## EXHIBIT A-2 - SCOPE OF SERVICES / PAYMENT PROVISIONS

### PARAISO SPRINGS RESORT EIR PSA AMENDMENT NO. 2

#### *Task 1 Peer Review/Analysis of 10 Special-Status Plant and Animal Species and Incorporation into EIR*

EMC Planning Group biologists recently updated biological database searches (maintained by the California Department of Fish and Wildlife, California Native Plant Society, and U.S. Fish & Wildlife Service) for the project vicinity to determine which special-status species known to occur in the region were not included in the existing project biological analysis. This need to update the searches and analysis of results is often the case when such database searches become dated over the years and do not include recent species occurrence records. Adding any newly recorded species known to occur in the project vicinity into the special-status species table and EIR biological resources section, and analyzing the potential for each additional species to occur and related anticipated project impacts/mitigation, is outside the existing scope of work, which is the reason for this amendment.

The February 2013 updated database searches yielded 10 special-status species that will now be addressed to complete the special-status species project analysis. These species will be analyzed and then added to the EIR biological resources section, both in the special-status species table/information section and impact/mitigation sections. These species include five animals (burrowing owl, California condor, coast horned lizard, golden eagle, and silvery legless lizard) and five plants (chaparral ragwort, Hickman's checkerbloom, San Francisco collinsia, Santa Cruz Mountains pussypaws, and San Lucia dwarf rush) that had not yet been addressed for this project site. Also, the common and scientific names and, in some cases, listing status for several species have changed since the previous searches and EIR preparation, which will also be updated in the special-status species table and throughout the EIR biological resources section.

This task includes a detailed peer review of recently provided background research and biological survey report findings prepared by Regan Biological and Horticultural Consulting regarding the 10 species (including adequacy determination, recommendations and revised/expanded mitigation measures, as necessary), update of all applicable tables and exhibits, and the addition of relevant summary and reference information into the EIR biological resources section.

### ***Task 2 Peer Review/Analysis of Stream Channel Impact Additional Information and Incorporation into EIR***

As approved in Task 3 of PSA Amendment No. 1 (stream channel modification analysis), EMC Planning Group biologists have been working to incorporate stream channel analysis impact information into the EIR biological resources section, assimilating fragmented information from multiple provided sources. Since then, new information has been provided, and the review and analysis of this new stream channel modification information and its addition into the EIR biological resources section, and preparation of mitigation necessary to address anticipated project impacts, is outside the existing scope of work, which is the reason for this amendment.

Based on recently provided additional information, new reports provided by the Applicant will be peer reviewed and incorporated into the EIR biological resources section. Also, appropriate new mitigation measures will be developed in the EIR to holistically address stream channel modification impacts.

This task includes a detailed peer review of recently provided biological survey report findings prepared by CH2MHill and WRA Environmental Consultants regarding proposed project impacts on the stream channel, and on associated trees and riparian vegetation. These impacts are associated with several aspects of the proposed project, including: installation of three new bridges, removal of four culverts, installation of a new pond, and development encroaching into the County-mandated 50-foot stream channel setback.

### ***Implementation Approach***

The two tasks outlined above involve several basic components:

- Task coordination and client communication – coordinate with project staff and the client to accomplish the overall tasks in a timely and thorough manner.
- Detailed peer review and independent analysis of findings for the new biological and stream channel modification/riparian impact assessment reports recently prepared for the Applicant (Regan Biological and Horticultural Consulting [April 11, 2005], CH2MHill [April 10, 2013], and WRA Environmental Consultants [April 26, 2013]) for completeness and adequacy. This task will involve the following subtasks:
  - Database occurrence record reviews for 10 species – review occurrence record information for the additional 10 species, which will reveal when and where in the project vicinity each species was observed, along with habitat condition information and number of individuals documented.

## EXHIBIT A-2 - SCOPE OF SERVICES / PAYMENT PROVISIONS

PARAISO SPRINGS RESORT EIR PSA AMENDMENT NO. 2

- In conjunction with the new report findings, confirm the potential for occurrence of the ten species at the project site. Incorporating the information gained during the record review, review habitat suitability requirements for each species to determine the potential for each species to occur on the project site and within the proposed impact area.
- Assess the stream channel modification impact summaries to determine whether all applicable components are thoroughly addressed.
- If the information submitted is incomplete or if there is inadequate supporting documentation for the findings, EMC Planning Group will provide a technical memorandum to the County outlining the deficiencies and providing recommendations.
- Update of outdated nomenclature throughout the EIR biological resources section and special-status species table: review the common and scientific names for all special-status species and update wherever this information has been changed, reorder the table as appropriate due to name changes, and confirm/update current listing status for all special-status species. Also, peer review and incorporate any pertinent findings of the recent Applicant's three consulting biologist and stream channel modification reports.
- Inclusion of new species background information: add the ten additional species into the special-status species table, including listing status, habitat requirements, and potential to occur. For those new species that may be impacted by the proposed project, add detailed species-specific descriptive information into the report text in the appropriate locations. Similarly, add new information regarding the proposed stream channel modifications.
- Analysis of anticipated species/stream channel impacts and mitigation development – for the channel and those new species that may be impacted by the proposed project, add the biological resource impact analysis information and develop mitigation measures that will lessen any potentially significant impacts to a less than significant level.
- Quality control review of new information for report consistency: perform a final review of the updated biological resources section to confirm that the information added for the ten species and stream channel modification is consistent with the order, style, and format of the rest of the section. Proofread and revise this new text as needed.

## BUSINESS AUTO COVERAGE FORM

Various provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Throughout this policy the words "you" and "your" refer to the Named Insured shown in the Declarations. The words "we", "us" and "our" refer to the company providing this insurance.

Other words and phrases that appear in quotation marks have special meaning. Refer to Section V – Definitions.

### SECTION I – COVERED AUTOS

Item Two of the Declarations shows the "autos" that are covered "autos" for each of your coverages. The following numerical symbols describe the "autos" that may be covered "autos". The symbols entered next to a coverage on the Declarations designate the only "autos" that are covered "autos".

#### A. Description Of Covered Auto Designation Symbols

Symbol	Description Of Covered Auto Designation Symbols	
1	Any "Auto"

3	Owned Private Passenger "Autos" Only	Only the private passenger "autos" you own. This includes those private passenger "autos" you acquire ownership of after the policy begins.
4	Owned "Autos" Other Than Private Passenger "Autos" Only	Only those "autos" you own that are not of the private passenger type (and for Liability Coverage any "trailers" you don't own while attached to power units you own). 6	Owned "Autos" Subject To A Compulsory Uninsured Motorists Law	Only those "autos" you own that because of the law in the state where they are licensed or principally garaged are required to have and cannot reject Uninsured Motorists Coverage. -----------	--	---

**B. Owned Autos You Acquire After The Policy Begins**

1. If Symbols 1, 2, 3, 4, 5, 6 or 19 are entered next to a coverage in Item Two of the Declarations, then you have coverage for "autos" that you acquire of the type described for the remainder of the policy period.
2. But, if Symbol 7 is entered next to a coverage in Item Two of the Declarations, an "auto" you acquire will be a covered "auto" for that coverage only if:
  - a. We already cover all "autos" that you own for that coverage or it replaces an "auto" you previously owned that had that coverage; and
  - b. You tell us within 30 days after you acquire it that you want us to cover it for that coverage.

**C. Certain Trailers, Mobile Equipment And Temporary Substitute Autos**

If Liability Coverage is provided by this coverage form, the following types of vehicles are also covered "autos" for Liability Coverage:

1. "Trailers" with a load capacity of 2,000 pounds or less designed primarily for travel on public roads.
2. "Mobile equipment" while being carried or towed by a covered "auto".
3. Any "auto" you do not own while used with the permission of its owner as a temporary substitute for a covered "auto" you own that is out of service because of its:

  - b. Repair;
  - c. Servicing;
  - d. "Loss"; or
  - e. Destruction.

**SECTION II – LIABILITY COVERAGE**

**A. Coverage**

We will pay all sums an "insured" legally must pay as damages because of "bodily injury" or "property damage" to which this insurance applies, caused by an "accident" and resulting from the ownership, maintenance or use of a covered "auto".

We will also pay all sums an "insured" legally must pay as a "covered pollution cost or expense" to which this insurance applies, caused by an "accident" and resulting from the ownership, maintenance or use of covered "autos". However, we will only pay for the "covered pollution cost or expense" if there is either "bodily injury" or "property damage" to which this insurance applies that is caused by the same "accident".

We have the right and duty to defend any "insured" against a "suit" asking for such damages or a "covered pollution cost or expense". However, we have no duty to defend any "insured" against a "suit" seeking damages for "bodily injury" or "property damage" or a "covered pollution cost or expense" to which this insurance does not apply. We may investigate and settle any claim or "suit" as we consider appropriate. Our duty to defend or settle ends when the Liability Coverage Limit of Insurance has been exhausted by payment of judgments or settlements.

**1. Who Is An Insured**

The following are "insureds":

- a. You for any covered "auto".
- b. Anyone else while using with your permission a covered "auto" you own, hire or borrow except:

(1) The owner or anyone else from whom you hire or borrow a covered "auto".

This exception does not apply if the covered "auto" is a "trailer" connected to a covered "auto" you own.

- (2) Your "employee" if the covered "auto" is owned by that "employee" or a member of his or her household.
- (3) Someone using a covered "auto" while he or she is working in a business of selling, servicing, repairing, parking or storing "autos" unless that business is yours.
- (4) Anyone other than your "employees", partners (if you are a partnership), members (if you are a limited liability company) or a lessee or borrower or any of their "employees", while moving property to or from a covered "auto".
- (5) A partner (if you are a partnership) or a member (if you are a limited liability company) for a covered "auto" owned by him or her or a member of his or her household.

c. Anyone liable for the conduct of an "insured" described above but only to the extent of that liability.

## 2. Coverage Extensions

### a. Supplementary Payments

We will pay for the "insured":

- (1) All expenses we incur.
- (2) Up to \$2,000 for cost of bail bonds (including bonds for related traffic law violations) required because of an "accident" we cover. We do not have to furnish these bonds.
- (3) The cost of bonds to release attachments in any "suit" against the "insured" we defend, but only for bond amounts within our Limit of Insurance.
- (4) All reasonable expenses incurred by the "insured" at our request, including actual loss of earnings up to \$250 a day because of time off from work.
- (5) All court costs taxed against the "insured" in any "suit" against the "insured" we defend. However, these payments do not include attorneys' fees or attorneys' expenses taxed against the "insured".
- (6) All interest on the full amount of any judgment that accrues after entry of the judgment in any "suit" against the "insured" we defend, but our duty to pay interest ends when we have paid, offered to pay or deposited in court the part of the judgment that is within our Limit of Insurance.

These payments will not reduce the Limit of Insurance.

### b. Out-of-state Coverage Extensions

While a covered "auto" is away from the state where it is licensed we will:

- (1) Increase the Limit of Insurance for Liability Coverage to meet the limits specified by a compulsory or financial responsibility law of the jurisdiction where the covered "auto" is being used. This extension does not apply to the limit or limits specified by any law governing motor carriers of passengers or property.
- (2) Provide the minimum amounts and types of other coverages, such as no-fault, required of out-of-state vehicles by the jurisdiction where the covered "auto" is being used.

We will not pay anyone more than once for the same elements of loss because of these extensions.

#### C. Limit Of Insurance

Regardless of the number of covered "autos", "insureds", premiums paid, claims made or vehicles involved in the "accident", the most we will pay for the total of all damages and "covered pollution cost or expense" combined resulting from any one "accident" is the Limit of Insurance for Liability Coverage shown in the Declarations.

All "bodily injury", "property damage" and "covered pollution cost or expense" resulting from continuous or repeated exposure to substantially the same conditions will be considered as resulting from one "accident".

No one will be entitled to receive duplicate payments for the same elements of "loss" under this coverage form and any Medical Payments Coverage endorsement, Uninsured Motorists Coverage endorsement or Underinsured Motorists Coverage endorsement attached to this Coverage Part.

## SECTION IV – BUSINESS AUTO CONDITIONS

The following conditions apply in addition to the Common Policy Conditions:

### A. Loss Conditions

#### 1. Appraisal For Physical Damage Loss

If you and we disagree on the amount of "loss", either may demand an appraisal of the "loss". In this event, each party will select a competent appraiser. The two appraisers will select a competent and impartial umpire. The appraisers will state separately the actual cash value and amount of "loss". If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

- a. Pay its chosen appraiser; and
- b. Bear the other expenses of the appraisal and umpire equally.

If we submit to an appraisal, we will still retain our right to deny the claim.

#### 2. Duties In The Event Of Accident, Claim, Suit Or Loss

We have no duty to provide coverage under this policy unless there has been full compliance with the following duties:

- a. In the event of "accident", claim, "suit" or "loss", you must give us or our authorized representative prompt notice of the "accident" or "loss". Include:
  - (1) How, when and where the "accident" or "loss" occurred;
  - (2) The "insured's" name and address; and
  - (3) To the extent possible, the names and addresses of any injured persons and witnesses.
- b. Additionally, you and any other involved "insured" must:
  - (1) Assume no obligation, make no payment or incur no expense without our consent, except at the "insured's" own cost.
  - (2) Immediately send us copies of any request, demand, order, notice, summons or legal paper received concerning the claim or "suit".
  - (3) Cooperate with us in the investigation or settlement of the claim or defense against the "suit".
  - (4) Authorize us to obtain medical records or other pertinent information.

- (5) Submit to examination, at our expense, by physicians of our choice, as often as we reasonably require.

- c. If there is "loss" to a covered "auto" or its equipment you must also do the following:

- (1) Promptly notify the police if the covered "auto" or any of its equipment is stolen.
- (2) Take all reasonable steps to protect the covered "auto" from further damage. Also keep a record of your expenses for consideration in the settlement of the claim.
- (3) Permit us to inspect the covered "auto" and records proving the "loss" before its repair or disposition.
- (4) Agree to examinations under oath at our request and give us a signed statement of your answers.

#### 3. Legal Action Against Us

No one may bring a legal action against us under this coverage form until:

- a. There has been full compliance with all the terms of this coverage form; and
- b. Under Liability Coverage, we agree in writing that the "insured" has an obligation to pay or until the amount of that obligation has finally been determined by judgment after trial. No one has the right under this policy to bring us into an action to determine the "insured's" liability.

#### 4. Loss Payment – Physical Damage Coverages

At our option we may:

- a. Pay for, repair or replace damaged or stolen property;
- b. Return the stolen property, at our expense. We will pay for any damage that results to the "auto" from the theft; or
- c. Take all or any part of the damaged or stolen property at an agreed or appraised value.

If we pay for the "loss", our payment will include the applicable sales tax for the damaged or stolen property.

#### 5. Transfer Of Rights Of Recovery Against Others To Us

If any person or organization to or for whom we make payment under this coverage form has rights to recover damages from another, those rights are transferred to us. That person or organization must do everything necessary to secure our rights and must do nothing after "accident" or "loss" to impair them.

## B. General Conditions

### 1. Bankruptcy

Bankruptcy or insolvency of the "insured" or the "insured's" estate will not relieve us of any obligations under this coverage form.

### 2. Concealment, Misrepresentation Or Fraud

This coverage form is void in any case of fraud by you at any time as it relates to this coverage form. It is also void if you or any other "insured", at any time, intentionally conceal or misrepresent a material fact concerning:

- a. This coverage form;
- b. The covered "auto";
- c. Your interest in the covered "auto"; or
- d. A claim under this coverage form.

### 3. Liberalization

If we revise this coverage form to provide more coverage without additional premium charge, your policy will automatically provide the additional coverage as of the day the revision is effective in your state.

### 4. No Benefit To Bailee – Physical Damage Coverages

We will not recognize any assignment or grant any coverage for the benefit of any person or organization holding, storing or transporting property for a fee regardless of any other provision of this coverage form.

### 5. Other Insurance

a. For any covered "auto" you own, this coverage form provides primary insurance. For any covered "auto" you don't own, the insurance provided by this coverage form is excess over any other collectible insurance. However, while a covered "auto" which is a "trailer" is connected to another vehicle, the Liability Coverage this coverage form provides for the "trailer" is:

- (1) Excess while it is connected to a motor vehicle you do not own.
- (2) Primary while it is connected to a covered "auto" you own.

b. For Hired Auto Physical Damage Coverage, any covered "auto" you lease, hire, rent or borrow is deemed to be a covered "auto" you own. However, any "auto" that is leased, hired, rented or borrowed with a driver is not a covered "auto".

c. Regardless of the provisions of Paragraph a. above, this coverage form's Liability Coverage is primary for any liability assumed under an "insured contract".

d. When this coverage form and any other coverage form or policy covers on the same basis, either excess or primary, we will pay only our share. Our share is the proportion that the Limit of Insurance of our coverage form bears to the total of the limits of all the coverage forms and policies covering on the same basis.

### 6. Premium Audit

- a. The estimated premium for this coverage form is based on the exposures you told us you would have when this policy began. We will compute the final premium due when we determine your actual exposures. The estimated total premium will be credited against the final premium due and the first Named Insured will be billed for the balance, if any. The due date for the final premium or retrospective premium is the date shown as the due date on the bill. If the estimated total premium exceeds the final premium due, the first Named Insured will get a refund.
- b. If this policy is issued for more than one year, the premium for this coverage form will be computed annually based on our rates or premiums in effect at the beginning of each year of the policy.

### 7. Policy Period, Coverage Territory

Under this coverage form, we cover "accidents" and "losses" occurring:

- a. During the policy period shown in the Declarations; and
- b. Within the coverage territory.

The coverage territory is:

- (1) The United States of America;
- (2) The territories and possessions of the United States of America;
- (3) Puerto Rico;
