## Interests & Experiences

Please tell us about yourself and why you want serve

Growing up in Costa Rica, occasionally a child would knock on my family's door asking for a drink of water or some food. This was my first exposure to the inequities of this world, and it lit a spark that has only grown since that time. I've supported & am passionate about initiatives that have economic prosperity as a focal point because I believe well-being, comfort and security shouldn't belong to just a few.

Please state the reason you would like to be a member of this board committee/commission/district.

Private and public agencies have become part of a community's fabric and play an important role as trusted messengers. The Community Action Commission is an important service that lifts up the important work of these agencies. It would be an honor to support and advocate for this work.
