Dear Mr. Bishop:

This letter confirms the interest of Monterey County dba Natividad Medical Center, a governmental entity, federal I.D. Number 94-6000524, in working with Central California Alliance for Health (hereafter, "the MCP") and the California Department of Health Care Services (DHCS) to participate in the Voluntary Rate Range Program, including providing an Intergovernmental Transfer (IGT) to DHCS to be used as a portion of the non-federal share of actuarially sound Medi-Cal managed care capitation rate payments incorporated into the contract between the MCP and DHCS for the service period of January 1, 2023 through December 31, 2023. This is a non-binding letter, stating our interest in helping to finance health improvements for Medi-Cal beneficiaries receiving services in our jurisdiction. The governmental entity's funds are being provided voluntarily, and the State of California is in no way requiring the governmental entity to provide any funding.

Natividad Medical Center is willing to contribute up to 77.25% of the total funding available across all aid codes including Non-MCE and MCE, or equivalent, for the Calendar Year 2023 (January 1, 2023 – December 31, 2023) as negotiated with the MCP. We recognize that, unless a waiver is approved by DHCS, there will be an additional 20-percent assessment fee payable to DHCS on the funding amount, for the administrative costs of operating the voluntary rate range program.

The following individual from our organization will serve as the point of communication between our organization, the MCP and DHCS on this issue:

Daniel Leon, Chief Financial Officer
Natividad Medical Center
1441 Constitution Blvd.
Salinas, CA 93906
(831) 783-2561, LeonD@natividad.com

I certify that I am authorized to sign this certification on behalf of the governmental entity and that the statements in this letter are true and correct.

Sincerely,
