1. **LICENSES AND PERMITS (If Applicable)** ~ The Contractor shall be an individual or firm licensed to do business in California and shall obtain, at his/her expense, all licenses and permits required by law for accomplishing any work required in connection with this Agreement.

If you are a Contractor located within the State of California, a business license from the City/County in which you are headquartered is necessary; however, if you are a corporation, a copy of your incorporation documents/letters from the Secretary of State's Office can be submitted. If you are a Contractor outside the State of California, you will need to submit to CDFW, a copy of your business license or incorporation papers for your respective State showing that your company is in good standing in that State.

In the event any licenses and/or permits expire at any time during the term of this Agreement, Contractor agrees to provide the California Department of Fish and Wildlife (CDFW) a copy of the renewed licenses and/or permits within thirty (30) days following the expiration date. In the event the Contractor fails to keep in effect, at all times, all required licenses and permits, the State may, in addition to any other remedies it may have, terminate this Agreement upon occurrence of such event.

2. **RIGHTS IN DATA** ~ The Contractor agrees that all data, plans, drawings, specifications, reports, computer programs, operating manuals, notes and other written or graphic work produced in the performance of this Agreement, are subject to the rights of the State as set forth in this section. The State shall have the right to reproduce, publish, and use all such work, or any part thereof, in any manner and for any purposes whatsoever and to authorize others to do so. If any such work is copyrightable, the Contractor may copyright the same, except that, as to any work which is copyrighted by the Contractor, the State reserves a royalty-free, nonexclusive and irrevocable license to reproduce, publish, and use such work, or any part thereof, and to authorize others to do so.
3. **RIGHT TO TERMINATE** ~ CDFW reserves the right to terminate this agreement subject to 30 days written notice to the Contractor. Contractor may submit a written request to terminate this agreement only if the State should substantially fail to perform its responsibilities as provided herein.

In this instance, the contract termination shall be effective as of the date indicated on the State's notification to the Contractor.

This agreement may be suspended or cancelled without notice, at the option of the Contractor, if the Contractor or State's premises or equipment are destroyed by fire or other catastrophe, or so substantially damaged that it is impractical to continue service.

4. **SETTLEMENT OF DISPUTES** ~ Unless otherwise provided in this Agreement, any dispute concerning a question of fact arising under this Agreement which cannot be resolved informally, shall be decided by the following two (2) step procedure:
 - a. The Contractor must provide written notice of the particulars of such disputes to the CDFW Contract Manager or appointed representative. The CDFW Contract Manager must respond, in writing, within ten (10) working days of receipt of the written notice of dispute.

Should the Contractor disagree with the CDFW Contract Manager's decision, the Contractor may appeal to the second level. Pending the decision on appeal the Contractor shall proceed diligently with the performance of this Agreement in accordance with the CDFW Contract Manager's decision.

- b. The second level appeal must indicate why the CDFW Contract Manager's decision is unacceptable, attaching it to the Contractor's original statement of the dispute with supporting documents, and a copy of the CDFW Contract Manager's response. This letter of appeal shall be sent to the California Department of Fish and Wildlife, Deputy Director, or duly appointed representative. The second level appeal must be filed within fifteen (15) working days upon receipt of the CDFW Contract Manager's decision. Failure to submit an appeal within the period specified shall constitute a waiver of all such rights to an adjustment of this Agreement. The Deputy Director, or designee, shall meet with the Contractor to review the issues raised. A written decision signed by the Deputy Director or designee, shall be returned to the Contractor within fifteen (15) working days of the receipt of the appeal. The decision of the Deputy Director, or designee, will be final.

Should this Agreement be terminated for any reason, or upon expiration and failure to negotiate hereof, all such property shall be returned to the State within the timeframe negotiated between the Contractor and the State. Prior written authorization by the CDFW Contract Manager shall be required before the Contractor will be reimbursed for any property purchases not specified in the Budget. Before property purchases made by the Contractor are reimbursed by CDFW, the Contractor shall submit paid vendor receipts identifying the Agreement number, purchase price, description of the item, serial number, model number, and location, including street address where property

CDFW reserves the right, at any time, to evaluate the cost of property and reimburse at an amount equal to costs reflected in but not limited to Agreements the State Department of General Services, Procurement Division has negotiated with vendors who supply the same type of property. The Contractor shall tag all acquisitions. The purpose of tagging assets is to designate the assets as belonging to the State.

Upon termination, expiration or failure to negotiate renewal of this Agreement, all property purchased with Agreement funds shall promptly be returned to the State. The Contractor shall prepare an inventory of State Furnished Property report and submit to the State and shall at that time query the CDFW Contract Manager as to the State's requirements, including the manner and method, in returning said property to the State. The Contractor shall adjust their property records and retain a copy of the Property Survey Report as documentation.

Losses of State property due to fraud or embezzlement shall be reported in the same manner as described above. The Contractor shall be charged with any loss and damages to State property due to the Contractor's negligence. The Contractor shall, at the request of the State, submit an inventory of property furnished or purchased under the terms of this Agreement. Such inventory will be required not more frequently than annually.

7. **INCOME RESTRICTIONS** ~ The Contractor agrees that any refunds, rebates, credits, or other amounts (including any interest thereon) accruing to or received by the Contractor under this Agreement shall be paid by the Contractor to CDFW, to the extent that they are properly allocable to costs for which the Contractor has been reimbursed by CDFW under this Agreement.

Contract Manager and the CDFW Contract Manager has approved such substitution. At a minimum, the request must include:

- a. A written explanation of the reason for the substitution; and
- b. The identity of the person or firm substituted.

The request and the CDFW Contract Manager's approval is not to be construed as an excuse for noncompliance with any other provision of law, including but not limited to the subletting and subcontracting Fair Practices Act or any other Agreement requirements relating to the substitution of subcontractors. Failure to adhere to at least the level of participation for DVBE proposed by the Contractor may be cause for Agreement termination and recovery of damages under the rights and remedies due the State.

10. **DISCLOSURE REQUIREMENTS** ~ Any document or written report prepared in whole or in part pursuant to this Agreement shall contain a disclosure statement indicating that the document or written report was prepared through an Agreement with CDFW. Further, any subcontract in excess of \$100,000 entered into as a result of this Agreement shall contain all applicable provisions stipulated in this Agreement.

12. **POTENTIAL SUBCONTRACTOR(S)** ~ Nothing contained in this Agreement or otherwise shall create any contractual relation between the State and any subcontractor(s) and no subcontract shall relieve the primary Contractor of its responsibilities and obligations hereunder. The

Contractor agrees to be as fully responsible to the State for the acts and omissions of its subcontractor(s) and of persons directly employed or indirectly employed by any of them as it is

for the acts and omissions of persons directly employed by the Contractor. The Contractor's obligation to pay its subcontractor(s) is an independent obligation from the State's obligation to make payments to the primary Contractor. As a result, the State shall have no obligation to pay or to enforce the payment of any monies to any subcontractor.

13. **TRAVEL AND PER DIEM** ~ The Contractor agrees that all travel and per diem paid its employees under this Agreement shall be at rates not to exceed those amounts paid to the nonrepresented/excluded State employees.
