COUNTY OF MONTEREY  
Moss Landing Rule 20A Underground Utility District

**CONTRACT TO PURCHASE PUBLIC UTILITY EASEMENT**

APN 133-251-005 and -009 (PUE "B")

This Contract is entered into as of June 9, 2015 by and between QUIN DELTA, LLC, a California limited liability company ("Grantor"), and the County of Monterey, a political subdivision of the State of California ("County").

RECITALS

WHEREAS, Grantor is the fee owner of property located at 10928 Clam Way in the community of Moss Landing as shown on Attachment A hereto, and otherwise known as APN 133-251-005 and -009 (the "Property"); and

WHEREAS, County is implementing the Moss Landing Rule 20A Underground Utility District (the "Project") through the public utility companies' placement of overhead utility lines into underground conduits and removal of above-ground wires and poles throughout the community; and

WHEREAS, County desires to acquire a Public Utility Easement on or across a portion of the Property in order to provide utility service to the Property as part of the implementation of the Project.

NOW, THEREFORE, Grantor and County hereby mutually agree as follows:

1. Grantor agrees to grant a Public Utility Easement to the public utilities named in the Easement Deed as described in Exhibit A attached hereto and by this reference incorporated herein for purposes of construction, maintenance, use, and operation of electricity lines, telephone lines, cable television lines, internet service provider lines, and all the necessary appurtenances thereto (hereinafter referred to as the "utilities"), together with the right of ingress and egress from said easement. Grantor shall execute the Public Utility Easement in substantially the form of Exhibit A.

2. In consideration for the Grant of Public Utility Easement described herein, County shall pay, and Grantor does accept, the sum of *Twelve Thousand One Hundred Forty Dollars (\$12,140)*. This amount constitutes full compensation for interests in, and any damages to, the Property acquired by the public utilities.

3. Grantor expressly warrants that there are no oral or written leases on all or a portion of the Property, and that there are no possessory interests held by any person other than Grantor.

4. In consideration of County waiving any defects and imperfections with respect to matters of record title, Grantor covenants and agrees to indemnify, defend and hold County

harmless from any and all claims that other parties may make or assert on the title to the real property covered by the Public Utility Easement. In addition, Grantor relieves County of all further obligations or claims of whatever kind or nature on this Project, or on account of the construction of proposed public utility improvements in the manner proposed, including but not limited to claims arising out of the location, grade, or restriction of private access rights

5. County shall pay all escrow and recording fees incurred in this transaction and, if title insurance is desired by County, the premium charged therefore. Said escrow charges shall not, however, include documentary transfer tax.

6. County shall reinstall or reconstruct any pre-existing landscaping, fencing, or other non-structural improvements along and immediately adjacent to the Public Utility Easement that may be damaged or affected by the Project. All work done under this agreement shall conform to all applicable building laws, ordinances and regulations relating to such work, and shall be done in a good and workmanlike manner. Pre-existing improvements, when removed and reinstalled or reconstructed by County, shall be left in as good a condition as found.

7. This contract constitutes the entire agreement between the parties.

IN WITNESS WHEREOF, the parties have executed this contract, the day and year first above written.
