GENERAL INFORMATION:

Job Order Contract(s) 2026 (JOC) is an indefinite quantity contract(s) with a set not to exceed amount (MxCV) pursuant to which Contractor performs a variety of projects, consisting of specific construction tasks. Scope is for general construction, repair, remodel, and other repetitive related work. County has published a Construction Task Catalog[®] (CTC) containing a series of construction tasks with preset Unit Prices (UP) developed using experienced labor and high-quality materials. All UPs are based on local labor/materials/equipment prices, including current prevailing wages. Contractor is to bid Adjustment Factors (AF) to be applied to UPs. Price of an individual project is determined by multiplying preset UPs and appropriate quantities by the appropriate AFs. Term of each JOC is one (1) year. The JOC 2026 Contract Documents include a Material Price Spike Adjustment clause.

MxCV for Facilities Large Capacity, Roads & Bridges and Emergency Response Work JOC contracts is \$6,402,606. MxVC for Facilities Small Capacity contracts is \$3,200,000 with a \$1,000,000 maximum value per Job Order. MxCV for Traffic Striping and Signage is \$2,000,000. County does not guarantee Contractor will receive this volume of Work. County may award contracts to other contractors for same or similar work during JOC term.

At time of bid submission, Bidders shall possess a valid Class B Contractor's license for Facilities Large and Small Capacity JOC; a valid Class A Contractor's license for Roads & Bridges JOC and Emergency Response Work JOC; Class C32 or Class A license for Traffic Striping and Signage JOC.

Each bid shall be submitted separately using forms furnished in Project Specifications Manual and in accordance with Instructions to Bidders. Security in an amount of \$25,000 per bid in form of cash, cashier's check, or certified check payable to County, or a bidder's bond executed by an admitted corporate surety company must accompany bid. For Facilities Large Capacity Bids, successful bidder shall furnish performance bond and a payment bond, each in the amount of \$3,210,303 which bond shall remain in force for the duration and until completion of any outstanding Job Order(s). For Facilities Small Capacity Bids, successful bidder shall furnish performance bond and a payment bond, each in the amount of \$1,000,000 which bond shall remain in force for the duration and until completion of any outstanding Job Order(s). For Roads & Bridges Bids, successful bidder shall furnish performance bond and a payment bond, each in the amount of the MxCV of \$6,402,606

which bonds shall remain in force for the duration and until completion of all outstanding Job Order(s). For Emergency Response Work Bids, successful bidder shall furnish performance bond and a payment bond, each in the amount of the MxCV of \$6,402,606 which bonds shall remain in force for the duration and until completion of all outstanding Job Order(s). Contractor shall provide a letter from bonding company stating their ability to obtain Performance and Payment Bonds for MxCV. For Traffic Striping and Signage Bids, successful bidder shall furnish performance bond and a payment bond, each in the amount of \$2,000,000 which bond shall remain in force for the duration and until completion of any outstanding Job Order(s).

Determination of lowest bidder will be based upon lowest Evaluation Criteria Figure. Bidders may bid separately on any Facilities (Large and Small Capacity), Roads & Bridges, Emergency Response Work, or Traffic Striping and Signage contracts. However, only one (1) contract in each category may be awarded to any bidder. Apparent lowest responsive, responsible bidder on each JOC contract will be excluded from consideration for each successive contract in the respective category. County may award up to twenty (20) individual contracts but reserves the right to reject any/all bids and waive any irregularities or informality in any bid received. No bidder may withdraw his/her/its bid for a period of sixty (60) days after the bid opening.
