 - 3.2. NMC reserves the right to cancel this Agreement, or an extension of this Agreement, without cause, with a thirty (30) day written notice, or with cause immediately.
4. **ADDITIONAL PROVISIONS/EXHIBITS.** The following attached exhibits are incorporated herein by reference and constitute a part of this Agreement:

Exhibit A: Scope of Services/Payment Provisions
5. **PERFORMANCE STANDARDS.**
 - 5.1. CONTRACTOR warrants that CONTRACTOR and Contractor's agents, employees, and subcontractors performing services under this Agreement are specially trained, experienced, competent, and appropriately licensed to perform the work and deliver the services required under this Agreement and are not employees of NMC, or immediate family of an employee of NMC.

5.2. CONTRACTOR, its agents, employees, and subcontractors shall perform all work in a safe and skillful manner and in compliance with all applicable laws and regulations. 6.2. Negotiations for rate changes shall be commenced, by CONTRACTOR, a minimum of ninety (90) days prior to the expiration of the Agreement. Rate changes are not binding unless mutually agreed upon in writing by the County (NMC) and the CONTRACTOR.

6.3. CONTRACTOR shall not receive reimbursement for travel expenses unless set forth in this Agreement, and then only in accordance with any applicable County policies.

6.4. Invoice amounts shall be billed directly to the ordering department.

In the event of such termination, the amount payable under this Agreement shall be reduced in proportion to the services provided prior to the date of termination.

7.2. NMC may cancel and terminate this Agreement for good cause effective immediately upon written notice to Contractor. "Good cause" includes the failure of CONTRACTOR to perform the required services at the time and in the manner provided under this Agreement. The cost to NMC shall be deducted from any sum due the CONTRACTOR under this Agreement.

7.3 NMC's payments to CONTRACTOR under this Agreement are funded by local, state and federal governments. If funds from local, state and federal sources are not obtained and continued at a level sufficient to allow for NMC's purchase of the indicated quantity of services, then NMC may give written notice of this fact to CONTRACTOR, and the obligations of the parties under this Agreement shall terminate immediately, or on such date thereafter, as the County may specify in its notice, unless in the meanwhile the parties enter into a written amendment modifying this Agreement.

Introduced: 4/21/2015

Current Status: Agenda Ready

Matter Type: BoS Agreement

RECOMMENDATION:

It is recommended the Board of Supervisors:

Authorize the Deputy Purchasing Agent for Natividad Medical Center (NMC) to execute an Agreement with Mobile Instrument Service and Repair Inc. for Repair and Maintenance of Surgical Instruments at NMC for an amount not to exceed \$270,000 for the period May 5, 2015 through May 4, 2018.

DISCUSSION:

Mobile Instrument Service and Repair Inc. provides comprehensive services for repairing instruments and "scopes" which are needed by Natividad Medical Center departments to assure that certain equipment used for surgical procedures are fully functional. Critical areas where these services are needed include Surgery Department, Labor and Delivery Department as well as the emergency room. These services are beneficial to NMC because quality functioning instruments and scopes are required for surgical procedures.

NMC currently owns the following types of "scopes", all of which require servicing:

Cystoscopes - allows the surgeon to visualize the inside of the bladder

Ureteroscopes - allows the surgeon to visualize the inside of the ureter

Laparoscopes - allows the surgeon to visualize the abdominal contents when performing abdominal surgeries such as appendectomy, cholecystectomy, or gastric bypass

Arthroscopes - allows the surgeon to visualize the joint spaces

Endoscopes - these scopes are used for endoscopy procedures such as gastroscopy and colonoscopy.

Mobile Instrument Service and Repair Inc. carries the industry's largest inventory of replacement parts and is able to provide NMC with repairs to scopes that other vendors are unable to service. Mobile Instrument Service and Repair Inc. use only brand new, medical grade parts which meet or exceed OEM standards when making repairs on equipment.

Scope repair is essential to ensure functioning scopes are on hand. Cracked lenses and bent metal shafts can be quickly serviced by the vendor. These scopes require frequent maintenance to assure the lenses remain clear, the shafts of the scope remain straight and the fibers remain intact. The onsite repair for the rigid scopes is extremely beneficial because they can be returned to service quickly and reduces NMC's down time. The simple repairs provided by Mobile Instrument Service and Repair Inc. are also beneficial because it extends the life of NMC's scopes and their usefulness can be prolonged negating the need for purchasing replacements.

Monitoring the performance of the contractor will be done using logging sheets when instruments or scopes are sent for repair, assuring the deadlines referenced in the contract are met (on site repairs will be returned the same day and offsite returned within 10-15 business days).

OTHER AGENCY INVOLVEMENT:

County Counsel has reviewed and approved this Agreement as to legal form and risk provisions, and the Auditor-Controller has reviewed and approved as to payment provisions. The Agreement has also been reviewed and approved by NMC's Finance Committee on March 26th, 2015 and by its Board of Trustees on April 3, 2015.

FINANCING:

The cost for this Agreement is \$270,000 of which \$22,500 is included in the Fiscal Year 2014-15 Adopted Budget. Amounts for remaining years of the Agreement will be included in those budgets as appropriate. There is no impact to the General Fund.
