Dear Claudia,

I would like to continue serving on the Community Restorative Justice Commission. I am honored to assist in the important work of the Commission and of Restorative Justice Partners. I have lived at \_\_\_\_\_ for the past 40 years and am pleased to live in Supervisor Adams district. I look forward to the possibilities of expanding the work of the Commission and increasing community understanding of the importance of restorative justice practices, especially in schools.

Sincerely  
Kathy Bauer
