**CONFLICT OF INTEREST CODE
OF THE
NORTH COUNTY RECREATION AND PARK DISTRICT**

The Political Reform Act of 1974 (Government Code sections 81000, et seq.) requires state and local government agencies to adopt and promulgate conflict of interest codes. The Fair Political Practices Commission has adopted a regulation, section 18730 of Title 2 of the California Code of Regulations, which contains the terms of a standard conflict of interest code that can be incorporated by reference in an agency's code. After public notice and hearing, the Fair Political Practices Commission may amend the standard code to conform to amendments of the Political Reform Act. Therefore, the terms of section 18730 of title 2 of the California Code of Regulations and any amendments to it duly adopted by the Fair Political Practices Commission together with the attached Appendices designating positions and establishing disclosure categories are hereby incorporated by reference and together constitute the Conflict of Interest Code of the NORTH COUNTY RECREATION AND PARK DISTRICT (hereafter "Agency").

Individuals holding designated positions shall file their statement of economic interests with the BOARD OF SUPERVISORS OF THE COUNTY OF MONTEREY, which will make the statements available for public inspection and reproduction pursuant to Government Code section 81008. Upon receipt of the statements for the Board of Directors and General Manager, the Agency shall make and retain copies and forward the original of the statements to the code reviewing body. Statements for all other designated positions shall be retained by the Agency.

Consultants to the DISTRICT shall be subject to disclosure under Category 1, subject to the following limitation:

The GENERAL MANAGER OF THE DISTRICT may determine in writing that a particular consultant, although a "designated position," is hired to perform a range of duties that is limited in scope and thus is not required to comply with the disclosure requirements of Category 1. In such cases, the GENERAL MANAGER OF THE DISTRICT may designate a different disclosure requirement. Such determination must be made in writing and shall include a description of the consultant's duties and, based upon that description, a statement of the extent of the consultant's disclosure requirements. Such determination by the GENERAL MANAGER OF THE DISTRICT is a public record and shall be retained for public inspection in the same manner and location as the Agency's Conflict of Interest Code.
