

AGREEMENT

Division 00500

THIS AGREEMENT is made by and between COUNTY OF MONTEREY, a political subdivision of the State of California, hereinafter called "COUNTY," and GRANITE ROCK COMPANY hereinafter called "CONTRACTOR." For reference purposes, the date of this Agreement is the date it is executed by the Public Works Director.

COUNTY AND CONTRACTOR hereby agree as follows:

ARTICLE 1. SCOPE OF WORK

This Job Order Contract (JOC) is an indefinite quantity contract pursuant to which Contractor will perform a variety of Job Orders, consisting of specific construction tasks. The scope of this JOC is for general construction, repair, remodel, and other repetitive related work. County has published a Construction Task Catalog[®] (CTC) containing a series of construction tasks with preset Unit Prices. The CTC was developed using experienced labor and high quality materials. All Unit Prices are based on local labor, material, and equipment prices including the current prevailing wages. Contractor will bid Adjustment Factors to be applied to the Unit Prices. The price of an individual Job Order will be determined by multiplying the preset Unit Prices and the appropriate quantities by the appropriate Adjustment Factor.

The scope of Work for this Contract will be determined by the Detailed Scopes of Work issued in connection with individual Job Orders. The Scope of Work (SOW), for each Job Order will be explained to Contractor at a Joint Scope Meeting. County will provide a Request for Job Order Proposal and Detailed SOW to Contractor. Contractor will be required to review the Detailed SOW and develop a Price Proposal using appropriate tasks, quantities and the applicable Adjustment Factor. County will review Contractor's Proposal in detail and if found to be reasonable and acceptable, a Job Order may be issued. The agreed-upon price will be fixed price for the performance of the Detailed SOW.

CONTRACTOR shall, within the time stipulated, perform the contract **checked below** as herein defined and shall furnish all work, labor, equipment, transportation, material, and services to construct and complete in a good, expeditious, workmanlike, and substantial manner, the project:

- PROJECT NO. JOC, BID NO. ROADS & BRIDGES 2015-01.
- PROJECT NO. JOC, BID NO. ROADS & BRIDGES 2015-02
- PROJECT NO. JOC, BID NO. ROADS & BRIDGES 2015-03

ARTICLE 2. TIME FOR START AND COMPLETION

Contract Time commences upon the written execution of the Contract by County and shall end either one year from the date signed by county or upon the payment by County to Contractor of the maximum amount payable under this Agreement, whichever occurs earlier. County will not issue any new Job Orders after the expiration of this Agreement. Any Job Order authorized prior to the expiration of the Agreement must be completed within the time specified in the Job Order. In the event the scheduled completion for any Job Order extends beyond the term of this Agreement, Contractor and County agree that the terms of this Agreement shall continue in effect and be applicable for such Job Orders. A separate Job Order Notice to Proceed (NTP) will be issued for each Job Order. Each Job Order will specify a time limit for completion as stated on the Job Order NTP.

ARTICLE 3. ADJUSTMENT FACTORS

Contractor shall perform all work required, necessary, proper for, or incidental to completing the Detailed SOW called for in each individual Job Order issued pursuant to this Contract for the Unit Prices set forth in the CTC. County shall pay Contractor the Job Order Price for completion of Work in accordance with Contract Documents and the Detailed SOW described in each Job Order multiplied by the following Adjustment Factors:

ADJUSTMENT FACTORS

The Minimum Contract Value is \$25,000. Contractor will receive Job Orders totaling at least \$25,000 during the Contract term. The Maximum Contract Value is \$4,590,340 for the **JOC ROADS & BRIDGES** 2015-01 or 2015-02 or 2015-03. County does not guarantee Contractor will receive this volume of Work. County may award contracts or issue Job Orders to other contractors for the same or similar Work during the term of this Agreement. In no event will Contractor be issued Job Orders which, in total, exceed the Maximum Contract Value. At no time may the sum of the outstanding Job Orders exceed the amount of the Payment Bond and Performance Bond. A Job Order is outstanding until County has accepted the Work described in the Job Order by recordation of a Notice of Completion. Contractor will not be issued Job Orders which in total exceed the Maximum Contract Value.

ITEM	DESCRIPTION	ADJUSTMENT FACTORS
1.	Normal Working Hours – North County	1.1000
2.	Normal Working Hours – South County	1.1200
3.	Other than Normal Working Hours – North County	1.1000
4.	Other than Normal Working Hours – South County	1.1200

ARTICLE 4. LIQUIDATED DAMAGES

County and Contractor recognize that time is of the essence of this Agreement and that County will suffer financial loss, if all or any part of the Work is not completed within the time specified in the Job Order, plus any extensions thereof. Accordingly, County and Contractor agree that liquidated damages for delay will be established by County for each Job Order. Contractor shall pay County the dollar amount stipulated in the Job Order for each day that expires after the time specified therein for contractor to achieve Completion.

These measures of liquidated damages shall apply cumulatively and except as provided below, shall be presumed to be the damages suffered by County resulting from delay in completion of the Work.

Liquidated damages for delay shall only cover project administrative (such as Project management and consultant expenses) and cost damages suffered by County as a result of delay. Liquidated damages shall not cover the cost of completion of the Work, damages resulting from Defective Work, lost revenues or costs of substitute Roads & Bridges, or damages suffered by others who then seek to recover their damages from County (for example, delay claims of other contractors, subcontractors, tenants, or other third-parties), and defense costs thereof.

ARTICLE 5. NOTIFICATION OF THIRD-PARTY CLAIMS

COUNTY shall notify CONTRACTOR of the receipt of any third-party claim relating to the contract and is entitled to recover its reasonable costs incurred in providing the notification as provided in Public Contract Code Section 9201.

WHEREAS, Principal, as Contractor, is required to furnish a bond in connection with said contract, to secure the faithful performance of said contract.

NOW, THEREFORE, we Granite Rock Company

as Principal, and Western Surety Company

THE CONDITION OF THIS OBLIGATION IS SUCH THAT:

If the Principal, as Contractor, or Principal's heirs, executors, administrators, successors, or assigns, (1) shall in all things stand to and abide by and well and truly keep and perform the covenants, conditions, and agreements in said contract and any alteration thereof made as therein provided, on Principal's part to be kept and performed, at the time and in the manner therein specified and in all respects according to their true intent and meaning, and (2) shall indemnify, defend, and save harmless the County, the members of its board of supervisors, and its officers, agents, and employees as therein stipulated, then this obligation shall become null and void; otherwise, it shall be and remain in full force and virtue.

SCHEDULE

Name of Person(s) or Organization(s):

ANY PERSON OR ORGANIZATION TO WHOM OR WHICH YOU ARE REQUIRED TO PROVIDE ADDITIONAL INSURED STATUS OR ADDITIONAL INSURED STATUS ON A PRIMARY, NON-CONTRIBUTORY BASIS, IN A WRITTEN CONTRACT OR WRITTEN AGREEMENT EXECUTED PRIOR TO LOSS, EXCEPT WHERE SUCH CONTRACT OR AGREEMENT IS PROHIBITED BY LAW.

(If no entry appears above, information required to complete this endorsement will be shown in the Declarations as applicable to the endorsement.)

Each person or organization shown in the Schedule is an "insured" for Liability Coverage, but only to the extent that person or organization qualifies as an "insured" under the Who Is An Insured Provision contained in Section II of the Coverage Form.

ADDITIONAL INSURED — AUTOMATIC STATUS

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

SCHEDULE

Any person or organization that you are required by contract to include as an additional insured on this policy if the contract is executed prior to the loss.

- A. Who is an Insured (Section II) is amended to include as an insured any person or organization shown in the above SCHEDULE (called additional insured), but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" arising out of your premises or your operations for the additional insured.
- B. The insurance provided to the additional insured is subject to the following limitations:
1. Unless required by written contract, this insurance does not apply to "bodily injury" or "property damage" occurring after "your work" for the additional insured has been completed or after that portion of "your work" out of which the "bodily injury" or "property damage" arises has been put to its intended use by any person or organization.
 2. Unless required by written contract, this insurance does not apply to "bodily injury" or "property damage" arising out of the sole negligence, act or omission of the additional insured.
 3. This insurance does not apply to "bodily injury", "property damage" or "personal and advertising injury" for which the additional insured is obligated to pay damages by reason of the assumption of liability in a contract or agreement except to the extent that the additional insured would have been obligated to pay such damages in the absence of the contract or agreement.
 4. This insurance does not apply to "bodily injury", "property damage" or "personal and advertising injury" arising out of the rendering or failure to render any professional services by any insured, including:
 - a) The preparing, approving or failing to prepare or approve maps, drawings, opinions, reports, surveys, change orders, designs or specifications; or,
 - b) Supervisory, inspection or engineering services.

This exclusion applies even if the claims against any insured allege negligence or other wrongdoing in the supervision, hiring, employment, training or monitoring of others by that insured.
 5. This endorsement shall not apply to a person or organization if any other additional insured endorsement attached to this policy specifically applies to that person or organization.
 6. The insurance afforded herein only applies to the extent permitted by applicable state law, including statutes governing additional insured coverage in the construction industry.
- C. This insurance shall not exceed the scope of coverage, including limits, of this policy and in no event shall the insurance provided to the additional insured exceed the scope of coverage, including limits, required by the contract. If a written contract or agreement requires that additional insured status be provided by the use of specified edition dates of the ISO CG2010 and/or CG2037, then the terms of that endorsement are incorporated into this endorsement as respects such additional insured and shall supersede the coverage grant and limitations in Sections A. and B. of this endorsement. In the event that CG2010 and/or CG2037 are required but no edition dates are specified, the 04/13 editions shall apply.
- D. This insurance is excess to any other insurance, whether primary, excess, contingent or on any other basis, available to the additional insured unless a written contract requires that this insurance be primary or primary and non-contributing. However, this insurance is always excess to other insurance, whether primary, excess, contingent or on any other basis, when the additional insured has been added to the other insurance as an additional insured.

Nothing herein contained shall be held to vary, alter, waive or extend any of the terms, conditions, provisions, agreements or limitations of the mentioned Policy, other than as above stated.

This endorsement changes the policy to which it is attached and is effective on the date issued unless otherwise stated.
