RE: Appeal by Public Water Now of
PLN150889

Honorable John Phillips and Monterey County Supervisors

Soon after the announcement was made of the hearing on the above-referenced appeal for July 9, 2019, I was asked to represent the Appellant. I agreed to do so but informed the group I was leaving on July 10 to volunteer for a month at the Human Rights Centre in Arusha, Tanzania, followed by a 3-week safari trek to the Serengetti Plain. I return September 5.

This information was conveyed to the Planning Director but evidently no further. The recent proposed change of the hearing date to July 15, 2019, means my client has no legal representation available on that date. Please reinstate the July 9 hearing date or continue the hearing date to the first date when my client has legal counsel, which would be September 10. Alternatively, a hearing on July 8 would also work.

Sincerely,

Alexander Henson
