Budget Narrative

Expense Category	Line Item narrative
Employment Supplies (PPE)	Due to COVID-19, the agency will make sure that employees under this grant have access to the required PPE supplies.
Food Distribution	Every two weeks the agency will provide groceries to clients who meet the poverty level guidelines, are affected by COVID19, are undocumented and don't qualify for government assistance.
Stepdown Residential Project	Rent; Emergency Fund; Utility: Due to COVID-19, current Domestic Violence clients take longer to get housing. Therefore, under the Stepdown Residential Program, clients will be able to benefit from our second stage housing, which will include housing for 12 weeks at no cost. The rent is \$3,000/month, so this grant will cover 50% (\$1,500/month). For a period of 11 months, we will need \$16,500. Clients who are in our emergency shelter who meet requirements will be able to move into our Stepdown program to provide them with an additional 12 weeks of temporary housing. During this time clients will not be paying rent or utilities to help them increase their savings. Clients will be provided with case management and will be helped to find transitional or permanent housing during their stay in the program. Clients will receive help with finding employment such as resume development, interview skills and employment supplies. Emergency Fund- This will include transportation (bus passes and gas cards), essential documents (birth certificate, social security cards, driver license, etc.), medical expenses (doctor visits, COVID19 tests, lab work, physicals) and live scans. The estimated utility costs for a period of 11 months is \$7,520. The utilities will include: electricity, water, sewer, garbage disposal services, etc. This grant will assist with 50% of the overall cost; therefore, the amount needed will be of \$3,760.
School Supplies	Due to COVID-19 some of our clients are in need of school supplies for their children. We will provide them with the basics, such as: notebooks, pencils, project materials, usb drives, etc.
Gift Cards	There will be 50 gift cards of \$50. These will be for clients who got affected by the pandemic and can use them towards their basic essentials.
Hygiene Boxes	Hygiene boxes will be distributed to clients. This will be given during the time that they come for the food distribution. It seems that due to the pandemic individuals are also in need of hygiene products.

In consideration of the mutual covenants and conditions set forth in this Agreement, the parties agree as follows:

3.0 TERM OF AGREEMENT:

3.01 The term of this Agreement is from January 1, 2020 to December 31, 2020, unless sooner terminated pursuant to the terms of this Agreement. This Agreement is of no force or effect until signed by both CONTRACTOR and County and with County signing last, and **CONTRACTOR may not commence work before County signs this Agreement.**

3.02 The County reserves the right to cancel this Agreement, or any extension of this Agreement, without cause, with a thirty day (30) written notice, or with cause immediately.

4.0 SCOPE OF SERVICES AND ADDITIONAL PROVISIONS:

The following attached exhibits are incorporated herein by reference and constitute a part of this Agreement:

Exhibit A Scope of Services/Payment Provisions

Exhibit B Other: See Page 10(a) - List of Exhibits

5.0 PERFORMANCE STANDARDS:

- 5.01 CONTRACTOR warrants that CONTRACTOR and CONTRACTOR's agents, employees, and subcontractors performing services under this Agreement are specially trained, experienced, competent, and appropriately licensed to perform the work and deliver the services required under this Agreement and are not employees of the County, or immediate family of an employee of the County.
- 5.02 CONTRACTOR, its agents, employees, and subcontractors shall perform all work in a safe and skillful manner and in compliance with all applicable laws and regulations. All work performed under this Agreement that is required by law to be performed or supervised by licensed personnel shall be performed in accordance with such licensing requirements.
- 5.03 CONTRACTOR shall furnish, at its own expense, all materials, equipment, and personnel necessary to carry out the terms of this Agreement, except as otherwise specified in this Agreement. CONTRACTOR shall not use County premises, property (including equipment, instruments, or supplies) or personnel for any purpose other than in the performance of its obligations under this Agreement.

6.0 PAYMENT CONDITIONS:

- 6.01 Prices shall remain firm for the initial term of the Agreement and, thereafter, may be adjusted annually as provided in this paragraph. The County does not guarantee any minimum or maximum amount of dollars to be spent under this Agreement.
- 6.02 Negotiations for rate changes shall be commenced, by CONTRACTOR, a minimum of ninety days (90) prior to the expiration of the Agreement. Rate changes are not binding unless mutually agreed upon in writing by the County and the CONTRACTOR.
- 6.03 Invoice amounts shall be billed directly to the ordering department.
- 6.04 CONTRACTOR shall submit such invoice periodically or at the completion of services, but in any event, not later than 30 days after completion of services. The invoice shall set forth the amounts claimed by CONTRACTOR for the previous period, together with an itemized basis for the amounts claimed, and such other information pertinent to the invoice. The County shall certify the invoice, either in the requested amount or in such other amount as the County approves in conformity with this Agreement and shall promptly submit such invoice to the County Auditor-Controller for payment. The County Auditor-Controller shall pay the amount certified within 30 days of receiving the certified invoice.

7.0 TERMINATION:

- 7.01 During the term of this Agreement, the County may terminate the Agreement for any reason by giving written notice of termination to the CONTRACTOR at least thirty (30) days prior to the effective date of termination. Such notice shall set forth the effective date of termination. In the event of such termination, the amount payable under this Agreement shall be reduced in proportion to the services provided prior to the date of termination.

7.02 The County may cancel and terminate this Agreement for good cause effective immediately upon written notice to CONTRACTOR. "Good cause" includes the failure of CONTRACTOR to perform the required services at the time and in the manner provided under this Agreement. If County terminates this Agreement for good cause, the County may be relieved of the payment of any consideration to CONTRACTOR, and the County may proceed with the work in any manner, which County deems proper. The cost to the County shall be deducted from any sum due the CONTRACTOR under this Agreement.

7.03 The County's payments to CONTRACTOR under this Agreement are funded by local, state and federal governments. If funds from local, state and federal sources are not obtained and continued at a level sufficient to allow for the County's purchase of the indicated quantity of services, then the County may give written notice of this fact to CONTRACTOR, and the obligations of the parties under this Agreement shall terminate immediately, or on such date thereafter, as the County may specify in its notice, unless in the meanwhile the parties enter into a written amendment modifying this Agreement.

8.0 INDEMNIFICATION:

CONTRACTOR shall indemnify, defend, and hold harmless the County, its officers, agents, and employees, from and against any and all claims, liabilities, and losses whatsoever (including damages to property and injuries to or death of persons, court costs, and reasonable attorneys' fees) occurring or resulting to any and all persons, firms or corporations furnishing or supplying work, services, materials, or supplies in connection with the performance of this Agreement, and from any and all claims, liabilities, and losses occurring or resulting to any person, firm, or corporation for damage, injury, or death arising out of or connected with the CONTRACTOR's performance of this Agreement, unless such claims, liabilities, or losses arise out of the sole negligence or willful misconduct of the County. "CONTRACTOR's performance" includes CONTRACTOR's action or inaction and the action or inaction of CONTRACTOR's officers, employees, agents and subcontractors.

9.0 INSURANCE REQUIREMENTS:

9.01 **Evidence of Coverage:** Prior to commencement of this Agreement, the Contractor shall provide a "Certificate of Insurance" certifying that coverage as required herein has been obtained. Individual endorsements executed by the insurance carrier shall accompany the certificate. In addition, the Contractor upon request shall provide a certified copy of the policy or policies.

This verification of coverage shall be sent to the County's Contracts/Purchasing Department, unless otherwise directed. The Contractor shall not receive a "Notice to Proceed" with the work under this Agreement until it has obtained all insurance required and the County has approved such insurance. This approval of insurance shall neither relieve nor decrease the liability of the Contractor.

9.02 **Qualifying Insurers:** All coverage's, except surety, shall be issued by companies which hold a current policy holder's alphabetic and financial size category rating of not less than A- VII, according to

the current Best's Key Rating Guide or a company of equal financial stability that is approved by the County's Purchasing Manager.

- 9.03 **Insurance Coverage Requirements:** Without limiting CONTRACTOR's duty to indemnify, CONTRACTOR shall maintain in effect throughout the term of this Agreement a policy or policies of insurance with the following minimum limits of liability:

Commercial General Liability Insurance: including but not limited to premises and operations, including coverage for Bodily Injury and Property Damage, Personal Injury, Contractual Liability, Broad form Property Damage, Independent Contractors, Products and Completed Operations, with a combined single limit for Bodily Injury and Property Damage of not less than \$1,000,000 per occurrence.

Agreement Over \$100,000 Business Automobile Liability Insurance: covering all motor vehicles, including owned, leased, non-owned, and hired vehicles, used in providing services under this Agreement, with a combined single limit for Bodily Injury and Property Damage of not less than \$1,000,000 per occurrence.

Workers' Compensation Insurance: if CONTRACTOR employs others in the performance of this Agreement, in accordance with California Labor Code section 3700 and with Employer's Liability limits not less than \$1,000,000 each person, \$1,000,000 each accident and \$1,000,000 each disease.

(Note: any proposed modifications to these workers' compensation insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in blue ink. All proposed modifications are subject to County approval.)

Professional Liability Insurance: if required for the professional services being provided, (e.g., those persons authorized by a license to engage in a business or profession regulated by the California Business and Professions Code), in the amount of not less than \$1,000,000 per claim and \$2,000,000 in the aggregate, to cover liability for malpractice or

errors or omissions made in the course of rendering professional services. If professional liability insurance is written on a "claims-made" basis rather than an occurrence basis, the CONTRACTOR shall, upon the expiration or earlier termination of this Agreement, obtain extended reporting coverage ("tail coverage") with the same liability limits. Any such tail coverage shall continue for at least three years following the expiration or earlier termination of this Agreement.

(Note: any proposed modifications to these insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in blue ink. All proposed modifications are subject to County approval.)

9.04 **Other Requirements:**

All insurance required by this Agreement shall be with a company acceptable to the County and issued and executed by an admitted insurer authorized to transact Insurance business in the State of California. Unless otherwise specified by this Agreement, all such insurance shall be written on an occurrence basis, or, if the policy is not written on an occurrence basis, such policy with the coverage required herein shall continue in effect for a period of three years following the date CONTRACTOR completes its performance of services under this Agreement.

Each liability policy shall provide that the County shall be given notice in writing at least thirty days in advance of any endorsed reduction in coverage or limit, cancellation, or intended non-renewal thereof. Each policy shall provide coverage for Contractor and additional insureds with respect to claims arising from each subcontractor, if any, performing work under this Agreement, or be accompanied by a certificate of insurance from each subcontractor showing each subcontractor has identical insurance coverage to the above requirements.

Commercial general liability and automobile liability policies shall provide an endorsement naming the County of Monterey, its officers, agents, and employees as Additional Insureds with respect to liability arising out of the CONTRACTOR'S work, including ongoing and completed operations, **and shall further provide that such insurance is primary insurance to any insurance or self-insurance maintained by the County and that the insurance of the Additional Insureds shall not be called upon to contribute to a loss covered by the CONTRACTOR'S insurance.** The required endorsement form for Commercial General Liability Additional Insured is ISO Form CG 20 10 11-85 or CG 20 10 10 01 in tandem with CG 20 37 10 01 (2000). The required endorsement form for Automobile Additional Insured endorsement is ISO Form CA 20 48 02 99.

Prior to the execution of this Agreement by the County, CONTRACTOR shall file certificates of insurance with the County's contract administrator and County's Contracts/Purchasing Division, showing that the CONTRACTOR has in effect the insurance required by this Agreement. The CONTRACTOR shall file a new or amended certificate of insurance within five calendar days after any change is made in any insurance policy, which would alter the information on the certificate then on file. Acceptance or approval of insurance shall in no way modify or change the indemnification clause in this Agreement, which shall continue in full force and effect.

CONTRACTOR shall always during the term of this Agreement maintain in force the insurance coverage required under this Agreement and shall send, without demand by County, annual certificates to County's Contract Administrator and County's Contracts/Purchasing Division. If the certificate is not received by the expiration date, County shall notify CONTRACTOR and CONTRACTOR shall have five calendar days to send in the certificate, evidencing no lapse in coverage during the interim. Failure by CONTRACTOR to maintain such insurance is a default of this Agreement, which entitles County, at its sole discretion, to terminate this Agreement immediately.

10.0 **RECORDS AND CONFIDENTIALITY:**

- 10.1 **Confidentiality:** CONTRACTOR and its officers, employees, agents, and subcontractors shall comply with any and all federal, state, and local laws, which provide for the confidentiality of records and other information. CONTRACTOR shall not disclose any confidential records or other confidential information received from the County or prepared in connection with the performance of this Agreement, unless County specifically permits CONTRACTOR to disclose such records or information. CONTRACTOR shall promptly transmit to County any and all requests for disclosure of any such confidential records or information. CONTRACTOR shall not use any confidential information gained by CONTRACTOR in the performance of this Agreement except for the sole purpose of carrying out CONTRACTOR's obligations under this Agreement.
- 10.2 **County Records:** When this Agreement expires or terminates, CONTRACTOR shall return to County any County records which CONTRACTOR used or received from County to perform services under this Agreement.
- 10.3 **Maintenance of Records:** CONTRACTOR shall prepare, maintain, and preserve all reports and records that may be required by federal, state, and County rules and regulations related to services performed under this Agreement. CONTRACTOR shall maintain such records for a period of at least three years after receipt of final payment under this Agreement. If any litigation, claim, negotiation, audit exception, or other action relating to this Agreement is pending at the end of the three-year period, then CONTRACTOR shall retain said records until such action is resolved.
- 10.4 **Access to and Audit of Records:** The County shall have the right to examine, monitor and audit all records, documents, conditions, and activities of the CONTRACTOR and its subcontractors related to services provided under this Agreement. Pursuant to Government Code section 8546.7, if this Agreement involves the expenditure of public funds in excess of \$10,000, the parties to this Agreement may be subject, at the request of the County or as part of any audit of the County, to the examination and audit of the State Auditor pertaining to matters connected with the performance of this Agreement for a period of three years after final payment under the Agreement.
- 10.5 **Royalties and Inventions:** County shall have a royalty-free, exclusive and irrevocable license to reproduce, publish, and use, and authorize others to do so, all original computer programs, writings, sound recordings, pictorial reproductions, drawings, and other works of similar nature produced in the course of or under this Agreement. CONTRACTOR shall not publish any such material without the prior written approval of County.

11.0 NON-DISCRIMINATION:

11.01 During the performance of this Agreement, CONTRACTOR, and its subcontractors, shall not unlawfully discriminate against any person because of race, religious creed, color, sex, national origin, ancestry, physical disability, mental disability, medical condition, marital status, age (over 40), or sexual orientation, either in CONTRACTOR's employment practices or in the furnishing of services to recipients. CONTRACTOR shall ensure that the evaluation and treatment of its employees and applicants for employment and all persons receiving and requesting services are free of such discrimination. CONTRACTOR and any subcontractor shall, in the performance of this Agreement, fully comply with all federal, state, and local laws and regulations which prohibit discrimination. The provision of services primarily or exclusively to such target population as may be designated in this Agreement shall not be deemed to be prohibited discrimination.

12.0 COMPLIANCE WITH TERMS OF STATE OR FEDERAL GRANTS:

Upon request, County will deliver a copy of said contract to CONTRACTOR, at no cost to CONTRACTOR.

13.0 INDEPENDENT CONTRACTOR:

In the performance of work, duties, and obligations under this Agreement, CONTRACTOR is always acting and performing as an independent contractor and not as an employee of the County. No offer or obligation of permanent employment with the County or County department or agency is intended in any manner, and CONTRACTOR shall not become entitled by virtue of this Agreement to receive from County any form of employee benefits including but not limited to sick leave, vacation, retirement benefits, workers' compensation coverage, insurance or disability benefits. CONTRACTOR shall be solely liable for and obligated to pay directly all applicable taxes, including federal and state income taxes and social security, arising out of CONTRACTOR's performance of this Agreement. MEMORANDUM

TO: Monterey County Community Action Contractors
 FROM: Monterey County Community Action Partnership
 SUBJECT: Child Support Referral Policy

The federal CSBG Act requires all Community Action Agencies (CAAs) during each fiscal year to:

- Inform custodial parents in single-parent families that participate in CSBG-funded programs, activities, or services about the availability of child support services; and
- Refer eligible parents to the child support offices of state and local governments.

42 U.S.C. § 9919(b).

To ensure that the CSBG statute regarding child support referral procedures is being implemented within all CSBG supported programs, Monterey County Community Action Partnership subcontractors must include this procedure during intake processes. During the client's initial intake, the client is asked if he or she is the custodial parent in a single-parent family. If this status is confirmed, then the caseworker/intake worker will:

- Inform the custodial parent about the availability of child support services.
- Refer the custodial parent to the Monterey County Department of Child Support Services.
- Have available for all clients the Child Support Referral Notice and Application for Child Support Services form.

Staff should not act in a manner to be interpreted as giving legal advice but should assure that custodial parents in single-parent families are referred to the Monterey County Department of Child Support Services.

By Christopher Logue
September 2015

On July 22, 2014, President Obama signed the Workforce Innovation and Opportunity Act (WIOA, or the Act), which is designed to help job seekers access employment, education, training, and support services to succeed in the labor market and to match employers with the skilled workers they need to compete in the global economy. WIOA supersedes titles I and II of the Workforce Investment Act of 1998 (WIA), and amends the Wagner-Peyser Act and the Rehabilitation Act of 1973. As the largest single source of federal funding for workforce development programs, WIA has been connected to the Community Action Network by requiring some CAAs to partner with the WIA system. WIOA makes significant changes to its predecessor WIA and reauthorizes its programs through 2020. Some of WIOA's changes are noteworthy for the Community Action network and this set of FAQs addresses the basics of what has changed—and what hasn't.

1. What is WIOA?

WIOA, like WIA, establishes a publicly funded workforce system which aims to align workforce development, education, and economic development programs with regional economic development strategies

WIOA establishes a publicly funded workforce system... providing access to one-stop centers that connect individuals with a range of services available in their communities...

to meet the needs of local and regional employers. This is accomplished by providing access to one-stop centers that connect individuals with a range of services available in their communities, whether they are looking to find jobs, building basic educational or occupational skills, earning a postsecondary certificate or degree, or obtaining guidance on how to make career choices, or are businesses and employers seeking skilled workers.¹

2. Are WIOA workforce systems structured in the same way as those established under WIA?

Yes. Under WIOA, partner programs and entities that are jointly responsible for workforce and economic development, educational, and other human resource programs will still collaborate to create a one-stop delivery system that integrates service delivery across all programs and enhances access to the programs' services. The one-stop delivery system includes six core programs (Title I adult, dislocated worker, and youth programs; Title II adult education and literacy programs; Title III Wagner-Peyser program; and Title IV vocational rehabilitation program), as well as the programs offered by other required and optional partners identified in WIOA, including employment and training activities carried out under the Community Services Block Grant (CSBG). Under WIOA,

the goals of one-stop centers and their partners are to:

- Provide job seekers with the skills and credentials necessary to secure and advance in employment with family-sustaining wages;
- Provide access and opportunities to all job seekers, including individuals with barriers to employment, such as individuals with disabilities, to prepare for, obtain, retain, and advance in high-quality jobs and high-demand careers;
- Enable businesses and employers to easily identify and hire skilled workers and access other supports, including education and training for their current workforce;
- Participate in rigorous evaluations that support continuous improvement of one-stop centers by identifying which strategies work better for different populations; and
- Ensure that high-quality integrated data inform decisions made by policy makers, employers, and job seekers.²

The management of the one-stop delivery system is the shared responsibility of states, local boards, elected officials, the core WIOA partners, other required partners, and one-stop center operators.

3. What terms are used to describe the WIOA structure?

While the language used to describe the main components of the workforce system has not changed, those who are new to WIOA will want to familiarize themselves with the following basic terms:

- One-Stop Delivery System: Also known as the American Job Center (AJC) system, the name for the entire network of WIOA programs, partners, operators, centers, and boards.³ Also known as the One-Stop System.
- One-Stop Partner: Any entity that is required, or may be allowed, to participate in the One Stop System⁴
- One-Stop Operator: An entity designated or certified by a local board to receive WIOA funds to operate a one stop center⁵
- One-Stop Center: Also known as American Job Centers, the physical location where WIOA services are provided⁶

and job market information, providing information regarding filing of claims for unemployment compensation, assistance in establishing eligibility for programs of financial aid assistance for training and education programs that are not funded under WIOA, or referrals to any such services.⁹ CAAs that are unsure whether they provide CSBG-funded employment and training activities should review this section of WIOA at 29 U.S.C. §3174.

The Act also lists 12 other federally funded programs that will trigger the required partner designation. If a CAA operates any of these federally funded programs, the CAA is a required partner and must integrate those programs into the one stop system. (See Question 4 below for more information on what a CAA must do if it is a required partner). Programs that will trigger the required partner designation include:

- Programs authorized under Title I of WIOA¹⁰
- Employment and training activities carried out by the Department of Housing and Urban Development;
- Temporary Assistance for Needy Families (TANF) (unless the governor makes a determination to exclude TANF from the state's WIOA systems)¹¹

CAAs should consult the full list of programs that trigger the required partner designation at 29 U.S.C. § 3151.

4. When is a CAA a required partner?

WIOA continues to include the WIA mandate that any programs that provide "employment and training

activities carried out under the Community Services Block Grant Act" are required partners.⁷

This requirement is reinforced by the CSBG Act's requirement that CSBG state plans describe how the state and CAAs in the state will coordinate the provision of employment and training activities in the state and in communities with entities providing activities through statewide and local

workforce development systems under WIOA.⁸ "Employment and training activities" are defined as any activity described in Section 134 of WIOA, and includes activities such as job search and placement assistance, career counseling, job recruitment, providing workforce and labor statistics such as job vacancy listings

...any programs that provide "employment and training activities carried out by the Community Services Block Grant Act" are required partners.

5. Have these required partners changed since the WIA?

For the most part, the same federally funded programs are required partners under the old WIA and the new WIOA.

One-stop partners are not required to contribute more than 1.5% of the federal funds provided for the program.

However, there are some notable changes. Programs funded under the Second Chance Act of 2007 are now included.¹² The Second Chance Act, designed to assist individuals recently released from incarceration, funds programs related to adult and juvenile reentry services, drug treatment and mentoring, and technology career training. These programs are administered through the

Office of Justice in the U.S. Department of Justice.

Also significant is the addition of TANF to the list of required partners. Any entity that administers programs under TANF (referred to as part A of title IV of the Social Security Act) must participate in the one-stop system, unless their state's governor determines otherwise, pursuant to the notification requirements in the Act.¹³

6. What are required partners required to do?

If a CAA is a required partner under WIOA, it must do the following:

i. Provide access through the one-stop delivery system to the relevant programs or activities.¹⁴ For example, a CAA that provides employment or training services under its CSBG funding must provide access to those employment or training services through the one-stop system.

ii. Use a portion of the funds available for the program and activities to maintain the one-stop delivery system, including payment of the infrastructure costs of one-stop centers.¹⁵ For example, a CAA that runs a CSBG-funded job training program must be willing to dedicate a portion of its CSBG funding to developing the infrastructure of the local one-stop center. The process for determining how the infrastructure of one-stop centers will be funded is laid out in the statute¹⁶ and more guidance will be provided in future regulations.¹⁷ This process requires one-stop partners, along with the local board and chief elected officials, to reach a voluntary agreement on infrastructure funding and incorporate that agreement into a memorandum of understanding.¹⁸ If the partners fail to reach an agreement by July 1, 2016, the Act creates a mechanism for the state to determine funding for each program year the partners are unable to agree. One-stop partners may not be required to contribute more than 1.5 percent of the amount of federal funds provided to carry out the program, such as a CAA's CSBG-funded employment and training programs, in the state for a fiscal year.¹⁹ The Act also requires the state to establish a process under which a required one-stop partner may appeal a determination regarding the portion of funds to be provided on the basis that the determination is inconsistent with the Act's infrastructure funding requirements.²⁰

iii. Enter into a local memorandum of understanding (MOU) with the local board relating to the operation of the one-stop system.²¹ The content of the MOU must meet the requirements of act.²²

iv. Participate in the operation of the one-stop system consistent with the terms of the MOU, the requirements of the Act, and the requirements of the Federal laws authorizing the program or Activities.²³

v. Provide representation on the state board to the extent provided under the Act.²⁴ One-stop partners are not guaranteed representation on the state board but may have a representative appointed at the discretion of the governor.²⁵

7. What are the requirements and opportunities for CAA membership on state and local boards?

WIOA generally maintains the structure of state and local workforce development boards from its predecessor WIA, although the size of the boards has been reduced and the composition requirements have changed significantly. State boards must be composed of the governor, one member of each chamber of the state legislature, and representatives appointed by the governor,

State boards must be composed of the governor, one member of each chamber of the state legislature and representatives appointed by the governor...

a majority of which must be representatives of business in the state.²⁶ Local boards, like the state boards, must be comprised of a majority of members from the business community and must be chaired by a business representative.²⁷ Numerous other requirements for both the local and state boards can be found in the Act.

WIOA has made some changes to the composition of local boards that are noteworthy for CAAs. Under the former WIA, each one-stop partner had a

representative on the local board.²⁸ WIOA has eliminated that requirement and instead made CAA representation discretionary.²⁹

Although there is no language that explicitly gives one-stop partners a seat on the local board, the following is a list of provisions in the local board requirements section under which a CAA could be appointed a seat on the local board. The local board:

- "...may include representatives of community-based organizations that have demonstrated experience and expertise in addressing the employment needs of individuals with barriers to employment." 29 U.S.C. § 3122(b)(2)(B)(iii).
- "...may include representatives of organizations that have demonstrated experience and expertise in addressing the employment, training, or education needs of eligible youth, including representatives of organizations that serve out-of-school youth." 29 U.S.C. § 3122(b)(2)(B)(iv).
- "...shall include a representative of eligible providers administering adult education and literacy activities under title II [of WIOA]." 29 U.S.C. § 3122(b)(2)(C)(i).
- "...may include representatives of... community-based organizations with demonstrated experience and expertise in addressing the education or training needs of individuals with barriers to employment." 29 U.S.C. § 3122(b)(2)(C)(iii).
- "...shall include a representative of economic and community development entities." 29 U.S.C. § 3122(b)(2)(D)(i).

- "...may include representatives of agencies or entities administering programs serving the local area relating to transportation, housing, and public assistance." 29 U.S.C. § 3122(b)(2)(D)(iv).

8. What are the Combined State Plans?

As with WIA, WIOA allows states to create a combined state plan that includes all of the WIOA core programs (also known as "career services") as well as the option to include a number of other programs, such as CSBG-funded programs.³⁰ The proposed regulations on combined state plans indicate that states may include in their combined plans the WIOA-related

The effective date of the WIOA is the first full program year after enactment, which began on July 2, 2015...

CSBG programs and services (i.e., CSBG-funded employment and training services), but all other CSBG plans would be submitted separately in the typical CSBG state plan. This arrangement, whereby the state will include only portions of CSBG-funded programs in the WIOA state plan, comes out of a recognition that

CSBG-funded employment and training services are only a subset of a broad range of anti-poverty activities addressed in the overall CSBG plan.³¹

On August 6, the Departments of Labor, Education, Health and Human Services, Agriculture, and Housing and Urban development released proposed WIOA Unified and Combined State Plan Requirements in the form of an "Information Collection Request." The agencies are soliciting comments on the proposed requirements, which can be found [here](#).

9. When do these changes take effect?

The effective date of the WIOA is the first full program year after enactment, which began on July 2, 2015,³² although WIOA contains numerous provisions that take effect on later dates. While most of the provisions with later start dates are relevant to states and to state and local workforce boards, some are directly relevant to CAAs, such July 1, 2016, when one-stop infrastructure costs requirements take effect³³ and use of the common one-stop delivery identifier must be implemented.³⁴ The Department of Labor has created a chart of WIOA key implementation dates which can be accessed on their website by clicking [here](#).

1.01 Monthly claims/invoices by CONTRACTOR: Not later than the tenth (10th) day of each month, CONTRACTOR shall submit to COUNTY a signed invoice setting forth the amount claimed. All invoices (monthly and final) shall be submitted in the form set forth in **Exhibit D** and shall include an invoice number.

1.02 Final Invoice; forfeiture for late invoice: CONTRACTOR's final month and end of fiscal year invoice is due, and must be received by COUNTY, no later than close of business on **December 10**. **If the Final Invoice is not received by COUNTY by close of business on December 10, CONTRACTOR understands and agrees that the reimbursement of CONTRACTOR's final expenses represented by that invoice may be forfeited, and COUNTY shall have no legal obligation regarding it, nor shall COUNTY be required to make any payment towards that untimely/late invoiced claim.**

1.03 Allowable Costs: Allowable costs shall be the CONTRACTOR's actual costs of developing, supervising and delivering the services under this Agreement, as set forth in **Exhibit C**. Only the costs listed in **Exhibit C** as contract expenses may be claimed as allowable costs. Any dispute over whether costs are allowable shall be resolved in accordance with the provisions of 45 Code of Federal Regulations, Part 74, Sub-Part F and 48 Code of Federal Regulations (CFR), Chapter 1, Part 31.

1.04 Cost Control: CONTRACTOR shall not exceed by more than twenty (20) percent any contract expense line item amount in the budget without the written approval of COUNTY, given by and through the Contract Administrator or Contract Administrator's designee. CONTRACTOR shall submit an amended budget with its request for such approval. Such approval shall not permit CONTRACTOR to receive more than the maximum total amount payable under this contract. Therefore, an increase in one line item will require corresponding decreases in other line items.

1.05 Payment in Full:

(a) If COUNTY certifies and pays the amount requested by CONTRACTOR, such payment shall be deemed payment in full for the month in question and may not thereafter be reviewed or modified, except to permit COUNTY's recovery of overpayments.

(b) If COUNTY certifies and pays a lesser amount than the amount requested, COUNTY shall, immediately upon certification of the lesser amount, notify CONTRACTOR in writing of such certification. If CONTRACTOR does not protest the lesser amount by delivering to COUNTY a written notice of protest within twenty (20) days after CONTRACTOR's receipt of the certification, then payment of the lesser amount shall be

EXHIBIT B

deemed payment in full for the month in question and may not thereafter be questioned by CONTRACTOR.

1.06 Disputed payment amount: If COUNTY pays a lesser amount than the amount requested, and if CONTRACTOR submits a written notice of protest to COUNTY within twenty (20) days after CONTRACTOR's receipt of the certification, then the parties shall promptly meet to review the dispute and resolve it on a mutually acceptable basis. No court action may be taken on such dispute until the parties have met and attempted to resolve the dispute in person.

II. PERFORMANCE STANDARDS & COMPLIANCE

2.01 Outcome objectives and performance standards: CONTRACTOR shall for the entire term of this Agreement provide the service outcomes set forth in **Exhibit A**. CONTRACTOR shall meet the contracted level of service and the specified performance standards described in **Exhibit A**, unless prevented from doing so by circumstances beyond CONTRACTOR's control, including but not limited to, natural disasters, fire, theft, and shortages of necessary supplies or materials due to labor disputes.

2.02 County monitoring of services: COUNTY shall monitor services provided under this Agreement in order to evaluate the effectiveness and quality of services provided.

2.03 Notice of defective performance: COUNTY shall notify CONTRACTOR in writing within thirty (30) days after discovering any defects in CONTRACTOR's performance. CONTRACTOR shall promptly take action to correct the problem and to prevent its recurrence. Such corrective action shall be completed and a written report made to the COUNTY concerning such action not later than thirty (30) days after the date of the COUNTY's written notice to CONTRACTOR.

2.04 Termination for cause: Notwithstanding Section 7.02 of the Agreement, if the corrective actions required above are not completed and the report to the COUNTY not made within thirty (30) days, the COUNTY may terminate this Agreement by giving five (5) days' written notice to CONTRACTOR.

2.05 Remedies for Inadequate Service Levels:

- a) For each month that service falls below 80% of the contracted level, CONTRACTOR shall submit to the COUNTY an analysis of the causes of the problem and any necessary actions to be taken to correct the problem. If the problem continues for another month, the COUNTY shall meet with CONTRACTOR to explore the problem and develop an appropriate written corrective action plan with appropriate time frames.
- b) If CONTRACTOR does not carry out the required corrective action within the time frame specified, sanctions shall be applied in accordance with funding source regulations.

EXHIBIT B

- c) Notwithstanding Section 7.02 of the Agreement, if, after the COUNTY notifies CONTRACTOR of any sanctions to be imposed, CONTRACTOR continues in its failure to take corrective action, then COUNTY may terminate this contract by giving CONTRACTOR five (5) days' written notice.
- d) If all appropriate corrective actions are taken but service still falls 80% or more below contracted level, COUNTY and CONTRACTOR may renegotiate the contracted level of service.

Additionally, CONTRACTOR shall ensure that all staff completes Division 21 Civil Rights training.

Health Insurance Portability & Accountability Act (HIPAA) Certification

WHEREAS, Sections 261 through 264 of the federal Health Insurance Portability and Accountability Act of 1996, Public Law 104-191, known as “the Administrative Simplification provisions,” direct the Department of Health and Human Services to develop standards to protect the security, confidentiality and integrity of health information; and

WHEREAS, pursuant to the Administrative Simplification provisions, the Secretary of Health and Human Services has issued regulations modifying 45 CFR Parts 160 and 164 (the “HIPAA Privacy Rule”); and

WHEREAS, CONTRACTOR and COUNTY have entered into an Agreement (“the Agreement”) to which this Certification is an attachment whereby CONTRACTOR will provide certain services to COUNTY; and

WHEREAS, CONTRACTOR may have access to Protected Health Information (as defined below) in fulfilling its responsibilities under the underlying Agreement.

THEREFORE, in consideration of the Parties’ continuing obligations under the Agreement, compliance with the HIPAA Privacy Rule, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, CONTRACTOR agrees to the provisions of this Certification and of the HIPAA Privacy Rule and to protect the interests of COUNTY.

I. DEFINITIONS

Except as otherwise defined herein, any and all capitalized terms in this Section shall have the definitions set forth in the HIPAA Privacy Rule. In the event of an inconsistency between the provisions of this Certification and mandatory provisions of the HIPAA Privacy Rule, as amended, the HIPAA Privacy Rule shall control. Where provisions of this Certification are different than those mandated in the HIPAA Privacy Rule, but are nonetheless permitted by the HIPAA Privacy Rule, the provisions of this Certification shall control.

The term “Protected Health Information” means individually identifiable health information including, without limitation, all information, data, documentation, and materials, including without limitation, demographic, medical and financial information, that relates to the past, present, or future physical or mental health or condition of an individual; the provision of health care to an individual; or the past, present, or future payment for the provision of health care to an individual; and that identifies the individual or with respect to which there is a reasonable basis to believe the information can be used to identify the individual.

CONTRACTOR acknowledges and agrees that all Protected Health Information that is created or received by COUNTY and disclosed or made available in any form, including paper record, oral communication, audio recording, and electronic display by COUNTY, or its operating units, to CONTRACTOR or is created or received by CONTRACTOR on COUNTY’s behalf shall be subject to this Certification.

II. CONFIDENTIALITY REQUIREMENTS

- (a) CONTRACTOR agrees:
- (i) to use or disclose any Protected Health Information solely: (1) for meeting its obligations as set forth in any agreements between the Parties evidencing their business relationship or (2) as required by applicable law, rule or regulation, or by accrediting or credentialing organization to whom COUNTY is required to disclose such information, or as otherwise permitted under this Certification, or the underlying Agreement (if consistent with this Certification and the HIPAA Privacy Rule), or the HIPAA Privacy Rule, and (3) as would be permitted by the HIPAA Privacy Rule if such use or disclosure were made by COUNTY; and
 - (ii) at termination of the Agreement, (or any similar documentation of the business relationship of the Parties), or upon request of COUNTY, whichever occurs first, if feasible CONTRACTOR will return or destroy all Protected Health Information received from or created or received by CONTRACTOR on behalf of COUNTY that CONTRACTOR still maintains in any form, and retain no copies of such information, or if such return or destruction is not feasible, CONTRACTOR will extend the protections of this Agreement to the information and limit further uses and disclosures to those purposes that make the return or destruction of the information not feasible; and
 - (iii) to ensure that its agents, including a subcontractor(s), to whom it provides Protected Health Information received from or created by CONTRACTOR on behalf of COUNTY, agrees to the same restrictions and conditions that apply to CONTRACTOR with respect to such information. In addition, CONTRACTOR agrees to take reasonable steps to ensure that its employees' actions or omissions do not cause CONTRACTOR to breach the terms of the Agreement.
- (b) Notwithstanding the prohibitions set forth in this Certification or the Agreement, CONTRACTOR may use and disclose Protected Health Information as follows:
- (i) if necessary, for the proper management and administration of CONTRACTOR or to carry out the legal responsibilities of CONTRACTOR, provided that as to any such disclosure, the following requirements are met:
 - (A) the disclosure is required by law; or
 - (B) CONTRACTOR obtains reasonable assurances from the person to whom the information is disclosed that it will be held confidentially and used or further disclosed only as required by law, or for the purpose for which it was disclosed to the person, and the person notifies CONTRACTOR of any instances of which it is aware in which the confidentiality of the information has been breached;
 - (ii) for data aggregation services, if to be provided by CONTRACTOR for the health care operations of COUNTY pursuant to any agreements between the Parties evidencing their business relationship. For purposes of this Certification and the Agreement, data aggregation services means the combining of Protected Health Information by CONTRACTOR with the protected health information received by CONTRACTOR in its capacity as CONTRACTOR of another COUNTY, to permit data analyses that relate to the health care operations of the respective covered entities.

EXHIBIT F

- (c) CONTRACTOR will implement appropriate safeguards to prevent use or disclosure of Protected Health Information other than as permitted in this Certification. The Secretary of Health and Human Services shall have the right to audit CONTRACTOR's records and practices related to use and disclosure of Protected Health Information to ensure COUNTY's compliance with the terms of the HIPAA Privacy Rule. CONTRACTOR shall report to COUNTY any use or disclosure of Protected Health Information which is not in compliance with the terms of this Certification of which it becomes aware. In addition, CONTRACTOR agrees to mitigate, to the extent practicable, any harmful effect that is known to CONTRACTOR of a use or disclosure of Protected Health Information by CONTRACTOR in violation of the requirements of this Certification or the Agreement.
