44 service charge for each Assessor's Parcel for the fiscal year; and

WHEREAS, said report is based upon the Monterey County Assessment Roll for FY 2011-12, which roll will not become final until after the assessments proposed herein are finally approved; and

WHEREAS, pursuant to Monterey County Code, Section 15.28.070, on June 14, 2011, the matter of adoption of continuation of the CSA 44 service charges came on regularly for hearing, at the time and place fixed for said hearing; and

WHEREAS, all objections or protests and other written communications were presented to the Board of Supervisors at said hearing, all persons desiring to be heard were given an opportunity to present testimony to the Board, and the Board heard and considered the evidence presented to it.

NOW, THEREFORE, BE IT RESOLVED by the Board of Supervisors of the County of Monterey as follows:

1. The above recitals are true and correct.
2. Based on the evidence before the Board, the Board finds that the service charges proposed to be imposed herein are apportioned by a formula or method, which fairly distributes the charges among all Assessors' parcels subject to the charges in proportion to the estimated benefits to be received by each such parcel from the street lighting, storm drain maintenance, and surface water disposal services.
3. The Board finds that this resolution imposes service charges by extending charges that existed before the passage of Proposition 218 and that the charges imposed herein are properly imposed under California Constitution, Article 13D, Section 6(b), as follows:
 - a. Revenues derived from the service charges imposed herein will be used solely to provide one or more property-related services, namely street lighting, storm drain maintenance, and surface water disposal services.
 - b. Revenues derived from the service charges imposed herein will not exceed the funds required to provide the property-related services.
 - c. Revenues derived from the service charges imposed herein will not be used for any other purpose other than that for which the service charges are imposed.
 - d. The amount of the service charges imposed herein upon any parcel does not exceed the proportional cost of the services attributable to that parcel.
 - e. The service for which the charges are imposed herein will be used by, or be immediately available to, the owner of each property subject to the charge.
 - f. The charges imposed herein will not be used for any general governmental services (including, but not limited to, police, fire, ambulance, or library services) where the service is available to the public at large in substantially the same manner as it is to property owners.
4. Charges were imposed in this CSA for FY 2010-11 for the same purposes as are specified herein for FY 2011-12, and the charges imposed herein for FY 2011-12 do not exceed the charges imposed for FY 2010-11.
5. The Board further finds that because the charges imposed herein are existing charges which are being extended without increase over the charges in existence prior to the passage of Proposition 218, these charges are exempt from the notice, protest, and election requirements specified in the California Constitution, Article 13D, Sections 6(a) and 6(c).

BE IT FURTHER RESOLVED by the Board of Supervisors of Monterey County as follows::

1. The Written Report filed herein for CSA 44 – Corral De Tierra Oaks 1, 2, and 3 is hereby confirmed as the final report, with the following changes:

None, except only for such changes to such report as shall be made by the Director of Public Works, as made necessary to bring the report into conformity with the changes to the Monterey County Assessment Roll, prior to finalization of the Monterey County Assessment Roll for FY 2011-12.

2. The estimated service charges set forth in the Written Report confirmed hereinabove are hereby levied in CSA 44 for FY 2011-12, with the following changes:

None, except for changes made necessary by changes to the final report as specified in paragraph 1, above.

WHEREAS, California County Service Area Law, Government Code Section 25210, et seq., authorizes the establishment of County Service Areas (CSAs) for the provision of governmental services, including street lighting, storm drain maintenance, and surface water disposal services, Monterey County Code Chapter 15.28 sets forth procedures for the levy and collection of service charges to pay for the provision of such governmental services; and

WHEREAS, pursuant to said law, Monterey County has established County Service Area No. 45 (CSA 45) – Oaks Hills to provide and pay for street lighting, storm drain maintenance, and surface water disposal services in that CSA; and

WHEREAS, to implement the foregoing provisions of the Government Code, Chapter 15.28 of the Monterey County Code provides for the collection of service charges for street lighting , storm drain maintenance, surface water disposal services, and other governmental services in CSAs and establishes the procedures to be followed in levying the service charges; and

WHEREAS, pursuant to said provisions, the County has, in the past, levied service charges to fund the governmental services provided in CSA 45 and proposes to continue to levy such service charges; and

WHEREAS, pursuant to Monterey County Code, Sections 15.28.040 and 15.28.050, a Written Report of Service Charges for FY 2011-12 has been prepared by the Director of Public Works and filed with the Clerk of the Board of Supervisors, setting forth a description of each Assessor's Parcel of real property receiving street lighting, storm drain maintenance, and surface water disposal services, the current basic rate for the service charges levied in CSA 45, and the estimated amount of the CSA 45 service charge for each Assessor's Parcel for the fiscal year; and

WHEREAS, said report is based upon the Monterey County Assessment Roll for FY 2011-12, which roll will not become final until after the assessments proposed here in are finally approved; and

WHEREAS, pursuant to Monterey County Code, Section 15.28.070, on June 14, 2011, the matter of adoption of continuation of the CSA 45 service charges came on regularly for hearing, at the time and place fixed for said hearing; and

WHEREAS, all objections or protests and other written communications were presented to the Board of Supervisors at said hearing, all persons desiring to be heard were given an opportunity to present testimony to the Board, and the Board heard and considered the evidence presented to it.

NOW, THEREFORE, BE IT RESOLVED by the Board of Supervisors of the County of Monterey as follows:

1. The above recitals are true and correct.
2. Based on the evidence before the Board, the Board finds that the service charges proposed to be imposed herein are apportioned by a formula or method, which fairly distributes the charges among all Assessors' parcels subject to the charges in proportion to the estimated benefits to be received by each such parcel from the street lighting, storm drain maintenance, and surface water disposal services.

WHEREAS, California County Service Area Law, Government Code Section 25210, et seq., authorizes the establishment of County Service Areas (CSAs) for the provision of governmental services, including storm drain maintenance, surface water disposal, levee maintenance and repair services, Monterey County Code Chapter 15.28 sets forth procedures for the levy and collection of service charges to pay for the provision of such governmental services, and Government Code Section 25217 provides for the establishment of zones in a CSA, within which service charges may vary with the extent of benefit to each zone or with the availability of other funds within a zone; and

WHEREAS, pursuant to said law, Monterey County has established County Service Area No. 50 (CSA 50) – Lower Carmel River to provide and pay for storm drain maintenance, surface water disposal, levee maintenance and repair services, in that CSA and has established within CSA 50 the following zones to provide and pay for some or all such services in those zones:

Zone 1, Zone 2, Zone 3, Zone 4, Zone 5

WHEREAS, to implement the foregoing provisions of the Government Code, Chapter 15.28 of the Monterey County Code provides for the collection of service charges for storm drain maintenance, surface water disposal, levee maintenance and repair services, in that CSA and establishes the procedures to be followed in levying the service charges; and

WHEREAS, pursuant to said provisions, the County has, in the past, levied service charges to fund the governmental services provided in CSA 50 and proposes to continue to levy such service charges; and

WHEREAS, pursuant to Monterey County Code, Sections 15.28.040 and 15.28.050, a Written Report of Service Charges for FY 2011-12 has been prepared by the Public Works Director and filed with the Clerk of the Board of Supervisors, setting forth a description of each Assessor's Parcel of real property receiving the storm drain maintenance, surface water disposal, and levee maintenance and repair services, the current basic rate for the service charges levied in CSA 50 and the zones within CSA 50, and the estimated amount of the overall CSA 50 service charge and the zone charge for each Assessor's Parcel for the fiscal year; and

WHEREAS, said report is based upon the Monterey County Assessment Roll for FY 2011-12, which roll will not become final until after the assessments proposed herein are finally approved; and

WHEREAS, pursuant to Monterey County Code Section 15.28.070, on June 14, 2011, the matter of adoption of continuation of the CSA 50 service charges came on regularly for hearing, at the time and place fixed for said hearing; and

WHEREAS, all objections or protests and other written communications were presented to the Board of Supervisors at said meeting, all persons desiring to be heard were given an opportunity to present testimony to the Board, and the Board heard and considered the evidence presented to it.

NOW, THEREFORE, BE IT RESOLVED by the Board of Supervisors of the County of Monterey as follows:

1. The above recitals are true and correct.
2. Based on the evidence before the Board, the Board finds that the service charges proposed to be imposed herein are apportioned by a formula or method which fairly distributes the charges among all Assessors' parcels subject to the charges in proportion to the estimated benefits to be received by each such parcel from the storm drain maintenance, surface water disposal, and levee maintenance and repair services.
3. The Board finds that this resolution imposes service charges by extending charges that existed before the passage of Proposition 218 and that the charges imposed herein are properly imposed under California Constitution, Article 13D, Section 6(b), as follows:
 - a. Revenues derived from the service charges imposed herein will be used solely to provide one or more property-related services, namely storm drain maintenance, surface water disposal services, and levee maintenance and repair services.
 - b. Revenues derived from the service charges imposed herein will not exceed the funds required to provide the property-related services.
 - c. Revenues derived from the service charges imposed herein will not be used for any other purpose other than that for which the service charges are imposed.
 - d. The amount of the service charges imposed herein upon any parcel does not exceed the proportional cost of the services attributable to that parcel.
 - e. The service for which the charges are imposed herein will be used by, or be immediately available to, the owner of each property subject to the charge.
 - f. The charges imposed herein will not be used for any general governmental services (including, but not limited to, police, fire, ambulance, or library services) where the service is available to the public at large in substantially the same manner as it is to property owners.
4. Charges were imposed in this CSA for FY 2010-11 for the same purposes as are specified herein for FY 2011-12, and the charges imposed herein for FY 2011-12 do not exceed the charges imposed for FY 2010-11.

5. The Board further finds that because the charges imposed herein are existing charges which are being extended without increase over the charges in existence prior to the passage of Proposition 218, these charges are exempt from the notice, protest, and election requirements specified in the California Constitution, Article 13D, Section 6(a) and 6(c).

BE IT FURTHER RESOLVED by the Board of Supervisors of Monterey County as follows:

1. The Written Report of Service Charges filed herein for CSA 50 – Lower Carmel River is hereby confirmed as the final report, with the following changes:

None, except only for such changes to such report as shall be necessary to be made by the Public Works Director to bring the report into conformity with the changes to the Monterey County Assessment Roll, prior to finalization of the Monterey County Assessment Roll for FY 2011-12.

2. The estimated service charges set forth in the Written Report of Service Charges confirmed hereinabove are hereby levied in CSA 50 and in the CSA 50 zones for FY 2011-12, with the following changes:

None, except for changes made necessary by changes to the final report as specified in paragraph 1, above.

Resolution No. 11-197

- Adopt Resolution:)
 a. Confirming County Service Area Written)
 Report of Service Charges for FY 2011-12)
 to be levied in County Service Area No. 51 -)
 High Meadows No. 1 and 2; and)
 b. Levying Service Charges in County Service)
 Area No. 51 - High Meadows No. 1 and 2)
 for street lighting, storm drain maintenance,)
 and surface water disposal services to be)
 provided in FY 2011-12.....)

WHEREAS, California County Service Area Law, Government Code Section 25210, et seq., authorizes the establishment of County Service Areas (CSAs) for the provision of governmental services, including street lighting, storm drain maintenance, and surface water disposal services, Monterey County Code Chapter 15.28 sets forth procedures for the levy and collection of service charges to pay for the provision of such governmental services; and

WHEREAS, pursuant to said law, Monterey County has established County Service Area No. 51 (CSA 51) – High Meadows No. 1 and 2, to provide and pay for street lighting, storm drain maintenance, and surface water disposal services in that CSA; and

WHEREAS, to implement the foregoing provisions of the Government Code, Chapter 15.28 of the Monterey County Code provides for the collection of service charges for street lighting , storm drain maintenance, surface water disposal services, and other governmental services in CSAs and establishes the procedures to be followed in levying the service charges; and

WHEREAS, pursuant to said provisions, the County has, in the past, levied service charges to fund the governmental services provided in CSA 51 and proposes to continue to levy such service charges; and

WHEREAS, pursuant to Monterey County Code, Sections 15.28.040 and 15.28.050, a Written Report of Service Charges for FY 2011-12 has been prepared by the Director of Public Works and filed with the Clerk of the Board of Supervisors, setting forth a description of each Assessor's Parcel of real property receiving street lighting, storm drain maintenance, and surface water disposal services, the current basic rate for the service charges levied in CSA 51, and the estimated amount of the CSA 51 service charge for each Assessor's Parcel for the fiscal year; and

WHEREAS, said report is based upon the Monterey County Assessment Roll for FY 2011-12, which roll will not become final until after the assessments proposed herein are finally approved; and

WHEREAS, pursuant to Monterey County Code, Section 15.28.070, on June 14, 2011, the matter of adoption of continuation of the CSA 51 service charges came on regularly for hearing, at the time and place fixed for said hearing; and

WHEREAS, all objections or protests and other written communications were presented to the Board of Supervisors at said hearing, all persons desiring to be heard were given an opportunity to present testimony to the Board, and the Board heard and considered the evidence presented to it.

NOW, THEREFORE, BE IT RESOLVED by the Board of Supervisors of the County of Monterey as follows:

1. The above recitals are true and correct.
2. Based on the evidence before the Board, the Board finds that the service charges proposed to be imposed herein are apportioned by a formula or method, which fairly distributes the charges among all Assessors' parcels subject to the charges in proportion to the estimated benefits to be received by each such parcel from the street lighting, storm drain maintenance, and surface water disposal services.
3. The Board finds that this resolution imposes service charges by extending charges that existed before the passage of Proposition 218 and that the charges imposed herein are properly imposed under California Constitution, Article 13D, Section 6(b), as follows:
 - a. Revenues derived from the service charges imposed herein will be used solely to provide one or more property-related services, namely street lighting, storm drain maintenance, and surface water disposal services.
 - b. Revenues derived from the service charges imposed herein will not exceed the funds required to provide the property-related services.
 - c. Revenues derived from the service charges imposed herein will not be used for any other purpose other than that for which the service charges are imposed.
 - d. The amount of the service charges imposed herein upon any parcel does not exceed the proportional cost of the services attributable to that parcel.
 - e. The service for which the charges are imposed herein will be used by, or be immediately available to, the owner of each property subject to the charge.
 - f. The charges imposed herein will not be used for any general governmental services (including, but not limited to, police, fire, ambulance, or library services) where the service is available to the public at large in substantially the same manner as it is to property owners.
4. Charges were imposed in this CSA for FY 2010-11 for the same purposes as are specified herein for FY 2011-12, and the charges imposed herein for FY 2011-12 do not exceed the charges imposed for FY 2010-11.
5. The Board further finds that because the charges imposed herein are existing charges which are being extended without increase over the charges in existence prior to the passage of Proposition 218, these charges are exempt from the notice, protest, and election requirements specified in the California Constitution, Article 13D, Sections 6(a) and 6(c).

BE IT FURTHER RESOLVED by the Board of Supervisors of Monterey County as follows:

1. The Written Report filed herein for CSA 51 – High Meadows No. 1 and 2 is hereby confirmed as the final report, with the following changes:

None, except only for such changes to such report as shall be made by the Director of Public Works, as made necessary to bring the report into conformity with the changes to the Monterey County Assessment Roll, prior to finalization of the Monterey County Assessment Roll for FY 2011-12.

2. The estimated service charges set forth in the Written Report confirmed hereinabove are hereby levied in CSA 51 for FY 2011-12, with the following changes:

None, except for changes made necessary by changes to the final report as specified in paragraph 1, above.

PASSED AND ADOPTED on this 14th day of June, 2011, upon motion of Supervisor Calcagno, seconded by Supervisor Salinas by the following vote, to wit:

WHEREAS, California County Service Area Law, Government Code Section 25210, et seq., authorizes the establishment of County Service Areas (CSAs) for the provision of governmental services, including storm drain maintenance, and surface water disposal services, Monterey County Code Chapter 15.28 sets forth procedures for the levy and collection of service charges to pay for the provision of such governmental services; and

WHEREAS, pursuant to said law, Monterey County has established County Service Area No. 52 (CSA 52) – Carmel Valley Village to provide and pay for storm drain maintenance, and surface water disposal services, in that CSA; and

WHEREAS, to implement the foregoing provisions of the Government Code, Chapter 15.28 of the Monterey County Code provides for the collection of service charges for storm drain maintenance, surface water disposal services, and other governmental services in CSAs and establishes the procedures to be followed in levying the service charges; and

WHEREAS, pursuant to said provisions, the County has, in the past, levied service charges to fund the governmental services provided in CSA 52 and proposes to continue to levy such service charges; and

WHEREAS, pursuant to Monterey County Code, Sections 15.28.040 and 15.28.050, a Written Report of Service Charges for FY 2011-12 has been prepared by the Director of Public Works and filed with the Clerk of the Board of Supervisors, setting forth a description of each Assessor's Parcel of real property receiving storm drain maintenance, and surface water disposal services, the current basic rate for the service charges levied in CSA 52, and the estimated amount of the CSA 52 service charge for each Assessor's Parcel for the fiscal year; and

WHEREAS, said report is based upon the Monterey County Assessment Roll for FY 2011-12, which roll will not become final until after the assessments proposed here in are finally approved; and

WHEREAS, pursuant to Monterey County Code, Section 15.28.070, on June 14, 2011, the matter of adoption of continuation of the CSA 52 service charges came on regularly for hearing, at the time and place fixed for said hearing; and

WHEREAS, all objections or protests and other written communications were presented to the Board of Supervisors at said hearing, all persons desiring to be heard were given an opportunity to present testimony to the Board, and the Board heard and considered the evidence presented to it.

NOW, THEREFORE, BE IT RESOLVED by the Board of Supervisors of the County of Monterey as follows:

1. The above recitals are true and correct.
2. Based on the evidence before the Board, the Board finds that the service charges proposed to be imposed herein are apportioned by a formula or method which fairly distributes the charges among all Assessors' parcels subject to the charges in proportion to the estimated benefits to be received by each such parcel from the storm drain maintenance, and surface water disposal services.
3. The Board finds that this resolution imposes service charges by extending charges that existed before the passage of Proposition 218 and that the charges imposed herein are properly imposed under California Constitution, Article 13D, Section 6(b), as follows:
 - a. Revenues derived from the service charges imposed herein will be used solely to provide one or more property-related services, namely storm drain maintenance, and surface water disposal services.
 - b. Revenues derived from the service charges imposed herein will not exceed the funds required to provide the property-related services.
 - c. Revenues derived from the service charges imposed herein will not be used for any other purpose other than that for which the service charges are imposed.
 - d. The amount of the service charges imposed herein upon any parcel does not exceed the proportional cost of the services attributable to that parcel.
 - e. The service for which the charges are imposed herein will be used by, or be immediately available to, the owner of each property subject to the charge.
 - f. The charges imposed herein will not be used for any general governmental services (including, but not limited to, police, fire, ambulance, or library services) where the service is available to the public at large in substantially the same manner as it is to property owners.
4. Charges were imposed in this CSA for FY 2010-11 for the same purposes as are specified herein for FY 2011-12, and the charges imposed herein for FY 2011-12 do not exceed the charges imposed for FY 2010-11.
5. The Board further finds that because the charges imposed herein are existing charges which are being extended without increase over the charges in existence prior to the passage of Proposition 218, these charges are exempt from the notice, protest, and election requirements specified in the California Constitution, Article 13D, Section 6(a) and 6(c).

BE IT FURTHER RESOLVED by the Board of Supervisors of Monterey County as follows:

1. The Written Report filed herein for CSA 52 - Carmel Valley Village is hereby confirmed as the final report, with the following changes:

None, except only for such changes to such report as shall be made by the Director of Public Works, as made necessary to bring the report into conformity with the changes to the Monterey County Assessment Roll, prior to finalization of the Monterey County Assessment Roll for FY 2011-12.

2. The estimated service charges set forth in the Written Report confirmed hereinabove are hereby levied in CSA 52 for FY 2011-12, with the following changes:

Resolution No. 11-199

Adopt Resolution:

- a. Confirming County Service Area Written Report of Service Charges for FY 2011-12 to be levied in County Service Area No. 53 - Arroyo Seco - Las Coches and Guidotti Annex; and
- b. Levying Service Charges in County Service Area No. 53 - Arroyo Seco - Las Coches and Guidotti Annex for surface water disposal services to be provided in FY 2011-12.....

WHEREAS, County Service Area Law, California Government Code Section 25210, et seq., authorizes the establishment of County Service Areas (CSAs) for the provision of governmental services, including surface water disposal services, Monterey County Code Chapter 15.28 sets forth procedures for the levy and collection of service charges to pay for the provision of such governmental services; and

WHEREAS, pursuant to said law, Monterey County has established County Service Area No. 53 (CSA 53) – Arroyo Seco – Las Coches and Guidotti Annex to provide and pay for surface water disposal services in that CSA; and

WHEREAS, to implement the foregoing provisions of the Government Code, Chapter 15.28 of the Monterey County Code provides for the collection of service charges for surface water disposal and other governmental services in CSAs and establishes the procedures to be followed in levying the service charges; and

WHEREAS, pursuant to said provisions, the County has, in the past, levied service charges to fund the governmental services provided in CSA 53 and proposes to continue to levy such service charges; and

WHEREAS, pursuant to Monterey County Code, Sections 15.28.040 and 15.28.050, a Written Report of Service Charges for FY 2011-12 has been prepared by the Director of Public Works and filed with the Clerk of the Board of Supervisors, setting forth a description of each Assessor's Parcel of real property receiving surface water disposal services, the current basic rate for the service charges levied in CSA 53, and the estimated amount of the CSA 53 service charge for each Assessor's Parcel for the fiscal year; and

WHEREAS, said report is based upon the Monterey County Assessment Roll for FY 2011-12, which roll will not become final until after the assessments proposed herein are finally approved; and

WHEREAS, pursuant to Monterey County Code, Section 15.28.070, on June 14, 2011, the matter of adoption of continuation of the CSA 53 service charges came on regularly for hearing, at the time and place fixed for said hearing; and

WHEREAS, all objections or protests and other written communications were presented to the Board of Supervisors at said hearing, all persons desiring to be heard were given an opportunity to present testimony to the Board, and the Board heard and considered the evidence presented to it.

 - d. The amount of the service charges imposed herein upon any parcel does not exceed the proportional cost of the services attributable to that parcel.
 - e. The service for which the charges are imposed herein will be used by, or be immediately available to, the owner of each property subject to the charge.
 - f. The charges imposed herein will not be used for any general governmental services (including, but not limited to, police, fire, ambulance, or library services) where the service is available to the public at large in substantially the same manner as it is to property owners.
4. Charges were imposed in this CSA for FY 2010-11 for the same purposes as are specified herein for FY 2011-12, and the charges imposed herein for FY 2011-12 do not exceed the charges imposed for FY 2010-11.
5. The Board further finds that because the charges imposed herein are existing charges which are being extended without increase over the charges in existence prior to the passage of Proposition 218, these charges are exempt from the notice, protest, and election requirements specified in the California Constitution, Article 13D, Section 6(a) and 6(c).

BE IT FURTHER RESOLVED by the Board of Supervisors of Monterey County as follows:

1. The Written Report filed herein for CSA 56 – Del Mesa Carmel is hereby confirmed as the final report, with the following changes:

None, except only for such changes to such report as shall be made by the Director of Public Works, as made necessary to bring the report into conformity with the changes to the Monterey County Assessment Roll, prior to finalization of the Monterey County Assessment Roll for FY 2011-12.

 in FY 2011-12.....)

WHEREAS, California County Service Area Law, Government Code Section 25210, et seq., authorizes the establishment of County Service Areas (CSAs) for the provision of governmental services, including street lighting, storm drain maintenance, and surface water disposal services, Monterey County Code Chapter 15.28 sets forth procedures for the levy and collection of service charges to pay for the provision of such governmental services; and

WHEREAS, pursuant to said law, Monterey County has established County Service Area 58 (CSA 58) – Vista Dorado Subdivision to provide and pay for street lighting, storm drain maintenance, and surface water disposal services in that CSA; and

WHEREAS, to implement the foregoing provisions of the Government Code, Chapter 15.28 of the Monterey County Code provides for the collection of service charges for street lighting, storm drain maintenance, surface water disposal services, and other governmental services in CSAs and establishes the procedures to be followed in levying the service charges; and

WHEREAS, pursuant to said provisions, the County has, in the past, levied service charges to fund the governmental services provided in CSA 58 and proposes to continue to levy such service charges; and

WHEREAS, pursuant to Monterey County Code, Sections 15.28.040 and 15.28.050, a Written Report of Service Charges for FY 2011-12 has been prepared by the Director of Public Works and filed with the Clerk to the Board of Supervisors, setting forth a description of each Assessor's Parcel of real property receiving street lighting, street storm drain maintenance, surface water disposal services, and other governmental services, the current basic rate for the service charges levied in CSA 58, and the estimated amount of the CSA 58 service charge for each Assessor's Parcel for the fiscal year; and

WHEREAS, said report is based upon the Monterey County Assessment Roll for FY 2011-12, which roll will not become final until after the assessments proposed herein are finally approved; and

WHEREAS, pursuant to Monterey County Code, Section 15.28.070, on June 14, 2011, the matter of adoption of continuation of the CSA 58 service charges came on regularly for hearing, at the time and place fixed for said hearing; and

WHEREAS, all objections or protests and other written communications were presented to the Board of Supervisors at said hearing, all persons desiring to be heard were given an opportunity to present testimony to the Board, and the Board heard and considered the evidence presented to it.

NOW, THEREFORE, BE IT RESOLVED by the Board of Supervisors of the County of Monterey as follows:

1. The above recitals are true and correct.
2. Based on the evidence before the Board, the Board finds that the service charges proposed to be imposed herein are apportioned by a formula or method, which fairly distributes the charges among all Assessors' parcels subject to the charges in proportion to the estimated benefits to be received by each such parcel from the street lighting, storm drain maintenance, and surface water disposal services.
3. The Board finds that this resolution imposes service charges by extending charges that existed before the passage of Proposition 218 and that the charges imposed herein are properly imposed under California Constitution, Article 13D, Section 6(b), as follows:
 - a. Revenues derived from the service charges imposed herein will be used solely to provide one or more property-related services, namely street lighting, storm drain maintenance, and surface water disposal services.
 - b. Revenues derived from the service charges imposed herein will not exceed the funds required to provide the property-related services.
 - c. Revenues derived from the service charges imposed herein will not be used for any other purpose other than that for which the service charges are imposed.
 - d. The amount of the service charges imposed herein upon any parcel does not exceed the proportional cost of the services attributable to that parcel.
 - e. The service for which the charges are imposed herein will be used by, or be immediately available to, the owner of each property subject to the charge.
 - f. The charges imposed herein will not be used for any general governmental services (including, but not limited to, police, fire, ambulance, or library services) where the service is available to the public at large in substantially the same manner as it is to property owners.
4. Charges were imposed in this CSA for FY 2010-11 for the same purposes as are specified herein for FY 2011-12, and the charges imposed herein for FY 2011-12 do not exceed the charges imposed for FY 2010-11.
5. The Board further finds that because the charges imposed herein are existing charges which are being extended without increase over the charges in existence prior to the passage of Proposition 218, these charges are exempt from the notice, protest, and election requirements specified in the California Constitution, Article 13D, Sections 6(a) and 6(c).

BE IT FURTHER RESOLVED by the Board of Supervisors of Monterey County as follows:

1. The Written Report filed herein for CSA 58 – Vista Dorado Subdivision is hereby confirmed as the final report, with the following changes:

None, except only for such changes to such report as shall be made by the Director of Public Works, as made necessary to bring the report into conformity with the changes to the Monterey County Assessment Roll, prior to finalization of the Monterey County Assessment Roll for FY 2011-12.

2. The estimated service charges set forth in the Written Report confirmed hereinabove are hereby levied in CSA 58 for FY 2011-12, with the following changes:

None, except for changes made necessary by changes to the final report as specified in paragraph 1, above.

WHEREAS, California County Service Area Law, Government Code Section 25210, et seq., authorizes the establishment of County Service Areas (CSAs) for the provision of governmental services, including park and recreation, street lighting, street sweeping, street maintenance, storm drain maintenance, and surface water disposal services, Monterey County Code Chapter 15.28 sets forth procedures for the levy and collection of service charges to pay for the provision of such governmental services, and Government Code Section 25217 provides for the establishment of zones in a CSA, within which service charges may vary with the extent of benefit to each zone or with the availability of other funds within a zone; and

WHEREAS, pursuant to said law, Monterey County has established County Service Area No. 66 (CSA 66) – Oak Tree Views Subdivision and Las Lomas to provide and pay for park and recreation, street lighting, street sweeping, street maintenance, storm drain maintenance, and surface water disposal services, in that CSA and has established within CSA 66 the following zones to provide and pay for some or all such services in those zones:

Oak Tree Views Subdivision
Las Lomas

WHEREAS, to implement the foregoing provisions of the Government Code, Chapter 15.28 of the Monterey County Code provides for the collection of service charges for park and recreation, street lighting, street sweeping, street maintenance, storm drain maintenance, surface water disposal services, and other governmental services in CSAs and establishes the procedures to be followed in levying the service charges; and

WHEREAS, pursuant to said provisions, the County has, in the past, levied service charges to fund the governmental services provided in CSA 66 and proposes to continue to levy such service charges; and

WHEREAS, pursuant to Monterey County Code, Sections 15.28.040 and 15.28.050, a Written Report of Service Charges for FY 2011-12 has been prepared by the Director of Public Works and filed with the Clerk of the Board of Supervisors, setting forth a description of each Assessor's Parcel of real property receiving the park and recreation, street lighting, street sweeping, street maintenance, storm drain maintenance, and surface water disposal services, the current basic rate for the service charges levied in CSA 66 and the zones within CSA 66, and the estimated amount of the overall CSA 66 service charge and the zone charge for the fiscal year; and

WHEREAS, said report is based upon the Monterey County Assessment Roll for FY 2011-12, which roll will not become final until after the assessments proposed herein are finally approved; and

WHEREAS, On September 9, 1997, the Monterey County Board of Supervisors approved an agreement with Oak Tree Views Subdivision. The agreement authorized CSA 66 to levy an annual fee or charge in an amount not to exceed \$1,000 per lot for provision of property-related services to the single-family residential lots within the Oak Tree Views Subdivision. The agreement was intended by the signatory parties to be the full and complete compliance with the procedures and limitations set forth in Proposition 218 and its implementing legislation with respect to the adoption, implementation, and imposition of fees and charges set forth in that agreement. That agreement allows CSA 66 to raise service charges to a level not to exceed \$1,000 (with provisions for increasing that maximum in accordance with the Consumer Price Index). The proposed service charges in FY 2011-12 for CSA 66 for the Oak Tree Views Subdivision do not exceed \$1,000; and

WHEREAS, pursuant to Monterey County Code Section 15.28.070, on June 14, 2011, the matter of the adoption of continuation of CSA 66 service charges came on regularly for hearing, at the time and place fixed for said hearing; and

WHEREAS, all objections or protests and other written communications were presented to the Board of Supervisors at said meeting, all persons desiring to be heard were given an opportunity to present testimony to the Board, the Board heard and considered the evidence presented to it.

NOW, THEREFORE, BE IT RESOLVED by the Board of Supervisors of the County of Monterey as follows:

1. The above recitals are true and correct.
2. Based on the evidence before the Board, the Board finds that the service charges proposed to be imposed herein are apportioned by a formula or method which fairly distributes the charges among all Assessors' parcels subject to the charges in proportion to the estimated benefits to be received by each such parcel from the extended park and recreation, street lighting, street sweeping, street maintenance, storm drain maintenance, and surface water disposal services.
3. The Board finds that this resolution imposes service charges by extending charges that existed before the passage of Proposition 218 and that the charges imposed herein are properly imposed under California Constitution, Article 13D, Section 6(b), as follows:
 - a. Revenues derived from the service charges imposed herein will be used solely to provide one or more property-related services, namely park and recreation, street lighting, street sweeping, street maintenance, storm drain maintenance, and surface water disposal services.

FY 2011-12.....)

WHEREAS, California County Service Area Law, Government Code Section 25210, et seq., authorizes the establishment of County Service Areas (CSAs) for the provision of governmental services, including storm drain maintenance, and surface water disposal services, Monterey County Code Chapter 15.28 sets forth procedures for the levy and collection of service charges to pay for the provision of such governmental services; and

WHEREAS, pursuant to said law, Monterey County has established County Service Area No. 72 (CSA 72) – Las Palmas to provide and pay for storm drain maintenance, and surface water disposal services, in that CSA; and

WHEREAS, to implement the foregoing provisions of the Government Code, Chapter 15.28 of the Monterey County Code provides for the collection of service charges for storm drain maintenance, surface water disposal services, and other governmental services in CSAs and establishes the procedures to be followed in levying the service charges; and

WHEREAS, pursuant to said provisions, the County has, in the past, levied service charges to fund the governmental services provided in CSA 72 and proposes to continue to levy such service charges; and

WHEREAS, pursuant to Monterey County Code, Sections 15.28.040 and 15.28.050, a Written Report of Service Charges for FY 2011-12 has been prepared by the Director of Public Works and filed with the Clerk of the Board of Supervisors, setting forth a description of each Assessor's Parcel of real property receiving storm drain maintenance, and surface water disposal services, the current basic rate for the service charges levied in CSA 72, and the estimated amount of the CSA 72 service charge for each Assessor's Parcel for the fiscal year; and

WHEREAS, said report is based upon the Monterey County Assessment Roll for FY 2011-12, which roll will not become final until after the assessments proposed herein are finally approved; and

WHEREAS, pursuant to Monterey County Code, Section 15.28.070, on June 14, 2011, the matter of adoption of continuation of the CSA 72 service charges came on regularly for hearing, at the time and place fixed for said hearing; and

WHEREAS, all objections or protests and other written communications were presented to the Board of Supervisors at said hearing, all persons desiring to be heard were given an opportunity to present testimony to the Board, and the Board heard and considered the evidence presented to it.

NOW, THEREFORE, BE IT RESOLVED by the Board of Supervisors of the County of Monterey as follows:

1. The above recitals are true and correct.
2. Based on the evidence before the Board, the Board finds that the service charges proposed to be imposed herein are apportioned by a formula or method which fairly distributes the charges among all Assessors' parcels subject to the charges in proportion to the estimated benefits to be received by each such parcel from the storm drain maintenance, and surface water disposal services.
3. The Board finds that this resolution imposes service charges by extending charges that existed before the passage of Proposition 218 and that the charges imposed herein are properly imposed under California Constitution, Article 13D, Section 6(b), as follows:
 - a. Revenues derived from the service charges imposed herein will be used solely to provide one or more property-related services, namely storm drain maintenance, and surface water disposal services.
 - b. Revenues derived from the service charges imposed herein will not exceed the funds required to provide the property-related services.
 - c. Revenues derived from the service charges imposed herein will not be used for any other purpose other than that for which the service charges are imposed.
 - d. The amount of the service charges imposed herein upon any parcel does not exceed the proportional cost of the services attributable to that parcel.
 - e. The service for which the charges are imposed herein will be used by, or be immediately available to, the owner of each property subject to the charge.
 - f. The charges imposed herein will not be used for any general governmental services (including, but not limited to, police, fire, ambulance, or library services) where the service is available to the public at large in substantially the same manner as it is to property owners.
4. Charges were imposed in this CSA for FY 2010-11 for the same purposes as are specified herein for FY 2011-12, and the charges imposed herein for FY 2011-12 do not exceed the charges imposed for FY 2010-11.
5. The Board further finds that because the charges imposed herein are existing charges which are being extended without increase over the charges in existence prior to the passage of Proposition 218, these charges are exempt from the notice, protest, and election requirements specified in the California Constitution, Article 13D, Section 6(a) and 6(c).

BE IT FURTHER RESOLVED by the Board of Supervisors of Monterey County as follows:

1. The Written Report filed herein for CSA 72 – Las Palmas is hereby confirmed as the final report, with the following changes:

None, except only for such changes to such report as shall be made by the Director of Public Works, as made necessary to bring the report into conformity with the changes to the Monterey County Assessment Roll, prior to finalization of the Monterey County Assessment Roll for FY 2011-12.

2. The estimated service charges set forth in the Written Report confirmed hereinabove are hereby levied in CSA 72 for FY 2011-12, with the following changes:

None, except for changes made necessary by changes to the final report as specified in paragraph 1, above.

**Before the Board of Supervisors in and for the
County of Monterey, State of California**

Resolution No. 11-207

Adopt Resolution:

- a. Confirming County Service Area Written Report of Service Charges for FY 2011-12 to be levied in County Service Area No. 75 - Chualar; and
- b. Levying Service Charges in County Service Area No. 75 – Chualar for street lighting, storm drain maintenance, and surface water disposal services to be provided in FY 2011-12

WHEREAS, California County Service Area Law, Government Code Section 25210, et seq., authorizes the establishment of County Service Areas (CSAs) for the provision of governmental services, including street lighting, storm drain maintenance, and surface water disposal services, Monterey County Code Chapter 15.28 sets forth procedures for the levy and collection of service charges to pay for the provision of such governmental services; and

WHEREAS, pursuant to said law, Monterey County has established County Service Area No. 75 (CSA 75) – Chualar to provide and pay for street lighting, storm drain maintenance, and surface water disposal services, in that CSA; and

WHEREAS, to implement the foregoing provisions of the Government Code, Chapter 15.28 of the Monterey County Code provides for the collection of service charges for street lighting, storm drain maintenance, surface water disposal services, and other governmental services in CSAs and establishes the procedures to be followed in levying the service charges; and

WHEREAS, pursuant to said provisions, the County has, in the past, levied service charges to fund the governmental services provided in CSA 75 and proposes to continue to levy such service charges; and

WHEREAS, pursuant to Monterey County Code, Sections 15.28.040 and 15.28.050, a Written Report of Service Charges for FY 2011-12 has been prepared by the Director of Public Works and filed with the Clerk of the Board of Supervisors, setting forth a description of each Assessor's Parcel of real property receiving street lighting, storm drain maintenance, and surface water disposal services, the current basic rate for the service charges levied in CSA 75, and the estimated amount of the CSA 75 service charge for each Assessor's Parcel for the fiscal year; and

WHEREAS, said report is based upon the Monterey County Assessment Roll for FY 2011-12, which roll will not become final until after the assessments proposed herein are finally approved; and

WHEREAS, pursuant to Monterey County Code, Section 15.28.070, on June 14, 2011, the matter of adoption of continuation of the CSA 75 service charges came on regularly for hearing, at the time and place fixed for said hearing; and

WHEREAS, all objections or protests and other written communications were presented to the Board of Supervisors at said hearing, all persons desiring to be heard were given an opportunity to present testimony to the Board, and the Board heard and considered the evidence presented to it.

NOW, THEREFORE, BE IT RESOLVED by the Board of Supervisors of the County of Monterey as follows:

1. The above recitals are true and correct.
2. Based on the evidence before the Board, the Board finds that the service charges proposed to be imposed herein are apportioned by a formula or method, which fairly distributes the charges among all Assessors' parcels subject to the charges in proportion to the estimated benefits to be received by each such parcel from the street lighting, storm drain maintenance, and surface water disposal services.
3. The Board finds that this resolution imposes service charges by extending charges that existed before the passage of Proposition 218 and that the charges imposed herein are properly imposed under California Constitution, Article 13D, Section 6(b), as follows:
 - a. Revenues derived from the service charges imposed herein will be used solely to provide one or more property-related services, namely street lighting, storm drain maintenance, and surface water disposal services.
 - b. Revenues derived from the service charges imposed herein will not exceed the funds required to provide the property-related services.
 - c. Revenues derived from the service charges imposed herein will not be used for any other purpose other than that for which the service charges are imposed.
 - d. The amount of the service charges imposed herein upon any parcel does not exceed the proportional cost of the services attributable to that parcel.
 - e. The service for which the charges are imposed herein will be used by, or be immediately available to, the owner of each property subject to the charge.
 - f. The charges imposed herein will not be used for any general governmental services (including, but not limited to, police, fire, ambulance, or library services) where the service is available to the public at large in substantially the same manner as it is to property owners.
4. Charges were imposed in this CSA for FY 2010-11 for the same purposes as are specified herein for FY 2011-12, and the charges imposed herein for FY 2011-12 do not exceed the charges imposed for FY 2010-11.
5. The Board further finds that because the charges imposed herein are existing charges which are being extended without increase over the charges in existence prior to the passage of Proposition 218, these charges are exempt from the notice, protest, and election requirements specified in the California Constitution, Article 13D, Sections 6(a) and 6(c).

BE IT FURTHER RESOLVED by the Board of Supervisors of Monterey County as follows:

1. The Written Report filed herein for CSA 75 – Chualar is hereby confirmed as the final report, with the following changes:

None, except only for such changes to such report as shall be made by the Director of Public Works, as made necessary to bring the report into conformity with the changes to the Monterey County Assessment Roll, prior to finalization of the Monterey County Assessment Roll for FY 2011-12.

2. The estimated service charges set forth in the Written Report confirmed hereinabove are hereby levied in CSA 75 for FY 2011-12, with the following changes:

None, except for changes made necessary by changes to the final report as specified in paragraph 1, above.

PASSED AND ADOPTED on this 14th day of June, 2011, upon motion of Supervisor Calcagno, seconded by Supervisor Salinas by the following vote, to wit:

AYES: Supervisors Armenta, Calcagno, Salinas, and Parker

NOES: None
