The County shall certify the invoice, either in the requested amount or in such other amount as the County approves in conformity with this Agreement, and shall promptly submit such invoice to the County Auditor-Controller for payment. The County Auditor-Controller shall pay the amount certified within 30 days of receiving the certified invoice.

7.0 TERMINATION.

- 7.01 During the term of this Agreement, the County may terminate the Agreement for any reason by giving written notice of termination to the CONTRACTOR at least thirty (30) days prior to the effective date of termination. Such notice shall set forth the effective date of termination. In the event of such termination, the amount payable under this Agreement shall be reduced in proportion to the services provided prior to the date of termination.

- 7.02 The County may cancel and terminate this Agreement for good cause effective immediately upon written notice to CONTRACTOR. "Good cause" includes the failure of CONTRACTOR to perform the required services at the time and in the manner provided under this Agreement. If County terminates this Agreement for good cause, the County may be relieved of the payment of any consideration to CONTRACTOR, and the County may proceed with the work in any manner, which County deems proper. The cost to the County shall be deducted from any sum due the CONTRACTOR under this Agreement.
- 7.03 The County's payments to CONTRACTOR under this Agreement are funded by local, state and federal governments. If funds from local, state and federal sources are not obtained and continued at a level sufficient to allow for the County's purchase of the indicated quantity of services, then the County may give written notice of this fact to CONTRACTOR, and the obligations of the parties under this Agreement shall terminate immediately, or on such date thereafter, as the County may specify in its notice, unless in the meanwhile the parties enter into a written amendment modifying this Agreement.

8.0 INDEMNIFICATION

- 8.01 CONTRACTOR shall indemnify, defend, and hold harmless the County, its officers, agents, and employees, from and against any and all claims, liabilities, and losses whatsoever (including damages to property and injuries to or death of persons, court costs, and reasonable attorneys' fees) occurring or resulting to any and all persons, firms or corporations furnishing or supplying work, services, materials, or supplies in connection with the performance of this Agreement, and from any and all claims, liabilities, and losses occurring or resulting to any person, firm, or corporation for damage, injury, or death arising out of or connected with the CONTRACTOR's performance of this Agreement, unless such claims, liabilities, or losses arise out of the sole negligence or willful misconduct of the County. "CONTRACTOR's performance" includes CONTRACTOR's action or inaction and the action or inaction of CONTRACTOR's officers, employees, agents and subcontractors.

9.0 INSURANCE REQUIREMENTS

Individual endorsements executed by the insurance carrier shall accompany the certificate. In addition, the Contractor upon request shall provide a certified copy of the policy or policies.

This verification of coverage shall be sent to the County's Contracts/Purchasing Department, unless otherwise directed. The Contractor shall not receive a "Notice to Proceed" with the work under this Agreement until it has obtained all insurance required and the County has approved such insurance. This approval of insurance shall neither relieve nor decrease the liability of the Contractor.

9.02 Qualifying Insurers:

All coverage's, except surety, shall be issued by companies which hold a current policy holder's alphabetic and financial size category rating of not less than A- VII, according to

the current Best's Key Rating Guide or a company of equal financial stability that is approved by the County's Purchasing Manager.

If professional liability insurance is written on a "claims-made" basis rather than an occurrence basis, the CONTRACTOR shall, upon the expiration or earlier termination of this Agreement, obtain extended reporting coverage ("tail coverage") with the same liability limits. Any such tail coverage shall continue for at least three years following the expiration or earlier termination of this Agreement.

(Note: any proposed modifications to these insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in blue ink. All proposed modifications are subject to County approval.)

9.04 Other Requirements:

All insurance required by this Agreement shall be with a company acceptable to the County and issued and executed by an admitted insurer authorized to transact Insurance business in the State of California. Unless otherwise specified by this Agreement, all such insurance shall be written on an occurrence basis, or, if the policy is not written on an occurrence basis, such policy with the coverage required herein shall continue in effect for a period of three years following the date CONTRACTOR completes its performance of services under this Agreement.

Each liability policy shall provide that the County shall be given notice in writing at least thirty days in advance of any endorsed reduction in coverage or limit, cancellation, or intended non-renewal thereof. Each policy shall provide coverage for Contractor and additional insureds with respect to claims arising from each subcontractor, if any, performing work under this Agreement, or be accompanied by a certificate of insurance from each subcontractor showing each subcontractor has identical insurance coverage to the above requirements.

Commercial general liability and automobile liability policies shall provide an endorsement naming the County of Monterey, its officers, agents, and employees as Additional Insureds with respect to liability arising out of the CONTRACTOR'S work, including ongoing and completed operations, and shall further provide that such insurance is primary insurance to any insurance or self-insurance maintained by the County and that the insurance of the Additional Insureds shall not be called upon to contribute to a loss covered by the CONTRACTOR'S insurance. Prior to the execution of this Agreement by the County, CONTRACTOR shall file certificates of insurance with the County's contract administrator and County's Contracts/Purchasing Division, showing that the CONTRACTOR has in effect the insurance required by this Agreement. The CONTRACTOR shall file a new or amended certificate of insurance within five calendar days after any change is made in any insurance policy, which would alter the information on the certificate then on file. Acceptance or approval of insurance shall in no way modify or change the indemnification clause in this Agreement, which shall continue in full force and effect.

CONTRACTOR shall at all times during the term of this Agreement maintain in force the insurance coverage required under this Agreement and shall send, without demand by County, annual certificates to County's Contract Administrator and County's Contracts/Purchasing Division. If the certificate is not received by the expiration date, County shall notify CONTRACTOR and CONTRACTOR shall have five calendar days to send in the certificate, evidencing no lapse in coverage during the interim. Failure by CONTRACTOR to maintain such insurance is a default of this Agreement, which entitles County, at its sole discretion, to terminate this Agreement immediately.

10.0 RECORDS AND CONFIDENTIALITY.

- 10.01 Confidentiality. CONTRACTOR and its officers, employees, agents, and subcontractors shall comply with any and all federal, state, and local laws, which provide for the confidentiality of records and other information. The County shall have the right to examine, monitor and audit all records, documents, conditions, and activities of the CONTRACTOR and its subcontractors related to services provided under this Agreement. Pursuant to Government Code section 8546.7, if this Agreement involves the expenditure of public funds in excess of \$10,000, the parties to this Agreement may be subject, at the request of the County or as part of any audit of the County, to the examination and audit of the State Auditor pertaining to matters connected with the performance of this Agreement for a period of three years after final payment under the Agreement.

**EXHIBIT- A - Scope of Services / Payment Provisions
To
Professional Service Agreement
Between
The County of Monterey, through the Probation Department, hereinafter referred
to as "COUNTY"
AND
Turning Point of Central California, Inc., hereinafter referred to as
"CONTRACTOR"**

A. SCOPE OF SERVICES

A.1 The CONTRACTOR shall provide services and staff, and otherwise do all things necessary for or incidental to the performance of work, as set forth below:

CONTRACTOR will offer **AB109 Transitional Housing** (Probation Transitional Housing) to all clients referred from the probation department and identified as AB109 funded participants. AB109 funded participants include Post Release Community Supervision (PRCS) Mandatory Supervision, and Intensive Supervision probationers. Limited funding and services will also be provided for Emergency Housing and Incentive Services.

TRANSITIONAL HOUSING: CONTRACTOR's Probation Transitional Housing Program will provide residential stability to clients who are chronically homeless or who lack local support following release from custody or completion of treatment in a residential treatment facility. An amount of **\$592,760** shall be allocated for transitional housing services to this target population in Monterey County at a daily rate of **\$58 per person** based on twenty-eight (28) individuals per day. A lower or higher than average amount (28) of participants may be housed each day (potentially less beds needed during warmer weather and more beds needed during inclement weather).

The Probation Transitional Housing model offers direct placement from the street or the institution to housing with supervision, programming and support services. Clients will be assessed for program suitability and referred to CONTRACTOR by Probation. The objective of the program will be to assist clients with life skills training and self-sufficiency preparation to increase their chance of a successful reentry into the community and help them become aware of their responsibility to society. Outcomes of the program will include: not reoffending, increased potential for family reunification, increased access to employment or educational opportunities, abstinence from substance use, program completion, and housing at time of exit.

The Transitional Housing facility is located at 116 E. San Luis St. and has the capacity to provide housing and related services for up to 28 residents for up to six (6) months. It is located in downtown Salinas with easy access to public transportation, places of business for employment opportunities, adult education and vocational training sites, substance abuse/mental health clinics, medical/dental offices, the Day Reporting Center and the Probation Department.

CONTRACTOR will provide housing, sustenance, support services, programming, supervision, and access to a full array of reentry services. Security and supervision will be provided 24/7 by experienced monitor staff. All clients will start the program with the highest level of monitoring. As clients successfully move through the level system, they will become eligible for reduced staff supervision.

SERVICE DELIVERY LEVEL SYSTEM

Level 1: Assessment and Program Development - Weeks 1 through 4

Level 2: Transition Plan - Weeks 5 through 12

Level 3: Community Reentry - Weeks 13 through 24

LEVEL 1 will be the most restrictive. Most clients will be attending Probation's Reentry Programs to support a successful transition to stable housing and community. A comprehensive assessment will be conducted to identify client strengths and challenges which will be the foundation of their Individual Program Plan. Realistic goals will be part of the plan to guide the client's successful transition. A Transitions Skills journal will be introduced during this phase and worked on with staff assistance throughout residency.

LEVEL 2 will be less restrictive and will focus on program plan development. Employment will be the goal for the majority of clients, however some will require additional remediation of barriers, require education/vocational training prior to work, or may need assistance developing an alternate source of income due to a disability or other obstacle to employment. This level will be an opportunity for clients to practice their new Transition Skills in a positive, non-punitive environment (rewards are greater than punishments).

LEVEL 3 will be the least restrictive, preparing clients for community reentry and a life of self-sufficiency. This stage will focus on strengthening clients' support system, money management and permanent housing. Collaboration with community partners will be vital to ensure clients have the reentry services necessary to meet their needs in areas such as physical and mental health, relapse prevention, education, career advancement, family reunification, and anger management.

The Level system will allow clients time to make a gradual change from incarceration and homelessness to a self-sufficient life in the community. While the program will be designed to move clients through the levels, individual needs will drive the amount of time required for each phase and the possibility of returning to a previous level. The Program Review Team (PRT) which consists of the Housing Manager, Housing Coordinator and the Program Director or Assistant Program Director, will conduct bi-weekly reviews of each client making recommendations for level progression. Level advancement is contingent upon clients reaching their present phase goals and having no unresolved IR's. Behavior Contracts must be completed prior to recommendation for level movement. The level system will support an environment which encourages clients to make responsible choices as they master new skills and overcome obstacles. Level advancement will be celebrated and will be provided with additional client encouragement.

Case Management Services

The program will have one 1.0 FTE Case Manager and one 1.0 FTE Housing Manager for the program and for oversight as needed, for the Emergency Housing and Incentive Program.

The Case Manager and Housing Manager will be responsible for the following:

1. Ensuring an initial intake, brief assessment, and orientation is conducted within the first 24 hours of residency,
2. Providing a comprehensive program orientation and full client assessment within 7 working days of residency,
3. Developing an Individual Program Plan for each client within 14 working days of residency,

14. Attendance of all probation meetings,
15. Maintaining up-to-date client files,
16. Facilitating group social activities to promote fellowship, support pro-social skill development and provide social event experiences without alcohol and drugs.

Additional Supportive Services

Clients will be provided with linen and towel supplies and there will be on-site washers and dryers for laundry. Laundry soap will be provided. Indigent clients will be given personal care items, clothes, bus passes, assistance with medication and other support service needs.

Nutritional hot and cold meals will be provided three times per day. Sack lunches will be prepared for clients who are out during the mid-day meal. Special need diets will be accommodated per documented physical, dental, and religious needs. Residents are encouraged to participate in meal preparation and planning.

Over-the-counter medication will be provided by CONTRACTOR for non-serious illnesses and clients will be responsible for obtaining their own prescription medications. Clients may keep

most prescriptions in their room or on their person, however controlled medications will be monitored and secured in a locked cabinet and dispensed by CONTRACTOR staff.

Collaborative Services

Essential to the client's success will be the effective collaborative relationships that CONTRACTOR maintains. CONTRACTOR has partnerships with organizations such as Office for Employment Training, Department of Social Services, Sun Street Center, Food Bank for Monterey County, Natividad Medical Center, Steinbeck Library, Center for Employment Training, Clinica de Salud, the Faith Based Community, and other community-based organizations that will be relied upon to provide relapse prevention, personal, health, educational, and vocational services necessary for our client's successful reentry. CONTRACTOR will rely on their AB109 funded Probation Employment Services for On-the-Job Training and job placement services. CONTRACTOR, MC Probation Department and Behavioral Health will be the core multidisciplinary team that will drive the client's Individual Program Plan.

EMERGENCY HOUSING and INCENTIVE SERVICES: CONTRACTOR will offer AB109 Emergency Housing and Incentive Services to all referred Monterey County PRCS, Mandatory Supervision, and Intensive Supervision probationers. CONTRACTOR will provide coordination of the AB 109 housing incentive. CONTRACTOR will work in partnership with Monterey County Probation in processing all referrals for a potential housing incentive from Probation. An amount of \$6,000 shall be allocated for emergency housing incentives and staffing to the target population in Monterey County. With Probation's approval, CONTRACTOR may provide room and board at local motels for both men and women at a price negotiated by Turning Point and approved by the County. In addition, with the Probation Department's approval, CONTRACTOR may provide support to qualified AB109-funded clients for their first month's rent/security deposit, provided they have the reasonable ability to maintain the rent payments. The purpose of the housing incentive is to provide funding resources to secure housing for participants. Probation Officers will work closely with the Turning Point Coordinator in determining eligibility and amount for the housing incentive.

EVIDENCE-BASED PRACTICES AND PROGRAMS

One of the legislative intents of AB109 is to maximize the role of evidence-based intervention strategies to effectively reduce criminal recidivism. The Probation Department has agreed to provide AB109 service providers additional support through the Smart Supervision Grant in collaboration with the city of Salinas, as funds are available through the grant. Specifically, an assessment of evidence-based practice utilization, training, and technical support will be provided for the contractor's staff. It is expected that these staff members will fully participate and utilize these trainings and techniques to enhance delivery of services. These efforts will also provide support for identifying measurable service objectives used in Probation's program evaluation of your service delivery.

Collected data shall reflect the dates and specific services received and the outcome of service delivery and related participant expenditures. Aggregate data shall be collected to reflect total numbers of those persons referred each month, that were assessed, that were case managed, and for which their referrals were closed. Data shall be provided at least monthly, but also as requested by the COUNTY.

Through Smart Probation SMS, all required data will be entered into the web-based software application. All users shall be responsible for maintaining confidentiality of their user license, accurately entering data on a daily-to-weekly basis, and immediately notifying Probation Site Administrators of identified issues relating to access, data entry, or training needs.

EXHIBIT B

Public Safety Realignment Act of 2011 (AB 109) Grant Guidelines

SUMMARY

The Public Safety Realignment Plan for Monterey County was developed by the local Community Corrections Partnership and approved by its Executive Committee and Monterey County Board of Supervisors.

DISCUSSION

The Public Safety Realignment Act of 2011 shifts responsibility for low-level offenders and parole supervision from the state to the counties. The state will continue to incarcerate offenders who commit serious, violent, or sex crimes, but the counties will supervise, rehabilitate and manage lower-level offenders. Local authority is extended to three new populations: a) specified non-violent, non-serious, non-sex offenders (“non-non-non”), who will no longer be sent to a state prison, but could serve time in jail and/or be supervised by Probation; b) eligible offenders who, after their prison sentence, will be managed by Probation under the new Post Release Community Supervision Program (PRCS); and c) parole violators who did not commit a new crime.

The Public Safety Realignment Plan promotes the design and implementation of a system of “community-based punishment” utilizing evidence-based correctional sanctions and programming other than jail incarceration. Intermediate sanctions include Electronic Monitoring, flash incarceration, community service, participation in residential and outpatient treatment programs, and educational and vocational training services. This represents a balanced approach that combines offender case management based on classification of recidivism risk, alternatives to detention, jail management and local incarceration, and evidence-based rehabilitative and treatment services for individuals under PRCS, Mandatory Supervision, and high risk probationers.

BASIC GUIDELINES

Both parties agree to follow the guidelines of AB 109 as set forth in the legislation and in the guidelines and interpretations by the California Board of Corrections. It is understood between the parties that AB 109 funding is intended to be used prior to June 30, 2019, and that all expenditures of funds must adhere to the guidelines contained in that legislation.

It also is understood that the Probation Department bears oversight responsibility for administration of this grant and must monitor each participating agency’s adherence to mandated guidelines.

If the appropriated grant funds are discontinued or otherwise become unavailable to County during the term of the Agreement or any extension thereof, County shall have the right to terminate this Agreement by giving contractor written notice of such termination at least thirty (30) days prior to the effective date of the termination.

EXHIBIT C
The Criminal Justice Realignment Act of 2011

“California must reinvest its criminal justice resources to support community-based corrections programs and evidence-based practices that will achieve improved public safety returns on this state’s substantial investment in its criminal justice system. Realigning low-level felony offenders who do not have prior convictions for serious, violent, or sex offenses to locally run community-based corrections programs, which are strengthened through community-based punishment, evidence-based practices, improved supervision strategies, and enhanced secured capacity, will improve public safety outcomes among adult felons and facilitate their reintegration back into society. Community-based corrections programs require a partnership between local public safety entities and the county to provide and expand the use of community-based punishment for low-level offender populations. Each county’s Local Community Corrections Partnership, as established in paragraph (2) of subdivision (b) of Section 1230, should play a critical role in developing programs and ensuring appropriate outcomes for low-level offenders. Fiscal policy and correctional practices should align to promote a justice reinvestment strategy that fits each county. “Justice reinvestment” is a data-driven approach to reduce corrections and related criminal justice spending and reinvest savings in strategies designed to increase public safety. The purpose of justice reinvestment is to manage and allocate criminal justice populations more cost-effectively, generating savings that can be reinvested in evidence-based strategies that increase public safety while holding offenders accountable. “Community-based punishment” means correctional sanctions and programming encompassing a range of custodial and noncustodial responses to criminal or noncompliant offender activity. Community-based punishment may be provided by local public safety entities directly or through community-based public or private correctional service providers [et. seq]. “Evidence-based practices” refers to supervision policies, procedures, programs, and practices demonstrated by scientific research to reduce recidivism among individuals under probation, parole, or post release supervision.” (CA Pen. Code, § 17.5(a)(4)-(9).)

permission of its owner as a temporary substitute for a covered "auto" you own that is out of service because of its:

- a. Breakdown;
- b. Repair;
- c. Servicing;
- d. "Loss;" or
- e. Destruction.

SECTION II - LIABILITY COVERAGE

A. COVERAGE

We will pay all sums an "insured" legally must pay as damages because of "bodily injury" or "property damage" to which this insurance applies, caused by an "accident" and resulting from the ownership, maintenance or use of a covered "auto."

We have the right and duty to defend any "suit" asking for these damages. However, we have no duty to defend "suits" for "bodily injury" or "property damage" not covered by this Coverage Form. We may investigate and settle any claim or "suit" as we consider appropriate. Our duty to defend or settle ends when the Liability Coverage Limit of Insurance has been exhausted by payment of judgments or settlements.

1. WHO IS AN INSURED

The following are "insureds:"

- a. You for any covered "auto."
- b. Anyone else while using with your permission a covered "auto" you own, hire or borrow except:
 - (1) The owner or anyone else from whom you hire or borrow a covered "auto." This exception does not apply if the covered "auto" is a "trailer" connected to a covered "auto" you own.
 - (2) Your employee if the covered "auto" is owned by that employee or a member of his or her household.
 - (3) Someone using a covered "auto" while he or she is working in a business of selling, servicing, repairing or parking "autos" unless that business is yours.
 - (4) Anyone other than your employees, partners, a lessee or borrower or any of their employees, while moving property to or from a covered "auto."
 - (5) A partner of yours for a covered "auto" owned by him or her or a member of his or her household.
- c. Anyone else who is not otherwise excluded under paragraph b. above and is liable for the conduct of an "insured" but only to the extent of that liability.

2. COVERAGE EXTENSIONS

- a. Supplementary Payments. In addition to the Limit of Insurance, we will pay for the "insured:"

- (1) All expenses we incur.
- (2) Up to \$250 for cost of bail bonds (including bonds for related traffic law violations) required because of an "accident" we cover. We do not have to furnish these bonds.
- (3) The cost of bonds to release attachments in any "suit" we defend, but only for bond amounts within our Limit of Insurance.
- (4) All reasonable expenses incurred by the "insured" at our request, including actual loss of earning up to \$100 a day because of time off from work.
- (5) All costs taxed against the "insured" in any "suit" we defend.
- (6) All interest on the full amount of any judgment that accrues after entry of the judgment in any "suit" we defend; but our duty to pay interest ends when we have paid, offered to pay or deposited in court the part of the judgment that is within our Limit of Insurance.

b. Out of State Coverage Extensions.

While a covered "auto" is away from the state where it is licensed we will:

- (1) Increase the Limit of Insurance for Liability Coverage to meet the limits specified by a compulsory or financial responsibility law of the jurisdiction where the covered "auto" is being used. This extension does not apply to the limit or limits specified by any law governing motor carriers of passengers or property.
- (2) Provide the minimum amounts and types of other coverages, such as no-fault, required of out of state vehicles by the jurisdiction where the covered "auto" is being used.
We will not pay anyone more than once for the same elements of loss because of these extensions.

B. EXCLUSIONS

This insurance does not apply to any of the following:

1. EXPECTED OR INTENDED INJURY

"Bodily injury" or "property damage" expected or intended from the standpoint of the "insured."

2. CONTRACTUAL

Liability assumed under any contract or agreement.

But this exclusion does not apply to liability for damages:

- a. Assumed in a contract or agreement that is an "insured contract;" or
- b. That the "insured" would have in the absence of the contract or agreement.

3. WORKERS COMPENSATION

Any obligation for which the "insured" or the "insured's" insurer may be held liable under any workers compensation, disability benefits or

unemployment compensation law or any similar law.

4. EMPLOYEE INDEMNIFICATION AND EMPLOYER'S LIABILITY

"Bodily injury" to:

- a. An employee of the "insured" arising out of and in the course of employment by the "insured;" or
- b. The spouse, child, parent, brother or sister of that employee as a consequence of paragraph a. above.

This exclusion applies:

- (1) Whether the "insured" may be liable as an employer or in any other capacity; and
- (2) To any obligation to share damages with or repay someone else who must pay damages because of the injury.

But this exclusion does not apply to "bodily injury" to domestic employees not entitled to workers compensation benefits or to liability assumed by the "insured" under an "insured contract."

5. FELLOW EMPLOYEE

"Bodily injury" to any fellow employee of the "insured" arising out of and in the course of the fellow employee's employment.

6. CARE, CUSTODY OR CONTROL

"Property damage" to property owned or transported by the "insured" or in the "insured's" care, custody or control. But this exclusion does not apply to liability assumed under a sidetrack agreement.

- a. Before it is moved from the place where it is accepted by the "insured" for movement into or onto the covered "auto;" or

8. MOVEMENT OF PROPERTY BY MECHANICAL DEVICE

"Bodily injury" or "property damage" resulting from the movement of property by a mechanical device (other than a hand truck) unless the device is attached to the covered "auto."

10. COMPLETED OPERATIONS

"Bodily injury" or "property damage" arising out of your work after that work has been completed or abandoned.

In this exclusion, your work means:

- a. Work or operations performed by you or on your behalf; and

- b. Materials, parts or equipment furnished in connection with such work or operations.

Your work includes warranties or representations made at any time with respect to the fitness, quality, durability or performance of any of the items included in paragraphs a. or b. above.

Your work will be deemed completed at the earliest of the following times:

- (1) When all of the work called for in your contract has been completed.
- (2) When all of the work to be done at the site has been completed if your contract calls for work at more than one site.
- (3) When that part of the work done at a job site has been put to its intended use by any person or organization other than another contractor or subcontractor working on the same project. Work that may need service, maintenance, correction, repair or replacement, but which is otherwise complete, will be treated as completed.

11. POLLUTION

- a. "Bodily injury" or "property damage" arising out of the actual, alleged or threatened discharge, dispersal, release or escape of pollutants:

- (1) That are, or that are contained in any property that is:

- (a) Being transported or towed by, or handled for movement into, onto or from, the covered "auto;"

- (b) Otherwise in the course of transit by the "insured;" or

- (c) Being stored, disposed of, treated or processed in or upon the covered "auto;"

- (2) Before the pollutants or any property in which the pollutants are contained are moved from the place where they are accepted by the "insured" for movement into or onto the covered "auto;" or

- (3) After the pollutants or any property in which the pollutants are contained are moved from the covered "auto" to the place where they are finally delivered, disposed of or abandoned by the "insured."

- b. Any loss, cost or expense arising out of any governmental direction or request that you test for, monitor, clean up, remove, contain, treat, detoxify or neutralize pollutants.

Pollutants means any solid, liquid, gaseous or thermal irritant or contaminant, including smoke, vapor, soot, fumes, acids, alkalis, chemicals and waste. Waste includes materials to be recycled, reconditioned or reclaimed.

Paragraph a.(1)(c) does not apply to fuels, lubricants, fluids, exhaust gases or other similar pollutants that are needed for or result from the normal electrical, hydraulic or mechanical functioning of the covered "auto" or its parts, if:

- (1) The pollutants escape or are discharged, disbursed or released directly from an "auto" part designed by its manufacturer to hold, store, receive or dispose of such pollutants; and
- (2) The "bodily injury" or "property damage" does not arise out of the operation of any equipment listed in paragraphs 6.b and 6.c of the definition of "mobile equipment."

Paragraphs a(2) and a(3) of this exclusion do not apply if:

- (1) The pollutants or any property in which the pollutants are contained are upset, overturned or damaged as a result of the maintenance or use of a covered "auto;" and
- (2) The discharge, dispersal, release or escape of the pollutants is caused directly by such upset, overturn or damage.

12. WAR

"Bodily injury" or "property damage" due to war, whether or not declared, or any act or condition incident to war. War includes civil war, insurrection, rebellion or revolution. This exclusion applies only to liability assumed under a contract or agreement.

C. LIMIT OF INSURANCE

Regardless of the number of covered "autos," "insureds," premiums paid, claims made or vehicles involved in the "accident," the most we will pay for all damages resulting from any one "accident" is the Limit of Insurance for Liability Coverage shown in the Declarations.

All "bodily injury" and "property damage" resulting from continuous or repeated exposure to substantially the same conditions will be considered as resulting from one "accident."

SECTION III - PHYSICAL DAMAGE COVERAGE

2. Towing.

We will pay up to the limit shown in the Declarations for towing and labor costs incurred each time a covered "auto" of the private passenger type is disabled. However, the labor must be performed at the place of disablement.

3. Glass Breakage - Hitting a Bird or Animal - Falling Objects or Missiles.

If you carry Comprehensive Coverage for the damaged covered "auto," we will pay for the following under Comprehensive Coverage:

- a. Glass breakage;
- b. "Loss" caused by hitting a bird or animal; and
- c. "Loss" caused by falling objects or missiles.

However, you have the option of having glass breakage caused by a covered "auto's" collision or overturn considered a "loss" under Collision Coverage.

4. Coverage Extension. We will pay up to \$10 per day to a maximum of \$300 for transportation expense incurred by you because of the total theft of a covered "auto" of the private passenger type. We will pay only for those covered "autos" for which you carry either Comprehensive or Specified Causes of Loss Coverage. We will pay for transportation expenses incurred during the period beginning 48 hours after the theft and ending, regardless of the policy's expiration, when the covered "auto" is returned to use or we pay for its "loss."

B. EXCLUSIONS

1. We will not pay for "loss" caused by or resulting from any of the following. Such "loss" is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the "loss."
 - a. Nuclear Hazard.

2. The cost of repairing or replacing the damaged or stolen property with other property of like kind and quality.

D. DEDUCTIBLE

For each covered "auto," our obligation to pay for, repair, return or replace damaged or stolen property will be reduced by the applicable deductible shown in the Declarations. Any Comprehensive Coverage deductible shown in the Declarations does not apply to "loss" caused by fire or lightning.

SECTION IV - BUSINESS AUTO CONDITIONS

The following conditions apply in addition to the Common Policy Conditions:

A. LOSS CONDITIONS

1. APPRAISAL FOR PHYSICAL DAMAGE LOSS

If you and we disagree on the amount of "loss," either may demand an appraisal of the "loss." In this event, each party will select a competent appraiser. The two appraisers will select a competent and impartial umpire. The appraisers will state separately the actual cash value and amount of "loss." If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

- a. Pay its chosen appraiser; and

- b. Bear the other expenses of the appraisal and umpire equally.

If we submit to an appraisal, we will still retain our right to deny the claim.

2. DUTIES IN THE EVENT OF ACCIDENT, CLAIM, SUIT OR LOSS

- a. In the event of "accident," claim, "suit" or "loss," you must give us or our authorized representative prompt notice of the "accident" or "loss." Include:

- (1) How, when and where the "accident" or "loss" occurred:

- (2) The "insured's" name and address; and

- (3) To the extent possible, the names and addresses of any injured persons and witnesses.

- b. Additionally, you and any other involved "insured" must:

- (1) Assume no obligation, make no payment or incur no expense without our consent, except at the "insured's" own cost.

- (2) Immediately send us copies of any demand, notice, summons or legal paper received concerning the claim or "suit."

- (3) Cooperate with us in the investigation, settlement or defense of the claim or "suit."

- (4) Authorize us to obtain medical records or other pertinent information.

- (5) Submit to examination, at our expense, by physicians of our choice, as often as we reasonably require.

- c. If there is "loss" to a covered "auto" or its equipment you must also do the following:

- (1) Promptly notify the police if the covered "auto" or any of its equipment is stolen.

- (2) Take all reasonable steps to protect the covered "auto" from further damage. Also keep a record of your expenses for consideration in the settlement of the claim.

- (3) Permit us to inspect the covered "auto" and records proving the "loss" before its repair or disposition.

- (4) Agree to examinations under oath at our request and give us a signed statement of your answers.

3. LEGAL ACTION AGAINST US

No one may bring a legal action against us under this Coverage Form until:

- a. There has been full compliance with all the terms of this Coverage Form; and

- b. Under Liability Coverage, we agree in writing that the "insured" has an obligation to pay or until the amount of that obligation has finally been determined by judgment after trial. No one has the right under this policy to bring us into an action to determine the "insured's" liability.

4. LOSS PAYMENT - PHYSICAL DAMAGE COVERAGES

At our option we may:

- a. Pay for, repair or replace damaged or stolen property;
- b. Return the stolen property, at our expense. We will pay for any damage that results to the "auto" from the theft; or
- c. Take all or any part of the damaged or stolen property at an agreed or appraised value.

5. TRANSFER OF RIGHTS OF RECOVERY AGAINST OTHERS TO US

If any person or organization to or for whom we make payment under this Coverage Form has rights to recover damages from another, those rights are transferred to us. That person or organization must do everything necessary to secure our rights and must do nothing after "accident" or "loss" to impair them.

B. GENERAL CONDITIONS

1. BANKRUPTCY

Bankruptcy or insolvency of the "insured" or the "insured's" estate will not relieve us of any obligations under this Coverage Form.

2. CONCEALMENT, MISREPRESENTATION OR FRAUD

This Coverage Form is void in any case of fraud by you at any time as it relates to this Coverage Form. It is also void if you or any other "insured," at any time, intentionally conceal or misrepresent a material fact concerning:

- a. This Coverage Form;
- b. The covered "auto;"
- c. Your interest in the covered "auto;" or
- d. A claim under this Coverage Form.

3. LIBERALIZATION

If we revise this Coverage Form to provide more coverage without additional premium charge, your policy will automatically provide the additional coverage as of the day the revision is effective in your state.

4. NO BENEFIT TO BAILEE - PHYSICAL DAMAGE COVERAGES

We will not recognize any assignment or grant any coverage for the benefit of any person or organization holding, storing or transporting property for a fee regardless of any other provision of this Coverage Form.

5. OTHER INSURANCE

- a. For any covered "auto" you own, this Coverage Form provides primary insurance. For any covered "auto" you don't own, the insurance provided by this Coverage Form is excess over any other collectible insurance. However, while a covered "auto" which is a "trailer" is connected to another vehicle, the Liability Coverage this Coverage Form provides for the "trailer" is:

(1) Excess while it is connected to a motor

vehicle you do not own.

(2) Primary while it is connected to a covered "auto" you own.

- b. Regardless of the provisions of paragraph a. above, this Coverage Form's Liability Coverage is primary for any liability assumed under an "insured contract."

c. When this Coverage Form and any other Coverage Form or policy covers on the same basis, either excess or primary, we will pay only our share. Our share is the proportion that the Limit of Insurance of our Coverage Form bears to the total of the limits of all the Coverage Forms and policies covering on the same basis.

6. PREMIUM AUDIT

a. The estimated premium for this Coverage Form is based on the exposures you told us you would have when this policy began. We will compute the final premium due when we determine your actual exposures. The estimated total premium will be credited against the final premium due and the first Named Insured will be billed for the balance, if any. If the estimated total premium exceeds the final premium due, the first Named Insured will get a refund.

b. If this policy is issued for more than one year, the premium for this Coverage Form will be computed annually based on our rates or premiums in effect at the beginning of each year of the policy.

7. POLICY PERIOD, COVERAGE TERRITORY

Under this Coverage Form, we cover "accidents" and "losses" occurring:

a. During the policy period shown in the Declarations; and

b. Within the coverage territory.

The coverage territory is:

- a. The United States of America;
- b. The territories and possessions of the United States of America;
- c. Puerto Rico; and
- d. Canada.

We also cover "loss" to, or "accidents" involving, a covered "auto" while being transported between any of these places.

8. TWO OR MORE COVERAGE FORMS OR POLICIES ISSUED BY US

If this Coverage Form and any other Coverage Form or policy issued to you by us or any company affiliated with us apply to the same "accident," the aggregate maximum Limit of Insurance under all the Coverage Forms or policies shall not exceed the highest applicable Limit of Insurance under any one Coverage Form or policy. This condition does not apply to any Coverage Form or policy issued by us or an affiliated company specifically to apply as excess

insurance over this Coverage Form.

**ADDITIONAL INSURED
PRIMARY AND NON-CONTRIBUTORY ENDORSEMENT
FOR PUBLIC ENTITIES**

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

A. SECTION II – WHO IS AN INSURED is amended to include any public entity as an additional insured for whom you are performing operations when you and such person or organization have agreed in a written contract or written agreement that such public entity be added as an additional insured(s) on your policy, but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" arising out of, in whole or in part, by:

1. Your negligent acts or omissions; or
2. The negligent acts or omissions of those acting on your behalf; in the performance of your ongoing operations.

No such public entity is an additional insured for liability arising out of the "products-completed operations hazard" or for liability arising out of the sole negligence of that public entity.

B. With respect to the insurance afforded to these additional insured(s), the following additional exclusions apply.

This insurance does not apply to "bodily injury" or "property damage" occurring after:

1. All work, including materials, parts or equipment furnished in connection with such work, on the project (other than service, maintenance or repairs) to be performed by or on behalf of the additional insured(s) at the location of the covered operations has been completed; or
2. That portion of "your work" out of which injury or damage arises has been put to its intended use by any person or organization other than another contractor or subcontractor engaged in performing operations for a principal as a part of the same project.

C. The following is added to SECTION III – LIMITS OF INSURANCE:

The limits of insurance applicable to the additional insured(s) are those specified in the written contract between you and the additional insured(s), or the limits available under this policy, whichever are less. These limits are part of and not in addition to the limits of insurance under this policy.

D. With respect to the insurance provided to the additional insured(s), Condition 4. Other Insurance of SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS is replaced by the following:

4. Other Insurance

a. Primary Insurance

This insurance is primary if you have agreed in a written contract or written agreement:

- (1) That this insurance be primary. If other insurance is also primary, we will share with all that other insurance as described in c. below; or
- (2) The coverage afforded by this insurance is primary and non-contributory with the additional insured(s)' own insurance.

Paragraphs (1) and (2) do not apply to other insurance to which the additional insured(s) has been added as an additional insured or to other insurance described in paragraph b. below.

b. Excess Insurance

This insurance is excess over:

1. Any of the other insurance, whether primary, excess, contingent or on any other basis:
 - (a) That is Fire, Extended Coverage, Builder's Risk, Installation Risk or similar coverage for "your work";
 - (b) That is fire, lightning, or explosion insurance for premises rented to you or temporarily occupied by you with permission of the owner;
 - (c) That is insurance purchased by you to cover your liability as a tenant for "property damage" to premises temporarily occupied by you with permission of the owner; or
 - (d) If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to Exclusion g. of SECTION I – COVERAGE A – BODILY INJURY AND PROPERTY DAMAGE.
 - (e) That is any other insurance available to an additional insured(s) under this Endorsement covering liability for damages arising out of the premises or operations, or products-completed operations, for which the additional insured(s) has been added as an additional insured by that other insurance.
- (1) When this insurance is excess, we will have no duty under Coverages A or B to defend the additional insured(s) against any "suit" if any other insurer has a duty to defend the additional insured(s) against that "suit". If no other insurer defends, we will undertake to do so, but we will be entitled to the additional insured(s)' rights against all those other insurers.
- (2) When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:
 - (a) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
 - (b) The total of all deductible and self-insured amounts under all that other insurance.
- (3) We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

c. Methods of Sharing

If all of the other insurance available to the additional insured(s) permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any other the other insurance available to the additional insured(s) does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.
